

**Santa Fe Independent
School District**

Superintendent Message

Dear SFISD Teachers and Staff:

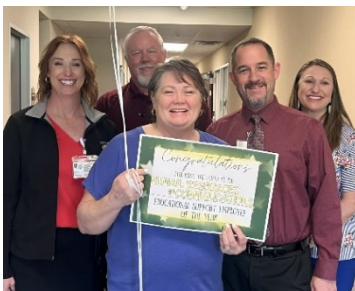

April 19, 2024

Thank you again to everyone for your help and support during our **STAAR/EOC Testing** this past week. Kudos to all our teachers, support staff, technologists, testing administrators, and campus testing coordinators. These are not easy days! Great work everyone. Our science and social studies exams will begin next week.

The **Galveston County Fair and Rodeo** is finishing up this weekend. Our Santa Fe ISD Ag students know how to represent! Some of the big winners this week include: *Grand Champion* Breeding Beef (Carlie Young), *Grand Champion* Market Turkey (Carlie Young), *Grand Champion* Market Broilers (Leo Douglas), *Grand Champion* Market Swine (Charlie Loftin), *Grand Champion* Ag Mechanics Project, *Reserve Grand Champion* Steer (Rylan Kukuk), and *Grand Champion* Steer (Mackensie Scales). Congratulations to ALL these hardworking, dedicated Ag students! We are so proud :)

Our **Varsity Baseball and Softball** teams are both on the road tonight. Our **Varsity Pole-Vaulters** are at Regionals today, and **Varsity Tennis** is in Angleton. We also want to give a shout-out to Mr. Raines and our **SFHS Band** students. They are headed to the UIL Regional Contest in Manvel today, so we want to wish them our best.

That's all for now! Have a great weekend,
KB

**CONGRATULATIONS to our
2024 SFISD Support Staff!!**
