

VANGUARD UNIVERSITY

COMMENCEMENT

— 2024 —

THURSDAY, MAY 2 | 10AM

MARINERS CHURCH, IRVINE, CA

COMMENCEMENT SPEAKER

REV. WILFREDO "CHOCO" DE JESÚS

General Treasurer, Assemblies of God

Former Lead Pastor, New Life Covenant Church

Wilfredo "Choco" De Jesus served in the Humboldt Park neighborhood of Chicago as Lead Pastor of New Life Covenant Church for over 19 years (2000-2019). The church has seen a tremendous amount of growth and influence through the planting of multi-site campuses, effective urban and community outreach, and through world missions.

Today, Pastor Choco serves as the General Treasurer of the Assemblies of God, a Pentecostal denomination serving 13,017 churches with over 3 million members and adherents in the US, and more than 69 million members worldwide.

Pastor Choco has a heart to reach even the most marginalized with the Gospel and the saving power of Jesus Christ. In April 2013, he was named one of *Time Magazine's* 100 most influential people in the world and recognized for his leadership and influence within the Evangelical and Latino community..

Pastor Choco is also the author of five books: *Amazing Faith*, *In the Gap*, *Stay the Course*, *Move Into More*, and *Love Them Anyway*.

In December of 2018, he graduated with his doctorate from Southeastern University in Lakeland, Florida. He and his wife Elizabeth have three adult children and six pretty amazing grandchildren.

STUDENT SPEAKER

GRADUATE STUDENT SPEAKER

ANITA ROTICH

Anita received a Bachelor of Arts in International Relations from University of California Davis. She is now a part of the graduating class of 2024, earning the Master of Science in Clinical Psychology at Vanguard University.

Anita's background includes being born and raised in Kenya, where she was immersed in various nations with people of different ages, socio-economic statuses, religious beliefs, races, and cultures. This experience broadened her deep compassion and awareness, enabling her to understand a myriad of diverse topics. In her clinical work, Anita works towards building authentic working relationships with her clients, meets them where they are, and empathizes with their stories as a Marriage and Family Therapist Trainee. She aspires to continuously provide a safe, nonjudgmental, and affirmative space for everyone who is placed in her care.

Anita enjoys an eclectic range of activities including reading novels, going on long walks and trying new foods and experiences. She is dedicated to expanding her therapeutic expertise by continuously immersing herself in various cultural experiences with the hopes of better understanding the person and soul sitting across from her. Anita's family, friends, relationship with Jesus, and random encounters with strangers through countless vulnerable conversations have been a radical motivator over the years. Her future aspirations include pursuing higher education through a PhD or PsyD in the near future.

STUDENT SPEAKER

UNDERGRADUATE STUDENT SPEAKER

ABIGAIL M. FRANK

Abigail Frank is a driven and compassionate student who is graduating in three years with her Bachelor of Arts in English with an emphasis in Creative Writing, and three minors in Journalism, Sports Media, and Theology.

Throughout her time at Vanguard, Abigail has been able to serve in multiple student leadership positions and on-campus jobs. For three semesters, she worked with the Academic Resource Center as a Writing Center consultant. Abigail was also a part of the freshman leadership program, Activate, which developed her desire to advocate for and support all student groups. Abigail also served Residence Life as Commuter Assistant; she was able to support commuter students and develop programming for intentional community interaction.

Following her desire to support student groups, Abigail interned for the College Corps grant on campus during the 2022-2023 school year and is currently continuing in this role. Here, Abigail discovered her passion for mentorship as she mentored students through the program as well as benefited from intentional mentorship from her supervisors. Abigail has also taught writing labs for five semesters, which has given her an opportunity to develop and connect with students in a classroom setting.

Currently, Abigail serves the Office of Student Engagement and Inclusion as the Vice President of Financial Affairs for the Student Government Association. Here, Abigail can hear and respond directly to student concerns, acting as a liaison between students and faculty. It is Abigail's hope to encourage the 2024 class to pursue everything with intentionality and joy as we graduate and go into the community.
