 3. Pursuant to Section 54957 of the Government Code the Board will consider personnel matters, including:
 - Public Employee(s) Discipline/Dismissal/Release
 - Public Employee Appointment
 - Assistant Principals

A.8. Reconvene to Open Session (7:00 PM)

A.9. Report Out of Closed Session

The Board will report on any action taken in Closed Session or take action on any item considered in Closed Session, including expulsion of students.

A.10. Introduction of Newly Appointed Oxnard School District School Resource Officers (DeGenna/Fox/Nocero)

Corporal Jon Ballow and Officer Jesus Ramirez, newly appointed Oxnard School District School Resource Officers, will be introduced to the Board of Trustees.

Section B: PUBLIC COMMENT/HEARINGS

B.1. Public Comment (3 minutes per speaker) / Comentarios del Público (3 minutos por cada ponente)

Members of the public may address the Board on any matter within the Board’s jurisdiction at this time or at the time that a specific agenda item is being considered. Comments should be limited to three (3) minutes. Please know this meeting is being video-recorded and televised.

The Board particularly invites comments from parents of students in the District. If you would like to donate your (3) minutes of public speaking time, you must be present during public comments.

Los miembros del público podrán dirigirse a la Mesa Directiva sobre cualquier asunto que corresponda a la jurisdicción de la Mesa Directiva en este periodo o cuando este punto figure en el orden del día y sea analizado. Los comentarios deben limitarse a tres (3) minutos. Tenga presente que esta reunión está siendo grabada y televisada. La Mesa Directiva invita en particular a los padres y alumnos del distrito a que presenten sus comentarios. Si gusta donar sus tres (3) minutos de comentario, debe estar presente durante la presentación de comentarios.

Section C: CONSENT AGENDA

(All matters specified as Consent Agenda are considered by the Board to be routine and will be acted upon in one motion. There will be no discussion of these items prior to the time the Board votes on the motion unless members of the Board request specific items be discussed and/or removed from the Consent Agenda.)

Note: No new items will be considered after 10:00 p.m. in accordance with Board Bylaws, BB 9323 – Meeting Conduct

Board Discussion:

Approval of Community Advisory Committee Representative (DeGenna/Jefferson)

The Education code requires that all Special Education Local Plan Areas (SELPA's) maintain a Community Advisory Committee (CAC). The CAC is an advisory group that provides input to the SELPA's Local Plan. The committee is composed of parents of students with disabilities, general and special education teachers, specialists, and other school personnel or representatives of community agencies concerned with the needs of individuals with disabilities. According to the Education Code, one-half or more of the CAC members shall be parents of students in school districts. CAC membership shall be appointed by District governing boards and appointment shall be for a period of two years.

The district has received applications for CAC membership and requests Board approval for the appointment of Maritza Perez Gutiérrez, Oxnard resident and parent of a child attending Oxnard School District, to serve a two-year term as the Oxnard School District Representative to the SELPA CAC for the 23-24 and 24-25 school years.

FISCAL IMPACT:

N/A

RECOMMENDATION:

It is the recommendation of the Interim Superintendent and the Special Education Director that the Board of Trustees approve the appointment of the Community Advisory Committee Representative as presented.

Request for Approval of Out of State Conference Attendance (DeGenna)

Interim Superintendent Ana DeGenna has been accepted to participate in the Association of Latino Administrators and Superintendents' (ALAS) Superintendents Leadership Academy (SLA). ALAS seeks dedicated and aspiring Latino superintendents in their development of the knowledge and networking skills necessary to lead a school district. The selection process is highly competitive due to the limited number of participants as designed by the cohort model. Ideally, candidates are serving at a cabinet-level position.

Participants are required to attend program sessions held monthly beginning in September and ending in May of the following year. The program is comprised of a combination of virtual and in-person sessions covering various content strands. Participants are provided required readings, assignments, and activities as part of each session. Participants will not be allowed to complete the program if they miss more than one session.

The Board's approval is requested for Dr. DeGenna to attend the two in-person sessions scheduled out of state. The 20th Anniversary Summit is scheduled for October 4-6, 2023 in San Antonio, TX. Graduation from the Academy is scheduled for May 17-18, 2024 in Washington, DC.

FISCAL IMPACT:

Not to exceed \$3,800.00 for travel and lodging for both events, to be paid from the General Fund.

RECOMMENDATION:

It is the recommendation of the Interim Superintendent that the Board of Trustees approve out of state conference attendance for Dr. Ana DeGenna to attend the ALAS 20th Anniversary Summit, October 4-6, 2023 in San Antonio, TX and the SLA Graduation Ceremony, May 17-18, 2024 in Washington, DC, as outlined above.

Agenda Section: Section C: Consent Agenda

Approval and Adoption of the June 2023 Semi-Annual Implementation Program Update as an Adjustment to the Master Construct and Implementation Program (Mitchell/CFW)

At the June 21, 2023 regularly scheduled board meeting, the Board received the June 2023 Semi-Annual Implementation Program Update as an adjustment to the Master Construct and Implementation Program (Program) and received a detailed presentation by CFW.

The June 2023 Report provides the 21st semi-annual update to the Master Construct and Implementation Program (“Program”) to the Oxnard School District (“District”) Board of Trustees (“Board”). The report links the progress of the original 2013 Reconfiguration and Implementation Program, and the subsequent Master Construct and Implementation Program adopted by the Board in 2016 with the Enhanced Master Construct Program adopted by the Board in June 2022. It reflects the status of the Program since the last January 2023 six-month update (adopted by the Board in February 2023) and the time of this document’s publishing in June 2023. The report provides Program updates on the educational and facilities implementation components, as well as the funding and sequencing requirements to implement the Program. Assessments and recommendations are provided for consideration and action by the Board for implementation over the next six-month period.

FISCAL IMPACT:

The Master Construct and Implementation Program includes the use of general obligation bond authorizations, available local developer fees, and State modernization and new construction grants as previously approved by the Board. The update includes a preliminary integration of the Enhanced Master Construct Program adopted by the Board in June 2022. Previous phases include a total estimated sources and uses of approximately \$265.3 million with an estimated ending program reserve of \$922,621. Approximately \$267.9 million is estimated in costs across all selected school sites for remaining facilities improvements and for remaining land acquisition COP payments. An additional Program Reserve of \$44.3 million is recommended. The total integrated budget includes \$312.2 million in remaining estimated project improvements to be funded over the proposed remaining phases.

RECOMMENDATION:

It is the recommendation of the Assistant Superintendent, Business and Fiscal Services, in consultation with CFW, that the Board accepts and adopts the June 2023 Semi-Annual Implementation Program Update as an adjustment to the Master Construct and Implementation Program and the Board directs staff and CFW to proceed with the adjustments to the Program for immediate implementation.

PROGRAM SUMMARY

Caldwell Flores Winters, Inc. (“CFW”) is pleased to present the twenty-first semi-annual update to the Master Construct and Implementation Program. The report links the progress of the original 2013 Reconfiguration and Implementation Program, and the subsequent Master Construct and Implementation Program adopted by the Oxnard School District Board of Trustees (“Board”) in 2016 with the Enhanced Master Construct Program (“Program”) adopted by the Board in June 2022. It reflects the status of the Program since the last January 2023 six-month update adopted by the Board in February 2023. The report provides program updates on the educational and facilities implementation components, as well as the funding and sequencing requirements to implement the Program. Assessments and recommendations are provided for consideration and action by the Board for implementation over the next six-month period. Moving forward, updates to this report will be referred collectively as the Enhanced Master Construct Program.

The District is in its third year of implementation of the “Student Profile” that details the attributes and knowledge a student must demonstrate at the end of eighth grade when matriculating to high school. The goal is to create a more intellectually challenging curriculum by integrating the Common Core State Standards (CCSS) and the Next Generation Science Standards (NGSS) with an aligned curriculum and instructional methods that promotes student engagement and exploration. In addition, the District continues to expand opportunities for younger learners to succeed in school by offering transitional kindergarten (TK) to all four-year-old children with full implementation in the 2024-25 school year. The District is also interested in establishing and expanding a Community Schools program that will require additional facility space at selected sites in which agencies can offer services to the families and students at the school site. The passage of Proposition 28 in November 2022 will also impact the Program by directing funds to support fine arts programs at all schools and while most of the money will be spent on teachers and equipment, additional facility space will likely be needed for the full implementation of the program at school sites.

The 21st Century specifications adopted by the Board and the classrooms and support facilities designed and built support the instructional shifts that are being required to implement these programs. Since 2014, the District has been an early leader in the expansion of Title 5 compliant transitional kindergarten (TK), kindergarten (K) and “kinder flex” facilities, including Early Childhood Development Centers (ECDC). Local specifications have also promoted the design of specialty spaces in support of CCSS and NGSS facility requirements (e.g. science and performing arts labs, piano labs, et.). The District has also been supportive of creating community spaces wherever possible at its school sites. The projects approved by the Board under the Enhanced Master Construct Program have been successful in securing local and state funding

for additional classrooms and facilities in support of the implementation of the above educational initiatives.

The Program has led to the design of eight new 21ST Century schools, the construction of 6 such schools to date with the completion of the seventh school expected in 2023. In addition, it has led to the construction of two Early Childhood Development Centers (ECDC) with a third in design, the acquisition of 2 school sites, and the design and approval of two elementary schools for modernization. It has also provided for the expansion of construction of TK/K and special education “flex-facilities” at four elementary school sites, and 21st Century science labs at select schools.

The Enhanced Master Construct Program has identified projects to be undertaken over the remaining three phases for the plan of improvement. Ritchen, Ramona, McAuliffe, and Brekke K-5 schools have been identified as in need of equivalent 21st Century classroom improvements and reconstruction of select support facilities. Driffill, Chavez, Kamala and Curren K-8 schools need similar 21st Century improvements to classrooms, and upgrade or reconstruction of support facilities. The K-5 component of Marshall school is also in need of 21st Century upgrades. At the middle school level, Frank needs 21st Century upgrades throughout its existing facilities. Fremont and Lopez are now old, have met their useful life, and in need of replacement to meet the planned level of enrollment. Additional TK/K/SDC and ECDC facilities are required to house district students and meet state standards.

The Rose Avenue reconstruction project is currently scheduled to be completed in 2023. Coordination between the current Rose Avenue reconstruction project and the proposed design of the ECDC project at Rose Avenue is underway subject to Board review and approval in the Fall. Architectural proposals have been reviewed for the reconstruction of Fremont Middle School with a design firm expected to be selected for the Board’s consideration in August followed by selection of lease leaseback agent to further assist in design and agency approvals. The new ECDC facility at Driffill is completing design with submission of plans to the Division of State Architect (DSA) in June and anticipated approval by September 2023. Upon approval of the Board, construction at Driffill elementary is anticipated to begin in the Fall with completion within 12 months thereafter. Beginning in Fall, the reconstruction of Dr. Lopez Academy project is proposed to be initiated with the projected selection of design and construction team members by the Board in February 2024.

Proposed funding for the Program continues to include the use of general obligation bond authorizations, available local developer fees, and State modernization and new construction grants as approved by the Board. Based on the adopted Enhanced Master Construct Plan approved by the Board, approximately \$267.9 million is estimated in project costs across all selected school sites for remaining facilities improvements. In addition, a Program Reserve of \$44.3 million is recommended to accommodate unforeseen events including soil and site conditions, variations in costs, additional agency requirements, and changes in codes and building requirements.

It is recommended that the Board:

- Accept and adopt this semi-annual update to the Master Construct and Implementation Program/Enhanced Master Construct Program
- Direct staff and CFW to proceed with recommended adjustments to the Program for its immediate implementation
- Establish a date for the next six-month review by the Board

EDUCATIONAL PROGRAM

The District is in its third year of implementation of the “Student Profile” that details the attributes and knowledge a student must demonstrate at the end of eighth grade when matriculating to high school. The District also continues to focus on mathematical and literacy instructional strategies. The goal of this initiative was to create a more intellectually challenging curriculum for students in TK-8th grades by integrating the Common Core State Standards (CCSS) and the Next Generation Science Standards (NGSS) with an aligned curriculum and instructional methods that promotes student engagement and exploration. To successfully master the curriculum, students must engage in 21st Century skills such as digital literacy, critical thinking, analyzing, problem solving, teamwork, self-management, and collaboration through the creation of projects that call for the integration of the CCSS and the NGSS.

The District created a middle school task force to review the programs offered and the instructional strategies used at each of the middle schools. The full review and recommendations are to be completed by June 2023 with implementation to begin in August 2023. In 2013, the middle schools adopted academies to provide a vehicle or area of interest to integrate the CCSS and NGSS into the curriculum with the addition of selected elective programs at each of the middle schools related to their academy. Frank is the Academy of Marine Science and Engineering, Fremont is the Academy of Environmental Sciences and Innovative Design, and Lopez is the Academy of Arts and Sciences. The schools have had varying degrees of success in the development of their Academy programs. Fremont continues to explore elective classes to fully develop their academy.

The District continues to expand the opportunities for younger learners to succeed in school by offering transitional kindergarten (TK) to all four-year-old children with full implementation in the 2024-25 school year. The expansion of this program will require additional Title 5 compliant classrooms. The District has been successful in securing funding for additional classrooms and continues to seek additional funding opportunities.

2.1 STUDENT PROFILE: CURRICULUM AND INSTRUCTION

The District desires to educate students who leave eighth grade to be culturally, academically, and linguistically responsive so that they are successful in high school and in a career. To that end, the District is in its third year of implementation of the “Student Profile” that details the attributes and knowledge a student must demonstrate at the end of eighth grade when matriculating to high school. The District also continues to focus on mathematical and literacy instructional strategies. The goal is to create a more intellectually challenging curriculum for students in TK-8th grades by integrating the Common Core State

Standards (CCSS) and the Next Generation Science Standards (NGSS) with an aligned curriculum and instructional methods that promotes student engagement and exploration and requires the demonstration of mastery of the basic skills in literacy and mathematics. To successfully master the curriculum, students must engage in 21st Century skills such as digital literacy, critical thinking, analyzing, problem solving, teamwork, self-management, and collaboration through the creation of projects that call for the integration of the CCSS and the NGSS. The curriculum, integrated units, has been written and is provided on a shared platform, “Canvas”, so it is accessible to all teachers. In addition, the District has provided teacher training for full implementation of these initiatives.

The District continues to offer a Dual Language option for those students and families that desire to have their children become fully bilingual and biliterate. This program operates in both elementary, K-8 school sites, and at the middle school level.

In December 2022, the District adopted a new Strategic Plan titled “Oxnard EMPOWERS” which builds upon the Student Profile and further defines the mission and goals of the District. The integration of the Program into the Strategic Plan should continue to ensure that the educational program is aligned with the facilities program to provide District coherency.

2.1.1 MIDDLE SCHOOLS

In 2013, the middle schools adopted academies to increase the elective program offerings for students and to provide a choice for students. The academies were to provide integration of the CCSS and NGSS into the curriculum with the addition of selected elective programs at each of the middle schools. Through the academy elective classes, students were to be engaged in using 21st Century skills such as problem solving, analyzing problems and solutions, working collaboratively, and communicating effectively. Frank is the Academy of Marine Science and Engineering, Fremont is the Academy of Environmental Sciences and Innovative Design, and Lopez is the Academy of Arts and Sciences. The District has had varying levels of success in developing these academies. Fremont continues to explore additional elective classes and programs to fully develop the Academy of Environmental Sciences and Innovative Design.

The District created a middle school task force to review the programs offered and the instructional strategies used at each of the middle schools. The task force used the 12 components from Taking Center Stage as a self-assessment tool. The full review and recommendations are to be completed by June 2023 with implementation to begin in August 2023. These recommendations will be reviewed to determine if there are any facility implementations or considerations that should be made.

2.2 EXPANDED TRANSITIONAL KINDERGARTEN (TK)

The State of California has elected to expand the opportunities for younger learners to succeed by requiring districts to expand transitional kindergarten (TK) enrollment to all four-year-old children. School districts have a three-year period to phase in TK enrollment requirements with students now eligible for TK in the Fall if they turn five between September 2 and February 2 for the 2022-23 school year, turn five by April 2 for 2023-24, and turn five by June 3 for 2024-25. Through the expansion of these programs, the

State hopes to create for children greater equity in opportunities and learning outcomes, address bias, and promote equitable opportunities for early learners to sustain and accelerate the improved childhood outcomes associated with high-quality, early learning experiences. The expansion of TK enrollment to additional students by the State will require the addition of classrooms that meet the Title 5 requirements of 1,350 square feet with a student restroom accessible from the classrooms as well as a storage/workroom.

Beginning in 2022, districts will also have the discretion to accelerate implementation of the TK program by enrolling students at any time during the school year if a student turns five years of age in that school year. The District has elected this option and began enrolling all four-year-old students into TK beginning this school year. Outside providers continue to provide preschool programs for eligible three-year-old students. The District desires to place the four-year-old students at schools for matriculation purposes and will cluster the preschool programs throughout the District. The District has constructed 77 classrooms meeting the Title 5 requirements for K, TK and Special Day-Severe (SDC) classrooms with some of these classrooms designed to accommodate Title 22 requirements for housing pre-school children as part of the design and construction of the Early Childhood Development Centers (ECDC) at Harrington and Lemonwood. At this time, 54 of these classrooms are required to house the current kindergarten enrollment, leaving approximately 23 Title 5 classrooms available today to house approximately 40 percent of the total number of TK students that may enroll. Additional Title 5 classrooms will be needed at various schools in the District to accommodate this new grade level. For full implementation of the TK program, the District will need approximately 31 additional Title 5 classrooms.

Driffill was recently awarded a grant for a total of ten new Title 5 classrooms from the OPSC Preschool, Transitional Kindergarten and Kindergarten Facilities Program. The school currently has two classrooms that meet Title 5 standards. Adding ten additional classrooms to the school will provide for the full matriculation of preschool through eighth grade at the site. To build the new Title 5 classrooms, portable classrooms at the site will need to be removed. The total enrollment at the school will need to be a maximum of 975 students. This can be done over time as larger classes leave the school and smaller classes are enrolled.

A similar Preschool, Transitional Kindergarten and Kindergarten Facilities Program application was filed for Marina West for the four preschool classrooms, four TK classrooms, and two additional K classrooms and if successful, will be funded in September 2024. These 10 new Title 5 compliant classrooms will help the District reach the goal of having all TK/K students in Title 5 compliant classrooms.

A new Early Childhood Development Center (ECDC) will be constructed at Rose Avenue once the new school is completed. Three current K classrooms will be converted into preschool classrooms and three new preschool classrooms will be constructed on the site for a total of six preschool classrooms.

While TK classrooms do not need to meet the licensing requirements to Title 22 standards, the preschool rooms must meet these requirements and obtain licensing prior to operating the programs. In order to meet State licensing requirements, a preschool facility must be Title 5 compliant, provide a minimum of 1,350 square feet, and conform to Title 22 of the California Code of Regulations. Title 22 outdoor

requirements include: 75 square feet per child of outdoor activity area based on the total licensed capacity that is easily and safely accessible to children, a shaded rest area with equipment and activities arranged so as not to interfere with each other, and a four-foot fence enclosing the outdoor area. The play area may not be shared with other age groups unless a waiver is obtained from the State. Indoors, a minimum of 35 square feet per child of activity space must be available based on the total licensed capacity with individual storage space for each child, a restroom facility for every 15 children, and a separate restroom facility for teachers, staff, or ill children. A drinking fountain must also be installed inside and outside for child use. These standards are to be integrated within in the proposed specifications of Title 5 classrooms with 21st Century Learning Environments for TK/K facilities, expanding the potential use of “flex-classrooms” district wide to better accommodate fluctuations in program and enrollment requirements over time.

2.3 ADDITIONAL CONSIDERATIONS FOR MOVING FORWARD

As the District continues to move forward, the continued implementation of the adopted facility specification for 21st Century classrooms will be needed. The 21st Century classrooms as designed and built in the District support the instructional shifts that are being required to implement programs that require students to create projects and products to demonstrate their understanding and mastery of the standards as well as provide for active engagement in learning and working collaboratively with others.

As the District continues to implement the “Student Profile” and the robust instruction and curriculum that requires students to create projects and products using digital literacy, critical thinking, analyzing, problem solving, teamwork, self-management, and collaborating, the classroom to support the instructional strategies is necessary. Greater reliance on technology and how to harness the power of technology to support learning will continue. Because the 21st Century classroom specifications set by the District are flexible and promote collaboration, teamwork and problem-solving, it is important that all students have access to this kind of learning environment.

Fremont Middle School is in the design phase and needs to determine the elective programs needed to fully build out the Environmental Services and Innovative Design Academy. These will be included in the design of the new classrooms at the site and the furniture, fixtures and equipment needed for full implementation of the program.

The District is interested in establishing and expanding the Community Schools program. Community Schools partner with community agencies and local government to align community resources to improve student outcomes. A community school is a "Whole-Child" school improvement strategy where the local educational agency and schools work closely with teachers, students, and families. This will require additional facility space at the selected sites in which agencies can offer services to the families and students at the school site.

Proposition 28 was passed in November 2022. This will direct funds to support fine arts programs at all schools. While most of the money will be spent on teachers and equipment, additional facility space will likely be needed for the full implementation of the program at selected school sites.

FACILITIES PROGRAM

The Board adopted the Enhanced Master Construct Program in June 2022, and further funded the facilities program with the successful passage of Measure I in November 2022. The enhanced Program builds upon the original Master Construct Program commenced in 2012 under Measure R and further expanded with the passage of Measure D in 2016. The District has adopted specifications for 21st Century Learning Environments to guide the reconfiguration of its K-5, K-8 and 6-8 school facilities in phases over a 15-year period. The overall goal is to reconstruct older schools, improve or replace support facilities, extend its grade configuration to 4-year-old students, and replace portable classrooms with permanent facilities wherever possible. To date, the Program continues to be subject to Board review and adjustment as needed on a semi-annual basis. The Program is also subject to annual independent financial audits from District auditors and from the various independent citizen’s oversight committees as to actual and planned program expenditures. To date, there have been no negative findings from the District’s auditors or oversight committees as to the positive performance of the program.

During this period, the facilities component of the Master Construct Program has led to the design of 8 new schools, the construction of 6 schools to date with the completion of the seventh school expected in 2023. In addition, it has led to the construction of two Early Childhood Development Centers (ECDC) with a third in design, the acquisition of 2 school sites, and the design and approval of two elementary schools for modernization. It has also provided for the construction of TK/K and special education “flex-facilities” at four elementary school sites, and 21st Century science labs at select schools.

The Enhanced Master Construct Program further identified the need for additional improvements. Ritchen, Ramona, McAuliffe, and Brekke K-5 schools are in need of equivalent 21st Century classroom improvements and reconstruction of select support facilities. Driffill, Chavez, Kamala and Curren K-8 schools need similar 21st Century improvements to classrooms, and upgrade or reconstruction of support facilities. The K-5 component of Marshall school is also in need of 21st Century upgrades. At the middle school level, Frank needs 21st Century upgrades throughout its existing facilities. Fremont and Lopez are now old, have met their useful life, and in need of replacement to meet the planned level of enrollment. Additional TK/K/SDC and ECDC facilities are needed to fully meet the district’s enrollment and state standards.

The following section provides an update of projects that have been completed, projects under way, and a summary of projects remaining to be undertaken in future phases. These components are then carried over for further consideration in the Master Budget, Schedule and Timeline recommendations in Section 5 of this report.

3.1 COMPLETED PROJECTS

Completed projects include improvements to kindergarten facilities at Ritchen, Brekke, and McAuliffe schools, construction of science labs at Chavez, Curren, Kamala, Dr. Lopez Academy, and Fremont schools and the initial deployment of state-of-the-art learning resources, including 1:1 mobile devices for all students and teachers at every school. Five new 21st Century schools were constructed at Harrington, Elm, Driffill, Lemonwood, and McKinna to replace the prior obsolete facilities. A new 12 classroom building serving grades 6-8 was completed at the prior Marshall elementary school to create the newest K_8 school. New TK/K/SDC “flex” classrooms at Brekke, McAuliffe, Ritchen, and Ramona elementary schools were completed, as well as ECDC facilities at Lemonwood and Harrington elementary schools with additional such facilities under design for Driffill. The District has completed the land purchase of the new Seabridge elementary school site and the Doris/Patterson elementary and middle school sites. Design approval from the Division of State Architect (DSA) and California Department of Education (CDE) for the new Seabridge K-5 elementary school and the Ritchen and McAuliffe school modernization improvements have been achieved. Funding for the projects to date has been from various sources, Measure “R, Measure “D”, developer fees, and state grant funding.

3.2 PROJECTS UNDERWAY

The following sections provide further detail on the status of projects summarized above and expected outcomes over the next six months.

3.2.1 ROSE AVENUE ELEMENTARY RECONSTRUCTION

New facilities under construction for the Rose Avenue Reconstruction project include a two-story classroom building, library, administration space, multipurpose room, playfields, hard courts, and support spaces. This project is being constructed in two (2) phases. During the initial phase, the new campus buildings are being built on the existing play fields. The second phase will consist of the demolition of the existing campus and the construction of new play areas and fields. The District conducted a groundbreaking ceremony in late October 2021 which was well received. Construction commenced in early November 2021.

As of the end of May 2023, construction work continues on the entire site with all buildings standing, roofing installed, and glass windows and doors installed. Building A, the Administration Building, is the furthest along. The interior and exterior paint finishes have been applied, T-bar grid and lighting installed, and casework installed. Building B, which will house the school kitchen, serving line, and Multipurpose Room has been roofed, exterior and interior walls have been painted. The basketball backboards have been installed along with the wall coverings. Building C, Classroom Building, which includes the school library has been roofed, exterior and interior walls are painted with tack boards and marker boards being installed. The site grading has begun with the various areas of concrete and landscape being roughed in.

Rose Avenue Elementary School Construction Progress

The project is proceeding with construction utilizing existing local funds on hand. The current Board approved “all in” budget for the Rose Avenue project is \$51.1 million. No budget adjustments are recommended at this time.

3.2.2 MCAULIFFE ELEMENTARY MODERNIZATION

The McAuliffe modernization project improves 28 existing classrooms, provides for repurposing of existing spaces to STEAM Academy and piano labs, and improves support spaces to comply with the District’s vision and specification for 21st Century K-5 classrooms and support school facilities. Upgrading the library into a Media Center is proposed which provides for the inclusion of 2 breakout rooms. The repurposing of two adjacent supply rooms into administrative and counselor space is also provided. Other interior improvements include allowances for modernized improvements to floors, walls and ceilings, sinks, electrical systems, and furnishings, as well as data and other technology upgrades consistent with those available at similarly reconstructed schools, where possible. The project has received approvals from both DSA and the CDE. Based on the Enhanced Master Construct Plan, the Board approved “all in” budget for the McAuliffe project is approximately \$7.6 million. No budget adjustments are recommended at this time. The project is currently awaiting State funding from OPSC and a local match for any shortfall or “Hardship” funding if eligibility is maintained in order to proceed.

3.2.3 RITCHEN ELEMENTARY MODERNIZATION

The Ritchen modernization project improves 28 existing classrooms, provides for repurposing of existing spaces to STEAM and piano labs, and upgrades the MPR and library to comply with the District’s vision and specification for 21st Century K-5 classrooms and student support facilities. The library improvements also provide for the inclusion of 2 breakout rooms. Interior improvements include allowances for modernized improvements to floors, walls and ceilings, sinks, electrical, and furnishings, as well as data and other technology upgrades. The project has received DSA and CDE approval. Based on the Enhanced Master Construct Plan, the Board approved “all in” budget for the Ritchen project is approximately \$6.4 million. No budget adjustments are recommended at this time. The project is currently awaiting State funding from OPSC and a local match for any shortfall or “Hardship” funding if eligibility is maintained in order to proceed.

3.2.4 FREMONT MIDDLE SCHOOL

The existing facilities are old and by previous Board consideration are proposed to be replaced pursuant to the Master Construct program. The reconstruction strategy would rebuild a new middle school facility on the open space portion of the site along H Street, but away from Glenwood, maintaining the operation of the existing facility during construction of the replacement school and replacing it thereafter with improved open and recreational space for school and community use. A conceptual site plan has been previously presented to the Board for consideration and is the basis for the latest proposed new Fremont campus. There is a proposed phased build-out of the school to incorporate the existing and projected enrollment of approximately 750 students at the site and the need to design the facility in such a manner that a subsequent phase to accommodate increased enrollment, if needed, would only require the construction of additional classrooms. Likewise, only four science labs instead of the specified 6 would be constructed to meet the proposed enrollment. The layout of the school facilities would be such that an additional classroom wing and required science labs could be built without major modifications to the site in the future. Other support spaces would be designed to the district's adopted specifications for a 6-8 middle school to accommodate a 1200 student enrollment.

The reconstructed school would include multi-storied classrooms to accommodate up to 750 students. The proposed project would construct 34 classroom facilities. The school would include 24 general purpose classrooms, an academy room, and 3 dedicated special education rooms, all of 960 square feet. In addition, 4 science labs and an art lab of 1200 square feet each, and a band/orchestra room of 1500 square feet would be constructed. Teaching support spaces of 1,980 square feet, administrative space of 3,405 feet, and library facilities of 2,000 square feet would be provided per the adopted educational specifications for a 6-8 school. Multipurpose facilities of 14,250 square feet, a lunch shelter of 2,800 square feet as well as student and staff restrooms would be provided as required by code. Parking and student pick up/drop off areas would be provided off North H Street which would become the entrance to the new facility leaving room for school and community use of the reconfigured play fields. An allowance for offsite improvements is also provided.

Under the direction of the Board of Trustees, CFW has moved forward with this project at Fremont Middle School. An RFP for architectural services was released and published on March 30, 2023. On May 18, 2023, the responding architectural firms presented their project concepts to the District and CFW team. There was a "reuse-of-plans" requirement in the RFP that asked the architectural firms to re-use building designs they had previously built to present. The architectural proposals are under review for the selection of the two or three firms identified for a site visit of their previously built projects. A site visit by the Board will occur to aid in the selection of the approved firm. Firms are expected to be selected for the Board's consideration in August.

An RFQ/P was released, advertised and published for the lease-leaseback contractor. This will allow the contractor to participate in the design phase of the project. Proposals were received on June 2, 2023. Interviews are scheduled for June with District staff and the CFW team for recommendations to the Board for consideration in August 2023. The lease-leaseback agent adds their expertise and brings their expertise

and experience to the design team with the estimation of costs, approach to construction and value engineering. This approach has proven successful in the past and beneficial to the Board in the design and construction of the District’s previous replacement schools.

3.2.5 DR. LOPEZ ACADEMY OF ARTS AND SCIENCES SCHOOL

Dr. Manuel M. Lopez Academy of Arts and Sciences (Lopez) was originally built in 1954 and after nearly 70 years of service has been deemed to need replacement by previous reviews and considerations by the Board. A reconstruction strategy for Lopez is proposed that would include the construction of a new smaller 750 student grade 6-8 facility at the existing school site. Upon completion of the new facilities, the existing school would be demolished, and playfields and hardcourt areas would be constructed in its place. Efforts would be undertaken to construct the buildings in one phase, if possible, and to stagger the completion and use of reconfigured parking and field/hardcourts areas as needed through completion of the construction and demolition of the project. The new reconstructed school would be built based on a revised 6-8 educational specifications that provides all the support facilities for a K-8 school but limits its classroom enrollment to 750 students and its MPR to 8,025 square feet.

The reconstructed school would include multi-storied classrooms to accommodate up to 750 students including 24 general purpose classrooms (includes 1 intervention room and 3 special education/RSP rooms), 1 piano lab, and 3 additional special education classrooms all of which would contain 960 square feet each. Four science labs and an art lab of 1200 square feet would be provided, plus a band/orchestra room of 1500 square feet. Teaching support spaces of 1,980 square feet, administrative space of 3,405 feet, and library facilities of 2,000 square feet would be provided per the District’s adopted Educational Specifications for a 6-8 school. Multipurpose facilities utilizing the District’s adopted Educational Specifications for a K-8 school of 8,075 square feet and a lunch shelter area of 2,800 square feet would be provided as well as student and staff restrooms as required by code. Parking and student pick-up/drop off areas would also be included on site with access from Hill Street. The major orientation of the new school would begin with a new parking area from Hill to the north along the western edge to the approximate mid-point of the site where the new structures would be constructed, surrounded to the north, west and southwest by play fields and play areas available for school and community use. An allowance for offsite improvements is also provided.

Beginning in Fall, the project is proposed to be initiated. Like Fremont, this will require the selection of a design and construction team. Requests for proposals will be solicited from qualified professionals and construction firms for the selection of an architect of record and a contractor. A similar “re-use” of plans approach will be considered, and a successful team of architects and proposed plan design will be presented for Board consideration, site visits and approval. Upon selection and approval by the Board, a team will begin design in February 2024.

3.2.6 TK/K AND ECDC FACILITIES AT DRIFFILL ELEMENTARY SCHOOL

Based on a review of enrollment and existing classrooms, applications for funding were submitted to the State for Driffill in April 2022 and approved for ten new classrooms in October 2023. The approved application included four classrooms for PS, four classrooms for TK, and two classrooms for K grades to assist in the creation of an Early Childhood Development Center for the benefit of district wide use. All classrooms are designed to be Title 22 and Title 5 compliant. A new playground would also be constructed in the center of the classrooms. The design process is well under way and nearing completion with DSA submittal scheduled for June. A lease-lease back contractor has been selected. DSA approval is anticipated in September and with Board approval construction is anticipated to begin in the Fall with completion anticipated within 12 months thereafter.

3.2.7 ROSE AVENUE ECDC

Pursuant to the adopted Enhanced Master Construct Plan, a separate new Early Childhood Development Center (ECDC) is to be constructed at the existing Rose site. The ECDC would be located at the northwest corner of the site where the three current kindergarten classrooms (Rooms 501, 502, and 503) are located. These facilities will be modernized and incorporated with three new Title 5 classrooms to establish the new ECDC facility. The existing play area will be upgraded similar to the option utilized for the creation of the Harrington ECDC and would be improved or maintained as required to serve the needs of these students.

The architect currently working on the Rose Ave Reconstruction project currently in progress will be providing architectural services for this project. Coordination between the current construction project and this new ECDC project is underway. The proposed project design and proposed team members are subject to Board review and approval in the Fall. Completion is anticipated within 15 months of the design team selection and approval.

3.2.7 MARINA WEST AVENUE ECDC

On February 15, 2023, the Board adopted a necessary resolution to apply for grant funding from the state for construction of an ECDC center at Marina West Elementary. In total, 10 Title 5 and Title 22 PS/TK/K classrooms are proposed, including 2 K, 4 TK and 4 PS classrooms. A state review is currently underway, and results are anticipated in September for SAB consideration and award no later than October 2023. The Board and District will have 12 months to select a design and construction team to complete and obtain DSA and CDE plan approval. Thereafter, the district will have 12 months to complete construction. The process is similar to that undertaken for the award, approval and construction of the Driffill ECDC center currently underway. The proposed project is contingent on obtaining grant funding otherwise it will not be constructed.

3.3 PROJECTS REMAINING TO BE UNDERTAKEN

Based on Board approval of the Enhanced Master Construct Plan, the following projects are proposed to be undertaken pursuant to the Master Schedule, Budget and Sequencing provided in Section 5 of this report.

3.3.1 BREKKE K-5 SCHOOL

Existing facilities at Brekke need improvements, including the repurposing of certain facilities to accommodate district K-5 specifications for 21st Century upgrades. Twenty-six permanent classrooms (including 3 SDC and 1 intervention room) and the MPR are proposed to receive 21st Century upgrades. Similar improvements are proposed to the library with additional interior improvements to accommodate a breakout room and a 480 square foot Maker's room. One additional classroom will receive limited upgrades, where applicable, including furnishings, to account for previously completed modernization improvements at that room. The repurposing of 2 existing classrooms for a STEAM Academy and a piano lab is also proposed. Existing administrative spaces are also proposed for 21st Century upgrades to furnishings and improvements to the lobby and reception area. Additional improvements include allowances for modernized improvements to floors, walls and ceilings, sinks, electrical, and furnishings, data and other technology upgrades and the removal of portable classrooms. Brekke will have 29 classrooms upon modernization of which 3 are proposed for kindergarten classrooms and 3 for TK.

3.3.2 RAMONA K-5 SCHOOL

Existing facilities at Ramona need improvements, including the repurposing of certain facilities to accommodate district K-5 specifications for 21st Century upgrades. Twenty-four permanent classrooms (including 2 SDC and 1 Intervention room) are proposed to receive 21st Century upgrades to comply with the District's vision and specification for 21st Century K-5 classrooms as well as improvements to the MPR and library spaces. In addition, the library is to be expanded into the adjacent current computer lab to accommodate a maker's space and a 480 square foot RSP program space. Limited upgrades to the administration areas are proposed including 21st century furnishings and a monitor to promote school meetings, student programs, and activities. The construction of 2 new classrooms is also proposed to provide a STEAM Academy and a piano lab. Proposed interior improvements include allowances for modernized improvements to floors, walls and ceilings, sinks, electrical, and furnishings, as well as data and other technology upgrades. Additional improvements include roofing upgrades, as needed, replacement of HVAC unit #7, and installation of security cameras, removal of portables. Upon completion the school will consist of 28 classrooms, including 3 kindergarten classrooms and 2 TK.

3.3.3 DRIFILL K-8 SCHOOL

As one of the newest P2P schools, Drifill needs limited improvements to accommodate K-8 District specifications for 21st Century learning environments. Thirty-one permanent classrooms (including 1 Intervention room) are proposed to receive 21st Century upgrades to comply with the district's vision and

specification for 21st Century classrooms for K-8 schools. The 2 science labs were previously improved in 2014. Proposed improvements include demolishing the current MPR and constructing a new 8,075 square foot MPR/Gymnasium to include a kitchen, serving/presentation space, gymnasium, lockers, storage, toilet and custodial facilities. The library is proposed to absorb the adjacent computer room #1 to increase the total square footage to accommodate 21st Century specifications for a Library Media Center. The administrative office is proposed to receive 21st Century furnishings and a monitor to promote school meetings, student programs and activities. Additional site improvements include installation of security cameras, and removal of portables. The older original eight-classroom building, and portables are being demolished to accommodate the new MPR and 2 new kindergarten and 3 TK classrooms. An ECDC consisting of 10 Title 5 classrooms to support district wide preschool/TK/K facilities is proposed as a separate project on the site.

3.3.3 CHAVEZ K-8 SCHOOL

Based on the limited site area and the need to preserve the built environment, Chavez would best function with a smaller student body and site plan that could best maximize the opportunities to comply with the district's 21st Century specifications. It is recommended that Chavez enrollment be capped at 750 TK/K-8 students in 31 permanent classrooms (8 less than the current number). Four older permanent classrooms and 2 P.E. changing rooms that have outlived their useful life are to be removed. Five existing classrooms are to be repurposed and combined to provide 3 Title 5 compliant TK classrooms. The 26 remaining classrooms (including the 4 Title 5 K classrooms and an intervention room) and library are proposed to receive 21st Century upgrades to comply with the District's vision and specifications. The 2 existing science labs were previously upgraded in 2014. The construction of a new 8,075 square foot MPR building to include a commercial kitchen, serving/presentation space, changing rooms, restrooms, PE offices, and custodial facilities is also proposed. The existing MPR is to remain and be dedicated to community events and student performances. The administrative office is proposed to receive 21st Century furnishings and a monitor to promote school meetings, student programs and activities. Additional recommended site improvements include installation of security cameras and an allowance for offsite improvements.

3.3.4 KAMALA K-8 SCHOOL

Thirty-five permanent classrooms (including 1 intervention room) are proposed to receive 21st Century upgrades. Two existing science labs were previously upgraded as part of the original conversion of the site to a K-8 facility in 2014. A new 8,075 square foot MPR/Gymnasium building is proposed to include a kitchen, serving/presentation space, gymnasium, lockers and storage, toilet, and custodial facilities. Upon completion of the new MPR/Gym, a reconfiguration of the existing MPR building into the administrative space to district specifications is proposed. The existing administration is proposed to be repurposed into support spaces. Two existing general-purpose classrooms are to be combined onto the library to include a storage room, a reading area, textbook storage, a small breakout room, and a tech work/storage room as identified in the adopted educational specifications. Additional recommended site improvements include roofing and HVAC system, as needed, improved parking/drop off, installation of security cameras, removal of all portables, and an allowance for offsite improvements.

3.3.5 CURREN K-8 SCHOOL

Thirty-eight permanent classrooms (including 1 Intervention room) are proposed to receive 21st Century upgrades to comply with the district’s vision and specification for 21st Century classrooms. The 2 science labs were previously improved in 2014. The construction of a new 8,075 square foot MPR/Gym building to include a kitchen, serving/presentation space, gymnasium, lockers and storage, toilet, and custodial facilities is proposed. Upon completion of the new MPR/Gym, the reconfiguration of the existing MPR building into a library is proposed. The existing library facility is proposed to be converted into a staff lounge. The demolition and construction of a new administration building is also proposed. Additional recommended site improvements include roofing and HVAC upgrades, as needed, installation of security cameras, improved parking/drop off, removal of existing portable student changing rooms, and an allowance for offsite improvements.

3.3.6 MARSHALL K-8 SCHOOL

The original existing facilities at Marshall need upgrade, plus the repurposing of certain facilities at the Tk/K-5 level. One existing classroom (Room 602) and its attached three preparation rooms is proposed to be repurposed into a Title 5 compliant TK classroom with its own student restroom and teacher work area. The twenty-five permanent rooms (including 8 SDC, 1 Intervention, and 2 support/RSP) are proposed to receive 21st Century classroom upgrades. The library/media is proposed to get 21st Century furniture, fixtures, and equipment upgrades. The administrative space is proposed to receive 21st Century furnishings and a monitor to promote school activities. An allowance is provided for security and roofing improvements, as needed. At completion, the total permanent classroom count at Marshall would remain at 38 classrooms, consistent with the District’s educational specifications for K-8 facilities.

3.3.7 SORIA K-8 SCHOOL

As one of the newer schools in the District, Soria Elementary needs limited upgrades to accommodate district K-8 specifications for 21st Century environments. Thirty-seven permanent classrooms (including 2 SDC and 1 Intervention room) are proposed to receive 21st Century upgrades limited to the addition of markerboards where necessary, modern and flexible student desks and chairs, and three broadband-connected high-definition video displays to each classroom. TK facilities will continue to be provided at other school site locations. Where applicable, the removal of existing teaching walls, technology counters, and smart boards would be required to accommodate 21st Century improvements. No improvements are proposed to the library, administration, and MPR facilities.

3.3.8 FRANK 6-8 SCHOOL

Thirty-five permanent classrooms are proposed to receive 21st Century upgrades to comply with the District’s vision and specification for grade 6-8 classrooms. Six science lab classrooms are to be upgraded and receive modernization where needed. A modernized 21st Century library/media center is proposed to support 21st Century improvements. Both music rooms are to receive 21st Century upgrades and modernized improvements to replace flooring, upgrade acoustical wall surfaces and painting, where

needed. Limited improvements to the existing MPR/Gym facility are proposed to support 21st Century specifications. Based on the existing 44 permanent classrooms, it is recommended that the classrooms support the following academic programs:

- General Purpose – 26
- Science Lab/Academy -6
- Engineering Robotics – 2
- SDC – 6
- Intervention – 1
- Band – 2
- Art – 1

The administrative offices would receive 21st Century furnishings and a monitor to promote school activities. Additional site improvements include roofing and HVAC upgrades, installation of security cameras, and removal of portables.

PROGRAM FUNDING & EXPENDITURES

The following section reviews existing and anticipated sources of funds for implementing the proposed facilities projects identified as part of the Enhanced Master Construct Program. Three major sources are considered: the State School Facilities Program (SFP), general obligation bonds, and estimated developer fees. The District has a history of participating in the State SFP by upfronting the costs of eligible local school improvements and then seeking reimbursements from the State for eligible expenses and amounts. The District has previously passed local GO bond measures in support of the Master Construct Program at substantially high rates of local voter approval in 2012, 2016, and 2022.

4.1 STATE MATCHING GRANTS

Through the Office of Public School Construction (OPSC), the State of California (State) provides funding assistance to eligible school districts through the School Facility Program (SFP). OPSC administers various programs pursuant to State law and provides projects to be considered by the State Allocation Board (SAB) for funding. Funding for OPSC programs is provided periodically by voter approved state-wide ballot measures and/or by direct general fund appropriations as authorized by the legislature and approved by the governor. The disbursement of funds is allocated to school districts in the form of per pupil grants, with supplemental grants for site development, site acquisition, and other project-specific costs. Individual pupil grant amounts are periodically reviewed for adjustment by the SAB. To receive State grants, a district is required to match the grant portion from available district funds. Under certain specific conditions, a district may qualify and apply for a release of its local match requirement through a financial hardship review (Financial Hardship) and approval by the OPSC and the SAB, subject to additional constraints and requirements.

At this time, the OPSC has reported that all authorized funds for new construction and modernization applications under the SFP have been fully allocated. Received applications after September 12, 2018, for new construction and after March 1, 2019 for modernization are now being placed on an “Applications Received Beyond Bond Authority” waiting list in the order of date received, which is presented to SAB for acknowledgement, but not approval, and are slated for review once additional funds are made available. To qualify for this waiting list for State funds, districts are required to adopt a Board resolution acknowledging the shortfall and the application’s inclusion under the “Applications Received Beyond Bond Authority List.”

In May 2022, Governor Newsom released the May Revision of the 2022-23 State of California (State) budget for K-12 education allocating additional funds to the SFP. The State’s historic revenue surplus presented an opportunity for the State to further support K-12 education on one-time programs and services. The May Revision included approximately \$4 billion in one-time General Fund monies for the SFP allocating \$2.2 billion in 2021-22, \$1.2 billion in 2023-24, and \$625 million in 2024-25 to support new construction and modernization projects. The May Revision also includes approximately \$1.8 billion in one-time funds for deferred maintenance, HVAC, and energy improvements. This is anticipated to be applied against the “Applications Received Beyond Bond Authority” waiting list allowing most of these to anticipate funding in the years ahead.

CFW continues to monitor grant applications to the State and activities of the SAB for the allocation of eligible State funding. The strategic blending of these programs is required to support the balance of local investment that may be required to fully implement the Master Construct Program. These programs are summarized below as well as the District’s current and projected eligibility for program funding. Applications that have been approved by the District and submitted to OPSC are also presented.

4.1.1 STATE AID MODERNIZATION

The SFP Modernization Program provides funds on a 60-40 State and local sharing basis for improvements that enhance existing school facilities. Eligible projects include modifications such as air conditioning, plumbing, lighting, and electrical systems. Applications are submitted to the OPSC in two stages:

1. **Eligibility:** Modernization eligibility is established separately for each school site and requires that permanent facilities be at least 25 years old and portable facilities be at least 20 years old. Students must be enrolled in those facilities based on State classroom loading standards of 25 per classroom for grades K-6 and 27 per classroom for grades 7-8. Once established, site eligibility is not subject to annual review.
2. **Funding:** A district with modernization eligibility may request funding on a 60-40 State grant/local match basis. The 2023 pupil grant is currently \$6,086 for elementary grades and \$6,436 for middle school grades. Eligible costs include design, construction, educational technology, testing, inspection, furniture and equipment. Limited supplemental funding is available for excessive costs such as fire safety and accessibility improvements. Grant levels are periodically reviewed by the State. Program funding is subject to project performance and certification at the completion of construction.

Table 1 provides a summary of the SFP modernization grants received to date with the implementation of the Master Construct Program totaling approximately \$3.9 million. These grants were received as

reimbursement modernization grants from prior SFP eligible improvements made to Fremont, Harrington, Lemonwood, Elm, and McKinna. These funds have been used in support of the Master Construct Program.

Table 1: Estimated Modernization Grants Received

Projects	Application #	Standard Pupils	SDC Pupils	Base Grant	Sup. Grant	Total Grant
1 Fremont	57/72538-00-026	131	8	\$1,003,960	\$93,926	\$1,097,886
2 Harrington	57/72538-00-027	87	0	\$581,160	\$108,508	\$689,668
3 Lemonwood	57/72538-00-028	175	0	\$841,400	\$239,311	\$1,080,711
4 Elm	57/72538-00-029	101	0	\$485,608	\$126,260	\$611,868
5 McKinna	57/72538-00-030	78	0	\$375,024	\$68,422	\$443,446
Total		572	8	\$3,287,152	\$636,427	\$3,923,579

Table 2 summarizes the District’s estimated current and future eligibility for State modernization grants for remaining eligible permanent and portable classrooms based on 2022-23 school site enrollment and the 2023 per pupil grants. During Phase 1 scheduling of eligible projects for the FY2022-26 period, the District may be eligible for approximately \$29 million in remaining State matching modernization grants from existing classrooms. A local match of approximately \$19.3 million would be required by the District to access these grants. Future eligibility of approximately \$17 million is estimated to be available through Phase 2 for the period 2027-2030, requiring a then local match amount of approximately \$11.4 million. In total, approximately \$46 million in modernization grant eligibility is anticipated based on maintaining current enrollment at the eligible school sites.

Table 2: Estimated Modernization Eligibility by Phase

School	FY2022-23 Enroll	Pupil Grant	Phase 1 (2023-2026)	Phase 2 (2027-2030)	Total Grant (60%)
1 Harrington	538	\$6,086	\$0	\$0	\$0
2 Elm	483	\$6,086	\$0	\$0	\$0
3 McKinna	590	\$6,086	\$0	\$0	\$0
4 Rose Avenue	497	\$6,086	\$456,450	\$0	\$456,450
5 Brekke	590	\$6,086	\$3,359,472	\$0	\$3,359,472
6 McAuliffe	510	\$6,086	\$3,103,860	\$0	\$3,103,860
7 Ritchen	504	\$6,086	\$2,988,226	\$0	\$2,988,226
8 Ramona	579	\$6,086	\$3,091,688	\$0	\$3,091,688
9 Marina West	489	\$6,086	\$0	\$2,976,054	\$2,976,054
10 Sierra Linda	525	\$6,086	\$3,195,150	\$0	\$3,195,150
11 Lemonwood	928	\$6,086	\$0	\$0	\$0
12 Marshall	729	\$6,086	\$0	\$3,955,900	\$3,955,900
13 Driffill	1008	\$6,086	\$0	\$0	\$0
14 Chavez	879	\$6,086	\$0	\$5,349,594	\$5,349,594
15 Curren	921	\$6,086	\$304,300	\$0	\$304,300
16 Kamala	954	\$6,086	\$912,900	\$0	\$912,900
17 Soria	921	\$6,086	\$0	\$0	\$0
18 Frank	1045	\$6,436	\$6,725,620	\$0	\$6,725,620
19 Fremont	738	\$6,436	\$0	\$4,749,768	\$4,749,768
20 Dr. Lopez Academy	758	\$6,436	\$4,878,488	\$0	\$4,878,488
Total	14,186		\$29,016,154	\$17,031,316	\$46,047,470

These amounts are subject to annual review and require the submittal and approval of DSA of proposed improvements prior to submittal to OPSC for consideration. Therefore, the actual amount received may be further influenced by the plan of sequence and phasing that may be undertaken by a district in the implementation of its capital program.

4.1.2 STATE AID NEW CONSTRUCTION

The State's New Construction Program provides State funds on a 50/50 State and local sharing basis for eligible projects that add permanent classroom capacity to a school district. The goal is to add capacity to school districts to house students, including the construction of a new school or the addition of classrooms to an existing school. Applications are submitted to the OPSC in two stages:

1. **Eligibility:** Eligibility for new construction funding is not site specific and is determined by the gap between a district's projected enrollment and its existing permanent classroom capacity. Classroom capacity is based on State loading standards of 25 students per classroom for elementary grades and 27 students per classroom for middle grades. Historical and projected student enrollment, plus approved, but not yet built residential units, are utilized to estimate the gap between the number of future students and the current ability to house students in permanent facilities. Portable classrooms are not counted by the State as being permanently available to house pupils. Until approved for construction, eligibility is subject to annual review.
2. **Funding:** Once eligibility is approved; a district may apply for funding on a 50/50 State grant/local match basis. The 2023 pupil grant is currently \$15,983 for elementary grades and \$16,904 for middle grades and is counted based on each student found to exceed a district's permanent capacity to house students. Eligible costs include design, construction, testing, inspection, furniture and equipment, and other costs closely related to the actual construction of school buildings. Supplemental grants are available for site acquisition, utilities, on/off-site and general site development, and other excessive costs. Grant levels are periodically reviewed by the State.

Table 3 provides a summary of funding received from new construction reimbursement grants during the period of the current Master Construct Program's totaling approximately \$30.9 million. As previously presented to the Board, the District has exhausted its eligibility for new construction funding until such time as enrollment once again begins to grow. All of these funds have been used or pledged in support of the Master Construct Program.

Table 3: SFP New Construction Grants Received

Projects	Application #	Standard Pupils	SDC Pupils	Base Grant	Sup. Grant	Total Grant
1 Driffill	51/72538-00-001	0	0	\$3,712,107	\$558,304	\$4,270,411
2 Driffill	50/72538-00-009	350	9	\$4,032,792	\$697,880	\$4,730,672
3 Harrington	50/72538-00-011	625	26	\$8,219,097	\$1,461,426	\$9,680,523
4 Lemonwood	50/72538-00-013	473	0	\$5,570,487	\$1,697,465	\$7,267,952
5 Ritche Kinder	50/72538-00-016	0	18	\$638,712	\$134,140	\$772,852
6 Brekke Kinder	50/72538-00-017	0	18	\$638,712	\$138,485	\$777,197
7 McAuliffe Kinder	50/72538-00-018	0	18	\$638,712	\$139,292	\$778,004
8 McKinna	50/72538-00-022	0	28	\$770,245	\$1,120,264	\$1,890,509
9 Ramona Kinder	50/72538-00-024	0	18	\$638,712	\$128,109	\$766,821
Total		1,448	135	\$24,859,576	\$6,075,365	\$30,934,941

4.1.3 PRESCHOOL, TRANSITIONAL KINDERGARTEN, AND KINDERGARTEN FACILITIES

At various times, the State provides limited funds for competitive applications to fund specific school facilities. The State’s Full Day Kindergarten Facilities Grant Program was initiated in 2019 to provide one-time grants to construct new or retrofit existing facilities for the purpose of providing kindergarten classrooms to support full-day kindergarten instruction.

The Governor’s budget for FY2021-22 expanded the program, including \$490 million in one-time grants to construct new or retrofit existing facilities for the purpose of providing classrooms to support full-day preschool, transitional kindergarten, or kindergarten instruction. A state/local match of 75/25 is required for transitional kindergarten and preschool projects or half-day kindergarten programs converting to full day. Districts that already have full-day kindergarten programs require a 50/50 match (state/district) for new construction and a 60/40 (state/district) match for retrofit projects.

Three funding rounds have been completed for the program and the application submittal period for the fourth funding round application closed on March 2, 2023. The District previously was awarded grants under the third funding round for new classrooms at Driffill elementary school totaling \$7 million, requiring a \$3 million District match for a total project cost of \$10 million. Ten new 21st Century classrooms to create an early childhood village at Driffill elementary are currently in the planning and design phase to include four classrooms for preschool, four classrooms for TK, and two classrooms for kindergarten. An application was subsequently submitted to the State for new classrooms at Marina West for approximately \$8.2 million, requiring a \$2.7 million District match, for ten classrooms (four preschool, four TK, and two kindergarten) for a similar early childhood development center and is currently under review by the OPSC. The OPSC has scheduled a SAB meeting to consider the apportionment to grant recipients for September 2023.

4.1.4 SUBMITTED STATE AID APPLICATIONS

Table 4 presents State aid applications that have been filed with the OPSC that are awaiting review and funding by the State, totaling approximately \$11.4 million. It also reflects the current pupil grant amounts in effect for 2023 by the SAB and estimated additional anticipated allowances for supplemental grants such as site development and land acquisition costs.

Over the last six months, CFW received a request from the OPSC to provide an updated review of the District’s new construction eligibility in response to the State’s review of the District’s new construction funding application for the Rose Avenue project. CFW updated the District’s new construction baseline eligibility based upon the school year 2022-23 enrollment and current residential development information from the City of Oxnard. The new enrollment figures and updated housing developments within the District boundaries, although positive at the lower grade levels, still did not result in a positive new construction eligibility baseline. Therefore, the District was found to not have any remaining eligibility for any grant amounts under the State’s SFP based on its significant decline in enrollment. Subsequently, the Rose Avenue new construction application was withdrawn for further consideration for funding at this time.

Applications have been filed for the modernization projects planned at Ritche and McAuliffe elementary schools. These applications for Ritche and McAuliffe elementary schools have been submitted assuming Financial Hardship. Should the District choose to accelerate these projects with local funding, these applications may be amended to require a 60/40 matching share. This would result in a reduced grant of approximately \$3.5 million for McAuliffe, requiring a \$2.4 million District match and a grant of approximately \$3.3 million for Ritche, requiring a \$2.2 million District match.

Table 4: Submitted State Aid Applications

Projects	Type	Standard Pupils	K-6	7-8	SDC Pupils	Non Severe	Severe	Est. Base Grant	Est. Sup. Grant	*Total Est. Grant
McAuliffe	Mod.	534	534	0	0	0	0	\$3,249,924	\$324,992	\$5,958,194
Ritche	Mod.	491	491	0	0	0	0	\$2,988,226	\$298,823	\$5,478,414
Total		1,025	1,025	0	0	0	0	\$6,238,150	\$623,815	\$11,436,608

**Total grant assumes Financial Hardship for McAuliffe & Ritche*

The above analysis on State aid eligibility and submitted applications is based on existing rules which are periodically adjusted by the OPSC, SAB, or the legislature when a new bond is considered. The assumptions are based on rules that are currently in effect and any change in rules or eligibility factors (e.g., enrollment) may impact the receipt of funds. Over the next six months, the team will continue to monitor application status with OPSC and respond to any new opportunities, exceptions, and review notices received in order to keep the District as informed as possible on any needs for program adjustments.

4.1.5 FINANCIAL HARDSHIP FUNDING

The State provides a Financial Hardship Program to assist districts that cannot provide all or part of their local match for an approved modernization or new construction SFP project. In Financial Hardship, the State funds its normal grant amount, and if a district is found to be eligible, provides an additional grant amount equal to the portion of the match that would have been required to be funded by a district. This in effect increases the amount of grant funding a district would otherwise receive. To qualify, a district must be charging the maximum developer fee and meet one of the following criteria:

- Bonded indebtedness of 60 percent or greater
- Successful passage of a Prop. 39 Bond
- District total bonding capacity of less than \$5 million

At this time, the District has exceeded its net bonding capacity by 60 percent and may be eligible for Financial Hardship.

Under the current Financial Hardship Program, a district must exhaust all unencumbered capital fund balances available for modernization or new construction at the time of application. In addition, any funds that become available during the time the District is in the Hardship period will reduce the amount of the State’s grant in lieu of the District’s match, proportionally. Audits of available capital facilities funding (e.g., Funds 21, 25, 35) are required throughout the project period that a district is in Hardship funding and at “close out”, or completion of the project. Until approved for construction, eligibility is subject to review every 6 months. A district can apply for both planning and/or construction funds.

Except for land acquisition and some site service costs, 100 percent hardship grant funding does not typically equate to 100 percent of the total development costs associated with the design and construction of an eligible project. Often projects must be phased, alternate methods of construction (e.g. modular) must be employed to achieve the desired space requirement for housing students or additional local funding must be provided thereafter to complete a project using hardship funding.

As pointed out in other cases, the OPSC has implemented a change to the Financial Hardship program requiring that the Financial Hardship period begin on the date of application, regardless of the date an application is reviewed by OPSC or approved by the SAB – restricting its use. This requires that the District sequence projects proposed for Financial Hardship after any and all anticipated and available capital funds are encumbered, which may result in delaying Financial Hardship projects to later implementation phases of the Master Construct Program, once other funds have been exhausted.

4.2 DEVELOPER FEES

Developer fees levied on new residential and commercial construction in a school district attendance area are permissible under State Education Code, Section 17620 and may be used to meet the District’s match requirement for eligible State assistance projects. The purpose of these fees is to mitigate the student enrollment impact that would be generated by new development. Fees may be used to fund the construction of new school facilities, the modernization of existing facilities, or the reopening of closed facilities. The regulations also permit an inflation-based increase in developer fees every two years based on changes in the Class B construction index. There are three levels of developer fees that can be assessed:

- **Level 1** fees are established by statute and adjusted by the State Allocation Board and are currently \$4.79 per square foot of residential development and \$0.78 per square foot of commercial and industrial development

- **Level 2** fees constitute up to 50% of the State allowed cost for construction and sites, if the school district meets specified eligibility tests and assumes that the will State pay for the other 50% of cost through the SFP
- **Level 3** fees are the same as Level 2, but include the State's 50% share as well, but only when the State declares it is out of funds for new construction

A Developer Fee justification study must be completed in order to levy Level 1 or Level 2 fees and in the event that the State declares that it is out of new construction state grant funds, the same report may allow the District to levy Level 3 fees. At the Program’s inception in 2013, approximately \$3.4 million in developer fee fund balance was allocated to the Program. Since the initial \$3.4 million allocated to the Program in 2013, the District has collected approximately \$11.3 million in additional developer fee revenues as of April 30, 2023, for a grand total of \$14.7 million in collected revenues. The District’s 2022-23 Second Interim Budget report projects an ending balance of approximately \$2.5 million as of June 30, 2023. For purposes of this report, it is assumed that the District may collect approximately \$3.7 million over a year period for a total of \$11.1 million. In total, approximately \$13.6 million is assumed to be available towards remaining improvements.

In April 2022, the District adopted a Residential and Commercial/Industrial Development School Fee Justification Study prepared by Cooperative Strategies that established the justification for collecting Level 1 fees. Based on the District’s fee sharing agreement with the Oxnard Union High School District, the District collects 66% of the maximum Level 1 fees, or \$3.16 per square foot for residential development and varied rates per square foot for commercial development as follows:

Table 5: Maximum School Fee per Square Foot for Commercial Development

CID Land Use Category	Maximum School Fee
Retail and Service	\$0.203
Office	\$0.318
Research and Development	\$0.276
Industrial/Warehouse/Manufacturing	\$0.245
Hospitals	\$0.252
Hotel/Motel	\$0.103
Self-Storage	\$0.006

Source: 2022 Residential and Commercial/Industrial Development School Fee Justification Study by Cooperative Strategies

To establish a nexus and a justifiable residential School Fee level, the Study evaluated the number and cost of new facilities required to house students generated from future residential development within the School District. Based on data provided by the Southern California Association of Governments, approximately 7,067 additional residential units could be constructed within the District's boundaries through calendar year 2035. Of these 7,067 future units, 4,452 are expected to be single family detached and 2,615 are expected to be multi-family attached units. By dividing the total amount of anticipated units (7,067) by the buildout period (13 years), it is anticipated that approximately 544 units may be built each year from 2022 through 2035. This average buildout and the corresponding square footage of new residential development is the basis for the anticipated annual developer fees revenues to be realized by

the District during this period. Based on the Level 1 fee of \$3.16 per square foot of new residential development and the total square footage of approximately 1 million resulting from the construction of 544 units, the District could receive an estimated \$3.7 million in developer fees annually, however actual revenues could vary based on fluctuations in development activity.

As reported in December 2021, Cooperative Strategies reported to the District that due to the District's enrollment declines, Level 2 fees are no longer justified, and the District will have to revert to Level 1 fees. For purposes of budgeting for the program, Level 1 fee of \$3.16 has been assumed in projected available developer fee funds for the program. The District is required to complete a biennial update to the Level 1 Study in order to continue collecting Level 1 fees for the next two years. Similarly, the District is also required to complete an annual update to the Level 2 Study in order to resume collecting Level 2 fees.

4.3 GENERAL OBLIGATION BONDS

The District has used general obligation (G.O.) bonds historically to fund major school facility improvements and has been very successful in making use of public financing options and garnering community support to improve school facilities, including those as part of the Master Construct Program. The District successfully passed local voter approved G.O. bond authorizations in 1997, 2006, 2012, 2016, and 2022. The latter three are in direct support of the Master Construct program. These bonds are secured by an annual levy on all taxable parcels within the boundaries of the district. The levy is based on the assessed value of a parcel as determined by the county, pursuant to Proposition (Prop.) 13. Traditionally, G.O. bonds carry far lower interest and issuance costs than other financing options. Buyers of most California school bonds receive an exemption from state and federal taxes on the interest portion of the bonds purchased, allowing for a lower rate of interest to a district to finance improvements over time. Appendix B summarizes the District's past G.O. bond issuances and provides data for each issuance's sale date, original principal, current outstanding principal, original repayment ratio, and remaining term.

4.3.1 PAST AND REMAINING G.O. BOND AUTHORIZATIONS

The 1997 authorization was approved by voters and authorized the sale of \$57 million in G.O. bonds, pursuant to Proposition 46 which does not set a maximum annual tax rate for the purposes of issuing remaining bond authorization. To date, \$57 million in bonds have been sold, leaving no remaining authorization from the 1997 Election. It is anticipated to be fully retired by 2033.

The 2006 authorization was approved by voters and authorized the sale of \$64 million in G.O. bonds, pursuant to Proposition 39 which set a maximum annual tax rate of \$30 per \$100,000 assessed valuation for the purposes of issuing remaining bond authorization. To date, \$64 million in bonds have been sold, leaving no remaining authorization from the 2006 Election. It is anticipated to be fully retired by 2036.

The 2012 authorization was approved by voters and authorized the sale of \$90 million in G.O. bonds, also pursuant to Proposition 39 which set a maximum annual tax rate of \$30 per \$100,000 assessed valuation for the purposes of issuing remaining bond authorization. To date, \$90 million in bonds have been sold, leaving no remaining authorization from the 2012 Election. It is anticipated to be fully retired by 2044.

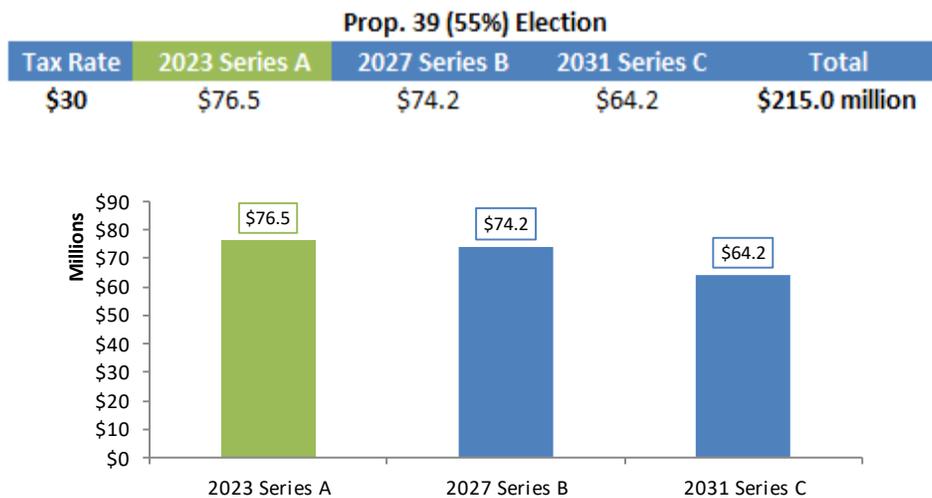

The 2016 authorization was approved by voters and authorized the sale of \$142.5 million in G.O. bonds, also pursuant to Proposition 39 which set a maximum annual tax rate of \$30 per \$100,000 assessed valuation for the purposes of issuing remaining bond authorization. To date, \$104.9 million in bonds have been sold, leaving a remaining authorization of \$36.5 million from the 2016 Election.

In November 2022, voters in the District approved Measure I and authorized the sale of \$215 million in G.O. bonds, pursuant to Proposition 39 which set a maximum annual tax rate of \$30 per \$100,000 assessed valuation for the purposes of issuing the remaining bond authorization. In March 2023, the District issued the first series of bonds from the 2022 Election in the amount of approximately \$76.5 million, leaving a remaining authorization of approximately \$138.5 million. The amount of bonds sold was based on the receipt of a debt limit waiver from the State Board of Education which approved in May 2023.

4.3.2 REMAINING G.O. BOND AUTHORIZATION AND PROJECTED FUTURE BOND PROCEEDS

Assuming that the District’s assessed valuation continues to grow as presented in Exhibit B at an annual average of 4.0 percent and that the District implements the maximum tax rate of \$30 per \$100,000 of assessed value allowed by Proposition 39 over a 30-year term for each bond sale, the District is projected to issue its remaining bond authorization of approximately \$138.5 million in bond proceeds over a projected 8-year period based on current market conditions. Based on the above assumptions and those in Exhibit B, Figure 1 depicts the above projection and assumes that additional bond proceeds may be available in 2027 and 2031, respectively beyond the amount sold in May.

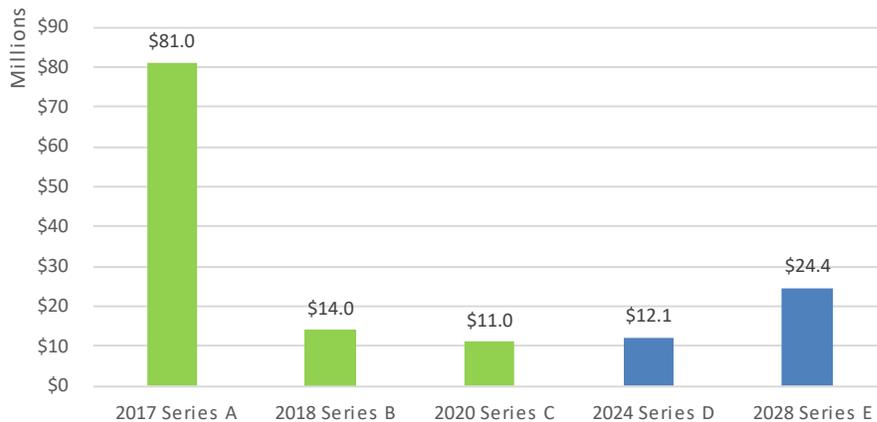

Figure 1: Estimated Measure D Bond Proceeds at \$30 Tax Rate Per \$100,000 of Assessed Value

In addition to the above, the District has approximately \$36.6 million in remaining authorization from Measure D election approved by voters in 2016 b Based on the above assumptions and those in Exhibit B, Figure 2 depicts the bond proceeds issued to date thru 2020 and the projected bond proceeds that may be available from the remaining authorization of Measure D based on the above assumptions and those

in Exhibit B. Figure 2 illustrates the estimated timing and size of remaining bond issuances in support of the Enhanced Master Construct Program which projected to be available over two bond sales in 2024 and 2028 for a combined total of \$36.5 million.

Figure 2: Estimated Timing and Sizing of Remaining Measure “D” Bond Proceeds

The projections above for the issuance of the remaining authorization for Measure D and I, respectively are used to estimate the amount of bond proceeds available to fund the Enhanced Master Construct Program over phases as presented in the proposed Master Budget in Section 5. In both Figure 1 and Figure 2, the actual size and timing of the remaining bond sales depend on the prevailing market conditions at that time and the actual assessed valuation growth between bond sales required to maintain tax rates for bond repayments within the estimated Proposition 39 rate of \$30 per \$100,000 of assessed valuation. The issuance of additional bonds will also require additional authorization from the State Board of Education for a waiver to increase the District’s bonding capacity.

The District’s outstanding bonds in both cases are secured by an annual levy on all taxable parcels within the boundaries of the District. The levy is based on the assessed value of a parcel as determined by Ventura County, pursuant to Proposition 13 and the corresponding tax rate is typically expressed in an amount per \$100,000 of assessed value. The tax rate for a given fiscal year is based on the County’s policies calculated to make the required bond interest and principal payments for a given period. In some cases, the County may initially over levy to establish a reserve fund which can be applied over time to better manage the tax rate required to repay the bonds from year to year. As a result, there can be a variance between the estimated tax rate required to make interest and principal payments and the calculated tax rate levied on property within the District. A variance can also be attributed to the collection of unitary taxes. In FY2022-23, Ventura County levied a tax rate of \$99.20 per \$100,000 of assessed value for the District’s combined outstanding bonds.

MASTER BUDGET & SCHEDULE

The Master Construct and Implementation Program is being integrated into the Enhanced Master Construct Program with the projects in progress serving as the bridge between the two programs. Utilizing estimated State aid eligibility for modernization funding, estimated developer fees, remaining bond authorization from Measure “D”, and authorization from the 2022 Measure “I” General Obligation (G.O.) bond authorization, a phasing program is proposed for the implementation of the proposed improvements. Proposed facilities improvements are presented in phases to reflect the expected availability of funds and projected sequencing of projects during construction. Proposed sources and uses of funds, along with constraints, have been identified and a proposed plan of sequencing has been prepared. The estimated costs provided represent a combination of “hard” and “soft” costs. In combination, they comprise what is properly called the total “Project Cost”. Hard costs result from the construction itself (e.g. bricks and mortar). Soft costs are those planning and design costs and fees that are an integral part of the building process and are usually precursors to, or supportive of, the construction. These include professional fees and other related, non-construction costs.

5.1 PROPOSED MASTER BUDGET SOURCES AND USES

Since its adoption, the District’s facilities program has been focused on increasing the number of K-8 school facilities and replacing older schools, portable classrooms, and support facilities with permanent K-5 & K-8 schools; all with 21st Century Learning Environments that meet adopted Board specifications and program requirements. Up to this point, the Program has led to the design of eight new 21ST Century schools, the construction of 6 such schools to date with the completion of the seventh school expected in 2023. In addition, it has led to the construction of two Early Childhood Development Centers (ECDC) with a third in design, the acquisition of 2 school sites, and the design and approval of two elementary schools for modernization. It has also provided for the expansion of construction of TK/K and special education “flex-facilities” at four elementary school sites, and 21st Century science labs at select schools.

Additional consideration was made to secure funding based on the completion of projects to date, the Board’s desire to maintain equity with remaining sites in need of improvement, and the State’s increasing mandates to the educational and facilities program. The District’s Enhanced Facilities Master Program identifies additional projects that qualify for State modernization grants and are eligible for funding via local voter approval bond programs. The District is now actively planning for the following approved projects:

- Reconstruct Fremont Academy 6-8 School and Dr. Lopez Academy middle school campuses

- Provide 21st Century upgrades throughout Frank Middle School’s existing facilities
- Upgrade/reconstruct transitional kindergarten/Kindergarten and support facilities and 21st Century classroom improvements at Chavez, Kamala and Curren, Driffill, Soria, & Marshall
- Provide 21st Century classroom improvements and reconstruct select support facilities to maintain equity at Ritchen, Ramona, McAuliffe, and Brekke
- Construct additional transitional kindergarten and early childhood education classrooms over time at select school sites throughout the District

Tables 6 and 7 provide a proposed integrated master budget of estimated sources and uses beginning with a summary accounting of previously completed projects followed by the next phases of remaining improvements as identified in the adopted Enhanced Master Construct Program. Previous phases include a total estimated sources and uses of approximately \$265.3 million with an estimated ending program reserve of \$922,621. The total budgets for completed projects have remained the same since the January 2023 report with no recommended adjustments. Upon final closeout and expenditures of projects, total funding sources and expenditures for completed projects will be adjusted to reflect actuals.

Four estimated major funding sources are proposed to finance the remaining improvements under the Enhanced Master Construct program including estimated remaining reserves from previous phases, remaining and new General Obligation (GO) authorizations, modernization State aid grants or grants received from the State’s TK/K program, and estimated developer fees. There is an estimated \$922,621 in remaining program reserve from the previous phases that is projected to be available towards funding remaining improvements. Approximately \$214.2 million is available from the recently approved Measure “I” and is projected to be to fund the program over three-year phases in 2023 and ending in 2031. An additional \$36.5 million in remaining GO bond authorization from Measure D is estimated to be available over two phases in 2024 and 2028 to assist in funding planned improvements. Approximately \$47 million in estimated State Aid modernization and TK/K grants may be garnered over time including approximately \$11.4 million in estimated financial hardship modernization grants at McAuliffe and Ritchen, \$7 million in the State’s Kinder program grants for Driffill, and \$28.6 million in estimated modernization eligibility at Curren, Lopez, Brekke, Frank, Ramona, Chavez, Kamala, and Marshall over time. Per the District’s 2022-23 Second Interim Budget report, approximately \$2.5 million may be available from developer fees as of June 30, 2023, and \$11.1 million is estimated to be collected over a three-year period as identified in the District’s Developer Fee Report as summarized in Section 4 of this report.

As shown in Table 7, approximately \$267.9 million is estimated in total anticipated costs. A Program Reserve of \$44.3 million is recommended providing a grand total integrated budget of \$312.2 million in remaining estimated project improvements to be funded over the proposed remaining phases. These amounts, however, exclude a pending grant application for the proposed Marina West ECDC that is currently under review by OPSC for funding under the State’s kinder program. Should the District successfully garner a grant for Marina West, a corresponding funding source and use will be added at the next semi-annual review for consideration.

Table 6: Proposed Master Budget - Estimated Funding Sources

Estimated Sources	Previous Phases (2013-2022)	Phase 3 (2023-2026)	Phase 4 (2027-2030)	Phase 5 (2031-2034)	Phase 3 - 5 Subtotal	Total

5.2 MASTER CONSTRUCT AND IMPLEMENTATION PROGRAM EXPENDITURES TO DATE

A budget and expenditure tracking protocol has been established and utilized for projects currently being implemented. As of the January 2023 Semi-Annual Report, the total budget was approximately \$332.6 million for projects under current implementation, exclusive of the net balance of the remaining Enhanced Master Construct that have been subsequently integrated into this report. Any changes to sources, uses, and schedules included in this report have considered actual District expenditures for the respective projects and are tracked against established project budgets. As needed, the program reserves and estimated ending fund balance will be utilized to accommodate unforeseen but required budget adjustments.

Table 8 provides a summary report of expenditures made for the Program during the period July 1, 2012 – April 30, 2023, totaling approximately \$238.6 million. Expenditures made after this period will be accounted for in the next Semi-Annual update. The District’s financial system accounts for expenditures by Fiscal Year (July 1 – June 30) and is used in reporting these expenditures. The report is organized by Fiscal Year and includes expenditures across various construction funds. It should be noted that expenditure reporting is based on the budget approved as part of the January 2023 Semi-Annual Report. Once the recommended budget adjustments are approved as part of this June 2023 report, subsequent expenditure reports will reflect the revised budget value.

The District has accounted for districtwide expenses, including the program manager fee in object codes 5800 and 6205 and has not allocated these expenses to specific projects. For the purposes of Table 8, CFW has allocated such districtwide program manager fee expenses by taking the actual expenditures for a given fiscal year and then allocating the actuals by the percentage of fees earned for that period for a given project pursuant to the latest agreed upon fee calculation. Pursuant to the contract, the total program management fee does not exceed 4.75% of the projects managed. From July 1, 2012, through April 30, 2023, the District disclosed expenditures of approximately \$35.3 million for additional facilities improvements not identified in the Master Construct Program. Of the total, \$14.5 million were expended for eligible projects prior to the adoption of the January 2013 Implementation Plan beginning with \$3.7 million of Developer Fee Fund balances, plus additional expenditures thereafter which were planned for State aid reimbursement. Given the deferral of State reimbursements, these expenditures are now being subsumed into the Master Construct Program until such time that State aid reimbursement becomes available. Eligible improvements included, but are not limited to, replacement or addition of relocatable facilities, improvements and DSA closeout of prior projects, District energy efficiency improvements, and other facility improvements. The remaining \$20.8 million in expenditures outside of the Program were funded by the District’s prior Measure M bond program. Expenditure reports related to the current bond programs are made available for review by the Citizens’ Oversight Committees and expenditures are audited annually for the Board’s review.

5.3 PROPOSED SEQUENCING

The proposed plan of sequencing begins the process with the design and construction of Fremont at its proposed new location. Upon completion, students from Fremont would be moved into the new school. The old facility would be retained as long as possible to provide “swing space” to be used to house the next proposed projects to be constructed in sequence. Upon completion in its role as “swing space”, the old Fremont campus will be removed and replaced with appropriate field space in support of the new campus for school and community use.

Likewise, the construction of the new Lopez campus would be done in a similar fashion to that undertaken at Lemonwood, with the new building designed and constructed first on the adjacent playfield while the existing school remains in operation. Upon completion, the old building would be ultimately demolished and play fields provided in its place. In the interim, the old facility would operate as additional “swing space” to expedite the completion of the next sequence of schools to be improved.

Both Driffill and Frank are proposed to be improved with students in place. At Driffill, the proposed facilities that do not displace existing uses would be built first. The portables on site would be used in combination with newly constructed classrooms, including those in the proposed ECDC, to provide “swing space” as the remaining classrooms, including those in the P2P wing, are upgraded. A similar approach is anticipated at Frank through a phased classroom improvement program by utilizing the existing portable as “swing space” in combination with completed classrooms once they receive upgrades.

An additional option, if necessary, is to maximize capacity to full enrollment at all 21st Century replacement or improved existing schools allowing the provision for the use of other select schools to be used as “swing space” in addition to those identified above. Once improvements at those schools needing “swing space” are complete, students will return to their school of residence.

5.4 PROPOSED PROGRAM MASTER SCHEDULE

As summarized in Tables 9-11, the estimated cost for remaining improvements is estimated to be implemented over three remaining phases (Phases 3-5) beginning in FY2022-23 through FY2030-31. Phase 3 completes improvements at Fremont, McAuliffe, Ritchen, and the proposed Driffill ECDC facility. ECDC facilities are also proposed at Rose Avenue as well as COP land acquisition payments. Design activities are proposed to be implemented for the reconstruction of Dr. Lopez 6-8 school. Bond proceeds from existing authorization and the new measure are proposed to front the brunt of required costs. State modernization grants and awarded and projected grants under the State’s Preschool/TK/K are projected

to be also available and may assist in funding. Estimated developer fees are proposed to assist with funding, as available. Phase 3 improvements are projected to be complete by the end of FY2026-27.

Table 9: Phase 3 (FY2022-23 – FY2026-27) Master Schedule and Sequencing

Project	Estimated Budget
McAuliffe K-5	\$5,958,194
Ritchen K-5	\$5,478,414
Fremont 6-8	\$65,758,461
Dr. Lopez 6-8	\$8,258,770
ECDC at Driffill	\$10,001,526
ECDC at Rose Avenue	\$4,929,979
Land Acquisition COP Lease Payments	\$2,062,500
Total	\$102,447,844
Program Reserve	\$18,379,761
Total Uses	\$120,827,605

Phase 4 completes improvements at Driffill, Curren, and Lopez. Land acquisition COP lease payments would also be provided. Bond proceeds from existing authorization and from the second series of bond sales from the new bond measure would fund a major portion of anticipated costs. The balance is anticipated to be from State grants. Phase 4 improvements are projected to be complete by the end of FY2030-31.

Table 10: Phase 4 (FY2026-27 – FY 2030-31) Master Schedule and Sequencing

Project	Estimated Budget
Driffill K-8	\$13,005,183
Curren K-8	\$26,442,963
Dr. Lopez 6-8	\$46,799,697
Land Acquisition COP Lease Payments	\$2,321,000
Total	\$88,568,843
Program Reserve	\$15,213,945
Total Uses	\$103,782,788

Phase 5 completes improvements at McAuliffe, Ritchen, Brekke, Ramona, Chavez, Kamala, Marshall, Soria, and Frank. Proceeds from the third series of bond sales from the new bond measure would fund a major

portion of anticipated costs. The balance is anticipated to be from State grants. Phase 5 improvements are projected to be complete by the end of FY2034-35.

Table 11: Phase 5 (FY2031-32 - FY2034-35) Master Schedule and Sequencing

Project	Estimated Budget
McAuliffe K-5	\$1,684,396
Ritchen K-5	\$887,727
Brekke K-5	\$8,000,033
Ramona K-5	\$7,354,070
Chavez K-8	\$14,696,311
Kamala K-8	\$19,708,843
Marshall K-8	\$5,376,218
Soria K-8	\$3,904,945
Frank 6-8	\$15,290,123
Total	\$76,902,667
Program Reserve	\$10,692,507
Total Uses	\$87,595,174

Based on the identified phasing plan, Table 12 provides a summary of proposed projects under management, including those that are currently underway totaling approximately \$140 million.

Table 12: Projects Under Management

Project Name	Start Date	End Date	Master Budget (Current Dollars)
Construct:			
Rose Avenue	Jan-2017	Sep-2023	\$51,071,913
Fremont 6-8	Dec-2022	Nov-2025	\$65,758,461
Driffill ECDC	Nov-2022	Oct-2024	\$10,001,526
Rose Avenue ECDC	Sep-2023	Aug-2025	\$4,929,979
Planning/Design:			
Dr. Lopez 6-8	Sep-2023	Aug-2024	\$8,258,770
Total			\$140,020,649

RECOMMENDATIONS

6.1 CONCLUSION & RECOMMENDATIONS

Over the next six months of implementation, the Master budget will continue to be monitored and enforced. Expenditure reporting will continue and be updated to reflect recommended budget adjustments provided in this update report. Budgets will also be reviewed and adjusted, where required, to accommodate actual contract commitments approved by the Board over the next six-month period. Steps will continue to be taken to file for eligible State aid applications and required agency approvals for project development and construction. Status reports will be provided to the Board as needed.

As part of the formal review process, it is recommended that the Board:

- Accept and adopt this semi-annual update to the Master Construct and Implementation Program/Enhanced Master Construct
- Direct staff and CFW to proceed with recommended adjustments to the Program for its immediate implementation
- Establish a date for the next six-month review by the Board.

EXHIBIT A

A.1 PRESENTATIONS, WORKSHOPS & UPDATES TO THE BOARD OF TRUSTEES

The table below contains a listing of presentations, workshops, and updates to the Board of Trustees for the Oxnard School District Facilities Implementation Program. Documentation of all Board activities is provided for the prior six months. For documentation of prior related Board Action items, please reference the same section of previous reports.

Date	Board Agenda Item	Agenda Description	Purpose	Action
14-Dec-22	C.20	Ratification of Amendment #1 to Agreement #21-141 with Construction Testing & Engineering, Inc. to Provide Additional Inspection and Testing Services as Lab of Record Services for the Rose Avenue School Reconstruction Project	Board of Trustees ratify Amendment #1 to Agreement #21-141 with Construction Testing & Engineering, Inc. for additional Inspection and Testing Services as Lab of Record for the Rose Avenue School Reconstruction Project, in the amount of \$130,037.13, to be paid under Board approved Agreement #21-141 from Master Construct and Implementation Funds	Approved
14-Dec-22	D.1	Adoption of Resolution No. 22-13 Authorizing Submission of a General Waiver Request to the State Board of Education	Resolution #22-13 authorizing submission of a General Waiver Request to the State Board of Education	Approved
18-Jan-23	C.12	Approval of the Appointment of Flewelling and Moody as Architect of Record for the Driffill K-8 School Improvement Project, New Transitional Kindergarten Facilities and Approval of Architectural Services Agreement #22-201 with Flewelling and Moody	Board of Trustees appoint Flewelling & Moody as Architect of Record for the Driffill K-8 New Transitional Kindergarten Facilities Project, approve the proposed project design and site layout, and approve Architectural Services Agreement #22-201 with Flewelling & Moody, in the amount of \$387,000.00, to be paid out of Master Construct and Implementation Program Funds	Approved
18-Jan-23	C.13	Ratification of Agreement #22-202 with Sharette to Provide Building Commissioning Services for the Rose Avenue School Reconstruction Project	Board of Trustees approve Agreement #22-202 with Sharette, for Building Commissioning Services for the Rose Avenue School Reconstruction Project, January 19, 2023 through September 20, 2023, in the amount of \$17,160.00, to be paid from Master Construct and Implementation Funds	Approved
18-Jan-23	C.15	Ratification of Amendment #001 to Agreement #21-140 with Kenco Construction Services, Inc., Additional Inspector of Record (IOR) Services for the Rose Avenue School Reconstruction Project	Board of Trustees approve Amendment #001 to Agreement 21-140 with Kenco for additional Inspection and Testing Services as Lab of Record for the Rose Avenue School Reconstruction Project, September 1, 2022 - April 30, 2023, in the amount of \$147,840.00, to be paid from Master Construct and	Approved

Date	Board Agenda Item	Agenda Description	Purpose	Action
1-Feb-23	A.11	Presentation of the January 2023 Semi-Annual Implementation Program Update as an Adjustment to the Master Construct and Implementation Program	Board of Trustees receive the January 2023 Semi-Annual Implementation Program Update. The Report will subsequently be placed on the February 15, 2023 Board meeting agenda for adoption	Information
15-Feb-23	D.2	Approval of Resolution #22-16 of the Board of Trustees of the Oxnard School District Supporting Preschool, Transitional Kindergarten and Full-Day Kindergarten Facilities Grant Program – Marina West Elementary Transitional Kindergarten Classrooms	Approve Resolution #22-16 Supporting Preschool, Transitional Kindergarten and Full-Day Kindergarten Facilities Grant Program – Marina West Elementary Transitional Kindergarten Classrooms	Approved
15-Feb-23	D.3	Approval of Resolution #22-17 of the Board of Trustees of the Oxnard School District Supporting Preschool, Transitional Kindergarten and Full-Day Kindergarten Facilities Grant Program – Marina West Elementary Preschool Classrooms	Approve Resolution #22-17 Supporting Preschool, Transitional Kindergarten and Full-Day Kindergarten Facilities Grant Program – Marina West Elementary Preschool Classrooms	Approved
15-Feb-23	D.4	Approval of Resolution #22-18 of the Board of Trustees of the Oxnard School District Supporting Preschool, Transitional Kindergarten and Full-Day Kindergarten Facilities Grant Program – Marina West Elementary Kindergarten Classrooms	Approve Resolution #22-18 Supporting Preschool, Transitional Kindergarten and Full-Day Kindergarten Facilities Grant Program – Marina West Elementary Kindergarten Classrooms	Approved
15-Feb-23	D.5	Adoption of Resolution No. 22-19: Resolution Authorizing the Issuance and Sale of General Obligation Bonds, 2022 Election, Series A, in the Aggregate Principal Amount of Not to Exceed \$78,000,000, and Approving Related Documents and Actions Including a Bond Purchase Agreement and Preliminary Official Statement	Board of Trustees adopt Resolution No. 22-19: Resolution Authorizing the Issuance and Sale of General Obligation Bonds, 2022 Election, Series A, in the Aggregate Principal Amount of Not to Exceed \$78,000,000, and Approving Related Documents and Actions Including a Bond Purchase Agreement and Preliminary Official Statement	Approved
1-Mar-23	C.2	Ratification of Allocations of Contract Contingency #1. Agreement #17-158 and Guaranteed Maximum Price (GMP) between the Oxnard School District and Balfour Beatty Contractors, LLC to provide Lease-Lease-Back Construction Services for the Rose Ave Elementary School Reconstruction Project	Board of Trustees ratify the Allocation #1 Approval Documents as presented and the distributions of the funds reported for the Rose Avenue Elementary School Reconstruction, under the Master Construct & Implementation Funds Program, at no additional fiscal impact	Approved
1-Mar-23	C.3	Ratification of Allocations of Project Contingency #2. Agreement #17-158 and Guaranteed Maximum Price (GMP) between the Oxnard School District and Balfour Beatty Contractors, LLC to provide Lease-Lease-Back Construction Services for the Rose Ave Elementary School Reconstruction Project	Board of Trustees ratify the Allocation Approval Documents #2 as presented and the distributions of the funds reported for the Rose Avenue Elementary School Reconstruction, under the Master Construct & Implementation Funds Program, at no additional fiscal impact	Approved
1-Mar-23	C.4	Ratification of Allocations of Allowances #3, 4, 5. Agreement #17-158 and Guaranteed Maximum Price (GMP) between the Oxnard School District and Balfour Beatty Contractors, LLC to provide Lease-Lease-Back Construction Services for the Rose Ave Elementary School Reconstruction Project	Board of Trustees ratify the Contingency Allocation Approval Documents for #3, 4, and 5 as presented and the distributions of the funds reported for the Rose Avenue Elementary School Reconstruction, under the Master Construct & Implementation Funds Program, at no additional fiscal impact	Approved

Date	Board Agenda Item	Agenda Description	Purpose	Action
15-Mar-23	C.20	Ratification of Amendment #1 to Agreement #22-201 with Flewelling & Moody for the Drifill K-8 School Improvement Project, New Transitional Kindergarten Facilities	Board of Trustees approve Amendment #1 to Agreement #22-201, with Flewelling & Moody, for the Drifill K-8 School Improvement Project, New Transitional Kindergarten, in the amount of One Hundred Thousand Dollars and No Cents (\$100,000.00), to be paid out of Master Construct and Implementation Program funds	Approved
19-Apr-23	A.13	Presentation by CFW Advisory Services Summarizing the Sale of Measure "I" Bonds	Summary of the recent sale of Measure "I" Bonds	Information
19-Apr-23	C.7	Approval to Re-establish the Architectural Pool of Approved Architectural Firms to be Eligible to Provide Proposals to the Oxnard School District for Future Architectural Services	Board of Trustees approve the updated Architectural Pool, as presented	Approved
19-Apr-23	C.17	Approval of Agreement #22-230 with Enviroplex, Inc. to provide Full Modular Building Design and Construction Services for Ten (10) Modular Classrooms for the Drifill Elementary School Improvement Project, New Transitional Kindergarten Facilities	Board of Trustees approve Agreement #22-230 with Enviroplex, Inc. to provide Full Modular Building Design and Construction Services for Ten (10) Modular Classrooms for the Drifill Elementary School Improvement Project, New Transitional Kindergarten Facilities, in the amount of \$5,000,000.00, to be paid out of Master Construct and Implementation Funds	Approved
3-May-23	C.6	Approval of Agreement #22-238 with Viola Inc. Constructors for the Drifill Elementary School Improvement Project, constructing 10 modular classrooms for New Transitional Kindergarten Facilities	Board of Trustees approve Agreement #22-238 with Viola Inc. Constructors for Drifill Elementary School Improvement Project, constructing 10 modular classrooms for New Transitional Kindergarten Facilities. The pre-construction portion will cost \$27,870.00, to be paid out of the Master Construct and Implementation Program fund	Approved
17-May-23	C.10	Approval of Agreement #22-238 with Viola Inc. Construction Service Agreement for 10 modular classrooms in Drifill Elementary	Board of Trustees approve Agreement #22-238 with Viola Inc. Constructors for Drifill K-8 New Transitional Kindergarten Facilities Project, covering the pre-construction portion of \$27,870.00, to be paid out of the Master Construct and Implementation Program funds	Approved

EXHIBIT B

B.1 GENERAL OBLIGATION BONDS

General obligation (G.O.) bonds are the most widely used and efficient method of financing school facility improvements locally in California. More than 600 school districts in the state have issued G.O. bonds to finance necessary improvements. These bonds are secured by an annual levy on all taxable parcels within the boundaries of a school district. The levy is based on the assessed value of a parcel as determined by the county, pursuant to Proposition (Prop.) 13. Traditionally, G.O. bonds carry far lower interest and issuance costs than other financing options. Buyers of most California school bonds receive an exemption from state and federal taxes on the interest portion of the bonds purchased, allowing for a lower rate of interest to a district to finance improvements over time.

B.1.1 EXISTING G.O. BOND AUTHORIZATIONS & PAST ISSUANCES

The District successfully passed a local G.O. bond authorization in 1997, 2006, 2012, 2016, 2022 respectively. Table B1 summarizes the District's past G.O. bond issuances and provides data for each issuance's sale date, original principal, current outstanding principal, original repayment ratio, and remaining term.

The 1997 authorization approved the sale of \$57 million in G.O. bonds. To date, \$57 million in bonds have been sold, leaving no remaining authorization from the 1997 Election. After the issuance of the 1997 Election bonds, the District issued seven series of refunding bonds between 2001 and 2022 to refinance outstanding 1995 Election bonds and generate debt service savings for District taxpayers. The 1995 Election was approved pursuant to Proposition 46 which required a 2/3 majority of voters to pass and there is no legal tax rate limit for the purposes of issuing bonds from this authorization. As of August 1, 2022, the outstanding principal to be repaid from the 1995 Election is approximately \$26.1 million.

The 2006 authorization was approved by voters and authorized the sale of \$64 million in G.O. bonds. To date, \$64 million in bonds have been sold, leaving no remaining authorization from the 2006 Election. Subsequent to issuance of bonds, the District refunded some of the 2006 Election bonds in 2014, 2015, 2016, and 2020 to refinance outstanding 2008 Election bonds and generate debt service savings for District taxpayers. As of August 1, 2022, the outstanding principal to be repaid from the 2008 Election is approximately \$37.5 million.

The 2012 authorization was approved by voters and authorized the sale of \$90 million in G.O. bonds. To date, \$90 million in bonds have been sold, leaving no remaining authorization from the 2012 Election. After the issuance of Election 2012 bonds, the District refunded bonds in 2019, 2020, and 2022 to refinance outstanding 2012 Election bonds and generate debt service savings for District taxpayers. As of August 1, 2022, the outstanding principal to be repaid from the 2012 Election is approximately \$95.2 million.

Table B1: Summary of District G.O. Bond Authorizations and Past Issuances

Series	Type	Sale Date	Principal Amount	Principal Outstanding	Repayment Ratio ⁽¹⁾	Years Remaining	Refunded Series
1997 Election (Prop. 46 Election)					Authorization:		\$57,000,000
New Money Issues							
1997A	Tax-Exempt GO Bond	8/5/1997	\$5,000,000	\$0	2.03	0	
1999B	Tax-Exempt GO Bond	6/30/1999	\$13,000,000	\$0	2.02	0	
2000C	Tax-Exempt GO Bond	7/11/2000	\$4,000,000	\$0	2.07	0	
2001D	Tax-Exempt GO Bond	2/20/2001	\$7,800,000	\$0	1.93	0	
2001E	Tax-Exempt GO Bond	7/24/2001	\$15,000,000	\$0	1.95	0	
2002F	Tax-Exempt GO Bond	8/6/2002	\$5,000,000	\$0	1.91	0	
2004G	Tax-Exempt GO Bond	6/30/2004	\$7,200,000	\$0	1.90	0	
Total			\$57,000,000				
Refunding Issues							
2001	Tax-Exempt GO Bond	8/15/2001	\$20,920,000	\$0	1.96	0	97A, 99B, 2000C

⁽¹⁾ Repayment ratio upon issuance of bonds ; total represents weighted average of all outstanding bonds

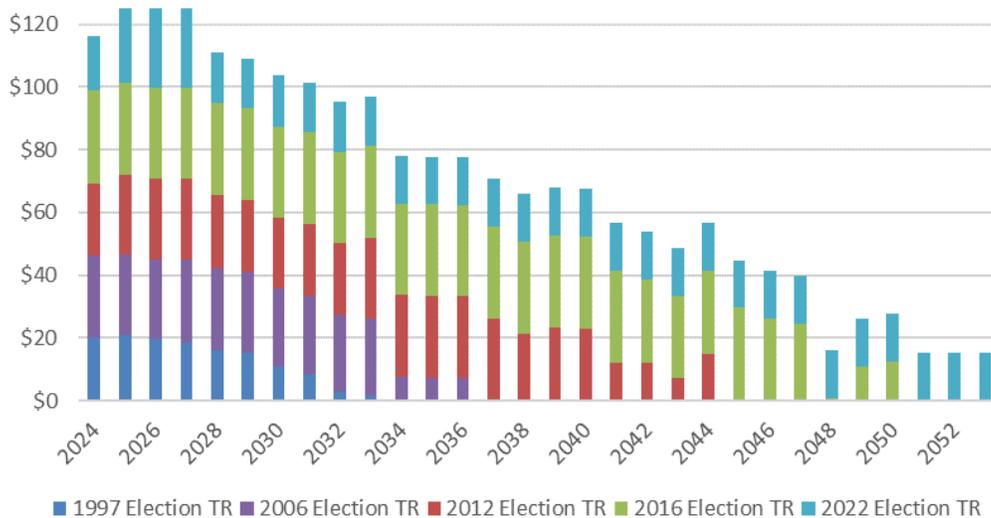

The 2016 authorization was approved by voters and authorized the sale of \$142.5 million in G.O. bonds. To date, \$104.9 million in bonds have been sold, leaving a remaining authorization of \$36.5 million from the 2016 Election. As of August 1, 2022, the outstanding principal to be repaid from the 2016 Election is approximately \$104.8 million.

In November 2022, voters in the District approved and authorized the sale of \$215 million in G.O. bonds. On February 15, 2023, the Board authorized the sale of the first series of bonds from the 2022 Election. Based on market conditions at the time of the bond sale and the District’s bonding capacity, the District sold approximately \$76.5 million in G.O. bonds leaving approximately \$138.5 million in remaining authorization.

Each of the 2006, 2012, 2016, 2022 authorizations were approved pursuant to Proposition 39 which set a maximum annual tax rate of \$30 per \$100,000 assessed valuation for the purposes of issuing bonds from each respective authorization. The District’s currently outstanding bonds, and subsequent refunding of these bonds, account for approximately \$340.1 million in outstanding principal. All outstanding bonds are scheduled to be repaid by fiscal year (FY) 2053-54.

Figure B1 indicates the estimated tax rate required to pay the principal and interest for the District’s outstanding bonds. In FY 2022-23, Ventura County levied an aggregate tax rate of \$99.20 per \$100,000 of assessed value for the District’s outstanding G.O. bonds. Based on the interest and principal payments scheduled for the repayment of outstanding bonds and an average annual assessed value growth of 4 percent (4.0%) over the remaining term of the bonds, it is estimated that the annual tax rate to repay the bonds will begin to gradually decline over the next four years and continue to decline more rapidly thereafter.

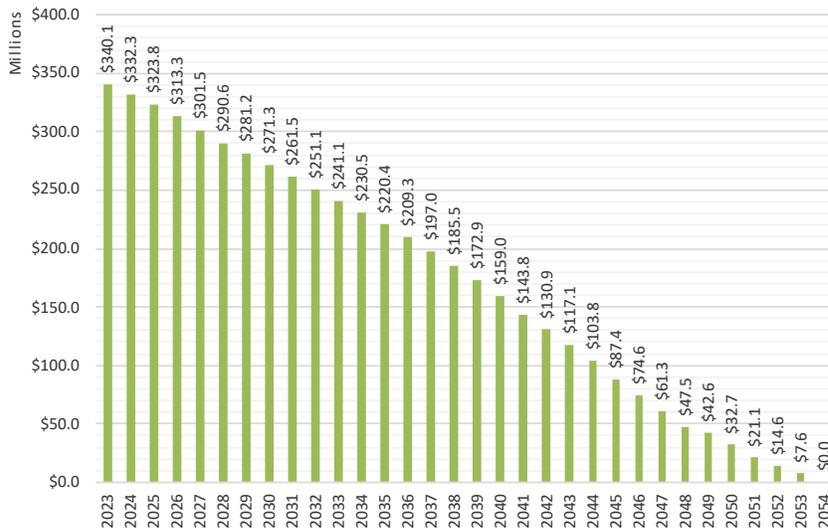

Figure B1: Estimated District G.O. Bond Tax Rates Per \$100,000 of Assessed Value

The District’s current outstanding bonds, and subsequent refunding of these bonds, account for approximately \$340 million in outstanding principal. All outstanding bonds are scheduled to be repaid by

fiscal year FY 2053-54, with total annual payments ranging between \$6.9 million and \$24.0 million for the next 31 years. Total principal to be repaid year-to-year ranges from \$5.0 million to \$13.1 million, while interest payments range from \$323,425 to \$13.1 million. Figure B2 indicates that the District had approximately \$340 million in total outstanding G.O. bonded indebtedness in FY 2022-23 and is anticipated to decline thereafter absent any additional G.O. bond sales. Absent any additional debt issuance, all current outstanding principal is scheduled to be retired by the end of FY 2053-54.

Figure B2: Remaining G.O. Bond Principal Outstanding Over Time

B.1.2 FUTURE BOND SALES

The District has remaining G.O. bond authorization from both the 2016 Election and the 2022 Election. Both authorizations are also subject to the provisions of Proposition 39 which requires a school district to certify that the estimated tax rate to repay subsequent bond sales would not exceed \$30 per \$100,000 of assessed value and establish a Bond Oversight Committee to review annual performance audits of the bond fund expenditures.

Similar to the District’s previous bond programs subject to Prop. 39, the availability of future bond funds is dependent on the District’s assessed valuation growth to accommodate the Prop. 39 tax rate allowance of \$30 per \$100,000 of assessed value for non-unified school districts in California.

The District’s total assessed valuation serves as the source from which tax revenues are derived for the purpose of repaying the District’s bond debt service. As the assessed value grows, so does the District’s ability to repay a greater amount of bond debt service and therefore its ability to issue additional bonds. Table B2 presents a history of the District’s assessed valuation. Historically, assessed value has increased with some minimal periods of decline. During the early to late 2000s, the District experienced assessed value growth ranging from approximately 9 to 14 percent annually. This coincided with a period of strong

economic performance statewide. Conversely, as the economy contracted during the Great Recession, the District’s assessed valuation experienced periods of contraction in FY 2010 through FY 2012. Overall, assessed valuation growth averaged 5.1 percent annually over the last 20 years. Most recently, over the last 5-year period, the annual assessed valuation growth rate has averaged 4.6 percent. While annual assessed valuation growth has slowed compared to the mid-2000s, it may indicate a more sustainable pace of economic expansion within the District.

Table B2: Historic District Total Assessed Valuation

Assessed Valuations		
FYE	Total	% Change
2003	\$5,963,113,197	9.28%
2004	\$6,635,172,071	11.27%

2021	\$14,639,854,133	4.10%
2022	\$15,163,509,508	3.58%
2023	\$16,040,644,236	5.78%
5-Year Average		4.59%
10-Year Average		4.61%
20-Year Average		5.07%

Education Code 15102 limits the amount of outstanding principal bonded indebtedness a school district may have outstanding when considering the sale of additional G.O. bonds. For an elementary school district, bonded indebtedness cannot exceed 1.25 percent of the District’s total assessed valuation at the time bonds are to be sold. The bond limit may be exceeded by obtaining a waiver from the State.

Recently in May 2023, the State approved the District’s request for a Debt Limit Waiver, enabling the District to issue bonds up to 2.14 percent of the District’s total assessed valuation. As calculated in Table 12, using the District’s current total assessed value and effective debt limit, the District has a gross bonding capacity of approximately \$343.2 million. Table B3 indicates that the District had approximately \$340 million in total outstanding G.O. bonded indebtedness as of 2022-23, resulting in a current net bonding

capacity of approximately \$3.2 million. Overall, the District is currently utilizing 169.60 percent of its statutory bonding capacity.

Table B3: District’s Bonding Capacity

Fiscal Year 2022-23	
ASSESSED VALUATION	
Secured Assessed Valuation	\$15,214,314,339
Unsecured Assessed Valuation	\$826,329,897
DEBT LIMITATION	
Total Assessed Valuation	\$16,040,644,236
Applicable Bond Debt Limit with Waiver *	2.14%
Bonding Capacity	\$343,269,787
Outstanding Bonded Indebtedness	\$340,058,815
NET BONDING CAPACITY	\$3,210,972
% of Capacity Current Used	99.06%
<i>* 2023 Waiver</i>	
HARDSHIP ANALYSIS	
Hardship Requirement	60.00%
Statutory Bonding Capacity (1.25% AV)	\$200,508,053
Outstanding Bonded Indebtedness	\$340,058,815
% of Statutory Bonding Capacity Utilized	169.60%

Additional bonding capacity requires an increase in the assessed valuation of the District over time and/or the repayment outstanding principal. The District may also elect to pursue authorization from the State Board of Education for a waiver to increase its bonding capacity as it has successfully obtained in the past.

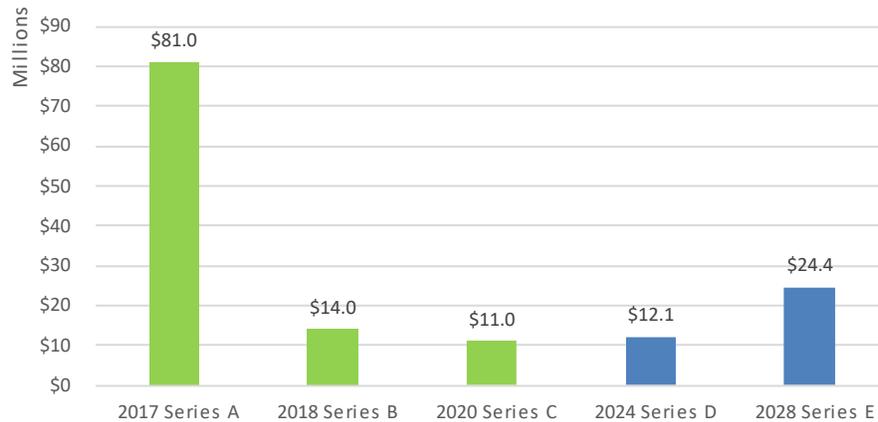

B.1.2.1 ADDITIONAL G.O. BOND SALES – 2016 ELECTION

The availability of future bond funds is dependent on the District’s assessed valuation growth to accommodate the Prop. 39 tax rate allowance of \$30 per \$100,000 of assessed value for elementary school districts in California. Based on Prop. 39, under which Measure “D” was held, the District is legally permitted to sell bonds up to the amount authorized by voters, so long as the bonds may be reasonably supported by a maximum tax rate per year of \$30 per every \$100,000 of assessed property value. The tax rate to repay the outstanding Measure D bonds commenced in fiscal year 2018-19; for the current fiscal year 2022-23, the County is levying a rate of \$27.10 per \$100,000 of assessed property value.

Figure B3 presents the amount of bonds issued to date and the amount that may be issued in the future assuming certain conditions. First, it is assumed that assessed value will continue to grow at approximately 87 percent of its last five-year average rate, or 4 percent per year. It also assumes that the repayment of any new bonds to be sold will not exceed the \$30 per \$100,000 assessed valuation tax rate. Figure 5

illustrates the estimated timing and size of remaining bond issuances in support of the Master Construct Program. In total \$36.5 million in authorization remains from Measure “D” which may be issued as indicated over two bond sales.

Figure B3: Estimated Timing and Sizing of Future Measure “D” Bond Issuances

The availability of additional funds issued in 2020 Series C is credited to the District’s recent growth in assessed valuation and current interest rates for similarly rated California school districts. To access the bond proceeds and to conform to the Program’s constraints such as the \$30 tax rate, the District has utilized Capital Appreciation Bonds (CABs). CABs are bonds that may defer principal and interest repayments in order to better accommodate debt service repayment requirements and available tax revenues. As such, they tend to require a higher rate of interest for repayment. This may increase the overall cost of borrowing; however, the overall program has benefited from lower than expected interest rates and it is estimated based on current market conditions that the total repayment ratio for all Measure “D” bonds will be lower than the overall repayment ratio estimated to voters at the time of the election. It is estimated that the balance of the Measure “D” authorization will be issued over two future tranches currently scheduled for 2024 and 2028, subject to Board review and approval. The estimated amounts of \$12.1 million for the 2024 Series D issuance and \$24.4 million for the 2028 Series E issuance assume 4 percent average annual District assessed value growth moving forward. In addition, the average interest rate is assumed to be 4 percent, which is higher than the most recent 2020 Series C issuance. Bond terms are assumed to be 25 years and will likely utilize CABs. Actual bond proceeds from future issuances may differ from the estimates provided here and will depend on both District needs and market conditions at the time of sale. This analysis includes assessed values for 2022-23 as published by the County.

B.1.2.1 ADDITIONAL G.O. BOND SALES – 2022 ELECTION

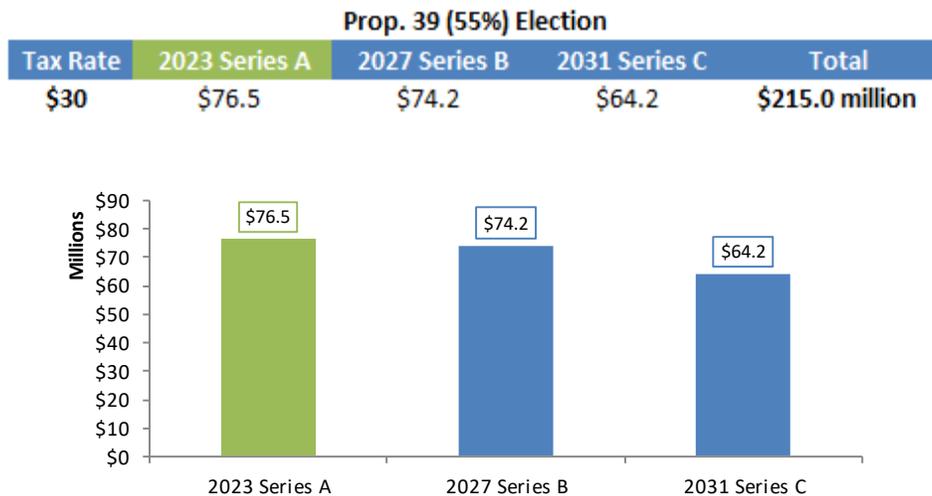

Proposition 39 authorizes school districts to issue new bonds upon a 55 percent affirmative vote by the local electorate in a regularly scheduled election. For an elementary school district, the maximum tax rate to be levied at the time bonds are sold must not exceed \$30 per \$100,000 of assessed value. In addition, districts must agree to be subject to certain conditions, including the establishment of a project list, an

independent citizens’ oversight committee, and annual performance and financial audits. The District has a history of conducting Proposition 39 elections and issuing bonds consistent with these requirements.

In November 2022, voters in the District approved and authorized a new general obligation bond program which was structured to meet the above requirements and mitigate the delay or future lack of State aid funding of proposed projects. Assuming that the District’s assessed valuation continues to grow at an annual average of 4.0 percent and that the District implements the maximum tax rate of \$30 per \$100,000 of assessed value allowed by Proposition 39 over a 30-year term for each bond sale, the District could generate approximately \$215 million in bond proceeds over a projected 8-year period based on current market conditions.

In March 2023, the District issued the first series of bonds from the 2022 Election authorization in the amount of approximately \$76.5 million. The size and timing of the remaining bond sales depend on the needs of the overall program and can be structured to allow projected assessed valuation growth between bond issuances so that required tax rates for bond repayments stay within the estimated Proposition 39 rate of \$30 per \$100,000 of assessed valuation. The issuance of additional bonds will require authorization from the State Board of Education for a waiver to increase its bonding capacity which the District has been successfully garnered in the past. The application for this waiver was submitted to the State Board of Education and was approved at its May 2023 meeting.

Figure B4: Estimated 2022 Election Bond Proceeds

OSD BOARD AGENDA ITEM

Name of Contributor: Dr. Natalia Torres

Date of Meeting: August 23, 2023

Agenda Section: Section C: Consent Agenda

Establishment of Positions (Torres/Fuentes)

A five-hour and forty-five minute 183-day Paraeducator-Special Education position number 9274 to be established at San Miguel School. This position will be established to update the Paraeducator III position to the new job description of Paraeducator-Special Education.

A five-hour and forty-five minute 183-day Paraeducator-Special Education position number 977 to be established at McAuliffe School. This position will be established to update the Paraeducator III position to the new job description of Paraeducator-Special Education.

An eight-hour 183-day Speech Language Pathology Assistant position number 11755 to be established in the Special Education Department. This position will be established to provide support for the Department.

An eight-hour 183-day Speech Language Pathology Assistant position number 11756 to be established in the Special Education Department. This position will be established to provide support for the Department.

FISCAL IMPACT:

Cost for 1 Paraeducator-Special Education: \$740.73 SPED funds.

Cost for 1 Paraeducator-Special Education: \$740.73 SPEC ED-Idea Basic Local Assist. funds

Cost for 2 Speech Language Pathology Assistants: \$164,528.10 SPED funds.

RECOMMENDATION:

It is the recommendation of the Assistant Superintendent of Human Resources and the Director of Classified Human Resources that the Board of Trustees approve the establishment of positions as presented.

Payment. District will pay Provider within 30 days after receipt of an invoice, in form and content acceptable to District, and reflecting charges for District approved costs and services performed by Provider and not previously invoiced.

Conditions. Provider will have no obligation to provide services until District returns a signed copy of this Agreement.

Nature of Relationship. The parties agree the relationship created by this Agreement is that of independent contractor. Provider understands and agrees that the Provider, officers, agents, or employees of Provider are not entitled to any benefits normally offered or conveyed to District employees, including but not limited to coverage under the California Workers' Compensation Insurance laws.

Binding Effect. This Agreement shall inure to the benefit and shall be binding upon all of the parties to this Agreement, and their respective successors in interest or assigns.

Termination or Amendment. This Agreement may be terminated or amended in writing at any time by mutual written consent of all of the parties to this Agreement, and may be terminated by either party for any reason by giving the other party 30 days advance written notice.

Compliance with Laws. Provider hereby agrees that Provider, and each of its officers, agents, and employees (each a "Provider Party") shall obey all local, state, and federal laws and regulations in the performance of this Agreement, including but not limited to each of the following laws and regulations, as and if applicable:

- Provider shall be responsible for the safety of its employees and shall comply with California Code of Regulations Title 8, section 3205, COVID-19 Prevention.

- Provider shall ensure that each Provider Party who is on-site supporting school functions is compliant with all the following laws, if and as applicable:
 - o Fingerprinting / criminal background investigations (see paragraph titled “Fingerprinting, below);
 - o Public Health Department Orders and Guidance or other related mandates related to COVID-19, so long as such Orders and Guidance are in effect during the Term of this Agreement;
 - o Tuberculosis Clearance (Education Code § 49406)

Non-Discrimination and Equal Employment Opportunity. Provider represents and agrees that it does not and shall not discriminate against any employee or applicant for employment, company, individual or group of individuals, because of ancestry, age, color, disability (physical and mental, including HIV and AIDS), genetic information, gender identity, gender expression, marital status, medical condition, military or veteran status, national origin, race, religion, sex/gender, and sexual orientation.

Confidentiality. Provider agrees to maintain the confidentiality of all District and District-related data, information, and records including but not limited to student identifiable information and employee personnel information pursuant to all California and Federal statutory laws relating to privacy, confidentiality, and information security including but not limited to California Education Code sections 49060 – 49085 and the Family Educational Rights and Privacy Act (FERPA), that currently exist or exist at any time during the term of this Agreement. All such records and information shall be considered confidential and kept confidential by Provider and Provider’s officers, agents, employees, participants, vendors, or customers.

Fingerprinting. Provider shall ensure that Provider and any employee who interacts with students, outside of the immediate supervision and control of the student’s parent or guardian or a school employee, has a current valid criminal records summary as described in California *Education Code* section 44237. If any services will be provided on-site, or through an app or other electronic method that might allow any interaction between any student and Provider shall, prior to commencing any service hereunder, provide the District a Fingerprinting/ Criminal Background Check investigation Certificate, in form and substance satisfactory to the District. While this Agreement is in effect, Provider shall immediately provide any arrest and conviction information it receives concerning any person providing Services hereunder to the District.

Indemnification. To the fullest extent permitted by law, Provider agrees to defend, indemnify, and hold harmless District, its governing board, officers, administrators, managers, agents, employees, successors, assigns, independent contractors and/or volunteers from and against any and all claims, demands, monetary or other losses, loss of use, damages and expenses, including but not limited to, reasonable legal fees and costs, or other obligations or claims arising out of any liability or damage to person or property resulting from bodily injury, illness, communicable disease, virus, pandemic, or any other loss, sustained or claimed to have been sustained arising out of activities of the Provider or those of any of its officers, agents, employees, participants, vendors, or customers of Provider, whether such act or omission is authorized by this Agreement or not. Provider also agrees to pay for any and all damage to the real and personal property of the District, or loss or theft of such property, or damage to the Property done or caused by such persons. District assumes no responsibility whatsoever for any property placed on District premises by Provider, Provider’s agents, employees, participants, vendors, or customers. The provisions of this Indemnification do not apply to any damage or losses caused solely by the intentional misconduct of the District or any of its governing board, officers, administrators, managers, agents, employees and/or volunteers.

This Indemnification shall survive termination of this Agreement, for any reason whatsoever, and binds each party’s legal representatives, successors, and assigns.

Insurance. Provider, at its own cost and expense, shall procure and maintain during the term of this Agreement, policies of insurance for the following types of coverage:

- a. Commercial General Liability Insurance. Provider shall procure and maintain, during the term of this Agreement, not less than the following General Liability Insurance coverage in the amounts of \$1,000,000 per occurrence and \$2,000,000 aggregate.

Commercial General Liability insurance shall include products/completed operations, property damage, and personal and advertising injury coverage.

- b. Automobile Liability. Provider shall procure and maintain, during the full term of this Agreement following Automobile Liability Insurance including non-owned and leased automobiles, as applicable with the following coverage limits:

Personal vehicles:	\$500,000.00 combined single limit or \$100,000.00 per person / \$300,000.00 per accident
Commercial vehicles:	\$1,000,000.00 per accident for bodily injury and property damage

- c. Workers' Compensation Insurance. Provider shall procure and maintain, during the term of this Agreement, Workers' Compensation Insurance, as required by California law, on all of its employees engaged in work related to the performance of this Agreement. Provider shall procure and maintain Employers' Liability insurance coverage of \$1,000,000. Absent proof of Workers' Compensation Insurance, Provider will submit a fully executed Certification of Exemption from Workers' Compensation Insurance, which District in its sole discretion may accept or reject.
- d. Other Coverage as Dictated by the District. If any employee of Provider interacts with students, outside of the immediate supervision and control of the student's parent or guardian or a certificated school employee, Provider shall procure and maintain, during the term of this Agreement, Abuse and Molestation coverage in the amounts of \$2,000,000 per occurrence and \$4,000,000 aggregate.

If professional services are offered, Provider shall procure and maintain, during the term of this Agreement, Professional Liability (Errors and Omissions) insurance coverage in the amounts of \$1,000,000 per occurrence and \$2,000,000 aggregate.
- e. Provider's insurance is primary and will not seek contribution from any other insurance available to the District. Provider further hereby waives any and all rights of subrogation that it may have against the District.
- f. Certificates of Insurance. Provider shall provide certificates of insurance to the District as evidence of the insurance coverage required herein, not less than 15 days prior to commencing the proposed activity, and at any other time upon the request of the District. Certificates of insurance will be deemed invalid if proper endorsements are not attached. Certificates of such insurance shall be filed with the District on or before commencement of the services under this Agreement.
- g. Endorsements. Provider's Commercial General Liability insurance and Commercial Automobile Liability coverage and Abuse and Molestation coverage shall name the District, its governing board, officers, agents, employees, and/or volunteers as additional insureds. All endorsements specifying additional insureds for any of the Insurance Policies shall be as indicated below or an equivalent endorsement reasonably acceptable to the District.
 - 1) General Liability: CG 20 26 10 01
 - 2) Primary, non-contributory: CG 20 01 04 13
 - 3) Waiver of subrogation: CG 24 04 05 09
 - 4) Commercial Automobile Liability: CA 20 48 10 13
- h. Acceptability of Insurers. Insurance is to be placed with insurers with a current A.M. Best's rating of no less than A: VII, unless otherwise acceptable to the District.
- i. Insurance written on a "claims made" basis is to be renewed by the Provider for a period of three (3) years following termination of this Agreement. Such insurance must have the same coverage and limits as the policy that was in effect during the term of this agreement and will cover the Provider for all claims made. If coverage is canceled or non-renewed, and not replaced with another claims-made policy form with a Retroactive Date prior to the contract effective date, the Consultant must purchase "extended reporting" coverage for a minimum of three (3) years after completion of the Services.
- j. Failure to Procure Insurance. Failure on the part of Provider to procure or maintain required insurance shall constitute a material breach of contract under which the District may immediately terminate this Agreement

Governing Law and Venues. This Agreement shall be interpreted in accordance with the laws of the State of California. If any action is brought to interpret or enforce any term of this Agreement, the action shall be brought in state or federal court situated in the County of Ventura, State of California.

Dispute Resolution. If any dispute arises out of or in connection with the Agreement, representatives of the Parties with authority to settle the dispute shall communicate, in person, electronically, or in writing within 30 days of written notice, in a good faith effort to resolve the dispute.

The parties agree that, in the event of any unresolved dispute under the agreement in which the amount sought is \$5,000.00 or less, any litigation to resolve the dispute shall be brought in the Ventura County Small Claims Court.

If the unresolved amount in dispute exceeds \$5,000.00, the parties agree that they will first submit the matter to a mutually agreed upon mediator. Notwithstanding the following section, Attorneys Fees, the cost of the mediator shall be borne equally by the parties.

Attorney Fees. In the event of any action or proceeding to interpret or enforce the terms of this Agreement, the prevailing party, as determined by the court or mediator, shall be entitled to recover its reasonable attorney fees and costs incurred in connection with such actions or proceeding.

Nature of Agreement. This Agreement represents the entire agreement between the parties hereto with respect to the subject matter hereof and supersedes any and all other agreements and communications however characterized, written or oral, between or on behalf of the parties hereto with respect to the subject matter hereof. This Agreement may only be modified by a written instrument signed by authorized representatives of each of the parties hereto.

Counterpart Execution. This Agreement may be executed in any number of counterparts which, when taken together, shall constitute one and the same instrument. Executed counterparts of this Agreement may be delivered by PDF email or electronic facsimile transmission and shall have the same legal effect as an “ink-signed” original.

Signature Authority. Provider represents and warrants that Provider has all requisite power and authority to conduct its business and to execute, deliver, and perform this Agreement.

OSD BOARD AGENDA ITEM

Name of Contributor: Dr. Anabolena DeGenna

Date of Meeting: August 23, 2023

Agenda Section: Section C: Support Services Agreement

Approval of Agreement #23-84, California Association for Bilingual Education (DeGenna/Fox/Ruvalcaba)

California Association for Bilingual Education (CABE) will partner with Oxnard School District to help support Plaza Comunitaria, an adult Spanish literacy program (primary and secondary). Classes will be offered either in person or online. These classes will be taught by district personnel (ORC's) trained by CABE. The goal is for parent participants to obtain a diploma from the Mexican education system.

Other activities include access to new information and communication technologies (computer, internet, email) to develop reading, writing, communication, logical reasoning, and the information needed for participants to find employment.

Term of Agreement: October 1, 2023 through June 30, 2024

FISCAL IMPACT:

Not to exceed \$12,000.00 – Title III

RECOMMENDATION:

It is the recommendation of the Manager, Equity, Family & Community Engagement, the Executive Director, Teaching and Learning, and the Interim Superintendent that the Board of Trustees approve Agreement #23-84 with California Association for Bilingual Education.

Indemnification. To the fullest extent permitted by law, Provider agrees to defend, indemnify, and hold harmless District, its governing board, officers, administrators, managers, agents, employees, successors, assigns, independent contractors and/or volunteers from and against any and all claims, demands, monetary or other losses, loss of use, damages and expenses, including but not limited to, reasonable legal fees and costs, or other obligations or claims arising out of any liability or damage to person or property resulting from bodily injury, illness, communicable disease, virus, pandemic, or any other loss, sustained or claimed to have been sustained arising out of activities of the Provider or those of any of its officers, agents, employees, participants, vendors, or customers of Provider, whether such act or omission is authorized by this Agreement or not. Provider also agrees to pay for any and all damage to the real and personal property of the District, or loss or theft of such property, or damage to the Property done or caused by such persons. District assumes no responsibility whatsoever for any property placed on District premises by Provider, Provider’s agents, employees, participants, vendors, or customers. The provisions of this Indemnification do not apply to any damage or losses caused solely by the intentional misconduct of the District or any of its governing board, officers, administrators, managers, agents, employees and/or volunteers.

This Indemnification shall survive termination of this Agreement, for any reason whatsoever, and binds each party’s legal representatives, successors, and assigns.

Insurance. Provider, at its own cost and expense, shall procure and maintain during the term of this Agreement, policies of insurance for the following types of coverage:

- a. Commercial General Liability Insurance. Provider shall procure and maintain, during the term of this Agreement, not less than the following General Liability Insurance coverage in the amounts of \$1,000,000 per occurrence and \$2,000,000 aggregate.

Commercial General Liability insurance shall include products/completed operations, property damage, and personal and advertising injury coverage.

- b. Automobile Liability. Provider shall procure and maintain, during the full term of this Agreement following Automobile Liability Insurance including non-owned and leased automobiles, as applicable with the following coverage limits:

Personal vehicles:	\$500,000.00 combined single limit or \$100,000.00 per person / \$300,000.00 per accident
Commercial vehicles:	\$1,000,000.00 per accident for bodily injury and property damage

- c. Workers' Compensation Insurance. Provider shall procure and maintain, during the term of this Agreement, Workers' Compensation Insurance, as required by California law, on all of its employees engaged in work related to the performance of this Agreement. Provider shall procure and maintain Employers' Liability insurance coverage of \$1,000,000. Absent proof of Workers' Compensation Insurance, Provider will submit a fully executed Certification of Exemption from Workers' Compensation Insurance, which District in its sole discretion may accept or reject.
- d. Other Coverage as Dictated by the District. If any employee of Provider interacts with students, outside of the immediate supervision and control of the student's parent or guardian or a certificated school employee, Provider shall procure and maintain, during the term of this Agreement, Abuse and Molestation coverage in the amounts of \$2,000,000 per occurrence and \$4,000,000 aggregate.

If professional services are offered, Provider shall procure and maintain, during the term of this Agreement, Professional Liability (Errors and Omissions) insurance coverage in the amounts of \$1,000,000 per occurrence and \$2,000,000 aggregate.
- e. Provider's insurance is primary and will not seek contribution from any other insurance available to the District. Provider further hereby waives any and all rights of subrogation that it may have against the District.
- f. Certificates of Insurance. Provider shall provide certificates of insurance to the District as evidence of the insurance coverage required herein, not less than 15 days prior to commencing the proposed activity, and at any other time upon the request of the District. Certificates of insurance will be deemed invalid if proper endorsements are not attached. Certificates of such insurance shall be filed with the District on or before commencement of the services under this Agreement.
- g. Endorsements. Provider's Commercial General Liability insurance and Commercial Automobile Liability coverage and Abuse and Molestation coverage shall name the District, its governing board, officers, agents, employees, and/or volunteers as additional insureds. All endorsements specifying additional insureds for any of the Insurance Policies shall be as indicated below or an equivalent endorsement reasonably acceptable to the District.
 - 1) General Liability: CG 20 26 10 01
 - 2) Primary, non-contributory: CG 20 01 04 13
 - 3) Waiver of subrogation: CG 24 04 05 09
 - 4) Commercial Automobile Liability: CA 20 48 10 13
- h. Acceptability of Insurers. Insurance is to be placed with insurers with a current A.M. Best's rating of no less than A: VII, unless otherwise acceptable to the District.
- i. Insurance written on a "claims made" basis is to be renewed by the Provider for a period of three (3) years following termination of this Agreement. Such insurance must have the same coverage and limits as the policy that was in effect during the term of this agreement and will cover the Provider for all claims made. If coverage is canceled or non-renewed, and not replaced with another claims-made policy form with a Retroactive Date prior to the contract effective date, the Consultant must purchase "extended reporting" coverage for a minimum of three (3) years after completion of the Services.
- j. Failure to Procure Insurance. Failure on the part of Provider to procure or maintain required insurance shall constitute a material breach of contract under which the District may immediately terminate this Agreement

Governing Law and Venues. This Agreement shall be interpreted in accordance with the laws of the State of California. If any action is brought to interpret or enforce any term of this Agreement, the action shall be brought in state or federal court situated in the County of Ventura, State of California.

Dispute Resolution. If any dispute arises out of or in connection with the Agreement, representatives of the Parties with authority to settle the dispute shall communicate, in person, electronically, or in writing within 30 days of written notice, in a good faith effort to resolve the dispute.

The parties agree that, in the event of any unresolved dispute under the agreement in which the amount sought is \$5,000.00 or less, any litigation to resolve the dispute shall be brought in the Ventura County Small Claims Court.

If the unresolved amount in dispute exceeds \$5,000.00, the parties agree that they will first submit the matter to a mutually agreed upon mediator. Notwithstanding the following section, Attorneys Fees, the cost of the mediator shall be borne equally by the parties.

Attorney Fees. In the event of any action or proceeding to interpret or enforce the terms of this Agreement, the prevailing party, as determined by the court or mediator, shall be entitled to recover its reasonable attorney fees and costs incurred in connection with such actions or proceeding.

Nature of Agreement. This Agreement represents the entire agreement between the parties hereto with respect to the subject matter hereof and supersedes any and all other agreements and communications however characterized, written or oral, between or on behalf of the parties hereto with respect to the subject matter hereof. This Agreement may only be modified by a written instrument signed by authorized representatives of each of the parties hereto.

Counterpart Execution. This Agreement may be executed in any number of counterparts which, when taken together, shall constitute one and the same instrument. Executed counterparts of this Agreement may be delivered by PDF email or electronic facsimile transmission and shall have the same legal effect as an “ink-signed” original.

Signature Authority. Provider represents and warrants that Provider has all requisite power and authority to conduct its business and to execute, deliver, and perform this Agreement.

Proposal Oxnard School District-Plaza Comunitaria

August 1, 2023

CABE welcomes the opportunity to continue the partnership with Oxnard School District to help support District Plaza Comunitaria. CABE is proud to be in partnership with Plaza Comunitaria and INEA to support to the ongoing adult education and literacy of Spanish-speaking immigrants. The program includes the following services:

Basic education (literacy, primary and secondary) for youth and adults in educational remediation, both in classrooms and online with goal of facilitating participants in beginning and finishing their studies and receiving a diploma from the Mexican Education System.

Access to new information and communication technologies for the development of reading, writing, communication, logical reasoning, and the information needed for participants to find employment. User support in activities related to computer use, Internet, and email.

Proposal:

California Association for Bilingual Education (CABE) proposes the following services.

- Assign Gricelda Perez, Plaza Comunitaria Specialist, to work in collaboration with the Oxnard School District Plaza Comunitaria program staff and participants on curriculum, tutoring, organization, and technical set up.
- Conduct a 2-day Trainer of Trainers (Maximum of 5 hrs. total) with Oxnard School District Assigned Plaza Instructors.
- CABE will administer all evaluations and administrative paperwork that needs to be processed and submitted to Mexico.
- Gricelda Perez is available to provide support via video call or conference call for a total of up to 10 hours a month during the period of services from September 2023 – June 2024.

CABE Specialist training fees and support	\$12,000
Grand total:	\$12,000

The cost for **Plazas Comunitaria** for the **2023-24** school year is **\$12,000**. CABE’s Project Contract Coordinator **Maria Valencia** will invoice **Oxnard SD** by **May 1, 2024**, for all delivered and scheduled dates through June 30, 2024. Checks will be made payable to the California Association for Bilingual Education. The work for this project will be scheduled upon acceptance of this proposal, and a signed district contract is issued to CABE.

OSD BOARD AGENDA ITEM

Name of Contributor: Dr. Anabolena DeGenna

Date of Meeting: August 23, 2023

Agenda Section: Section C: Enrichment Agreement

Approval of Agreement #23-87, Dr. David Garcia (DeGenna/Fox/Ruvalcaba)

Dr. David Garcia is an Associate Professor at UCLA School of Education and Information Studies and the author of the award-winning book *Strategies of Segregation: Race, Residency, and the Struggle for Educational Equality*. Dr. Garcia will provide two 2-hour workshops – September 21, 2023 & December 7, 2023 - around learning and teaching local history to better understand the communities we serve and will engage participants in developing a local history project/unit that can be implemented with students and/or families. Participants will also receive a copy of Dr. Garcia's book.

FISCAL IMPACT:

Not to exceed \$12,000.00 – Educator Effectiveness Funds

RECOMMENDATION:

It is the recommendation of the Manager, Equity, Family & Community Engagement, the Executive Director, Teaching and Learning, and the Interim Superintendent, that the Board of Trustees approve Agreement #23-87 with Dr. David Garcia.

Conditions. Provider will have no obligation to provide services until District returns a signed copy of this Agreement.

Nature of Relationship. The parties agree the relationship created by this Agreement is that of independent contractor. Provider understands and agrees that the Provider, officers, agents, or employees of Provider are not entitled to any benefits normally offered or conveyed to District employees, including but not limited to coverage under the California Workers' Compensation Insurance laws.

Binding Effect. This Agreement shall inure to the benefit and shall be binding upon all of the parties to this Agreement, and their respective successors in interest or assigns.

Termination or Amendment. This Agreement may be terminated or amended in writing at any time by mutual written consent of all of the parties to this Agreement, and may be terminated by either party for any reason by giving the other party 30 days advance written notice.

Compliance with Laws. Provider hereby agrees that Provider, and each of its officers, agents, and employees (each a "Provider Party") shall obey all local, state, and federal laws and regulations in the performance of this Agreement, including but not limited to each of the following laws and regulations, as and if applicable:

- Provider shall be responsible for the safety of its employees and shall comply with California Code of Regulations Title 8, section 3205, COVID-19 Prevention.

- Provider shall ensure that each Provider Party who is on-site supporting school functions is compliant with all the following laws, if and as applicable:
 - o Fingerprinting / criminal background investigations (see paragraph titled “Fingerprinting, below);
 - o Public Health Department Orders and Guidance or other related mandates related to COVID-19, so long as such Orders and Guidance are in effect during the Term of this Agreement;
 - o Tuberculosis Clearance (Education Code § 49406)

Non-Discrimination and Equal Employment Opportunity. Provider represents and agrees that it does not and shall not discriminate against any employee or applicant for employment, company, individual or group of individuals, because of ancestry, age, color, disability (physical and mental, including HIV and AIDS), genetic information, gender identity, gender expression, marital status, medical condition, military or veteran status, national origin, race, religion, sex/gender, and sexual orientation.

Confidentiality. Provider agrees to maintain the confidentiality of all District and District-related data, information, and records including but not limited to student identifiable information and employee personnel information pursuant to all California and Federal statutory laws relating to privacy, confidentiality, and information security including but not limited to California Education Code sections 49060 – 49085 and the Family Educational Rights and Privacy Act (FERPA), that currently exist or exist at any time during the term of this Agreement. All such records and information shall be considered confidential and kept confidential by Provider and Provider’s officers, agents, employees, participants, vendors, or customers.

Fingerprinting. Provider shall ensure that Provider and any employee who interacts with students, outside of the immediate supervision and control of the student’s parent or guardian or a school employee, has a current valid criminal records summary as described in California *Education Code* section 44237. If any services will be provided on-site, or through an app or other electronic method that might allow any interaction between any student and Provider shall, prior to commencing any service hereunder, provide the District a Fingerprinting/ Criminal Background Check investigation Certificate, in form and substance satisfactory to the District. While this Agreement is in effect, Provider shall immediately provide any arrest and conviction information it receives concerning any person providing Services hereunder to the District.

Indemnification. To the fullest extent permitted by law, Provider agrees to defend, indemnify, and hold harmless District, its governing board, officers, administrators, managers, agents, employees, successors, assigns, independent contractors and/or volunteers from and against any and all claims, demands, monetary or other losses, loss of use, damages and expenses, including but not limited to, reasonable legal fees and costs, or other obligations or claims arising out of any liability or damage to person or property resulting from bodily injury, illness, communicable disease, virus, pandemic, or any other loss, sustained or claimed to have been sustained arising out of activities of the Provider or those of any of its officers, agents, employees, participants, vendors, or customers of Provider, whether such act or omission is authorized by this Agreement or not. Provider also agrees to pay for any and all damage to the real and personal property of the District, or loss or theft of such property, or damage to the Property done or caused by such persons. District assumes no responsibility whatsoever for any property placed on District premises by Provider, Provider’s agents, employees, participants, vendors, or customers. The provisions of this Indemnification do not apply to any damage or losses caused solely by the intentional misconduct of the District or any of its governing board, officers, administrators, managers, agents, employees and/or volunteers.

This Indemnification shall survive termination of this Agreement, for any reason whatsoever, and binds each party’s legal representatives, successors, and assigns.

Insurance. Provider, at its own cost and expense, shall procure and maintain during the term of this Agreement, policies of insurance for the following types of coverage:

- a. Commercial General Liability Insurance. Provider shall procure and maintain, during the term of this Agreement, not less than the following General Liability Insurance coverage in the amounts of \$1,000,000 per occurrence and \$2,000,000 aggregate.

Commercial General Liability insurance shall include products/completed operations, property damage, and personal and advertising injury coverage.

- b. Automobile Liability. Provider shall procure and maintain, during the full term of this Agreement following Automobile Liability Insurance including non-owned and leased automobiles, as applicable with the following coverage limits:

Personal vehicles:	\$500,000.00 combined single limit or \$100,000.00 per person / \$300,000.00 per accident
Commercial vehicles:	\$1,000,000.00 per accident for bodily injury and property damage

- c. Workers' Compensation Insurance. Provider shall procure and maintain, during the term of this Agreement, Workers' Compensation Insurance, as required by California law, on all of its employees engaged in work related to the performance of this Agreement. Provider shall procure and maintain Employers' Liability insurance coverage of \$1,000,000. Absent proof of Workers' Compensation Insurance, Provider will submit a fully executed Certification of Exemption from Workers' Compensation Insurance, which District in its sole discretion may accept or reject.
- d. Other Coverage as Dictated by the District. If any employee of Provider interacts with students, outside of the immediate supervision and control of the student's parent or guardian or a certificated school employee, Provider shall procure and maintain, during the term of this Agreement, Abuse and Molestation coverage in the amounts of \$2,000,000 per occurrence and \$4,000,000 aggregate.

If professional services are offered, Provider shall procure and maintain, during the term of this Agreement, Professional Liability (Errors and Omissions) insurance coverage in the amounts of \$1,000,000 per occurrence and \$2,000,000 aggregate.
- e. Provider's insurance is primary and will not seek contribution from any other insurance available to the District. Provider further hereby waives any and all rights of subrogation that it may have against the District.
- f. Certificates of Insurance. Provider shall provide certificates of insurance to the District as evidence of the insurance coverage required herein, not less than 15 days prior to commencing the proposed activity, and at any other time upon the request of the District. Certificates of insurance will be deemed invalid if proper endorsements are not attached. Certificates of such insurance shall be filed with the District on or before commencement of the services under this Agreement.
- g. Endorsements. Provider's Commercial General Liability insurance and Commercial Automobile Liability coverage and Abuse and Molestation coverage shall name the District, its governing board, officers, agents, employees, and/or volunteers as additional insureds. All endorsements specifying additional insureds for any of the Insurance Policies shall be as indicated below or an equivalent endorsement reasonably acceptable to the District.
 - 1) General Liability: CG 20 26 10 01
 - 2) Primary, non-contributory: CG 20 01 04 13
 - 3) Waiver of subrogation: CG 24 04 05 09
 - 4) Commercial Automobile Liability: CA 20 48 10 13
- h. Acceptability of Insurers. Insurance is to be placed with insurers with a current A.M. Best's rating of no less than A: VII, unless otherwise acceptable to the District.
- i. Insurance written on a "claims made" basis is to be renewed by the Provider for a period of three (3) years following termination of this Agreement. Such insurance must have the same coverage and limits as the policy that was in effect during the term of this agreement and will cover the Provider for all claims made. If coverage is canceled or non-renewed, and not replaced with another claims-made policy form with a Retroactive Date prior to the contract effective date, the Consultant must purchase "extended reporting" coverage for a minimum of three (3) years after completion of the Services.
- j. Failure to Procure Insurance. Failure on the part of Provider to procure or maintain required insurance shall constitute a material breach of contract under which the District may immediately terminate this Agreement

Governing Law and Venues. This Agreement shall be interpreted in accordance with the laws of the State of California. If any action is brought to interpret or enforce any term of this Agreement, the action shall be brought in state or federal court situated in the County of Ventura, State of California.

Dispute Resolution. If any dispute arises out of or in connection with the Agreement, representatives of the Parties with authority to settle the dispute shall communicate, in person, electronically, or in writing within 30 days of written notice, in a good faith effort to resolve the dispute.

The parties agree that, in the event of any unresolved dispute under the agreement in which the amount sought is \$5,000.00 or less, any litigation to resolve the dispute shall be brought in the Ventura County Small Claims Court.

If the unresolved amount in dispute exceeds \$5,000.00, the parties agree that they will first submit the matter to a mutually agreed upon mediator. Notwithstanding the following section, Attorneys Fees, the cost of the mediator shall be borne equally by the parties.

Attorney Fees. In the event of any action or proceeding to interpret or enforce the terms of this Agreement, the prevailing party, as determined by the court or mediator, shall be entitled to recover its reasonable attorney fees and costs incurred in connection with such actions or proceeding.

Nature of Agreement. This Agreement represents the entire agreement between the parties hereto with respect to the subject matter hereof and supersedes any and all other agreements and communications however characterized, written or oral, between or on behalf of the parties hereto with respect to the subject matter hereof. This Agreement may only be modified by a written instrument signed by authorized representatives of each of the parties hereto.

Counterpart Execution. This Agreement may be executed in any number of counterparts which, when taken together, shall constitute one and the same instrument. Executed counterparts of this Agreement may be delivered by PDF email or electronic facsimile transmission and shall have the same legal effect as an “ink-signed” original.

Signature Authority. Provider represents and warrants that Provider has all requisite power and authority to conduct its business and to execute, deliver, and perform this Agreement.

To: Teresa Ruvalcaba, Manager
Equity, Family and Community Engagement
Oxnard Elementary School District

From: David G. García, Ph.D.
Associate Professor
School of Education and Information Studies
Affiliate, Department of History
University of California, Los Angeles

RE: Proposal for Two Professional Development Workshops for the Oxnard Elementary School District. The workshops will take place in person on September 21, 2023, and December 07, 2023 from 3:30-5:30pm.

Title: Strategies of Segregation: Learning and Teaching Local History to Better Understand the Communities We Aim to Serve

These professional development workshops will be in two parts and aimed for participants interested in fostering a critical historical perspective of the communities we aim to serve. The second workshop will culminate in the creation of a local history-based project that can be implemented in a class or program.

The workshops are lead by Dr. David G. García, an associate professor at the UCLA School of Education and Information Studies and author of the award-winning book *Strategies of Segregation: Race, Residence, and the Struggle for Educational Equality* (University of California Press, 2018). He is a first generation college student who attended Oxnard School District schools and transferred from Oxnard College to UCLA, where he earned a B.A., M.A., and a Ph.D. in U.S. History. He has extensive teaching experience including in programs of Migrant Education, Upward Bound, and K-12 dual immersion classrooms. His research and teaching analyze Chicana/o *teatro* (theater) as public revisionist history, the pedagogy of Hollywood's urban school genre, and Chicana/o educational histories.

In preparation for the first presentation/workshop, participants will read *Strategies of Segregation*.

First Workshop (2 hours, September 23, 2023): This interactive presentation will include a powerpoint presentation about my book emphasizing the methods and findings of research spanning 75 years of Oxnard educational history, a visual exhibit of the images that were uncovered in researching the book, a “book-club” dialogue, and brainstorming about how we might implement the book in our work in OSD. *Strategies of Segregation* documents the long history of racially separate housing and unequal schooling for Mexican American and African American communities in Oxnard, California.

Methods of Historical Recovery: I plan to engage participants in my process of researching and examining the archival materials which provide the historical evidence for the book's narrative, e.g. school board meeting minutes, residential property deeds, newspaper articles and oral interviews of former students and community members. These sources inform the four

strategies of segregation deployed concurrently over four decades of Oxnard's educational history, 1) establishing a racial hierarchy, 2) building a permanent link between residential and school segregation, 3) utilizing a school-within-a-school model of racial separation, and 4) omitting a rationale for segregation.

Emphasis on community action: This presentation will also highlight the action taken by community members to end racial segregation in Oxnard's schools including the filing of the 1970 Soria v. Oxnard Board of Trustee's case. Several of these archival sources are housed at the Oxnard School District archives where teachers may have access to view firsthand.

Interactive visual history exhibit and dialogue: Our workshop will provide time for participants to discuss the book and share their reflections, and to go through a walking exhibit of images from my research that went into the book.

Brainstorming of projects: We will then begin to brainstorm how the book might inform our work in OSD. I plan to share how undergraduate students at UCLA have presented the chapters of the book such as making crossword puzzles, creating a jeopardy game contest, and performing a monologue based on the oral account of one of the women in the book. I will also share how sixth grade students attending Haydock and their teacher were inspired by the book to change the name of their school. We will discuss ideas for engaging students to work with archival sources and conducting oral histories.

Participants will read a brief article prior to the second workshop, which details how I currently prepare my students to apply history methods in educational research. They will work in pairs, small groups, or individually to draft a plan for applying the book in their work. Their projects may take many forms, for example, identifying policies and practices that need to be altered, designing a parent/community program, creating standards-aligned curriculum based on the book (i.e. history of segregation, using oral accounts, studying newspaper coverage in Spanish and English, using historical pictures in their own classrooms).

Second Workshop (2 hours, December 07, 2023): Participants will bring and present their drafts of their projects or curricula based on the book. I will facilitate this workshop with a collaborative learning approach where we can all share our ideas about their projects and participants can receive constructive feedback toward implementation.

For this commitment I would ask consideration of an honorarium of \$12,000. Please note, per my contractual agreement with my Publisher and University, no audio or video recording permitted.

I am open to any suggestions or modifications you may have for the workshops and how to time them in a way that maximizes participation. Please feel free to contact me at, dggarcia@gseis.ucla.edu

Thank you for your consideration,
David G. García, Ph.D.

OSD BOARD AGENDA ITEM

Name of Contributor: Dr. Natalia Torres

Date of Meeting: August 23, 2023

Agenda Section: Section C: Support Services Agreement

Approval of Agreement #23-92 – Segale Consulting Services, LLC (Torres/Magana)

Segale Consulting Services, LLC will provide a 3-hour training regarding insurance coverage and procedures to help Oxnard School District staff better understand the various risks involved in contracts with vendors, suppliers, contractors, and the corresponding insurance coverages to protect the district against loss caused by the other contractual party.

Term of Agreement: August 24, 2023 through June 30, 2024

FISCAL IMPACT:

Not to exceed \$600.00 – Safety Credits

RECOMMENDATION:

It is recommended by the Risk Manager, and the Assistant Superintendent, Human Resources, that the Board of Trustees approve Agreement #23-92 with Segale Consulting Services, LLC.

ADDITIONAL MATERIALS:

Attached: [Agreement #23-92, Segale Consulting Services, LLC \(4 Pages\)](#)

Payment. District will pay Provider within 30 days after receipt of an invoice, in form and content acceptable to District, and reflecting charges for District approved costs and services performed by Provider and not previously invoiced.

Conditions. Provider will have no obligation to provide services until District returns a signed copy of this Agreement.

Nature of Relationship. The parties agree the relationship created by this Agreement is that of independent contractor. Provider understands and agrees that the Provider, officers, agents, or employees of Provider are not entitled to any benefits normally offered or conveyed to District employees, including but not limited to coverage under the California Workers' Compensation Insurance laws.

Binding Effect. This Agreement shall inure to the benefit and shall be binding upon all of the parties to this Agreement, and their respective successors in interest or assigns.

Termination or Amendment. This Agreement may be terminated or amended in writing at any time by mutual written consent of all of the parties to this Agreement, and may be terminated by either party for any reason by giving the other party 30 days advance written notice.

Compliance with Laws. Provider hereby agrees that Provider, and each of its officers, agents, and employees (each a "Provider Party") shall obey all local, state, and federal laws and regulations in the performance of this Agreement, including but not limited to each of the following laws and regulations, as and if applicable:

- Provider shall be responsible for the safety of its employees and shall comply with California Code of Regulations Title 8, section 3205, COVID-19 Prevention.

- Provider shall ensure that each Provider Party who is on-site supporting school functions is compliant with all the following laws, if and as applicable:
 - o Fingerprinting / criminal background investigations (see paragraph titled “Fingerprinting, below);
 - o Public Health Department Orders and Guidance or other related mandates related to COVID-19, so long as such Orders and Guidance are in effect during the Term of this Agreement;
 - o Tuberculosis Clearance (Education Code § 49406)

Non-Discrimination and Equal Employment Opportunity. Provider represents and agrees that it does not and shall not discriminate against any employee or applicant for employment, company, individual or group of individuals, because of ancestry, age, color, disability (physical and mental, including HIV and AIDS), genetic information, gender identity, gender expression, marital status, medical condition, military or veteran status, national origin, race, religion, sex/gender, and sexual orientation.

Confidentiality. Provider agrees to maintain the confidentiality of all District and District-related data, information, and records including but not limited to student identifiable information and employee personnel information pursuant to all California and Federal statutory laws relating to privacy, confidentiality, and information security including but not limited to California Education Code sections 49060 – 49085 and the Family Educational Rights and Privacy Act (FERPA), that currently exist or exist at any time during the term of this Agreement. All such records and information shall be considered confidential and kept confidential by Provider and Provider’s officers, agents, employees, participants, vendors, or customers.

Fingerprinting. Provider shall ensure that Provider and any employee who interacts with students, outside of the immediate supervision and control of the student’s parent or guardian or a school employee, has a current valid criminal records summary as described in California *Education Code* section 44237. If any services will be provided on-site, or through an app or other electronic method that might allow any interaction between any student and Provider shall, prior to commencing any service hereunder, provide the District a Fingerprinting/ Criminal Background Check investigation Certificate, in form and substance satisfactory to the District. While this Agreement is in effect, Provider shall immediately provide any arrest and conviction information it receives concerning any person providing Services hereunder to the District.

Indemnification. To the fullest extent permitted by law, Provider agrees to defend, indemnify, and hold harmless District, its governing board, officers, administrators, managers, agents, employees, successors, assigns, independent contractors and/or volunteers from and against any and all claims, demands, monetary or other losses, loss of use, damages and expenses, including but not limited to, reasonable legal fees and costs, or other obligations or claims arising out of any liability or damage to person or property resulting from bodily injury, illness, communicable disease, virus, pandemic, or any other loss, sustained or claimed to have been sustained arising out of activities of the Provider or those of any of its officers, agents, employees, participants, vendors, or customers of Provider, whether such act or omission is authorized by this Agreement or not. Provider also agrees to pay for any and all damage to the real and personal property of the District, or loss or theft of such property, or damage to the Property done or caused by such persons. District assumes no responsibility whatsoever for any property placed on District premises by Provider, Provider’s agents, employees, participants, vendors, or customers. The provisions of this Indemnification do not apply to any damage or losses caused solely by the intentional misconduct of the District or any of its governing board, officers, administrators, managers, agents, employees and/or volunteers.

This Indemnification shall survive termination of this Agreement, for any reason whatsoever, and binds each party’s legal representatives, successors, and assigns.

Insurance. Provider, at its own cost and expense, shall procure and maintain during the term of this Agreement, policies of insurance for the following types of coverage:

- a. Commercial General Liability Insurance. Provider shall procure and maintain, during the term of this Agreement, not less than the following General Liability Insurance coverage in the amounts of \$1,000,000 per occurrence and \$2,000,000 aggregate.

Commercial General Liability insurance shall include products/completed operations, property damage, and personal and advertising injury coverage.

- b. Automobile Liability. Provider shall procure and maintain, during the full term of this Agreement following Automobile Liability Insurance including non-owned and leased automobiles, as applicable with the following coverage limits:

Personal vehicles:	\$500,000.00 combined single limit or \$100,000.00 per person / \$300,000.00 per accident
Commercial vehicles:	\$1,000,000.00 per accident for bodily injury and property damage

- c. Workers' Compensation Insurance. Provider shall procure and maintain, during the term of this Agreement, Workers' Compensation Insurance, as required by California law, on all of its employees engaged in work related to the performance of this Agreement. Provider shall procure and maintain Employers' Liability insurance coverage of \$1,000,000. Absent proof of Workers' Compensation Insurance, Provider will submit a fully executed Certification of Exemption from Workers' Compensation Insurance, which District in its sole discretion may accept or reject.
- d. Other Coverage as Dictated by the District. If any employee of Provider interacts with students, outside of the immediate supervision and control of the student's parent or guardian or a certificated school employee, Provider shall procure and maintain, during the term of this Agreement, Abuse and Molestation coverage in the amounts of \$2,000,000 per occurrence and \$4,000,000 aggregate.

If professional services are offered, Provider shall procure and maintain, during the term of this Agreement, Professional Liability (Errors and Omissions) insurance coverage in the amounts of \$1,000,000 per occurrence and \$2,000,000 aggregate.
- e. Provider's insurance is primary and will not seek contribution from any other insurance available to the District. Provider further hereby waives any and all rights of subrogation that it may have against the District.
- f. Certificates of Insurance. Provider shall provide certificates of insurance to the District as evidence of the insurance coverage required herein, not less than 15 days prior to commencing the proposed activity, and at any other time upon the request of the District. Certificates of insurance will be deemed invalid if proper endorsements are not attached. Certificates of such insurance shall be filed with the District on or before commencement of the services under this Agreement.
- g. Endorsements. Provider's Commercial General Liability insurance and Commercial Automobile Liability coverage and Abuse and Molestation coverage shall name the District, its governing board, officers, agents, employees, and/or volunteers as additional insureds. All endorsements specifying additional insureds for any of the Insurance Policies shall be as indicated below or an equivalent endorsement reasonably acceptable to the District.
 - 1) General Liability: CG 20 26 10 01
 - 2) Primary, non-contributory: CG 20 01 04 13
 - 3) Waiver of subrogation: CG 24 04 05 09
 - 4) Commercial Automobile Liability: CA 20 48 10 13
- h. Acceptability of Insurers. Insurance is to be placed with insurers with a current A.M. Best's rating of no less than A: VII, unless otherwise acceptable to the District.
- i. Insurance written on a "claims made" basis is to be renewed by the Provider for a period of three (3) years following termination of this Agreement. Such insurance must have the same coverage and limits as the policy that was in effect during the term of this agreement and will cover the Provider for all claims made. If coverage is canceled or non-renewed, and not replaced with another claims-made policy form with a Retroactive Date prior to the contract effective date, the Consultant must purchase "extended reporting" coverage for a minimum of three (3) years after completion of the Services.
- j. Failure to Procure Insurance. Failure on the part of Provider to procure or maintain required insurance shall constitute a material breach of contract under which the District may immediately terminate this Agreement

Governing Law and Venues. This Agreement shall be interpreted in accordance with the laws of the State of California. If any action is brought to interpret or enforce any term of this Agreement, the action shall be brought in state or federal court situated in the County of Ventura, State of California.

Dispute Resolution. If any dispute arises out of or in connection with the Agreement, representatives of the Parties with authority to settle the dispute shall communicate, in person, electronically, or in writing within 30 days of written notice, in a good faith effort to resolve the dispute.

The parties agree that, in the event of any unresolved dispute under the agreement in which the amount sought is \$5,000.00 or less, any litigation to resolve the dispute shall be brought in the Ventura County Small Claims Court.

If the unresolved amount in dispute exceeds \$5,000.00, the parties agree that they will first submit the matter to a mutually agreed upon mediator. Notwithstanding the following section, Attorneys Fees, the cost of the mediator shall be borne equally by the parties.

Attorney Fees. In the event of any action or proceeding to interpret or enforce the terms of this Agreement, the prevailing party, as determined by the court or mediator, shall be entitled to recover its reasonable attorney fees and costs incurred in connection with such actions or proceeding.

Nature of Agreement. This Agreement represents the entire agreement between the parties hereto with respect to the subject matter hereof and supersedes any and all other agreements and communications however characterized, written or oral, between or on behalf of the parties hereto with respect to the subject matter hereof. This Agreement may only be modified by a written instrument signed by authorized representatives of each of the parties hereto.

Counterpart Execution. This Agreement may be executed in any number of counterparts which, when taken together, shall constitute one and the same instrument. Executed counterparts of this Agreement may be delivered by PDF email or electronic facsimile transmission and shall have the same legal effect as an “ink-signed” original.

Signature Authority. Provider represents and warrants that Provider has all requisite power and authority to conduct its business and to execute, deliver, and perform this Agreement.

**PROFESSIONAL SERVICES PROPOSAL
OXNARD SCHOOL DISTRICT**

Segale Consulting Services, LLC (“SCS”) provides professional education classes for businesses, public agencies and individuals engaged in the business of property and casualty insurance. **SCS** is proposing to provide a class for Oxnard School District (“**Client**”) in the subject matter of risk management regarding contracts and insurance requirements schools. **Inc. (Client)**. The specifics of this proposal are outlined. **Client** has determined that training regarding insurance coverages and procedures is appropriate to enable their staff to better understand the various risks involved in contracts with vendors, suppliers, contractors and the corresponding insurance coverages to protect the schools against loss caused by the other contractual party. In addition, the course will include a section on understanding Certificates of Liability insurance and the documents that should be requested in the contracts and received with the Certificate.

The training program has four essential areas of instruction:

- I. Risk Management and Contracts**
- II. Insurance Coverage Basics**
- III. Certificates of Insurance**
 - I. Insurance Coverage Basics**
 - A.** Understand the concept of risk and transfer of risk
 - B.** Become aware of the different types of policies that are commonly requested in contracts
 - C.** Understand insurance terminology and how that relates to contracts

Class Time: 3 Hours

Cost for Course I: \$600.00

All information and knowledge obtained by **SCS** through this engagement is treated as owned by **Client** and will be maintained in a strictly private and confidential manner in perpetuity by **SCS**. This will also be included in the engagement agreement.

Following this proposal is Exhibit A which contains my Curriculum Vitae for your Board's consideration.

Respectfully submitted:

INSURANCE BACKGROUND AND AGENCY EXPERIENCE

I first began my insurance career working for an independent agency in Northern California in 1973.

I formed my own independent insurance agency, Segale Insurance Services, in 1978 providing insurance services for both personal and commercial lines of insurance, the latter for many business classifications, such as retailers, restaurants, wholesalers, manufacturers, and contractors.

My specific responsibilities included:

- Company structure and growth
- Budget and finance
- Personnel and producer management
- Insurance company / wholesaler agreements and appointments
- Agency acquisitions
- Sales to both commercial and personal lines clients
- Mentoring sales production team

More than a decade and a half later, I sold my agency to a local Northern California broker.

LICENSING / DESIGNATIONS / AFFILIATIONS

I hold an active resident California Insurance Broker-Agent License, No. 0574182. I also hold a number of insurance industry designations:

- Certified School Risk Manager (CSRM)
- Registered Professional Liability Underwriter (RPLU)
- Certified Insurance Counselor (CIC)
- Agricultural and Farm Insurance Specialist (AFIS)
- Certified Agricultural Insurance Professional (CAIP)
- Certified Construction Insurance Program (CCIP)
- Construction Risk and Insurance Specialist (CRIS)
- Certified Insurance Specialist in Construction (CISC)
- Commercial Lines Insurance Certification (CLIC)
- Personal Lines Insurance Certification (PLIC)
- Workers Compensation Insurance Professional (WCIP)
- Accredited Customer Service Representative (ACSR)
- Certified Insurance Service Representative (CISR)

Many of these designations require continuing education on a regular basis in the subject matter to retain the designation. I attend not less than 20 hours of continuing education annually to maintain my insurance license as well as my accreditations.

In addition, over the decades, I have attended numerous insurance company-sponsored training classes, schools, and programs.

I have regularly taught insurance agents, brokers, risk managers, underwriters and claims professionals across the US and Canada on the technical language of insurance policies and industry best practices beginning more than 40 years ago for the Stockton Insurance Exchange, my local independent insurance agents' association, training agents, brokers and underwriters.

After selling my agency, I continued my education and training path with the Insurance Skills Center, a well-known education facility in California, and the National Alliance, a nationally recognized education organization in the insurance industry.

My specific responsibilities include:

- Research and develop curricula for technical training of insurance professionals
- Principal author and designer of curricula and testing for the Certified Insurance Specialist in Construction designation program owned and controlled by Insurance Skills Center, Inc.
- Principal author and designer of curricula for the Certified Construction Insurance Program owned and controlled by Insurance Community University, LLC.
- Served as National Faculty member of the Society of Certified Insurance Counselors and provided instruction on a wide variety of topics nationwide.

- Served on the advisory board for the Society of Certified Insurance Counselors on the Ruble Committee for the development of new curriculum.
- Served as curricula developer, advisor and lead instructor for the Society of Certified Insurance Counselors on “Analyzing Large Risk Insurance Programs”, taught throughout the United States.
- Served as curricula development, advisor and instructor for the Society of Certified Insurance Counselors on “Executive Risk Insurance”, taught throughout the United States.
- As the co-founder of the Insurance Community University, I currently develop curriculum, mentor the roster of instructors, and continue to provide web-based instruction in all lines of property and casualty insurance. In addition, I develop coverage-knowledge tests and exposure and coverage surveys in all lines of P & C insurance coverages and co-develop several designation programs.

RISK MANAGEMENT AND INSURANCE CONSULTANT

I formed Segale Consulting Services providing a wide variety of services to insurance buyers, insurance agents, brokers and insurance companies: My current roster of clients include large property investment companies, property management companies, general contractors, self-insured municipalities, large regional insurance brokerages, preferred insurance companies, self-insured school districts and other public agencies and non-profit organizations.

My specific responsibilities include:

- Identify and analyze risk exposures for insurance buyers, insurance brokers (for their clients) and self-insured pools.
- Perform insurance coverage reviews for business clients and self-insured pools.
- Write and continue to update a number of memoranda of coverages for several Joint Powers Authority schools for their self-insured coverage programs provided for their members.
- Perform self-insurance coverage reviews.
- Analyze insurance proposals received from client’s insurance broker.
- Write insurance coverage specifications for business clients.
- Review purchased insurance coverages for compliance with coverage specifications.
- Request changes to insurance coverages.
- Review compliance with contractual obligations to lenders.
- Review compliance of contractual obligations from vendors, service providers, lessees and contractors.
- Revise client’s leases and contracts as needed for appropriate risk transfer and insurance requirements.
- Review and report claims.
- Analyze risk for new acquisitions, operations, product lines and sales territories.
- Loss control and risk transfer guidance for insurance buyers.

- Audit insurance agencies and insurance companies for appropriate procedures and underwriting protocols.
- Provide assistant to insurance companies in creating new insurance products and establishing underwriting standards.

EXPERT WITNESS IN AGENTS AND BROKERS STANDARD OF CARE

I have served as a subject matter expert for more than 20 years in a wide range of cases involving the duties of insurance agents and brokers. Because of my background and experience in the insurance industry, I have been retained by both defendants and plaintiffs across these matters. I have experience in testifying at trial, testifying at deposition, and rendering written opinions on the standard of care owed by insurance producers, agents and brokers, commercial insurance production, and underwriting issues in Federal, California, Nevada, Arizona, Idaho, and Oklahoma courts. I have never not been qualified as an expert in my field.

OSD BOARD AGENDA ITEM

Name of Contributor: Dr. Natalia Torres

Date of Meeting: August 23, 2023

Agenda Section: Section C: Support Services Agreement

Approval of Agreement #23-95 – Strategos International LLC (Torres/Magana)

Strategos International LLC will design, develop, and implement a 4-hour Active Shooter Intruder Response Training for Oxnard School District on October 9-10, 2023. Training will include a PowerPoint lecture, walk-through, demonstrations, Q&A, and scenarios for up to 1,700 staff members.

This safety training intends to increase response capabilities and reduce anxiety for both staff and parents within the district.

FISCAL IMPACT:

Not to exceed \$70,550.00 – Safety Credits

RECOMMENDATION:

It is recommended by the Risk Manager, and the Assistant Superintendent, Human Resources, that the Board of Trustees approve Agreement #23-95 with Strategos International LLC.

ADDITIONAL MATERIALS:

Attached: [Agreement #23-95, Strategos International LLC \(4 Pages\)](#)

Payment. District will pay Provider within 30 days after receipt of an invoice, in form and content acceptable to District, and reflecting charges for District approved costs and services performed by Provider and not previously invoiced.

Conditions. Provider will have no obligation to provide services until District returns a signed copy of this Agreement.

Nature of Relationship. The parties agree the relationship created by this Agreement is that of independent contractor. Provider understands and agrees that the Provider, officers, agents, or employees of Provider are not entitled to any benefits normally offered or conveyed to District employees, including but not limited to coverage under the California Workers' Compensation Insurance laws.

Binding Effect. This Agreement shall inure to the benefit and shall be binding upon all of the parties to this Agreement, and their respective successors in interest or assigns.

Termination or Amendment. This Agreement may be terminated or amended in writing at any time by mutual written consent of all of the parties to this Agreement, and may be terminated by either party for any reason by giving the other party 30 days advance written notice.

Compliance with Laws. Provider hereby agrees that Provider, and each of its officers, agents, and employees (each a "Provider Party") shall obey all local, state, and federal laws and regulations in the performance of this Agreement, including but not limited to each of the following laws and regulations, as and if applicable:

- Provider shall be responsible for the safety of its employees and shall comply with California Code of Regulations Title 8, section 3205, COVID-19 Prevention.

- Provider shall ensure that each Provider Party who is on-site supporting school functions is compliant with all the following laws, if and as applicable:
 - o Fingerprinting / criminal background investigations (see paragraph titled “Fingerprinting, below);
 - o Public Health Department Orders and Guidance or other related mandates related to COVID-19, so long as such Orders and Guidance are in effect during the Term of this Agreement;
 - o Tuberculosis Clearance (Education Code § 49406)

Non-Discrimination and Equal Employment Opportunity. Provider represents and agrees that it does not and shall not discriminate against any employee or applicant for employment, company, individual or group of individuals, because of ancestry, age, color, disability (physical and mental, including HIV and AIDS), genetic information, gender identity, gender expression, marital status, medical condition, military or veteran status, national origin, race, religion, sex/gender, and sexual orientation.

Confidentiality. Provider agrees to maintain the confidentiality of all District and District-related data, information, and records including but not limited to student identifiable information and employee personnel information pursuant to all California and Federal statutory laws relating to privacy, confidentiality, and information security including but not limited to California Education Code sections 49060 – 49085 and the Family Educational Rights and Privacy Act (FERPA), that currently exist or exist at any time during the term of this Agreement. All such records and information shall be considered confidential and kept confidential by Provider and Provider’s officers, agents, employees, participants, vendors, or customers.

Fingerprinting. Provider shall ensure that Provider and any employee who interacts with students, outside of the immediate supervision and control of the student’s parent or guardian or a school employee, has a current valid criminal records summary as described in California *Education Code* section 44237. If any services will be provided on-site, or through an app or other electronic method that might allow any interaction between any student and Provider shall, prior to commencing any service hereunder, provide the District a Fingerprinting/ Criminal Background Check investigation Certificate, in form and substance satisfactory to the District. While this Agreement is in effect, Provider shall immediately provide any arrest and conviction information it receives concerning any person providing Services hereunder to the District.

Indemnification. To the fullest extent permitted by law, Provider agrees to defend, indemnify, and hold harmless District, its governing board, officers, administrators, managers, agents, employees, successors, assigns, independent contractors and/or volunteers from and against any and all claims, demands, monetary or other losses, loss of use, damages and expenses, including but not limited to, reasonable legal fees and costs, or other obligations or claims arising out of any liability or damage to person or property resulting from bodily injury, illness, communicable disease, virus, pandemic, or any other loss, sustained or claimed to have been sustained arising out of activities of the Provider or those of any of its officers, agents, employees, participants, vendors, or customers of Provider, whether such act or omission is authorized by this Agreement or not. Provider also agrees to pay for any and all damage to the real and personal property of the District, or loss or theft of such property, or damage to the Property done or caused by such persons. District assumes no responsibility whatsoever for any property placed on District premises by Provider, Provider’s agents, employees, participants, vendors, or customers. The provisions of this Indemnification do not apply to any damage or losses caused solely by the intentional misconduct of the District or any of its governing board, officers, administrators, managers, agents, employees and/or volunteers.

This Indemnification shall survive termination of this Agreement, for any reason whatsoever, and binds each party’s legal representatives, successors, and assigns.

Insurance. Provider, at its own cost and expense, shall procure and maintain during the term of this Agreement, policies of insurance for the following types of coverage:

- a. Commercial General Liability Insurance. Provider shall procure and maintain, during the term of this Agreement, not less than the following General Liability Insurance coverage in the amounts of \$1,000,000 per occurrence and \$2,000,000 aggregate.

Commercial General Liability insurance shall include products/completed operations, property damage, and personal and advertising injury coverage.

- b. Automobile Liability. Provider shall procure and maintain, during the full term of this Agreement following Automobile Liability Insurance including non-owned and leased automobiles, as applicable with the following coverage limits:

Personal vehicles:	\$500,000.00 combined single limit or \$100,000.00 per person / \$300,000.00 per accident
Commercial vehicles:	\$1,000,000.00 per accident for bodily injury and property damage

- c. Workers' Compensation Insurance. Provider shall procure and maintain, during the term of this Agreement, Workers' Compensation Insurance, as required by California law, on all of its employees engaged in work related to the performance of this Agreement. Provider shall procure and maintain Employers' Liability insurance coverage of \$1,000,000. Absent proof of Workers' Compensation Insurance, Provider will submit a fully executed Certification of Exemption from Workers' Compensation Insurance, which District in its sole discretion may accept or reject.
- d. Other Coverage as Dictated by the District. If any employee of Provider interacts with students, outside of the immediate supervision and control of the student's parent or guardian or a certificated school employee, Provider shall procure and maintain, during the term of this Agreement, Abuse and Molestation coverage in the amounts of \$2,000,000 per occurrence and \$4,000,000 aggregate.

If professional services are offered, Provider shall procure and maintain, during the term of this Agreement, Professional Liability (Errors and Omissions) insurance coverage in the amounts of \$1,000,000 per occurrence and \$2,000,000 aggregate.
- e. Provider's insurance is primary and will not seek contribution from any other insurance available to the District. Provider further hereby waives any and all rights of subrogation that it may have against the District.
- f. Certificates of Insurance. Provider shall provide certificates of insurance to the District as evidence of the insurance coverage required herein, not less than 15 days prior to commencing the proposed activity, and at any other time upon the request of the District. Certificates of insurance will be deemed invalid if proper endorsements are not attached. Certificates of such insurance shall be filed with the District on or before commencement of the services under this Agreement.
- g. Endorsements. Provider's Commercial General Liability insurance and Commercial Automobile Liability coverage and Abuse and Molestation coverage shall name the District, its governing board, officers, agents, employees, and/or volunteers as additional insureds. All endorsements specifying additional insureds for any of the Insurance Policies shall be as indicated below or an equivalent endorsement reasonably acceptable to the District.
 - 1) General Liability: CG 20 26 10 01
 - 2) Primary, non-contributory: CG 20 01 04 13
 - 3) Waiver of subrogation: CG 24 04 05 09
 - 4) Commercial Automobile Liability: CA 20 48 10 13
- h. Acceptability of Insurers. Insurance is to be placed with insurers with a current A.M. Best's rating of no less than A: VII, unless otherwise acceptable to the District.
- i. Insurance written on a "claims made" basis is to be renewed by the Provider for a period of three (3) years following termination of this Agreement. Such insurance must have the same coverage and limits as the policy that was in effect during the term of this agreement and will cover the Provider for all claims made. If coverage is canceled or non-renewed, and not replaced with another claims-made policy form with a Retroactive Date prior to the contract effective date, the Consultant must purchase "extended reporting" coverage for a minimum of three (3) years after completion of the Services.
- j. Failure to Procure Insurance. Failure on the part of Provider to procure or maintain required insurance shall constitute a material breach of contract under which the District may immediately terminate this Agreement

Governing Law and Venues. This Agreement shall be interpreted in accordance with the laws of the State of California. If any action is brought to interpret or enforce any term of this Agreement, the action shall be brought in state or federal court situated in the County of Ventura, State of California.

Dispute Resolution. If any dispute arises out of or in connection with the Agreement, representatives of the Parties with authority to settle the dispute shall communicate, in person, electronically, or in writing within 30 days of written notice, in a good faith effort to resolve the dispute.

The parties agree that, in the event of any unresolved dispute under the agreement in which the amount sought is \$5,000.00 or less, any litigation to resolve the dispute shall be brought in the Ventura County Small Claims Court.

If the unresolved amount in dispute exceeds \$5,000.00, the parties agree that they will first submit the matter to a mutually agreed upon mediator. Notwithstanding the following section, Attorneys Fees, the cost of the mediator shall be borne equally by the parties.

Attorney Fees. In the event of any action or proceeding to interpret or enforce the terms of this Agreement, the prevailing party, as determined by the court or mediator, shall be entitled to recover its reasonable attorney fees and costs incurred in connection with such actions or proceeding.

Nature of Agreement. This Agreement represents the entire agreement between the parties hereto with respect to the subject matter hereof and supersedes any and all other agreements and communications however characterized, written or oral, between or on behalf of the parties hereto with respect to the subject matter hereof. This Agreement may only be modified by a written instrument signed by authorized representatives of each of the parties hereto.

Counterpart Execution. This Agreement may be executed in any number of counterparts which, when taken together, shall constitute one and the same instrument. Executed counterparts of this Agreement may be delivered by PDF email or electronic facsimile transmission and shall have the same legal effect as an “ink-signed” original.

Signature Authority. Provider represents and warrants that Provider has all requisite power and authority to conduct its business and to execute, deliver, and perform this Agreement.

Acknowledgement and Agreement

Ms. Norma Magana

Thank you for the opportunity to serve your “*safety/security*” training and consulting needs by allowing Strategos International to be of service in providing a 2 Hour “Active Shooter Intruder Response Training” (ASIRT) for the Oxnard, CA School District on Oct. 9–10, 2023. We hope that you find the training useful for your staff in both increasing their response capabilities as well as reducing anxiety with both staff and parents within the district.

ASSUMPTIONS:

● **# of Participants & Training Schedule**

- Strategos will provide an appropriate number of instructors for the 2 Hour (8:00 – 3:30) “Active Shooter Intruder Response Training” for up to 1700 staff members.
- **The district’s investment for up to 1700 staff members will be \$41.50 per participant, for a total of \$70,550.** (All additional participants over the 1700 will be billed at \$41.50 per person.)
- The Strategos International instructors will arrive on Oct. 9th to set up and prepare for the training. We will conduct training at following: 21 Schools & District Office -Walkthroughs, demonstrations, Q&A, Scenarios
- The last 1-hour we will conduct multiple 3 ½ minute scenarios where the participants will have the opportunity to practice and reinforce what they have learned.
- Below is the tentative training schedule:
 - TBD: PowerPoint lecture for all participating staff members in venue that will hold all participants
 - TBD 21 Schools & District Office - Walkthroughs, demonstrations, Q&A, Scenarios

TERMS:

Net 30 after delivery of training.

SUMMARY:

We look forward to serving the Oxnard, CA School District and thank you for the opportunity to provide a proposed solution to your desired goals and objectives.

Sincerely,

Vaughn D. Baker

Indemnification. To the fullest extent permitted by law, Provider agrees to defend, indemnify, and hold harmless District, its governing board, officers, administrators, managers, agents, employees, successors, assigns, independent contractors and/or volunteers from and against any and all claims, demands, monetary or other losses, loss of use, damages and expenses, including but not limited to, reasonable legal fees and costs, or other obligations or claims arising out of any liability or damage to person or property resulting from bodily injury, illness, communicable disease, virus, pandemic, or any other loss, sustained or claimed to have been sustained arising out of activities of the Provider or those of any of its officers, agents, employees, participants, vendors, or customers of Provider, whether such act or omission is authorized by this Agreement or not. Provider also agrees to pay for any and all damage to the real and personal property of the District, or loss or theft of such property, or damage to the Property done or caused by such persons. District assumes no responsibility whatsoever for any property placed on District premises by Provider, Provider’s agents, employees, participants, vendors, or customers. The provisions of this Indemnification do not apply to any damage or losses caused solely by the intentional misconduct of the District or any of its governing board, officers, administrators, managers, agents, employees and/or volunteers.

This Indemnification shall survive termination of this Agreement, for any reason whatsoever, and binds each party’s legal representatives, successors, and assigns.

Insurance. Provider, at its own cost and expense, shall procure and maintain during the term of this Agreement, policies of insurance for the following types of coverage:

- a. Commercial General Liability Insurance. Provider shall procure and maintain, during the term of this Agreement, not less than the following General Liability Insurance coverage in the amounts of \$1,000,000 per occurrence and \$2,000,000 aggregate.

Commercial General Liability insurance shall include products/completed operations, property damage, and personal and advertising injury coverage.

- b. Automobile Liability. Provider shall procure and maintain, during the full term of this Agreement following Automobile Liability Insurance including non-owned and leased automobiles, as applicable with the following coverage limits:

Personal vehicles:	\$500,000.00 combined single limit or \$100,000.00 per person / \$300,000.00 per accident
Commercial vehicles:	\$1,000,000.00 per accident for bodily injury and property damage

- c. Workers' Compensation Insurance. Provider shall procure and maintain, during the term of this Agreement, Workers' Compensation Insurance, as required by California law, on all of its employees engaged in work related to the performance of this Agreement. Provider shall procure and maintain Employers' Liability insurance coverage of \$1,000,000. Absent proof of Workers' Compensation Insurance, Provider will submit a fully executed Certification of Exemption from Workers' Compensation Insurance, which District in its sole discretion may accept or reject.
- d. Other Coverage as Dictated by the District. If any employee of Provider interacts with students, outside of the immediate supervision and control of the student's parent or guardian or a certificated school employee, Provider shall procure and maintain, during the term of this Agreement, Abuse and Molestation coverage in the amounts of \$2,000,000 per occurrence and \$4,000,000 aggregate.

If professional services are offered, Provider shall procure and maintain, during the term of this Agreement, Professional Liability (Errors and Omissions) insurance coverage in the amounts of \$1,000,000 per occurrence and \$2,000,000 aggregate.
- e. Provider's insurance is primary and will not seek contribution from any other insurance available to the District. Provider further hereby waives any and all rights of subrogation that it may have against the District.
- f. Certificates of Insurance. Provider shall provide certificates of insurance to the District as evidence of the insurance coverage required herein, not less than 15 days prior to commencing the proposed activity, and at any other time upon the request of the District. Certificates of insurance will be deemed invalid if proper endorsements are not attached. Certificates of such insurance shall be filed with the District on or before commencement of the services under this Agreement.
- g. Endorsements. Provider's Commercial General Liability insurance and Commercial Automobile Liability coverage and Abuse and Molestation coverage shall name the District, its governing board, officers, agents, employees, and/or volunteers as additional insureds. All endorsements specifying additional insureds for any of the Insurance Policies shall be as indicated below or an equivalent endorsement reasonably acceptable to the District.
 - 1) General Liability: CG 20 26 10 01
 - 2) Primary, non-contributory: CG 20 01 04 13
 - 3) Waiver of subrogation: CG 24 04 05 09
 - 4) Commercial Automobile Liability: CA 20 48 10 13
- h. Acceptability of Insurers. Insurance is to be placed with insurers with a current A.M. Best's rating of no less than A: VII, unless otherwise acceptable to the District.
- i. Insurance written on a "claims made" basis is to be renewed by the Provider for a period of three (3) years following termination of this Agreement. Such insurance must have the same coverage and limits as the policy that was in effect during the term of this agreement and will cover the Provider for all claims made. If coverage is canceled or non-renewed, and not replaced with another claims-made policy form with a Retroactive Date prior to the contract effective date, the Consultant must purchase "extended reporting" coverage for a minimum of three (3) years after completion of the Services.
- j. Failure to Procure Insurance. Failure on the part of Provider to procure or maintain required insurance shall constitute a material breach of contract under which the District may immediately terminate this Agreement

Governing Law and Venues. This Agreement shall be interpreted in accordance with the laws of the State of California. If any action is brought to interpret or enforce any term of this Agreement, the action shall be brought in state or federal court situated in the County of Ventura, State of California.

Dispute Resolution. If any dispute arises out of or in connection with the Agreement, representatives of the Parties with authority to settle the dispute shall communicate, in person, electronically, or in writing within 30 days of written notice, in a good faith effort to resolve the dispute.

The parties agree that, in the event of any unresolved dispute under the agreement in which the amount sought is \$5,000.00 or less, any litigation to resolve the dispute shall be brought in the Ventura County Small Claims Court.

If the unresolved amount in dispute exceeds \$5,000.00, the parties agree that they will first submit the matter to a mutually agreed upon mediator. Notwithstanding the following section, Attorneys Fees, the cost of the mediator shall be borne equally by the parties.

Attorney Fees. In the event of any action or proceeding to interpret or enforce the terms of this Agreement, the prevailing party, as determined by the court or mediator, shall be entitled to recover its reasonable attorney fees and costs incurred in connection with such actions or proceeding.

Nature of Agreement. This Agreement represents the entire agreement between the parties hereto with respect to the subject matter hereof and supersedes any and all other agreements and communications however characterized, written or oral, between or on behalf of the parties hereto with respect to the subject matter hereof. This Agreement may only be modified by a written instrument signed by authorized representatives of each of the parties hereto.

Counterpart Execution. This Agreement may be executed in any number of counterparts which, when taken together, shall constitute one and the same instrument. Executed counterparts of this Agreement may be delivered by PDF email or electronic facsimile transmission and shall have the same legal effect as an “ink-signed” original.

Signature Authority. Provider represents and warrants that Provider has all requisite power and authority to conduct its business and to execute, deliver, and perform this Agreement.

OSD BOARD AGENDA ITEM

Name of Contributor: Valerie Mitchell, MPPA

Date of Meeting: August 23, 2023

Agenda Section: Section C: Facilities Agreement

Approval of Agreement #23-98 with C Below Inc. for Underground Utility Investigation Services for the new ECDC Facilities at Driffill School (Mitchell/Miller/CFW)

The Board of Trustees approved the Enhanced Master Construct Program (Program) that focuses on increasing the number of K-8 school facilities and replacing older schools, portable classroom, and support facilities with permanent K-5 & K-8 schools; all with the 21st Century Learning Environments that meet adopted Board specifications and program requirements.

As part of the Program, the District applied for State grant funds to construct new classrooms at Driffill school to establish an ECDC facility. On October 26, 2022, the State Allocation Board approved an apportionment of \$7 million from the California Preschool, Transitional Kindergarten, Full-Day Kindergarten grant program for the proposed project and established an overall project budget of approximately \$10 million with the balance of the funds provided by the District's available capital funds. The District has since completed the necessary design work associated with the project and submitted construction documents to the Division of State Architect (DSA) for review and approval. With DSA approval pending and the anticipated commencement of construction, the District directed CFW to proceed with the procurement of professional consultants for the construction phase of the project.

Pursuant to District direction, and as required by the grant, CFW obtained a Proposal to provide underground utility locating investigation services from C Below Inc.

The attached Agreement for Consultant Services and the Proposal describes the scope of services requested from C Below Inc. and calls for the performance of an underground survey to locate and identify all underground utilities. The Proposal and the subsequent scope of services it provides will enable the District to align the project with the goals set forth within the Enhanced Master Construct Program.

FISCAL IMPACT:

The Utility Location Site Services will be completed for a lump sum fixed fee not to exceed: Eight Thousand Four Hundred Thirty Dollars and No Cents (\$8,430.00) with the contract to be paid from a combination of funds from the California Preschool, Transitional Kindergarten, Full-Day Kindergarten grant program and capital fund balances.

RECOMMENDATION:

It is the recommendation of the Assistant Superintendent, Business & Fiscal Services, and the Director of Facilities, in conjunction with CFW, that the Board of Trustees approve Agreement #23-98 with C

Below Inc. for the new ECDC facilities at Drifffill.

**OXNARD SCHOOL DISTRICT
AGREEMENT FOR CONSULTANT SERVICES
FOR SUBSURFACE IMAGING SERVICES TO BE PROVIDED FOR
DRIFFILL ELEMENTARY SCHOOL ECDC TRANSITIONAL
KINDERGARTEN CONSTRUCTION PROJECT**

This Agreement for Consultant Services (“Agreement”) is entered into as of this **23rd** day of **August 2023**, by and between the **Oxnard School District** (“District”), with offices located at 1051 South “A” Street, Oxnard, California 93030, and **C BELOW INC.** (“Consultant”), with a business address located at 14280 Euclid Avenue, Chino, CA 91710. District and Consultant are sometimes hereinafter individually referred to as “Party” and hereinafter collectively referred to as “Parties”.

RECITALS

A. District is authorized by California Government Code section 53060 and District’s Board Policy 4368, to contract with independent contractors for the furnishing of services concerning financial, economic, accounting, engineering, legal, administrative and other matters. District has sought, by issuance of a Request for Proposal (“Proposal”), the performance of certain services, with the precise scope of work to be specified at the time of assignment of the work.

B. Following submission of a Proposal for the performance of services, Consultant was selected by District to perform services on behalf of the District at the District’s sole discretion.

C. The Parties desire to formalize the assignment of the Consultant for performance of services and desire the terms of that performance be as particularly defined and described herein.

NOW, THEREFORE, in consideration of the mutual promises and covenants made by the Parties and contained herein and other consideration, the value and adequacy of which are hereby acknowledged, the Parties agree as follows:

OPERATIVE PROVISIONS

- 1. Incorporation of Recitals and Exhibits.** The Recitals set forth above and all Exhibits attached to this Agreement, as hereafter amended, are incorporated by this reference as if fully set forth herein.
- 2. Scope of Services.** The Scope of Services to be assigned to Consultant pursuant to issuance of a Purchase Order, is further defined in **Exhibit “D” – Scope of Services**, wherein the general responsibilities of Consultant are described pursuant to the discipline(s) for which the Consultant has been deemed qualified by District as described in this Agreement.
- 3. Term of Agreement.** Subject to earlier termination as provided for below, this Agreement shall remain in effect from August 24, 2023 through August 23, 2024 (the “Term”). This Agreement is a single service Agreement specific to requested services to be performed for the **Driffill Elementary School ECDC New Transitional Kindergarten Facilities Project, 910 South E Street, Oxnard, CA 93030** (“Project”), as described in the **Below Subsurface Imaging Proposal dated July 7, 2023**.

- 4. Time for Performance.** The scope of Services set forth in **Exhibit “D”** shall be completed during the Term referenced under item Section 3 above. If Services indicated in **Exhibit “D”** cannot be completed within the schedule set forth under Section 3 above, it is the responsibility of the Consultant to notify District no later than ten (10) days prior to the completion date for the Services, with a request for a time extension clearly identifying the cause(s) for the failure to complete the Services within the schedule and/or the Term. For this Agreement, the completion date for Services is March 30, 2024. Should Consultant fail to provide such notice, and/or the Services not be completed pursuant to that schedule or within the Term, Consultant shall be deemed to be in default as provided below. District, in its sole discretion, may choose not to enforce the Default provisions of this Agreement and may instead allow Consultant to continue performing the Services.
- 5. Additional Services.** Additional Services are services in addition to the Services set forth in this Agreement that are provided by Consultant pursuant to a written request by the District. Additional Services will require a written request or pre-authorization in writing by District, subject to specific approval processes of such services, to the extent required by District and which may be further determined at the time District receives a proposed cost for the requested Additional Services from the District Board of Trustees. Any modification of the compensation to be paid to Consultant as a result of Additional Services must be specifically approved in writing by the District Board of Trustees. In the event that the District Board of Trustees approves in writing a modification of the compensation, then Consultant shall be paid for such Additional Services pursuant to Section 8, below. However, it is understood and agreed that if the cause of the Additional Services is the sole or partial responsibility of Consultant, its agents, or any subconsultants or other parties under the charge of Consultant, no additional compensation shall be paid to Consultant. If such conditions exist so as to justify Additional Services as indicated above, which require additional compensation or time in order to be performed, it is the sole responsibility of Consultant to submit a request for Additional Services within ten (10) days of Consultant’s discovery of such conditions which require Additional Services. It is understood and agreed that if Consultant performs any services that it claims are Additional Services without receiving prior written approval from the District Board of Trustees, Consultant shall not be paid for such claimed Additional Services.
- 6. Compensation and Method of Payment.** In exchange for Consultant’s services, District shall pay an amount to Consultant not to exceed the amount set forth in **Exhibit “A” – Compensation & Rate/Fee Schedule**, attached hereto and incorporated by reference herein. This Agreement is to be invoiced to the District in the form of Progress Payments. Except as to any charges for work performed or expenses incurred by Consultant which are disputed by District, District will use its best efforts to cause Consultant to be paid within forty-five (45) days of receipt of Consultant’s correct and undisputed invoice. If any expenses stated within Consultant’s invoice are disputed by District, the original invoice shall be returned by District to Consultant for correction and resubmission. Payment to Consultant for work performed pursuant to this Agreement shall not be deemed to waive any defects in work performed by Consultant.
- a. Except as to any charges for work performed or expenses incurred by Consultant which are disputed by District, District will use its best efforts to cause Consultant to be paid within forty-five (45) days of receipt of Consultant’s correct and undisputed invoice.
- 7. Responsibilities of Consultant:**
- a) Consultant shall perform all Services as indicated in this Agreement to the Satisfaction of District.
- b) The specific Services of Consultant to be performed shall be indicated in **Exhibit “D”**, attached to this Agreement.

- c) Consultant hereby represents and warrants that (a) it is an experienced consultant in the discipline(s) identified in **Exhibit “D,”** having the skill, legal and professional ability, and flexibility necessary to perform all of the Services required under this Agreement; (b) it has the capabilities and resources necessary to perform its obligations hereunder; (c) it is familiar with all current laws, rules, regulations and other restrictions which are and may become applicable to the Scope of Services under this agreement, including but not limited to all local ordinances, building codes, and requirements from all Authorities Having Jurisdiction (“AHJ”) including, but not limited to, the Division of the State Architect (“DSA”), the Office of Public School Construction (“OPSC”), the State Facilities Planning Division (“SFPD”), California Department of Education (“CDE”), the California Department of General Services (“DGS”), the Department of Toxic Substance Control (“DTSC”), the California Environmental Quality Act (“CEQA”), Title 24 of the California Code of Regulations, the California Education Code, State and Local Fire Authorities, air quality districts, water quality and control boards, and any/all other AHJ; (d) it will assume all responsibility for all Services performed and all work prepared and furnished to District by its employees, agents, and subconsultants; (e) it has sufficient financial strength and resources to undertake and complete the Services provided for under this Agreement within the schedule and/or Term set forth in this Agreement; and (f) it certifies and covenants that all reports, certifications, studies, analyses, and other documents prepared by Consultant shall be prepared in accordance with all applicable laws, rules, regulations, and other requirements in effect at the time of their preparation, or required at their time of submittal to District and/or any applicable agencies.
- d) Consultant shall follow accepted industry standards and practices and comply with all federal, state and local laws and ordinances applicable to the Services required by this Agreement.

8. Responsibilities of District.

- a) District will prepare and furnish to Consultant upon Consultant’s request, such information as is reasonably necessary to the performance of the Services required under this Agreement. Consultant understands that all information provided to Consultant remains the property of District and shall only be removed from District’s possession/premises and/or be photocopied, reproduced, distributed, or otherwise made available to others if such activities are expressly approved in writing by District and/or the District’s Program Manager, Caldwell Flores Winters, Inc. (“Program Manager”). Failure to comply with the above requirements shall be reasonable cause for termination of this Agreement, and may subject Consultant to liability for damages to District.
- b) If requested by Consultant, District shall provide information as to the requirements and educational program for each project assigned by Agreement, including approved budget and schedule limitations.
- c) District shall facilitate and coordinate cooperation amongst and between District consultants, including but not limited to architects, construction managers, surveyors, geotechnical engineers, inspectors, testing laboratories, hazardous materials specialists, CEQA/DTSC compliance specialists, technology experts, and any other professional consultants District deems necessary to execute the Facilities Implementation Program. Such coordination shall include the distribution of documentation prepared by individual consultants which may be of service to Consultant in the course of completing the Services.
- d) District shall, at its sole discretion, provide for the timely approval and execution of the Agreement, Additional Services requests, invoices, and any other documentation that requires District action in order for Consultant to complete the Services.

9. Suspension. District may, for any reason or no reason, in District's sole discretion, suspend all or a portion of this Agreement, or the Services by giving ten (10) calendar days written notice of suspension to Consultant. In the event such notice is given, Consultant shall cease immediately all work in progress. If District suspends the Services for a period of ninety (90) consecutive calendar days or more and, in addition, if such suspension is not caused by Consultant or the acts or omissions of Consultant, then if the Services are resumed, Consultant's compensation shall be subject to adjustment to provide for actual direct costs and expenses incurred by Consultant as a direct result of the suspension and resumption by District of the Services.

10. Termination. This Agreement and/or all or part of the Services contained herein may be terminated at any time by mutual agreement of the Parties or by either Party as follows:

a) District may terminate all or a portion of this Agreement, or the Services, without cause, at any time by giving ten (10) calendar days' written notice of termination to Consultant. In the event such notice is given, Consultant shall cease immediately all work in progress; or

b) District may terminate all or a portion of this Agreement, or the Services, for cause, in the event of a Default by giving written notice pursuant to Section 13 below; or

c) Consultant may terminate this Agreement at any time upon thirty (30) calendar days' written notice to the District, if District fails to make any undisputed payment to Consultant when due and where such failure remains uncured for forty-five (45) calendar days after Consultant's written notice to District.

11. Similar or Identical Services. In the event this Agreement, or any of the Services, are terminated in whole or in part as provided herein, District may procure, upon such terms and in such manner as District may determine appropriate, services similar or identical to those terminated to complete any unfinished Services or new services as needed by District, and upon such terms and in such manner as District may determine appropriate.

12. Inspection and Final Acceptance. District's acceptance of any work or Services, whether specifically in writing or by virtue of payment, shall not constitute a waiver of any of the provisions within this Agreement, unless otherwise expressly stated.

13. Default.

a) Failure of Consultant to perform any Services or comply with any provisions of this Agreement constitutes a Default. District may terminate all or any portion of this Agreement, or the Services, for cause, in the event of a Default. The termination shall be effective if (i) Consultant fails to cure such Default within thirty (30) calendar days following issuance of written notice thereof by District; and/or (ii) if the cure by its nature takes longer, and thereby the Consultant fails to commence such cure within thirty (30) calendar days from the date of issuance of the notice and fails to diligently prosecute such cure to the satisfaction of District. If Consultant has not cured the Default, District may withhold all invoices and may choose to proceed with payment on said invoices only after the Default is cured to District's satisfaction. In the alternative, District may, in its sole discretion, during the period before Consultant has cured the Default, elect to pay any portion of outstanding invoices that corresponds to Services satisfactorily rendered. Any failure on the part of District to give notice of Consultant's default shall not be deemed to result in a waiver of District's rights at law and in equity, nor a waiver of any rights arising out of any provision of this Agreement.

b) In addition to District's termination rights set forth above, District shall have (i) the right to cure Consultant's Default at Consultant's cost, in which case all amounts expended by District in connection

with such cure shall accrue interest from the date incurred until repaid to District by Consultant at the rate of ten percent (10%) per annum; and (ii) all other rights and remedies available to District at law and in equity, including, without limitation, an action for damages. District shall have the right to retain unpaid earned balances to offset damages, and/or charge Consultant for all damages above and beyond unpaid balance of Agreement.

14. Ownership of Documents. All maps, models, designs, drawings, photographs, studies, surveys, reports, data, notes, computer files, files and other documents prepared, developed or discovered by Consultant in the course of providing any Services pursuant to this Agreement (collectively and individually, the “Documents”) shall become the sole property of District and may be used, reused or otherwise disposed of by District without the permission of Consultant. Upon completion, expiration, or termination of this Agreement, Consultant shall turn over to District all such Documents.

15. Use of Documents by District. If and to the extent that District utilizes any Documents, for any purpose not related to this Agreement and/or the Project, Consultant’s guarantees and warranties related to Standard of Performance under this Agreement shall not extend to such use of the Documents.

16. Consultant’s Books and Records. Consultant shall maintain any and all documents and records demonstrating or relating to Consultant’s performance of Services pursuant to this Agreement for a minimum of four (4) years after termination or expiration of this Agreement, or longer if required by law. Such records shall include, at minimum, a detailed record of daily performance, staff time records, subconsultants’ time records, documentation of all costs incurred by Consultant that were billed to District, and detailed records of all Consultant fees, overhead, and profit on earned amounts.

- a) Consultant shall maintain any and all ledgers, books of account, invoices, vouchers, canceled checks, or other documents or records evidencing or relating to work, services, expenditures and disbursements charged to District pursuant to this Agreement for a minimum of four (4) years, or longer if required by law, all in accordance with generally accepted accounting principles and with sufficient detail so as to permit an accurate evaluation of the Services provided by Consultant pursuant to this Agreement.
- b) Any and all such records or documents shall be made available for inspection, audit, and copying, at any time during regular business hours, upon request by District or its designated representative. Copies of such documents or records shall be provided directly to District for inspection, audit, and copying when it is practical to do so; otherwise, unless an alternative is mutually agreed upon, such documents and records shall be made available at Consultant’s address indicated for receipt of notices in this Agreement.
- c) District has the right to acquire custody of such records by written request if Consultant decides to dissolve or terminate its business. Consultant shall deliver or cause to be delivered all such records and documents to District within sixty (60) days of receipt of the request.

17. Independent Contractor. Consultant is retained as an independent contractor and is not employed by District. No employee or agent of Consultant shall become, or be considered to be, an employee of District for any purpose. It is agreed that District is interested only in the results obtained from the Services under this Agreement and that Consultant shall perform as an independent contractor with sole control of the manner and means of performing the Services required under this Agreement. Consultant shall complete this Agreement according to its own methods of work which shall be in the exclusive charge and control of Consultant, and which shall not be subject to control or supervision by District except as to results of the Services. Consultant shall provide all of its own supplies, equipment, facilities, materials, manpower, and any/all other resources that may become necessary in the course of completing the Services. It is expressly understood and agreed that Consultant and its employees shall in no event be entitled to any benefits to which District employees are entitled, including, but not limited to, overtime, retirement benefits, insurance, vacation, worker’s

compensation benefits, sick or injury leave or other benefits. Consultant will be responsible for payment of all of Consultant's employees' wages, payroll taxes, employee benefits and any amounts due for federal and state income taxes and Social Security taxes, since these taxes will not be withheld from payments under this Agreement.

- a) The personnel performing the Services under this Agreement on behalf of Consultant shall at all times be under Consultant's exclusive direction and control. Consultant, its officers, agents, and employees shall not at any time or in any manner represent that Consultant or any of Consultant's officers, employees, or agents are in any manner officials, officers, employees or agents of District.
- b) Consultant shall have no authority to bind District in any manner, or to incur any obligation, debt or liability of any kind on behalf of or against District, whether by contract or otherwise, unless such authority is expressly conferred in writing by District, or under this Agreement.

18. Standard of Performance. Consultant represents and warrants that it has the skill, qualifications, experience and facilities necessary to properly perform the Services required under this Agreement in a thorough, competent and professional manner. Consultant represents and warrants that its employees and subcontractors have all legally required licenses, permits, qualifications and approvals necessary to perform the Services and that all such licenses and approvals shall be maintained throughout the term of this Agreement. Consultant shall at all times faithfully, competently and to the best of its ability, experience and talent, perform all Services described herein. In meeting its obligations under this Agreement, Consultant shall employ, at a minimum, the standard of care utilized by persons engaged in providing services similar to those required of Consultant under this Agreement for California school districts in or around the same geographic area of District (the "Standard of Performance").

19. Confidential Information. All information gained during performance of the Services and all Documents or other work product produced by Consultant in performance of this Agreement shall be considered confidential ("Confidential Information"). Consultant shall not release or disclose any such Confidential Information, Documents, or work product to persons or entities other than District without prior written authorization from the Superintendent of District and/or Program Manager, except as may be required by law. Confidential Information does not include information that: (i) Consultant had in its possession prior to considering entering into this Agreement; (ii) becomes public knowledge through no fault of Consultant; (iii) Consultant lawfully acquires from a third party not under an obligation of confidentiality to the disclosing party; or (iv) is independently developed by Consultant without benefit of the information provided by District. In connection with Confidential Information:

- a) Consultant shall promptly notify District if it is served with any summons, complaint, subpoena or other discovery request, court order or other request from any party regarding this Agreement or the Services performed hereunder.
- b) District retains the right, but has no obligation, to represent Consultant or be present at any deposition, hearing or similar proceeding. Consultant agrees to cooperate fully with District and to provide District with the opportunity to review any response to discovery requests provided by Consultant; provided that this does not imply or mean the right by District to control, direct, or rewrite said response.

20. Conflict of Interest. Consultant covenants that neither it, nor any officer or principal of its firm, has or shall acquire any interest, directly or indirectly, which would conflict in any manner with the interests of District or which would in any way hinder Consultant's performance of the Services under this Agreement. Consultant further covenants that in the performance of this Agreement, no person having any such interest shall be employed by it as an officer, employee, agent or subcontractor without the express written consent of District. Consultant agrees to at all times avoid conflicts of interest or the appearance of any conflicts of interest with

the interests of District in the performance of this Agreement.

- a) Bylaws of the Board 9270 & 9270-E, as hereinafter amended or renumbered, require that a consultant that qualifies as a “designated employee” must disclose certain financial interests by filing financial interest disclosures. By its initials below, Consultant (i) represents that it has received and reviewed a copy of the Bylaws of the Board 9270 & 9270-E and that it [] does [X] does not qualify as a “designated employee”; and (ii) agrees to notify District, in writing, if Consultant believes that it is a “designate employee” and should be filing financial interest disclosures, but has not been previously required to do so by District.

_____ (Initials)

21. Compliance with Applicable Laws. In connection with the Services and its operations, Consultant shall keep itself informed of and comply with all applicable federal, state and local laws, statutes, codes, ordinances, regulations and rules including, but not limited to, minimum wages and/or prohibitions against discrimination, in effect during the Term. Consultant shall obtain any and all licenses, permits and authorizations necessary to perform the Services. Neither District, nor any Board members, officers, officials, employees, agents, or volunteers of District shall be liable, at law or in equity, as a result of any failure of Consultant to comply with this section.

- a) Without limiting the generality of the foregoing, Consultant, unless exempted, shall comply with the requirements of Education Code section 45125.1 with respect to fingerprinting of employees who may have contact with District’s pupils. Consultant must complete District’s certification form, attached herein as **Exhibit “C,”** prior to any of Consultant’s employees coming into contact with any of District’s pupils. Consultant also agrees to comply with all other operational requirements of District, as may be revised from time to time, including but not limited to any obligations relating to vaccination or testing for infectious diseases.

22. Unauthorized Aliens. Consultant hereby promises and agrees to comply with all of the provisions of the Federal Immigration and Nationality Act, 8 U.S.C.A. §§ 1101, et seq., as amended, and in connection therewith, shall not employ “unauthorized aliens” as that term is defined in 8 U.S.C.A. §1324a(h)(3). Should Consultant so employ such individuals for the performance of work and/or Services covered by this Agreement, and should any liability or sanctions be imposed against District for such employment, Consultant hereby agrees to and shall reimburse District for the cost of all such liabilities or sanctions imposed, together with any and all costs, including attorneys’ fees, incurred by District.

23. Non-Discrimination. Consultant shall abide by the applicable provisions of the United States Civil Rights Act of 1964 42 U.S.C. 2000e and other provisions of law prohibiting discrimination and shall not discriminate, in any way, against any person on the basis of race, color, religious creed, national origin, ancestry, sex, sexual orientation, age, physical handicap, medical condition or marital status in connection with or related to the performance of this Agreement.

24. Disabled Veteran Business Enterprise Participation. Pursuant to Education Code section 17076.11, District has a participation goal for disabled veteran business enterprises (“DVBES”) of at least three (3) percent, per year, of funds expended each year by District on projects that use funds allocated by the State Allocation Board pursuant to the Leroy F. Greene School Facilities Act. Unless waived in writing by District, Consultant shall provide proof of DVBE compliance, in accordance with any applicable policies of District or the State Allocation Board, within thirty (30) days of its execution of this Agreement

25. Assignment. The expertise and experience of Consultant are material considerations for this Agreement. District has an interest in the qualifications of and capability of the persons and entities that will fulfill the duties and obligations imposed upon Consultant under this Agreement. In recognition of that interest, Consultant shall not assign or transfer this Agreement or any portion of this Agreement or the performance of

any of Consultant's duties, Services or obligations under this Agreement without the prior written consent of District and approval by District's Board of Trustees. Any attempted assignment shall be ineffective, null and void, and shall constitute a material breach of this Agreement entitling District to any and all remedies at law or in equity, including summary termination of this Agreement.

26. Subcontracting. Notwithstanding the above, Consultant may utilize subcontractors in the performance of its duties pursuant to this Agreement, but only with the prior written consent of District. Consultant shall be as fully responsible to District for the acts and omissions of its subcontractors, and of persons either directly or indirectly employed by Consultant's subcontractors, as if the acts and omissions were performed by Consultant directly. Any and all subcontractors utilized by Consultant under this Agreement and/or for the Project must maintain any required licenses or certifications.

27. District Administrator. **Lisa Franz** shall be in charge of administering this Agreement on behalf of District (the "Administrator"), provided that any written notice or any consent, waiver or approval of District must be signed by the Superintendent or a designated employee of District to be valid. The Administrator has completed **Exhibit D** "Conflict of Interest Check" attached hereto.

28. Continuity of Personnel. Consultant shall make every reasonable effort to maintain the stability and continuity of Consultant's staff and subcontractors consistent with the staff proposed as part of the Statement of Qualifications, if any, assigned to perform Services under this Agreement.

- a) Consultant shall provide District and the Administrator a list of all personnel and subcontractors providing Services and shall maintain said list current and up to date at all times during the Term. The list shall include the following information: (1) all full or part-time staff positions by title, including volunteer positions whose direct services are required to provide the Services; (2) a brief description of the functions of each such position and the hours each position works each week or, for part-time positions, each day or month, as appropriate; (3) the professional degree, if applicable, and experience required for each position; and (4) the name of the person responsible for fulfilling the terms of this Agreement.

29. Indemnification.

- a) For all liability either found by a court of competent jurisdiction, or as agreed to by the Parties, other than that liability arising out of the professional services of Consultant as described in **Exhibit "D,"** Consultant agrees to indemnify, defend and hold harmless District and its Board members, officers, officials, employees, and agents ("Indemnified Parties"), from and against any and all claims, actions, losses, damages, judgments, and/or liabilities arising out of this Agreement from any cause whatsoever, including the acts of any person or entity under the control of the Consultant and for any costs or expenses (including but not limited to attorneys' fees) incurred by District on account of any claim, except where such indemnification is prohibited by law. Consultant's indemnification obligation applies to District's active as well as passive negligence but does not apply to District's sole negligence or willful misconduct.
- b) For liability arising out of the performance of its professional services under this Agreement, Consultant agrees to indemnify, defend, and hold harmless District and its Indemnified Parties, from and against any and all claims, actions, losses, damages, judgments, and/or liabilities, to the extent arising out of, pertaining to, or relating to the negligence, recklessness, or willful misconduct of Consultant. In no event shall such cost to defend that is charged to the Consultant exceed Consultant's proportionate percentage of fault. Consultant's indemnification obligation does not apply to District's sole negligence or willful misconduct.
- c) Consultant agrees to obtain executed indemnity agreements with provisions identical to the above from each and every subcontractor or sub-consultant retained or employed by Consultant in the performance of this Agreement. Failure of District to monitor compliance with these requirements imposes no additional

obligations on District and will in no way act as a waiver of any rights hereunder. Consultant's obligation to indemnify and defend District as set forth above is binding on the successors, assigns or heirs of Consultant and shall survive the termination of this Agreement.

_____(Initials)

30. Insurance. Consultant agrees to obtain and maintain in full force and effect during the term of this Agreement the insurance policies set forth in **Exhibit "B"** and made a part of this Agreement. All insurance policies shall be subject to approval by District as to form and content. These requirements are subject to amendment or waiver if so approved in writing by the District Superintendent. Any Consultant subcontractors and/or sub-consultants must maintain the necessary insurance coverages as provided for in this Agreement, including but not limited to **Exhibit "B."**

31. Notices. All notices required or permitted to be given under this Agreement shall be in writing and shall be personally delivered, or sent by telecopier or certified mail, postage prepaid and return receipt requested, addressed as follows:

To District: Oxnard School District
1051 South A Street
Oxnard, California, 93030
Attention: Dr. Ana DeGenna, Interim Superintendent
Re: Driffill ECDC Project

Oxnard School District Program Manager
815 Colorado Boulevard, Suite 201
Los Angeles, CA 90041
Attention: Michael Brewer
Telephone: (626) 829-8323
Email: mbrewer@cfwinc.com

To Consultant: C Below Inc.
14280 Euclid Avenue
Chino, CA 91710
Attention: Keith Choi
Telephone (888) 902-3569
Email: keithC@Below.com

All notices, demands, or requests to be given under this Agreement shall be given in writing and conclusively shall be deemed received when delivered in any of the following ways: (i) on the date delivered, if delivered personally; (ii) on the date sent, if sent by facsimile transmission and confirmation of transmission is received; (iii) on the date it is accepted or rejected, if sent by certified mail; and (iv) the date it is received, if sent by regular United States mail.

32. Disputes. Except in the event of the District's failure to make an undisputed payment due the Consultant, notwithstanding any disputes between the District and Consultant hereunder, the Consultant shall continue to provide and perform the Services and authorized Additional Services pending a subsequent resolution of such disputes. Any and all disputes under this Agreement between the District and Consultant shall be submitted for resolution for non-binding mediation. If such disputes cannot be resolved through mediation, all remaining

disputes shall be resolved by binding arbitration conducted under the auspices of AAA and the AAA Construction Industry Arbitration Rules. The foregoing notwithstanding, as an express condition to the Consultant's commencement of arbitration proceedings hereunder, the Consultant shall comply with all applicable requirements of Government Code section 900, *et seq.*

- 33. Excusable Delays.** Neither Party will be liable to the other for unanticipated delays or failures in performance resulting from causes beyond the reasonable control of that Party, including, but not limited to, acts of God, labor disputes or disturbances, material shortages or rationing, riots, acts of war, governmental regulations, communications or utility failures, or casualties; provided that the delayed Party: (i) gives the other Party prompt written notice of such cause; and (ii) uses reasonable efforts to correct such failure or delay in its performance. The delayed Party's time for performance or cure under this section will be extended for a period equal to the duration of the cause or sixty (60) days, whichever is less.
- 34. Entire Agreement; Binding Effect.** This Agreement including Exhibits hereto, contains the entire understanding of the Parties, and supersedes all other written or oral agreements. Consultant shall be entitled to no other benefits other than those specified herein. Consultant specifically acknowledges that in entering into this Agreement, Consultant relied solely upon the provisions contained in this Agreement and no others. This Agreement shall be binding upon the heirs, executors, administrators, successors and assigns of the Parties.
- 35. Amendment.** No changes, amendments, alterations, or modifications of this Agreement shall be valid, effective or binding unless made in writing and signed by both Parties and approved by the District's Board of Trustees. The Parties agree that this requirement for written modifications cannot be waived and that any attempted waiver shall be void.
- 36. Waiver.** Waiver by any Party of any term, condition, or covenant of this Agreement shall not constitute a waiver of any other term, condition, or covenant. Waiver by any Party of any breach of the provisions of this Agreement shall not constitute a waiver of any other provision or a waiver of any subsequent breach or violation of any provision of this Agreement. None of the provisions of this Agreement shall be considered waived by either Party unless such waiver is specifically specified in writing. Neither District's review, approval of, nor payment for, any of the Services required under this Agreement shall be construed to operate as a waiver of any rights under this Agreement, and Consultant shall remain liable to District in accordance with this Agreement for all damages to District caused by Consultant's failure to perform any of the Services to the Standard of Performance. This provision shall survive the termination of this Agreement.
- 37. Governing Law.** This Agreement shall be interpreted, construed and governed according to the laws of the State of California. With respect to litigation involving this Agreement, or the Services, venue in state trial courts shall lie exclusively in the County of San Bernardino, California.
- 38. Severability.** If any term, condition or covenant of this Agreement is declared or determined by any court of competent jurisdiction to be invalid, void or unenforceable, the remaining provisions of this Agreement shall not be affected thereby and the Agreement shall be read and construed without the invalid, void or unenforceable provision(s).
- 39. Authority to Execute.** The person or persons executing this Agreement on behalf of Consultant represents and warrants that he/she/they has/have the authority to so execute this Agreement and to bind Consultant to the performance of its obligations hereunder.

IN WITNESS WHEREOF, District and Consultant have executed and delivered this Agreement for consultant services as of the date first written above.

EXHIBIT “A”

COMPENSATION & RATE/FEE SCHEDULE

I. The following rates of pay shall apply in the performance of the Services under this Agreement:

Total Not to Exceed Fee = \$8,430.00

II. Consultant may utilize subcontractors as permitted in the Agreement. The hourly rate for any subcontractor shall be consistent with the rate and fee schedule indicated in Section I above, unless other direction is provided with written authorization from District Superintendent or his/her designee.

III. Claims for reimbursable expenses shall be documented by appropriate invoices and supporting receipts. Consultant may be reimbursed for those reasonable out-of-pocket expenses set forth below that are incurred and paid for by Consultant beyond the typical obligations under this Agreement, but only to the extent that such expenses are directly related to Services satisfactorily completed, are approved by District in writing and do not cause the amounts paid to Consultant to exceed the amounts allowed under this Agreement. No mark-up of any expense is permitted. The following is the EXCLUSIVE list of reimbursable expenses:

A. Travel and Mileage. Consultant must request the travel in writing and justify why the travel should be reimbursed. Travel expenses must be approved in writing by District, in its sole discretion. Trips from any Consultant’s office to District’s office or to the Project site will not be approved for reimbursement.

B. Reimbursable Reprographic Services. Print sets or copies requested in writing by District beyond the quantities required under the Agreement.

C. Fees for Subcontractors. Fees for subcontractors hired and paid by Consultant at the written request of District and are permitted in the Agreement.

D. Fees advanced for securing approval of public agencies having jurisdiction over any project hereunder.

IV. Consultant shall provide to District a complete Schedule of Values (“SOV”), identifying major work activities required to complete the authorized scope of work. All invoices must reflect the appropriate progress percentage for each SOV item billed, to be verified by District. District will compensate Consultant for the Services performed upon approval by District of a valid and complete invoice, in form and substance acceptable to District.

A. Acceptable back-up for billings shall include, but not be limited to:

a. Records for all personnel describing the work performed, the number of hours worked, and the hourly rate, for all time charged to the Services.

b. Records for all supplies, materials and equipment properly charged to the Services.

c. Records for all travel pre-approved by District and properly charged to the Services.

d. Records for all subcontractor labor, supplies, equipment, materials, and travel properly charged to the Services.

Exhibit “A”

Unless otherwise directed by District, in writing, completed invoices are to be submitted to the attention of the Director of Purchasing and the Chief Business Official. To be considered complete, the invoice packet shall include all back-up documentation required by District and sign-off from District staff, Program Manager or project manager assigned by District to supervise the Services.

The total compensation for the Services shall be provided for in this Agreement.

V. Compensation Upon Termination. In the event that District suspends or terminates this Agreement, or any of the Services pursuant to Section 10 or Section 11(a) of the Agreement, District will pay Consultant as provided herein for all Services and authorized Additional Services actually performed, and all authorized reimbursable expenses actually incurred and paid, under and in accordance with this Agreement, up to and including the date of suspension or termination; provided that such payments shall not exceed the amounts specified in the Agreement as compensation for the Services completed, plus any authorized Additional Services and authorized reimbursable expenses completed prior to suspension or termination. No payment for demobilization shall be paid unless District at its sole discretion determines that demobilization or other compensation is appropriate.

After a notice of termination is given, Consultant shall submit to District a final claim for payment, in the form and with certifications prescribed by District. Such claim shall be submitted promptly, but in no event later than forty (40) calendar days after the Termination Date specified on the notice of termination. Such payment shall be Consultant's sole and exclusive compensation and District shall have no liability to Consultant for any other compensation or damages, including without limitation, anticipated profit, prospective losses, legal fees or costs associated with legal representation or consequential damages, of any kind.

Exhibit "A"

EXHIBIT "B"

INSURANCE

I. Insurance Requirements. Consultant shall provide and maintain insurance, acceptable to District Superintendent and/or District's counsel, in full force and effect throughout the Term of this Agreement, against claims for injuries to persons or damages to property which may arise from or in connection with the performance of the work hereunder by Consultant, its agents, subcontractors, representatives and/or employees. Insurance is to be placed with insurers authorized to conduct business in the State of California and with a current A.M. Best's rating of no less than A, as rated by the current edition of Best's Key Rating Guide, published by A.M. Best Company, Oldwick, New Jersey 08858. Consultant shall provide the following scope and limits of insurance:

A. Minimum Scope of Insurance. Coverage shall be at least as broad as:

(1) Commercial General Liability coverage of not less than two million dollars (\$2,000,000) aggregate and one million dollars (\$1,000,000) per occurrence.

(2) Auto liability insurance with limits of not less than one million dollars (\$1,000,000).

(3) Insurance coverage should include:

1. owned, non-owned and hired vehicles;
2. blanket contractual;
3. broad form property damage;
4. products/completed operations; and
5. personal injury.

(4) Workers' Compensation insurance as required by the laws of the State of California.

(5) Professional liability (Errors and Omissions) insurance, including contractual liability, as appropriate to the Consultant's profession, in an amount of not less than \$1,000,000 per occurrence and \$2,000,000 in the aggregate.

Failure to maintain professional liability insurance is a material breach of this Agreement and grounds for immediate termination.

II. Other Provisions. Insurance policies required by this Agreement shall contain the following provisions:

A. All Policies. Each insurance policy required by this Agreement shall be endorsed and state the coverage shall not be suspended, voided, cancelled by the insurer or either Party to this Agreement, reduced in coverage or in limits except after thirty (30) days' prior written notice by Certified mail, return receipt requested, has been given to District.

B. General Liability, Automobile Liability, and Abuse/Molestation Coverages.

(1) District, and its Board members, officers, officials, employees, agents, and volunteers are to be covered as additional insureds (collectively, "additional insureds") as respects the following: liability arising out of activities and/or Services Consultant performs; products and completed operations of Consultant; premises owned, occupied or used by Consultant; automobiles owned, leased, hired or borrowed by Consultant, and abuse/molestation.

Exhibit "B"

The coverage shall contain no special limitations on the scope of protection afforded to additional insureds.

(2) Each policy shall state that the coverage provided is primary and any insurance carried by any additional insured is in excess to and non-contributory with Consultant's insurance.

(3) Consultant's insurance shall apply separately to each insured against whom claim is made or suit is brought, except with respect to the limits of the insurer's liability.

(4) Any failure to comply with the reporting or other provisions of the policies including breaches of warranties shall not affect coverage provided to any additional insured.

III. Other Requirements. Consultant agrees to deposit with District, at or before the effective date of this Agreement, certificates of insurance necessary to satisfy District that the insurance provisions of this Agreement have been complied with. District may require that Consultant furnish District with copies of original endorsements effecting coverage required by this section. The certificates and endorsements are to be signed by a person authorized by that insurer to bind coverage on its behalf. District reserves the right to inspect complete, certified copies of all required insurance policies, at any time.

A. If any Services are performed by a subcontractor, Consultant shall furnish certificates and endorsements from each subcontractor identical to those Consultant provides.

B. Any deductibles or self-insured retentions must be declared to and approved by District. At the option of District, either the insurer shall reduce or eliminate such deductibles or self-insured retentions as respects District or its Board members, officers, officials, employees, agents, and volunteers, or the Consultant shall procure a bond guaranteeing payment of losses and related investigations, claim administration, defense expenses and claims.

C. The procuring of any required policy or policies of insurance shall not be construed to limit Consultant's liability hereunder nor to fulfill the indemnification provisions and requirements of this Agreement.

Exhibit "B"

EXHIBIT “C”

BACKGROUND CHECK AND FINGERPRINTING PROCEDURES FOR CONTRACTORS

The Consultant will be required to assure that its employees, subcontractors of any tier, material suppliers, and consultants do not have direct contact with the District’s students during the performance of the Agreement in compliance with Education Code sections 45125.1 and 45125.2. To assure these provisions, the Consultant’s supervisor shall be fingerprinted, and proof of same shall be provided to the District prior to start of on-site work. The supervisor will monitor the workers’ conduct while on school grounds. In addition, the Consultant shall barricade the work area to separate its workers from the students. Costs associated with this process are the responsibility of the Consultant.

The Consultant’s construction supervisors or their unsupervised employees who will be working outside of fenced areas during the school hours **must** have submitted a fingerprint identification card to the Department of Justice (“DOJ”) and have a proof of clearance in the form of an affidavit filed in the Needles Unified School District’s (“District”) Purchasing Office **prior to** the start of the work.

Education Code sections 45125.1 and 45125.2 require that criminal checks be completed for contractors who provide construction, janitorial, administrative, grounds and landscape maintenance, pupil transportation, food-related, or other similar services to school districts.

The undersigned does hereby certify to the Board of Trustees of the District as follows:

That I am a representative of the Consultant currently under contract (“Agreement”) with the District; that I am familiar with the facts herein certified, and am authorized and qualified to execute this certificate on behalf of Consultant.

Consultant certifies that it has taken the following actions with respect to the construction Project that is the subject of the Agreement:

1. Pursuant to Education Code section 45125.2, Consultant has installed or will install, prior to commencement of work, a physical barrier at the Project site, which will limit contact between Consultant’s employees and District pupils at all times (mandatory for all projects); AND
2. The Consultant has complied with the fingerprinting requirements of Education Code section 45125.1 with respect to all Consultant’s employees and all of its subcontractors’ employees who may have contact with District pupils in the course of providing services pursuant to the Contract, and the DOJ has determined that none of those employees has a pending criminal proceeding for a felony or has been convicted of a felony, as that term is defined in Education Code section 45122.1. A complete and accurate list of Consultant’s employees and of all its subcontractors’ employees who may come in contact with District pupils during the course and scope of the Contract is attached hereto; AND/OR
3. Pursuant to Education Code section 45125.2, Consultant certifies that all employees will be under the continual supervision of, and monitored by, an employee of the Consultant whom the California DOJ has ascertained has not been convicted of a violent or serious felony. The name and title of each employee who will be supervising Consultant’s employees and its subcontractors’ employees is:

Name: _____

Title: _____

AND/OR

4. The work on the Contract is at an unoccupied school site and no employee and/or subcontractor or supplier of any tier of Consultant shall come in contact with District pupils.

Consultant's responsibility for background clearance extends to all of its employees, subcontractors, and employees of subcontractors coming into contact with District pupils regardless of whether they are designated as employees or acting as independent contractors of the Consultant.

EXHIBIT “D”

SCOPE OF SERVICES

Outlined in C Below Inc Attached Proposal, dated July 7, 2023

EXHIBIT "E"
TO AGREEMENT FOR CONSULTANT SERVICES #23-98

CONFLICT OF INTEREST CHECK

Bylaws of the Board 9270 & 9270-E requires that the Superintendent or a designee make a determination, on a case by case basis, concerning whether disclosure will be required from a consultant to comply with District's Conflict of Interest Code (commencing with Bylaws of the Board 9270 BB).

Consultants are required to file disclosures when, pursuant to a contract with District, Consultant will make certain specified government decisions or will perform the same or substantially the same duties for District as a staff person would.

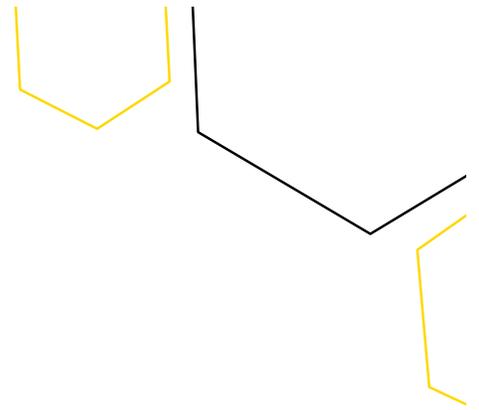

The services to be performed by Consultant under the Agreement to which this Exhibit D is attached constitute do not constitute governmental decisions or staff services within the meaning of the Conflict of Interest Code. Therefore, Consultant, is is not subject to disclosure obligations.

C Below, Inc. submits this proposal for the Driffill ES Utility Locating Investigation project. Our proposal is based on the enclosed estimated hourly breakdown and the C Below Schedule of Fees. In order to successfully complete the outlined scope of services in this proposal our field technicians will need uninterrupted clear access to the work area and the appropriate project documentation. We appreciate the opportunity to provide you with our services and look forward to helping assure a safe and successful project.

14280 Euclid Avenue
Chino, CA 91710

Utility Locating Scope of Work

C Below will provide a comprehensive Utility Investigation of the outlined area shown on Exhibit A (last page of proposal).

The client will be installing (5) modular buildings on the site.

The purpose of this investigation is to find all utilities outlined below to quality level (QL) B per ASCE 38-02. (see attached documentation on available quality levels).

C Below will exhaust any and all utility locating methods, plus “tribal knowledge”, to positively identify the horizontal and vertical locations of the utility lines.

This includes utilizing the equipment listed below:

- *Electromagnetic Locator (Locator)*
- *Locatable CCTV Push Camera. No video will be provided unless specifically included in your quote. (Push Cam)*
- *Ground Penetrating Radar (GPR).*
- *Locatable Duct Rodder (Ram Rod).*
- *Crawler Camera and lateral Launch Equipment if specifically included in your quote. (Crawler)*

Deliverables- Utility locations along with depth estimates will be marked directly on the surface (Please reference your Markings Card for explanations of these).

Mapping Scope of Work

At the completion of this project the client will be provided a comprehensive 2D utility map in CAD and PDF. Client shall provide CAD background for utilities to be added to. While our maps do include utility depth estimates from the surface, survey elevations are not included.

PHASE 1 | Utility Mark Out w/ Waterbased Paint. Utility marks will remain on the site unless the client has hired C Below to remove the markings.

PHASE 2 | C Below's Mapping Team will pick up the markings with the depth estimates from PHASE 1. Mapping shall be completed within a reasonable time frame to assure integrity of marks.

PHASE 3 | Quality review with the Lead Technicians and the Mapping Team to ensure the quality of the deliverable and applicable notes.

Quality Level Definitions

Quality Level D is the most basic level of information for utility locations. It comes solely from existing utility records or verbal recollections, both typically unreliable sources. It may provide an overall "feel" for the congestion of utilities, but is often highly limited in terms of comprehensiveness and accuracy. QL-D is useful primarily for project planning and route selection activities.

Quality Level C involves surveying visible utility facilities (e.g., manholes, valve boxes, etc.) and correlating this information with existing utility records (QL-D information). When using this information, it is not unusual to find that many underground utilities have been either omitted or erroneously plotted. Its usefulness, therefore, is primarily on rural projects where utilities are not prevalent, or are not too expensive to repair or relocate.

Quality Level B involves the application of appropriate surface locating methods to determine the existence and horizontal position of virtually all utilities within the project limits. It addresses problems caused by inaccurate utility records, abandoned or unrecorded facilities, and lost references. Decisions regarding location of storm drainage systems, footers, foundations and other design features can be made to successfully avoid conflicts with existing utilities. Slight adjustments in design can produce substantial cost savings by eliminating utility relocations.

Quality Level A is the highest level of accuracy and involves the full use of the subsurface utility investigation method. It provides information for the precise plan and profile mapping of underground utilities through the nondestructive exposure of underground utilities, and also provides the type, size, condition, material and other characteristics of underground features.

Service Exceptions and Limitation

Locating Exceptions

Our services do not include the location of irrigation lines and associated control valves. We are able to locate sewer and storm drain lines if access is made available. We do not locate abandoned/extra conduits containing no interior cable and we do not locate fiber optic lines or lines without a metallic shield or lacking a tracer wire. C Below has the ability to locate nonmetallic lines but it is outside our normal scope of services. Should the need arise to locate these types of lines, please contact us for an additional quote.

GPR Exceptions

There needs to be at least 8 inches clearance around the perimeter of the scanning area to accommodate the GPR antenna; especially at structure intersections. Scanning surfaces need to be relatively flat with no water present. GPR can penetrate 12 inches of concrete or masonry, but accuracy decreases with increased steel congestion. Indications show up on the radar screen as hyperbolas. The center of the hyperbola is the center of the indication. GPR data, under most circumstances, does not allow for the interpretation of an indications size, only the center location of the indication and embedment depth. Indications such as reinforcing steel or conduit spaced closer than 2 inches on center may show up as one indication.

Mapping Exceptions

Please be sure to provide any project documents prior to dispatch. A workable CAD file is required if mapping is to be performed. JPG, TIFF, PDF files are not preferred and may affect the quality of the final product. If no CAD file can be provided, additional costs may apply. A complete and editable background must be provided by the client to ensure the quality of the final product.

Potholing Exceptions

For billing purposes, C Below defines a standard pothole with the dimensions of 1' X 1' X 5' deep. Deviations from this standard definition require rate increases for additional time and materials to facilitate the client requests. Because potholing rates and other associated costs are based on the assumption of 8 hour work days, additional fees may apply if work is limited to less than 8 hours per day. These fees may include, but are not limited to: additional traffic control, travel time, and disposal fees. Standard pothole pricing includes holes at locations with a soil surface or an asphalt surface up to 6-inches thick. Additional fees will apply if the asphalt surface is over 6" thick or the proposed hole location has a concrete surface. If during the potholing operation the soil is found to have large aggregate or other debris over 3-inches in diameter, ground water, roots or hazardous materials, additional fees will apply. For further clarification please speak to your C Below representative. Optional Services include: hot patching per City requirements, slurry backfill, standard or engineered traffic control plans, trenching or excavation beyond standard pothole dimensions.

CCTV Exceptions

All lines designated by the client for need of inspection must have clear unobstructed access points. Information gathered during the inspection must be agreed upon prior to dispatch. For added scope of water jetting additional fees apply.

Traffic Control

Standard Traffic Control includes one lane closure with minimal signage not spanning an intersection. Extensive Traffic Control includes multiple lane closures, arrow boards, multiple signage requirements, spanning of intersections, flaggers, and other non-standard setups.

General Terms and Conditions for Services

Provided by C Below, Inc.

For the remainder of this document, C Below, Inc. will be referred to as CBI and the Owner or Owner's representative will be referred to as the CLIENT.

ANTICIPATED COSTS

CBI's estimated budget is based upon information provided by the Client. Our ability to perform within the estimated budget depends heavily on the accuracy of the information provided, as well as the cooperation and attentiveness of the Client's management staff. Our accounting department will provide the Client with a percentage of the estimated budget used on each invoice. The Client's management staff shall monitor the percentage of work remaining to assure CBI's services are not greater than the estimated budget. If CBI performs less work than the estimated budget, the Client's costs will be less. Likewise, if the duration of our services exceeds our estimated budget, the Client will incur more cost. Verbal requests made by project representatives to perform services beyond our estimated budget are considered authorization to perform billable work. Project actual budget totals may vary. Estimated budget hours are based on a 40-hour/Monday - Friday workweek, 8-hours per day, excluding weekends, holidays and overtime. The Client agrees that any "budget estimates", "anticipated costs" or other like documentation prepared by CBI is NOT a "not to exceed budget", "guaranteed maximum" or "lump sum". The Client will be invoiced for all work performed based on CBI's Schedule of Fees and these Terms & Conditions.

MINIMUM CHARGES

All locating services are based on a minimum of four hours. Over four hours shall be a minimum of eight hours. If a technician is scheduled to perform a service and no work is performed, a two hour minimum charge shall apply (show-up charge).

WORKING HOURS

CBI's regular workweek is Monday - Friday. Normal work hours are 7:00 am – 5:00 pm. For work performed Monday – Friday, overtime hours (1.5 times the contracted hourly rate) apply after eight hours worked per day. Premium time hours (2 times the contracted hourly rate) apply after twelve hours worked per day. Work performed on Saturday shall be billed at 1.5 times the contracted hourly rate. Work performed on Sundays and Holidays shall be billed at 2.0 times the contracted hourly rate. Holidays observed by CBI are New Year's Day, Memorial Day, Independence Day, Labor Day, Veterans Day, Thanksgiving, the day after Thanksgiving and Christmas. Overtime hour charges shall be in one-hour increments.

SCHEDULING & CANCELLATION

A minimum of 24-hours notice is required when scheduling CBI's services. If services are requested the same day or after 2:00 pm the preceding day, a premium expedite fee of \$75 per technician will apply. If services are canceled less than 24-hours before the scheduled start time, a fee of \$75 per technician will apply.

PREVAILING WAGE

The prices quoted within are NOT Prevailing Wage or Union unless specifically stated on the first page of this document. If this project requires Prevailing Wage, our hourly rates will increase the proportional percentage increase every July 1 in accordance with the wage listed by the Director of Industrial Relations which is tied to any applicable union or collective bargaining agreement documented annual increases plus corresponding changes in our general administration and overhead expenses. These adjustments shall become the agreed upon basis for charges by CBI to the Client.

CERTIFIED PAYROLL

Certified payroll requests will have a processing fee applied for each project, billed on every invoice in the amount of \$75.00.

C.O.D.

Projects totaling less than \$5,000.00 in services for Clients that have not submitted credit approval through the CBI accounting department shall be performed on Cash on Delivery (C.O.D.) basis. Prior to the start of our services the CBI technician will collect a check from the Client. For all other projects, please see the TERMS OF PAYMENT section of this document.

TERMS OF PAYMENT

The Client agrees invoices rendered for professional or technical services will be prepared bi-monthly and are due upon presentation. Invoices will be deemed past due if unpaid within thirty (30) days from date of invoice, and will be subject to a monthly finance charge of 1.5% of invoice total for each month unpaid. All invoice errors or necessary corrections shall be submitted to CBI within fifteen (15) days of receipt of the invoice; thereafter the Client acknowledges the invoice is correct and valid for payment due to CBI. CBI reserves the right to terminate services to the Client without notice if the Client's account is not paid currently. Upon such termination of services, the entire amount accrued for all services performed shall immediately become due and payable to CBI. The Client waives any and all claims against CBI, its subsidiaries, affiliates, servants and agents in connection with termination of work/services pursuant to this agreement. In the event CBI deems it necessary to refer a past due account to an attorney or to file suit for collections, the Client agrees to pay all actual expenses and costs incurred there by, including CBI staff costs, actual attorney fees & costs, and all related costs in such litigation. Jurisdiction and venue of all such actions and any other actions arising from this agreement or the provision of services by CBI shall be in San Bernardino County, State of California.

INSURANCE

CBI carries all insurance required by law. Additional insurance coverage can be obtained at an additional cost to the Client. These costs can be obtained by quotation from CBI. CBI will process Waiver of Subrogation, Additional Insured's, and Additional insurance certificates upon request from the Client. An additional charge of \$150 will apply for each document required and will be invoiced to the Client.

REIMBURSABLE EXPENSES

Outside services performed by others and direct costs expended on the Client's behalf, are charged at cost plus 15%. Equipment and materials purchased/rented by CBI exclusively for the project will be invoiced at cost plus 15%. Business license fees for project specific requirements will be invoiced at cost plus 15%.

SERVICE AUTHORIZATION

Verbal request will be considered authorization to perform billable work. The Client shall designate member(s) of their staff who have authority to request our services and notify CBI in writing as to their authorized representative. Otherwise all service requests are billable.

PROPOSAL VALID DURATION

Proposed Master Fee Schedule of Rates, Term & Conditions and General Conditions stated within are valid for 30 days from proposal date.

CONTRACTUAL ADDITIONS

C Below will undertake professional responsibility for only the services provided pursuant to this Agreement, and only pursuant to the terms and conditions of this Agreement. In particular, and without limitation, C Below will not be responsible for delays or other matters beyond its reasonable control; for inaccurate or incomplete information provided to it by Client, co-consultants or other reasonably reliable sources; for site conditions of which it was not actually informed; for unauthorized modifications to or deviations from C Below's instruments of service or the use of unfinalized instruments of service for any purposes including bidding or cost estimating; for hazardous materials or toxic substances at the Project site; for the specification of products or equipment for purposes consistent with the manufacturer's published literature; for materials and equipment decisions made by others; for the services and instruments of service provided by others even if incorporated into C Below's instruments of service for ease of reference or otherwise; for the performance of the Project's contractors and materials suppliers; for construction means, methods, techniques, sequences or procedures, including without limitation investigation or demolition procedures and safety precautions and programs; and for the actions or inactions of others including utility companies, other consultants and governmental or quasigovernmental agencies.

The services being provided for by C Below do not relieve the Client of the responsibility of having to comply with California Government Code §§4216 - 4216.9. It is expressly understood by the Client that C Below's services are not a substitute for compliance with California government Code §§4216 - 4216.9.

In recognition of the relative risks, rewards and benefits of the project to both the Client and C Below, the risks have been allocated such that the Client agrees that, to the fullest extent permitted by law, C Below's total liability to the Client and to any other third party for any and all injuries, claims, losses, expenses, damages or claims expenses arising out of this agreement from any cause or causes, shall not exceed C Below's fee or \$5,000.00, whichever is less. Such causes include, but are not limited to, C Below's negligence, strict liability, breach of contract or breach of warranty.

The Client waives all rights against C Below for damages caused by fire, water, wind or any other perils to the extent covered by any type of property insurance applicable to the claimed damage or loss. This waiver of subrogation shall be effective even though that person or entity would otherwise have a duty of indemnification.

The Client shall ensure that all of its contractors and subcontractors maintain General Liability Insurance (minimum of \$1,000,000 per occurrence limits of coverage). Modified occurrence policies are not acceptable; any coverage exclusion in addition to standard ISO coverage forms must be noted and approved by C Below. The Client will require and make certain that its contractors and subcontractors list C Below as an additional insured using ISCO CG2010 1985 Form B or equivalent with no limitation to "ongoing operations" for each project C Below performs services for the Client. The additional insured endorsement or certificate must also contain a statement that "the protection afforded the additional insured hereunder shall be primary and any other coverage available to the additional insured shall be excess and non-contributing."

UTILITY LOCATING

Utility locating is an imperative first step prior to excavation during pre-construction. Damaged lines are not only expensive to repair but can be extremely dangerous. Starting your project with the knowledge of the types and locations of underground utilities on the job site is an important and cost-effective way to ensure a safe and successful project.

C Below has the ability to locate horizontal and vertical locations for all underground utilities including: water, gas, power, waste, communications and cable/TV.

Our technicians will mark all indications directly on the surface of all surveyed areas using the American Public Works Association (APWA) Uniform Color Code. All utility locating marks are made in accordance with the Common Ground Alliance (CGA) Best Practices.

Once lines have been found, there are several options a technician can use for marking the utility locations. Spray paint is the most common but flags or whiskers are also utilized in areas that have heavy traffic, or where sprinklers may cause the paint to become unreadable prior to excavation. Computer-aided design or CAD drawings of our findings can also be provided upon request.

Our utility locating services shall include only those materials commonly used for locating and marking indications. Clear access to scanning areas need to be provided by the client. Should the area to be scanned not be accessible from the ground, the client will provide the means (man lift, scaffold, etc.) for our technician to properly perform their work.

For utility locating we locate all underground utilities using a standard electromagnetic utility locator. With this method, we are able to find: main water supply lines and associated branch lines made of metal (conductive) or water lines installed with a "tracer wire", all sewer and waste lines by electromagnetic location, power lines, telecommunication lines, gas lines with tracer wires.

EXCEPTIONS

Our services do not include the location of irrigation lines and associated control valves. We are able to locate sewer lines if access is made available. We do not locate abandoned/extra conduits containing no interior cable and we do not locate fiber optic lines or lines without a metallic shield or lacking a tracer wire. C Below has the ability to locate nonmetallic lines but it is outside our normal scope of services. Should the need arise to find these types of lines, please contact us for an additional quote.

GROUND PENETRATING RADAR (GPR)

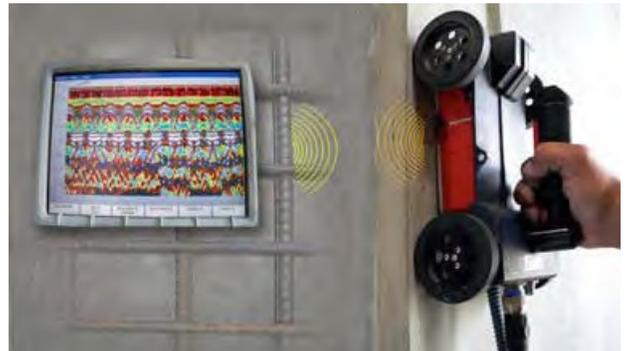

C Below uses GPR for locating reinforcing steel, prestressing strand, conduit and other indications in concrete and masonry structures. We use this method because it is one of the safest, fastest and most accurate methods currently available. With the ability to penetrate up to 18 inches of concrete, our technicians can map all indications directly on the scanning surface prior to coring, cutting or drilling. The survey results can also be saved and printed in 3-Dimensional detail providing a subsurface map for our client.

With such a large penetration range, GPR can be used with access to only one side of the scanning area with no need to place film on the opposite surface (as is needed with other methods). Our technicians determine the thickness of concrete and masonry structures to determine the spacing and depth of indications. In certain cases, the size of the indication can be estimated.

As these indications are found, they are displayed to the technician in real-time. They are displayed on the GPR monitor when changes in the conductivity of the scanned area represent locations of rebar, conduit, pipe, voids, and other objects located beneath the surface. Once located, the indication is marked in accordance with the APWA Uniform Color Code.

GPR is incredibly versatile and offers ease of use on job sites. It emits about 1% the power of a cell phone signal to perform its functions. Other methods require a safety perimeter around work areas. We prefer to use GPR because we are able to work in occupied sites and buildings where temporary evacuation is not an option. The equipment is very portable and can be moved to location quickly, making scanning of multiple areas a fast, efficient and manageable process. The practicality of this service supersedes traditional methods of utility locating, but it can also be used in conjunction with them.

With the ability to locate nonmetallic utilities up to 12 feet deep, you can be sure most lines will be identified.

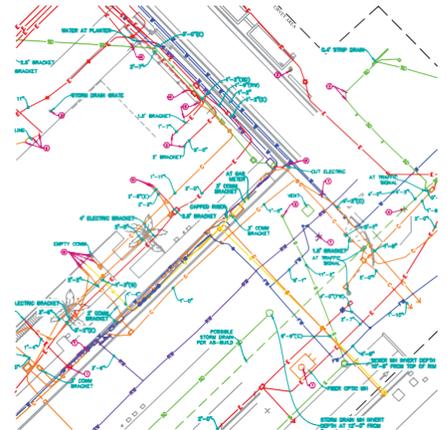

EXCEPTIONS

There needs to be at least 8 inches clearance around the perimeter of the scanning area to accommodate the GPR antenna; especially at structure intersections. Scanning surfaces need to be relatively flat with no water present. GPR can penetrate 16 inches of concrete or masonry, but accuracy decreases with increased steel congestion. Size of indications are hard to determine as GPR readings are presented in a fashion that communicates location rather than the indication's expanse.

UNDERGROUND MAPPING

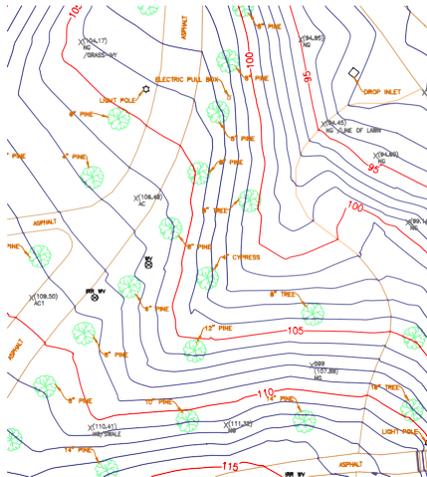

C Below will provide our client with electronic and/or printed documentation of our utility investigation when mapping is added to our locating scope of work. Utility locations will be plotted in a client provided site drawing with clear, easy to read detail. Each utility is labeled and color coded in accordance with the indications marked in the field. We prepare CAD drawings to ensure the industry's most accurate drawings. The details of these drawings are based upon client specifications. Some of these options include depth, pipe diameter and materials, connection points, and all unknown utilities.

In addition to 36" x 24" prints, our drawings can also be saved in PDF format for simple distribution and viewing. Our detailed drawings can be used to provide designers and contractors with an overview of what to expect when performing site work. All mapping is done under the supervision of a licensed civil engineer.

ADDITIONAL SURVEYING SERVICES

In addition to mapping our utility location markings, we offer a full range of surveying services.

- ADA
- BOUNDARY
- A.L.T.A./N.S.P.S
- TOPOGRAPHIC
- CROSS-SECTIONS
- ENCUMBRANCE MAPS
- ORTHO AERIAL PHOTOS

EXCEPTIONS

Please be sure to provide any project documents prior to dispatch. A workable CAD file is required if mapping is to be performed. JPG, TIFF, PDF files are not preferred and may affect the quality of the final product. If no CAD file can be provided, additional costs may apply. A complete and editable background must be provided by the client to ensure the quality of the final product.

POTHOLING

Potholing is also known as vacuum excavation and is used for the purpose of identifying the axis of an underground utility. When the utility is revealed, the type of material and utility size are documented. The data collected during these excavations are beneficial in all phases of construction. Based upon the soils conditions or scope, C Below will choose to use air or water to create the pothole. Potholes made to expose facilities encased in concrete, will stop at the encasement. The top of the encasement will then be recorded as the top of the facility.

After documenting our findings, each pothole will be backfilled, compacted, and a perm-a-patch or hot patch will be provided depending upon client specifications.

A potholing report complete with photographs are provided at the conclusion of the job documenting the location, utility found, depth to top of pipe, utility size, material and the soil conditions. If no utility is found within the predetermined depth of the pothole, it will be considered a dry hole. Additional holes may be necessary to provide a positive location of the utility.

C Below technicians performing potholing

Potholing equipment

PRICING & EXCEPTIONS

For billing purposes, C Below defines a standard pothole with the dimensions of 1' X 1' X 5' deep. Deviations from this standard definition require rate increases for additional time and materials to facilitate the client requests. Because potholing rates and other associated costs are based on the assumption of 8 hour work days, additional fees may apply if work is limited to less than 8 hours per day. These fees may include, but are not limited to: additional traffic control, travel time, and disposal fees. Standard pothole pricing includes holes at locations with a soil surface or an asphalt surface up to 6-inches thick. Additional fees will apply if the asphalt surface is over 6" thick or the proposed hole location has a concrete surface. If during the potholing operation the soil is found to have large aggregate or other debris over 3-inches in diameter, ground water, roots or hazardous materials, additional fees will apply. For further clarification please see rate sheet for 'Out of Scope Hole' and the table below. Optional Services include: hotpatching per City requirements, stamped traffic control plans by an engineer, routine traffic control plans.

CCTV PIPE INSPECTION AND CRAWLER CAM

C Below provides video pipe inspection that will give vital information to help properly maintain utility and pipe facilities. We perform this service on sanitary sewer and storm drain lines specifically identified by the client or client's representative. CCTV pipe inspection includes trained personnel and the use of a push camera and/or crawler camera depending on the size of the line.

During this inspection, videos are recorded in full color MP4 files that can be viewed easily on all computers. Captions can be added to the video to help identify the technician findings. Our push cameras can video lines as small as 3" in diameter while our crawler cameras can do pipes upwards of 72". The video technology offers high quality assessment of all piping, including joints. We offer quick results with the ability to transfer video feed via USB and Bluetooth technology.

Standard details recorded during the inspection include: obstructions or blockages, root intrusion, structural damage, pipe offsets and flow conditions. Problem areas found will be identified on the surface for easy identification.

In the event that any blockage is found, we are able to provide water jetting to clear the obstructions. Sanitary Sewer and Storm Drain lines may contain debris and blockages that limit the ability to perform CCTV Pipe Inspection. C Below can arrange for an outside contractor to jet all lines prior to CCTV pipe inspection to ensure the full length of the pipe can be filmed.

CCTV Crawler Cam

Intact and damaged storm drains as recorded by our CCTV

EXCEPTIONS

All lines designated by the client for need of inspection must have clear unobstructed access points. Information gathered during the inspection must be agreed upon prior to dispatch. For added scope of water jetting additional fees apply

OSD BOARD AGENDA ITEM

Name of Contributor: Valerie Mitchell, MPPA

Date of Meeting: August 23, 2023

Agenda Section: Section C: Facilities Agreement

**Approval of Agreement #23-99 with Construction Testing & Engineering South Inc.
DBA/Universal Engineering Sciences (UES) for Lab of Record Special Testing & Inspection
Services for the New ECDC Facilities at Drifill School (Mitchell/Miller/CFW)**

The Board of Trustees approved the Enhanced Master Construct Program (Program) that focuses on increasing the number of K-8 school facilities and replacing older schools, portable classroom, and support facilities with permanent K-5 & K-8 schools; all with the 21st Century Learning Environments that meet adopted Board specifications and program requirements.

As part of the Program, the District applied for State grant funds to construct new classrooms at Drifill school establish an ECDC facility. On October 26, 2022, the State Allocation Board approved an apportionment of \$7 million from the California Preschool, Transitional Kindergarten, Full-Day Kindergarten grant program for the proposed project and established an overall project budget of approximately \$10 million with the balance of the funds provided by the District's available capital funds. The District has since completed the necessary design work associated with the project and submitted construction documents to the Division of State Architect (DSA) for review and approval. With DSA approval pending and the anticipated commencement of construction, the District directed CFW to proceed with the procurement of professional consultants for the construction phase of the project.

Pursuant to District direction, and as required by the grant, CFW requested proposals from professional consultant firms that provide Lab of Record Special Testing and Inspection Services and received an acceptable proposal from Universal Engineering Sciences (formerly Construction Testing & Engineering South, Inc.)

The attached Agreement for Lab of Record Special Testing and Inspection Services and the Proposal describes the scope of services requested from UES and calls for the performance of Lab of Record services to ensure that the work performed in the field is in accordance with DSA approved design documents through the monitoring of construction activities and closeout of the Project. The service will confirm that construction activities were performed satisfactorily in accordance with the approved design. The Proposal and the subsequent scope of services it provides will enable the District to align the project with the goals set forth within Enhanced Master Construct Program.

FISCAL IMPACT:

The Lab of Record Services will be completed for a lump sum fixed fee of: Twenty-Eight Thousand Six Hundred Forty-Five Dollars and No Cents (\$28,645.00) based on an estimated nine-month construction schedule with the contract to be paid from a combination of funds from the California Preschool,

Transitional Kindergarten, Full-Day Kindergarten grant program and capital fund balances.

RECOMMENDATION:

It is the recommendation of the Assistant Superintendent, Business & Fiscal Services, and the Director of Facilities, in conjunction with CFW, that the Board of Trustees approve Agreement #23-99 with UES for the new ECDC facilities at Drifill.

**OXNARD SCHOOL DISTRICT
AGREEMENT FOR CONSULTANT SERVICES
LAB OF RECORD SERVICES TO BE PROVIDED FOR
DRIFFILL ELEMENTARY SCHOOL ECDC TRANSITIONAL
KINDERGARTEN CONSTRUCTION PROJECT**

This Agreement for Consultant Services (“Agreement”) is entered into as of this **23rd** day of **August 2023**, by and between the **Oxnard School District** (“District”), with offices located at 1051 South “A” Street, Oxnard, California 93030, and **CONSTRUCTION TESTING & ENGINEERING (CTE) SOUTH, INC. dba UNIVERSAL ENGINEERING SCIENCES (UES)** (“Consultant”), with a business address located at 2400 Celsius Avenue, Suite J, Oxnard, CA 93030. District and Consultant are sometimes hereinafter individually referred to as “Party” and hereinafter collectively referred to as “Parties”.

RECITALS

A. District is authorized by California Government Code section 53060 and District’s Board Policy 4368, to contract with independent contractors for the furnishing of services concerning financial, economic, accounting, engineering, legal, administrative and other matters. District has sought, by issuance of a Request for Proposal (“Proposal”), the performance of certain services, with the precise scope of work to be specified at the time of assignment of the work.

B. Following submission of a Proposal for the performance of services, Consultant was selected by District to perform services on behalf of the District at the District’s sole discretion.

C. The Parties desire to formalize the assignment of the Consultant for performance of services and desire the terms of that performance be as particularly defined and described herein.

NOW, THEREFORE, in consideration of the mutual promises and covenants made by the Parties and contained herein and other consideration, the value and adequacy of which are hereby acknowledged, the Parties agree as follows:

OPERATIVE PROVISIONS

- 1. Incorporation of Recitals and Exhibits.** The Recitals set forth above and all Exhibits attached to this Agreement, as hereafter amended, are incorporated by this reference as if fully set forth herein.
- 2. Scope of Services.** The Scope of Services to be assigned to Consultant pursuant to issuance of a Purchase Order, is further defined in **Exhibit “D” – Scope of Services**, wherein the general responsibilities of Consultant are described pursuant to the discipline(s) for which the Consultant has been deemed qualified by District as described in this Agreement.
- 3. Term of Agreement.** Subject to earlier termination as provided for below, this Agreement shall remain in effect from August 24, 2023 through August 23, 2024 (the “Term”). This Agreement is a single service Agreement specific to requested services to be performed for the **Driffill Elementary School ECDC New Transitional Kindergarten Facilities Project, 910 South E Street, Oxnard, CA 93030** (“Project”), as described in the **UES Proposal No. 5010 0523 0007 dated June 27, 2023**.

- 4. Time for Performance.** The scope of Services set forth in **Exhibit “D”** shall be completed during the Term referenced under item Section 3 above. If Services indicated in **Exhibit “D”** cannot be completed within the schedule set forth under Section 3 above, it is the responsibility of the Consultant to notify District no later than ten (10) days prior to the completion date for the Services, with a request for a time extension clearly identifying the cause(s) for the failure to complete the Services within the schedule and/or the Term. For this Agreement, the completion date for Services is March 30, 2024. Should Consultant fail to provide such notice, and/or the Services not be completed pursuant to that schedule or within the Term, Consultant shall be deemed to be in default as provided below. District, in its sole discretion, may choose not to enforce the Default provisions of this Agreement and may instead allow Consultant to continue performing the Services.
- 5. Additional Services.** Additional Services are services in addition to the Services set forth in this Agreement that are provided by Consultant pursuant to a written request by the District. Additional Services will require a written request or pre-authorization in writing by District, subject to specific approval processes of such services, to the extent required by District and which may be further determined at the time District receives a proposed cost for the requested Additional Services from the District Board of Trustees. Any modification of the compensation to be paid to Consultant as a result of Additional Services must be specifically approved in writing by the District Board of Trustees. In the event that the District Board of Trustees approves in writing a modification of the compensation, then Consultant shall be paid for such Additional Services pursuant to Section 8, below. However, it is understood and agreed that if the cause of the Additional Services is the sole or partial responsibility of Consultant, its agents, or any subconsultants or other parties under the charge of Consultant, no additional compensation shall be paid to Consultant. If such conditions exist so as to justify Additional Services as indicated above, which require additional compensation or time in order to be performed, it is the sole responsibility of Consultant to submit a request for Additional Services within ten (10) days of Consultant’s discovery of such conditions which require Additional Services. It is understood and agreed that if Consultant performs any services that it claims are Additional Services without receiving prior written approval from the District Board of Trustees, Consultant shall not be paid for such claimed Additional Services.
- 6. Compensation and Method of Payment.** In exchange for Consultant’s services, District shall pay an amount to Consultant not to exceed the amount set forth in **Exhibit “A” – Compensation & Rate/Fee Schedule**, attached hereto and incorporated by reference herein. This Agreement is to be invoiced to the District in the form of Progress Payments. Except as to any charges for work performed or expenses incurred by Consultant which are disputed by District, District will use its best efforts to cause Consultant to be paid within forty-five (45) days of receipt of Consultant’s correct and undisputed invoice. If any expenses stated within Consultant’s invoice are disputed by District, the original invoice shall be returned by District to Consultant for correction and resubmission. Payment to Consultant for work performed pursuant to this Agreement shall not be deemed to waive any defects in work performed by Consultant.
- a. Except as to any charges for work performed or expenses incurred by Consultant which are disputed by District, District will use its best efforts to cause Consultant to be paid within forty-five (45) days of receipt of Consultant’s correct and undisputed invoice.
- 7. Responsibilities of Consultant:**
- a) Consultant shall perform all Services as indicated in this Agreement to the Satisfaction of District.
- b) The specific Services of Consultant to be performed shall be indicated in **Exhibit “D”**, attached to this Agreement.

- c) Consultant hereby represents and warrants that (a) it is an experienced consultant in the discipline(s) identified in **Exhibit “D,”** having the skill, legal and professional ability, and flexibility necessary to perform all of the Services required under this Agreement; (b) it has the capabilities and resources necessary to perform its obligations hereunder; (c) it is familiar with all current laws, rules, regulations and other restrictions which are and may become applicable to the Scope of Services under this agreement, including but not limited to all local ordinances, building codes, and requirements from all Authorities Having Jurisdiction (“AHJ”) including, but not limited to, the Division of the State Architect (“DSA”), the Office of Public School Construction (“OPSC”), the State Facilities Planning Division (“SFPD”), California Department of Education (“CDE”), the California Department of General Services (“DGS”), the Department of Toxic Substance Control (“DTSC”), the California Environmental Quality Act (“CEQA”), Title 24 of the California Code of Regulations, the California Education Code, State and Local Fire Authorities, air quality districts, water quality and control boards, and any/all other AHJ; (d) it will assume all responsibility for all Services performed and all work prepared and furnished to District by its employees, agents, and subconsultants; (e) it has sufficient financial strength and resources to undertake and complete the Services provided for under this Agreement within the schedule and/or Term set forth in this Agreement; and (f) it certifies and covenants that all reports, certifications, studies, analyses, and other documents prepared by Consultant shall be prepared in accordance with all applicable laws, rules, regulations, and other requirements in effect at the time of their preparation, or required at their time of submittal to District and/or any applicable agencies.
- d) Consultant shall follow accepted industry standards and practices and comply with all federal, state and local laws and ordinances applicable to the Services required by this Agreement.

8. Responsibilities of District.

- a) District will prepare and furnish to Consultant upon Consultant’s request, such information as is reasonably necessary to the performance of the Services required under this Agreement. Consultant understands that all information provided to Consultant remains the property of District and shall only be removed from District’s possession/premises and/or be photocopied, reproduced, distributed, or otherwise made available to others if such activities are expressly approved in writing by District and/or the District’s Program Manager, Caldwell Flores Winters, Inc. (“Program Manager”). Failure to comply with the above requirements shall be reasonable cause for termination of this Agreement, and may subject Consultant to liability for damages to District.
- b) If requested by Consultant, District shall provide information as to the requirements and educational program for each project assigned by Agreement, including approved budget and schedule limitations.
- c) District shall facilitate and coordinate cooperation amongst and between District consultants, including but not limited to architects, construction managers, surveyors, geotechnical engineers, inspectors, testing laboratories, hazardous materials specialists, CEQA/DTSC compliance specialists, technology experts, and any other professional consultants District deems necessary to execute the Facilities Implementation Program. Such coordination shall include the distribution of documentation prepared by individual consultants which may be of service to Consultant in the course of completing the Services.
- d) District shall, at its sole discretion, provide for the timely approval and execution of the Agreement, Additional Services requests, invoices, and any other documentation that requires District action in order for Consultant to complete the Services.

9. Suspension. District may, for any reason or no reason, in District's sole discretion, suspend all or a portion of this Agreement, or the Services by giving ten (10) calendar days written notice of suspension to Consultant. In the event such notice is given, Consultant shall cease immediately all work in progress. If District suspends the Services for a period of ninety (90) consecutive calendar days or more and, in addition, if such suspension is not caused by Consultant or the acts or omissions of Consultant, then if the Services are resumed, Consultant's compensation shall be subject to adjustment to provide for actual direct costs and expenses incurred by Consultant as a direct result of the suspension and resumption by District of the Services.

10. Termination. This Agreement and/or all or part of the Services contained herein may be terminated at any time by mutual agreement of the Parties or by either Party as follows:

a) District may terminate all or a portion of this Agreement, or the Services, without cause, at any time by giving ten (10) calendar days' written notice of termination to Consultant. In the event such notice is given, Consultant shall cease immediately all work in progress; or

b) District may terminate all or a portion of this Agreement, or the Services, for cause, in the event of a Default by giving written notice pursuant to Section 13 below; or

c) Consultant may terminate this Agreement at any time upon thirty (30) calendar days' written notice to the District, if District fails to make any undisputed payment to Consultant when due and where such failure remains uncured for forty-five (45) calendar days after Consultant's written notice to District.

11. Similar or Identical Services. In the event this Agreement, or any of the Services, are terminated in whole or in part as provided herein, District may procure, upon such terms and in such manner as District may determine appropriate, services similar or identical to those terminated to complete any unfinished Services or new services as needed by District, and upon such terms and in such manner as District may determine appropriate.

12. Inspection and Final Acceptance. District's acceptance of any work or Services, whether specifically in writing or by virtue of payment, shall not constitute a waiver of any of the provisions within this Agreement, unless otherwise expressly stated.

13. Default.

a) Failure of Consultant to perform any Services or comply with any provisions of this Agreement constitutes a Default. District may terminate all or any portion of this Agreement, or the Services, for cause, in the event of a Default. The termination shall be effective if (i) Consultant fails to cure such Default within thirty (30) calendar days following issuance of written notice thereof by District; and/or (ii) if the cure by its nature takes longer, and thereby the Consultant fails to commence such cure within thirty (30) calendar days from the date of issuance of the notice and fails to diligently prosecute such cure to the satisfaction of District. If Consultant has not cured the Default, District may withhold all invoices and may choose to proceed with payment on said invoices only after the Default is cured to District's satisfaction. In the alternative, District may, in its sole discretion, during the period before Consultant has cured the Default, elect to pay any portion of outstanding invoices that corresponds to Services satisfactorily rendered. Any failure on the part of District to give notice of Consultant's default shall not be deemed to result in a waiver of District's rights at law and in equity, nor a waiver of any rights arising out of any provision of this Agreement.

b) In addition to District's termination rights set forth above, District shall have (i) the right to cure Consultant's Default at Consultant's cost, in which case all amounts expended by District in connection

with such cure shall accrue interest from the date incurred until repaid to District by Consultant at the rate of ten percent (10%) per annum; and (ii) all other rights and remedies available to District at law and in equity, including, without limitation, an action for damages. District shall have the right to retain unpaid earned balances to offset damages, and/or charge Consultant for all damages above and beyond unpaid balance of Agreement.

14. Ownership of Documents. All maps, models, designs, drawings, photographs, studies, surveys, reports, data, notes, computer files, files and other documents prepared, developed or discovered by Consultant in the course of providing any Services pursuant to this Agreement (collectively and individually, the “Documents”) shall become the sole property of District and may be used, reused or otherwise disposed of by District without the permission of Consultant. Upon completion, expiration, or termination of this Agreement, Consultant shall turn over to District all such Documents.

15. Use of Documents by District. If and to the extent that District utilizes any Documents, for any purpose not related to this Agreement and/or the Project, Consultant’s guarantees and warranties related to Standard of Performance under this Agreement shall not extend to such use of the Documents.

16. Consultant’s Books and Records. Consultant shall maintain any and all documents and records demonstrating or relating to Consultant’s performance of Services pursuant to this Agreement for a minimum of four (4) years after termination or expiration of this Agreement, or longer if required by law. Such records shall include, at minimum, a detailed record of daily performance, staff time records, subconsultants’ time records, documentation of all costs incurred by Consultant that were billed to District, and detailed records of all Consultant fees, overhead, and profit on earned amounts.

- a) Consultant shall maintain any and all ledgers, books of account, invoices, vouchers, canceled checks, or other documents or records evidencing or relating to work, services, expenditures and disbursements charged to District pursuant to this Agreement for a minimum of four (4) years, or longer if required by law, all in accordance with generally accepted accounting principles and with sufficient detail so as to permit an accurate evaluation of the Services provided by Consultant pursuant to this Agreement.
- b) Any and all such records or documents shall be made available for inspection, audit, and copying, at any time during regular business hours, upon request by District or its designated representative. Copies of such documents or records shall be provided directly to District for inspection, audit, and copying when it is practical to do so; otherwise, unless an alternative is mutually agreed upon, such documents and records shall be made available at Consultant’s address indicated for receipt of notices in this Agreement.
- c) District has the right to acquire custody of such records by written request if Consultant decides to dissolve or terminate its business. Consultant shall deliver or cause to be delivered all such records and documents to District within sixty (60) days of receipt of the request.

17. Independent Contractor. Consultant is retained as an independent contractor and is not employed by District. No employee or agent of Consultant shall become, or be considered to be, an employee of District for any purpose. It is agreed that District is interested only in the results obtained from the Services under this Agreement and that Consultant shall perform as an independent contractor with sole control of the manner and means of performing the Services required under this Agreement. Consultant shall complete this Agreement according to its own methods of work which shall be in the exclusive charge and control of Consultant, and which shall not be subject to control or supervision by District except as to results of the Services. Consultant shall provide all of its own supplies, equipment, facilities, materials, manpower, and any/all other resources that may become necessary in the course of completing the Services. It is expressly understood and agreed that Consultant and its employees shall in no event be entitled to any benefits to which District employees are entitled, including, but not limited to, overtime, retirement benefits, insurance, vacation, worker’s

compensation benefits, sick or injury leave or other benefits. Consultant will be responsible for payment of all of Consultant's employees' wages, payroll taxes, employee benefits and any amounts due for federal and state income taxes and Social Security taxes, since these taxes will not be withheld from payments under this Agreement.

- a) The personnel performing the Services under this Agreement on behalf of Consultant shall at all times be under Consultant's exclusive direction and control. Consultant, its officers, agents, and employees shall not at any time or in any manner represent that Consultant or any of Consultant's officers, employees, or agents are in any manner officials, officers, employees or agents of District.
- b) Consultant shall have no authority to bind District in any manner, or to incur any obligation, debt or liability of any kind on behalf of or against District, whether by contract or otherwise, unless such authority is expressly conferred in writing by District, or under this Agreement.

18. Standard of Performance. Consultant represents and warrants that it has the skill, qualifications, experience and facilities necessary to properly perform the Services required under this Agreement in a thorough, competent and professional manner. Consultant represents and warrants that its employees and subcontractors have all legally required licenses, permits, qualifications and approvals necessary to perform the Services and that all such licenses and approvals shall be maintained throughout the term of this Agreement. Consultant shall at all times faithfully, competently and to the best of its ability, experience and talent, perform all Services described herein. In meeting its obligations under this Agreement, Consultant shall employ, at a minimum, the standard of care utilized by persons engaged in providing services similar to those required of Consultant under this Agreement for California school districts in or around the same geographic area of District (the "Standard of Performance").

19. Confidential Information. All information gained during performance of the Services and all Documents or other work product produced by Consultant in performance of this Agreement shall be considered confidential ("Confidential Information"). Consultant shall not release or disclose any such Confidential Information, Documents, or work product to persons or entities other than District without prior written authorization from the Superintendent of District and/or Program Manager, except as may be required by law. Confidential Information does not include information that: (i) Consultant had in its possession prior to considering entering into this Agreement; (ii) becomes public knowledge through no fault of Consultant; (iii) Consultant lawfully acquires from a third party not under an obligation of confidentiality to the disclosing party; or (iv) is independently developed by Consultant without benefit of the information provided by District. In connection with Confidential Information:

- a) Consultant shall promptly notify District if it is served with any summons, complaint, subpoena or other discovery request, court order or other request from any party regarding this Agreement or the Services performed hereunder.
- b) District retains the right, but has no obligation, to represent Consultant or be present at any deposition, hearing or similar proceeding. Consultant agrees to cooperate fully with District and to provide District with the opportunity to review any response to discovery requests provided by Consultant; provided that this does not imply or mean the right by District to control, direct, or rewrite said response.

20. Conflict of Interest. Consultant covenants that neither it, nor any officer or principal of its firm, has or shall acquire any interest, directly or indirectly, which would conflict in any manner with the interests of District or which would in any way hinder Consultant's performance of the Services under this Agreement. Consultant further covenants that in the performance of this Agreement, no person having any such interest shall be employed by it as an officer, employee, agent or subcontractor without the express written consent of District. Consultant agrees to at all times avoid conflicts of interest or the appearance of any conflicts of interest with

the interests of District in the performance of this Agreement.

- a) Bylaws of the Board 9270 & 9270-E, as hereinafter amended or renumbered, require that a consultant that qualifies as a “designated employee” must disclose certain financial interests by filing financial interest disclosures. By its initials below, Consultant (i) represents that it has received and reviewed a copy of the Bylaws of the Board 9270 & 9270-E and that it [] does [X] does not qualify as a “designated employee”; and (ii) agrees to notify District, in writing, if Consultant believes that it is a “designate employee” and should be filing financial interest disclosures, but has not been previously required to do so by District.

_____ (Initials)

21. Compliance with Applicable Laws. In connection with the Services and its operations, Consultant shall keep itself informed of and comply with all applicable federal, state and local laws, statutes, codes, ordinances, regulations and rules including, but not limited to, minimum wages and/or prohibitions against discrimination, in effect during the Term. Consultant shall obtain any and all licenses, permits and authorizations necessary to perform the Services. Neither District, nor any Board members, officers, officials, employees, agents, or volunteers of District shall be liable, at law or in equity, as a result of any failure of Consultant to comply with this section.

- a) Without limiting the generality of the foregoing, Consultant, unless exempted, shall comply with the requirements of Education Code section 45125.1 with respect to fingerprinting of employees who may have contact with District’s pupils. Consultant must complete District’s certification form, attached herein as **Exhibit “C,”** prior to any of Consultant’s employees coming into contact with any of District’s pupils. Consultant also agrees to comply with all other operational requirements of District, as may be revised from time to time, including but not limited to any obligations relating to vaccination or testing for infectious diseases.

22. Unauthorized Aliens. Consultant hereby promises and agrees to comply with all of the provisions of the Federal Immigration and Nationality Act, 8 U.S.C.A. §§ 1101, et seq., as amended, and in connection therewith, shall not employ “unauthorized aliens” as that term is defined in 8 U.S.C.A. §1324a(h)(3). Should Consultant so employ such individuals for the performance of work and/or Services covered by this Agreement, and should any liability or sanctions be imposed against District for such employment, Consultant hereby agrees to and shall reimburse District for the cost of all such liabilities or sanctions imposed, together with any and all costs, including attorneys’ fees, incurred by District.

23. Non-Discrimination. Consultant shall abide by the applicable provisions of the United States Civil Rights Act of 1964 42 U.S.C. 2000e and other provisions of law prohibiting discrimination and shall not discriminate, in any way, against any person on the basis of race, color, religious creed, national origin, ancestry, sex, sexual orientation, age, physical handicap, medical condition or marital status in connection with or related to the performance of this Agreement.

24. Disabled Veteran Business Enterprise Participation. Pursuant to Education Code section 17076.11, District has a participation goal for disabled veteran business enterprises (“DVBES”) of at least three (3) percent, per year, of funds expended each year by District on projects that use funds allocated by the State Allocation Board pursuant to the Leroy F. Greene School Facilities Act. Unless waived in writing by District, Consultant shall provide proof of DVBE compliance, in accordance with any applicable policies of District or the State Allocation Board, within thirty (30) days of its execution of this Agreement

25. Assignment. The expertise and experience of Consultant are material considerations for this Agreement. District has an interest in the qualifications of and capability of the persons and entities that will fulfill the duties and obligations imposed upon Consultant under this Agreement. In recognition of that interest, Consultant shall not assign or transfer this Agreement or any portion of this Agreement or the performance of

any of Consultant's duties, Services or obligations under this Agreement without the prior written consent of District and approval by District's Board of Trustees. Any attempted assignment shall be ineffective, null and void, and shall constitute a material breach of this Agreement entitling District to any and all remedies at law or in equity, including summary termination of this Agreement.

26. Subcontracting. Notwithstanding the above, Consultant may utilize subcontractors in the performance of its duties pursuant to this Agreement, but only with the prior written consent of District. Consultant shall be as fully responsible to District for the acts and omissions of its subcontractors, and of persons either directly or indirectly employed by Consultant's subcontractors, as if the acts and omissions were performed by Consultant directly. Any and all subcontractors utilized by Consultant under this Agreement and/or for the Project must maintain any required licenses or certifications.

27. District Administrator. **Lisa Franz** shall be in charge of administering this Agreement on behalf of District (the "Administrator"), provided that any written notice or any consent, waiver or approval of District must be signed by the Superintendent or a designated employee of District to be valid. The Administrator has completed **Exhibit D** "Conflict of Interest Check" attached hereto.

28. Continuity of Personnel. Consultant shall make every reasonable effort to maintain the stability and continuity of Consultant's staff and subcontractors consistent with the staff proposed as part of the Statement of Qualifications, if any, assigned to perform Services under this Agreement.

- a) Consultant shall provide District and the Administrator a list of all personnel and subcontractors providing Services and shall maintain said list current and up to date at all times during the Term. The list shall include the following information: (1) all full or part-time staff positions by title, including volunteer positions whose direct services are required to provide the Services; (2) a brief description of the functions of each such position and the hours each position works each week or, for part-time positions, each day or month, as appropriate; (3) the professional degree, if applicable, and experience required for each position; and (4) the name of the person responsible for fulfilling the terms of this Agreement.

29. Indemnification.

- a) For all liability either found by a court of competent jurisdiction, or as agreed to by the Parties, other than that liability arising out of the professional services of Consultant as described in **Exhibit "D,"** Consultant agrees to indemnify, defend and hold harmless District and its Board members, officers, officials, employees, and agents ("Indemnified Parties"), from and against any and all claims, actions, losses, damages, judgments, and/or liabilities arising out of this Agreement from any cause whatsoever, including the acts of any person or entity under the control of the Consultant and for any costs or expenses (including but not limited to attorneys' fees) incurred by District on account of any claim, except where such indemnification is prohibited by law. Consultant's indemnification obligation applies to District's active as well as passive negligence but does not apply to District's sole negligence or willful misconduct.
- b) For liability arising out of the performance of its professional services under this Agreement, Consultant agrees to indemnify, defend, and hold harmless District and its Indemnified Parties, from and against any and all claims, actions, losses, damages, judgments, and/or liabilities, to the extent arising out of, pertaining to, or relating to the negligence, recklessness, or willful misconduct of Consultant. In no event shall such cost to defend that is charged to the Consultant exceed Consultant's proportionate percentage of fault. Consultant's indemnification obligation does not apply to District's sole negligence or willful misconduct.
- c) Consultant agrees to obtain executed indemnity agreements with provisions identical to the above from each and every subcontractor or sub-consultant retained or employed by Consultant in the performance of this Agreement. Failure of District to monitor compliance with these requirements imposes no additional

obligations on District and will in no way act as a waiver of any rights hereunder. Consultant's obligation to indemnify and defend District as set forth above is binding on the successors, assigns or heirs of Consultant and shall survive the termination of this Agreement.

_____(Initials)

30. Insurance. Consultant agrees to obtain and maintain in full force and effect during the term of this Agreement the insurance policies set forth in **Exhibit "B"** and made a part of this Agreement. All insurance policies shall be subject to approval by District as to form and content. These requirements are subject to amendment or waiver if so approved in writing by the District Superintendent. Any Consultant subcontractors and/or sub-consultants must maintain the necessary insurance coverages as provided for in this Agreement, including but not limited to **Exhibit "B."**

31. Notices. All notices required or permitted to be given under this Agreement shall be in writing and shall be personally delivered, or sent by telecopier or certified mail, postage prepaid and return receipt requested, addressed as follows:

To District: Oxnard School District
1051 South A Street
Oxnard, California, 93030
Attention: Dr. Ana DeGenna, Interim Superintendent
Re: Driffill ECDC Project

With electronic copy to: Caldwell Flores Winters, Inc.
Oxnard School District Program Manager
815 Colorado Boulevard, Suite 201
Los Angeles, CA 90041
Attention: Michael Brewer
Telephone: (626) 829-8323
Email: mbrewer@cfwinc.com

To Consultant: Construction Testing & Engineering South, Inc
dba Universal Engineering Sciences (UES)
2400 Celsius Avenue, Suite J
Oxnard, CA 93030
Attention: Victor Hernandez Gaytan
Telephone (909) 253-5321
Email: VHernandez2@UniversalEngineering.com

All notices, demands, or requests to be given under this Agreement shall be given in writing and conclusively shall be deemed received when delivered in any of the following ways: (i) on the date delivered, if delivered personally; (ii) on the date sent, if sent by facsimile transmission and confirmation of transmission is received; (iii) on the date it is accepted or rejected, if sent by certified mail; and (iv) the date it is received, if sent by regular United States mail.

32. Disputes. Except in the event of the District's failure to make an undisputed payment due the Consultant, notwithstanding any disputes between the District and Consultant hereunder, the Consultant shall continue to provide and perform the Services and authorized Additional Services pending a subsequent resolution of such disputes. Any and all disputes under this Agreement between the District and Consultant shall be submitted for

resolution for non-binding mediation. If such disputes cannot be resolved through mediation, all remaining disputes shall be resolved by binding arbitration conducted under the auspices of AAA and the AAA Construction Industry Arbitration Rules. The foregoing notwithstanding, as an express condition to the Consultant's commencement of arbitration proceedings hereunder, the Consultant shall comply with all applicable requirements of Government Code section 900, *et seq.*

- 33. Excusable Delays.** Neither Party will be liable to the other for unanticipated delays or failures in performance resulting from causes beyond the reasonable control of that Party, including, but not limited to, acts of God, labor disputes or disturbances, material shortages or rationing, riots, acts of war, governmental regulations, communications or utility failures, or casualties; provided that the delayed Party: (i) gives the other Party prompt written notice of such cause; and (ii) uses reasonable efforts to correct such failure or delay in its performance. The delayed Party's time for performance or cure under this section will be extended for a period equal to the duration of the cause or sixty (60) days, whichever is less.
- 34. Entire Agreement; Binding Effect.** This Agreement including Exhibits hereto, contains the entire understanding of the Parties, and supersedes all other written or oral agreements. Consultant shall be entitled to no other benefits other than those specified herein. Consultant specifically acknowledges that in entering into this Agreement, Consultant relied solely upon the provisions contained in this Agreement and no others. This Agreement shall be binding upon the heirs, executors, administrators, successors and assigns of the Parties.
- 35. Amendment.** No changes, amendments, alterations, or modifications of this Agreement shall be valid, effective or binding unless made in writing and signed by both Parties and approved by the District's Board of Trustees. The Parties agree that this requirement for written modifications cannot be waived and that any attempted waiver shall be void.
- 36. Waiver.** Waiver by any Party of any term, condition, or covenant of this Agreement shall not constitute a waiver of any other term, condition, or covenant. Waiver by any Party of any breach of the provisions of this Agreement shall not constitute a waiver of any other provision or a waiver of any subsequent breach or violation of any provision of this Agreement. None of the provisions of this Agreement shall be considered waived by either Party unless such waiver is specifically specified in writing. Neither District's review, approval of, nor payment for, any of the Services required under this Agreement shall be construed to operate as a waiver of any rights under this Agreement, and Consultant shall remain liable to District in accordance with this Agreement for all damages to District caused by Consultant's failure to perform any of the Services to the Standard of Performance. This provision shall survive the termination of this Agreement.
- 37. Governing Law.** This Agreement shall be interpreted, construed and governed according to the laws of the State of California. With respect to litigation involving this Agreement, or the Services, venue in state trial courts shall lie exclusively in the County of San Bernardino, California.
- 38. Severability.** If any term, condition or covenant of this Agreement is declared or determined by any court of competent jurisdiction to be invalid, void or unenforceable, the remaining provisions of this Agreement shall not be affected thereby and the Agreement shall be read and construed without the invalid, void or unenforceable provision(s).
- 39. Authority to Execute.** The person or persons executing this Agreement on behalf of Consultant represents and warrants that he/she/they has/have the authority to so execute this Agreement and to bind Consultant to the performance of its obligations hereunder.

IN WITNESS WHEREOF, District and Consultant have executed and delivered this Agreement for consultant services as of the date first written above.

EXHIBIT “A”

COMPENSATION & RATE/FEE SCHEDULE

I. The following rates of pay shall apply in the performance of the Services under this Agreement:

Total Not to Exceed Fee = \$28,645.00

II. Consultant may utilize subcontractors as permitted in the Agreement. The hourly rate for any subcontractor shall be consistent with the rate and fee schedule indicated in Section I above, unless other direction is provided with written authorization from District Superintendent or his/her designee.

III. Claims for reimbursable expenses shall be documented by appropriate invoices and supporting receipts. Consultant may be reimbursed for those reasonable out-of-pocket expenses set forth below that are incurred and paid for by Consultant beyond the typical obligations under this Agreement, but only to the extent that such expenses are directly related to Services satisfactorily completed, are approved by District in writing and do not cause the amounts paid to Consultant to exceed the amounts allowed under this Agreement. No mark-up of any expense is permitted. The following is the EXCLUSIVE list of reimbursable expenses:

A. Travel and Mileage. Consultant must request the travel in writing and justify why the travel should be reimbursed. Travel expenses must be approved in writing by District, in its sole discretion. Trips from any Consultant’s office to District’s office or to the Project site will not be approved for reimbursement.

B. Reimbursable Reprographic Services. Print sets or copies requested in writing by District beyond the quantities required under the Agreement.

C. Fees for Subcontractors. Fees for subcontractors hired and paid by Consultant at the written request of District and are permitted in the Agreement.

D. Fees advanced for securing approval of public agencies having jurisdiction over any project hereunder.

IV. Consultant shall provide to District a complete Schedule of Values (“SOV”), identifying major work activities required to complete the authorized scope of work. All invoices must reflect the appropriate progress percentage for each SOV item billed, to be verified by District. District will compensate Consultant for the Services performed upon approval by District of a valid and complete invoice, in form and substance acceptable to District.

A. Acceptable back-up for billings shall include, but not be limited to:

a. Records for all personnel describing the work performed, the number of hours worked, and the hourly rate, for all time charged to the Services.

b. Records for all supplies, materials and equipment properly charged to the Services.

c. Records for all travel pre-approved by District and properly charged to the Services.

d. Records for all subcontractor labor, supplies, equipment, materials, and travel properly charged to the Services.

Exhibit “A”

Unless otherwise directed by District, in writing, completed invoices are to be submitted to the attention of the Director of Purchasing and the Chief Business Official. To be considered complete, the invoice packet shall include all back-up documentation required by District and sign-off from District staff, Program Manager or project manager assigned by District to supervise the Services.

The total compensation for the Services shall be provided for in this Agreement.

V. Compensation Upon Termination. In the event that District suspends or terminates this Agreement, or any of the Services pursuant to Section 10 or Section 11(a) of the Agreement, District will pay Consultant as provided herein for all Services and authorized Additional Services actually performed, and all authorized reimbursable expenses actually incurred and paid, under and in accordance with this Agreement, up to and including the date of suspension or termination; provided that such payments shall not exceed the amounts specified in the Agreement as compensation for the Services completed, plus any authorized Additional Services and authorized reimbursable expenses completed prior to suspension or termination. No payment for demobilization shall be paid unless District at its sole discretion determines that demobilization or other compensation is appropriate.

After a notice of termination is given, Consultant shall submit to District a final claim for payment, in the form and with certifications prescribed by District. Such claim shall be submitted promptly, but in no event later than forty (40) calendar days after the Termination Date specified on the notice of termination. Such payment shall be Consultant's sole and exclusive compensation and District shall have no liability to Consultant for any other compensation or damages, including without limitation, anticipated profit, prospective losses, legal fees or costs associated with legal representation or consequential damages, of any kind.

Exhibit "A"

EXHIBIT "B"

INSURANCE

I. Insurance Requirements. Consultant shall provide and maintain insurance, acceptable to District Superintendent and/or District's counsel, in full force and effect throughout the Term of this Agreement, against claims for injuries to persons or damages to property which may arise from or in connection with the performance of the work hereunder by Consultant, its agents, subcontractors, representatives and/or employees. Insurance is to be placed with insurers authorized to conduct business in the State of California and with a current A.M. Best's rating of no less than A, as rated by the current edition of Best's Key Rating Guide, published by A.M. Best Company, Oldwick, New Jersey 08858. Consultant shall provide the following scope and limits of insurance:

A. Minimum Scope of Insurance. Coverage shall be at least as broad as:

(1) Commercial General Liability coverage of not less than two million dollars (\$2,000,000) aggregate and one million dollars (\$1,000,000) per occurrence.

(2) Auto liability insurance with limits of not less than one million dollars (\$1,000,000).

(3) Insurance coverage should include:

1. owned, non-owned and hired vehicles;
2. blanket contractual;
3. broad form property damage;
4. products/completed operations; and
5. personal injury.

(4) Workers' Compensation insurance as required by the laws of the State of California.

(5) Professional liability (Errors and Omissions) insurance, including contractual liability, as appropriate to the Consultant's profession, in an amount of not less than \$1,000,000 per occurrence and \$2,000,000 in the aggregate.

Failure to maintain professional liability insurance is a material breach of this Agreement and grounds for immediate termination.

II. Other Provisions. Insurance policies required by this Agreement shall contain the following provisions:

A. All Policies. Each insurance policy required by this Agreement shall be endorsed and state the coverage shall not be suspended, voided, cancelled by the insurer or either Party to this Agreement, reduced in coverage or in limits except after thirty (30) days' prior written notice by Certified mail, return receipt requested, has been given to District.

B. General Liability, Automobile Liability, and Abuse/Molestation Coverages.

(1) District, and its Board members, officers, officials, employees, agents, and volunteers are to be covered as additional insureds (collectively, "additional insureds") as respects the following: liability arising out of activities and/or Services Consultant performs; products and completed operations of Consultant; premises owned, occupied or used by Consultant; automobiles owned, leased, hired or borrowed by Consultant, and abuse/molestation.

Exhibit "B"

The coverage shall contain no special limitations on the scope of protection afforded to additional insureds.

(2) Each policy shall state that the coverage provided is primary and any insurance carried by any additional insured is in excess to and non-contributory with Consultant's insurance.

(3) Consultant's insurance shall apply separately to each insured against whom claim is made or suit is brought, except with respect to the limits of the insurer's liability.

(4) Any failure to comply with the reporting or other provisions of the policies including breaches of warranties shall not affect coverage provided to any additional insured.

III. Other Requirements. Consultant agrees to deposit with District, at or before the effective date of this Agreement, certificates of insurance necessary to satisfy District that the insurance provisions of this Agreement have been complied with. District may require that Consultant furnish District with copies of original endorsements effecting coverage required by this section. The certificates and endorsements are to be signed by a person authorized by that insurer to bind coverage on its behalf. District reserves the right to inspect complete, certified copies of all required insurance policies, at any time.

A. If any Services are performed by a subcontractor, Consultant shall furnish certificates and endorsements from each subcontractor identical to those Consultant provides.

B. Any deductibles or self-insured retentions must be declared to and approved by District. At the option of District, either the insurer shall reduce or eliminate such deductibles or self-insured retentions as respects District or its Board members, officers, officials, employees, agents, and volunteers, or the Consultant shall procure a bond guaranteeing payment of losses and related investigations, claim administration, defense expenses and claims.

C. The procuring of any required policy or policies of insurance shall not be construed to limit Consultant's liability hereunder nor to fulfill the indemnification provisions and requirements of this Agreement.

Exhibit "B"

EXHIBIT “C”

BACKGROUND CHECK AND FINGERPRINTING PROCEDURES FOR CONTRACTORS

The Consultant will be required to assure that its employees, subcontractors of any tier, material suppliers, and consultants do not have direct contact with the District’s students during the performance of the Agreement in compliance with Education Code sections 45125.1 and 45125.2. To assure these provisions, the Consultant’s supervisor shall be fingerprinted, and proof of same shall be provided to the District prior to start of on-site work. The supervisor will monitor the workers’ conduct while on school grounds. In addition, the Consultant shall barricade the work area to separate its workers from the students. Costs associated with this process are the responsibility of the Consultant.

The Consultant’s construction supervisors or their unsupervised employees who will be working outside of fenced areas during the school hours **must** have submitted a fingerprint identification card to the Department of Justice (“DOJ”) and have a proof of clearance in the form of an affidavit filed in the Needles Unified School District’s (“District”) Purchasing Office **prior to** the start of the work.

Education Code sections 45125.1 and 45125.2 require that criminal checks be completed for contractors who provide construction, janitorial, administrative, grounds and landscape maintenance, pupil transportation, food-related, or other similar services to school districts.

The undersigned does hereby certify to the Board of Trustees of the District as follows:

That I am a representative of the Consultant currently under contract (“Agreement”) with the District; that I am familiar with the facts herein certified, and am authorized and qualified to execute this certificate on behalf of Consultant.

Consultant certifies that it has taken the following actions with respect to the construction Project that is the subject of the Agreement:

1. Pursuant to Education Code section 45125.2, Consultant has installed or will install, prior to commencement of work, a physical barrier at the Project site, which will limit contact between Consultant’s employees and District pupils at all times (mandatory for all projects); AND

2. The Consultant has complied with the fingerprinting requirements of Education Code section 45125.1 with respect to all Consultant’s employees and all of its subcontractors’ employees who may have contact with District pupils in the course of providing services pursuant to the Contract, and the DOJ has determined that none of those employees has a pending criminal proceeding for a felony or has been convicted of a felony, as that term is defined in Education Code section 45122.1. A complete and accurate list of Consultant’s employees and of all its subcontractors’ employees who may come in contact with District pupils during the course and scope of the Contract is attached hereto; AND/OR

3. Pursuant to Education Code section 45125.2, Consultant certifies that all employees will be under the continual supervision of, and monitored by, an employee of the Consultant whom the California DOJ has ascertained has not been convicted of a violent or serious felony. The name and title of each employee who will be supervising Consultant’s employees and its subcontractors’ employees is:

Name: _____

Title: _____

AND/OR

4. The work on the Contract is at an unoccupied school site and no employee and/or subcontractor or supplier of any tier of Consultant shall come in contact with District pupils.

Consultant's responsibility for background clearance extends to all of its employees, subcontractors, and employees of subcontractors coming into contact with District pupils regardless of whether they are designated as employees or acting as independent contractors of the Consultant.

SCOPE OF SERVICES

Outlined in UES’s Attached Proposal, dated June 27, 2023

EXHIBIT "E"
TO AGREEMENT FOR CONSULTANT SERVICES #23-99

CONFLICT OF INTEREST CHECK

Bylaws of the Board 9270 & 9270-E requires that the Superintendent or a designee make a determination, on a case by case basis, concerning whether disclosure will be required from a consultant to comply with District's Conflict of Interest Code (commencing with Bylaws of the Board 9270 BB).

Consultants are required to file disclosures when, pursuant to a contract with District, Consultant will make certain specified government decisions or will perform the same or substantially the same duties for District as a staff person would.

The services to be performed by Consultant under the Agreement to which this Exhibit D is attached constitute do not constitute governmental decisions or staff services within the meaning of the Conflict of Interest Code. Therefore, Consultant, is is not subject to disclosure obligations.

Re: Construction Materials Testing and Special Inspection Proposal
Soils & Material Testing Laboratory & Special Inspection Services (LOR)
Driffill Elementary School
910 South East Street
Oxnard, CA 93030

Mr. Ostrander,

Universal Engineering Sciences (UES) is pleased to present this proposal to provide special inspections and materials testing services for the above referenced project. For nearly six decades, UES has provided essential engineering and construction consulting services throughout the United States, including professional and technical services in Geotechnical Engineering, Construction Materials and Inspection, Building Code Compliance review and permitting, Environmental Consulting, and Building Envelope Evaluation.

UES has the technical capabilities, personnel, equipment resources, and local expertise to provide you with the required testing, observation, and consultant services. UES has licensed, registered, and certified professionals. Our mission is to provide the highest quality geotechnical engineering services, built on our strong foundation of deep industry experience, trusted relationships, superior customer service and agility, and our reputation for safety and quality, in order to ensure the success of our clients and national growth of our business.

UES carries the following accreditations: AASHTO Materials Reference Laboratory (AMRL), Cement and Concrete Reference Laboratory (CCRL), City of Los Angeles (LADBS), Division of the State Architect (DSA), and U.S. Army Corps of Engineers (USACE).

PROJECT DESCRIPTION

The Oxnard School District successfully garnered a grant from California Preschool, Transitional Kindergarten, Full-Day Kindergarten grant program for 10 new classrooms at Driffill Elementary School. The duration of the project is expected to be 9 months. The building construction will be prefabricated modular buildings with inspection requirements for foundations and site improvements.

UES's preparation for this proposal is based on the following:

- The following documents were reviewed in preparation for this proposal.

Project Documents		
Document	Created By:	Date:
RFP	Caldwell Flores Winter, Inc.	May 25, 2023
Geotechnical Report	Rybak Geotechnical, Inc.	May 11, 2023
Civil Plans	ECG Encompass Consultant Group	June 1, 2023
Architectural Plans	Flewelling & Moody	June 2, 2023
Structural Plans	CYS Structural Engineers Inc.	May 30, 2023
DSA Form 103	Scott F. Gaudineer	June 02, 2023

- The Division of the State Architect will serve as the governing jurisdiction for this project.
- No construction schedule was provided.
- UES recommends a pre-construction meeting to go over inspection requirements and procedures.
- This project is subject to prevailing wage.

DEPARTMENT OF INDUSTRIAL RELATIONS (DIR) NUMBER

We understand that the project will be subject to current prevailing wage laws. We request that your firm provide the project number issued by the Department of Industrial Relations in the space provided below:

DIR No. _____

SCOPE OF SPECIAL INSPECTION AND MATERIAL TESTING SERVICES

The following inspections and testing will be provided by an inspector(s)/technician(s) certified by the American Concrete Institute (ACI), International Code Council (ICC), and/or the American Welding Society (AWS) and in accordance with the requirements of Chapter 17 of the applicable California Building Code, Governing Agency Technical Guidelines, and project plans and specifications.

Per DSA Form 103, Special inspections anticipated are Soils, Cast-in-Place Concrete, Structural Steel, Cold-Formed Steel, and aluminum used for Structural Purposes, welding (Shop and Field), and Non-Destructive Testing. The following is a description of the anticipated services.

Geotechnical Engineer of Record

A UES Geotechnical Engineer or his/her qualified representative will verify that the site has been prepared properly prior to placement of controlled fill and/or excavations for foundations, foundation excavations are extended to proper depth and have reached proper material, and that materials below footings are adequate to achieve the design bearing capacity.

The Geotechnical Engineer will perform inspection and submit a comprehensive report documenting final soil improvements constructed, construction observation and the results of the confirmation testing and analysis to California Geological Survey (CGS) for final acceptance.

Soil Compaction and Fill

A UES inspector will provide continuous inspection in order to verify use of proper materials, densities, and to inspect lift thickness, placement, and compaction during placement of fill. Testing will be performed for compaction.

Cast-in-Place Concrete

A UES inspector will provide periodic inspection to verify use of required mix design, identify, sample, and test reinforcing steel. During concrete placement, the inspector will fabricate specimens for strength tests, perform slump and air content tests, and determine the temperature of the concrete. Concrete will be tested for compressive strength.

Reinforcing steel will be identified and sampled for bend and tension testing in accordance with IR 17-10.

Batch Plant Inspection

The on-site inspector will provide continuous inspection, unless waived by the design professional in responsible charge.

Prior to batching, the inspector will review and understand the applicable portions of the approved mix designs, DSA approved construction documents, post approval documents and ASTM C94. The inspector will verify and document that the batching facility holds current NRMCA or MPQP certification. For non-certified plants, the inspector will verify and document that weighing scales and concrete mixing trucks meet the requirements of ASTM C94. The inspector will verify that material storage areas are separated, clean and free of contaminants. (Aggregate storage areas and stockpiles should be free draining and equipped with water spray systems to maintain aggregates in a saturated condition. Cementitious materials shall be stored in weatherproof structures, and admixtures materials shall be protected from freezing. For non-certified plants,

verify that scales and other measuring or metering systems (water and admixtures) appear to be in good working order, are functioning and currently calibrated. The inspector will verify that fine aggregate moisture meters appear in good working order and functioning. (non-functioning meters require aggregate sampling and moisture “burn-back” testing by the supplier).

During batching, the inspector will be physically present at the batching console during the batching sequence for each load. The inspector will verify by “back spinning” that the mixing drum does not contain large amounts of wash-out water from the previous load, The inspector will verify the correct mix is being produced and that the correct truck number is referenced by batch ticket. The inspector will verify that material scales start at and return to zero after each weighing cycle. The inspector will verify that fine aggregate moisture contents are being determined, and that batch quantities of materials are adjusted, to compensate for free moisture in the aggregates. The inspector will verify the type and amount of coarse and fine aggregate, cement, SCMs, admixtures and water to conform to the approved mix design proportions and are batched and delivered to the mixer within tolerances specified in ASTM C94. The inspector will visually inspect trucks for excess spillage that may have occurred during the loading process, and if drum revolution limits are specified in the DSA approved documents verify that revolution counters are functioning and set to zero. The inspector will record the total amount of wash down water added to each load inspected and calculate and report the maximum quantity of water permitted to be added at the project site.

The inspector will provide a batch plant inspection certificate/report for each load inspected, clearly detailing the basic load information, and permitted quantity of site-added water.

Welding

A UES inspector will verify weld filler material identification markings per AWS designation listed on the DSA approved documents and the WPS. The inspector will verify weld filler material manufacturer’s certificate of compliance. The inspector will verify WPS, welder qualifications and equipment.

Shop Welding

A UES inspector will provide continuous inspection of groove welds, multi-pass fillet welds, single pass fillet welds > 5/16 inch., plug and slot welds. The inspector will provide periodic inspection of single-pass fillet welds \leq 5/16 inch, floor, and roof deck welds.

Field Welding

A UES inspector will provide continuous inspection for groove welds, multi-pass fillet welds, single pass fillet welds greater than 5/16 inch, plug and slot welds. The inspector will provide periodic inspection of single-pass fillet welds \leq 5/16 inch, floor and roof deck welds, and welding of structural cold-formed steel.

Non-Destructive Testing

A UES inspector will provide Non-Destructive Testing as required in the project plans and specifications. Testing performed will consist of Ultrasonic Examination, Magnetic Particle Examination, Liquid Penetrant Examination, and Radiographic Examination.

Project Management and Technical Engineering Services

Report Distribution: Reports will be distributed on a weekly basis. The district will receive (1) hard copy and (1) electronic copy.

Non-Compliance: The on-site inspector will notify the contractor immediately on-site of any work that is non-compliant. The project manager will simultaneously notify the owner. All efforts will be made to satisfy non-compliance issues on-site.

Project Management: A project manager will be assigned to review the daily activity of inspectors/technicians, monitor the budget for special inspection services, and oversee the preparation of the final report(s) if required. All field and laboratory tests will be reviewed prior to submittal.

Final Reports: Final summary report(s) will be prepared for each permit as required by the governing jurisdiction. The final report(s) will include the daily inspection reports, field tests and a summary of the laboratory tests performed and documentation of corrective action in response to non-compliant reports. Final reports will be reviewed by a State of California Registered Professional Civil Engineer and wet stamped and signed by the registered engineer.

DISPATCH

UES will be providing the above scope of services on an on-call basis. These services will only be performed for projects that are scheduled through the dispatch department. Dispatch hours are from 7:00 am till 4:00 pm Monday thru Friday and should be scheduled at least 24-hours in advance of required inspection/testing. Scheduling can be done by phone at (909) 764-9077 or via email at JNieto@teamues.com. **Inspections scheduled by voice mail or through field inspectors/technicians must still be confirmed with dispatch.**

It is the client's or their representative's responsibility to schedule all required inspections/testing. If work is done or covered up without inspections/testing services being done, UES cannot be responsible for governing agency acceptance of the work. The governing agency may require special testing or removal of un-inspected/tested work.

Field Personnel for this project will be sourced from our Oxnard office located at:

2400 Celsius Avenue
Suite J
Oxnard, CA 93030

ESTIMATED COST OF SERVICES

Our services will be billed on a time-and-materials basis starting on the jobsite. Based on the information provided, our estimated fee for inspection and testing services is approximately **\$28,645.00**. The attached cost estimate is anticipated to be used as a budget for services only. It does not represent a maximum or minimum fee. Services requested but not listed herein will be billed at our standard unit rates.

Anticipated Construction Materials Testing & Inspection Services					
Project: Drifill Elementary School					
	Unit	Quantity	Unit Price	Item Total	
S2: Soil Compaction and Fill					
Engineering Technician (In-place Density Testing)	Per Hour	80	\$105.00	\$8,400.00	
Laboratory Moisture Density Relationship	Each	2	\$240.00	\$480.00	
Atterberg Limit Determination	Each	2	\$100.00	\$200.00	
Sieve Analysis including Percent Passing No. 200 Sieve	Each	2	\$100.00	\$200.00	
	Sub-Total			\$9,280.00	
C1: Cast-in-Place Concrete					
ICC Reinforced Concrete Deputy	Per Hour	28	\$105.00	\$2,940.00	
Concrete Cylinders (Cured and/or Tested in Compression)	Each	25	\$35.00	\$875.00	
Batch Plant Inspection	Per Hour	20	\$105.00	\$2,100.00	
Concrete Sample Pick-Up	Per Hour	5	\$60.00	\$300.00	
ICC Concrete/Reinforcing Steel Special Inspector - (Tag and Sample Rebar)	Per Hour	4	\$105.00	\$420.00	
Rebar Tensile and Bend Testing (#11 Bar and Smaller)	Each	3	\$90.00	\$270.00	
	Sub-Total			\$6,905.00	
S/A: Structural Steel Testing and Inspection					
Structural Steel, Cold-Formed Steel Aluminum Used for Structural Purposes	Per Hour	20	\$105.00	\$420.00	
Field Welding (ICC/CWI)	Per Hour	16	\$105.00	\$1,680.00	
Shop Welding (ICC/CWI)	Per Hour	16	\$105.00	\$1,680.00	
Non-Destructive Testing (UT & MP)	Per Hour	16	\$105.00	\$1,680.00	
	Sub-Total			\$5,460.00	
Engineering & Technical Services					
Geotechnical Engineer	Per Hour	20	\$140.00	\$2,800.00	
Engineer Review	Per Hour	24	\$140.00	\$3,360.00	
Project Administrator (Compliance)	Per Hour	12	\$70.00	\$840.00	
	Sub-Total			\$7,000.00	
Construction Materials Testing and Inspection Estimated Total				\$28,645.00	

Estimate Development: This estimate has been developed with a historical review of projects of similar scope and size. Best estimating practices have been followed, and reasonable judgements have been made to estimate the construction schedule. UES is more than happy to revise this proposal once a construction schedule can be provided.

Assumptions

- Plans and Specifications were on hand for this estimate.
- A construction schedule was not available for this estimate.
- No overtime is scheduled.
- No weekend work is scheduled.
- No night work is scheduled.
- When possible, a multi-certified inspector will be assigned to minimize costs and trips to the jobsite.
- Rebar inspections will be performed by the IOR.

CLOSURE

This proposal is valid for 3 months. If client does not accept this proposal or UES does not initiate services within that time period, client must give UES an opportunity to review the proposed scope of work and fee to determine whether or not modifications need to be made and/or a new proposal drafted and submitted for client's review.

We appreciate the opportunity of submitting this proposal and are available to discuss the details with you. Our Terms and Conditions are considered a part of this proposal and have been attached for your review. To authorize us to proceed with the proposed services, please indicate by initialing and signing the attached Terms and Conditions and return one executed copy of this agreement to us.

Sincerely,
Universal Engineering Sciences

Victor H. Hernandezgaytan, D.Eng., EIT
Area Manager

Jorge Nieto
Assistant Branch Manager

Tara Butler
Business Development Manager

Attachments: General Notes
Project Data Sheet
Terms and Conditions

GENERAL NOTES

The project will be invoiced on a time and material basis based on 4 and 8 hour increments using a five-day work week.

All overtime will be billed at 1.5 times regular rate or unless double time rates apply.

Same day or show up time cancellations will be subject to a 2 hour minimum charge.

This proposal is a good faith estimate of project inspection and testing costs. Actual billing will depend on the actual construction schedule and re-testing requirements.

This quote is valid for 90 days from date on the proposal.

TERMS AND CONDITIONS

1. **The Agreement.** The Agreement between the parties, which shall describe and govern Client's engagement of Consultant to provide services (Services) in connection with the project (Project) identified in the proposal (Proposal), consists of the Proposal, these terms and conditions, and any exhibits or attachments referenced in any of these documents. Together these elements constitute the entire agreement between the parties, superseding any and all prior negotiations, correspondence, or agreements, either written or oral, with respect to the subject matter of this engagement. This Agreement may only be amended or modified by mutual written agreement.

2. **Standard of Care.** The Services shall be performed in a manner consistent with the level of care and skill ordinarily exercised by members of Consultant's profession currently practicing under similar conditions and in the same locality as the Project. Data, interpretations and recommendations by Consultant will be based solely on information discovered by, or made available to, Consultant during the course of the engagement. In connection with such information, Client recognizes that subsurface conditions may vary from those observed at locations where borings, surveys, or explorations are made, and that site conditions may change over time. Consultant shall not be responsible for the use or interpretation of such information by non-parties to this Agreement. **CONSULTANT MAKES NO WARRANTIES OR GUARANTEES, EXPRESS OR IMPLIED, RELATING TO CONSULTANT'S SERVICES AND CONSULTANT DISCLAIMS ANY IMPLIED WARRANTIES OR WARRANTIES IMPOSED BY LAW, INCLUDING WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.**

3. **Site Access and Conditions.** Client shall secure all necessary site related approvals, permits, licenses, and consents necessary to commence and complete the Services and will execute any necessary site access agreement. Consultant shall not be responsible for the supervision or health and safety precautions for any parties, including Client, Client's contractors, subcontractors, or other parties present at the site. Client shall provide the location and/or arrange for the marking of private utilities and subterranean structures. Consultant shall take reasonable precautions to avoid damage or injury to subterranean structures or utilities. Consultant shall not be responsible for damage to subterranean structures or utilities that are not called to Consultant's attention, are not correctly marked, including by a utility locate service, or are incorrectly shown on the plans furnished to Consultant. Consultant will take reasonable precautions to reduce damage to the site when performing Services; however, Client accepts that invasive services such as drilling or sampling may damage or alter the site. Site restoration is not provided unless specifically included in the Services. Client shall identify a designated representative authorized to act and make decisions on a timely basis on Client's behalf with respect to the Project.

4. **Cooperation and Project Understanding.** To the extent requested by Consultant, Client will make available to Consultant all information in its possession regarding existing and proposed conditions at the site. Consultant is entitled to rely upon the accuracy and completeness of the information given by the Client. Such information shall include, but not be limited to, plot plans, topographic surveys, hydrographic data, and previous soil data, including borings, field and laboratory tests and written reports. Client shall immediately transmit to Consultant any new information concerning site condition which becomes available, and any change in plans or specifications concerning the Project to the extent such information may affect Consultant's performance of the Services. Client agrees, upon 24 hours oral or written notice, to provide a representative at the job site to supervise and coordinate the Services. Consultant shall not be liable for any inaccurate or incorrect advice, judgment or decision which is based on any inaccurate information furnished by Client, and Client shall defend and indemnify Consultant against claims, demands, or liability arising out of, or contributed to, by such inaccurate information.

5. **Sample Disposal.** Unless other arrangements are made, Consultant will dispose of all soil and rock samples remaining at the time of report completion. Further storage or transfer of samples can be arranged at Client's prior written request, subject to a reasonable charge by Consultant. Client acknowledges that contaminated drill cuttings, sample spoils, wash water, and other materials may be produced as a result of encountering hazardous materials at the site. In such event, Consultant shall properly contain, label, and store such materials on-site, and Client shall be responsible for its proper transportation and disposal. Client recognizes that the Consultant is working as a bailee and at no time assumes title to waste samples or any responsibility as generators of said waste or samples.

6. **Construction Monitoring.** If Consultant is engaged by Client to provide a site representative for the purpose of monitoring specific portions of any construction work, as set forth in the proposal, then this Section 6 shall apply. If Consultant's engagement does not include such construction monitoring, then this Section shall be null and void. In connection with construction monitoring, Consultant will report observations and professional opinions to Client. Consultant shall report to Client any observed work which, in Consultant's opinion, does not conform to plans and specifications. Consultant shall have no authority to reject or terminate the work of any agent or contractor of Client. No action, statements, or communications of Consultant, or Consultant's site representative, can be construed as modifying any agreement between Client and others. Consultant's presence on the Project site in no way guarantees the completion or quality of the performance of the work of any party retained by Client to provide construction related services and Consultant's performance of testing and observation services shall not relieve any party in any way from its responsibility for defects discovered in its work, or create a warranty or guarantee.

Neither the professional activities of Consultant, nor the presence of Consultant or its employees, representatives, or subcontractors on the Project Site, shall be construed to impose upon Consultant any responsibility for methods of work performance, superintendence, sequencing of construction, or safety conditions at the Project site. Client acknowledges that Client or its general contractor is solely responsible for job site safety, and warrants and agrees that such responsibility shall be made evident in any Project owner's agreement with the general contractor.

7. **Ownership of Documents.** All reports, boring logs, field data, field notes, laboratory test data, calculations, estimates and other documents prepared by Consultant in connection with this engagement, shall remain the property of Consultant. Files shall be maintained in general accordance with Consultant's document retention policies and procedures. Client agrees that all reports, or other material furnished to Client or his agents for which Client has not paid will be returned upon demand and will not be used by Client or others for any purpose whatsoever. The Client agrees to waive any and all claims against the Consultant and to defend, indemnify and hold the Consultant harmless from and against any and all claims, losses, liabilities and damages arising out of or resulting from the unauthorized use, reuse or alteration of the Consultant's work product.

8. **Project Changes.** In the event Client, the Project owner, or other party makes any changes in the plans and specifications, or conditions of the Project, Client agrees to hold Consultant harmless from any liability arising out of such changes, and Client assumes full responsibility unless Client has given Consultant prior notice and has received Consultant written consent for such changes.

TERMS AND CONDITIONS

9. Termination. This Agreement may be terminated for no cause by either party seven (7) days upon written notice. In the event of termination, Consultant will be paid for services performed through the date of termination, plus reasonable termination expenses, including the cost of completing analyses, records and reports necessary to document job status at the time of termination.

10. Risk Allocation and Limitation of Liability. CLIENT AND CONSULTANT HAVE EVALUATED THE RISKS AND REWARDS ASSOCIATED WITH THIS PROJECT, INCLUDING CONSULTANT'S FEE RELATIVE TO THE RISKS ASSUMED, AND AGREE TO ALLOCATE CERTAIN OF THE RISKS SO, TO THE FULLEST EXTENT PERMITTED BY LAW, THE TOTAL AGGREGATE LIABILITY OF CONSULTANT (AND ITS RELATED CORPORATIONS AND EMPLOYEES) TO CLIENT AND ALL OTHER PARTIES FOR ALL SERVICES (PAST, CURRENT AND FUTURE) IN RELATED TO THE PROJECT, IS LIMITED TO THE GREATER OF \$50,000 OR ITS FEE RECEIVED, FOR ANY AND ALL INJURIES, DAMAGES, CLAIMS, LOSSES, OR EXPENSES (INCLUDING ATTORNEY AND EXPERT FEES) ARISING OUT OF CONSULTANTS SERVICES OR THIS AGREEMENT REGARDLESS OF CAUSE(S) OR THE THEORY OF LIABILITY, INCLUDING NEGLIGENCE, INDEMNITY, OR OTHER RECOVERY. THIS LIMITATION SHALL NOT APPLY TO THE EXTENT THE DAMAGE IS PAID UNDER CONSULTANTS COMMERCIAL GENERAL LIABILITY POLICY. CLIENT AGREES TO INDEMNIFY AND DEFEND CONSULTANT FOR ALL LIABILITIES IN EXCESS OF THE MONETARY LIMITS ESTABLISHED ABOVE. CLIENT AGREES THAT IN NO INSTANCE SHALL CONSULTANT BE RESPONSIBLE, IN TOTAL OR IN PART, FOR THE ERRORS OR OMISSIONS OF ANY OTHER PROFESSIONAL, CONTRACTOR, SUBCONTRACTOR OR ANY OTHER PARTY.

CLIENT ALSO AGREES THAT CONSULTANT SHALL NOT BE RESPONSIBLE FOR THE MEANS, METHODS, PROCEDURES PERFORMANCE OR SAFETY OF THE CONSTRUCTION CONTRACTORS OR SUBCONTRACTORS, OR FOR THEIR ERRORS OR OMISSIONS.

11. Discovery of Unanticipated Hazardous Materials. Client warrants that it has made reasonable efforts to inform Consultant of known or suspected hazardous materials on or near the Project site. The parties acknowledge that hazardous materials may exist at a site where there is no reason to believe they are present. Consultant and Client agree that the discovery of such unanticipated hazardous materials constitutes a changed condition which shall require either a re-negotiation of the scope of Consultant's Services or termination of such Services or this Agreement. Client recognizes that the discovery of hazardous materials may necessitate immediate protective measures to safeguard the public health and safety and agrees to compensate Consultant for measures that in Consultant's professional opinion are justified to preserve and protect the health and safety of site personnel and the public. Client also agrees to compensate Consultant for any equipment decontamination or other costs incident to the discovery of unanticipated hazardous materials. Consultant agrees to notify Client as soon as practicable should Consultant encounter hazardous materials at the site that may pose a threat to human health, safety and the environment. Client agrees that in the event of the discovery of hazardous materials at the site it will report such discovery to the proper authorities as required by Federal, State, and local regulations. Client agrees to make the required report at the recommendation of Consultant, or, if unable to do so, authorizes Consultant to make such report. Client also agrees to inform the Project site owner in the event that hazardous materials are encountered at the site.

NOTWITHSTANDING ANY OTHER PROVISION OF THE AGREEMENT, CLIENT WAIVES ANY CLAIM AGAINST CONSULTANT, AND TO THE MAXIMUM EXTENT PERMITTED BY LAW, AGREES TO DEFEND, INDEMNIFY, AND SAVE CONSULTANT HARMLESS FROM ANY CLAIM, LIABILITY AND/OR DEFENSE COSTS FOR INJURY OR LOSS ARISING FROM THE PRESENCE OF HAZARDOUS MATERIALS ON THE PROJECT SITE, INCLUDING ANY COSTS CREATED BY DELAY OF THE PROJECT AND ANY COSTS ASSOCIATED WITH POSSIBLE REDUCTION OF THE PROPERTY'S VALUE. CLIENT IS RESPONSIBLE FOR ULTIMATE DISPOSAL OF ANY SAMPLES SECURED BY CONSULTANT WHICH ARE FOUND TO BE CONTAMINATED.

12. Aquifer Contamination. Client acknowledges that it is impossible for Consultant to know the exact composition of a site's subsurface, even after conducting a comprehensive exploratory program. As a result, there is a risk that drilling and sampling may result in contamination of certain subsurface areas. Although Consultant will take reasonable precautions to avoid such an occurrence, Client waives any claim against, and agrees to defend, indemnify and save Consultant harmless from any claim or liability for injury or loss which may arise as a result of subsurface contamination caused by drilling, sampling, or monitoring well installation. Client also agrees to adequately compensate Consultant for any time spent and expenses incurred in defense of any such claim.

13. Insurance. Consultant represents that it now carries, and will continue to carry: (i) workers' compensation insurance in accordance with the laws of the state having jurisdiction over Consultant's employees who are engaged in the Services, and employer's liability insurance; (ii) commercial general liability insurance; (iii) automobile liability insurance policies; and (iv) professional liability insurance. Certificates of insurance will be provided upon request. Client and Consultant shall waive subrogation against the other party on all general liability and property coverage. No insurance, carried by Consultant, shall be deemed to limit in any way the responsibility of any contractor or subcontractor for damages resulting from their services in connection with the Project. Client shall require any contractor working on the Project site to (1) obtain Commercial General Liability Insurance and name Client, Consultant, and Consultant's employees and subconsultants as additional insureds of that policy; and (2) indemnify and hold harmless Client, Consultant, and Consultant's employees and subconsultants from and against any and all claims, damages, losses, and expenses ("Claims"), including but not limited to reasonable attorneys' fees and economic or consequential damages, arising in whole or in part out of any negligent act or omission of the Contractor, any subcontractor, or anyone directly or indirectly employed by any of them.

14. Indemnity. Client agrees to hold harmless, indemnify and defend Consultant, and its affiliates and subcontractors, and each of their employees, officers, directors and agents, against all claims, suits, fines and penalties, including attorney's fees and other costs of settlement and defense, where such liabilities arise out of or are related to this Agreement or the Services, except to the extent that they are caused by Consultant's sole negligent or willful misconduct.

15. Non-Compete and Non-Solicitation. Client agrees and acknowledges that NOVA's employees maintain specialized knowledge and relationships that are valuable to NOVA's business operations and that NOVA is entitled to protect its business interests accordingly. As such, Client understands and agrees that it is strictly prohibited from using its unique position and access to NOVA employees, including the information provided by NOVA under this Agreement, to the detriment of NOVA.

Without limiting any other provisions herein, during the term of this Agreement and for a period of twelve (12) months after the termination of this Agreement (for any reason), Client shall not, either directly or indirectly, individually or as an employee, shareholder, agent, independent contractor, partner, officer or

TERMS AND CONDITIONS

director of any entity: (i) solicit or seek to solicit, hire away, or otherwise interfere with the employment of any of NOVA's employees that worked on the Project or any former employee of NOVA that worked on the Project whose employment with NOVA terminated less than 180 days prior to said solicitation, hiring or interference; (ii) enter into, or attempt to enter into, any relationship with NOVA's employees that are assigned to or worked on the Project; or (iii) dissuade or attempt to dissuade any of NOVA's employees from continuing their relationship with NOVA.

- a. Client acknowledges that: (i) the terms contained in this Section are necessary for the reasonable and proper protection of NOVA's business interests; (ii) each and every covenant and restriction contained in this Section is reasonable in respect of such matter; and (iii) NOVA has been induced to enter into this Agreement in part due to Client's representations that it shall abide by and be bound by each of the aforesaid covenants and restrictions.
- b. If any court or tribunal of competent jurisdiction determines that the duration or any other aspect of the provisions of this Section is unenforceable in accordance with its terms in a particular jurisdiction, the provisions of this Section, as the case may be, shall not terminate, but shall be deemed amended to the minimum extent necessary to render them valid and enforceable in such jurisdiction and such court or tribunal is hereby authorized and directed to amend this Section to the least extent necessary to make such Section valid and enforceable in said jurisdiction to the maximum extent permitted by law.
- c. It is acknowledged that the Client's failure to abide by the terms and conditions of this Section will cause NOVA to incur substantial economic damages and losses of types and in amounts which are impossible to compute and ascertain with certainty as a basis for recovery by NOVA of actual damages, and that liquidated damages represent a fair, reasonable and appropriate estimate thereof. Accordingly, in lieu of actual damages for such breach, the Client agrees that liquidated damages may be assessed and recovered by NOVA against Client, without NOVA being required to present any evidence of the amount or character of actual damages sustained by reason thereof; therefore Client shall be liable to NOVA for payment of liquidated damages in the amount of Twenty Five Thousand Dollars (\$25,000.00) for each violation of this Section. Such liquidated damages are intended to represent estimated actual damages and are not intended as a penalty, and Client shall pay them to NOVA without limiting NOVA's right to terminate this Agreement for default as provided elsewhere herein. Client further agrees that the foregoing damages would be an insufficient remedy for NOVA in the event it violates the provisions of this Section, and that NOVA shall be entitled to, among seeking the remedies set forth in this Section, seek injunctive relief (without the necessity of a bond).
- d. The terms of this Section shall survive the termination of this Agreement (for any reason).

16. Consequential Damages. Neither party shall be liable to the other for loss of profits or revenue; loss of use or opportunity; loss of good will; cost of substitute facilities, goods, or services; cost of capital; or for any special, consequential, indirect, punitive, or exemplary damages.

17. Resolution of Disputes. Client shall not be entitled to assert a Claim against Consultant based on any theory of professional negligence unless and until Client has obtained the written opinion from a registered, independent, and reputable engineer, or geologist that Consultant has violated the standard of care applicable to Consultant's performance of the Services. Client shall provide this opinion to Consultant and the parties shall endeavor to resolve the dispute within 30 days. After which all claims, disputes, controversies or matters in question arising out of, or relating to, this Agreement or any breach thereof, including but not limited to disputes arising out of alleged design defects, breaches of contract, errors, omissions, or acts of professional negligence, (collectively "Disputes") shall be submitted to non-binding mediation before and as a condition precedent to pursuing any other remedy. Upon written request by either party to this Agreement for mediation of any dispute, Client and Consultant shall select a neutral mediator by mutual agreement. If a dispute cannot be settled through mediation as set forth above, then such dispute, involving amounts less than \$100,000, shall be decided by binding arbitration in accordance with the Construction Industry Arbitration Rules of the American Arbitration Association then in effect, or any other appropriate rules upon which the parties may agree following termination of mediation. The date of termination of mediation shall be the date of written notice of closing mediation proceedings issued by the mediator to each of the parties. The award rendered, if any, by the arbitration shall be final and binding on both parties and judgment may be entered upon it in accordance with applicable law in any court having jurisdiction. For Disputes, involving amounts greater than \$100,000 that are unable to be resolved through non-binding mediation, the parties shall proceed with litigation in a court of competent jurisdiction.

Notwithstanding any other provisions of this Section, in no event shall a demand for mediation be made more than two (2) years from the date the party making demand knew or should have known of the dispute or five (5) years from the date of substantial completion of Consultant's Services, whichever date shall occur earlier. All mediation or arbitration shall take place in the principal State and County of the Project, unless Client and Consultant agree otherwise. The fees of the mediator or arbitrator(s) and the costs of transcription and other costs incurred by the mediator or arbitrator(s) shall be apportioned equally between the parties.

18. Assigns. Neither Client nor Consultant may delegate, assign, sublet or transfer his duties or interest in this Agreement without the written consent of the other party. This Agreement shall inure only to the benefit of the parties hereto, and no third party shall have any rights hereunder. Each party binds itself, its partners, successors, executors, administrators and assigns.

TERMS AND CONDITIONS

19. **Governing Law and Survival.** The validity of this Agreement, these terms, their interpretation and performance shall be governed by the laws of the State in which the Project is located. If any of the provisions contained in this agreement are held illegal, invalid, or unenforceable, the enforceability of the remaining provisions will not be impaired. Limitations of liability and indemnities shall survive the termination of this agreement for any cause.

20. **Billing and Payment.** Client shall pay Consultant the lump sum amount indicated in the Proposal, or, if no lump sum amount is indicated, in accordance with the schedule of fees or charges as shown in the Proposal or fee schedule. Backup data on billing will not be available unless prior arrangements have been made. Prior to initiation of the Services, Client is required to remit any retainer specified in the Proposal. Thereafter, Consultant will submit to Client invoices for the balance due. If Client objects to all or any portion of any invoice, Client will so notify Consultant in writing within fourteen (14) calendar days of the invoice date, identify the cause of disagreement, and immediately pay that portion of the invoice not in dispute. In the absence of written notification described above, the balance as stated on the invoice shall be deemed accepted. Consultant's payment terms are net 30 days. If Client fails to pay Consultant within thirty (30) days after invoices are rendered, the Client agrees that Consultant shall have the right to consider such default in payment a material breach of the entire Agreement, and upon written notice, the duties, obligations and responsibilities of Consultant under this Agreement may be suspended or terminated. Consultant shall have no liability to Client for delay or damage resulting from such suspension or termination. In the event of such suspension or termination, Client shall pay an additional charge of one and one-half (1.5) percent per month (or the maximum percentage allowed by law, whichever is lower) on any delinquent amount. Payment thereafter will first be applied to accrued interest and then to the principal unpaid amount. Consultant shall be entitled to recover for all staff time spent and expenses incurred (including any attorney's fees) in connection with collection of any delinquent amount.

If Client or Consultant should become bankrupt or make an assignment for the benefit of creditors, Consultant, or trustee in bankruptcy, shall be paid the reasonable value of all work theretofore performed, and the obligation of all parties under the Agreement shall thereupon terminate. In determining reasonable value under this paragraph, the Agreement price shall be deemed reasonable.

21. **Disclaimer:** Any reports and other information supplied to Client pursuant to this Agreement has been prepared solely for the benefit of the Project, as named in the Proposal. Consultant consents to Client's release of any and all reports and/or information to third parties at its discretion. However, any use of or reliance upon this information by a party other than the Client shall be solely at the risk of such third party and Client, without legal recourse against Consultant or its respective employees, officers or directors, regardless of whether the action in which recovery of damages is sought is based upon contract, tort (including the sole, concurrent or other negligence and strict liability of Consultant), statute or otherwise. Any reports and/or other information shall not be used nor relied upon by a party which does not agree to be bound by the above statement.

Additionally, this information was gathered by Consultant subject to the budgetary, time and other constraints of the Client during a limited investigation of the site. All statements and conclusions contained in any report and/or other information supplied are necessarily limited to the particular portions of the site actually investigated by Consultant.

22. **Services.** Consultant provides its services on a professional fee basis. Should Consultant be required to provide services on a craft or prevailing wage basis, or should professional services taxes be applied to Consultant services that are not in force at the time of execution of this Agreement, renegotiation of fees or costs in an equitable manner will be required.

23. **Corporate Protection.** It is intended by the parties to this Agreement that the Consultant's services in connection with the project shall not subject the Consultant's individual employees, officers or directors to any personal legal exposure for the risks associated with this project. Therefore, and notwithstanding anything to the contrary contained herein, the Client agrees that as the Client's sole and exclusive remedy, any claim, demand or suit shall be directed and/or asserted only against the Consultant, a California corporation, and not against any of the Consultant's employees, officers or directors

CLIENT APPROVAL

Consultant offers to the CLIENT the Proposal as described above. CLIENT may accept Consultant's offer by signing in the space provided below and returning a signed copy to Consultant. Such notification may be given by fax or by returning the original proposal. In the event the CLIENT authorizes work without returning a signed copy, the CLIENT agrees to be bound by the terms and conditions as stated herein. The proposal described above has been read, understood and accepted by CLIENT effective as of the date that the executed proposal is returned to Consultant.

Date of Meeting: August 23, 2023

Agenda Section: Section C: Facilities Agreement

Approval of Agreement #23-100 for Inspector of Record (IOR) Services with Kenco Construction Services, Inc., for the New ECDC Facilities at Driffill (Mitchell/Miller/CFW)

The Board of Trustees approved the Enhanced Master Construct Program (Program) that focuses on increasing the number of K-8 school facilities and replacing older schools, portable classroom, and support facilities with permanent K-5 & K-8 schools; all with the 21st Century Learning Environments that meet adopted Board specifications and program requirements.

As part of the Program, the District applied for State grant funds to construct new classrooms at Driffill school establish an ECDC facility. On October 26, 2022, the State Allocation Board approved an apportionment of \$7 million from the California Preschool, Transitional Kindergarten, Full-Day Kindergarten grant program for the proposed project and established an overall project budget of approximately \$10 million with the balance of the funds provided by the District's available capital funds. The District has since completed the necessary design work associated with the project and submitted construction documents to the Division of State Architect (DSA) for review and approval. With DSA approval pending and the anticipated commencement of construction, the District directed CFW to proceed with the procurement of professional consultants for the construction phase of the project.

Pursuant to District direction, and as required by the grant, CFW requested proposals from professional consultant firms that provide Inspector of Record Services and received an acceptable proposal from Kenco Construction Services, Inc.

The attached Agreement for Consultant Services and the Proposal describes the scope of services requested from Kenco Construction Services, Inc., and calls for the performance of Inspection services to ensure that the work performed in the field is in accordance with DSA approved design documents through the monitoring of construction activities and closeout of the Project. The service will confirm that construction activities were performed satisfactorily in accordance with the approved design. The Proposal and the subsequent scope of services it provides will enable the District to align the project with the goals set forth within Enhanced Master Construct Program.

FISCAL IMPACT:

The proposed scope of work for the Inspector of Record Services will be completed for a lump sum fixed fee of: One Hundred Fifty-Eight Thousand Seven Hundred Sixty Dollars and No Cents (\$158,760.00) based on an estimated nine-month construction schedule with the contract to be paid from a combination of funds from the California Preschool, Transitional Kindergarten, Full-Day Kindergarten grant program and capital fund balances.

RECOMMENDATION:

It is the recommendation of the Assistant Superintendent, Business & Fiscal Services, and the Director of Facilities, in conjunction with CFW, that the Board of Trustees approve Agreement #23-100 with Kenco Construction Services, Inc. for the new ECDC facilities at Driffill.

**OXNARD SCHOOL DISTRICT
AGREEMENT FOR CONSULTANT SERVICES
INSPECTOR OF RECORD SERVICES TO BE PROVIDED FOR
DRIFFILL ELEMENTARY SCHOOL ECDC TRANSITIONAL
KINDERGARTEN CONSTRUCTION PROJECT**

This Agreement for Consultant Services (“Agreement”) is entered into as of this **23rd** day of **August 2023**, by and between the **Oxnard School District** (“District”), with offices located at 1051 South “A” Street, Oxnard, California 93030, and **Kenco Construction Services, Inc.** (“Consultant”), with a business address located at 4664 Romola Ave., La Verne, California, 91750. District and Consultant are sometimes hereinafter individually referred to as “Party” and hereinafter collectively referred to as “Parties”.

RECITALS

A. District is authorized by California Government Code section 53060 and District’s Board Policy 4368, to contract with independent contractors for the furnishing of services concerning financial, economic, accounting, engineering, legal, administrative and other matters. District has sought, by issuance of a Request for Proposal (“Proposal”), the performance of certain services, with the precise scope of work to be specified at the time of assignment of the work.

B. Following submission of a Proposal for the performance of services, Consultant was selected by District to perform services on behalf of the District at the District’s sole discretion.

C. The Parties desire to formalize the assignment of the Consultant for performance of services and desire the terms of that performance be as particularly defined and described herein.

NOW, THEREFORE, in consideration of the mutual promises and covenants made by the Parties and contained herein and other consideration, the value and adequacy of which are hereby acknowledged, the Parties agree as follows:

OPERATIVE PROVISIONS

- 1. Incorporation of Recitals and Exhibits.** The Recitals set forth above and all Exhibits attached to this Agreement, as hereafter amended, are incorporated by this reference as if fully set forth herein.
- 2. Scope of Services.** The Scope of Services to be assigned to Consultant pursuant to issuance of a Purchase Order, is further defined in **Exhibit “D” – Scope of Services**, wherein the general responsibilities of Consultant are described pursuant to the discipline(s) for which the Consultant has been deemed qualified by District as described in this Agreement.
- 3. Term of Agreement.** Subject to earlier termination as provided for below, this Agreement shall remain in effect from August 24, 2023 through August 23, 2024 (the “Term”). This Agreement is a single service Agreement specific to requested services to be performed for the **Driffill Elementary School ECDC New Transitional Kindergarten Facilities Project, 910 South E Street, Oxnard, CA 93030** (“Project”), as described in **Kenco Construction Services, Inc’s Proposal dated May 26, 2023**.

- 4. Time for Performance.** The scope of Services set forth in **Exhibit “D”** shall be completed during the Term referenced under item Section 3 above. If Services indicated in **Exhibit “D”** cannot be completed within the schedule set forth under Section 3 above, it is the responsibility of the Consultant to notify District no later than ten (10) days prior to the completion date for the Services, with a request for a time extension clearly identifying the cause(s) for the failure to complete the Services within the schedule and/or the Term. For this Agreement, the completion date for Services is March 30, 2024. Should Consultant fail to provide such notice, and/or the Services not be completed pursuant to that schedule or within the Term, Consultant shall be deemed to be in default as provided below. District, in its sole discretion, may choose not to enforce the Default provisions of this Agreement and may instead allow Consultant to continue performing the Services.
- 5. Additional Services.** Additional Services are services in addition to the Services set forth in this Agreement that are provided by Consultant pursuant to a written request by the District. Additional Services will require a written request or pre-authorization in writing by District, subject to specific approval processes of such services, to the extent required by District and which may be further determined at the time District receives a proposed cost for the requested Additional Services from the District Board of Trustees. Any modification of the compensation to be paid to Consultant as a result of Additional Services must be specifically approved in writing by the District Board of Trustees. In the event that the District Board of Trustees approves in writing a modification of the compensation, then Consultant shall be paid for such Additional Services pursuant to Section 8, below. However, it is understood and agreed that if the cause of the Additional Services is the sole or partial responsibility of Consultant, its agents, or any subconsultants or other parties under the charge of Consultant, no additional compensation shall be paid to Consultant. If such conditions exist so as to justify Additional Services as indicated above, which require additional compensation or time in order to be performed, it is the sole responsibility of Consultant to submit a request for Additional Services within ten (10) days of Consultant’s discovery of such conditions which require Additional Services. It is understood and agreed that if Consultant performs any services that it claims are Additional Services without receiving prior written approval from the District Board of Trustees, Consultant shall not be paid for such claimed Additional Services.
- 6. Compensation and Method of Payment.** In exchange for Consultant’s services, District shall pay an amount to Consultant not to exceed the amount set forth in **Exhibit “A” – Compensation & Rate/Fee Schedule**, attached hereto and incorporated by reference herein. This Agreement is to be invoiced to the District in the form of Progress Payments. Except as to any charges for work performed or expenses incurred by Consultant which are disputed by District, District will use its best efforts to cause Consultant to be paid within forty-five (45) days of receipt of Consultant’s correct and undisputed invoice. If any expenses stated within Consultant’s invoice are disputed by District, the original invoice shall be returned by District to Consultant for correction and resubmission. Payment to Consultant for work performed pursuant to this Agreement shall not be deemed to waive any defects in work performed by Consultant.
- a. Except as to any charges for work performed or expenses incurred by Consultant which are disputed by District, District will use its best efforts to cause Consultant to be paid within forty-five (45) days of receipt of Consultant’s correct and undisputed invoice.
- 7. Responsibilities of Consultant:**
- a) Consultant shall perform all Services as indicated in this Agreement to the Satisfaction of District.
- b) The specific Services of Consultant to be performed shall be indicated in **Exhibit “D”**, attached to this Agreement.

- c) Consultant hereby represents and warrants that (a) it is an experienced consultant in the discipline(s) identified in **Exhibit “D,”** having the skill, legal and professional ability, and flexibility necessary to perform all of the Services required under this Agreement; (b) it has the capabilities and resources necessary to perform its obligations hereunder; (c) it is familiar with all current laws, rules, regulations and other restrictions which are and may become applicable to the Scope of Services under this agreement, including but not limited to all local ordinances, building codes, and requirements from all Authorities Having Jurisdiction (“AHJ”) including, but not limited to, the Division of the State Architect (“DSA”), the Office of Public School Construction (“OPSC”), the State Facilities Planning Division (“SFPD”), California Department of Education (“CDE”), the California Department of General Services (“DGS”), the Department of Toxic Substance Control (“DTSC”), the California Environmental Quality Act (“CEQA”), Title 24 of the California Code of Regulations, the California Education Code, State and Local Fire Authorities, air quality districts, water quality and control boards, and any/all other AHJ; (d) it will assume all responsibility for all Services performed and all work prepared and furnished to District by its employees, agents, and subconsultants; (e) it has sufficient financial strength and resources to undertake and complete the Services provided for under this Agreement within the schedule and/or Term set forth in this Agreement; and (f) it certifies and covenants that all reports, certifications, studies, analyses, and other documents prepared by Consultant shall be prepared in accordance with all applicable laws, rules, regulations, and other requirements in effect at the time of their preparation, or required at their time of submittal to District and/or any applicable agencies.
- d) Consultant shall follow accepted industry standards and practices and comply with all federal, state and local laws and ordinances applicable to the Services required by this Agreement.

8. Responsibilities of District.

- a) District will prepare and furnish to Consultant upon Consultant’s request, such information as is reasonably necessary to the performance of the Services required under this Agreement. Consultant understands that all information provided to Consultant remains the property of District and shall only be removed from District’s possession/premises and/or be photocopied, reproduced, distributed, or otherwise made available to others if such activities are expressly approved in writing by District and/or the District’s Program Manager, Caldwell Flores Winters, Inc. (“Program Manager”). Failure to comply with the above requirements shall be reasonable cause for termination of this Agreement, and may subject Consultant to liability for damages to District.
- b) If requested by Consultant, District shall provide information as to the requirements and educational program for each project assigned by Agreement, including approved budget and schedule limitations.
- c) District shall facilitate and coordinate cooperation amongst and between District consultants, including but not limited to architects, construction managers, surveyors, geotechnical engineers, inspectors, testing laboratories, hazardous materials specialists, CEQA/DTSC compliance specialists, technology experts, and any other professional consultants District deems necessary to execute the Facilities Implementation Program. Such coordination shall include the distribution of documentation prepared by individual consultants which may be of service to Consultant in the course of completing the Services.
- d) District shall, at its sole discretion, provide for the timely approval and execution of the Agreement, Additional Services requests, invoices, and any other documentation that requires District action in order for Consultant to complete the Services.

9. Suspension. District may, for any reason or no reason, in District's sole discretion, suspend all or a portion of this Agreement, or the Services by giving ten (10) calendar days written notice of suspension to Consultant. In the event such notice is given, Consultant shall cease immediately all work in progress. If District suspends the Services for a period of ninety (90) consecutive calendar days or more and, in addition, if such suspension is not caused by Consultant or the acts or omissions of Consultant, then if the Services are resumed, Consultant's compensation shall be subject to adjustment to provide for actual direct costs and expenses incurred by Consultant as a direct result of the suspension and resumption by District of the Services.

10. Termination. This Agreement and/or all or part of the Services contained herein may be terminated at any time by mutual agreement of the Parties or by either Party as follows:

- a) District may terminate all or a portion of this Agreement, or the Services, without cause, at any time by giving ten (10) calendar days' written notice of termination to Consultant. In the event such notice is given, Consultant shall cease immediately all work in progress; or
- b) District may terminate all or a portion of this Agreement, or the Services, for cause, in the event of a Default by giving written notice pursuant to Section 13 below; or
- c) Consultant may terminate this Agreement at any time upon thirty (30) calendar days' written notice to the District, if District fails to make any undisputed payment to Consultant when due and where such failure remains uncured for forty-five (45) calendar days after Consultant's written notice to District.

11. Similar or Identical Services. In the event this Agreement, or any of the Services, are terminated in whole or in part as provided herein, District may procure, upon such terms and in such manner as District may determine appropriate, services similar or identical to those terminated to complete any unfinished Services or new services as needed by District, and upon such terms and in such manner as District may determine appropriate.

12. Inspection and Final Acceptance. District's acceptance of any work or Services, whether specifically in writing or by virtue of payment, shall not constitute a waiver of any of the provisions within this Agreement, unless otherwise expressly stated.

13. Default.

- a) Failure of Consultant to perform any Services or comply with any provisions of this Agreement constitutes a Default. District may terminate all or any portion of this Agreement, or the Services, for cause, in the event of a Default. The termination shall be effective if (i) Consultant fails to cure such Default within thirty (30) calendar days following issuance of written notice thereof by District; and/or (ii) if the cure by its nature takes longer, and thereby the Consultant fails to commence such cure within thirty (30) calendar days from the date of issuance of the notice and fails to diligently prosecute such cure to the satisfaction of District. If Consultant has not cured the Default, District may withhold all invoices and may choose to proceed with payment on said invoices only after the Default is cured to District's satisfaction. In the alternative, District may, in its sole discretion, during the period before Consultant has cured the Default, elect to pay any portion of outstanding invoices that corresponds to Services satisfactorily rendered. Any failure on the part of District to give notice of Consultant's default shall not be deemed to result in a waiver of District's rights at law and in equity, nor a waiver of any rights arising out of any provision of this Agreement.
- b) In addition to District's termination rights set forth above, District shall have (i) the right to cure Consultant's Default at Consultant's cost, in which case all amounts expended by District in connection with such cure shall accrue interest from the date incurred until repaid to District by Consultant at the rate

of ten percent (10%) per annum; and (ii) all other rights and remedies available to District at law and in equity, including, without limitation, an action for damages. District shall have the right to retain unpaid earned balances to offset damages, and/or charge Consultant for all damages above and beyond unpaid balance of Agreement.

14. Ownership of Documents. All maps, models, designs, drawings, photographs, studies, surveys, reports, data, notes, computer files, files and other documents prepared, developed or discovered by Consultant in the course of providing any Services pursuant to this Agreement (collectively and individually, the “Documents”) shall become the sole property of District and may be used, reused or otherwise disposed of by District without the permission of Consultant. Upon completion, expiration, or termination of this Agreement, Consultant shall turn over to District all such Documents.

15. Use of Documents by District. If and to the extent that District utilizes any Documents, for any purpose not related to this Agreement and/or the Project, Consultant’s guarantees and warranties related to Standard of Performance under this Agreement shall not extend to such use of the Documents.

16. Consultant’s Books and Records. Consultant shall maintain any and all documents and records demonstrating or relating to Consultant’s performance of Services pursuant to this Agreement for a minimum of four (4) years after termination or expiration of this Agreement, or longer if required by law. Such records shall include, at minimum, a detailed record of daily performance, staff time records, subconsultants’ time records, documentation of all costs incurred by Consultant that were billed to District, and detailed records of all Consultant fees, overhead, and profit on earned amounts.

- a) Consultant shall maintain any and all ledgers, books of account, invoices, vouchers, canceled checks, or other documents or records evidencing or relating to work, services, expenditures and disbursements charged to District pursuant to this Agreement for a minimum of four (4) years, or longer if required by law, all in accordance with generally accepted accounting principles and with sufficient detail so as to permit an accurate evaluation of the Services provided by Consultant pursuant to this Agreement.
- b) Any and all such records or documents shall be made available for inspection, audit, and copying, at any time during regular business hours, upon request by District or its designated representative. Copies of such documents or records shall be provided directly to District for inspection, audit, and copying when it is practical to do so; otherwise, unless an alternative is mutually agreed upon, such documents and records shall be made available at Consultant’s address indicated for receipt of notices in this Agreement.
- c) District has the right to acquire custody of such records by written request if Consultant decides to dissolve or terminate its business. Consultant shall deliver or cause to be delivered all such records and documents to District within sixty (60) days of receipt of the request.

17. Independent Contractor. Consultant is retained as an independent contractor and is not employed by District. No employee or agent of Consultant shall become, or be considered to be, an employee of District for any purpose. It is agreed that District is interested only in the results obtained from the Services under this Agreement and that Consultant shall perform as an independent contractor with sole control of the manner and means of performing the Services required under this Agreement. Consultant shall complete this Agreement according to its own methods of work which shall be in the exclusive charge and control of Consultant, and which shall not be subject to control or supervision by District except as to results of the Services. Consultant shall provide all of its own supplies, equipment, facilities, materials, manpower, and any/all other resources that may become necessary in the course of completing the Services. It is expressly understood and agreed that Consultant and its employees shall in no event be entitled to any benefits to which District employees are entitled, including, but not limited to, overtime, retirement benefits, insurance, vacation, worker’s compensation benefits, sick or injury leave or other benefits. Consultant will be responsible for payment of all

of Consultant's employees' wages, payroll taxes, employee benefits and any amounts due for federal and state income taxes and Social Security taxes, since these taxes will not be withheld from payments under this Agreement.

- a) The personnel performing the Services under this Agreement on behalf of Consultant shall at all times be under Consultant's exclusive direction and control. Consultant, its officers, agents, and employees shall not at any time or in any manner represent that Consultant or any of Consultant's officers, employees, or agents are in any manner officials, officers, employees or agents of District.
- b) Consultant shall have no authority to bind District in any manner, or to incur any obligation, debt or liability of any kind on behalf of or against District, whether by contract or otherwise, unless such authority is expressly conferred in writing by District, or under this Agreement.

18. Standard of Performance. Consultant represents and warrants that it has the skill, qualifications, experience and facilities necessary to properly perform the Services required under this Agreement in a thorough, competent and professional manner. Consultant represents and warrants that its employees and subcontractors have all legally required licenses, permits, qualifications and approvals necessary to perform the Services and that all such licenses and approvals shall be maintained throughout the term of this Agreement. Consultant shall at all times faithfully, competently and to the best of its ability, experience and talent, perform all Services described herein. In meeting its obligations under this Agreement, Consultant shall employ, at a minimum, the standard of care utilized by persons engaged in providing services similar to those required of Consultant under this Agreement for California school districts in or around the same geographic area of District (the "Standard of Performance").

19. Confidential Information. All information gained during performance of the Services and all Documents or other work product produced by Consultant in performance of this Agreement shall be considered confidential ("Confidential Information"). Consultant shall not release or disclose any such Confidential Information, Documents, or work product to persons or entities other than District without prior written authorization from the Superintendent of District and/or Program Manager, except as may be required by law. Confidential Information does not include information that: (i) Consultant had in its possession prior to considering entering into this Agreement; (ii) becomes public knowledge through no fault of Consultant; (iii) Consultant lawfully acquires from a third party not under an obligation of confidentiality to the disclosing party; or (iv) is independently developed by Consultant without benefit of the information provided by District. In connection with Confidential Information:

- a) Consultant shall promptly notify District if it is served with any summons, complaint, subpoena or other discovery request, court order or other request from any party regarding this Agreement or the Services performed hereunder.
- b) District retains the right, but has no obligation, to represent Consultant or be present at any deposition, hearing or similar proceeding. Consultant agrees to cooperate fully with District and to provide District with the opportunity to review any response to discovery requests provided by Consultant; provided that this does not imply or mean the right by District to control, direct, or rewrite said response.

20. Conflict of Interest. Consultant covenants that neither it, nor any officer or principal of its firm, has or shall acquire any interest, directly or indirectly, which would conflict in any manner with the interests of District or which would in any way hinder Consultant's performance of the Services under this Agreement. Consultant further covenants that in the performance of this Agreement, no person having any such interest shall be employed by it as an officer, employee, agent or subcontractor without the express written consent of District. Consultant agrees to at all times avoid conflicts of interest or the appearance of any conflicts of interest with the interests of District in the performance of this Agreement.

- a) Bylaws of the Board 9270 & 9270-E, as hereinafter amended or renumbered, require that a consultant that qualifies as a “designated employee” must disclose certain financial interests by filing financial interest disclosures. By its initials below, Consultant (i) represents that it has received and reviewed a copy of the Bylaws of the Board 9270 & 9270-E and that it [] does [] does not qualify as a “designated employee”; and (ii) agrees to notify District, in writing, if Consultant believes that it is a “designate employee” and should be filing financial interest disclosures, but has not been previously required to do so by District.

_____ (Initials)

21. Compliance with Applicable Laws. In connection with the Services and its operations, Consultant shall keep itself informed of and comply with all applicable federal, state and local laws, statutes, codes, ordinances, regulations and rules including, but not limited to, minimum wages and/or prohibitions against discrimination, in effect during the Term. Consultant shall obtain any and all licenses, permits and authorizations necessary to perform the Services. Neither District, nor any Board members, officers, officials, employees, agents, or volunteers of District shall be liable, at law or in equity, as a result of any failure of Consultant to comply with this section.

- a) Without limiting the generality of the foregoing, Consultant, unless exempted, shall comply with the requirements of Education Code section 45125.1 with respect to fingerprinting of employees who may have contact with District’s pupils. Consultant must complete District’s certification form, attached herein as **Exhibit “C,”** prior to any of Consultant’s employees coming into contact with any of District’s pupils. Consultant also agrees to comply with all other operational requirements of District, as may be revised from time to time, including but not limited to any obligations relating to vaccination or testing for infectious diseases.

22. Unauthorized Aliens. Consultant hereby promises and agrees to comply with all of the provisions of the Federal Immigration and Nationality Act, 8 U.S.C.A. §§ 1101, et seq., as amended, and in connection therewith, shall not employ “unauthorized aliens” as that term is defined in 8 U.S.C.A. §1324a(h)(3). Should Consultant so employ such individuals for the performance of work and/or Services covered by this Agreement, and should any liability or sanctions be imposed against District for such employment, Consultant hereby agrees to and shall reimburse District for the cost of all such liabilities or sanctions imposed, together with any and all costs, including attorneys’ fees, incurred by District.

23. Non-Discrimination. Consultant shall abide by the applicable provisions of the United States Civil Rights Act of 1964 42 U.S.C. 2000e and other provisions of law prohibiting discrimination and shall not discriminate, in any way, against any person on the basis of race, color, religious creed, national origin, ancestry, sex, sexual orientation, age, physical handicap, medical condition or marital status in connection with or related to the performance of this Agreement.

24. Disabled Veteran Business Enterprise Participation. Pursuant to Education Code section 17076.11, District has a participation goal for disabled veteran business enterprises (“DVBEs”) of at least three (3) percent, per year, of funds expended each year by District on projects that use funds allocated by the State Allocation Board pursuant to the Leroy F. Greene School Facilities Act. Unless waived in writing by District, Consultant shall provide proof of DVBE compliance, in accordance with any applicable policies of District or the State Allocation Board, within thirty (30) days of its execution of this Agreement

25. Assignment. The expertise and experience of Consultant are material considerations for this Agreement. District has an interest in the qualifications of and capability of the persons and entities that will fulfill the duties and obligations imposed upon Consultant under this Agreement. In recognition of that interest, Consultant shall not assign or transfer this Agreement or any portion of this Agreement or the performance of any of Consultant’s duties, Services or obligations under this Agreement without the prior written consent of District and approval by District’s Board of Trustees. Any attempted assignment shall be ineffective, null and

void, and shall constitute a material breach of this Agreement entitling District to any and all remedies at law or in equity, including summary termination of this Agreement.

26. Subcontracting. Notwithstanding the above, Consultant may utilize subcontractors in the performance of its duties pursuant to this Agreement, but only with the prior written consent of District. Consultant shall be as fully responsible to District for the acts and omissions of its subcontractors, and of persons either directly or indirectly employed by Consultant's subcontractors, as if the acts and omissions were performed by Consultant directly. Any and all subcontractors utilized by Consultant under this Agreement and/or for the Project must maintain any required licenses or certifications.

27. District Administrator. **Lisa Franz** shall be in charge of administering this Agreement on behalf of District (the "Administrator"), provided that any written notice or any consent, waiver or approval of District must be signed by the Superintendent or a designated employee of District to be valid. The Administrator has completed **Exhibit D** "Conflict of Interest Check" attached hereto.

28. Continuity of Personnel. Consultant shall make every reasonable effort to maintain the stability and continuity of Consultant's staff and subcontractors consistent with the staff proposed as part of the Statement of Qualifications, if any, assigned to perform Services under this Agreement.

- a) Consultant shall provide District and the Administrator a list of all personnel and subcontractors providing Services and shall maintain said list current and up to date at all times during the Term. The list shall include the following information: (1) all full or part-time staff positions by title, including volunteer positions whose direct services are required to provide the Services; (2) a brief description of the functions of each such position and the hours each position works each week or, for part-time positions, each day or month, as appropriate; (3) the professional degree, if applicable, and experience required for each position; and (4) the name of the person responsible for fulfilling the terms of this Agreement.

29. Indemnification.

- a) For all liability either found by a court of competent jurisdiction, or as agreed to by the Parties, other than that liability arising out of the professional services of Consultant as described in **Exhibit "D,"** Consultant agrees to indemnify, defend and hold harmless District and its Board members, officers, officials, employees, and agents ("Indemnified Parties"), from and against any and all claims, actions, losses, damages, judgments, and/or liabilities arising out of this Agreement from any cause whatsoever, including the acts of any person or entity under the control of the Consultant and for any costs or expenses (including but not limited to attorneys' fees) incurred by District on account of any claim, except where such indemnification is prohibited by law. Consultant's indemnification obligation applies to District's active as well as passive negligence but does not apply to District's sole negligence or willful misconduct.
- b) For liability arising out of the performance of its professional services under this Agreement, Consultant agrees to indemnify, defend, and hold harmless District and its Indemnified Parties, from and against any and all claims, actions, losses, damages, judgments, and/or liabilities, to the extent arising out of, pertaining to, or relating to the negligence, recklessness, or willful misconduct of Consultant. In no event shall such cost to defend that is charged to the Consultant exceed Consultant's proportionate percentage of fault. Consultant's indemnification obligation does not apply to District's sole negligence or willful misconduct.
- c) Consultant agrees to obtain executed indemnity agreements with provisions identical to the above from each and every subcontractor or sub-consultant retained or employed by Consultant in the performance of this Agreement. Failure of District to monitor compliance with these requirements imposes no additional obligations on District and will in no way act as a waiver of any rights hereunder. Consultant's obligation to indemnify and defend District as set forth above is binding on the successors, assigns or heirs of

Consultant and shall survive the termination of this Agreement.

_____(Initials)

30. Insurance. Consultant agrees to obtain and maintain in full force and effect during the term of this Agreement the insurance policies set forth in **Exhibit “B”** and made a part of this Agreement. All insurance policies shall be subject to approval by District as to form and content. These requirements are subject to amendment or waiver if so approved in writing by the District Superintendent. Any Consultant subcontractors and/or sub-consultants must maintain the necessary insurance coverages as provided for in this Agreement, including but not limited to **Exhibit “B.”**

31. Notices. All notices required or permitted to be given under this Agreement shall be in writing and shall be personally delivered, or sent by telecopier or certified mail, postage prepaid and return receipt requested, addressed as follows:

To District: Oxnard School District
1051 South A Street
Oxnard, California, 93030
Attention: Dr. Ana DeGenna, Interim Superintendent

Telephone: (626) 829-8323
Email: mbrewer@cfwinc.com

To Consultant: Kenco Construction Services, Inc.
4664 Romola Ave.
La Vern, CA 91750
Attention: Kenneth Hinge, President
Telephone(714) 981-2752
Email: kenhinge@kenco-inc.com

All notices, demands, or requests to be given under this Agreement shall be given in writing and conclusively shall be deemed received when delivered in any of the following ways: (i) on the date delivered, if delivered personally; (ii) on the date sent, if sent by facsimile transmission and confirmation of transmission is received; (iii) on the date it is accepted or rejected, if sent by certified mail; and (iv) the date it is received, if sent by regular United States mail.

32. Disputes. Except in the event of the District’s failure to make an undisputed payment due the Consultant, notwithstanding any disputes between the District and Consultant hereunder, the Consultant shall continue to provide and perform the Services and authorized Additional Services pending a subsequent resolution of such disputes. Any and all disputes under this Agreement between the District and Consultant shall be submitted for resolution for non-binding mediation. If such disputes cannot be resolved through mediation, all remaining disputes shall be resolved by binding arbitration conducted under the auspices of AAA and the AAA Construction Industry Arbitration Rules. The foregoing notwithstanding, as an express condition to the Consultant’s commencement of arbitration proceedings hereunder, the Consultant shall comply with all

applicable requirements of Government Code section 900, *et seq.*

- 33. Excusable Delays.** Neither Party will be liable to the other for unanticipated delays or failures in performance resulting from causes beyond the reasonable control of that Party, including, but not limited to, acts of God, labor disputes or disturbances, material shortages or rationing, riots, acts of war, governmental regulations, communications or utility failures, or casualties; provided that the delayed Party: (i) gives the other Party prompt written notice of such cause; and (ii) uses reasonable efforts to correct such failure or delay in its performance. The delayed Party's time for performance or cure under this section will be extended for a period equal to the duration of the cause or sixty (60) days, whichever is less.
- 34. Entire Agreement; Binding Effect.** This Agreement including Exhibits hereto, contains the entire understanding of the Parties, and supersedes all other written or oral agreements. Consultant shall be entitled to no other benefits other than those specified herein. Consultant specifically acknowledges that in entering into this Agreement, Consultant relied solely upon the provisions contained in this Agreement and no others. This Agreement shall be binding upon the heirs, executors, administrators, successors and assigns of the Parties.
- 35. Amendment.** No changes, amendments, alterations, or modifications of this Agreement shall be valid, effective or binding unless made in writing and signed by both Parties and approved by the District's Board of Trustees. The Parties agree that this requirement for written modifications cannot be waived and that any attempted waiver shall be void.
- 36. Waiver.** Waiver by any Party of any term, condition, or covenant of this Agreement shall not constitute a waiver of any other term, condition, or covenant. Waiver by any Party of any breach of the provisions of this Agreement shall not constitute a waiver of any other provision or a waiver of any subsequent breach or violation of any provision of this Agreement. None of the provisions of this Agreement shall be considered waived by either Party unless such waiver is specifically specified in writing. Neither District's review, approval of, nor payment for, any of the Services required under this Agreement shall be construed to operate as a waiver of any rights under this Agreement, and Consultant shall remain liable to District in accordance with this Agreement for all damages to District caused by Consultant's failure to perform any of the Services to the Standard of Performance. This provision shall survive the termination of this Agreement.
- 37. Governing Law.** This Agreement shall be interpreted, construed and governed according to the laws of the State of California. With respect to litigation involving this Agreement, or the Services, venue in state trial courts shall lie exclusively in the County of San Bernardino, California.
- 38. Severability.** If any term, condition or covenant of this Agreement is declared or determined by any court of competent jurisdiction to be invalid, void or unenforceable, the remaining provisions of this Agreement shall not be affected thereby and the Agreement shall be read and construed without the invalid, void or unenforceable provision(s).
- 39. Authority to Execute.** The person or persons executing this Agreement on behalf of Consultant represents and warrants that he/she/they has/have the authority to so execute this Agreement and to bind Consultant to the performance of its obligations hereunder.

IN WITNESS WHEREOF, District and Consultant have executed and delivered this Agreement for consultant

services as of the date first written above.

EXHIBIT “A”

COMPENSATION & RATE/FEE SCHEDULE

I. The following rates of pay shall apply in the performance of the Services under this Agreement:

Total Not to Exceed Fee = \$158,760.00

II. Consultant may utilize subcontractors as permitted in the Agreement. The hourly rate for any subcontractor shall be consistent with the rate and fee schedule indicated in Section I above, unless other direction is provided with written authorization from District Superintendent or his/her designee.

III. Claims for reimbursable expenses shall be documented by appropriate invoices and supporting receipts. Consultant may be reimbursed for those reasonable out-of-pocket expenses set forth below that are incurred and paid for by Consultant beyond the typical obligations under this Agreement, but only to the extent that such expenses are directly related to Services satisfactorily completed, are approved by District in writing and do not cause the amounts paid to Consultant to exceed the amounts allowed under this Agreement. No mark-up of any expense is permitted. The following is the EXCLUSIVE list of reimbursable expenses:

A. Travel and Mileage. Consultant must request the travel in writing and justify why the travel should be reimbursed. Travel expenses must be approved in writing by District, in its sole discretion. Trips from any Consultant’s office to District’s office or to the Project site will not be approved for reimbursement.

B. Reimbursable Reprographic Services. Print sets or copies requested in writing by District beyond the quantities required under the Agreement.

C. Fees for Subcontractors. Fees for subcontractors hired and paid by Consultant at the written request of District and are permitted in the Agreement.

D. Fees advanced for securing approval of public agencies having jurisdiction over any project hereunder.

IV. Consultant shall provide to District a complete Schedule of Values (“SOV”), identifying major work activities required to complete the authorized scope of work. All invoices must reflect the appropriate progress percentage for each SOV item billed, to be verified by District. District will compensate Consultant for the Services performed upon approval by District of a valid and complete invoice, in form and substance acceptable to District.

A. Acceptable back-up for billings shall include, but not be limited to:

a. Records for all personnel describing the work performed, the number of hours worked, and the hourly rate, for all time charged to the Services.

b. Records for all supplies, materials and equipment properly charged to the Services.

c. Records for all travel pre-approved by District and properly charged to the Services.

d. Records for all subcontractor labor, supplies, equipment, materials, and travel properly charged to the Services.

Exhibit “A”

Unless otherwise directed by District, in writing, completed invoices are to be submitted to the attention of the Director of Purchasing and the Chief Business Official. To be considered complete, the invoice packet shall include all back-up documentation required by District and sign-off from District staff, Program Manager or project manager assigned by District to supervise the Services.

The total compensation for the Services shall be provided for in this Agreement.

V. Compensation Upon Termination. In the event that District suspends or terminates this Agreement, or any of the Services pursuant to Section 10 or Section 11(a) of the Agreement, District will pay Consultant as provided herein for all Services and authorized Additional Services actually performed, and all authorized reimbursable expenses actually incurred and paid, under and in accordance with this Agreement, up to and including the date of suspension or termination; provided that such payments shall not exceed the amounts specified in the Agreement as compensation for the Services completed, plus any authorized Additional Services and authorized reimbursable expenses completed prior to suspension or termination. No payment for demobilization shall be paid unless District at its sole discretion determines that demobilization or other compensation is appropriate.

After a notice of termination is given, Consultant shall submit to District a final claim for payment, in the form and with certifications prescribed by District. Such claim shall be submitted promptly, but in no event later than forty (40) calendar days after the Termination Date specified on the notice of termination. Such payment shall be Consultant's sole and exclusive compensation and District shall have no liability to Consultant for any other compensation or damages, including without limitation, anticipated profit, prospective losses, legal fees or costs associated with legal representation or consequential damages, of any kind.

Exhibit "A"

EXHIBIT "B"

INSURANCE

I. Insurance Requirements. Consultant shall provide and maintain insurance, acceptable to District Superintendent and/or District's counsel, in full force and effect throughout the Term of this Agreement, against claims for injuries to persons or damages to property which may arise from or in connection with the performance of the work hereunder by Consultant, its agents, subcontractors, representatives and/or employees. Insurance is to be placed with insurers authorized to conduct business in the State of California and with a current A.M. Best's rating of no less than A, as rated by the current edition of Best's Key Rating Guide, published by A.M. Best Company, Oldwick, New Jersey 08858. Consultant shall provide the following scope and limits of insurance:

A. Minimum Scope of Insurance. Coverage shall be at least as broad as:

(1) Commercial General Liability coverage of not less than two million dollars (\$2,000,000) aggregate and one million dollars (\$1,000,000) per occurrence.

(2) Auto liability insurance with limits of not less than one million dollars (\$1,000,000).

(3) Insurance coverage should include:

1. owned, non-owned and hired vehicles;
2. blanket contractual;
3. broad form property damage;
4. products/completed operations; and
5. personal injury.

(4) Workers' Compensation insurance as required by the laws of the State of California.

(5) Professional liability (Errors and Omissions) insurance, including contractual liability, as appropriate to the Consultant's profession, in an amount of not less than \$1,000,000 per occurrence and \$2,000,000 in the aggregate.

Failure to maintain professional liability insurance is a material breach of this Agreement and grounds for immediate termination.

II. Other Provisions. Insurance policies required by this Agreement shall contain the following provisions:

A. All Policies. Each insurance policy required by this Agreement shall be endorsed and state the coverage shall not be suspended, voided, cancelled by the insurer or either Party to this Agreement, reduced in coverage or in limits except after thirty (30) days' prior written notice by Certified mail, return receipt requested, has been given to District.

B. General Liability, Automobile Liability, and Abuse/Molestation Coverages.

(1) District, and its Board members, officers, officials, employees, agents, and volunteers are to be covered as additional insureds (collectively, "additional insureds") as respects the following: liability arising out of activities and/or Services Consultant performs; products and completed operations of Consultant; premises owned, occupied or used by Consultant; automobiles owned, leased, hired or borrowed by Consultant, and abuse/molestation.

Exhibit "B"

The coverage shall contain no special limitations on the scope of protection afforded to additional insureds.

(2) Each policy shall state that the coverage provided is primary and any insurance carried by any additional insured is in excess to and non-contributory with Consultant's insurance.

(3) Consultant's insurance shall apply separately to each insured against whom claim is made or suit is brought, except with respect to the limits of the insurer's liability.

(4) Any failure to comply with the reporting or other provisions of the policies including breaches of warranties shall not affect coverage provided to any additional insured.

III. Other Requirements. Consultant agrees to deposit with District, at or before the effective date of this Agreement, certificates of insurance necessary to satisfy District that the insurance provisions of this Agreement have been complied with. District may require that Consultant furnish District with copies of original endorsements effecting coverage required by this section. The certificates and endorsements are to be signed by a person authorized by that insurer to bind coverage on its behalf. District reserves the right to inspect complete, certified copies of all required insurance policies, at any time.

A. If any Services are performed by a subcontractor, Consultant shall furnish certificates and endorsements from each subcontractor identical to those Consultant provides.

B. Any deductibles or self-insured retentions must be declared to and approved by District. At the option of District, either the insurer shall reduce or eliminate such deductibles or self-insured retentions as respects District or its Board members, officers, officials, employees, agents, and volunteers, or the Consultant shall procure a bond guaranteeing payment of losses and related investigations, claim administration, defense expenses and claims.

C. The procuring of any required policy or policies of insurance shall not be construed to limit Consultant's liability hereunder nor to fulfill the indemnification provisions and requirements of this Agreement.

Exhibit "B"

EXHIBIT “C”

BACKGROUND CHECK AND FINGERPRINTING PROCEDURES FOR CONTRACTORS

The Consultant will be required to assure that its employees, subcontractors of any tier, material suppliers, and consultants do not have direct contact with the District’s students during the performance of the Agreement in compliance with Education Code sections 45125.1 and 45125.2. To assure these provisions, the Consultant’s supervisor shall be fingerprinted, and proof of same shall be provided to the District prior to start of on-site work. The supervisor will monitor the workers’ conduct while on school grounds. In addition, the Consultant shall barricade the work area to separate its workers from the students. Costs associated with this process are the responsibility of the Consultant.

The Consultant’s construction supervisors or their unsupervised employees who will be working outside of fenced areas during the school hours **must** have submitted a fingerprint identification card to the Department of Justice (“DOJ”) and have a proof of clearance in the form of an affidavit filed in the Needles Unified School District’s (“District”) Purchasing Office **prior to** the start of the work.

Education Code sections 45125.1 and 45125.2 require that criminal checks be completed for contractors who provide construction, janitorial, administrative, grounds and landscape maintenance, pupil transportation, food-related, or other similar services to school districts.

The undersigned does hereby certify to the Board of Trustees of the District as follows:

That I am a representative of the Consultant currently under contract (“Agreement”) with the District; that I am familiar with the facts herein certified, and am authorized and qualified to execute this certificate on behalf of Consultant.

Consultant certifies that it has taken the following actions with respect to the construction Project that is the subject of the Agreement:

1. Pursuant to Education Code section 45125.2, Consultant has installed or will install, prior to commencement of work, a physical barrier at the Project site, which will limit contact between Consultant’s employees and District pupils at all times (mandatory for all projects); AND
2. The Consultant has complied with the fingerprinting requirements of Education Code section 45125.1 with respect to all Consultant’s employees and all of its subcontractors’ employees who may have contact with District pupils in the course of providing services pursuant to the Contract, and the DOJ has determined that none of those employees has a pending criminal proceeding for a felony or has been convicted of a felony, as that term is defined in Education Code section 45122.1. A complete and accurate list of Consultant’s employees and of all its subcontractors’ employees who may come in contact with District pupils during the course and scope of the Contract is attached hereto; AND/OR
3. Pursuant to Education Code section 45125.2, Consultant certifies that all employees will be under the continual supervision of, and monitored by, an employee of the Consultant whom the California DOJ has ascertained has not been convicted of a violent or serious felony. The name and title of each employee who will be supervising Consultant’s employees and its subcontractors’ employees is:

Name: _____

Title: _____

AND/OR

4. The work on the Contract is at an unoccupied school site and no employee and/or subcontractor or supplier of any tier of Consultant shall come in contact with District pupils.

Consultant's responsibility for background clearance extends to all of its employees, subcontractors, and employees of subcontractors coming into contact with District pupils regardless of whether they are designated as employees or acting as independent contractors of the Consultant.

SCOPE OF SERVICES

Outlined in Kenco Construction Services, Inc.’s Attached Proposal, dated May 26, 2023

EXHIBIT "E"
TO AGREEMENT FOR CONSULTANT SERVICES #_____

CONFLICT OF INTEREST CHECK

Bylaws of the Board 9270 & 9270-E requires that the Superintendent or a designee make a determination, on a case by case basis, concerning whether disclosure will be required from a consultant to comply with District's Conflict of Interest Code (commencing with Bylaws of the Board 9270 BB).

Consultants are required to file disclosures when, pursuant to a contract with District, Consultant will make certain specified government decisions or will perform the same or substantially the same duties for District as a staff person would.

The services to be performed by Consultant under the Agreement to which this Exhibit D is attached constitute do not constitute governmental decisions or staff services within the meaning of the Conflict of Interest Code. Therefore, Consultant, is is not subject to disclosure obligations.

"Building Safe Schools"

Proposal for DSA "Onsite" Inspection.

Date: 05-26-23

Project Client: Oxnard School District
1055 South C Street
(805) 385-1514

Proposed Projects: **Driffill ES – 5 New Modular Installation**
910 South E Street, Oxnard, Ca. 93030

DSA App. Number: #03-123351 **DSA File Number:** 56-22

Proposed Scope of Work: One DSA Certified Project Inspector to provide onsite inspections for the construction of 5 new Modular Classroom Bldgs. and associated site work, including site utilities per the DSA approved drawings. All documentation and DSA requirements included. **NOTE:** Laboratory, geo/soil or special inspections are not included.

Project Rate: \$105.00 per hour for DSA inspections with a 4-hour minimum per site visit until the approved drawings are complete. Unless additional work becomes necessary per the district, the hours are estimated not to exceed 8 hrs. per day. OT rate is \$157.50 per hr.

Estimated Cost: Estimated Start Date: **August 1st, 2023**
Estimated Completion Date: **May 1st, 2024**
9 months = 189 days = 1,512 hrs. (@ \$105.00 per hr.)..... **\$ 158,760.00**

Total Estimated Proposal: \$ 158,760.00

Note: Please be advised that all inspections are subject to contractor performance. Therefore, the total cost proposal is an estimate and subject to increase or credit.

Project Inspector Agency Agreement and Contract Duties:

KENCO Construction Services agrees to provide continuous inspection of work for compliance with approved contract documents and California Building Codes, including Title 24. Project Inspector duties are outlined in Title 24, Part 1, Chapter 4, Section 4-333 thru 4-342 California Code of Regulations, including DSA Interpretation of Regulations A-6, A-7, A-8, and as incorporated in the following sections:

1. Represent the client under the guidance of the Architect, Construction Manager, or designated agent.
2. Attending all planning, pre-con conferences, project meetings, or meetings as required by the client.
3. Monitor or observe all special inspections performed by the client-contracted testing laboratory as required by the Testing and Inspection Sheet and as outlined in the Project Specifications. Maintain and update a log specifying hours spent on the project by the special inspectors. Perform or monitor testing for Torque, Epoxy, and Pull Tests as required.
4. The client and the inspector shall each defend and hold harmless each other against any losses, liabilities, damages, injuries, claims, costs, or expenses arising out of, or connected with the provisions of this agreement and the contract documents.
5. This Agreement shall begin on or about **August 1st, 2023**, and remain in effect continuously until completed, or terminated in writing. This Contract is intended to be an agency agreement and may be terminated in 30 days by either party with, or without cause. This agency agreement shall be assignable to other schools within the district and shall apply to other inspectors as requested and approved by the district. The district shall not employ, contract, or engage in business or mutually beneficial relationship with any inspectors introduced to the District through KENCO Construction Services for a period of two (2) years after the dissolution of any contracts through KENCO Construction Services, unless written permission is granted prior to each relationship.
6. **The Oxnard School District** agrees to pay KENCO Construction Services, Inc. our monthly invoice for project services, billed at a rate of **\$105.00 per hour for DSA inspection**, within 15 working days of receipt of invoice. Each monthly billing shall separately identify hours and charges for each individual school, consistent with required site accounting. KENCO Construction Services shall provide all necessary cell phones, laptop computers, digital cameras, and any equipment necessary to maintain proper documentation and administration functions throughout the duration of the project. The district shall provide all office space, utility lines, and equipment necessary per the project specifications.
7. KENCO Construction Services shall provide to the district at the end of the project all documentation in a professional format, either in binders or on a computer CD.
8. KENCO Construction Services shall not bill the client for any time not directly paid to the project inspectors working directly on the project. A DSA certified project manager will be assigned to oversee the project inspector to ensure accurate reporting of all activities and DSA compliance. Should any emergency arise where the consultant/inspector becomes absent, on vacation, or is not able to be on site due to causes beyond his/her reasonable control, the DSA certified project manager will provide inspections until the IOR returns.

Agreement #22-69

AGREEMENT FOR CONSULTANT SERVICES

This Agreement for Consultant Services (“Agreement”) is entered into as of this 3rd day of August 2022 by and between the Oxnard School District (“District”) and Acceleration Behavioral Therapies (“Consultant”). District and Consultant are sometimes hereinafter individually referred to as “Party” and hereinafter collectively referred to as the “Parties.”

RECITALS

- A. District is authorized by *California Government Code* Section 53060, and Board Policy 4368, to contract with independent contractors for the furnishing of services concerning financial, economic, accounting, engineering, legal, administrative and other matters. District has sought, by issuance of a Request for Proposals or Invitation for Bids, the performance of the Services, as defined and described particularly on Exhibit A, attached to this Agreement.
- B. Following submission of a proposal or bid for the performance of the Services, Consultant was selected by the District to perform the Services.
- C. The Parties desire to formalize the selection of Consultant for performance of the Services and desire that the terms of that performance be as particularly defined and described herein.

OPERATIVE PROVISIONS

NOW, THEREFORE, in consideration of the mutual promises and covenants made by the Parties and contained here and other consideration, the value and adequacy of which are hereby acknowledged, the parties agree as follows:

- Incorporation of Recitals and Exhibits.** The Recitals set forth above and all exhibits attached to this Agreement, as hereafter amended, are incorporated by this reference as if fully set forth herein.
- Term of Agreement.** Subject to earlier termination as provided below, this Agreement shall remain in effect from July 1, 2022 through June 30, 2023 (the “Term”). This Agreement may be extended only by amendment, signed by the Parties, prior to the expiration of the Term.
- Time for Performance.** The scope of services set forth in Exhibit A shall be completed during the Term pursuant to the schedule specified Exhibit A. Should the scope of services not be completed pursuant to that schedule, the Consultant shall be deemed to be in Default as provided below. The District, in its sole discretion, may choose not to enforce the Default provisions of this Agreement and may instead allow Consultant to continue performing the Services.
- Compensation and Method of Payment.** Subject to any limitations set forth below or elsewhere in this Agreement, District agrees to pay Consultant the amounts specified in Exhibit B “Compensation”. The total compensation shall not exceed Four Hundred Thousand Dollars (\$400,000.00), per attached rate sheet, unless additional compensation is approved in writing by the District.

- a. Each month Consultant shall furnish to District an original invoice for all work performed and expenses incurred during the preceding month. The invoice shall detail charges by the following categories: labor (by sub-category), travel, materials, equipment, supplies, and sub-consultant contracts. Sub-consultant charges, if any, shall be detailed by the following categories: labor, travel, materials, equipment and supplies. District shall independently review each invoice submitted by the Consultant to determine whether the work performed and expenses incurred are in compliance with the provisions of this Agreement. In the event that no charges or expenses are disputed, the invoice shall be approved and paid according to the terms set forth in subsection b. In the event any charges or expenses are disputed by District, the original invoice shall be returned by District to Consultant for correction and resubmission.
- b. Except as to any charges for work performed or expenses incurred by Consultant which are disputed by District, District will use its best efforts to cause Consultant to be paid within forty-five (45) days of receipt of Consultant's correct and undisputed invoice.
- c. Payment to Consultant for work performed pursuant to this Agreement shall not be deemed to waive any defects in work performed by Consultant.

5. **Termination.** This Agreement may be terminated at any time by mutual agreement of the Parties or by either Party as follows:

- a. District may terminate this Agreement, with or without cause, at any time by giving thirty (30) days written notice of termination to Consultant. In the event such notice is given, Consultant shall cease immediately all work in progress; or
- b. Consultant may terminate this Agreement for cause at any time upon thirty (30) days written notice of termination to District.

6. **Inspection and Final Acceptance.** District may, at its discretion, inspect and accept or reject any of Consultant's work under this Agreement, either during performance or when within sixty (60) days after submitted to District. If District does not reject work by a timely written explanation, Consultant's work shall be deemed to have been accepted. District's acceptance shall be conclusive as to such work except with respect to latent defects, fraud and such gross mistakes as amount to fraud. Acceptance of any of Consultant's work by District shall not constitute a waiver of any of the provisions of this Agreement including, but not limited to indemnification and insurance provisions.

7. **Default.** Failure of Consultant to perform any Services or comply with any provisions of this Agreement may constitute a default. The District may give notice to Consultant of the default and the reasons for the default. District shall not have any obligation or duty to continue compensating Consultant for any work performed after the date of the notice until the default is cured. The notice shall include the timeframe in which Consultant may cure the default. This timeframe is presumptively thirty (30) days, but may be extended, though not reduced, at the discretion of the District. During the period of time that Consultant is in default, the District shall hold all invoices and shall, when the default is cured, proceed with payment on the invoices. In the alternative, the District may, in its sole discretion, elect to pay some or all of the outstanding invoices during the period of default. If Consultant does not cure the default, the District may terminate this Agreement as provided above. Any failure on the part of the District to give notice of the Consultant's default shall not be deemed to result in a waiver of the District's legal rights or any rights arising out of any provision of this Agreement.

8. **Ownership of Documents.** All maps, models, designs, drawings, photographs, studies, surveys, reports, data, notes, computer files, files and other documents prepared, developed or discovered by Consultant in the course of providing any services pursuant to this Agreement (collectively and individually, the "Documents") shall

become the sole property of District and may be used, reused or otherwise disposed of by District without the permission of the Consultant. Upon completion, expiration or termination of this Agreement, Consultant shall turn over to District all such Documents.

9. **Use of Documents by District.** If and to the extent that District utilizes for any purpose not related to this Agreement any Documents, Consultant's guarantees and warrants related to Standard of Performance under this Agreement shall not extend to such use of the Documents.

10. **Consultant's Books and Records.** Consultant shall maintain any and all documents and records demonstrating or relating to Consultant's performance of services pursuant to this Agreement for a minimum of three years after termination or expiration of this Agreement, or longer if required by law.

- a. Consultant shall maintain any and all ledgers, books of account, invoices, vouchers, canceled checks, or other documents or records evidencing or relating to work, services, expenditures and disbursements charged to District pursuant to this Agreement for a minimum of three years, or longer if required by law, all in accordance with generally accepted accounting principles and with sufficient detail so as to permit an accurate evaluation of the services provided by Consultant pursuant to this Agreement.
- b. Any and all such records or documents shall be made available for inspection, audit and copying, at any time during regular business hours, upon request by District or its designated representative. Copies of such documents or records shall be provided directly to the District for inspection, audit and copying when it is practical to do so; otherwise, unless an alternative is mutually agreed upon, such documents and records shall be made available at Consultant's address indicated for receipt of notices in this Agreement.
- c. District has the right to acquire custody of such records by written request if Consultant decides to dissolve or terminate its business. Consultant shall deliver or cause to be delivered all such records and documents to District within sixty (60) days of receipt of the request.

11. **Independent Contractor.** Consultant is and shall at all times remain a wholly independent contractor and not an officer, employee or agent of District.

- a. The personnel performing the services under this Agreement on behalf of Consultant shall at all times be under Consultant's exclusive direction and control. Consultant, its agents or employees shall not at any time or in any manner represent that Consultant or any of Consultant's officers, employees, or agents are in any manner officials, officers, employees or agents of District. Neither Consultant, nor any of Consultant's officers, employees or agents, shall, by virtue of services rendered under this Agreement, obtain any rights to retirement, health care or any other benefits which may otherwise accrue to District's employees. Consultant will be responsible for payment of all Consultant's employees' wages, payroll taxes, employee benefits and any amounts due for federal and state income taxes and Social Security taxes since these taxes will not be withheld from payment under this agreement.
- b. Consultant shall have no authority to bind District in any manner, or to incur any obligation, debt or liability of any kind on behalf of or against District, whether by contract or otherwise, unless such authority is expressly conferred in writing by District, or under this Agreement.

12. **Standard of Performance.** Consultant represents and warrants that it has the qualifications, experience and facilities necessary to properly perform the services required under this Agreement in a thorough, competent and professional manner. Consultant shall at all times faithfully, competently and to the best of its ability, experience and talent, perform all services described herein. In meeting its obligations under this Agreement,

Consultant shall employ, at a minimum, generally accepted standards and practices utilized by persons engaged in providing services similar to those required of Consultant under this Agreement.

13. **Confidential Information.** All information gained during performance of the Services and all Documents or other work product produced by Consultant in performance of this Agreement shall be considered confidential. Consultant shall not release or disclose any such information, Documents or work product to persons or entities other than District without prior written authorization from the Superintendent of the District, except as may be required by law.

- a. Consultant shall promptly notify District if it is served with any summons, complaint, subpoena or other discovery request, court order or other request from any party regarding this Agreement or the work performed hereunder.
- b. District retains the right, but has no obligation, to represent Consultant or be present at any deposition, hearing or similar proceeding. Consultant agrees to cooperate fully with District and to provide District with the opportunity to review any response to discovery requests provided by Consultant; provided that this does not imply or mean the right by District to control, direct, or rewrite said response.

14. **Conflict of Interest; Disclosure of Interest.** Consultant covenants that neither it, nor any officer or principal of its firm, has or shall acquire any interest, directly or indirectly, which would conflict in any manner with the interests of District or which would in any way hinder Consultant's performance of services under this Agreement. Consultant further covenants that in the performance of this Agreement, no person having any such interest shall be employed by it as an officer, employee, agent or subcontractor without the express written consent of the District.

- a. Consultant agrees to at all times avoid conflicts of interest or the appearance of any conflicts of interest with the interests of District in the performance of this Agreement.
- b. Bylaws of the Board 9270 BB and 9270(BB) E, as hereinafter amended or renumbered, require that a Consultant that qualifies as a "designated employee" must disclose certain financial interests by filing financial interest disclosures. By its initials below, Consultant represents that it has received and reviewed a copy of the Bylaws of the Board 9270 BB and 9270(BB) E and that it does does not qualify as a "designated employee".

 (Initials)

- c. Consultant agrees to notify the Superintendent, in writing, if Consultant believes that it is a "designate employee" and should be filing financial interest disclosures, but has not been required to do so by the District.

 (Initials)

15. **Compliance with Applicable Laws.** In connection with the Services and its operations, Consultant shall keep itself informed of and comply with all applicable federal, state and local laws, statutes, codes, ordinances, regulations and rules including, but not limited to, minimum wages and/or prohibitions against discrimination, in effect during the Term. Consultant shall obtain any and all licenses, permits and authorizations necessary to perform the Services. Neither District, nor any elected or appointed boards, officers, officials, employees or agents of District shall be liable, at law or in equity, as a result of any failure of Consultant to comply with this section.

- a. Without limiting the generality of the foregoing, Consultant shall comply with any applicable fingerprinting requirements as set forth in the Education Code of the State of California.

 (Initials)

16. **Unauthorized Aliens.** Consultant hereby promises and agrees to comply with all of the provisions of the Federal Immigration and Nationality Act, 8 U.S.C.A. §§ 1101, et seq., as amended, and in connection therewith, shall not employ “unauthorized aliens” as that term is defined in 8 U.S.C.A. §1324a(h)(3). Should Consultant so employ such individuals for the performance of work and/or services covered by this Agreement, and should any liability or sanctions be imposed against District for such employment, Consultant hereby agrees to and shall reimburse District for the cost of all such liabilities or sanctions imposed, together with any and all costs, including attorneys' fees, incurred by District.

17. **Non-Discrimination.** Consultant shall abide by the applicable provisions of the United States Civil Rights Act of 1964 and other provisions of law prohibiting discrimination and shall not discriminate, in any way, against any person on the basis of race, color, religious creed, national origin, ancestry, sex, age, physical handicap, medical condition or marital status in connection with or related to the performance of this Agreement.

18. **Assignment.** The expertise and experience of Consultant are material considerations for this Agreement. District has an interest in the qualifications of and capability of the persons and entities that will fulfill the duties and obligations imposed upon Consultant under this Agreement. In recognition of that interest, Consultant shall not assign or transfer this Agreement or any portion of this Agreement or the performance of any of Consultant's duties or obligations under this Agreement without the prior written consent of the Board of Directors of the District. Any attempted assignment shall be ineffective, null and void, and shall constitute a material breach of this Agreement entitling District to any and all remedies at law or in equity, including summary termination of this Agreement.

19. **Subcontracting.** Notwithstanding the above, Consultant may utilize subcontractors in the performance of its duties pursuant to this Agreement, but only with the prior written consent of the District. The Consultant shall be as fully responsible to the District for the acts and omissions of his Subcontractors, and of persons either directly or indirectly employed by him/her, as if the acts and omissions were performed by him/her directly.

20. **Continuity of Personnel.** Consultant shall make every reasonable effort to maintain the stability and continuity of Consultant's staff and subcontractors, if any, assigned to perform the services required under this Agreement.

- a. Consultant shall insure that District has a current list of all personnel and sub-contractors providing services under this Agreement.
- b. Consultant shall notify District of any changes in Consultant's staff and subcontractors, if any, assigned to perform the services required under this Agreement, prior to and during any such performance. The list notice shall include the following information: (1) all full or part-time staff positions by title, including volunteer positions whose direct services are required to provide the services described herein; (2) a brief description of the functions of each such position and the hours each position works each week or, for part-time positions, each day or month, as appropriate; (3) the professional degree, if applicable, and experience required for each position; and (4) the name of the person responsible for fulfilling the terms of this Agreement.

21. **Indemnification.**

- a. Consultant agrees to defend, indemnify, and hold harmless District, its officers, agents, employees, and/or volunteers from any and all claims, demands, losses, damages and expenses, including legal fees and costs, or other obligations or claims arising out of any liability or damage to property, or any other loss, sustained or claimed to have been sustained arising out of activities of the Consultant or those of any of Consultant's officers, agents, employees, or subcontractors, whether such act or omission is authorized by this Agreement or not. Consultant shall also pay for any and all damage to the Property of the District, or loss or theft of such Property, done or caused by such persons. District

assumes no responsibility whatsoever for any property placed on district premises. Consultant further agrees to waive all rights of subrogation against the District. The provisions of this Agreement do not apply to any damage or losses caused solely by the negligence of the District or any of its officers, agents, employees, and/or volunteers.

 (Initials)

- b. The provisions of this section do not apply to claims occurring as a result of District's sole negligence or willful acts or omissions.

22. **Insurance.** Consultant agrees to obtain and maintain in full force and effect during the term of this Agreement the insurance policies set forth in **Exhibit C** "Insurance" and made a part of this Agreement. All insurance policies shall be subject to approval by District as to form and content. These requirements are subject to amendment or waiver if so approved in writing by the District Superintendent. Consultant agrees to provide District with copies of required policies upon request.

23. **Notices.** All notices required or permitted to be given under this Agreement shall be in writing and shall be personally delivered, or sent by telecopier or certified mail, postage prepaid and return receipt requested, addressed as follows:

To District: Oxnard School District
1051 South A Street
Oxnard, California, 93030
Attention: Danielle Jefferson
Phone: 805.385.1501, x2175
Fax: 805.487.9648

To Consultant: Acceleration Behavioral Therapies
16501 Ventura Blvd., #400
Encino, CA 91436
Phone: **8182809614**
Fax: (818) 356.8113
Email: **Mtucker@accelerationbt.com**

Notice shall be deemed effective on the date personally delivered or transmitted by facsimile (provided confirmation of successful facsimile transmission shall be retained) or, if mailed, three (3) days after deposit of the same in the custody of the United States Postal Service.

24. **Excusable Delays.** Consultant shall not be liable for damages, including liquidated damages, if any, caused by delay in performance or failure to perform due to causes beyond the control of Consultant. Such causes include, but are not limited to, acts of God, acts of the public enemy, acts of federal, state or local governments, acts of District, court orders, fires, floods, epidemics, strikes, embargoes, and unusually severe weather. The term and price of this Agreement shall be equitably adjusted for any delays due to such causes.

25. **Authority to Execute.** The person or persons executing this Agreement on behalf of Consultant represents and warrants that he/she/they has/have the authority to so execute this Agreement and to bind Consultant to the performance of its obligations hereunder.

26. **Administration.** **DANIELLE JEFFERSON** shall be in charge of administering this Agreement on behalf of the District. The Director of Purchasing has completed **Exhibit D** "Conflict of Interest Check" attached hereto.

27. **Binding Effect.** This Agreement shall be binding upon the heirs, executors, administrators, successors and assigns of the parties.
28. **Entire Agreement.** This Agreement and the exhibits and documents incorporated herein constitute the entire agreement and understanding between the parties in connection with the matters covered herein.
29. **Amendment.** No amendment to or modification of this Agreement shall be valid or binding unless made in writing by the Consultant and by the District. The parties agree that this requirement for written modifications cannot be waived and that any attempted waiver shall be void.
30. **Waiver.** Waiver by any party to this Agreement of any term, condition, or covenant of this Agreement shall not constitute a waiver of any other term, condition, or covenant. Waiver by any party of any breach of the provisions of this Agreement shall not constitute a waiver of any other provision or a waiver of any subsequent breach or violation of any provision of this Agreement. Acceptance by District of any work or services by Consultant shall not constitute a waiver of any of the provisions of this Agreement.
31. **Governing Law.** This Agreement shall be interpreted, construed and governed according to the laws of the State of California. In the event of litigation between the parties, venue in state trial courts shall lie exclusively in the County of Ventura, California.
32. **Arbitration.** Any dispute arising out of the performance of this Agreement shall be resolved by binding arbitration in accordance with rules and procedures of the American Arbitration Association.
33. **Severability.** If any term, condition or covenant of this Agreement is declared or determined by any court of competent jurisdiction to be invalid, void or unenforceable, the remaining provisions of this Agreement shall not be affected thereby and the Agreement shall be read and construed without the invalid, void or unenforceable provision(s).

[THE REMAINDER OF THIS PAGE IS INTENTIONALLY LEFT BLANK]

IN WITNESS WHEREOF, the District and Consultant have executed and delivered this agreement for consultant services as of the date first written above.

EXHIBIT A
TO AGREEMENT FOR CONSULTANT SERVICES #22-69

SERVICES

I. Consultant will perform the following Services under the Captioned Agreement:

***PER ATTACHED RATE SHEET**

II. As part of the Services, Consultant will prepare and deliver the following tangible work products to the District:

***PER ATTACHED RATE SHEET**

III. During performance of the Services, Consultant will keep the District apprised of the status of performance by delivering the following status reports under the indicated schedule:

STATUS REPORT FOR ACTIVITY:	DUE DATE
A. N/A	
B. N/A	
C. N/A	
D. N/A	

V. Consultant will utilize the following personnel to accomplish the Services:

- None.
- See attached list.

VI. Consultant will utilize the following subcontractors to accomplish the Services (check one):

- None.
- See attached list.

VII. AMENDMENT

The Scope of Services, including services, work product, and personnel, are subject to change by mutual Agreement. In the absence of mutual Agreement regarding the need to change any aspects of performance, Consultant shall comply with the Scope of Services as indicated above

Not Project Related

Project #22-69

EXHIBIT B
TO AGREEMENT FOR CONSULTANT SERVICES #22-69

COMPENSATION

I. Consultant shall use the following rates of pay in the performance of the Services:

Total compensation shall not exceed Four Hundred Thousand Dollars (\$400,000.00), per attached Proposal/Rate Sheet, unless additional compensation is approved in writing by the District.

II. Consultant may utilize subcontractors as indicated in this Agreement. The hourly rate for any subcontractor is not to exceed \$ N/A per hour without written authorization from the District Superintendent or his designee.

III. The District will compensate Consultant for the Services performed upon submission of a valid invoice. Each invoice is to include:

- A. Line items for all personnel describing the work performed, the number of hours worked, and the Hourly or flat rate.
- B. Line items for all supplies properly charged to the Services.
- C. Line items for all travel properly charged to the Services.
- D. Line items for all equipment properly charged to the Services.
- E. Line items for all materials properly charged to the Services.
- F. Line items for all subcontractor labor, supplies, equipment, materials, and travel properly charged to the Services.

IV. The total compensation for the Services shall not exceed \$400,000.00, as provided in Section 4 of this Agreement.

EXHIBIT C
TO AGREEMENT FOR CONSULTANT SERVICES #22-69

INSURANCE

I. **Insurance Requirements.** Consultant shall provide and maintain insurance, acceptable to the District Superintendent or District Counsel, in full force and effect throughout the term of this Agreement, against claims for injuries to persons or damages to property which may arise from or in connection with the performance of the work hereunder by Consultant, its agents, representatives or employees. Insurance is to be placed with insurers authorized to conduct business in the State of California and with a current A.M. Best's rating of no less than A, as rated by the Current edition of Best's Key Rating Guide, published by A.M. Best Company, Oldwick, New Jersey 08858. Consultant shall provide the following scope and limits of insurance:

A. **Minimum Scope of Insurance.** Coverage shall be at least as broad as:

(1) Commercial General Liability coverage of not less than two million dollars (\$2,000,000) Aggregate and one million dollars (\$1,000,000) per occurrence.

(2) Auto liability insurance with limits of not less than one million dollars (\$1,000,000).

(3) Insurance coverage should include:

1. owned, non-owned and hired vehicles;
2. blanket contractual;
3. broad form property damage;
4. products/completed operations; and
5. personal injury.

(4) Workers' Compensation insurance as required by the laws of the State of California.

(5) Abuse and Molestation coverage of not less than two million dollars (\$2,000,000) per occurrence and five million dollars (\$5,000,000) Aggregate.

(6) Professional liability (Errors and Omissions) insurance, including contractual liability, as appropriate to the Consultant's profession, in an amount of not less than the following:

Accountants, Attorneys, Education Consultants, Nurses, Therapists	\$1,000,000
Architects	\$1,000,000 or \$2,000,000
Physicians and Medical Corporations	\$5,000,000

Failure to maintain professional liability insurance is a material breach of this Agreement and grounds for immediate termination

II. **Other Provisions.** Insurance policies required by this Agreement shall contain the following provisions:

Not Project Related

Project #22-69

A. All Policies. Each insurance policy required by this Agreement shall be endorsed and state the coverage shall not be suspended, voided, cancelled by the insurer or either party to this Agreement, reduced in coverage or in limits except after 30 days' prior written notice by Certified mail, return receipt requested, has been given to District

B. General Liability, Automobile Liability, and Abuse/Molestation Coverages.

(1) District, and its respective elected and appointed officers, officials, employees and volunteers are to be covered as additional insureds (collectively, "additional insureds") as respects the following: liability arising out of activities Consultant performs; products and completed operations of Consultant; premises owned, occupied or used by Consultant ; automobiles owned, leased, hired or borrowed by Consultant, and Abuse/Molestation. The coverage shall contain no special limitations on the scope of protection afforded to additional insureds.

(2) Each policy shall state that the coverage provided is primary and any insurance carried by any additional insured is in excess to and non-contributory with Consultant's insurance.

(3) Consultant's insurance shall apply separately to each insured against whom claim is made or suit is brought, except with respect to the limits of the insurer's liability.

(4) Any failure to comply with the reporting or other provisions of the policies including breaches of warranties shall not affect coverage provided to any additional insured.

III. Other Requirements. Consultant agrees to deposit with District, at or before the effective date of this contract, certificates of insurance necessary to satisfy District that the insurance provisions of this contract have been complied with. The District may require that Consultant furnish District with copies of original endorsements effecting coverage required by this Section. The certificates and endorsements are to be signed by a person authorized by that insurer to bind coverage on its behalf. District reserves the right to inspect complete, certified copies of all required insurance policies, at any time.

A. If any Services are performed by subcontractor, Consultant shall furnish certificates and endorsements from each subcontractor identical to those Consultant provides.

B. Any deductibles or self-insured retentions must be declared to and approved by District. At the option of District, either the insurer shall reduce or eliminate such deductibles or self-insured retentions as respects District or its respective elected or appointed officers, officials, employees and volunteers or the Consultant shall procure a bond guaranteeing payment of losses and related investigations, claim administration, defense expenses and claims.

C. The procuring of any required policy or policies of insurance shall not be construed to limit Consultant's liability hereunder nor to fulfill the indemnification provisions and requirements of this Agreement.

Not Project Related

Project #22-69

EXHIBIT D
TO AGREEMENT FOR CONSULTANT SERVICES #22-69

CONFLICT OF INTEREST CHECK

Bylaws of the Board 9270(BB)E requires that the Superintendent or a designee make a determination, on a case by case basis, concerning whether disclosure will be required from a consultant to comply with the District's Conflict of Interest Code (commencing with Bylaws of the Board 9270 BB).

Consultant's are required to file disclosures when, pursuant to a contract with the District, the Consultant will make certain specified government decisions or will perform the same or substantially the same duties for the District as a staff person would.

The services to be performed by Consultant under the Agreement to which this Exhibit D is attached constitute do not constitute governmental decisions or staff services within the meaning of the Conflict of Interest Code. Therefore, the Consultant, ACCELERATION BEHAVIORAL THERAPIES, who will provide Services under the Agreement, is is not subject to disclosure obligations.

OSD AGREEMENT #22-120

**ABS SERVICES AGREEMENT
(School/District)**

This **AGREEMENT** is made and entered into by and between Oxnard School District, hereinafter called the "**School**" and Alternative Behavior Strategies, LLC dba ABS Kids hereinafter called the "**ABS**".

WHEREAS, ABS represents that it has specifically trained, experienced, and competent service providers to render the services in this Agreement; and

WHEREAS, School has determined that it has a need to enter into this Agreement with ABS for the services described herein.

NOW THEREFORE, it is mutually agreed by the parties hereto as follows:

1. **TERM OF AGREEMENT.** The term of this Agreement shall commence on August 22, 2022 and continue through June 30, 2023.
2. **SCOPE OF WORK.** To provide Applied Behavioral Therapy and related services, including direct behavioral intervention, development, implementation, and supervision for such student(s) as School may request or be assigned for services. Attach additional description, proposals or contracts, if needed.
3. **CONTRACT PRICE.** School agrees to pay ABS the following fees for services rendered:
 - a. *Behavior Intervention Implementation*
 - \$82/hour billed at 15-minute increments
 - b. *Behavioral Intervention Development:*
 - \$112/hour billed at 15-minute increments
 - c. Fees cover all of ABS' expenses, including supplies, travel, lodging, and meals.
 - d. *Invoicing.* ABS will submit periodic invoices to the School at the following address:

Attn: Christy Garibay, Administrative Asst., Special Education

Address: 1051 South A Street, Oxnard, CA 93030

Email: cgaribay@oxnardsd.org AND accountspayable@oxnardsd.org

Payment shall be made to the ABS within thirty (30) days from date of the invoice. Where agreed upon in writing by the Parties, additional supporting documentation shall accompany the invoice and indicate, as applicable, any progress completed, milestone achieved, any reports (draft, preliminary or final) issued, dates worked, increments of hourly work, etc.

4. **ASSIGNMENT AND EMPLOYEE BENEFITS** No portion of this Agreement or any of the work to be performed hereunder may be assigned by ABS without written consent of the School, and without such consent all services hereunder are to be performed solely by ABS, its officers, agents, employees and affiliates. ABS shall be responsible for all salaries, payments and benefits for all of its officers, agents and employees in performing services pursuant to this Agreement.
5. **OWNERSHIP OF WORK PRODUCT AND CONFIDENTIALITY** All products of work performed pursuant to this Agreement shall be the property of the School. However, the School grants to ABS a perpetual, unlimited, and royalty free right to store, use, reproduce or distribute any portions of the work without the written consent of the School. ABS shall hold in trust for the School and shall not disclose to any person, any confidential information. Confidential information is information which is related to the School's research, development, trade secrets and business affairs; but does not include information which is generally known or easily ascertainable by non-parties through available public documents.
6. **BACKGROUND CHECKS.** ABS certifies that each provider who renders services under this Agreement has undergone and passed a background check in accordance with ABS' background check policy. Such background check has not revealed any information that in the opinion of ABS should preclude said person from performing services under this Agreement. School shall provide notice of, and ABS agrees to comply with, any government mandated background check as such may be required by the School prior to the start of services.
7. **INSURANCE.** ABS shall provide and maintain for the duration of this Agreement, adequate insurance to fully protect both the ABS and the School from any and all claims of any nature for damage to property or for personal injury including

death, which may arise while the ABS is traveling to or from School property, or services-related location.

- 8. **HOLD HARMLESS LIMITATION OF LIABILITY.** School will hold harmless ABS, its officers, agents and employees from all liability, damages, costs and expense, including attorney's fees that may arise because of injury to person or property, including ABS property caused by, and/or arising from School's negligence or willful misconduct under this Agreement. Under no circumstances shall ABS be liable for any indirect, incidental, consequential, special or exemplary damages arising out of or in connection with this Agreement. Without limiting the generality of the foregoing, ABS's aggregate liability to School (whether under contract, tort, statute or otherwise) shall not exceed six (6) months fees for services actually rendered.
- 9. **CONFIDENTIALITY.** ABS shall treat all student information, student related documentation provided by the School or student's Parent/Guardian in confidence and shall not reveal such information to anyone other than as reasonably required to perform the services under this Agreement.
- 10. **INDEPENDENT CONTRACTOR.** The relationship of ABS and the School established by this Agreement is that of independent contractors. Nothing in this Agreement shall be construed to create any agency or employment relationship between ABS or any of its employees and the School or any of its employees. Neither Party shall have any right, power or authority to assume, create or incur any expense, liability or obligation, express or implied, on behalf of the other.
- 11. **TERMINATION.** School may terminate this Agreement at any time and for any reason by giving written notice to ABS specifying the effective date thereof, at least thirty (30) days before the effective date of such termination. In the event of termination, ABS shall be paid for all services rendered up to the date of such termination.

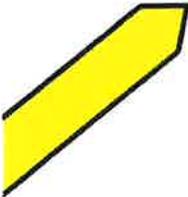

IN WITNESS WHEREOF, the parties hereto execute this Agreement.

2022 Rate Sheet

- Rates:
 - \$82/hr BII (Direct Care)
 - \$112/hr BID (Direct Supervision)
- Service Descriptions:
 - BII, Behavior Intervention Implementation (Direct Care): Adaptive behavior treatment implemented by a technician under the direct supervision of a Board Certified Behavior Analyst. It involves the implementation of programming targets and goals outlined by the patient's strengths and deficits as evident through assessments conducted previously. Direct care focuses on reduction of maladaptive behaviors, improving communication and social skills, increasing self-care skills, and improving adaptive behavior skills.
 - BID, Behavior Intervention Development (Direct Supervision): Adaptive behavior treatment with protocol modification where the BCBA resolves one or more problems with the protocol. This includes evaluating patient progress, progressing programming goals, modeling program and behavior support plan modifications for technicians, administering assessments to the patient, and probing skills. Direct supervision also includes determining the function of maladaptive behaviors and determining an appropriate behavior support plan to aid in reduction of these behaviors while providing the patient with replacement behaviors.

VENTURA COUNTY OFFICE OF EDUCATION
AGREEMENT FOR SPECIAL EDUCATION TEACHING SERVICES
2022-2023

This agreement is entered into this by and between the **Ventura County Office of Education**, hereinafter referred to as COUNTY, and **Oxnard School District**, hereinafter referred to as DISTRICT.

WITNESSETH

1. COUNTY, for and in consideration of the payments to be made to COUNTY by DISTRICT, as hereinafter set forth, does hereby agree to provide Nursing services to the DISTRICT as requested by the DISTRICT, to the extent possible based on COUNTY staffing availability.
2. DISTRICT agrees to reimburse COUNTY at a daily rate based on the salary, benefits and related cost of staff (Home/Hospital Instructional Teaching AS NEEDED) assigned to provide DISTRICT services as detailed below.
3. DISTRICT will reimburse COUNTY within 30 days of receipt of an invoice for said services. COUNTY may invoice semi-annually, a mid-year estimate and end of year actual; or, may elect to invoice at the end of the year after all actual costs are calculated.
4. DISTRICT and COUNTY each participate in the Ventura County School Self-Funding Authority (VCSSFA), and therefore collectively self-insure for workers' compensation, general liability, and property coverage under the VCSSFA self-insurance programs.
5. DISTRICT agrees to defend, indemnify and hold harmless County, its governing board, administrators, employees, agents, and volunteers from and against any and all liability, damages, costs, losses, claims and expenses resulting directly or indirectly from or connected with District negligence or wrongful acts or omissions, except where such liability, damages, costs, losses, claims and expenses are caused by the negligence or wrongful acts or omissions of VCOE or any of its employees or agents.
6. COUNTY agrees to defend, indemnify and hold harmless DISTRICT, its governing board, administrators, employees, agents, and volunteers from and against any and all liability, damages, costs, losses, claims and expenses resulting directly or indirectly from or connected with COUNTY negligence or wrongful acts or omissions, except where such liability, damages, costs, losses, claims and expenses are caused by the

negligence or wrongful acts or omissions of DISTRICT or any of its employees or agents.

7. COUNTY agrees to comply with and observe all the provisions of Federal Law, California Administrative Code Title 5, California Education Code, relating to the services provided to students of DISTRICT.
8. DISTRICT agrees to notify COUNTY on or before March 1, of each fiscal year, of their intent to continue this agreement with COUNTY for the subsequent year.
9. This agreement shall be in effect for the 2022-2023 fiscal year and shall continue in force until cancelled by either party giving the appropriate notice as specified in item 8 above.

TEACHING SERVICES

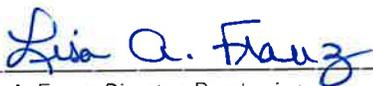

COUNTY will provide Home/Hospital Instructional Teaching to DISTRICT based on the following rates:

\$116.27 per hour
\$813.88 per day
\$148,125.76 per FTE

DISTRICT has agreed to Home/Hospital Instructional Teaching on an AS NEEDED basis for the 2022-2023 fiscal year.

AGREEMENT

For Paraeducator Performing Special Circumstance Educational Support

This Agreement, effective **February 5, 2022**, is made by and between the Ventura County Office of Education, hereinafter referred to as SUPERINTENDENT, and the Oxnard School District, hereinafter referred to as DISTRICT.

1. This agreement pertains to providing exceptional service(s) for, **JB080313**, a Special Education pupil who is a resident of DISTRICT and currently attends, Dwire School, a special education program operated by SUPERINTENDENT.
2. SUPERINTENDENT agrees to provide for the exceptional service(s) of such Special Education pupil as authorized by DISTRICT or its designee and agreed to by SUPERINTENDENT.
3. DISTRICT shall reimburse SUPERINTENDENT the actual cost of providing the exceptional service plus the state approved indirect cost rate of SUPERINTENDENT.

Authorized exceptional service(s) shall consist of Paraeducator performing special circumstance educational support through out the school day for a total of 330 minutes a day. ESY will be provided at 240 minutes daily.

4. DISTRICT acknowledges that certain types of expenses will continue to accrue during periods of student's absence from school, including but not limited to salary and benefits of staff providing the exceptional service(s). DISTRICT further acknowledges that if the exceptional service(s) includes the service(s) of SUPERINTENDENT's employee(s), 45 days' notice is required to layoff an employee for lack of work. Therefore, in the event the student unexpectedly leaves SUPERINTENDENT's program, SUPERINTENDENT will make every attempt to re-assign any staff involved in providing the exceptional service(s); however, if that is not possible, DISTRICT will reimburse SUPERINTENDENT for expense incurred throughout the layoff notice period.
5. DISTRICT does hereby agree to defend, indemnify and hold harmless the SUPERINTENDENT, the Ventura County Board of Education, and its officers, and employees from any and all claims, demands, liabilities, expenses (including attorneys' fees and costs of defense) arising as a result of SUPERINTENDENT's obligations under this agreement. However, this indemnification shall not apply if it is ultimately adjudicated that such claim, demand, liability or expense arose out of the sole negligence of the SUPERINTENDENT.
6. The term of this contract shall begin 2/5/2022 (IEP date~2/3/2022) and continue thereafter on a continuing basis until the IEP of said student is modified or until student's district of residence changes.

FISCAL YEAR-based on IEP date: (including ESY, if applicable)	CURRENT: <u>2021-2022</u> <u>2/5/2022-6/9/2022</u> (ESY: <u>6/13/2022-6/30/2022</u>)	UPCOMING: <u>2022-2023</u> (ESY: <u>7/1/2022-7/8/2022</u>) <u>8/17/2022-2/3/2023</u>
ESTIMATED COSTS:	\$ _____	+ \$ <u>31,377.75</u>

It shall be the responsibility of DISTRICT to notify SUPERINTENDENT of any change in district of residence or change in the IEP that would affect this contract.

AGREEMENT FOR CONSULTANT SERVICES

This Agreement for Consultant Services ("Agreement") is entered into as of this 16th day of November 2022 by and between the Oxnard School District ("District") and Salus Campus Solutions ("Consultant"). District and Consultant are sometimes hereinafter individually referred to as "Party" and hereinafter collectively referred to as the "Parties."

RECITALS

- A. District is authorized by *California Government Code* Section 53060, and Board Policy 4368, to contract with independent contractors for the furnishing of services concerning financial, economic, accounting, engineering, legal, administrative and other matters. District has sought, by issuance of a Request for Proposals or Invitation for Bids, the performance of the Services, as defined and described particularly on Exhibit A, attached to this Agreement.
- B. Following submission of a proposal or bid for the performance of the Services, Consultant was selected by the District to perform the Services.
- C. The Parties desire to formalize the selection of Consultant for performance of the Services and desire that the terms of that performance be as particularly defined and described herein.

OPERATIVE PROVISIONS

NOW, THEREFORE, in consideration of the mutual promises and covenants made by the Parties and contained here and other consideration, the value and adequacy of which are hereby acknowledged, the parties agree as follows:

- Incorporation of Recitals and Exhibits.** The Recitals set forth above and all exhibits attached to this Agreement, as hereafter amended, are incorporated by this reference as if fully set forth herein.
- Term of Agreement.** Subject to earlier termination as provided below, this Agreement shall remain in effect from November 17, 2022 through June 30, 2023 (the "Term"). This Agreement may be extended only by amendment, signed by the Parties, prior to the expiration of the Term.
- Time for Performance.** The scope of services set forth in Exhibit A shall be completed during the Term pursuant to the schedule specified Exhibit A. Should the scope of services not be completed pursuant to that schedule, the Consultant shall be deemed to be in Default as provided below. The District, in its sole discretion, may choose not to enforce the Default provisions of this Agreement and may instead allow Consultant to continue performing the Services.
- Compensation and Method of Payment.** Subject to any limitations set forth below or elsewhere in this Agreement, District agrees to pay Consultant the amounts specified in Exhibit B "Compensation". The total compensation shall not exceed Sixty Thousand Dollars and No Cents (\$60,000.00), unless additional compensation is approved in writing by the District.

- a. Each month Consultant shall furnish to District an original invoice for all work performed and expenses incurred during the preceding month. The invoice shall detail charges by the following categories: labor (by sub-category), travel, materials, equipment, supplies, and sub-consultant contracts. Sub-consultant charges, if any, shall be detailed by the following categories: labor, travel, materials, equipment and supplies. District shall independently review each invoice submitted by the Consultant to determine whether the work performed and expenses incurred are in compliance with the provisions of this Agreement. In the event that no charges or expenses are disputed, the invoice shall be approved and paid according to the terms set forth in subsection b. In the event any charges or expenses are disputed by District, the original invoice shall be returned by District to Consultant for correction and resubmission.
- b. Except as to any charges for work performed or expenses incurred by Consultant which are disputed by District, District will use its best efforts to cause Consultant to be paid within forty-five (45) days of receipt of Consultant's correct and undisputed invoice.
- c. Payment to Consultant for work performed pursuant to this Agreement shall not be deemed to waive any defects in work performed by Consultant.

5. **Termination.** This Agreement may be terminated at any time by mutual agreement of the Parties or by either Party as follows:

- a. District may terminate this Agreement, with or without cause, at any time by giving thirty (30) days written notice of termination to Consultant. In the event such notice is given, Consultant shall cease immediately all work in progress; or
- b. Consultant may terminate this Agreement for cause at any time upon thirty (30) days written notice of termination to District.

6. **Inspection and Final Acceptance.** District may, at its discretion, inspect and accept or reject any of Consultant's work under this Agreement, either during performance or when within sixty (60) days after submitted to District. If District does not reject work by a timely written explanation, Consultant's work shall be deemed to have been accepted. District's acceptance shall be conclusive as to such work except with respect to latent defects, fraud and such gross mistakes as amount to fraud. Acceptance of any of Consultant's work by District shall not constitute a waiver of any of the provisions of this Agreement including, but not limited to indemnification and insurance provisions.

7. **Default.** Failure of Consultant to perform any Services or comply with any provisions of this Agreement may constitute a default. The District may give notice to Consultant of the default and the reasons for the default. District shall not have any obligation or duty to continue compensating Consultant for any work performed after the date of the notice until the default is cured. The notice shall include the timeframe in which Consultant may cure the default. This timeframe is presumptively thirty (30) days, but may be extended, though not reduced, at the discretion of the District. During the period of time that Consultant is in default, the District shall hold all invoices and shall, when the default is cured, proceed with payment on the invoices. In the alternative, the District may, in its sole discretion, elect to pay some or all of the outstanding invoices during the period of default. If Consultant does not cure the default, the District may terminate this Agreement as provided above. Any failure on the part of the District to give notice of the Consultant's default shall not be deemed to result in a waiver of the District's legal rights or any rights arising out of any provision of this Agreement.

8. **Ownership of Documents.** All maps, models, designs, drawings, photographs, studies, surveys, reports, data, notes, computer files, files and other documents prepared, developed or discovered by Consultant in the course of providing any services pursuant to this Agreement (collectively and individually, the "Documents") shall

become the sole property of District and may be used, reused or otherwise disposed of by District without the permission of the Consultant. Upon completion, expiration or termination of this Agreement, Consultant shall turn over to District all such Documents.

9. **Use of Documents by District.** If and to the extent that District utilizes for any purpose not related to this Agreement any Documents, Consultant's guarantees and warrants related to Standard of Performance under this Agreement shall not extend to such use of the Documents.

10. **Consultant's Books and Records.** Consultant shall maintain any and all documents and records demonstrating or relating to Consultant's performance of services pursuant to this Agreement for a minimum of three years after termination or expiration of this Agreement, or longer if required by law.

- a. Consultant shall maintain any and all ledgers, books of account, invoices, vouchers, canceled checks, or other documents or records evidencing or relating to work, services, expenditures and disbursements charged to District pursuant to this Agreement for a minimum of three years, or longer if required by law, all in accordance with generally accepted accounting principles and with sufficient detail so as to permit an accurate evaluation of the services provided by Consultant pursuant to this Agreement.
- b. Any and all such records or documents shall be made available for inspection, audit and copying, at any time during regular business hours, upon request by District or its designated representative. Copies of such documents or records shall be provided directly to the District for inspection, audit and copying when it is practical to do so; otherwise, unless an alternative is mutually agreed upon, such documents and records shall be made available at Consultant's address indicated for receipt of notices in this Agreement.
- c. District has the right to acquire custody of such records by written request if Consultant decides to dissolve or terminate its business. Consultant shall deliver or cause to be delivered all such records and documents to District within sixty (60) days of receipt of the request.

11. **Independent Contractor.** Consultant is and shall at all times remain a wholly independent contractor and not an officer, employee or agent of District.

- a. The personnel performing the services under this Agreement on behalf of Consultant shall at all times be under Consultant's exclusive direction and control. Consultant, its agents or employees shall not at any time or in any manner represent that Consultant or any of Consultant's officers, employees, or agents are in any manner officials, officers, employees or agents of District. Neither Consultant, nor any of Consultant's officers, employees or agents, shall, by virtue of services rendered under this Agreement, obtain any rights to retirement, health care or any other benefits which may otherwise accrue to District's employees. Consultant will be responsible for payment of all Consultant's employees' wages, payroll taxes, employee benefits and any amounts due for federal and state income taxes and Social Security taxes since these taxes will not be withheld from payment under this agreement.
- b. Consultant shall have no authority to bind District in any manner, or to incur any obligation, debt or liability of any kind on behalf of or against District, whether by contract or otherwise, unless such authority is expressly conferred in writing by District, or under this Agreement.

12. **Standard of Performance.** Consultant represents and warrants that it has the qualifications, experience and facilities necessary to properly perform the services required under this Agreement in a thorough, competent and professional manner. Consultant shall at all times faithfully, competently and to the best of its ability, experience and talent, perform all services described herein. In meeting its obligations under this Agreement,

Consultant shall employ, at a minimum, generally accepted standards and practices utilized by persons engaged in providing services similar to those required of Consultant under this Agreement.

13. **Confidential Information.** All information gained during performance of the Services and all Documents or other work product produced by Consultant in performance of this Agreement shall be considered confidential. Consultant shall not release or disclose any such information, Documents or work product to persons or entities other than District without prior written authorization from the Superintendent of the District, except as may be required by law.

- a. Consultant shall promptly notify District if it is served with any summons, complaint, subpoena or other discovery request, court order or other request from any party regarding this Agreement or the work performed hereunder.
- b. District retains the right, but has no obligation, to represent Consultant or be present at any deposition, hearing or similar proceeding. Consultant agrees to cooperate fully with District and to provide District with the opportunity to review any response to discovery requests provided by Consultant; provided that this does not imply or mean the right by District to control, direct, or rewrite said response.

14. **Conflict of Interest; Disclosure of Interest.** Consultant covenants that neither it, nor any officer or principal of its firm, has or shall acquire any interest, directly or indirectly, which would conflict in any manner with the interests of District or which would in any way hinder Consultant's performance of services under this Agreement. Consultant further covenants that in the performance of this Agreement, no person having any such interest shall be employed by it as an officer, employee, agent or subcontractor without the express written consent of the District.

- a. Consultant agrees to at all times avoid conflicts of interest or the appearance of any conflicts of interest with the interests of District in the performance of this Agreement.
- b. Bylaws of the Board 9270 BB and 9270(BB) E, as hereinafter amended or renumbered, require that a Consultant that qualifies as a "designated employee" must disclose certain financial interests by filing financial interest disclosures. By its initials below, Consultant represents that it has received and reviewed a copy of the Bylaws of the Board 9270 BB and 9270(BB) E and that it does does not qualify as a "designated employee".

DS. (Initials)

- c. Consultant agrees to notify the Superintendent, in writing, if Consultant believes that it is a "designate employee" and should be filing financial interest disclosures, but has not been required to do so by the District.

DS. (Initials)

15. **Compliance with Applicable Laws.** In connection with the Services and its operations, Consultant shall keep itself informed of and comply with all applicable federal, state and local laws, statutes, codes, ordinances, regulations and rules including, but not limited to, minimum wages and/or prohibitions against discrimination, in effect during the Term. Consultant shall obtain any and all licenses, permits and authorizations necessary to perform the Services. Neither District, nor any elected or appointed boards, officers, officials, employees or agents of District shall be liable, at law or in equity, as a result of any failure of Consultant to comply with this section.

- a. Without limiting the generality of the foregoing, Consultant shall comply with any applicable fingerprinting requirements as set forth in the Education Code of the State of California.

DS. (Initials)

16. **Unauthorized Aliens.** Consultant hereby promises and agrees to comply with all of the provisions of the Federal Immigration and Nationality Act, 8 U.S.C.A. §§ 1101, et seq., as amended, and in connection therewith, shall not employ "unauthorized aliens" as that term is defined in 8 U.S.C.A. §1324a(h)(3). Should Consultant so employ such individuals for the performance of work and/or services covered by this Agreement, and should any liability or sanctions be imposed against District for such employment, Consultant hereby agrees to and shall reimburse District for the cost of all such liabilities or sanctions imposed, together with any and all costs, including attorneys' fees, incurred by District.

17. **Non-Discrimination.** Consultant shall abide by the applicable provisions of the United States Civil Rights Act of 1964 and other provisions of law prohibiting discrimination and shall not discriminate, in any way, against any person on the basis of race, color, religious creed, national origin, ancestry, sex, age, physical handicap, medical condition or marital status in connection with or related to the performance of this Agreement.

18. **Assignment.** The expertise and experience of Consultant are material considerations for this Agreement. District has an interest in the qualifications of and capability of the persons and entities that will fulfill the duties and obligations imposed upon Consultant under this Agreement. In recognition of that interest, Consultant shall not assign or transfer this Agreement or any portion of this Agreement or the performance of any of Consultant's duties or obligations under this Agreement without the prior written consent of the Board of Directors of the District. Any attempted assignment shall be ineffective, null and void, and shall constitute a material breach of this Agreement entitling District to any and all remedies at law or in equity, including summary termination of this Agreement.

19. **Subcontracting.** Notwithstanding the above, Consultant may utilize subcontractors in the performance of its duties pursuant to this Agreement, but only with the prior written consent of the District. The Consultant shall be as fully responsible to the District for the acts and omissions of his Subcontractors, and of persons either directly or indirectly employed by him/her, as if the acts and omissions were performed by him/her directly.

20. **Continuity of Personnel.** Consultant shall make every reasonable effort to maintain the stability and continuity of Consultant's staff and subcontractors, if any, assigned to perform the services required under this Agreement.

- a. Consultant shall insure that District has a current list of all personnel and sub-contractors providing services under this Agreement.
- b. Consultant shall notify District of any changes in Consultant's staff and subcontractors, if any, assigned to perform the services required under this Agreement, prior to and during any such performance. The list notice shall include the following information: (1) all full or part-time staff positions by title, including volunteer positions whose direct services are required to provide the services described herein; (2) a brief description of the functions of each such position and the hours each position works each week or, for part-time positions, each day or month, as appropriate; (3) the professional degree, if applicable, and experience required for each position; and (4) the name of the person responsible for fulfilling the terms of this Agreement.

21. **Indemnification.**

- a. Consultant agrees to defend, indemnify, and hold harmless District, its officers, agents, employees, and/or volunteers from any and all claims, demands, losses, damages and expenses, including legal fees and costs, or other obligations or claims arising out of any liability or damage to property, or any other loss, sustained or claimed to have been sustained arising out of activities of the Consultant or those of any of Consultant's officers, agents, employees, or subcontractors, whether such act or omission is authorized by this Agreement or not. Consultant shall also pay for any and all damage to the Property of the District, or loss or theft of such Property, done or caused by such persons. District

assumes no responsibility whatsoever for any property placed on district premises. Consultant further agrees to waive all rights of subrogation against the District. The provisions of this Agreement do not apply to any damage or losses caused solely by the negligence of the District or any of its officers, agents, employees, and/or volunteers.

 (Initials)

- b. The provisions of this section do not apply to claims occurring as a result of District's sole negligence or willful acts or omissions.

22. **Insurance.** Consultant agrees to obtain and maintain in full force and effect during the term of this Agreement the insurance policies set forth in Exhibit C "Insurance" and made a part of this Agreement. All insurance policies shall be subject to approval by District as to form and content. These requirements are subject to amendment or waiver if so approved in writing by the District Superintendent. Consultant agrees to provide District with copies of required policies upon request.

23. **Notices.** All notices required or permitted to be given under this Agreement shall be in writing and shall be personally delivered, or sent by telecopier or certified mail, postage prepaid and return receipt requested, addressed as follows:

To District: Oxnard School District
1051 S. "A" Street
Oxnard, California, 93030
Attention: Dr. Jodi Nocero
Phone: 805.385.1501
Fax: 805.385.1507

To Consultant: Salus Campus Solutions
2362 N. Oxnard Blvd., Suite 202
Oxnard, California, 93036
Attention: Kevin Thompson
Phone: 805.377.2815
Email: info@salussafetysolutions.org

Notice shall be deemed effective on the date personally delivered or transmitted by facsimile (provided confirmation of successful facsimile transmission shall be retained) or, if mailed, three (3) days after deposit of the same in the custody of the United States Postal Service.

24. **Excusable Delays.** Consultant shall not be liable for damages, including liquidated damages, if any, caused by delay in performance or failure to perform due to causes beyond the control of Consultant. Such causes include, but are not limited to, acts of God, acts of the public enemy, acts of federal, state or local governments, acts of District, court orders, fires, floods, epidemics, strikes, embargoes, and unusually severe weather. The term and price of this Agreement shall be equitably adjusted for any delays due to such causes.

25. **Authority to Execute.** The person or persons executing this Agreement on behalf of Consultant represents and warrants that he/she/they has/have the authority to so execute this Agreement and to bind Consultant to the performance of its obligations hereunder.

26. **Administration.** DR. JODI NOCERO shall be in charge of administering this Agreement on behalf of the District. The Director of Purchasing has completed Exhibit D "Conflict of Interest Check" attached hereto.

27. **Binding Effect.** This Agreement shall be binding upon the heirs, executors, administrators, successors and assigns of the parties.
28. **Entire Agreement.** This Agreement and the exhibits and documents incorporated herein constitute the entire agreement and understanding between the parties in connection with the matters covered herein.
29. **Amendment.** No amendment to or modification of this Agreement shall be valid or binding unless made in writing by the Consultant and by the District. The parties agree that this requirement for written modifications cannot be waived and that any attempted waiver shall be void.
30. **Waiver.** Waiver by any party to this Agreement of any term, condition, or covenant of this Agreement shall not constitute a waiver of any other term, condition, or covenant. Waiver by any party of any breach of the provisions of this Agreement shall not constitute a waiver of any other provision or a waiver of any subsequent breach or violation of any provision of this Agreement. Acceptance by District of any work or services by Consultant shall not constitute a waiver of any of the provisions of this Agreement.
31. **Governing Law.** This Agreement shall be interpreted, construed and governed according to the laws of the State of California. In the event of litigation between the parties, venue in state trial courts shall lie exclusively in the County of Ventura, California.
32. **Arbitration.** Any dispute arising out of the performance of this Agreement shall be resolved by binding arbitration in accordance with rules and procedures of the American Arbitration Association.
33. **Severability.** If any term, condition or covenant of this Agreement is declared or determined by any court of competent jurisdiction to be invalid, void or unenforceable, the remaining provisions of this Agreement shall not be affected thereby and the Agreement shall be read and construed without the invalid, void or unenforceable provision(s).

[THE REMAINDER OF THIS PAGE IS INTENTIONALLY LEFT BLANK]

IN WITNESS WHEREOF, the District and Consultant have executed and delivered this agreement for consultant services as of the date first written above.

TO AGREEMENT FOR CONSULTANT SERVICES #22-188

SERVICES

I. Consultant will perform the following Services under the Captioned Agreement:

***PER ATTACHED PROPOSAL**

II. As part of the Services, Consultant will prepare and deliver the following tangible work products to the District:

***PER ATTACHED PROPOSAL**

III. During performance of the Services, Consultant will keep the District appraised of the status of performance by delivering the following status reports under the indicated schedule:

STATUS REPORT FOR ACTIVITY:	DUE DATE
A. N/A	
B. N/A	
C. N/A	
D. N/A	

V. Consultant will utilize the following personnel to accomplish the Services:

- None.
- See attached list.

VI. Consultant will utilize the following subcontractors to accomplish the Services (check one):

- None.
- See attached list.

VII. AMENDMENT

The Scope of Services, including services, work product, and personnel, are subject to change by mutual Agreement. In the absence of mutual Agreement regarding the need to change any aspects of performance, Consultant shall comply with the Scope of Services as indicated above

EXHIBIT B
TO AGREEMENT FOR CONSULTANT SERVICES #22-188

COMPENSATION

I. Consultant shall use the following rates of pay in the performance of the Services:

Total compensation shall not exceed Eight Thousand Dollars and No Cents (\$8,000.00), unless additional compensation is approved in writing by the District.

II. Consultant may utilize subcontractors as indicated in this Agreement. The hourly rate for any subcontractor is not to exceed \$ N/A per hour without written authorization from the District Superintendent or his designee.

III. The District will compensate Consultant for the Services performed upon submission of a valid invoice. Each invoice is to include:

- A. Line items for all personnel describing the work performed, the number of hours worked, and the Hourly or flat rate.
- B. Line items for all supplies properly charged to the Services.
- C. Line items for all travel properly charged to the Services.
- D. Line items for all equipment properly charged to the Services.
- E. Line items for all materials properly charged to the Services.
- F. Line items for all subcontractor labor, supplies, equipment, materials, and travel properly charged to the Services.

IV. The total compensation for the Services shall not exceed \$8,000.00, as provided in Section 4 of this Agreement.

EXHIBIT C
TO AGREEMENT FOR CONSULTANT SERVICES #22-188

INSURANCE

I. Insurance Requirements. Consultant shall provide and maintain insurance, acceptable to the District Superintendent or District Counsel, in full force and effect throughout the term of this Agreement, against claims for injuries to persons or damages to property which may arise from or in connection with the performance of the work hereunder by Consultant, its agents, representatives or employees. Insurance is to be placed with insurers authorized to conduct business in the State of California and with a current A.M. Best's rating of no less than A, as rated by the Current edition of Best's Key Rating Guide, published by A.M. Best Company, Oldwick, New Jersey 08858. Consultant shall provide the following scope and limits of insurance:

A. Minimum Scope of Insurance. Coverage shall be at least as broad as:

(1) Commercial General Liability coverage of not less than two million dollars (\$2,000,000) Aggregate and one million dollars (\$1,000,000) per occurrence.

(2) Auto liability insurance with limits of not less than one million dollars (\$1,000,000).

(3) Insurance coverage should include:

1. owned, non-owned and hired vehicles;
2. blanket contractual;
3. broad form property damage;
4. products/completed operations; and
5. personal injury.

(4) Workers' Compensation insurance as required by the laws of the State of California.

~~(5) Abuse and Molestation coverage of not less than two million dollars (\$2,000,000) per occurrence and five million dollars (\$5,000,000) Aggregate.~~

~~(6) Professional liability (Errors and Omissions) insurance, including contractual liability, as appropriate to the Consultant's profession, in an amount of not less than the following:~~

~~Accountants, Attorneys, Education Consultants, \$1,000,000~~
~~Nurses, Therapists~~

~~Architects \$1,000,000 or \$2,000,000~~

~~Physicians and Medical Corporations \$5,000,000~~

~~Failure to maintain professional liability insurance is a material breach of this Agreement and grounds for immediate termination~~

II. Other Provisions. Insurance policies required by this Agreement shall contain the following provisions:

A. All Policies. Each insurance policy required by this Agreement shall be endorsed and state the coverage shall not be suspended, voided, cancelled by the insurer or either party to this Agreement, reduced in

coverage or in limits except after 30 days' prior written notice by Certified mail, return receipt requested, has been given to District

B. General Liability, Automobile Liability, and Abuse/Molestation Coverages.

(1) District, and its respective elected and appointed officers, officials, employees and volunteers are to be covered as additional insureds (collectively, "additional insureds") as respects the following: liability arising out of activities Consultant performs; products and completed operations of Consultant; premises owned, occupied or used by Consultant ; automobiles owned, leased, hired or borrowed by Consultant, and ~~Abuse/Molestation~~. The coverage shall contain no special limitations on the scope of protection afforded to additional insureds.

(2) Each policy shall state that the coverage provided is primary and any insurance carried by any additional insured is in excess to and non-contributory with Consultant's insurance.

(3) Consultant's insurance shall apply separately to each insured against whom claim is made or suit is brought, except with respect to the limits of the insurer's liability.

(4) Any failure to comply with the reporting or other provisions of the policies including breaches of warranties shall not affect coverage provided to any additional insured.

III. Other Requirements. Consultant agrees to deposit with District, at or before the effective date of this contract, certificates of insurance necessary to satisfy District that the insurance provisions of this contract have been complied with. The District may require that Consultant furnish District with copies of original endorsements effecting coverage required by this Section. The certificates and endorsements are to be signed by a person authorized by that insurer to bind coverage on its behalf. District reserves the right to inspect complete, certified copies of all required insurance policies, at any time.

A. If any Services are performed by subcontractor, Consultant shall furnish certificates and endorsements from each subcontractor identical to those Consultant provides.

B. Any deductibles or self-insured retentions must be declared to and approved by District. At the option of District, either the insurer shall reduce or eliminate such deductibles or self-insured retentions as respects District or its respective elected or appointed officers, officials, employees and volunteers or the Consultant shall procure a bond guaranteeing payment of losses and related investigations, claim administration, defense expenses and claims.

C. The procuring of any required policy or policies of insurance shall not be construed to limit Consultant's liability hereunder nor to fulfill the indemnification provisions and requirements of this Agreement.

EXHIBIT D
TO AGREEMENT FOR CONSULTANT SERVICES #22-188

CONFLICT OF INTEREST CHECK

Bylaws of the Board 9270(BB)E requires that the Superintendent or a designee make a determination, on a case by case basis, concerning whether disclosure will be required from a consultant to comply with the District's Conflict of Interest Code (commencing with Bylaws of the Board 9270 BB).

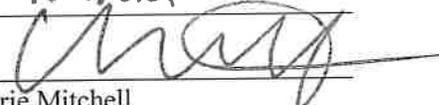

Consultant's are required to file disclosures when, pursuant to a contract with the District, the Consultant will make certain specified government decisions or will perform the same or substantially the same duties for the District as a staff person would.

The services to be performed by Consultant under the Agreement to which this Exhibit D is attached constitute do not constitute governmental decisions or staff services within the meaning of the Conflict of Interest Code. Therefore, the Consultant, Salus Campus Solutions, who will provide Services under the Agreement, is is not subject to disclosure obligations.

OSD BOARD AGENDA ITEM

Name of Contributor: Dr. Anabolena DeGenna

Date of Meeting: August 23, 2023

Agenda Section: Section C: Special Education Agreement

Ratification of Agreement #22-255 - Ventura County Office of Education, Special Circumstances Paraeducator Services - SCP (DeGenna/Jefferson)

It is recommended that the Board of Trustees ratify the service agreement with Ventura County Office of Education (VCOE) for the 2022-2023 school year, to provide exceptional services to a special education student that consists of support from Special Circumstances Paraeducators (SCP's), including Extended School Year.

Student: JV120313

FISCAL IMPACT:

\$10,646.00 - Special Education Funds

RECOMMENDATION:

It is the recommendation of the Director, Special Education Services and the Interim Superintendent that the Board of Trustees ratify Agreement #22-255 with the Ventura County Office of Education for Special Circumstances Paraeducator Services (SCP's).

ADDITIONAL MATERIALS:

Attached: [Agreement #22-255, Ventura County Office of Education \(3 Pages\)](#)

INTER-DISTRICT SERVICES AGREEMENT

This Services Agreement (the "Agreement") is made and entered into 05/04/2023 by and between (Date)

Oxnard School District (District or Charter School) (hereinafter referred to as "Local Educational Agency" or "LEA") and

Ventura County Office of Education (hereinafter referred to as "VCOE"). VCOE and LEA may be referred to herein individually as a "Party" and collectively as the "Parties."

Oxnard School District LEA 1051 South A Street Street Address Oxnard, CA 93030 City, State, Zip code

Danielle Jefferson Contact Name 805-385-1501 Contact Telephone Number djefferson@oxnardsd.org Contact E-mail Address

Services. Services will be provided as described on the "Statement of Work" (the "Work" or "Service") attached hereto and incorporated herein by this reference. The Statement of Work shall contain a timetable for completion of the Work or if the Work is ongoing service, the Statement of Work shall set forth the mutually agreed schedule for providing such services.

Payment. All payments will be made after receipt of invoice, net 30 days.

Nature of Relationship. The parties agree the relationship created by this Agreement is that of independent contractor. VCOE understands and agrees that the VCOE, agents, employees, or subcontractors of VCOE are not entitled to any benefits normally offered or conveyed to LEA employees, including coverage under the California Workers' Compensation Insurance laws.

Authority. VCOE represents and warrants that VCOE has all requisite power and authority to conduct its business and to execute, deliver, and perform this Agreement.

Binding Effect. This Agreement shall inure to the benefit and shall be binding upon all of the parties to this Agreement, and their respective successors in interest or assigns.

Termination or Amendment. This Agreement may be terminated or amended in writing at any time by mutual written consent of all of the parties to this Agreement, and may be terminated by either party for any reason by giving the other party 30 days advance written notice.

Compliance with Laws. VCOE hereby agrees that VCOE, officers, agents, employees, and subcontractors of VCOE shall obey all local, state, and federal laws and regulations in the performance of this Agreement.

VCOE shall be responsible for the safety of its employees and shall comply with California Code of Regulations Title 8, section 3205, COVID-19 Prevention.

Non-Discrimination and Equal Employment Opportunity. VCOE represents and agrees that it does not and shall not discriminate against any employee or applicant for employment, company, individual or group of individuals, because of ancestry, age, color, disability (physical and mental, including HIV and AIDS), genetic information, gender identity, gender expression, marital status, medical condition, military or veteran status, national origin, race, religion, sex/gender, and sexual orientation.

Fingerprinting. VCOE shall ensure that VCOE and any employee who interacts with students, outside of the immediate supervision and control of the student's parent or guardian or a school employee, has a current valid criminal records summary as described in California Education Code section 44237. When VCOE performs the criminal background check, it shall immediately provide any subsequent arrest and conviction information it receives to any local educational agency that it is contracting with pursuant to the subsequent arrest service.

Tuberculosis. VCOE shall ensure that any employee who interacts with students has submitted to VCOE a tuberculosis risk assessment or has been examined to determine that he or she is free of infectious tuberculosis.

Governing Law and Venues. This Agreement shall be interpreted in accordance with the laws of the State of California. If any action is brought to interpret or enforce any term of this Agreement, the action shall be brought in state or federal court situated in the County of Ventura, State of California.

Dispute Resolution. If any dispute arises out of or in connection with the Agreement, representatives of the Parties with authority to settle the dispute shall communicate, in person, electronically, or in writing within 30 days of written notice, in a good faith effort to resolve the dispute.

If the unresolved dispute is not resolved the parties agree that they will first submit the matter to a mutually agreed upon mediator. Notwithstanding the next section, Attorneys Fees, the cost of the mediator shall be borne equally by the parties.

Attorney Fees. In the event of any action or proceeding to interpret or enforce the terms of this Agreement, the prevailing party, as determined by the court or mediator, shall be entitled to recover its reasonable attorney fees and costs incurred in connection with such actions or proceeding.

Indemnification.

- a. If VCOE and LEA each participate in the VCSSFA, each party therefore collectively indemnifies and defends the other for general liability coverage under the VCSSFA self-insurance program.
b. VCOE will indemnify LEAs not participating in the VCSSFA as follows: VCOE shall defend, indemnify and hold LEA and its governing board, officials, administrators, managers, employees and agents, harmless from and against any and all liability, loss, expense, reasonable attorneys' fees, or claims for injury or damages arising out of the performance of this Agreement, but only in proportion to and to the extent such liability, loss, expense, attorneys' fees, or claims for injury or damages are caused by or result from the negligent or intentional acts or omissions of VCOE, its officials, administrators, managers, employees or agents.

Inter-District Agreement for Services

- c. LEA not participating in VCSSFA will indemnify VCOE as follows: LEA shall defend, indemnify and hold VCOE, its governing board, officials, administrators, managers, employees and agents, harmless from and against any and all liability, loss, expense, reasonable attorneys' fees, or claims for injury or damage arising out of the performance of this Agreement but only in proportion to and to the extent such liability, loss, expense, attorneys' fees, or claims for injury or damages are caused by or result from the negligent or intentional acts or omissions of LEA, its governing board, officials, administrators, managers, employees or agents.

Insurance.

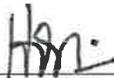

- a. If VCOE and LEA participate in the VCSSFA, each party therefore collectively self-insure for general liability and property coverage, or have been afforded coverage as Additional Covered Parties, under the VCSSFA self-insurance programs. VCOE also self-insures for workers' compensation coverage.
- b. LEAs not participating in the VCSSFA must maintain coverages commensurate with its operations and activities.

Nature of Agreement. This Agreement represents the entire agreement between the parties hereto with respect to the subject matter hereof and supersedes any and all other agreements and communications however characterized, written or oral, between or on behalf of the parties hereto with respect to the subject matter hereof. This Agreement may only be modified by a written instrument signed by authorized representatives of each of the parties hereto.

Counterpart Execution: Electronic Delivery. This Agreement may be executed in any number of counterparts which, when taken together, shall constitute one and the same instrument. Executed counterparts of this Agreement may be delivered by PDF email or electronic facsimile transmission and shall have the same legal effect as an "ink-signed" original.

STATEMENT OF WORK

Term (required). The term of this Agreement shall commence on 05/04/2023 and terminate on 06/30/2023

Estimated Fees (required).

<u>Estimated Cost for Services</u>	\$ 10,646.00
Other Ancillary Cost or fees, as applicable	\$ _____
Total not to Exceed	\$ _____

DESCRIPTION OF WORK (required):

This agreement pertains to providing exceptional service(s) for, **JV120313** a Special Education pupil who is a resident of LEA and currently attends Dwire School, a special education program operated by VCOE.

Paraeducator performing special circumstance educational support (SCES) in the classroom for 330 minutes daily and during transportation for 60 minutes daily for a total of 390 minutes daily. ESY will be provided in the classroom for 240 minutes daily and during transportation for 30 minutes daily for a total of 270 minutes daily.

LEA acknowledges that certain types of expense will continue to accrue during periods of student's absence from school, but not limited to salary and benefits of staff providing the exceptional service(s). LEA further acknowledges that if the exceptional service(s) of VCOE employee(s), 45 days' notice is required to layoff an employee for lack of work. Therefore, in the event the student unexpectedly leaves VCOE's program, VCOE will make every attempt to re-assign any staff involved in providing the exceptional service(s), however, if that is not possible, LEA will reimburse VCOE for expense incurred through the layoff notice period.

It shall be the responsibility of LEA to notify VCOE of any change in district of residence or change in the IEP that would affect this contract.

WORK SCHEDULE (if applicable):

Please see the Dwire School Calendar for the 22-23 School Year on the VCOE website at www.vcoe.org/special-education/calendars.

OSD BOARD AGENDA ITEM

Name of Contributor: Dr. Anabolena DeGenna

Date of Meeting: August 23, 2023

Agenda Section: Section C: Academic Agreement

Ratification of Agreement #23-77 – Jennifer Schexnayder (DeGenna/Fox/Haber)

Jennifer Schexnayder will provide professional learning to support implementation of mathematics instruction and professional learning centered around Oxnard School District's Mathematics Pedagogy Statement. Contractor will engage faculty in challenging assumptions regarding what it means to be a competent mathematician and what it means to engage in meaningful mathematics. Using the CA Mathematics Framework and Standards, contractor will support the engagement of students with deep mathematical ideas through tasks that support multiple entry points, via counting collections and problem solving for K-5 math.

Term of Agreement: July 1, 2023 through June 30, 2024

FISCAL IMPACT:

Not to exceed \$48,800.00 – Supplemental Concentration

RECOMMENDATION:

It is the recommendation of the Manager, Mathematics, the Executive Director, Teaching and Learning, and the Interim Superintendent that the Board of Trustees ratify Agreement #23-77 with Jennifer Schexnayder.

Payment. District will pay Provider within 30 days after receipt of an invoice, in form and content acceptable to District, and reflecting charges for District approved costs and services performed by Provider and not previously invoiced.

Conditions. Provider will have no obligation to provide services until District returns a signed copy of this Agreement.

Nature of Relationship. The parties agree the relationship created by this Agreement is that of independent contractor. Provider understands and agrees that the Provider, officers, agents, or employees of Provider are not entitled to any benefits normally offered or conveyed to District employees, including but not limited to coverage under the California Workers' Compensation Insurance laws.

Binding Effect. This Agreement shall inure to the benefit and shall be binding upon all of the parties to this Agreement, and their respective successors in interest or assigns.

Termination or Amendment. This Agreement may be terminated or amended in writing at any time by mutual written consent of all of the parties to this Agreement, and may be terminated by either party for any reason by giving the other party 30 days advance written notice.

Compliance with Laws. Provider hereby agrees that Provider, and each of its officers, agents, and employees (each a "Provider Party") shall obey all local, state, and federal laws and regulations in the performance of this Agreement, including but not limited to each of the following laws and regulations, as and if applicable:

- Provider shall be responsible for the safety of its employees and shall comply with California Code of Regulations Title 8, section 3205, COVID-19 Prevention.

- Provider shall ensure that each Provider Party who is on-site supporting school functions is compliant with all the following laws, if and as applicable:
 - o Fingerprinting / criminal background investigations (see paragraph titled “Fingerprinting, below);
 - o Public Health Department Orders and Guidance or other related mandates related to COVID-19, so long as such Orders and Guidance are in effect during the Term of this Agreement;
 - o Tuberculosis Clearance (Education Code § 49406)

Non-Discrimination and Equal Employment Opportunity. Provider represents and agrees that it does not and shall not discriminate against any employee or applicant for employment, company, individual or group of individuals, because of ancestry, age, color, disability (physical and mental, including HIV and AIDS), genetic information, gender identity, gender expression, marital status, medical condition, military or veteran status, national origin, race, religion, sex/gender, and sexual orientation.

Confidentiality. Provider agrees to maintain the confidentiality of all District and District-related data, information, and records including but not limited to student identifiable information and employee personnel information pursuant to all California and Federal statutory laws relating to privacy, confidentiality, and information security including but not limited to California Education Code sections 49060 – 49085 and the Family Educational Rights and Privacy Act (FERPA), that currently exist or exist at any time during the term of this Agreement. All such records and information shall be considered confidential and kept confidential by Provider and Provider’s officers, agents, employees, participants, vendors, or customers.

Fingerprinting. Provider shall ensure that Provider and any employee who interacts with students, outside of the immediate supervision and control of the student’s parent or guardian or a school employee, has a current valid criminal records summary as described in California *Education Code* section 44237. If any services will be provided on-site, or through an app or other electronic method that might allow any interaction between any student and Provider shall, prior to commencing any service hereunder, provide the District a Fingerprinting/ Criminal Background Check investigation Certificate, in form and substance satisfactory to the District. While this Agreement is in effect, Provider shall immediately provide any arrest and conviction information it receives concerning any person providing Services hereunder to the District.

Indemnification. To the fullest extent permitted by law, Provider agrees to defend, indemnify, and hold harmless District, its governing board, officers, administrators, managers, agents, employees, successors, assigns, independent contractors and/or volunteers from and against any and all claims, demands, monetary or other losses, loss of use, damages and expenses, including but not limited to, reasonable legal fees and costs, or other obligations or claims arising out of any liability or damage to person or property resulting from bodily injury, illness, communicable disease, virus, pandemic, or any other loss, sustained or claimed to have been sustained arising out of activities of the Provider or those of any of its officers, agents, employees, participants, vendors, or customers of Provider, whether such act or omission is authorized by this Agreement or not. Provider also agrees to pay for any and all damage to the real and personal property of the District, or loss or theft of such property, or damage to the Property done or caused by such persons. District assumes no responsibility whatsoever for any property placed on District premises by Provider, Provider’s agents, employees, participants, vendors, or customers. The provisions of this Indemnification do not apply to any damage or losses caused solely by the intentional misconduct of the District or any of its governing board, officers, administrators, managers, agents, employees and/or volunteers.

This Indemnification shall survive termination of this Agreement, for any reason whatsoever, and binds each party’s legal representatives, successors, and assigns.

Insurance. Provider, at its own cost and expense, shall procure and maintain during the term of this Agreement, policies of insurance for the following types of coverage:

- a. Commercial General Liability Insurance. Provider shall procure and maintain, during the term of this Agreement, not less than the following General Liability Insurance coverage in the amounts of \$1,000,000 per occurrence and \$2,000,000 aggregate.

Commercial General Liability insurance shall include products/completed operations, property damage, and personal and advertising injury coverage.

- b. Automobile Liability. Provider shall procure and maintain, during the full term of this Agreement following Automobile Liability Insurance including non-owned and leased automobiles, as applicable with the following coverage limits:

Personal vehicles:	\$500,000.00 combined single limit or \$100,000.00 per person / \$300,000.00 per accident
Commercial vehicles:	\$1,000,000.00 per accident for bodily injury and property damage

- c. Workers' Compensation Insurance. Provider shall procure and maintain, during the term of this Agreement, Workers' Compensation Insurance, as required by California law, on all of its employees engaged in work related to the performance of this Agreement. Provider shall procure and maintain Employers' Liability insurance coverage of \$1,000,000. Absent proof of Workers' Compensation Insurance, Provider will submit a fully executed Certification of Exemption from Workers' Compensation Insurance, which District in its sole discretion may accept or reject.
- d. Other Coverage as Dictated by the District. If any employee of Provider interacts with students, outside of the immediate supervision and control of the student's parent or guardian or a certificated school employee, Provider shall procure and maintain, during the term of this Agreement, Abuse and Molestation coverage in the amounts of \$2,000,000 per occurrence and \$4,000,000 aggregate.

If professional services are offered, Provider shall procure and maintain, during the term of this Agreement, Professional Liability (Errors and Omissions) insurance coverage in the amounts of \$1,000,000 per occurrence and \$2,000,000 aggregate.
- e. Provider's insurance is primary and will not seek contribution from any other insurance available to the District. Provider further hereby waives any and all rights of subrogation that it may have against the District.
- f. Certificates of Insurance. Provider shall provide certificates of insurance to the District as evidence of the insurance coverage required herein, not less than 15 days prior to commencing the proposed activity, and at any other time upon the request of the District. Certificates of insurance will be deemed invalid if proper endorsements are not attached. Certificates of such insurance shall be filed with the District on or before commencement of the services under this Agreement.
- g. Endorsements. Provider's Commercial General Liability insurance and Commercial Automobile Liability coverage and Abuse and Molestation coverage shall name the District, its governing board, officers, agents, employees, and/or volunteers as additional insureds. All endorsements specifying additional insureds for any of the Insurance Policies shall be as indicated below or an equivalent endorsement reasonably acceptable to the District.
 - 1) General Liability: CG 20 26 10 01
 - 2) Primary, non-contributory: CG 20 01 04 13
 - 3) Waiver of subrogation: CG 24 04 05 09
 - 4) Commercial Automobile Liability: CA 20 48 10 13
- h. Acceptability of Insurers. Insurance is to be placed with insurers with a current A.M. Best's rating of no less than A: VII, unless otherwise acceptable to the District.
- i. Insurance written on a "claims made" basis is to be renewed by the Provider for a period of three (3) years following termination of this Agreement. Such insurance must have the same coverage and limits as the policy that was in effect during the term of this agreement and will cover the Provider for all claims made. If coverage is canceled or non-renewed, and not replaced with another claims-made policy form with a Retroactive Date prior to the contract effective date, the Consultant must purchase "extended reporting" coverage for a minimum of three (3) years after completion of the Services.
- j. Failure to Procure Insurance. Failure on the part of Provider to procure or maintain required insurance shall constitute a material breach of contract under which the District may immediately terminate this Agreement

Governing Law and Venues. This Agreement shall be interpreted in accordance with the laws of the State of California. If any action is brought to interpret or enforce any term of this Agreement, the action shall be brought in state or federal court situated in the County of Ventura, State of California.

Dispute Resolution. If any dispute arises out of or in connection with the Agreement, representatives of the Parties with authority to settle the dispute shall communicate, in person, electronically, or in writing within 30 days of written notice, in a good faith effort to resolve the dispute.

The parties agree that, in the event of any unresolved dispute under the agreement in which the amount sought is \$5,000.00 or less, any litigation to resolve the dispute shall be brought in the Ventura County Small Claims Court.

If the unresolved amount in dispute exceeds \$5,000.00, the parties agree that they will first submit the matter to a mutually agreed upon mediator. Notwithstanding the following section, Attorneys Fees, the cost of the mediator shall be borne equally by the parties.

Attorney Fees. In the event of any action or proceeding to interpret or enforce the terms of this Agreement, the prevailing party, as determined by the court or mediator, shall be entitled to recover its reasonable attorney fees and costs incurred in connection with such actions or proceeding.

Nature of Agreement. This Agreement represents the entire agreement between the parties hereto with respect to the subject matter hereof and supersedes any and all other agreements and communications however characterized, written or oral, between or on behalf of the parties hereto with respect to the subject matter hereof. This Agreement may only be modified by a written instrument signed by authorized representatives of each of the parties hereto.

Counterpart Execution. This Agreement may be executed in any number of counterparts which, when taken together, shall constitute one and the same instrument. Executed counterparts of this Agreement may be delivered by PDF email or electronic facsimile transmission and shall have the same legal effect as an “ink-signed” original.

Signature Authority. Provider represents and warrants that Provider has all requisite power and authority to conduct its business and to execute, deliver, and perform this Agreement.

**Professional Learning
Service Proposal between
Oxnard School District and Jennifer Schexnayder (Contractor)
July 1, 2023- June 30, 2024**

Scope of Work

Objectives:

- Support the ongoing growth and development toward realizing Oxnard Unified’s Mathematics Vision for Instruction & Assessment.
- Provide Professional Learning to support teachers in delivering high-quality mathematics instruction and supporting all learners using the newly adopted math curriculum.
- Proactively addressing unfinished learning through the strategic teaching of grade-level standards and embedded supports for prior grade-level standards.

Timeline:

The timeline is set for the 2023 - 2024 school year, beginning July 1st and ending June 30th. The scope of work will be designed and coordinated with district instructional leaders and district mathematics coaches

Overview of Work:

- **Strategic Planning for Mathematics Instruction**
Collaboratively, district leaders, Ed Partners, and Math coaches will create and implement mathematics centered around Oxnard’s Mathematics Pedagogy Statement: Coaches will engage faculty in challenging assumptions regarding what it means to be a competent mathematician and what it means to engage in meaningful mathematics. Using the CA Mathematics Framework and Standards, Math coaches will support students' engagement with deep mathematical ideas through tasks that support multiple entry points.
- **Mathematics Leadership Collaboration:**
Coaches will conference with district Instructional leaders to collaborate in planning and support of ongoing School Site Embedded Professional Learning. These meetings will
- **Problem Solving/Counting Collections Workshop:** Thursday, Aug. 10, 2023- full-day, 2 sessions, 3 hours each not to exceed 72 participants per session.
- **Embedded Teacher Professional Learning & Support**
Provide on-site support to teachers and grade-level teams. Coaching support may include but is not limited to, coaching, co-teaching, planning, observation, and debriefing
- **Contractor/Coach:**

Jennifer Schexnayder,
email: jschexx@gmail.com,
address: 1840 Via Del Rey
South Pasadena, CA 91030
phone: (323) 251-6996

Cost/Payment/Fees:

All work will be billed at the daily rate of \$2200.

- Strategic Planning, Leadership Collaboration and Communication not to exceed: 3 days (\$6600)
- In-Person Site-Based Professional Learning and Support: Coach will work with three school sites, dates and times to be determined- Not to exceed 18 days (\$39,000)
- District-wide Math Problem Solving Workshop: August 11, 2023 Facilitation and planning \$3200

Costs and Fees not to exceed \$ **48,800**

Electronic Funds Transfer is preferred, or checks payable to: Jennifer Schexnayder see attached W9

- A. **Non-payment:** If payment is not received within 60 days, interest will be charged at a rate of 10% per annum until paid in full. In addition, if the matter is sent to a collection agency, it is agreed that the district will pay any and all collection costs and reasonable attorney's fees.
- B. **Cancellation Policy:** Notice of any cancellations **must be given in writing 30 days** prior to the first scheduled workshop. After that time, the district will still be charged the full amount of scheduled sessions. (Dates to be agreed upon before work commences. In-Person Coaching may be rescheduled within 60 days of the original date. (minimum 48 hours notice requested)
- C. **Agreement:** District will create a service agreement to engage services.

If this proposal meets your approval, please send proposed service agreement to Jennifer Schexnayder at: jschexx@gmail.com
Thank you.

OSD BOARD AGENDA ITEM

Name of Contributor: Dr. Anabolena DeGenna

Date of Meeting: August 23, 2023

Agenda Section: Section C: Academic Agreement

Ratification of Agreement #23-78 – The Prophet Corp./Gopher Sport (DeGenna/Fox/Haber)

The Prophet Corp./Gopher Sport will provide professional development for SPARK Implementation Workshops: Professional Learning of the SPARK PE Curriculum. The content includes navigating the standards-based lessons online, facilitating the lessons with students and proper techniques and use of the equipment.

Payment. District will pay Provider within 30 days after receipt of an invoice, in form and content acceptable to District, and reflecting charges for District approved costs and services performed by Provider and not previously invoiced.

Conditions. Provider will have no obligation to provide services until District returns a signed copy of this Agreement.

Nature of Relationship. The parties agree the relationship created by this Agreement is that of independent contractor. Provider understands and agrees that the Provider, officers, agents, or employees of Provider are not entitled to any benefits normally offered or conveyed to District employees, including but not limited to coverage under the California Workers' Compensation Insurance laws.

Binding Effect. This Agreement shall inure to the benefit and shall be binding upon all of the parties to this Agreement, and their respective successors in interest or assigns.

Termination or Amendment. This Agreement may be terminated or amended in writing at any time by mutual written consent of all of the parties to this Agreement, and may be terminated by either party for any reason by giving the other party 30 days advance written notice.

Compliance with Laws. Provider hereby agrees that Provider, and each of its officers, agents, and employees (each a "Provider Party") shall obey all local, state, and federal laws and regulations in the performance of this Agreement, including but not limited to each of the following laws and regulations, as and if applicable:

- Provider shall be responsible for the safety of its employees and shall comply with California Code of Regulations Title 8, section 3205, COVID-19 Prevention.

- Provider shall ensure that each Provider Party who is on-site supporting school functions is compliant with all the following laws, if and as applicable:
 - o Fingerprinting / criminal background investigations (see paragraph titled “Fingerprinting, below);
 - o Public Health Department Orders and Guidance or other related mandates related to COVID-19, so long as such Orders and Guidance are in effect during the Term of this Agreement;
 - o Tuberculosis Clearance (Education Code § 49406)

Non-Discrimination and Equal Employment Opportunity. Provider represents and agrees that it does not and shall not discriminate against any employee or applicant for employment, company, individual or group of individuals, because of ancestry, age, color, disability (physical and mental, including HIV and AIDS), genetic information, gender identity, gender expression, marital status, medical condition, military or veteran status, national origin, race, religion, sex/gender, and sexual orientation.

Confidentiality. Provider agrees to maintain the confidentiality of all District and District-related data, information, and records including but not limited to student identifiable information and employee personnel information pursuant to all California and Federal statutory laws relating to privacy, confidentiality, and information security including but not limited to California Education Code sections 49060 – 49085 and the Family Educational Rights and Privacy Act (FERPA), that currently exist or exist at any time during the term of this Agreement. All such records and information shall be considered confidential and kept confidential by Provider and Provider’s officers, agents, employees, participants, vendors, or customers.

Fingerprinting. Provider shall ensure that Provider and any employee who interacts with students, outside of the immediate supervision and control of the student’s parent or guardian or a school employee, has a current valid criminal records summary as described in California *Education Code* section 44237. If any services will be provided on-site, or through an app or other electronic method that might allow any interaction between any student and Provider shall, prior to commencing any service hereunder, provide the District a Fingerprinting/ Criminal Background Check investigation Certificate, in form and substance satisfactory to the District. While this Agreement is in effect, Provider shall immediately provide any arrest and conviction information it receives concerning any person providing Services hereunder to the District.

Indemnification. To the fullest extent permitted by law, Provider agrees to defend, indemnify, and hold harmless District, its governing board, officers, administrators, managers, agents, employees, successors, assigns, independent contractors and/or volunteers from and against any and all claims, demands, monetary or other losses, loss of use, damages and expenses, including but not limited to, reasonable legal fees and costs, or other obligations or claims arising out of any liability or damage to person or property resulting from bodily injury, illness, communicable disease, virus, pandemic, or any other loss, sustained or claimed to have been sustained arising out of activities of the Provider or those of any of its officers, agents, employees, participants, vendors, or customers of Provider, whether such act or omission is authorized by this Agreement or not. Provider also agrees to pay for any and all damage to the real and personal property of the District, or loss or theft of such property, or damage to the Property done or caused by such persons. District assumes no responsibility whatsoever for any property placed on District premises by Provider, Provider’s agents, employees, participants, vendors, or customers. The provisions of this Indemnification do not apply to any damage or losses caused solely by the intentional misconduct of the District or any of its governing board, officers, administrators, managers, agents, employees and/or volunteers.

This Indemnification shall survive termination of this Agreement, for any reason whatsoever, and binds each party’s legal representatives, successors, and assigns.

Insurance. Provider, at its own cost and expense, shall procure and maintain during the term of this Agreement, policies of insurance for the following types of coverage:

- a. Commercial General Liability Insurance. Provider shall procure and maintain, during the term of this Agreement, not less than the following General Liability Insurance coverage in the amounts of \$1,000,000 per occurrence and \$2,000,000 aggregate.

Commercial General Liability insurance shall include products/completed operations, property damage, and personal and advertising injury coverage.

- b. Automobile Liability. Provider shall procure and maintain, during the full term of this Agreement following Automobile Liability Insurance including non-owned and leased automobiles, as applicable with the following coverage limits:

Personal vehicles:	\$500,000.00 combined single limit or \$100,000.00 per person / \$300,000.00 per accident
Commercial vehicles:	\$1,000,000.00 per accident for bodily injury and property damage

- c. Workers' Compensation Insurance. Provider shall procure and maintain, during the term of this Agreement, Workers' Compensation Insurance, as required by California law, on all of its employees engaged in work related to the performance of this Agreement. Provider shall procure and maintain Employers' Liability insurance coverage of \$1,000,000. Absent proof of Workers' Compensation Insurance, Provider will submit a fully executed Certification of Exemption from Workers' Compensation Insurance, which District in its sole discretion may accept or reject.
- d. Other Coverage as Dictated by the District. If any employee of Provider interacts with students, outside of the immediate supervision and control of the student's parent or guardian or a certificated school employee, Provider shall procure and maintain, during the term of this Agreement, Abuse and Molestation coverage in the amounts of \$2,000,000 per occurrence and \$4,000,000 aggregate.

If professional services are offered, Provider shall procure and maintain, during the term of this Agreement, Professional Liability (Errors and Omissions) insurance coverage in the amounts of \$1,000,000 per occurrence and \$2,000,000 aggregate.
- e. Provider's insurance is primary and will not seek contribution from any other insurance available to the District. Provider further hereby waives any and all rights of subrogation that it may have against the District.
- f. Certificates of Insurance. Provider shall provide certificates of insurance to the District as evidence of the insurance coverage required herein, not less than 15 days prior to commencing the proposed activity, and at any other time upon the request of the District. Certificates of insurance will be deemed invalid if proper endorsements are not attached. Certificates of such insurance shall be filed with the District on or before commencement of the services under this Agreement.
- g. Endorsements. Provider's Commercial General Liability insurance and Commercial Automobile Liability coverage and Abuse and Molestation coverage shall name the District, its governing board, officers, agents, employees, and/or volunteers as additional insureds. All endorsements specifying additional insureds for any of the Insurance Policies shall be as indicated below or an equivalent endorsement reasonably acceptable to the District.
 - 1) General Liability: CG 20 26 10 01
 - 2) Primary, non-contributory: CG 20 01 04 13
 - 3) Waiver of subrogation: CG 24 04 05 09
 - 4) Commercial Automobile Liability: CA 20 48 10 13
- h. Acceptability of Insurers. Insurance is to be placed with insurers with a current A.M. Best's rating of no less than A: VII, unless otherwise acceptable to the District.
- i. Insurance written on a "claims made" basis is to be renewed by the Provider for a period of three (3) years following termination of this Agreement. Such insurance must have the same coverage and limits as the policy that was in effect during the term of this agreement and will cover the Provider for all claims made. If coverage is canceled or non-renewed, and not replaced with another claims-made policy form with a Retroactive Date prior to the contract effective date, the Consultant must purchase "extended reporting" coverage for a minimum of three (3) years after completion of the Services.
- j. Failure to Procure Insurance. Failure on the part of Provider to procure or maintain required insurance shall constitute a material breach of contract under which the District may immediately terminate this Agreement

Governing Law and Venues. This Agreement shall be interpreted in accordance with the laws of the State of California. If any action is brought to interpret or enforce any term of this Agreement, the action shall be brought in state or federal court situated in the County of Ventura, State of California.

Dispute Resolution. If any dispute arises out of or in connection with the Agreement, representatives of the Parties with authority to settle the dispute shall communicate, in person, electronically, or in writing within 30 days of written notice, in a good faith effort to resolve the dispute.

The parties agree that, in the event of any unresolved dispute under the agreement in which the amount sought is \$5,000.00 or less, any litigation to resolve the dispute shall be brought in the Ventura County Small Claims Court.

If the unresolved amount in dispute exceeds \$5,000.00, the parties agree that they will first submit the matter to a mutually agreed upon mediator. Notwithstanding the following section, Attorneys Fees, the cost of the mediator shall be borne equally by the parties.

Attorney Fees. In the event of any action or proceeding to interpret or enforce the terms of this Agreement, the prevailing party, as determined by the court or mediator, shall be entitled to recover its reasonable attorney fees and costs incurred in connection with such actions or proceeding.

Nature of Agreement. This Agreement represents the entire agreement between the parties hereto with respect to the subject matter hereof and supersedes any and all other agreements and communications however characterized, written or oral, between or on behalf of the parties hereto with respect to the subject matter hereof. This Agreement may only be modified by a written instrument signed by authorized representatives of each of the parties hereto.

Counterpart Execution. This Agreement may be executed in any number of counterparts which, when taken together, shall constitute one and the same instrument. Executed counterparts of this Agreement may be delivered by PDF email or electronic facsimile transmission and shall have the same legal effect as an “ink-signed” original.

Signature Authority. Provider represents and warrants that Provider has all requisite power and authority to conduct its business and to execute, deliver, and perform this Agreement.

OSD BOARD AGENDA ITEM

Name of Contributor: Dr. Anabolena DeGenna

Date of Meeting: August 23, 2023

Agenda Section: Section C: Academic Agreement

Ratification of Agreement #23-80 – MIND Education (DeGenna/Fox/Haber)

MIND Education will provide professional learning to support implementation of mathematics instruction and professional learning centered around Oxnard School District's Mathematics Pedagogy Statement. Contractor will engage faculty in challenging assumptions regarding what it means to be a competent mathematician and what it means to engage in meaningful mathematics. Using the CA Mathematics Framework and Standards, contractor will support the engagement of students with deep mathematical ideas through tasks that support multiple entry points, via ST Math Professional Learning.

Term of Agreement: July 1, 2023 through June 30, 2025

FISCAL IMPACT:

Not to exceed \$30,000.00 – Supplemental Concentration

RECOMMENDATION:

It is the recommendation of the Manager, Mathematics, the Executive Director, Teaching and Learning, and the Interim Superintendent that the Board of Trustees ratify Agreement #23-80 with MIND Education.

Payment. District will pay Provider within 30 days after receipt of an invoice, in form and content acceptable to District, and reflecting charges for District approved costs and services performed by Provider and not previously invoiced.

Conditions. Provider will have no obligation to provide services until District returns a signed copy of this Agreement.

Nature of Relationship. The parties agree the relationship created by this Agreement is that of independent contractor. Provider understands and agrees that the Provider, officers, agents, or employees of Provider are not entitled to any benefits normally offered or conveyed to District employees, including but not limited to coverage under the California Workers' Compensation Insurance laws.

Binding Effect. This Agreement shall inure to the benefit and shall be binding upon all of the parties to this Agreement, and their respective successors in interest or assigns.

Termination or Amendment. This Agreement may be terminated or amended in writing at any time by mutual written consent of all of the parties to this Agreement, and may be terminated by either party for any reason by giving the other party 30 days advance written notice.

Compliance with Laws. Provider hereby agrees that Provider, and each of its officers, agents, and employees (each a "Provider Party") shall obey all local, state, and federal laws and regulations in the performance of this Agreement, including but not limited to each of the following laws and regulations, as and if applicable:

- Provider shall be responsible for the safety of its employees and shall comply with California Code of Regulations Title 8, section 3205, COVID-19 Prevention.

- Provider shall ensure that each Provider Party who is on-site supporting school functions is compliant with all the following laws, if and as applicable:
 - o Fingerprinting / criminal background investigations (see paragraph titled “Fingerprinting, below);
 - o Public Health Department Orders and Guidance or other related mandates related to COVID-19, so long as such Orders and Guidance are in effect during the Term of this Agreement;
 - o Tuberculosis Clearance (Education Code § 49406)

Non-Discrimination and Equal Employment Opportunity. Provider represents and agrees that it does not and shall not discriminate against any employee or applicant for employment, company, individual or group of individuals, because of ancestry, age, color, disability (physical and mental, including HIV and AIDS), genetic information, gender identity, gender expression, marital status, medical condition, military or veteran status, national origin, race, religion, sex/gender, and sexual orientation.

Confidentiality. Provider agrees to maintain the confidentiality of all District and District-related data, information, and records including but not limited to student identifiable information and employee personnel information pursuant to all California and Federal statutory laws relating to privacy, confidentiality, and information security including but not limited to California Education Code sections 49060 – 49085 and the Family Educational Rights and Privacy Act (FERPA), that currently exist or exist at any time during the term of this Agreement. All such records and information shall be considered confidential and kept confidential by Provider and Provider’s officers, agents, employees, participants, vendors, or customers.

Fingerprinting. Provider shall ensure that Provider and any employee who interacts with students, outside of the immediate supervision and control of the student’s parent or guardian or a school employee, has a current valid criminal records summary as described in California *Education Code* section 44237. If any services will be provided on-site, or through an app or other electronic method that might allow any interaction between any student and Provider shall, prior to commencing any service hereunder, provide the District a Fingerprinting/ Criminal Background Check investigation Certificate, in form and substance satisfactory to the District. While this Agreement is in effect, Provider shall immediately provide any arrest and conviction information it receives concerning any person providing Services hereunder to the District.

Indemnification. To the fullest extent permitted by law, Provider agrees to defend, indemnify, and hold harmless District, its governing board, officers, administrators, managers, agents, employees, successors, assigns, independent contractors and/or volunteers from and against any and all claims, demands, monetary or other losses, loss of use, damages and expenses, including but not limited to, reasonable legal fees and costs, or other obligations or claims arising out of any liability or damage to person or property resulting from bodily injury, illness, communicable disease, virus, pandemic, or any other loss, sustained or claimed to have been sustained arising out of activities of the Provider or those of any of its officers, agents, employees, participants, vendors, or customers of Provider, whether such act or omission is authorized by this Agreement or not. Provider also agrees to pay for any and all damage to the real and personal property of the District, or loss or theft of such property, or damage to the Property done or caused by such persons. District assumes no responsibility whatsoever for any property placed on District premises by Provider, Provider’s agents, employees, participants, vendors, or customers. The provisions of this Indemnification do not apply to any damage or losses caused solely by the intentional misconduct of the District or any of its governing board, officers, administrators, managers, agents, employees and/or volunteers.

This Indemnification shall survive termination of this Agreement, for any reason whatsoever, and binds each party’s legal representatives, successors, and assigns.

Insurance. Provider, at its own cost and expense, shall procure and maintain during the term of this Agreement, policies of insurance for the following types of coverage:

- a. Commercial General Liability Insurance. Provider shall procure and maintain, during the term of this Agreement, not less than the following General Liability Insurance coverage in the amounts of \$1,000,000 per occurrence and \$2,000,000 aggregate.

Commercial General Liability insurance shall include products/completed operations, property damage, and personal and advertising injury coverage.

- b. Automobile Liability. Provider shall procure and maintain, during the full term of this Agreement following Automobile Liability Insurance including non-owned and leased automobiles, as applicable with the following coverage limits:

Personal vehicles:	\$500,000.00 combined single limit or \$100,000.00 per person / \$300,000.00 per accident
Commercial vehicles:	\$1,000,000.00 per accident for bodily injury and property damage

- c. Workers' Compensation Insurance. Provider shall procure and maintain, during the term of this Agreement, Workers' Compensation Insurance, as required by California law, on all of its employees engaged in work related to the performance of this Agreement. Provider shall procure and maintain Employers' Liability insurance coverage of \$1,000,000. Absent proof of Workers' Compensation Insurance, Provider will submit a fully executed Certification of Exemption from Workers' Compensation Insurance, which District in its sole discretion may accept or reject.
- d. Other Coverage as Dictated by the District. If any employee of Provider interacts with students, outside of the immediate supervision and control of the student's parent or guardian or a certificated school employee, Provider shall procure and maintain, during the term of this Agreement, Abuse and Molestation coverage in the amounts of \$2,000,000 per occurrence and \$4,000,000 aggregate.

If professional services are offered, Provider shall procure and maintain, during the term of this Agreement, Professional Liability (Errors and Omissions) insurance coverage in the amounts of \$1,000,000 per occurrence and \$2,000,000 aggregate.
- e. Provider's insurance is primary and will not seek contribution from any other insurance available to the District. Provider further hereby waives any and all rights of subrogation that it may have against the District.
- f. Certificates of Insurance. Provider shall provide certificates of insurance to the District as evidence of the insurance coverage required herein, not less than 15 days prior to commencing the proposed activity, and at any other time upon the request of the District. Certificates of insurance will be deemed invalid if proper endorsements are not attached. Certificates of such insurance shall be filed with the District on or before commencement of the services under this Agreement.
- g. Endorsements. Provider's Commercial General Liability insurance and Commercial Automobile Liability coverage and Abuse and Molestation coverage shall name the District, its governing board, officers, agents, employees, and/or volunteers as additional insureds. All endorsements specifying additional insureds for any of the Insurance Policies shall be as indicated below or an equivalent endorsement reasonably acceptable to the District.
 - 1) General Liability: CG 20 26 10 01
 - 2) Primary, non-contributory: CG 20 01 04 13
 - 3) Waiver of subrogation: CG 24 04 05 09
 - 4) Commercial Automobile Liability: CA 20 48 10 13
- h. Acceptability of Insurers. Insurance is to be placed with insurers with a current A.M. Best's rating of no less than A: VII, unless otherwise acceptable to the District.
- i. Insurance written on a "claims made" basis is to be renewed by the Provider for a period of three (3) years following termination of this Agreement. Such insurance must have the same coverage and limits as the policy that was in effect during the term of this agreement and will cover the Provider for all claims made. If coverage is canceled or non-renewed, and not replaced with another claims-made policy form with a Retroactive Date prior to the contract effective date, the Consultant must purchase "extended reporting" coverage for a minimum of three (3) years after completion of the Services.
- j. Failure to Procure Insurance. Failure on the part of Provider to procure or maintain required insurance shall constitute a material breach of contract under which the District may immediately terminate this Agreement

Governing Law and Venues. This Agreement shall be interpreted in accordance with the laws of the State of California. If any action is brought to interpret or enforce any term of this Agreement, the action shall be brought in state or federal court situated in the County of Ventura, State of California.

Dispute Resolution. If any dispute arises out of or in connection with the Agreement, representatives of the Parties with authority to settle the dispute shall communicate, in person, electronically, or in writing within 30 days of written notice, in a good faith effort to resolve the dispute.

The parties agree that, in the event of any unresolved dispute under the agreement in which the amount sought is \$5,000.00 or less, any litigation to resolve the dispute shall be brought in the Ventura County Small Claims Court.

If the unresolved amount in dispute exceeds \$5,000.00, the parties agree that they will first submit the matter to a mutually agreed upon mediator. Notwithstanding the following section, Attorneys Fees, the cost of the mediator shall be borne equally by the parties.

Attorney Fees. In the event of any action or proceeding to interpret or enforce the terms of this Agreement, the prevailing party, as determined by the court or mediator, shall be entitled to recover its reasonable attorney fees and costs incurred in connection with such actions or proceeding.

Nature of Agreement. This Agreement represents the entire agreement between the parties hereto with respect to the subject matter hereof and supersedes any and all other agreements and communications however characterized, written or oral, between or on behalf of the parties hereto with respect to the subject matter hereof. This Agreement may only be modified by a written instrument signed by authorized representatives of each of the parties hereto.

Counterpart Execution. This Agreement may be executed in any number of counterparts which, when taken together, shall constitute one and the same instrument. Executed counterparts of this Agreement may be delivered by PDF email or electronic facsimile transmission and shall have the same legal effect as an “ink-signed” original.

Signature Authority. Provider represents and warrants that Provider has all requisite power and authority to conduct its business and to execute, deliver, and perform this Agreement.

OSD BOARD AGENDA ITEM

Name of Contributor: Dr. Anabolena DeGenna

Date of Meeting: August 23, 2023

Agenda Section: Section C: Academic Agreement

Ratification of Agreement #23-82 – Karen Recinos (DeGenna/Fox/Haber)

Karen Recinos will provide professional learning to support implementation of mathematics instruction and professional learning centered around Oxnard School District's Mathematics Pedagogy Statement.

Contractor will engage faculty in challenging assumptions regarding what it means to be a competent mathematician and what it means to engage in meaningful mathematics. Using the CA Mathematics Framework and Standards, contractor will support the engagement of students with deep mathematical ideas through tasks that support multiple entry points, via counting collections and problem solving for K-5 math.

Term of Agreement: July 1, 2023 through June 30, 2024

FISCAL IMPACT:

Not to exceed \$48,800.00 – Supplemental Concentration

RECOMMENDATION:

It is the recommendation of the Manager, Mathematics, the Executive Director, Teaching and Learning, and the Interim Superintendent that the Board of Trustees ratify Agreement #23-82 with Karen Recinos.

ADDITIONAL MATERIALS:

W-9 received

Payment. District will pay Provider within 30 days after receipt of an invoice, in form and content acceptable to District, and reflecting charges for District approved costs and services performed by Provider and not previously invoiced.

Conditions. Provider will have no obligation to provide services until District returns a signed copy of this Agreement.

Nature of Relationship. The parties agree the relationship created by this Agreement is that of independent contractor. Provider understands and agrees that the Provider, officers, agents, or employees of Provider are not entitled to any benefits normally offered or conveyed to District employees, including but not limited to coverage under the California Workers' Compensation Insurance laws.

Binding Effect. This Agreement shall inure to the benefit and shall be binding upon all of the parties to this Agreement, and their respective successors in interest or assigns.

Termination or Amendment. This Agreement may be terminated or amended in writing at any time by mutual written consent of all of the parties to this Agreement, and may be terminated by either party for any reason by giving the other party 30 days advance written notice.

Compliance with Laws. Provider hereby agrees that Provider, and each of its officers, agents, and employees (each a "Provider Party") shall obey all local, state, and federal laws and regulations in the performance of this Agreement, including but not limited to each of the following laws and regulations, as and if applicable:

- Provider shall be responsible for the safety of its employees and shall comply with California Code of Regulations Title 8, section 3205, COVID-19 Prevention.

- Provider shall ensure that each Provider Party who is on-site supporting school functions is compliant with all the following laws, if and as applicable:
 - o Fingerprinting / criminal background investigations (see paragraph titled “Fingerprinting, below);
 - o Public Health Department Orders and Guidance or other related mandates related to COVID-19, so long as such Orders and Guidance are in effect during the Term of this Agreement;
 - o Tuberculosis Clearance (Education Code § 49406)

Non-Discrimination and Equal Employment Opportunity. Provider represents and agrees that it does not and shall not discriminate against any employee or applicant for employment, company, individual or group of individuals, because of ancestry, age, color, disability (physical and mental, including HIV and AIDS), genetic information, gender identity, gender expression, marital status, medical condition, military or veteran status, national origin, race, religion, sex/gender, and sexual orientation.

Confidentiality. Provider agrees to maintain the confidentiality of all District and District-related data, information, and records including but not limited to student identifiable information and employee personnel information pursuant to all California and Federal statutory laws relating to privacy, confidentiality, and information security including but not limited to California Education Code sections 49060 – 49085 and the Family Educational Rights and Privacy Act (FERPA), that currently exist or exist at any time during the term of this Agreement. All such records and information shall be considered confidential and kept confidential by Provider and Provider’s officers, agents, employees, participants, vendors, or customers.

Fingerprinting. Provider shall ensure that Provider and any employee who interacts with students, outside of the immediate supervision and control of the student’s parent or guardian or a school employee, has a current valid criminal records summary as described in California *Education Code* section 44237. If any services will be provided on-site, or through an app or other electronic method that might allow any interaction between any student and Provider shall, prior to commencing any service hereunder, provide the District a Fingerprinting/ Criminal Background Check investigation Certificate, in form and substance satisfactory to the District. While this Agreement is in effect, Provider shall immediately provide any arrest and conviction information it receives concerning any person providing Services hereunder to the District.

Food Vendors. Ventura County Environmental Health Facilities Permit: <https://vcrma.org/consumer-food-protection>

Mobile Food Facility permit Temporary Food Facility permit Exempt – must show documentation

Date checked by school official: _____ initials: _____

Indemnification. To the fullest extent permitted by law, Provider agrees to defend, indemnify, and hold harmless District, its governing board, officers, administrators, managers, agents, employees, successors, assigns, independent contractors and/or volunteers from and against any and all claims, demands, monetary or other losses, loss of use, damages and expenses, including but not limited to, reasonable legal fees and costs, or other obligations or claims arising out of any liability or damage to person or property resulting from bodily injury, illness, communicable disease, virus, pandemic, or any other loss, sustained or claimed to have been sustained arising out of activities of the Provider or those of any of its officers, agents, employees, participants, vendors, or customers of Provider, whether such act or omission is authorized by this Agreement or not. Provider also agrees to pay for any and all damage to the real and personal property of the District, or loss or theft of such property, or damage to the Property done or caused by such persons. District assumes no responsibility whatsoever for any property placed on District premises by Provider, Provider’s agents, employees, participants, vendors, or customers. The provisions of this Indemnification do not apply to any damage or losses caused solely by the intentional misconduct of the District or any of its governing board, officers, administrators, managers, agents, employees and/or volunteers.

This Indemnification shall survive termination of this Agreement, for any reason whatsoever, and binds each party’s legal representatives, successors, and assigns.

Insurance. Provider, at its own cost and expense, shall procure and maintain during the term of this Agreement, policies of insurance for the following types of coverage:

- a. Commercial General Liability Insurance. Provider shall procure and maintain, during the term of this Agreement, not less than the following General Liability Insurance coverage in the amounts of \$1,000,000 per occurrence and \$2,000,000 aggregate.

Commercial General Liability insurance shall include products/completed operations, property damage, and personal and advertising injury coverage.

- b. Automobile Liability. Provider shall procure and maintain, during the full term of this Agreement following Automobile Liability Insurance including non-owned and leased automobiles, as applicable with the following coverage limits:

Personal vehicles:	\$500,000.00 combined single limit or \$100,000.00 per person / \$300,000.00 per accident
Commercial vehicles:	\$1,000,000.00 per accident for bodily injury and property damage

- c. Workers' Compensation Insurance. Provider shall procure and maintain, during the term of this Agreement, Workers' Compensation Insurance, as required by California law, on all of its employees engaged in work related to the performance of this Agreement. Provider shall procure and maintain Employers' Liability insurance coverage of \$1,000,000. Absent proof of Workers' Compensation Insurance, Provider will submit a fully executed Certification of Exemption from Workers' Compensation Insurance, which District in its sole discretion may accept or reject.
- d. Other Coverage as Dictated by the District. If any employee of Provider interacts with students, outside of the immediate supervision and control of the student's parent or guardian or a certificated school employee, Provider shall procure and maintain, during the term of this Agreement, Abuse and Molestation coverage in the amounts of \$2,000,000 per occurrence and \$4,000,000 aggregate.

If professional services are offered, Provider shall procure and maintain, during the term of this Agreement, Professional Liability (Errors and Omissions) insurance coverage in the amounts of \$1,000,000 per occurrence and \$2,000,000 aggregate.
- e. Provider's insurance is primary and will not seek contribution from any other insurance available to the District. Provider further hereby waives any and all rights of subrogation that it may have against the District.
- f. Certificates of Insurance. Provider shall provide certificates of insurance to the District as evidence of the insurance coverage required herein, not less than 15 days prior to commencing the proposed activity, and at any other time upon the request of the District. Certificates of insurance will be deemed invalid if proper endorsements are not attached. Certificates of such insurance shall be filed with the District on or before commencement of the services under this Agreement.
- g. Endorsements. Provider's Commercial General Liability insurance and Commercial Automobile Liability coverage and Abuse and Molestation coverage shall name the District, its governing board, officers, agents, employees, and/or volunteers as additional insureds. All endorsements specifying additional insureds for any of the Insurance Policies shall be as indicated below or an equivalent endorsement reasonably acceptable to the District.
 - 1) General Liability: CG 20 26 10 01
 - 2) Primary, non-contributory: CG 20 01 04 13
 - 3) Waiver of subrogation: CG 24 04 05 09
 - 4) Commercial Automobile Liability: CA 20 48 10 13
- h. Acceptability of Insurers. Insurance is to be placed with insurers with a current A.M. Best's rating of no less than A: VII, unless otherwise acceptable to the District.
- i. Insurance written on a "claims made" basis is to be renewed by the Provider for a period of three (3) years following termination of this Agreement. Such insurance must have the same coverage and limits as the policy that was in effect during the term of this agreement and will cover the Provider for all claims made. If coverage is canceled or non-renewed, and not replaced with another claims-made policy form with a Retroactive Date prior to the contract effective date, the Consultant must purchase "extended reporting" coverage for a minimum of three (3) years after completion of the Services.
- j. Failure to Procure Insurance. Failure on the part of Provider to procure or maintain required insurance shall constitute a material breach of contract under which the District may immediately terminate this Agreement

Governing Law and Venues. This Agreement shall be interpreted in accordance with the laws of the State of California. If any action is brought to interpret or enforce any term of this Agreement, the action shall be brought in state or federal court situated in the County of Ventura, State of California.

Dispute Resolution. If any dispute arises out of or in connection with the Agreement, representatives of the Parties with authority to settle the dispute shall communicate, in person, electronically, or in writing within 30 days of written notice, in a good faith effort to resolve the dispute.

The parties agree that, in the event of any unresolved dispute under the agreement in which the amount sought is \$5,000.00 or less, any litigation to resolve the dispute shall be brought in the Ventura County Small Claims Court.

If the unresolved amount in dispute exceeds \$5,000.00, the parties agree that they will first submit the matter to a mutually agreed upon mediator. Notwithstanding the following section, Attorneys Fees, the cost of the mediator shall be borne equally by the parties.

Attorney Fees. In the event of any action or proceeding to interpret or enforce the terms of this Agreement, the prevailing party, as determined by the court or mediator, shall be entitled to recover its reasonable attorney fees and costs incurred in connection with such actions or proceeding.

Nature of Agreement. This Agreement represents the entire agreement between the parties hereto with respect to the subject matter hereof and supersedes any and all other agreements and communications however characterized, written or oral, between or on behalf of the parties hereto with respect to the subject matter hereof. This Agreement may only be modified by a written instrument signed by authorized representatives of each of the parties hereto.

Counterpart Execution. This Agreement may be executed in any number of counterparts which, when taken together, shall constitute one and the same instrument. Executed counterparts of this Agreement may be delivered by PDF email or electronic facsimile transmission and shall have the same legal effect as an “ink-signed” original.

Signature Authority. Provider represents and warrants that Provider has all requisite power and authority to conduct its business and to execute, deliver, and perform this Agreement.

**Professional Learning
Service Proposal between
Oxnard School District and Karen S. Recinos Alvarado (Contractor)
July 1, 2023- June 30, 2024**

Scope of Work

Objectives:

- Support the ongoing growth and development toward realizing Oxnard Unified’s Mathematics Vision for Instruction & Assessment.
- Provide Professional Learning to support teachers in delivering high-quality mathematics instruction and supporting all learners using the newly adopted math curriculum.
- Proactively addressing unfinished learning through the strategic teaching of grade-level standards and embedded supports for prior grade-level standards.

Timeline:

The timeline is set for the 2023 - 2024 school year, beginning July 1st and ending June 30th. The scope of work will be designed and coordinated with district instructional leaders and district mathematics coaches

Overview of Work:

- **Strategic Planning for Mathematics Instruction**
Collaboratively, district leaders, Ed Partners, and Math coaches will create and implement mathematics centered around Oxnard’s Mathematics Pedagogy Statement: Coaches will engage faculty in challenging assumptions regarding what it means to be a competent mathematician and what it means to engage in meaningful mathematics. Using the CA Mathematics Framework and Standards, Math coaches will support students' engagement with deep mathematical ideas through tasks that support multiple entry points.
- **Mathematics Leadership Collaboration:**
Coaches will conference with district Instructional leaders to collaborate in planning and support of ongoing School Site Embedded Professional Learning. These meetings will
- **Problem Solving/Counting Collections Workshop:** Thursday, Aug. 10, 2023- full-day, 2 sessions, 3 hours each not to exceed 72 participants per session.
- **Embedded Teacher Professional Learning & Support**
Provide on-site support to teachers and grade-level teams. Coaching support may include but is not limited to, coaching, co-teaching, planning, observation, and debriefing
- **Contractor/Coach:**

Karen S. Recinos Alvarado,
email: recinossuly@gmail.com ,
address: 5502 Bevis Ave.
Sherman Oaks, CA 91411
phone: (818) 384-1251

Cost/Payment/Fees:

All work will be billed at the daily rate of \$2200.

- Strategic Planning, Leadership Collaboration and Communication not to exceed: 3 days (\$6600)
- In-Person Site-Based Professional Learning and Support: Coach will work with three school sites, dates and times to be determined- Not to exceed 18 days (\$39,000)
- District-wide Math Problem Solving Workshop: August 10, 2023 Facilitation and planning \$3200

Costs and Fees not to exceed \$ **48,800**

Electronic Funds Transfer is preferred, or checks payable to: Jennifer Schexnayder see attached W9

- A. **Non-payment:** If payment is not received within 60 days, interest will be charged at a rate of 10% per annum until paid in full. In addition, if the matter is sent to a collection agency, it is agreed that the district will pay any and all collection costs and reasonable attorney's fees.
- B. **Cancellation Policy:** Notice of any cancellations **must be given in writing 30 days** prior to the first scheduled workshop. After that time, the district will still be charged the full amount of scheduled sessions. (Dates to be agreed upon before work commences. In-Person Coaching may be rescheduled within 60 days of the original date. (minimum 48 hours notice requested)
- C. **Agreement:** District will create a service agreement to engage services.

If this proposal meets your approval, please send proposed service agreement to Karen S. Recinos Alvarado at: recinossuly@gmail.com
Thank you.

OSD BOARD AGENDA ITEM

OSD BOARD AGENDA ITEM

Name of Contributor: Dr. Natalia Torres

Date of Meeting: August 23, 2023

Agenda Section: Section C: Personnel Agreement

Ratification of Memorandum of Understanding #23-86 with the California Department of Education for Karen Sher to be a Visiting Educator for Two (2) Years (Torres)

The California Department of Education (CDE) has initiated multiple efforts to address the critical shortage of teachers in various regions across the state. As part of this effort, the CDE approached the District seeking to have Oxnard School District teacher Karen Sher work for the CDE as a visiting educator working on teacher recruitment efforts for a two-year period. The contract would run from August 14, 2023 until August 14, 2025. The CDE will fully reimburse the District for Ms. Sher's salary and benefit costs to the District.

The Memorandum of Understanding/ Interjurisdictional Exchange (IJE) provides:

- Teacher Karen Sher will be part of the Visiting Educators' Program to work on teacher recruitment efforts.
- The term of the agreement is August 14, 2023 until August 14, 2025
- The CDE will cover all costs related to Ms. Sher. This includes salary, STRS contributions, health benefits, etc.

FISCAL IMPACT:

The CDE will reimburse OSD for the employee's salary and benefits via a standard agreement contract. In addition to salary, reimbursement will be paid for employer's contributions toward employee benefits including health, dental, vision, life insurance, fringe and contributions to the California Public Employees' Retirement System, unemployment and workers compensation programs. The CDE will reimburse the employee directly for all travel expenses incurred, through the CDE's California Automated Travel Expense Reimbursement System, while conducting official business for the State of California during this assignment.

RECOMMENDATION:

It is the recommendation of the Assistant Superintendent, Human Resources that the Board of Trustees ratify Memorandum of Understanding #23-86 with the CDE, as presented.

EXHIBIT A

SCOPE OF WORK

I. GENERAL SCOPE:

The Contractor will provide services of Karen Sher to the California Department of Education (CDE), Instruction, Measurement and Administration Branch. This is an Interjurisdictional Exchange (IJE)/Visiting Educator (VE) (Government Code 19050. 8 to provide professional assistance (State Personnel Board Rule 427) to meet compelling management needs, as described herein.

II. CONTRACT MONITORS:

The CDE assigns **Cheryl Cotton**, CCotton@cde.ca.gov, (916) 323-6398, as the State Contract Monitor to oversee this project. Said State Contract Monitor is not authorized by the State to make any commitments or make any changes which will affect the price, terms or conditions of this agreement without a formal contract amendment.

The Contractor assigns Dr. Scott Carroll, Director of Certificated Personnel, scarroll@oxnardsd.org, as the Contractor Monitor for the Oxnard School District. Contract Monitor to oversee this project. Said Contractor Contract Monitor is not authorized by the State to make any commitments or make any changes which will affect the price, terms or conditions of this agreement without a formal contract amendment.

**MEMORANDUM OF UNDERSTANDING
AGREEMENT MADE AND ENTERED AUGUST 14, 2023
BETWEEN THE STATE OF CALIFORNIA AND OXNARD SCHOOL DISTRICT**

Under the provision of Government Code Section 19050.8 and State Personnel Board Rule 427, the State of California and the Oxnard School District (hereafter referred to as OSD) enter into an agreement for the assignment of Karen Sher (hereafter referred to as the employee), to the California Department of Education (hereafter referred to as CDE), the Instruction, Measurement and Administration Branch (hereafter referred to as IMAB), 1430 N Street, Sacramento, CA 95814 Suite 5408, under the following terms, conditions and policies:

I. JUSTIFICATION FOR ASSIGNMENT

The employee will be assigned to the position of Education Program Consultant (hereafter referred to as EPC) in the Instruction, Measurement and Administration Branch. The employee, under the direct supervision of the Branch Deputy will:

Serve as the statewide lead working with other offices throughout the Department, the Education Programs Consultant (EPC) works as a team leader, team member, and/or independently to implement, develop, and lead strategies to recruit more teachers and teacher candidates in the state. The incumbent will develop and lead strategies to recruit teachers of color. The EPC will coordinate with agencies involved in teacher recruitment in order to extend and maximize teacher recruitment efforts.

II. POSITION DATA AND SUPERVISION

The employee will be assigned to the position of EPC in the IMAB Branch. The employee will be assigned to perform the following tasks and responsibilities and provide a monthly report on their work to the designated OSD and CDE supervisors.

1. Develop strategies to recruit teachers to California from other states, to recruit teachers from military families, to recruit retirees, and to recruit from other sources. Co-Lead with other agencies in the establishment of grow your own programs and provide support to maximize the efforts of existing grow your own programs. Develop and carry out strategies to increase the number of substitute teachers in the state.
2. Establish goals for the number of teachers and teacher candidates to be recruited. Co-Lead with other agencies in connecting new teachers to support programs and when needed assist in providing support and trainings. Assist in leading State Superintendent of Public Instruction (SSPI) workgroups and implementing recommendations. Work as a lead on the Diversifying the Teacher Workforce Community of Practice, webinar series, and web pages as needed. Prepare and recommend changes to policies including working on bills analysis on teacher recruitment.

3. Seek partnerships with foundations, community-based partners, and Education Coalition to further SSPI teacher/educator policy goals. Coordinate with agencies involved in teacher recruitment in order to extend and maximize teacher recruitment efforts. Act as a liaison with other state agencies on teacher recruitment. Work closely with institutions of higher education and other teacher preparation programs. Represent CDE in working groups, webinars, conferences and convenings related to teacher recruitment statewide.

III. COSTS AND EXPENSE

The CDE will reimburse OSD for the employee's salary and benefits. via a standard agreement contract. In addition to salary, reimbursement will be paid for employer's contributions toward employee benefits including health, dental, vision, life insurance, fringe and contributions to the California State Teachers' Retirement System, unemployment and workers, compensation programs.

The CDE will reimburse the employee directly for all travel expenses incurred, through the CDE's California Automated Travel Expense Reimbursement System, while conducting official business for the State of California during this assignment. For travel purposes, the employee's headquarters will be designated as 1430 N Street, Sacramento, California. Additionally, the employee is permitted to work remotely.

IV. RIGHTS AND BENEFITS

The assignment of the employee to the CDE during this contract period shall not affect her status and rights as an employee of the OSD, and she will be entitled to all current and future benefits, salary and allowances for sick leave, vacation, retirement, workers' compensation, and other benefits offered to employees of the OSD. The employee will remain an employee of the OSD and will not gain any state civil service status or be eligible for benefits offered only to employees of the state as a result of this assignment. Experience obtained during this assignment will be considered administrative for open examination purposes. While the employee retains status and rights as an employee of the OSD. The CDE will fully reimburse OSD for any expense incurred while employee is assigned to the CDE.

In addition, the employee is permitted to work remotely to conduct his primary work. The CDE will support access to the network during this period.

V. APPLICATION OF RULES, REGULATIONS AND POLICIES

During the period of this assignment, the employee will be assigned responsibilities equivalent to the level of EPC. The rules and policies of both the CDE and of the State of California governing standards of conduct shall apply to the employee.

Oxnard School District MOU #23-86

CDE Agreement # CN

Amendments to extend the services of the Visiting Educator assignment will be contingent upon the CDE's completion of a written annual evaluation of the employee's performance in this assignment.

As required under the provision of Budget Act language, individuals providing services under a Visiting Educator Program/Interjurisdictional Exchange contract are required to provide full financial disclosure to the Fair Political Practices Commission in accordance with the rules and regulations of the Commission.

VI. TERMS OF CONTRACT

This contract will commence on August 14, 2023 and will terminate on August 14, 2025. This contract may be terminated before the expiration date by either party with a thirty-day written advance notice.

BUDGET DETAIL AND PAYMENT PROVISIONS

I. INVOICING AND PAYMENT:

For services satisfactorily rendered, and Upon receipt and approval of the invoices, the State agrees to compensate the Contractor for actual expenditures incurred in accordance with the rates specified herein, which is attached hereto and made a part of this agreement.

Invoices shall include the **Agreement Number CNXXX** and shall be submitted in arrears, not more frequently than monthly in duplicate to:

**California Department of Education
Instruction, Measurement and Administration Branch
1430 N Street, Suite 5408
Sacramento, CA 95814
Attention: Cheryl Cotton
Email: CCotton@cde.ca.gov**

The Contractor may bill the CDE and be paid as the Oxnard School District.

II. PAYMENT:

Payment will be made in accordance with, and within the time specified in, Government Code Chapter 4.5, commencing with Section 927.

III. BUDGET CONTINGENCY CLAUSE (Rev. 9/12):

- A. It is mutually understood between the parties that this Agreement may have been written before ascertaining the availability of congressional or legislative appropriation of funds, for the mutual benefit of both parties in order to avoid program and fiscal delays that would occur if the Agreement were executed after that determination was made.
- B. This Agreement is valid and enforceable only if sufficient funds are made available to the State by the United States Government or the California State Legislature for the purpose of this program. In addition, this Agreement is subject to any additional restrictions, limitations, conditions, or any statute enacted by the Congress or the State Legislature that may affect the provisions, terms or funding of this Agreement in any manner.

Oxnard School District MOU #23-86

CDE Agreement # CN

- C. It is mutually agreed that if the Congress or the State Legislature does not appropriate sufficient funds for the program, this Agreement shall be amended to reflect any reduction in funds.
- D. Pursuant to GC, Section 927.13, no late payment penalty shall accrue during any time period for which there is no Budget Act in effect, nor on any payment or refund that is the result of a federally mandated program or that is directly dependent upon the receipt of federal funds by a state agency.
- E. CDE has the option to terminate the Agreement under the 30-day termination clause or to amend the Agreement to reflect any reduction in funds.

IV. TRAVEL CLAUSE:

The Contractor will not be reimbursed for travel costs under this contract. Travel reimbursement will be paid directly to the individual assigned by the Contractor upon submittal of an approved Travel Expense Claim, submitted via the CalMATERS system that the CDE utilizes.

V. ESCALATOR CLAUSE:

This agreement may be amended to cover any increases in salary or benefits for the fiscal year, which are approved and implemented by the Contractor's governing board within the Budget Act cap, if any.

EXHIBIT C

**BUDGET by FISCAL YEAR
Karen Sher VE Contract 2023-2025**

EXHIBIT D

SPECIAL TERMS & CONDITIONS

I. RESOLUTION OF DISPUTES:

If the Contractor disputes any action by the CDE Contract Monitor arising under or out of the performance of this contract, the Contractor shall notify the CDE Contract Monitor of the dispute in writing and request a claims decision. The CDE Contract Monitor shall issue a decision within 30 days of the Contractor's notice. If the Contractor disagrees with the CDE Contract Monitor's claims decision, the Contractor shall submit a formal claim to the Superintendent of Public Instruction or the Superintendent's designee. The decision of the Superintendent shall be final and conclusive on the claim unless the decision is arbitrary, capricious, or grossly erroneous or if any determination of fact is unsupported by substantial evidence. The decision may encompass facts, interpretations of the contract, and determinations or applications of law. The decision shall be in writing following an opportunity for the Contractor to present oral or documentary evidence and arguments in support of the claim. The Contractor shall continue with the responsibilities under this Agreement during any dispute.

II. RIGHT TO TERMINATE (Rev. 5/07):

This agreement may be terminated before the expiration date by either party subject to thirty (30) days written advance notice.

However, the agreement can be immediately terminated for cause. The term "for cause" shall mean that the Contractor fails to meet the terms, conditions, and/or responsibilities of the contract. In this instance, the contract termination shall be effective as of the date indicated on the State's notification to the Contractor.

III. TERMINATION FOR TARGETS OF ECONOMIC SANCTIONS; EXECUTIVE ORDER N-6-22 – RUSSIA SANCTIONS:

On March 4, 2022, Governor Gavin Newsom issued Executive Order N-6-22 (the EO) regarding Economic Sanctions against Russia and Russian entities and individuals. "Economic Sanctions" refers to sanctions imposed by the U.S. government in response to Russia's actions in Ukraine, as well as any sanctions imposed under state law. The EO directs state agencies to terminate contracts with, and to refrain from entering any new contracts with, individuals or entities that are determined to be a target of Economic Sanctions. Accordingly, should the State determine Contractor is a target of Economic Sanctions or is conducting prohibited transactions with sanctioned

individuals or entities, that shall be grounds for termination of this agreement. The State shall provide Contractor advance written notice of such termination, allowing Contractor at least 30 calendar days to provide a written response. Termination shall be at the sole discretion of the State.

IV. ICT ACCESSIBILITY REQUIREMENTS (05/2018):

Unless the scope of work expressly provides that the CDE shall be responsible for all 508 compliance:

- A. Contractor shall, in accordance with California Government Code section 11135 (which requires state agencies to comply with Section 508 of the federal Rehabilitation Act of 1973 (Section 508)), ensure that any and all Information and Communications Technology (ICT) deliverables developed, procured, or maintained as a result of this contract shall comply with state and federal accessibility requirements, including: (i) the California Department of Education's (CDE) Web Content Accessibility Guidelines (WCAG) 2.0 at the AA level found at: <http://www.w3.org/TR/WCAG20/>, (ii) the CDE's Web Standards found at: <https://www.cde.ca.gov/re/di/ws/webstandards.asp>, and (iii) the CDE's Web Application Review Team (WebART) review process found at: <https://www.cde.ca.gov/re/di/ws/webartproc.asp>.
- B. The definition of "Information and Communications Technology" or "ICT" includes but is not limited to: computer hardware, software, cloud services, websites, web content, web or mobile application, office documents (e.g., MS Word, MS Excel, MS PowerPoint, PDF), multimedia, social media, email, and electronic devices.
- C. Contractor shall employ a section 508 compliance expert with qualifications and experience acceptable to the CDE to: (i) advise Contractor during ICT deliverable development, and (ii) certify in writing on behalf of Contractor that the ICT deliverables are fully compliant with the standards in subsection A above and Section 508 prior to submission to, or use by, the CDE. Such certification shall also include a statement describing precise methods by which compliance was determined, along with the results of testing. The Contractor is responsible for any costs associated with breach of such certification.
- D. Upon CDE's request, the Contractor must provide to the CDE all source files for ICT deliverables to the CDE for the purpose of improving accessibility. This may include non-proprietary code, unedited pictures and video, and original documents prior to PDF conversion among others.

V. PROHIBITION OF DISCRIMINATION:

In addition to the non-discrimination requirements in General Terms and Conditions attached as Exhibit C, Contractor and its subcontractors shall comply with Education Code section 220, which prohibits any person from discriminating on the basis of any characteristic that is contained in the definition of hate crimes set forth in Section 422.55 of the Penal Code, including immigration status, in any program or activity conducted in connection with this contract.

VI. HEALTH AND SAFETY:

Contractors are required to, at their own expense, comply with all applicable health and safety laws and regulations. Upon notice, Contractors are also required to comply with the state agency's specific health and safety requirements and policies. Contractors agree to include in any subcontract related to performance of this Agreement, a requirement that the subcontractor comply with all applicable health and safety laws and regulations, and upon notice, the state agency's specific health and safety requirements and policies.

EXHIBIT E

ADDITIONAL PROVISIONS

I. CONTRACTS FUNDED BY THE FEDERAL GOVERNMENT:

It is mutually understood between the parties that this contract may have been written before ascertaining the availability of congressional appropriation of funds, for the mutual benefit of both parties, in order to avoid program and fiscal delays which would occur if the contract were executed after that determination was made.

This contract is valid and enforceable only if sufficient funds are made available to the State by the United States Government for Fiscal Year(s) covered by this agreement for the purposes of this program. In addition, this contract is subject to any additional restrictions, limitations, or conditions enacted by the Congress or any statute enacted by the Congress, which may affect the provisions, terms, or funding of this contract in any manner.

It is mutually agreed that if Congress does not appropriate sufficient funds for the program, this contract shall be amended to reflect any reduction in funds.

The CDE has the option to void the contract under the 30-day cancellation clause or to amend the contract to reflect any reduction of funds.

The recipient shall comply with the reporting requirements set forth in Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, 2 CFR Part 200.

Payment. District will pay Provider within 30 days after receipt of an invoice, in form and content acceptable to District, and reflecting charges for District approved costs and services performed by Provider and not previously invoiced.

Conditions. Provider will have no obligation to provide services until District returns a signed copy of this Agreement.

Nature of Relationship. The parties agree the relationship created by this Agreement is that of independent contractor. Provider understands and agrees that the Provider, officers, agents, or employees of Provider are not entitled to any benefits normally offered or conveyed to District employees, including but not limited to coverage under the California Workers' Compensation Insurance laws.

Binding Effect. This Agreement shall inure to the benefit and shall be binding upon all of the parties to this Agreement, and their respective successors in interest or assigns.

Termination or Amendment. This Agreement may be terminated or amended in writing at any time by mutual written consent of all of the parties to this Agreement, and may be terminated by either party for any reason by giving the other party 30 days advance written notice.

Compliance with Laws. Provider hereby agrees that Provider, and each of its officers, agents, and employees (each a "Provider Party") shall obey all local, state, and federal laws and regulations in the performance of this Agreement, including but not limited to each of the following laws and regulations, as and if applicable:

- Provider shall be responsible for the safety of its employees and shall comply with California Code of Regulations Title 8, section 3205, COVID-19 Prevention.

- Provider shall ensure that each Provider Party who is on-site supporting school functions is compliant with all the following laws, if and as applicable:
 - o Fingerprinting / criminal background investigations (see paragraph titled “Fingerprinting, below);
 - o Public Health Department Orders and Guidance or other related mandates related to COVID-19, so long as such Orders and Guidance are in effect during the Term of this Agreement;
 - o Tuberculosis Clearance (Education Code § 49406)

Non-Discrimination and Equal Employment Opportunity. Provider represents and agrees that it does not and shall not discriminate against any employee or applicant for employment, company, individual or group of individuals, because of ancestry, age, color, disability (physical and mental, including HIV and AIDS), genetic information, gender identity, gender expression, marital status, medical condition, military or veteran status, national origin, race, religion, sex/gender, and sexual orientation.

Confidentiality. Provider agrees to maintain the confidentiality of all District and District-related data, information, and records including but not limited to student identifiable information and employee personnel information pursuant to all California and Federal statutory laws relating to privacy, confidentiality, and information security including but not limited to California Education Code sections 49060 – 49085 and the Family Educational Rights and Privacy Act (FERPA), that currently exist or exist at any time during the term of this Agreement. All such records and information shall be considered confidential and kept confidential by Provider and Provider’s officers, agents, employees, participants, vendors, or customers.

Fingerprinting. Provider shall ensure that Provider and any employee who interacts with students, outside of the immediate supervision and control of the student’s parent or guardian or a school employee, has a current valid criminal records summary as described in California *Education Code* section 44237. If any services will be provided on-site, or through an app or other electronic method that might allow any interaction between any student and Provider shall, prior to commencing any service hereunder, provide the District a Fingerprinting/ Criminal Background Check investigation Certificate, in form and substance satisfactory to the District. While this Agreement is in effect, Provider shall immediately provide any arrest and conviction information it receives concerning any person providing Services hereunder to the District.

Indemnification. To the fullest extent permitted by law, Provider agrees to defend, indemnify, and hold harmless District, its governing board, officers, administrators, managers, agents, employees, successors, assigns, independent contractors and/or volunteers from and against any and all claims, demands, monetary or other losses, loss of use, damages and expenses, including but not limited to, reasonable legal fees and costs, or other obligations or claims arising out of any liability or damage to person or property resulting from bodily injury, illness, communicable disease, virus, pandemic, or any other loss, sustained or claimed to have been sustained arising out of activities of the Provider or those of any of its officers, agents, employees, participants, vendors, or customers of Provider, whether such act or omission is authorized by this Agreement or not. Provider also agrees to pay for any and all damage to the real and personal property of the District, or loss or theft of such property, or damage to the Property done or caused by such persons. District assumes no responsibility whatsoever for any property placed on District premises by Provider, Provider’s agents, employees, participants, vendors, or customers. The provisions of this Indemnification do not apply to any damage or losses caused solely by the intentional misconduct of the District or any of its governing board, officers, administrators, managers, agents, employees and/or volunteers.

This Indemnification shall survive termination of this Agreement, for any reason whatsoever, and binds each party’s legal representatives, successors, and assigns.

Insurance. Provider, at its own cost and expense, shall procure and maintain during the term of this Agreement, policies of insurance for the following types of coverage:

- a. Commercial General Liability Insurance. Provider shall procure and maintain, during the term of this Agreement, not less than the following General Liability Insurance coverage in the amounts of \$1,000,000 per occurrence and \$2,000,000 aggregate.

Commercial General Liability insurance shall include products/completed operations, property damage, and personal and advertising injury coverage.

- b. Automobile Liability. Provider shall procure and maintain, during the full term of this Agreement following Automobile Liability Insurance including non-owned and leased automobiles, as applicable with the following coverage limits:

Personal vehicles:	\$500,000.00 combined single limit or \$100,000.00 per person / \$300,000.00 per accident
Commercial vehicles:	\$1,000,000.00 per accident for bodily injury and property damage

- c. Workers' Compensation Insurance. Provider shall procure and maintain, during the term of this Agreement, Workers' Compensation Insurance, as required by California law, on all of its employees engaged in work related to the performance of this Agreement. Provider shall procure and maintain Employers' Liability insurance coverage of \$1,000,000. Absent proof of Workers' Compensation Insurance, Provider will submit a fully executed Certification of Exemption from Workers' Compensation Insurance, which District in its sole discretion may accept or reject.
- d. Other Coverage as Dictated by the District. If any employee of Provider interacts with students, outside of the immediate supervision and control of the student's parent or guardian or a certificated school employee, Provider shall procure and maintain, during the term of this Agreement, Abuse and Molestation coverage in the amounts of \$2,000,000 per occurrence and \$4,000,000 aggregate.

If professional services are offered, Provider shall procure and maintain, during the term of this Agreement, Professional Liability (Errors and Omissions) insurance coverage in the amounts of \$1,000,000 per occurrence and \$2,000,000 aggregate.
- e. Provider's insurance is primary and will not seek contribution from any other insurance available to the District. Provider further hereby waives any and all rights of subrogation that it may have against the District.
- f. Certificates of Insurance. Provider shall provide certificates of insurance to the District as evidence of the insurance coverage required herein, not less than 15 days prior to commencing the proposed activity, and at any other time upon the request of the District. Certificates of insurance will be deemed invalid if proper endorsements are not attached. Certificates of such insurance shall be filed with the District on or before commencement of the services under this Agreement.
- g. Endorsements. Provider's Commercial General Liability insurance and Commercial Automobile Liability coverage and Abuse and Molestation coverage shall name the District, its governing board, officers, agents, employees, and/or volunteers as additional insureds. All endorsements specifying additional insureds for any of the Insurance Policies shall be as indicated below or an equivalent endorsement reasonably acceptable to the District.
 - 1) General Liability: CG 20 26 10 01
 - 2) Primary, non-contributory: CG 20 01 04 13
 - 3) Waiver of subrogation: CG 24 04 05 09
 - 4) Commercial Automobile Liability: CA 20 48 10 13
- h. Acceptability of Insurers. Insurance is to be placed with insurers with a current A.M. Best's rating of no less than A: VII, unless otherwise acceptable to the District.
- i. Insurance written on a "claims made" basis is to be renewed by the Provider for a period of three (3) years following termination of this Agreement. Such insurance must have the same coverage and limits as the policy that was in effect during the term of this agreement and will cover the Provider for all claims made. If coverage is canceled or non-renewed, and not replaced with another claims-made policy form with a Retroactive Date prior to the contract effective date, the Consultant must purchase "extended reporting" coverage for a minimum of three (3) years after completion of the Services.
- j. Failure to Procure Insurance. Failure on the part of Provider to procure or maintain required insurance shall constitute a material breach of contract under which the District may immediately terminate this Agreement

Governing Law and Venues. This Agreement shall be interpreted in accordance with the laws of the State of California. If any action is brought to interpret or enforce any term of this Agreement, the action shall be brought in state or federal court situated in the County of Ventura, State of California.

Dispute Resolution. If any dispute arises out of or in connection with the Agreement, representatives of the Parties with authority to settle the dispute shall communicate, in person, electronically, or in writing within 30 days of written notice, in a good faith effort to resolve the dispute.

The parties agree that, in the event of any unresolved dispute under the agreement in which the amount sought is \$5,000.00 or less, any litigation to resolve the dispute shall be brought in the Ventura County Small Claims Court.

If the unresolved amount in dispute exceeds \$5,000.00, the parties agree that they will first submit the matter to a mutually agreed upon mediator. Notwithstanding the following section, Attorneys Fees, the cost of the mediator shall be borne equally by the parties.

Attorney Fees. In the event of any action or proceeding to interpret or enforce the terms of this Agreement, the prevailing party, as determined by the court or mediator, shall be entitled to recover its reasonable attorney fees and costs incurred in connection with such actions or proceeding.

Nature of Agreement. This Agreement represents the entire agreement between the parties hereto with respect to the subject matter hereof and supersedes any and all other agreements and communications however characterized, written or oral, between or on behalf of the parties hereto with respect to the subject matter hereof. This Agreement may only be modified by a written instrument signed by authorized representatives of each of the parties hereto.

Counterpart Execution. This Agreement may be executed in any number of counterparts which, when taken together, shall constitute one and the same instrument. Executed counterparts of this Agreement may be delivered by PDF email or electronic facsimile transmission and shall have the same legal effect as an “ink-signed” original.

Signature Authority. Provider represents and warrants that Provider has all requisite power and authority to conduct its business and to execute, deliver, and perform this Agreement.

Tax Identification or Social Security Number

License Number (if applicable)

- A. District desires to engage Provider services as more particularly described on "Statement of Work" which is attached hereto and incorporated herein by this reference ("Services").
- B. Provider has the necessary qualifications by reason of training, experience, preparation and organization, and is agreeable to performing and providing such Services, upon and subject to the terms and conditions as set forth below in this Agreement.

NOW THEREFORE, for valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto hereby agree as follows:

1. **CONDITIONS.** Provider will have no obligation to provide services until District returns a signed copy of this Agreement.
2. **NATURE OF RELATIONSHIP.** The parties agree the relationship created by this Agreement is that of independent contractor. In performing all of the Services, Provider shall be, and at all times is, acting and performing as an independent contractor with District, and not as a partner, coventurer, agent, or employee of District, and nothing contained herein shall be construed to be inconsistent with this relationship or status. Provider is not granted any right or authority to assume or to create any obligation or responsibility, express or implied, on behalf of or in the name of District or to bind the District in any manner. Except for any materials, procedures, or subject matter agreed upon between Provider and District, Provider shall have complete control over the manner and method of performing the Services.

23-97

Contract Number

Provider understands and agrees to independent contractor status. Provider understands and agrees that the filing and acceptance of this Agreement creates a rebuttable presumption and that the Provider, officers, agents, employees, or subcontractors of Provider are not entitled to coverage under the California Workers' Compensation Insurance laws, Unemployment Insurance, Health Insurance, Pension Plans, or any other benefits normally offered or conveyed to District employees. Provider will be responsible for payment of all Provider employee wages, payroll taxes, employee benefits, and any amounts due for federal and state income taxes and Social Security taxes. These taxes will not be withheld from payments under this agreement.

3. NON-EXCLUSIVITY.

- a. During the term of this agreement Provider may, independent of Provider's relationship with the District, without breaching this Agreement or any duty owed to the District, act in any capacity, and may render services for any other entity.
- b. During the term of this Agreement the District may, independent of its relationship with the Provider, without breaching this Agreement or any duty owed to the Provider contract with other individuals and entities to render the same or similar services to the District.

4. SERVICES. Provider shall provide District with the services, which are described on the "Statement of Work" (the "Work" or "Service") attached hereto and incorporated herein by this reference. The Statement of Work shall contain a timetable for completion of the Work or if the Work is an ongoing service, the Statement of Work shall set forth the mutually agreed schedule for providing such services. Provider shall use its best efforts to complete all phases of the Work according to such timetable. In the event that there is any delay in completion of the Work arising as a result of a problem within the control of District, Provider and District shall cooperate with each other to work around such delay. However, District shall not be responsible for any additional cost or expense to Provider as a result of such delay unless specifically agreed to in writing by the District. In addition to the specifications and/or requirements contained in the Statement of Work and any warranty given by Provider hereunder, the Statement of Work may set forth those performance criteria agreed between District and Provider whereby the District can evaluate whether Provider has satisfactorily completed the Work ("Performance Criteria"). District, at Provider's sole cost and expense, shall furnish all tools, equipment, apparatus, facilities, transportation, labor, and material necessary to meet its obligations under this Agreement. No substitutions of materials or service from those specified in this section shall be made without the prior written consent of the District.

5. TIME OF PERFORMANCE. The term of this Agreement shall commence on July 27, 20²³, and terminate on July 31, 20²⁴. All work and services contracted for under the terms of this Agreement shall be undertaken and completed in such sequence as to assure their full completion in accordance with the terms and conditions set forth in this Agreement.

[Note: California Education Code section 17596 limits continuing contracts; contracts for work or services, or for apparatus or equipment, not to exceed five years; for materials or supplies, not to exceed three years.]

6. PAYMENT AND EXPENSES. All payments due to Provider are set forth in the "Schedule of Fees" attached hereto and incorporated herein by this reference. Provider shall send District periodic statements indicating Provider's fees and costs incurred and their basis and any current balance owed. If no Provider's fees or costs are incurred for a particular time period,

or if they are minimal, the statement may be held by the Provider and combined with that for the following time period unless a statement is requested by the District.

All payments due Provider are set forth in “Schedule of Fees” and shall be paid by the District within 30 days of receipt of a proper, undisputed invoice from Provider, which invoice shall set forth in reasonable detail the services performed. The District reserves the right, in its sole and absolute discretion, to reject any invoice that is not submitted in compliance with the District’s standards and procedures. In the event that any portion of an invoice submitted by a Provider to the District is disputed, the District shall only be required to pay the undisputed portion of such invoice at that time, and the parties shall meet to try to resolve any disputed portion of any invoice. **Invoices include the Clinician's name, discipline, hourly rate, and hours worked. Provider is unable to itemize invoices however our contractor will provide a weekly timecard for approval which will include additional details surrounding work & duties for the days.**

The rates set forth in “Schedule of Fees” are not set by law, but are negotiable between Provider and District.

7. **ELECTRONIC TIMEKEEPING.** Electronic timekeeping will be provided to the District on a weekly basis. Provider will use commercially reasonable efforts to obtain signed timecards from District however, signed timecards are not required for approval to process and bill. By signing this Agreement, District acknowledges that all hours worked by the contractor will be billed to District to be paid in full in accordance with the agreed upon payment terms, regardless of approval of the timecard submitted. A rejected timecard will be subject for review by Provider, Associate, and District.

8. **SCHOOL CLOSURES.** In the event the District’s school or school system is physically closed (i.e., physical closures due to inclement weather, public health emergencies), including days on which the school or school system is physically closed but continues operating or providing educational instruction virtually or through online services to students (“Remote Learning Days”) or days on which the school or school system is otherwise closed to students (“Closure”), District shall remain fully obligated to remit payment to Provider for the full amount (at the agreed upon bill rate) of the total typical hours worked and contracted for each applicable consultant for each day of the District’s Closure. Associate shall be ready, willing, and able to work his or her regularly scheduled hours during all Remote Learning Days via virtual instruction/meetings or online instruction/meetings. In the event of this type of closure, the Clinician will reach out to their designated district contact, provide an outline of responsibilities to complete that day, and must obtain prior approval. District has right to deny or approve. If the district contact approves the work from home hours, the Clinician may work up to the amount of hours they are contracted for that day. Should the district also include additional “make up days” onto their school year calendar, and upon agreement between Provider and District, the Clinician’s assignment may extend to said date. Any additional dates and hours worked will be billed and paid accordingly.

9. **CONVERSIONS.** If the District, after evaluating the performance and potential of an Associate on the job, desires to employ the Associate directly, the District agrees to abide by certain restrictions and to pay any applicable “Conversion Fee” as provided hereinbelow. The Conversion Fee, if applicable, is payable if the District hires an assigned Associate, regardless of the employment classification on either a full time, temporary (including temporary assignments through another agency) or consulting basis within twelve (12) months after the last day of such Associate’s assignment hereunder. The District acknowledges that a Conversion Fee, if applicable, is also payable if the assigned Associate is hired by a subsidiary or other related company or business of the District.

The District may elect to hire any Associate subject to payment of a fee equal to thirty- five percent (35%) of the Associate’s annual total compensation, including bonuses (the “Conversion Fee”). The District will pay the Conversion Fee to Provider within 10 days of billing. In order for an Associate to be hired on as the

District's employee, the District must have a zero balance on all outstanding invoices. The foregoing hiring restriction and Conversion Fee obligations shall survive until one (1) year after the last date of service by the subject Associate at the District's facility. Provider agrees to waive its right to a Conversion Fee after an Associate has completed 2,700+ contracted hours with District.

The District shall provide Provider thirty (30) days prior written notice of its intention to offer employment to any Associate and shall immediately confirm in writing when it has extended the offer (in writing, verbally or otherwise), and when the Provider Associate accepts the offer (in writing, verbally, or otherwise). Provider will bill District for the Conversion Fee after the Provider Associate accepts District's offer. Conversion payment must be paid in full and have no outstanding balances prior to the Associate's scheduled first day as a district hire.

10. **GUARANTEED HOURS:** Hours are guaranteed regardless of student(s), District Employee(s) or District Contractor(s) absences, enrollment, or employment status. Should the caseload change due to any reason, District acknowledges that the Contractor is guaranteed these hours. Upon mutual agreement, District may reassign Contractor to another caseload.
11. **ASSIGNMENT AND SUBCONTRACTORS.** Provider shall not assign, sublet, or transfer this Agreement or any rights under or interest in this Agreement without the prior written consent of the District, which may be withheld by the District in its sole and absolute discretion for any reason. Nothing contained herein shall prevent Provider from employing independent associates, subcontractors, and sub-consultants as Provider may deem appropriate to assist in the performance of services herein, subject to the prior written approval of the District. Any attempted assignment, sublease, or transfer in violation of this Agreement shall be null and void, and of no force and affect. Any attempted assignment, sublet, or transfer in violation of this Agreement shall be grounds for the District, in its sole discretion, to terminate the Agreement
12. **TERMINATION OR AMENDMENT.** This Agreement may be terminated or amended in writing at any time by mutual written consent of all of the parties to this Agreement, and may be terminated by either party for any reason by giving the other party 60 days advance written notice. In the event of cancellation prior to completion of the specified services, all finished or unfinished projects, documents, data, studies, and reports prepared by the Provider under this agreement shall, at the option of the District, become District property. The Provider shall be entitled to receive just and equitable compensation for any satisfactory work completed on such items prior to termination of the Agreement.

The parties to this Agreement shall be excused from performance thereunder during the time and to the extent they are prevented from obtaining, delivering, or performing due to act(s) of God. Satisfactory evidence thereof to the other party is required, provided that it is satisfactorily established that the non-performance is not due to the fault or neglect of the party not performing.

13. **NOTICE.** Any notices required or permitted to be given under this Agreement shall be deemed fulfilled by written notice, demand or request personally served on (with proof of service endorsed thereon, or mailed to, or hereinafter provided) the party entitled thereto or on its successors and assigns, and may be given by:
 - a. Personal delivery;
 - b. Overnight commercial courier;
 - c. Certified or registered prepaid U.S. mail, return receipt requested; or
 - d. Electronic mail or electronic facsimile transmission; provided that if given electronically, an additional

copy shall also be delivered by a, b, or c, above.

If mailed, such notice, demand, or request shall be mailed certified or registered mail, return receipt requested, and deposited in the United States mail addressed to such party at its address set forth below or to such address as either party hereto shall direct by like written notice and shall be deemed to have been made on the third (3rd) day following posting; or if sent by a nationally recognized overnight express carrier, prepaid, such notice shall be deemed to have been made on the next business day following deposit with such carrier. For the purposes herein, notices shall be sent to the District and the Provider as follows:

<u>Oxnard School District</u> District	<u>3Chords Inc. and TherapyTravelers LLC collectively DBA Epic Special Education Staffing</u> Provider
Attn: <u>Danielle Jefferson</u>	Attn: <u>Carol Cheney</u>
<u>1051 South A Street</u> Street	<u>2041 Rosecrans Ave, Suite 245</u> Street
<u>Oxnard, CA 93030</u> City, State, Zip Code	<u>El Segundo, CA 90245</u> City, State, Zip Code

14. **WARRANTY.** Provider hereby warrants to District that the Work shall be performed in a professional and workmanlike manner consistent with the highest industry standards. For a period of one (1) year following completion of the Work, Provider shall attempt to correct or make arrangements to correct any breach of the warranty for the Work within ten (10) business days of notice from District of same.
15. **ADDITIONAL WORK.** If changes in the work seem merited by the Provider or the District, and informal consultations with the other party indicate that a change is warranted, it shall be processed by the District in the following manner:
- A letter outlining the changes shall be forwarded to the District by the Provider with a statement of estimated changes in fee and/or time schedule.
 - A written amendment to this Agreement shall be prepared by the District and executed by all of the parties before any performance of such services or the District shall not be required to pay for the increased cost incurred for the changes in the scope of work.

Any such amendment to the Agreement shall not render ineffective or invalidate unaffected portions of this Agreement.

16. **COMPLIANCE WITH LAWS.** Provider hereby agrees that Provider, officers, agents, employees, and subcontractors of Provider shall obey all local, state, and federal laws and regulations in the performance of this Agreement, including, but not limited to minimum wages laws and/or prohibitions against discrimination. Without limiting the generality of the foregoing, Provider shall complete the conflict of interest certification on **Exhibit C**.

Provider, officers, agents, employees and/or subcontractors of Provider shall secure and maintain in force for the full term of this Agreement, at Provider's sole cost and expense, such licenses and permits as are required by law. ~~in connection with the furnishing of all the Services, materials, or supplies necessary for completion of the Services described.~~

17. **NON-DISCRIMINATION AND EQUAL EMPLOYMENT OPPORTUNITY**

Provider represents and agrees that it does not and shall not discriminate against any employee or applicant for employment, company, individual or group of individuals, because of ancestry, age, color, disability (physical and mental, including HIV and AIDS), genetic information, gender identity, gender expression, marital status, medical condition, military or veteran status, national origin, race, religion, sex/gender, and sexual orientation.

18. **INDEMNIFICATION.** To the fullest extent permitted by law, Provider agrees to defend, indemnify, and hold harmless District, its governing board, officers, agents, employees, successors, assigns, independent contractors and/or volunteers from and against any and all claims, demands, monetary or other losses, loss of use, damages and expenses,, including but not limited to, legal fees and costs, or other obligations or claims arising out of any liability or damage to person or property resulting from bodily injury, illness, communicable disease, virus, pandemic, or any other loss, sustained or claimed to have been sustained arising out of activities of the Provider or those of any of its officers, agents, employees, participants, vendors, customers or subcontractors of Provider, whether such act or omission is authorized by this Agreement or not. Provider also agrees to pay for any and all damage to the real and personal property of the District, or loss or theft of such property, or damage to the Property done or caused by such persons. District assumes no responsibility whatsoever for any property placed on District premises by Provider, Provider’s agents, employees, participants, vendors, customers or subcontractors. Provider further hereby waives any and all rights of subrogation that it may have against the District. The provisions of this Indemnification do not apply to any damage or losses caused solely by the negligence of the District or any of its governing board, officers, agents, employees and/or volunteers.

19. **INSURANCE.** Provider, at its own cost and expense, shall procure and maintain during the term of this Agreement, policies of insurance for the following types of coverage:

a. Commercial General Liability Insurance. Provider shall procure and maintain, during the term of this Agreement, the following General Liability Insurance coverage:

	<u>Each Occurrence</u>	<u>Aggregate</u>
Individual, Sole Proprietorship, Partnership, Corporation, or Other	\$ 1,000,000.00	\$ 2,000,000.00

- f. If the Provider or Provider’s subcontractor(s) maintains broader coverage and/or higher limits than the minimums shown above, the District requires and shall be entitled to the broader coverage and/or higher limits maintained by the Provider. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to the District.
- g. Provider’s and any and all subcontractors’ insurance is primary and will not seek contribution from any other insurance available to the district.
- h. Certificates of Insurance. Provider and any and all subcontractors working for Provider shall provide certificates of insurance to the District as evidence of the insurance coverage required herein, not less than Fifteen (15) days prior to commencing work for the District, and at any other time upon the request of the District. Certificates of insurance will be deemed invalid if proper endorsements are not attached. Certificates of such insurance shall be filed with the District on or before commencement of the services under this Agreement.
- i. Endorsements. Provider’s and any and all Provider subcontractor’s Commercial General Liability insurance; Commercial Automobile Insurance; Liability Excess, Umbrella and/or Reinsurance; and Abuse and Molestation coverage shall name the District, its governing board, officers, agents, employees, and/or volunteers as additional insureds. All endorsements specifying additional insureds for any of the Insurance Policies shall be as indicated below or an equivalent endorsement reasonably acceptable to the District.
- 1) General Liability
 - Facilities Rental or Lease: CG 20 11 10 01;
 - Most Other services: CG 20 26 10 01.
 - 2) Primary, Non-Contributory
 - CG 20 01 01 13
 - 3) Waiver of Subrogation
 - CG 24 04 05 09
 - 4) Commercial Automobile Liability
 - CA 20 48 10 13
- j. Provider’s and any and all Provider subcontractor’s Commercial General Liability insurance shall provide a list of endorsements and exclusions.
- k. Deductibles. Any deductible(s) or self-insured retention(s) applicable to the insurance and/or coverage required by the foregoing provisions of this agreement must be declared to and approved by the District. Provider shall be responsible to pay that deductible or self-insured retention and the District shall not be responsible to pay these costs. In the event that Provider’s deductibles or self-insured retentions collectively total more than \$50,000.00, District reserves the right to request proof of Provider’s financial solvency in relation to remittance thereof or require Provider to post a bond guaranteeing payment of the deductible, or both.
- l. Acceptability of Insurers. Insurance is to be placed with insurers with a current A.M. Best’s rating of no less than A: VII, unless otherwise acceptable to the District.
- m. Insurance written on a “claims made” basis is to be renewed by the Provider and all Provider subcontractors for a period of five (5) years following termination of this Agreement. Such insurance

must have the same coverage and limits as the policy that was in effect during the term of this agreement, and will cover the provider for all claims made.

- n. **Failure to Procure Insurance.** Failure on the part of Provider, or any of its subcontractors, to procure or maintain required insurance shall constitute a material breach of contract under which the District may immediately terminate this Agreement.

- 20. **SAFETY AND SECURITY.** Provider shall be responsible for ascertaining from the District all of the rules and regulations pertaining to safety, security, and driving on school grounds, particularly when children are present.

Without limiting the generality of the foregoing, Provider shall comply with any applicable fingerprinting/criminal background investigation and tuberculosis clearance requirements of the California Education Code and shall provide the certifications on **Exhibit C** prior to performance of any Services.

- a. **On Site Services; Student Data Access.** If services require Provider to access any District facility, transport or interact in any manner (including through an app or other electronic means) with District students, or access student data, Provider and any and all subcontractors are required to comply with Education Code section 45125.1, Fingerprint certification requirements. Provider must provide proof that fingerprint certification requirements have been fulfilled prior to commencing any services for the District under this Agreement.

Provider shall certify in writing to the school district that neither the Provider nor any of its employees, agents, representatives or subcontractors who are required to submit or have their fingerprints submitted to the Department of Justice and who may interact with any District student outside the direct supervision and control of a District employee or that student's parent or legal guardian have been convicted of a felony.

- b. **Other Services.** If Provider will not provide any services on site or have access to any student data or interact with any District student in connection with the Services, then, Provider and its subcontractors are not required to comply with Education Code section 45125.1 background check requirements. However, Provider must still complete **Exhibit C** to specify that these requirements are not applicable.
- c. **Tuberculosis Risk Assessment requirements (Education Code section 49406).** Providers who may have more than limited contact with District students (including any Providers who provide in person tutoring or who provide any transportation services to students) are required to cause to be on file with the District a certificate from an examining physician showing that Provider, employees and/or sub providers of Provider have been examined and found free from active tuberculosis.

- 21. **GOVERNING LAW AND VENUES.** Provider hereby acknowledges and agrees that District is a public entity, which is subject to certain requirements and limitations. This Agreement and the obligations of District hereunder are subject to all applicable federal, state and local laws, rules, and regulations, as currently written or as they may be amended from time to time.

This Agreement shall be interpreted in accordance with the laws of the State of California. If any action is brought to interpret or enforce any term of this Agreement, the action shall be brought in state or federal court situated in the County of Ventura, State of California. Provider hereby waives and expressly agrees not to assert, in any way, any claim or allegation that it is not personally subject to the jurisdiction of the courts named above. Provider further agree to waive any claim or allegation that the suit, action, or proceeding is either brought in an inconvenient forum or that the related venue is improper.”

22. **DISPUTE RESOLUTION.**

- a. The parties agree that, in the event of any dispute under the agreement in which the amount sought is \$5,000.00 or less, any litigation to resolve the dispute shall be brought in the Ventura County Small Claims Court.
- b. If the amount in dispute exceeds \$5,000.00, the parties agree that they will first submit the matter to a mutually agreed upon mediator. Notwithstanding section 19, Attorneys Fees, the cost of the mediator shall be borne equally by the parties.
- c. If the mediator is unable to resolve the dispute, then the parties shall submit the matter to binding arbitration in Ventura County or other mutually agreed location pursuant to the rules of the American Arbitration Association (AAA), as amended or as augmented in this Agreement (the "Rules"). The parties acknowledge that one of the purposes of utilizing arbitration is to avoid lengthy and expensive discovery and allow for prompt resolution of the dispute.

Arbitration shall be initiated as provided by the Rules, although the written notice to the other party initiating arbitration shall also include a description of the claim(s) asserted and the facts upon which the claim(s) are based. Arbitration shall be final and binding upon the parties and shall be the exclusive remedy for all claims subject hereto, including any award of attorneys' fees and costs. Either party may bring an action in court to compel arbitration under this Agreement and to enforce an arbitration award.

All disputes shall be decided by a single arbitrator. The arbitrator shall be selected by mutual agreement of the parties within 30 days of the effective date of the notice initiating the arbitration. If the parties cannot agree on an arbitrator, then the complaining party shall notify the AAA and request selection of an arbitrator in accordance with the Rules. The arbitrator shall have only such authority to award equitable relief, damages, costs, and fees as a court would have for the particular claim(s) asserted. In no event shall the arbitrator award punitive damages of any kind.

The arbitrator shall have the power to limit or deny a request for documents or a deposition if the arbitrator determines that the request exceeds those matters, which are directly relevant to the claims in controversy. The document demand and response shall conform to Code of Civil Procedure section 2031. The deposition notice shall conform to Code of Civil Procedure section 2025. The parties may make a motion for protective order or motion to compel before the arbitrator with regard to the discovery, as provided in Code of Civil Procedure sections 2025 and 2031.

~~23. **ATTORNEYS FEES.** In the event of any action or proceeding to interpret or enforce the terms of this Agreement, the prevailing party, as determined by the court or arbitrator, shall be entitled to recover its reasonable attorney fees and costs incurred in connection with such actions or proceeding~~

24. **DOCUMENT RETENTION.** After Provider's services to District conclude, Provider shall ~~deliver upon the District's request, deliver all documents for all matter in which Provider has provided services to the District, along with~~ any property of the District in Provider's possession and/or control. ~~If the District does not request District's document(s) for a particular service, Provider will retain document(s) for a period of two (2) years after the service has ended. If District does not request delivery of the document(s) for the service before the end of the two (2) year period, Provider will have no further obligation to retain the document(s) and may, at Provider's discretion, destroy it without further notice to the District. At any point during the two (2) year period, District may request delivery of the document(s). All documents will be retained by district.~~ Exceptions: Attorney work-product and medical records shall not be destroyed by provider without the prior written consent of the District.

25. **NATURE OF AGREEMENT.** This Agreement constitutes a binding expression of the understanding of the parties with respect to the services to be provided hereunder and is the sole contract between the parties with respect to the subject matter thereof. There are no collateral understandings or representations or agreements other than those contained herein. This Agreement represents the entire agreement between the parties hereto with respect to the subject matter hereof and supersedes any and all other agreements and communications however characterized, written or oral, between or on behalf of the parties hereto with respect to the subject matter hereof. This Agreement may only be modified by a written instrument signed by authorized representatives of each of the parties hereto; provided that the District may not be bound by any term or condition incorporated by reference (including references to any link, website or electronic document) into any document prepared by or provided to District by Provider, including any license, purchase order or other instrument.

For the avoidance of any doubt, Provider is hereby informed that any and all terms or conditions of use of any web-based service or application must be presented in PDF format to the Board of Trustees and may not be unilaterally altered by Provider during the Term of this Agreement.

THE BODY OF THIS AGREEMENT MAY NOT BE EDITED OR ALTERED BY PROVIDER.

26. **BINDING EFFECT.** This Agreement shall inure to the benefit and shall be binding upon all of the parties to this Agreement, and their respective successors in interest or assigns.
27. **WAIVER.** No claim or right arising out of a breach of this Agreement can be discharged in whole or in part by a waiver or renunciation of the claim or right unless such waiver is in writing.
28. **SEVERABILITY.** It is intended that each paragraph of this Agreement shall be treated as separate and divisible, and in the event that any paragraphs are deemed unenforceable, the remainder shall continue to be in full force and effect so long as the primary purpose of this Agreement is unaffected.
29. **PARAGRAPH HEADINGS.** The headings of paragraphs hereof are inserted only for the purpose of convenient reference. Such headings shall not be deemed to govern, limit, modify or in any other manner affect the scope, meaning or intent of the provisions of this Agreement or any part or portion thereof, nor shall they otherwise be given any legal effect whatsoever.
30. **AUTHORITY.** Provider represents and warrants that Provider has all requisite power and authority to conduct its business and to execute, deliver, and perform this Agreement. Each party warrants that the individuals who have signed this Agreement have the legal power, right, and authority to make this Agreement and to bind each respective party.
31. **COUNTERPART EXECUTION: ELECTRONIC DELIVERY.** This Agreement may be executed in any number of counterparts which, when taken together, shall constitute one and the same instrument. Executed counterparts of this Agreement may be delivered by PDF email or electronic facsimile transmission, and shall have the same legal effect as an “ink-signed” original.

IN WITNESS WHEREOF, the parties have executed this agreement as of the date first written above. By signing below, Provider certifies that it has not altered any provision of the body of this Agreement.

I. Fingerprinting/Criminal Background Certification (Education Code Section 45125.1)

Provider and its subconsultant's and their employees, agents and representatives (each, a "Provider Party") are required to submit fingerprints to the California Department of Justice (CDOJ) if they may interact with any student outside of the immediate supervision and control of the student's parent or guardian or a District employee in connection with the Services. Provider certifies to the Superintendent and the Board of Trustees of the District that it is, or prior to providing any Service under this Agreement will be, in compliance with the requirements of Education Code section 45125.1, as follows (Provider to check one box):

- Provider will ensure that any Provider Party who: (a) might access a District facility and/or interact with a District pupil in any manner (including through an educational app or cloud-based system) outside of the immediate supervision and control of the student's parent or guardian or a District employee OR (b) who was identified by District as a person requiring clearance pursuant to §45125.1(c) has, prior to providing any Service, submitted fingerprints to the CDOJ and that Provider has received from the CDOJ a valid criminal records summary as described in §44237 for said Provider Party. Provider will not allow any person who has been convicted of a violent felony listed in Penal Code section 667.5(c) or a serious felony listed in Penal Code §1192(c) to provide any Service. Provider will not allow any such Provider Party to perform any Service until Provider ascertains that the CDOJ has cleared that person and a record compliant with Education Code § 45125.1 is on file with Provider.
- The fingerprinting requirements **do not apply** because the Services are being provided on an emergency or exceptional situation as contemplated under section § 45125.1(b).
- The fingerprinting requirements **do not apply** because Provider Parties will have no opportunity to interact with a District students in any manner because: (i) no school-site Services or Services concerning student records will be provided; and/or (ii) the Services will be provided at a school site while students are not present (vacant, under construction etc.).

By signing below I certify, under penalty of perjury, that: (i) I am an authorized representative of Provider qualified to provide this Certification; (ii) the information above concerning compliance with Education Code Section 45125.1 is accurate and complete as of the date hereof; and (iii) during the term, I will immediately inform District if any CDOJ report is changed or updated with respect to Provider Party. Documents provided by the CDOJ will be retained by Provider and available for inspection by District or its representative(s) upon request.

II. Tuberculosis Risk Assessments Certification (Education Code Section 49406). With respect to Education Code § 49406, I do hereby **certify, represent and warrant** to District's Superintendent and Board of Trustees as follows (Provider to check the applicable statement below):

- Provider Parties, any subconsultants, and any respective employees, representatives or agents will, in connection with the provision of Services under this Agreement, have **only limited or no contact** with any District student(s).
- Provider Parties may, in connection with the provision of Services, have more than limited contact with District students. Therefore, the Provider has for each such Provider Party: (A) obtained and filed proof on completion of the required TB risk assessment(s) and (B) if deemed necessary by a physician/surgeon, obtained and filed copies of their TB examination(s), all in compliance with the provisions of Education Code § 49406. Provider will maintain a current list of all such Provider Parties and will provide a copy to District upon request.

By signing below I certify, under penalty of perjury, that I am an authorized representative of Provider qualified to provide this Certification, that the information above concerning compliance with Education Code § 49406 is accurate and complete as of the date hereof, and that, during the Term, I and all Provider Parties will satisfy all applicable tuberculosis clearance requirements before having more than limited contact with District students.

Carol Cheney, President

III. Conflict of Interest Certification

The Provider represents and warrants that he/she/it presently has no interest, and shall not acquire any interest, direct or indirect, financial or otherwise, which conflicts in any manner with District or with the performance of the Services. Provider understands that District will not engage any person having such conflict of interest to perform the Services. Provider agrees that if any facts come to its attention which raises any questions as to the applicability of conflict of interest laws, it shall immediately inform the District's designated representative and provide all information needed for resolution of this question.

Rates vary depending upon the scope of the contract, location, duration and available therapists and can be discussed on a case by case basis. In addition to the various expenses, ESES provides ongoing support to each contractor and offers a variety of tools and resources to ensure candidates are continually evolving their skillsets to better service the district, students, and families. We provide training resources, Mentorship options and conduct ongoing educational webinars. This is a great cost-saving solution to ensure district compliance is met and students are provided services without interruption. The potential to negotiate will be considered on a case-by-case basis.

OSD BOARD AGENDA ITEM

Name of Contributor: Dr. Anabolena DeGenna

Date of Meeting: August 23, 2023

Agenda Section: Section C: Support Services Agreement

Ratification of Agreement #23-101 - Diane Turini-Mize, LMFT, SEP (DeGenna/Fox/Nocero)

Diane Mize. will provide individual and/or family psychotherapy for students in Kindergarten - 8th grade in the Oxnard School District. She will assess and treat students whose inappropriate school behavior affects his/her classroom learning. Her extensive training in complex trauma resolution addresses those classroom behaviors which impacts the student's academic achievement and the learning of others. She will facilitate student learning of anger management and decision-making skills, and will also facilitate transition of students returning to their mainstreamed classroom in the Oxnard School District.

Diane Mize will attend weekly meetings with the Director of Pupil Services, and she will participate in district monthly and site weekly/biweekly Opportunity Class meetings. She will also attend professional learning opportunities provided for school counselors to provide continuity of care for Tier 1 students. She also has the capability to work via HIPAA compliant tele-health if needed.

Term of Agreement: August 16, 2023 through June 30, 2024

FISCAL IMPACT:

Not to exceed \$92,000.00 – MAA Funds

RECOMMENDATION:

It is the recommendation of the Director, Pupil Services, the Executive Director, Teaching & Learning and the Interim Superintendent that the Board of Trustees ratify Agreement #23-101 with Diane Turini-Mize.

ADDITIONAL MATERIALS:

Attached: [Agreement #23-101, Diane Turini Mize \(15 Pages\)](#)

SERVICES AGREEMENT

Requisition Number

Purchase Order Number

Contract Number

This Services Agreement (the “Agreement”) is made and entered into this _____ day of _____, 20_____
by and between Oxnard School District (hereinafter referred to as “District”) and _____,
(hereinafter referred to as “Provider.”)

PROVIDER.

Provider

Telephone Number

Street Address

Fax Number

City, State, Zip code

E-mail Address

Tax Identification or Social Security Number

License Number (if applicable)

- A. District desires to engage Provider services as more particularly described on “Statement of Work” which is attached hereto and incorporated herein by this reference (“Services”).
- B. Provider has the necessary qualifications by reason of training, experience, preparation and organization, and is agreeable to performing and providing such Services, upon and subject to the terms and conditions as set forth below in this Agreement.

NOW THEREFORE, for valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto hereby agree as follows:

1. **CONDITIONS.** Provider will have no obligation to provide services until District returns a signed copy of this Agreement.
2. **NATURE OF RELATIONSHIP.** The parties agree the relationship created by this Agreement is that of independent contractor. In performing all of the Services, Provider shall be, and at all times is, acting and performing as an independent contractor with District, and not as a partner, coventurer, agent, or employee of District, and nothing contained herein shall be construed to be inconsistent with this relationship or status. Provider is not granted any right or authority to assume or to create any obligation or responsibility, express or implied, on behalf of or in the name of District or to bind the District in any manner. Except for any materials, procedures, or subject matter agreed upon between Provider and District, Provider shall have complete control over the manner and method of performing the Services.

Contract Number

Provider understands and agrees to independent contractor status. Provider understands and agrees that the filing and acceptance of this Agreement creates a rebuttable presumption and that the Provider, officers, agents, employees, or subcontractors of Provider are not entitled to coverage under the California Workers' Compensation Insurance laws, Unemployment Insurance, Health Insurance, Pension Plans, or any other benefits normally offered or conveyed to District employees. Provider will be responsible for payment of all Provider employee wages, payroll taxes, employee benefits, and any amounts due for federal and state income taxes and Social Security taxes. These taxes will not be withheld from payments under this agreement.

3. NON-EXCLUSIVITY.

- a. During the term of this agreement Provider may, independent of Provider's relationship with the District, without breaching this Agreement or any duty owed to the District, act in any capacity, and may render services for any other entity.
- b. During the term of this Agreement the District may, independent of its relationship with the Provider, without breaching this Agreement or any duty owed to the Provider contract with other individuals and entities to render the same or similar services to the District.

4. **SERVICES.** Provider shall provide District with the services, which are described on the "Statement of Work" (the "Work" or "Service") attached hereto and incorporated herein by this reference. The Statement of Work shall contain a timetable for completion of the Work or if the Work is an ongoing service, the Statement of Work shall set forth the mutually agreed schedule for providing such services. Provider shall use its best efforts to complete all phases of the Work according to such timetable. In the event that there is any delay in completion of the Work arising as a result of a problem within the control of District, Provider and District shall cooperate with each other to work around such delay. However, District shall not be responsible for any additional cost or expense to Provider as a result of such delay unless specifically agreed to in writing by the District. In addition to the specifications and/or requirements contained in the Statement of Work and any warranty given by Provider hereunder, the Statement of Work may set forth those performance criteria agreed between District and Provider whereby the District can evaluate whether Provider has satisfactorily completed the Work ("Performance Criteria").

Provider, at Provider's sole cost and expense, shall furnish all tools, equipment, apparatus, facilities, transportation, labor, and material necessary to meet its obligations under this Agreement. No substitutions of materials or service from those specified in this section shall be made without the prior written consent of the District.

5. **TIME OF PERFORMANCE.** The term of this Agreement shall commence on _____, 20____, and terminate on _____, 20____. All work and services contracted for under the terms of this Agreement shall be undertaken and completed in such sequence as to assure their full completion in accordance with the terms and conditions set forth in this Agreement.

[Note: California Education Code section 17596 limits continuing contracts; contracts for work or services, or for apparatus or equipment, not to exceed five years; for materials or supplies, not to exceed three years.]

6. **PAYMENT AND EXPENSES.** All payments due to Provider are set forth in the "Schedule of Fees" attached hereto and incorporated herein by this reference.

Provider shall send District periodic statements indicating Provider's fees and costs incurred and their basis and any current balance owed. If no Provider's fees or costs are incurred for a particular time period,

or if they are minimal, the statement may be held by the Provider and combined with that for the following time period unless a statement is requested by the District.

All payments due Provider are set forth in "Schedule of Fees" and shall be paid by the District within 30 days of receipt of a proper, undisputed invoice from Provider, which invoice shall set forth in reasonable detail the services performed. The District reserves the right, in its sole and absolute discretion, to reject any invoice that is not submitted in compliance with the District's standards and procedures. In the event that any portion of an invoice submitted by a Provider to the District is disputed, the District shall only be required to pay the undisputed portion of such invoice at that time, and the parties shall meet to try to resolve any disputed portion of any invoice.

The rates set forth in "Schedule of Fees" are not set by law, but are negotiable between Provider and District.

7. **ASSIGNMENT AND SUBCONTRACTORS.** Provider shall not assign, sublet, or transfer this Agreement or any rights under or interest in this Agreement without the prior written consent of the District, which may be withheld by the District in its sole and absolute discretion for any reason. Nothing contained herein shall prevent Provider from employing independent associates, subcontractors, and sub-consultants as Provider may deem appropriate to assist in the performance of services herein, subject to the prior written approval of the District. Any attempted assignment, sublease, or transfer in violation of this Agreement shall be null and void, and of no force and effect. Any attempted assignment, sublet, or transfer in violation of this Agreement shall be grounds for the District, in its sole discretion, to terminate the Agreement
8. **TERMINATION OR AMENDMENT.** This Agreement may be terminated or amended in writing at any time by mutual written consent of all of the parties to this Agreement, and may be terminated by either party for any reason by giving the other party 60 days advance written notice. In the event of cancellation prior to completion of the specified services, all finished or unfinished projects, documents, data, studies, and reports prepared by the Provider under this agreement shall, at the option of the District, become District property. The Provider shall be entitled to receive just and equitable compensation for any satisfactory work completed on such items prior to termination of the Agreement.

The parties to this Agreement shall be excused from performance thereunder during the time and to the extent they are prevented from obtaining, delivering, or performing due to act(s) of God. Satisfactory evidence thereof to the other party is required, provided that it is satisfactorily established that the non-performance is not due to the fault or neglect of the party not performing.

9. **NOTICE.** Any notices required or permitted to be given under this Agreement shall be deemed fulfilled by written notice, demand or request personally served on (with proof of service endorsed thereon, or mailed to, or hereinafter provided) the party entitled thereto or on its successors and assigns, and may be given by:
 - a. Personal delivery;
 - b. Overnight commercial courier;
 - c. Certified or registered prepaid U.S. mail, return receipt requested; or
 - d. Electronic mail or electronic facsimile transmission; provided that if given electronically, an additional copy shall also be delivered by a, b, or c, above.

If mailed, such notice, demand, or request shall be mailed certified or registered mail, return receipt requested, and deposited in the United States mail addressed to such party at its address set forth below or to such address as either party hereto shall direct by like written notice and shall be deemed to have been made on the third (3rd) day following posting; or if sent by a nationally recognized overnight express carrier, prepaid, such notice shall be deemed to have been made on the next business day following deposit with such carrier. For the purposes herein, notices shall be sent to the District and the Provider as follows:

_____	_____
District	Provider
Attn: _____	Attn: _____
_____	_____
Street	Street
_____	_____
City, State, Zip Code	City, State, Zip Code

10. **WARRANTY.** Provider hereby warrants to District that the Work shall be performed in a professional and workmanlike manner consistent with the highest industry standards. For a period of one (1) year following completion of the Work, Provider shall correct or make arrangements to correct any breach of the warranty for the Work within ten (10) business days of notice from District of same.
11. **ADDITIONAL WORK.** If changes in the work seem merited by the Provider or the District, and informal consultations with the other party indicate that a change is warranted, it shall be processed by the District in the following manner:
 - a. A letter outlining the changes shall be forwarded to the District by the Provider with a statement of estimated changes in fee and/or time schedule.
 - b. A written amendment to this Agreement shall be prepared by the District and executed by all of the parties before any performance of such services or the District shall not be required to pay for the increased cost incurred for the changes in the scope of work.

Any such amendment to the Agreement shall not render ineffective or invalidate unaffected portions of this Agreement.

12. **COMPLIANCE WITH LAWS.** Provider hereby agrees that Provider, officers, agents, employees, and subcontractors of Provider shall obey all local, state, and federal laws and regulations in the performance of this Agreement, including, but not limited to minimum wages laws and/or prohibitions against discrimination. Without limiting the generality of the foregoing, Provider shall complete the conflict of interest certification on **Exhibit C**.

Provider, officers, agents, employees and/or subcontractors of Provider shall secure and maintain in force for the full term of this Agreement, at Provider's sole cost and expense, such licenses and permits as are required by law, in connection with the furnishing of all the Services, materials, or supplies necessary for completion of the Services described.

13. **NON-DISCRIMINATION AND EQUAL EMPLOYMENT OPPORTUNITY**

Provider represents and agrees that it does not and shall not discriminate against any employee or applicant for employment, company, individual or group of individuals, because of ancestry, age, color, disability (physical and mental, including HIV and AIDS), genetic information, gender identity, gender expression, marital status, medical condition, military or veteran status, national origin, race, religion, sex/gender, and sexual orientation.

14. **INDEMNIFICATION.** To the fullest extent permitted by law, Provider agrees to defend, indemnify, and hold harmless District, its governing board, officers, agents, employees, successors, assigns, independent contractors and/or volunteers from and against any and all claims, demands, monetary or other losses, loss of use, damages and expenses,, including but not limited to, legal fees and costs, or other obligations or claims arising out of any liability or damage to person or property resulting from bodily injury, illness, communicable disease, virus, pandemic, or any other loss, sustained or claimed to have been sustained arising out of activities of the Provider or those of any of its officers, agents, employees, participants, vendors, customers or subcontractors of Provider, whether such act or omission is authorized by this Agreement or not. Provider also agrees to pay for any and all damage to the real and personal property of the District, or loss or theft of such property, or damage to the Property done or caused by such persons. District assumes no responsibility whatsoever for any property placed on District premises by Provider, Provider’s agents, employees, participants, vendors, customers or subcontractors. Provider further hereby waives any and all rights of subrogation that it may have against the District. The provisions of this Indemnification do not apply to any damage or losses caused solely by the negligence of the District or any of its governing board, officers, agents, employees and/or volunteers.

15. **INSURANCE.** Provider, at its own cost and expense, shall procure and maintain during the term of this Agreement, policies of insurance for the following types of coverage:

a. Commercial General Liability Insurance. Provider shall procure and maintain, during the term of this Agreement, the following General Liability Insurance coverage:

	<u>Each Occurrence</u>	<u>Aggregate</u>
Individual, Sole Proprietorship, Partnership, Corporation, or Other	\$ 1,000,000.00	\$ 2,000,000.00

Commercial General Liability insurance shall include products/completed operations, property damage, and personal and advertising injury coverage.

Any and all subcontractors hired by Provider in connection with the Services described in this Agreement shall maintain such insurance unless the Provider's insurance covers the subcontractor and its employees.

- b. Automobile Liability. Provider shall procure and maintain, during the full term of this Agreement, Automobile Liability Insurance, including non-owned and hired automobiles, as applicable with the following coverage limits: [REDACTED]

Personal vehicles: \$ 500,000.00 combined single limit or
\$100,000.00 per person / \$300,000.00 per accident

- c. Workers' Compensation Insurance. Provider shall procure and maintain, during the term of this Agreement, Workers' Compensation Insurance, as required by California law, on all of its employees engaged in work related to the performance of this Agreement. Provider shall procure and maintain Employers' Liability insurance coverage of \$1,000,000.

In the case of any such work which is subcontracted, Provider shall require all subcontractors to provide Workers' Compensation Insurance and Employers' Liability insurance for all of the subcontractor's employees to be engaged in such work unless such employees are covered by the protection afforded by the Provider's Workers' Compensation Insurance.

Absent proof of Workers' Compensation Insurance, Provider will submit a statement requesting a waiver from this requirement and indicating the reason Workers' Compensation Insurance is not required.

- d. Errors and Omissions Insurance. Provider shall procure and maintain, during the term of this Agreement, Professional Liability/Errors and Omissions Insurance in an amount of the following: [REDACTED]

Accountants, attorneys, education consultants, nurses, therapists \$1,000,000.00

- e. Other Coverage as Dictated by the District. Provider shall procure and maintain, during the term of this Agreement, the following other Insurance coverage:

	<u>Each Occurrence</u>	<u>Aggregate</u>
<input type="checkbox"/> Abuse and Molestation	\$ 2,000,000.00	\$4,000,000.00
<input type="checkbox"/> Pollution Liability	\$ 1,000,000.00	\$ 2,000,000.00
<input type="checkbox"/> Cyber Liability	\$ 5,000,000.00	
<input type="checkbox"/> Other: _____	\$ _____	\$ _____

- f. If the Provider or Provider’s subcontractor(s) maintains broader coverage and/or higher limits than the minimums shown above, the District requires and shall be entitled to the broader coverage and/or higher limits maintained by the Provider. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to the District.
- g. Provider’s and any and all subcontractors’ insurance is primary and will not seek contribution from any other insurance available to the district.
- h. Certificates of Insurance. Provider and any and all subcontractors working for Provider shall provide certificates of insurance to the District as evidence of the insurance coverage required herein, not less than Fifteen (15) days prior to commencing work for the District, and at any other time upon the request of the District. Certificates of insurance will be deemed invalid if proper endorsements are not attached. Certificates of such insurance shall be filed with the District on or before commencement of the services under this Agreement.
- i. Endorsements. Provider’s and any and all Provider subcontractor’s Commercial General Liability insurance; Commercial Automobile Insurance; Liability Excess, Umbrella and/or Reinsurance; and Abuse and Molestation coverage shall name the District, its governing board, officers, agents, employees, and/or volunteers as additional insureds. All endorsements specifying additional insureds for any of the Insurance Policies shall be as indicated below or an equivalent endorsement reasonably acceptable to the District.
- 1) General Liability
 - Facilities Rental or Lease: CG 20 11 10 01;
 - Most Other services: CG 20 26 10 01.
 - 2) Primary, Non-Contributory
 - CG 20 01 01 13
 - 3) Waiver of Subrogation
 - CG 24 04 05 09
 - 4) Commercial Automobile Liability
 - CA 20 48 10 13
- j. Provider’s and any and all Provider subcontractor’s Commercial General Liability insurance shall provide a list of endorsements and exclusions.
- k. Deductibles. Any deductible(s) or self-insured retention(s) applicable to the insurance and/or coverage required by the foregoing provisions of this agreement must be declared to and approved by the District. Provider shall be responsible to pay that deductible or self-insured retention and the District shall not be responsible to pay these costs. In the event that Provider’s deductibles or self-insured retentions collectively total more than \$50,000.00, District reserves the right to request proof of Provider’s financial solvency in relation to remittance thereof or require Provider to post a bond guaranteeing payment of the deductible, or both.
- l. Acceptability of Insurers. Insurance is to be placed with insurers with a current A.M. Best’s rating of no less than A: VII, unless otherwise acceptable to the District.
- m. Insurance written on a “claims made” basis is to be renewed by the Provider and all Provider subcontractors for a period of five (5) years following termination of this Agreement. Such insurance

must have the same coverage and limits as the policy that was in effect during the term of this agreement, and will cover the provider for all claims made.

- n. Failure to Procure Insurance. Failure on the part of Provider, or any of its subcontractors, to procure or maintain required insurance shall constitute a material breach of contract under which the District may immediately terminate this Agreement.

- 16. **SAFETY AND SECURITY**. Provider shall be responsible for ascertaining from the District all of the rules and regulations pertaining to safety, security, and driving on school grounds, particularly when children are present.

Without limiting the generality of the foregoing, Provider shall comply with any applicable fingerprinting/criminal background investigation and tuberculosis clearance requirements of the California Education Code and shall provide the certifications on **Exhibit C** prior to performance of any Services.

- a. **On Site Services; Student Data Access**. If services require Provider to access any District facility, transport or interact in any manner (including through an app or other electronic means) with District students, or access student data, Provider and any and all subcontractors are required to comply with Education Code section 45125.1, Fingerprint certification requirements. Provider must provide proof that fingerprint certification requirements have been fulfilled prior to commencing any services for the District under this Agreement.

Provider shall certify in writing to the school district that neither the Provider nor any of its employees, agents, representatives or subcontractors who are required to submit or have their fingerprints submitted to the Department of Justice and who may interact with any District student outside the direct supervision and control of a District employee or that student's parent or legal guardian have been convicted of a felony.

- b. **Other Services**. If Provider will not provide any services on site or have access to any student data or interact with any District student in connection with the Services, then, Provider and its subcontractors are not required to comply with Education Code section 45125.1 background check requirements. However, Provider must still complete **Exhibit C** to specify that these requirements are not applicable.
- c. **Tuberculosis Risk Assessment requirements (Education Code section 49406)**. Providers who may have more than limited contact with District students (including any Providers who provide in person tutoring or who provide any transportation services to students) are required to cause to be on file with the District a certificate from an examining physician showing that Provider, employees and/or sub providers of Provider have been examined and found free from active tuberculosis.

- 17. **GOVERNING LAW AND VENUES**. Provider hereby acknowledges and agrees that District is a public entity, which is subject to certain requirements and limitations. This Agreement and the obligations of District hereunder are subject to all applicable federal, state and local laws, rules, and regulations, as currently written or as they may be amended from time to time.

This Agreement shall be interpreted in accordance with the laws of the State of California. If any action is brought to interpret or enforce any term of this Agreement, the action shall be brought in state or federal court situated in the County of Ventura, State of California. Provider hereby waives and expressly agrees not to assert, in any way, any claim or allegation that it is not personally subject to the jurisdiction of the courts named above. Provider further agree to waive any claim or allegation that the suit, action, or proceeding is either brought in an inconvenient forum or that the related venue is improper.”

18. **DISPUTE RESOLUTION.**

- a. The parties agree that, in the event of any dispute under the agreement in which the amount sought is \$5,000.00 or less, any litigation to resolve the dispute shall be brought in the Ventura County Small Claims Court.
- b. If the amount in dispute exceeds \$5,000.00, the parties agree that they will first submit the matter to a mutually agreed upon mediator. Notwithstanding section 19, Attorneys Fees, the cost of the mediator shall be borne equally by the parties.
- c. If the mediator is unable to resolve the dispute, then the parties shall submit the matter to binding arbitration in Ventura County or other mutually agreed location pursuant to the rules of the American Arbitration Association (AAA), as amended or as augmented in this Agreement (the "Rules"). The parties acknowledge that one of the purposes of utilizing arbitration is to avoid lengthy and expensive discovery and allow for prompt resolution of the dispute.

Arbitration shall be initiated as provided by the Rules, although the written notice to the other party initiating arbitration shall also include a description of the claim(s) asserted and the facts upon which the claim(s) are based. Arbitration shall be final and binding upon the parties and shall be the exclusive remedy for all claims subject hereto, including any award of attorneys' fees and costs. Either party may bring an action in court to compel arbitration under this Agreement and to enforce an arbitration award.

All disputes shall be decided by a single arbitrator. The arbitrator shall be selected by mutual agreement of the parties within 30 days of the effective date of the notice initiating the arbitration. If the parties cannot agree on an arbitrator, then the complaining party shall notify the AAA and request selection of an arbitrator in accordance with the Rules. The arbitrator shall have only such authority to award equitable relief, damages, costs, and fees as a court would have for the particular claim(s) asserted. In no event shall the arbitrator award punitive damages of any kind.

The arbitrator shall have the power to limit or deny a request for documents or a deposition if the arbitrator determines that the request exceeds those matters, which are directly relevant to the claims in controversy. The document demand and response shall conform to Code of Civil Procedure section 2031. The deposition notice shall conform to Code of Civil Procedure section 2025. The parties may make a motion for protective order or motion to compel before the arbitrator with regard to the discovery, as provided in Code of Civil Procedure sections 2025 and 2031.

19. **ATTORNEYS FEES.** In the event of any action or proceeding to interpret or enforce the terms of this Agreement, the prevailing party, as determined by the court or arbitrator, shall be entitled to recover its reasonable attorney fees and costs incurred in connection with such actions or proceeding

20. **DOCUMENT RETENTION.** After Provider's services to District conclude, Provider shall, upon the District's request, deliver all documents for all matter in which Provider has provided services to the District, along with any property of the District in Provider's possession and/or control. If the District does not request District's document(s) for a particular service, Provider will retain document(s) for a period of two (2) years after the service has ended. If District does not request delivery of the document(s) for the service before the end of the two (2) year period, Provider will have no further obligation to retain the document(s) and may, at Provider's discretion, destroy it without further notice to the District. At any point during the two (2) year period, District may request delivery of the document(s).

Exceptions: Attorney work-product and medical records shall not be destroyed by provider without the prior written consent of the District.

21. **NATURE OF AGREEMENT.** This Agreement constitutes a binding expression of the understanding of the parties with respect to the services to be provided hereunder and is the sole contract between the parties with respect to the subject matter thereof. There are no collateral understandings or representations or agreements other than those contained herein. This Agreement represents the entire agreement between the parties hereto with respect to the subject matter hereof and supersedes any and all other agreements and communications however characterized, written or oral, between or on behalf of the parties hereto with respect to the subject matter hereof. This Agreement may only be modified by a written instrument signed by authorized representatives of each of the parties hereto; provided that the District may not be bound by any term or condition incorporated by reference (including references to any link, website or electronic document) into any document prepared by or provided to District by Provider, including any license, purchase order or other instrument.

For the avoidance of any doubt, Provider is hereby informed that any and all terms or conditions of use of any web-based service or application must be presented in PDF format to the Board of Trustees and may not be unilaterally altered by Provider during the Term of this Agreement.

THE BODY OF THIS AGREEMENT MAY NOT BE EDITED OR ALTERED BY PROVIDER.

22. **BINDING EFFECT.** This Agreement shall inure to the benefit and shall be binding upon all of the parties to this Agreement, and their respective successors in interest or assigns.
23. **WAIVER.** No claim or right arising out of a breach of this Agreement can be discharged in whole or in part by a waiver or renunciation of the claim or right unless such waiver is in writing.
24. **SEVERABILITY.** It is intended that each paragraph of this Agreement shall be treated as separate and divisible, and in the event that any paragraphs are deemed unenforceable, the remainder shall continue to be in full force and effect so long as the primary purpose of this Agreement is unaffected.
25. **PARAGRAPH HEADINGS.** The headings of paragraphs hereof are inserted only for the purpose of convenient reference. Such headings shall not be deemed to govern, limit, modify or in any other manner affect the scope, meaning or intent of the provisions of this Agreement or any part or portion thereof, nor shall they otherwise be given any legal effect whatsoever.
26. **AUTHORITY.** Provider represents and warrants that Provider has all requisite power and authority to conduct its business and to execute, deliver, and perform this Agreement. Each party warrants that the individuals who have signed this Agreement have the legal power, right, and authority to make this Agreement and to bind each respective party.
27. **COUNTERPART EXECUTION: ELECTRONIC DELIVERY.** This Agreement may be executed in any number of counterparts which, when taken together, shall constitute one and the same instrument. Executed counterparts of this Agreement may be delivered by PDF email or electronic facsimile transmission, and shall have the same legal effect as an “ink-signed” original.

IN WITNESS WHEREOF, the parties have executed this agreement as of the date first written above. By signing below, Provider certifies that it has not altered any provision of the body of this Agreement.

Provider: _____

I. Fingerprinting/Criminal Background Certification (Education Code Section 45125.1)

Provider and its subconsultant's and their employees, agents and representatives (each, a "Provider Party") are required to submit fingerprints to the California Department of Justice (CDOJ) if they may interact with any student outside of the immediate supervision and control of the student's parent or guardian or a District employee in connection with the Services. Provider certifies to the Superintendent and the Board of Trustees of the District that it is, or prior to providing any Service under this Agreement will be, in compliance with the requirements of Education Code section 45125.1, as follows (Provider to check one box):

- Provider will ensure that any Provider Party who: (a) might access a District facility and/or interact with a District pupil in any manner (including through an educational app or cloud-based system) outside of the immediate supervision and control of the student's parent or guardian or a District employee OR (b) who was identified by District as a person requiring clearance pursuant to §45125.1(c) has, prior to providing any Service, submitted fingerprints to the CDOJ and that Provider has received from the CDOJ a valid criminal records summary as described in §44237 for said Provider Party. Provider will not allow any person who has been convicted of a violent felony listed in Penal Code section 667.5(c) or a serious felony listed in Penal Code §1192(c) to provide any Service. Provider will not allow any such Provider Party to perform any Service until Provider ascertains that the CDOJ has cleared that person and a record compliant with Education Code § 45125.1 is on file with Provider.
- The fingerprinting requirements **do not apply** because the Services are being provided on an emergency or exceptional situation as contemplated under section § 45125.1(b).
- The fingerprinting requirements **do not apply** because Provider Parties will have no opportunity to interact with a District students in any manner because: (i) no school-site Services or Services concerning student records will be provided; and/or (ii) the Services will be provided at a school site while students are not present (vacant, under construction etc.).

By signing below I certify, under penalty of perjury, that: (i) I am an authorized representative of Provider qualified to provide this Certification; (ii) the information above concerning compliance with Education Code Section 45125.1 is accurate and complete as of the date hereof; and (iii) during the term, I will immediately inform District if any CDOJ report is changed or updated with respect to Provider Party. Documents provided by the CDOJ will be retained by Provider and available for inspection by District or its representative(s) upon request.

Name/ Title of Authorized Representative

Signature/ Date

II. Tuberculosis Risk Assessments Certification (Education Code Section 49406). With respect to Education Code § 49406, I do hereby *certify, represent and warrant* to District's Superintendent and Board of Trustees as follows (Provider to check the applicable statement below):

- Provider Parties, any subconsultants, and any respective employees, representatives or agents will, in connection with the provision of Services under this Agreement, have **only limited or no contact** with any District student(s).
- Provider Parties may, in connection with the provision of Services, have more than limited contact with District students. Therefore, the Provider has for each such Provider Party: (A) obtained and filed proof on completion of the required TB risk assessment(s) and (B) if deemed necessary by a physician/surgeon, obtained and filed copies of their TB examination(s), all in compliance with the provisions of Education Code § 49406. Provider will maintain a current list of all such Provider Parties and will provide a copy to District upon request.

By signing below I certify, under penalty of perjury, that I am an authorized representative of Provider qualified to provide this Certification, that the information above concerning compliance with Education Code § 49406 is accurate and complete as of the date hereof, and that, during the Term, I and all Provider Parties will satisfy all applicable tuberculosis clearance requirements before having more than limited contact with District students.

Name/ Title of Authorized Representative

Signature/ Date

III. Conflict of Interest Certification

The Provider represents and warrants that he/she/it presently has no interest, and shall not acquire any interest, direct or indirect, financial or otherwise, which conflicts in any manner with District or with the performance of the Services. Provider understands that District will not engage any person having such conflict of interest to perform the Services. Provider agrees that if any facts come to its attention which raises any questions as to the applicability of conflict of interest laws, it shall immediately inform the District's designated representative and provide all information needed for resolution of this question.

Provider Initials: _____

Diane Turini Mize, LMFT, SEP
Licensed Marriage Family Therapist 38366
Somatic Experiencing® Practitioner
4309 Deepwell Lane
Moorpark, CA 93021
805-405-0718

To: Oxnard School District, 1051 South "A" Street, Oxnard, CA 93030

For: Diane Turini Mize, Licensed Marriage Family Therapist #38366

Date: April 27, 2023

RE: Proposal for Individual and/or family Psychotherapy for students K-8th grade in the Oxnard School District.

SCOPE OF WORK:

Diane Turini Mize, Licensed Marriage Family Therapist #38366 will provide individual and/or family psychotherapy for students in Kindergarten - 8th grade in the Oxnard School District. She will assess and treat students whose inappropriate school behavior affects his/her classroom learning. Her extensive training in complex trauma resolution addresses those classroom behaviors which impacts the student's academic achievement and the learning of others. In addition, she will facilitate student learning of anger management and decision making skills. She will also facilitate transition of students to their returning mainstreamed classroom in the Oxnard School District.

In addition, she will attend professional learning opportunities provided for school counselors in order to provide continuity of care for Tier 1 students. She also has the capability to work via HIPAA compliant tele-health if needed.

Diane will participate in weekly meetings with Dr. Nocero, Director of Pupil Services as support for individual students. She will participate in OSD Opportunity Class monthly meetings as well as weekly/ bi-weekly Opportunity Class site meetings.

Additional areas of expertise: Somatic Experiencing Practitioner (trauma resolution) , trained in EMDR Eye Movement Desensitization and Reprocessing (trauma resolution), trained in Capicatar Community Wellness Education, Supervisor of Marriage and Family Therapist Associates.

Dates of Service: Academic School Year 2023-2024, 5 days a week.

Consultant Compensation: \$92,000

School Year: **2023-24**

School Plan for Student Achievement (SPSA) Template

Instructions and requirements for completing the SPSA template may be found in the SPSA Template Instructions.

School Name	County-District-School (CDS) Code	Schoolsite Council (SSC) Approval Date	Local Board Approval Date
Norman R. Brekke Elementary School	56725386114029	May 15, 2023	August 23, 2023

Purpose and Description

Briefly describe the purpose of this plan (Select from Schoolwide Program, Comprehensive Support and Improvement, Targeted Support and Improvement, or Additional Targeted Support and Improvement)

Schoolwide Program

Briefly describe the school's plan for effectively meeting the ESSA requirements in alignment with the Local Control and Accountability Plan and other federal, state, and local programs.

Oxnard School District has created a strategic plan in order to ensure that we fully develop our student profile and work toward fulfilling our Mission and Vision. Brekke's vision statement - To be an exemplary school - is a reflection of our belief in "students first, all the time." At Brekke, we believe that all students can achieve at high levels and exemplify the traits in the Oxnard School District (OSD) Student Profile. We believe that maintaining high expectations, cultivating a growth mindset, and encouraging positive behavior supports are essential keys to delivering an exceptional educational experience. Our goal is to dramatically accelerate student academic engagement and achievement across all student populations through coherent additive approaches, essential pedagogical principles and high leverage practices. California's Department of Education states that "Best First Instruction" is essential in order for students to acquire understanding, catch up, and keep up with progressive learning targets. Teachers are given essential planning time to develop lessons that incorporate best practices in delivering standards-based first instruction. School Administrators regularly use learning walks (class visitations) to validate, observe, and provide feedback to support implementation of best practices in delivering quality first instruction.

Furthermore, through the use of Depth and Complexity, Achievement Level Descriptors, mindset practices, and targeted instruction, students are provided the broadest opportunity to access challenging curricula. We use the Common Core State Standards to guide our academic focus. In every classroom, teachers and staff are able to provide students with meaningful opportunities to think critically and creatively and to communicate and collaborate, which ultimately strengthens their 21st Century college and career readiness skills. Data analysis is used to improve instructional practices so that the rigor needed to push our students forward is evident in every classroom. In addition to our focus on strong first instruction, Brekke will continue to provide targeted intervention and enrichment through our multi-tiered system of supports (MTSS).

The Accelerated Reader program is used school wide to encourage students to read independently and reach individual reading goals. This program encourages students to pursue their own interests and fosters life-long readers. Lexia, Zearn and ST Math are additional individualized and adaptive online programs offered to students. In addition to skill practice, these programs provide students, parents, and teachers with valuable data regarding student fluency in math and language arts.

Brekke has funded an Intervention Service Provider to help provide small group targeted instruction and intervention. The teachers are using the Star Instructional Planning data and STAR mastery report to group students based on the target indicated for instruction. The Intervention Service Provider will have a designated time each day to work with grade levels. We are using the STAR custom test and progress monitoring to make sure our groups are fluid, and the students are becoming proficient in the targeted skills.

Brekke is committed to increasing English language proficiency throughout our student population. We will continue to provide designated ELD using the ELD/ELA Standards. Extended learning opportunities for English Learners are available throughout the year and will focus on increasing the four domains of Language (Listening, Speaking, Reading and Writing) through the development of

academic vocabulary, communication and critical thinking skills. This will be done in a variety of contexts such as book clubs, writing and speech contest.

During staff meetings and Collaboration Wednesdays, grade level teams work together to analyze data, plan lessons and design targeted small group instruction. This time also allows the staff to meet regarding the implementation of the Common Core standards and focus on our District adopted curricula in all academic areas. With guidance from our Leadership Team, grade levels have created an Instructional Progress Plan that outlines and calendars how the outcomes for each grade level will be achieved and assessed.

At Brekke we are focused on providing Positive Behavior and Intervention Supports (PBIS) using the S.T.O.I.C. approach (Structure Setting, Teach Expectations, Observe Behaviors, Interact Positively, Correct Fluently). This approach structures the interactions among students and staff to ensure mutual respect and accelerate academic success. The S.T.O.I.C. model promotes academic focus and positive engagement. With our Positive Behavior Intervention and Supports Team, we are working with grade levels on building resilience and a growth mindset with our students and encouraging them to reach their goals. Parent meetings and workshops are held on how to partner with us for the all around success of our students.

In addition to our focus on academics, Brekke is committed to providing a strong social-emotional foundation for our students. We have created a multipurpose space that provides Social-Emotional supports that can be utilized by class, by groups or by individuals. Our space, The Dolphin Cove, has several sensory and calming stations that include a sensory path, a reading corner, coloring and journaling station, a stretching and grounding station and STEM activities. We also use this space for our drumming circles that support mindfulness, problem-solving and community building. Besides the Dolphin Cove, we have spent time reinforcing our Tier 1 PBIS and SEL supports. Our teachers are incorporating SEL lessons and activities into their classroom routines. We believe every day is a gift and we are encouraging all who enter Brekke to make a wise choice about how they spend their day.

At Brekke, we create and grow family and community alliances focused strategically on their collaborative leadership role in supporting and promoting student success for all students. We have an active PTA, School Site Council and ELAC team. We provide opportunities for our parents to learn more about the district adopted programs to better assist their children and partner with Brekke in their child's education.

Our goals can be realized by following a Theory of Action, which constitutes committing to a vision of success; to be relentless in clarifying and supporting classroom leadership; to build school leadership; to benefit from organized district leadership; and to engage our families and community, which will lead us to become a highly effective and equitable school.

As a staff, we are committed to being an exemplary school by putting proven systems in place to help our students become confident and resilient life-long learners. We strive to promote a school culture wherein our core values of Equity, Integrity, Accountability and Service are evident in our every action and where students represent our inclusive Oxnard School District Student Profile.

Comprehensive Needs Assessment Components

Data Analysis

Please refer to the School and Student Performance Data section where an analysis is provided.

Classroom Observations

This section provides a description of types and frequency of classroom observations conducted during the school-year and a summary of findings.

Weekly informal classroom observations determined that the engagement of students receiving Tier 1 instruction differs amongst classes and there is inconsistent usage of targeted small group instruction. We did see an increase in small group instruction in the 2022-2023 school year, but it is still an area for continued growth. We will continue working on using data after first instruction to determine which students in each class need additional targeted Tier 1 Instruction. We will also continue to use weekly classroom observations and data to progress monitor all students.

Analysis of Current Instructional Program

The following statements are derived from the Elementary and Secondary Education Act (ESEA) of 1965 and Essential Program Components (EPCs). In conjunction with the needs assessments, these categories may be used to discuss and develop critical findings that characterize current instructional practice for numerically significant subgroups as well as individual students who are:

- Not meeting performance goals
- Meeting performance goals
- Exceeding performance goals

Discussion of each of these statements should result in succinct and focused findings based on verifiable facts. Avoid vague or general descriptions. Each successive school plan should examine the status of these findings and note progress made. Special consideration should be given to any practices, policies, or procedures found to be noncompliant through ongoing monitoring of categorical programs.

Standards, Assessment, and Accountability

Use of state and local assessments to modify instruction and improve student achievement (ESEA)

We use summative and formative data in order to understand the academic needs of our students. We use a collaborative PLC model to construct a collective understanding of how our professional practice is impacting student learning. CAASPP, STAR, IAB's, and ELPAC scores are used to identify trends and areas of strength in student academic achievement. Based on this data, we construct a school-wide plan that aligns our resources and provides interventions and enrichment opportunities for all students. As a staff, this data also informs how we utilize our budget to support professional development and provide supplemental materials and programs to boost student achievement. STAR 360 Assessments, data from Lexia, ST Math, Zearn and the CAASPP Interim Assessment Blocks (IABs) are used systematically as formative assessments. Formative data is used to plan ongoing instruction, monitor student progress, group students, and implement MTSS structures to support high levels of student learning. Additionally, formative data is used during our weekly PLC collaboration time to ensure our standards-based discussions consistently focus on academic student growth.

Use of data to monitor student progress on curriculum-embedded assessments and modify instruction (EPC)

Grade Level Teams meet once a week to monitor student progress using a variety of assessments including the curriculum embedded assessments, such as Wonders and My Math. Teachers use the results of these assessments to inform their instruction, identify students in need of further review or intervention, and group students for differentiated instruction in ELD, Math or ELA instruction. During these collaboration meetings, teachers review the various assessments available to determine the level of rigor presented and the Achievement Level Descriptors to ensure all students are moving across levels. This helps teachers ensure the assessments are aligned to instruction.

Additionally, we monitor all student reading and math progress throughout the year via monthly STAR 360 assessments and custom STAR assessments. The principal leads student monitoring conferences with individual teachers three times per year. During these meetings, each teacher has an opportunity to review reliable academic data and individual student concerns with the administrator. Together they identify key standards need to be prioritized during whole class instruction and small group targeted intervention. Students who have been identified as needing additional support and are not making expected growth after receiving additional in-class interventions are referred to the SST process to determine which Tier 2 intervention will best meet the student's need.

Staffing and Professional Development

Status of meeting requirements for highly qualified staff (ESEA)

The district ensures that all staff members are highly qualified. This is monitored by the district's Human Resources Department.

Sufficiency of credentialed teachers and teacher professional development (e.g., access to instructional materials training on SBE-adopted instructional materials) (EPC)

Incoming teachers are appropriately credentialed and provided with various forms of support. New Teacher Orientation is offered which includes district expectations and procedures, training on current curricular materials and programs and tips on classroom management. The district works with the Ventura County Office of Education to provide induction for new teachers. Professional development is always offered when new materials are adopted. Follow up training is available as needed to support effective implementation.

Alignment of staff development to content standards, assessed student performance, and professional needs (ESEA)

Professional development is provided at the site and district level to ensure that instruction is aligned to current Common Core State Standards. There is a district assessment calendar to ensure that student progress is sufficiently monitored throughout the year. Professional development and support is provided as needed for assessments and data dives. Structures are in place at school sites to allow teachers to analyze data in collaborative groups in order to identify student needs and adjust instruction accordingly.

Ongoing instructional assistance and support for teachers (e.g., use of content experts and instructional coaches) (EPC)

The Educational Services Department includes directors, managers and TOSAs (Teachers on Special Assignment). They provide support for Curriculum, Instruction, Assessment, Accountability, Biliteracy Programs, Special Education, Special Programs, Pupil Services, Educational Technology, Equity and Family and Community Engagement. Site administration also functions as instructional leaders. Our regular school year calendar was revised to include three additional professional development days for all teachers (2 in the summer before school starts and 1 in the fall). Professional development is provided in the following areas: instructional content, planning for DLI instruction, culturally responsive grading and equity, special education assessment and TK instruction.

Teacher collaboration by grade level (kindergarten through grade eight [K–8]) and department (grades nine through twelve) (EPC)

Our school works within grade level teams to develop an Instructional Progress Plan to meet the expected outcomes for each grade level.

Our staff meetings and Collaboration Wednesdays are structured around four essential questions: 1) What do we want students to know? 2) How do we know that they have learned it? 3) What will we do if they haven't? 4) What will we do if they have?

Our grade levels meet weekly to identify learning targets, develop and agree upon common assessments, analyze data, and create a plan to ensure all students learn at high levels. In addition to weekly grade level collaboration, we also engage in vertical teaming to align and define the essential standards that build the learning progression within each academic discipline.

Teaching and Learning

Alignment of curriculum, instruction, and materials to content and performance standards (ESEA)

Collaboration work supports the implementation of instructional strategies aligned to current CA Common Core State Standards. State adopted and approved curricular materials support instruction.

Adherence to recommended instructional minutes for reading/language arts and mathematics (K–8) (EPC)

Instructional minutes are monitored by the Business Services office. All school schedules adhere to guidelines that govern recommended instructional minutes.

Lesson pacing schedule (K–8) and master schedule flexibility for sufficient numbers of intervention courses (EPC)

The district assessment calendar and adopted curricula provide guidance on lesson pacing. Student needs are determined by data analysis and intervention courses are scheduled based on these student needs.

Availability of standards-based instructional materials appropriate to all student groups (ESEA)

Instructional materials are provided for all students and are managed by our district Textbook Coordinator. Participation in Williams' inspections confirms that all students have access to required materials.

Use of SBE-adopted and standards-aligned instructional materials, including intervention materials, and for high school students, access to standards-aligned core courses (EPC)

Adopted and standards-aligned materials are provided for use in all classrooms. Intervention materials must be research-based. Funds are allocated to sites to purchase any additional materials they determine are necessary to meet student needs.

Opportunity and Equal Educational Access

Services provided by the regular program that enable underperforming students to meet standards (ESEA)

At Brekke, we use the MTSS Model to help our under-performing students meet grade level standards. This MTSS Model includes three tiers of interventions: Tier I, Tier II, and Tier III. Students that are not achieving as expected are initially provided interventions within the classroom by the teacher as part of Tier I interventions. These targeted interventions typically last 4-8 week. Student progress is monitored and teachers adjust the interventions accordingly to ensure students reach the expected goals. When the interventions are not working, students are referred to the Student Study Team. This team includes the principal, the classroom teacher, the outreach consultant, the parent/guardian and another 4-8 weeks of interventions. The intervention can involve the Literacy Intervention Teacher, after school tutoring, an Intervention Service Provider or a school counselor. Students are closely monitored when they receive Tier 2 intervention. Those that are still not demonstrating adequate progress may be referred for a Special Education evaluation. This process includes school specialists such as the school psychologist, resource teacher, speech therapist, occupational therapist, and/or nurse.

Evidence-based educational practices to raise student achievement

Teachers consistently use evidence-based educational practices as part of effective first instruction to improve student outcomes. These practices include a clear focus/purpose for each lesson, standards-based SMART goals, meaningful opportunities for student engagement, ongoing checks for understanding and re-teaching as needed.

Parental Engagement

Resources available from family, school, district, and community to assist under-achieving students (ESEA)

At Brekke, we believe in forming strong partnerships with parents/guardians and the community. Together, we strive to bring out the best in each other. Our school provides many opportunities throughout the year to foster parent involvement. We host family nights that focus on Brekke's pathway to success by raising our understanding and awareness of academic and social expectations, resiliency, and community. We also invite families to join us as we cheer on our students at various sport and club events. In addition, parents/guardians attend parent-teacher conferences to review student achievement data. For students who have been identified as significantly below grade level or in need of an Individualized Education Plan, SST and IEP meetings are held to create instructional plans and/or review progress toward meeting the expected goals.

We also provide Dolphin Pride Awards and monthly awards assemblies that help us celebrate students for a variety of reasons. Students are recognized on campus and families are invited to celebrate their student's success.

We encourage parents to become active members of our ELAC, SSC and PTA. The counselor and Outreach Specialist provide seminars on topics of interest during parent events/meetings. Furthermore, parents enjoy participating in the PTA community building activities, such as dinner nights and game nights. The PTA conducts fundraising opportunities and funds are used to provide incentives for students and promote a positive and engaging culture at Brekke.

Involvement of parents, community representatives, classroom teachers, other school personnel, and students in secondary schools, in the planning, implementation, and evaluation of ConApp programs (5 California Code of Regulations 3932)

We feel fortunate to have strong parent involvement at Brekke and we will continue to foster partnerships throughout the 2023-2024 school year. The involvement of parents, community representatives, classroom teachers, and other personnel is vital in assisting in planning, implementing and evaluating programs at Brekke. Parent governance teams such as the School Site Council, English Learner Advisory Committee and our Parent Teacher Association are elected by other parents and staff members on an annual basis. Parent governance teams, teachers and other personnel provide input for the development of goals and fiscal allocations that are guided by our School Plan for Student Achievement (SPSA). Throughout the year, parent governance teams and staff members monitor the implementation and progress of our SPSA goals and revise the plan as needed.

Funding

Services provided by categorical funds that enable underperforming students to meet standards (ESEA)

Categorical funds were used to support small group interventions and programs for differentiation in instruction to meet the needs of under performing students. The funds are also used to support the ongoing development of PBIS at Brekke as we strive support all students in their behavioral and academic progress.

Fiscal support (EPC)

The district receives Title I funding as we are considered a Title I district. All of our sites are considered “schoolwide.” Title I funds are allocated to each school based on the number of qualifying students. Sites then determine how to use the funds based on specific student needs. The district also distributes Title III funding to sites to help provide additional services and resources for our English Learners. In addition, we also receive Supplemental and Concentration LCFF funding help us promote and support high levels of student achievement.

Educational Partner Involvement

How, when, and with whom did the school consult as part of the planning process for this SPSA/Annual Review and Update?

Involvement Process for the SPSA and Annual Review and Update

Once student achievement data is made available, the Site Leadership Team meets to analyze the data to determine students' academic and social/emotional/behavioral needs. Data and opportunities for input are shared with our ELAC, PTA and school staff. The School Site Council then analyzes the data, takes recommendations from the other educational partners, and aligns the agreed upon actions with the budget.

Resource Inequities

Briefly identify and describe any resource inequities identified as a result of the required needs assessment, as applicable.

According to the 2022-2023 SPSA, LCFF funds were allocated to provide intervention for all students. However, our data shows that we need to provide more resources for our EL, Hispanic, Filipino and Vietnamese student populations. Another inequity in the 2022-2023 SPSA involved funds allocated to extra tutoring and intervention for students. Our funds were not fully utilized because staff was not available to provide the intended services.

School and Student Performance Data

Student Enrollment Enrollment By Student Group

Student Enrollment by Subgroup						
Student Group	Percent of Enrollment			Number of Students		
	20-21	21-22	22-23	20-21	21-22	22-23
American Indian	%	0.18%	0.17%		1	1
African American	0.4%	0.54%	0.68%	2	3	4
Asian	4.2%	5.62%	5.48%	24	31	32
Filipino	6.4%	5.80%	5.14%	37	32	30
Hispanic/Latino	81.9%	80.07%	81.68%	474	442	477
Pacific Islander	0.2%	0.36%	0.34%	1	2	2
White	5.2%	5.07%	3.94%	30	28	23
Multiple/No Response	1.9%	2.36%	2.57%	11	13	15
Total Enrollment				579	552	584

Student Enrollment Enrollment By Grade Level

Student Enrollment by Grade Level			
Grade	Number of Students		
	20-21	21-22	22-23
Kindergarten	98	98	127
Grade 1	101	75	94
Grade 2	96	98	73
Grade 3	97	89	98
Grade 4	97	97	95
Grade 5	90	95	97
Total Enrollment	579	552	584

Conclusions based on this data:

Our current enrollment shows we have 32 more students in 2022-2023 school year then we had in 2021-2022. Based on 2022-2023 enrollment data and student group populations, our Hispanic/Latino population has grown. The largest student group at Brekke is Hispanic/Latino followed by Filipino. We look at the data from all student groups to make sure the needs of each group are being met with equitable practices.

School and Student Performance Data

Student Enrollment English Learner (EL) Enrollment

English Learner (EL) Enrollment						
Student Group	Number of Students			Percent of Students		
	20-21	21-22	22-23	20-21	21-22	22-23
English Learners	167	182	173	28.80%	33.0%	29.6%
Fluent English Proficient (FEP)	63	40	36	10.90%	7.2%	6.2%
Reclassified Fluent English Proficient (RFEP)	15			9.0%		

Conclusions based on this data:

Brekke reclassified 28 English Learners in 2022-2023. Based on this data, we need to continue to provide daily designated and integrated ELD instruction for our students. All students in TK-5th grade will continue to receive 30 minutes of Designated ELD daily. English Learners will be clustered at each grade level to enable ELD teachers to provide targeted, standards-based language proficiency instruction using district-adopted curriculum materials. ELD teachers will integrate appropriate scaffolding techniques to bridge students' current oral and written language levels in reading, writing, listening and speaking to levels more representative of language proficiency and fluency. Oral and written language supports and scaffolds will also be integrated throughout all core subject areas by classroom teachers in order to enable English Learners to access grade level subject matter.

School and Student Performance Data

Star Early Literacy

Norman R. Brekke Elementary School											
		Less than Proficient				Proficient				Star Early Literacy Average	
		Level 1		Level 2		Level 3		Level 4			
Grade	Total # Tested	Total	%	Total	%	Total	%	Total	%	Level	Scale Score
Grade K	73	2	3%	4	5%	3	4%	64	88%	4	844
Grade 1	95	10	11%	9	9%	7	7%	69	73%	4	866
Grade 2	5	5	100%	0	0%	0	0%	0	0%	1	765

Conclusions based on this data:

Our initial data review shows that Brekke has a large percentage of Grade 2 students scoring in Level 1. However, this data is based on a small sample size of nine students. The majority of our second grade students take the Star reading test instead of the Early Literacy assessment. Notably, 93% of our kindergarten and 79% of our first grade scoring in the proficient range.

School and Student Performance Data

Star Reading

Norman R. Brekke Elementary School											
		Less than Proficient				Proficient				Star Reading Average	
		Level 1		Level 2		Level 3		Level 4			
Grade	Total # Tested	Total	%	Total	%	Total	%	Total	%	Level	Scale Score
Grade 2	72	9	13%	15	21%	26	36%	22	31%	3	953
Grade 3	89	23	26%	21	24%	23	26%	22	25%	2	981
Grade 4	92	28	30%	19	21%	20	22%	25	27%	2	1011
Grade 5	92	34	37%	14	15%	39	42%	5	5%	2	1023

Conclusions based on this data:

In grades 3 and 4 we had over 25% score in Level 1. From this data, we can conclude that we need to put resources into providing opportunities for reading growth for our current 4th and 5th grade students performing at the lowest level.

School and Student Performance Data

Star Math

Grade 5	92	38	41%	22	24%	20	22%	12	13%	2	1044

Conclusions based on this data:

Data for Brekke students show an increase in proficiency for students in all grade levels. Fifth grade has the smallest number of proficient students and reveals to need to provide meaningful resources and additional math instruction for fifth graders.

Conclusions based on this data:

In Math, all grade levels increased their percentage of students who met or exceeded benchmark when compared to the 2021-2022 school year. We focused on math instruction and consistently pulled small groups to help improve universal access by targeting specific skills. The same focus and targeting of skills will continue for 2023-2024.

Conclusions based on this data:

In 2022-2023, 16% of our ELD population qualified to be reclassified. In grades 4 and 5, the reclassification rate was 33%. The data indicates that our students did well in the writing and speaking domains and a larger percentage of our students need additional instruction and intervention in the reading domain. Based on this data, we need to continue to provide daily designated and integrated ELD instruction to our students. All ELD students in TK-5th grade will receive 30 minutes of Designated ELD daily. English Learners will be clustered at each grade level to enable ELD teachers to provide targeted, standards-based language proficiency instruction using district-adopted curriculum materials. ELD teachers will integrate appropriate scaffolding techniques to bridge students' current oral and written language levels in reading, writing, listening and speaking to levels more representative of language proficiency and fluency. Oral and written language supports and scaffolds will also be integrated throughout all core subject areas by classroom teachers in order to enable English Learners grade-level access to subject matter.

School and Student Performance Data

Student Population

For the past two years, many state and federal accountability requirements were waived or adjusted due to the impact of the COVID-19 pandemic on LEAs, schools, and students. Beginning with the 2021-22 school year, the requirements to hold schools and districts accountable for student outcomes has returned with the release of the 2022 California School Dashboard (Dashboard). The Every Student Succeeds Act is requiring all states to determine schools eligible for support. Similarly, under state law, Assembly Bill (AB) 130, which was signed into law in 2021, mandates the return of the Dashboard using only current year performance data to determine LEAs for support. Therefore, to meet this state requirement, only the 2021-22 school year data will be reported on the 2022 Dashboard for state indicators. (Data for Change [or the difference from prior year] and performance colors will not be reported.)

This section provides information about the school's student population.

2021-22 Student Population			
Total Enrollment	Socioeconomically Disadvantaged	English Learners	Foster Youth
552	74.3	33.0	1.8
Total Number of Students enrolled in Norman R. Brekke Elementary School.	Students who are eligible for free or reduced priced meals; or have parents/guardians who did not receive a high school diploma.	Students who are learning to communicate effectively in English, typically requiring instruction in both the English Language and in their academic courses.	Students whose well being is the responsibility of a court.

2021-22 Enrollment for All Students/Student Group		
Student Group	Total	Percentage
English Learners	182	33.0
Foster Youth	10	1.8
Homeless	22	4.0
Socioeconomically Disadvantaged	410	74.3
Students with Disabilities	99	17.9

Enrollment by Race/Ethnicity		
Student Group	Total	Percentage
African American	3	0.5
American Indian	1	0.2
Asian	31	5.6
Filipino	32	5.8
Hispanic	442	80.1
Two or More Races	13	2.4
Pacific Islander	2	0.4
White	28	5.1

Conclusions based on this data:

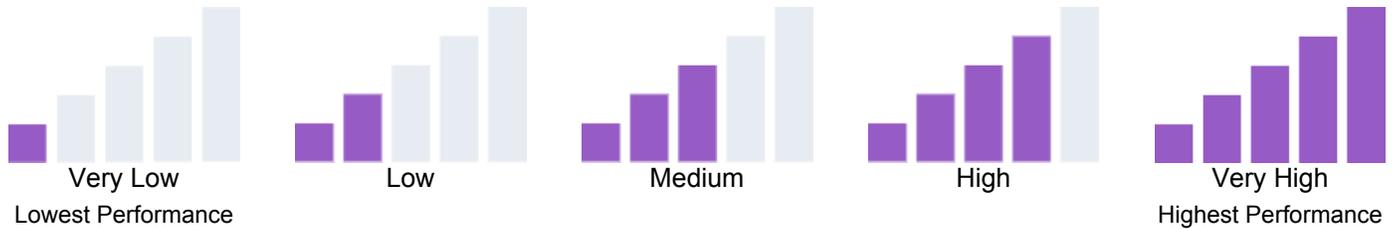

Based on this data, we can conclude that Brekke has a large percentage of students who are socioeconomically disadvantaged. Brekke will continue to provide equitable opportunities for this population to ensure their academic and socio-emotional needs are met. We must ensure our families continue to have access to a variety of wrap-around services.

School and Student Performance Data

Overall Performance

Due to the COVID-19 pandemic, state law allows the 2022 Dashboard to only display the most current year of data (also known as Status). For this year only, performance levels will be reported using one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low) for state measures. Please note that the Status levels associated with the Chronic Absenteeism and Suspension Rate Indicators are reversed (ranging from Very Low, Low, Medium, High, and Very High). Information regarding this year's Dashboard data is available within the [Dashboard Communications Toolkit](#).

Because performance on state measures is based on current year (i.e., 2021-22) results only for the 2022 Dashboard, the color dials have been replaced with one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low).

2022 Fall Dashboard Overall Performance for All Students

Conclusions based on this data:

Our CA Dashboard shows that Brekke had a significant academic increase in both English language arts and mathematics in 2022-2023. We will continue to focus on improving student achievement in ELA and math by maintaining our goal of delivering "Best First Instruction." We will look at data on a regular basis to drive instruction and dictate our targeted instructional needs. As we start our 2023-2024 school year, we will continue to monitor student daily attendance, deepen the implementation of our PBIS approach to better promote positive interactions and

behaviors, provide incentives for both attendance and behavior, and support corrective measures to reduce the need for disciplinary action. Our suspension rate for 2022-2023 was under 0.5% and our goal is to continue staying under that mark.

School and Student Performance Data

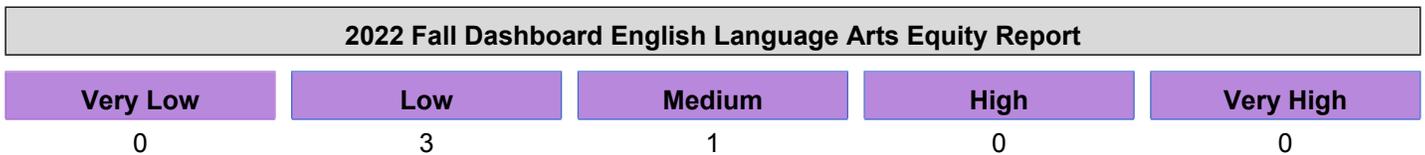

Academic Performance English Language Arts

Due to the COVID-19 pandemic, state law allows the 2022 Dashboard to only display the most current year of data (also known as Status). For this year only, performance levels will be reported using one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low) for state measures. Please note that the Status levels associated with the Chronic Absenteeism and Suspension Rate Indicators are reversed (ranging from Very Low, Low, Medium, High, and Very High). Information regarding this year's Dashboard data is available within the [Dashboard Communications Toolkit](#).

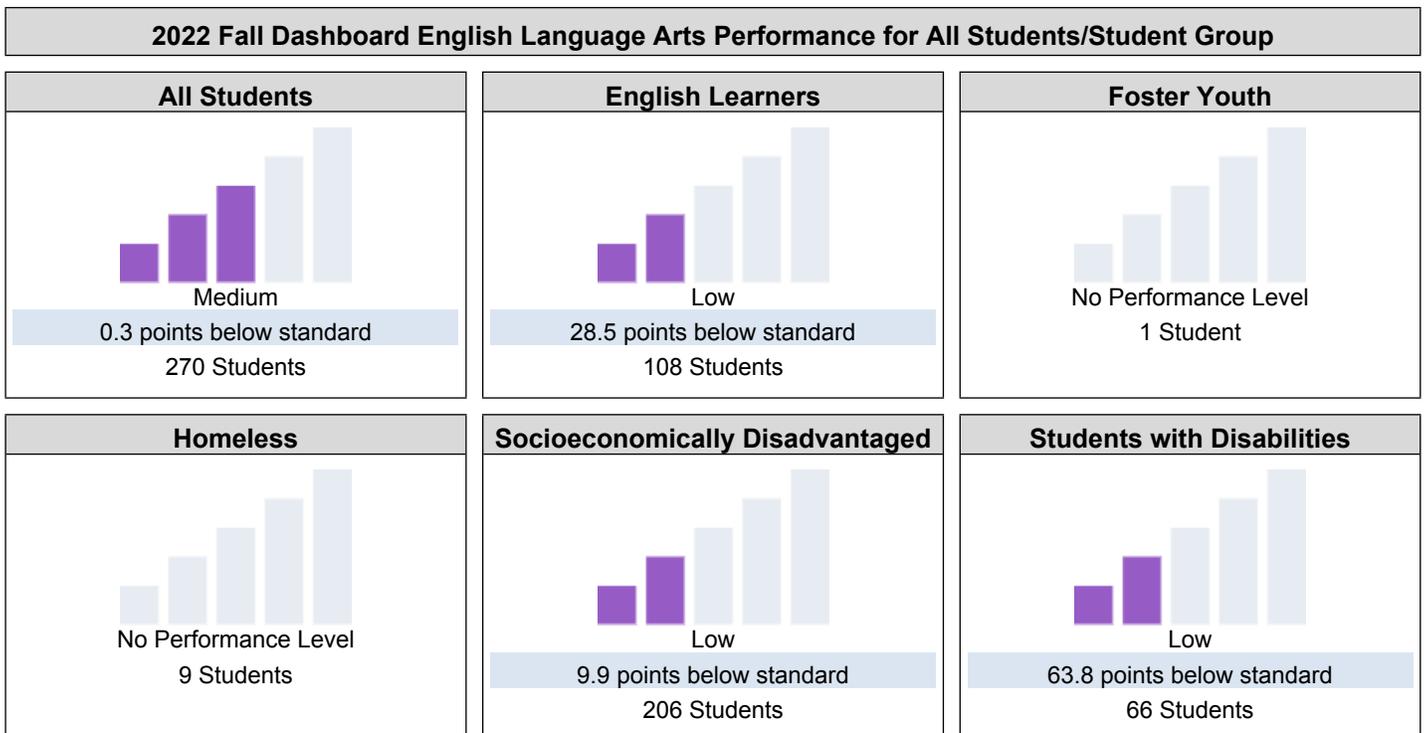

Because performance on state measures is based on current year (i.e., 2021-22) results only for the 2022 Dashboard, the color dials have been replaced with one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low).

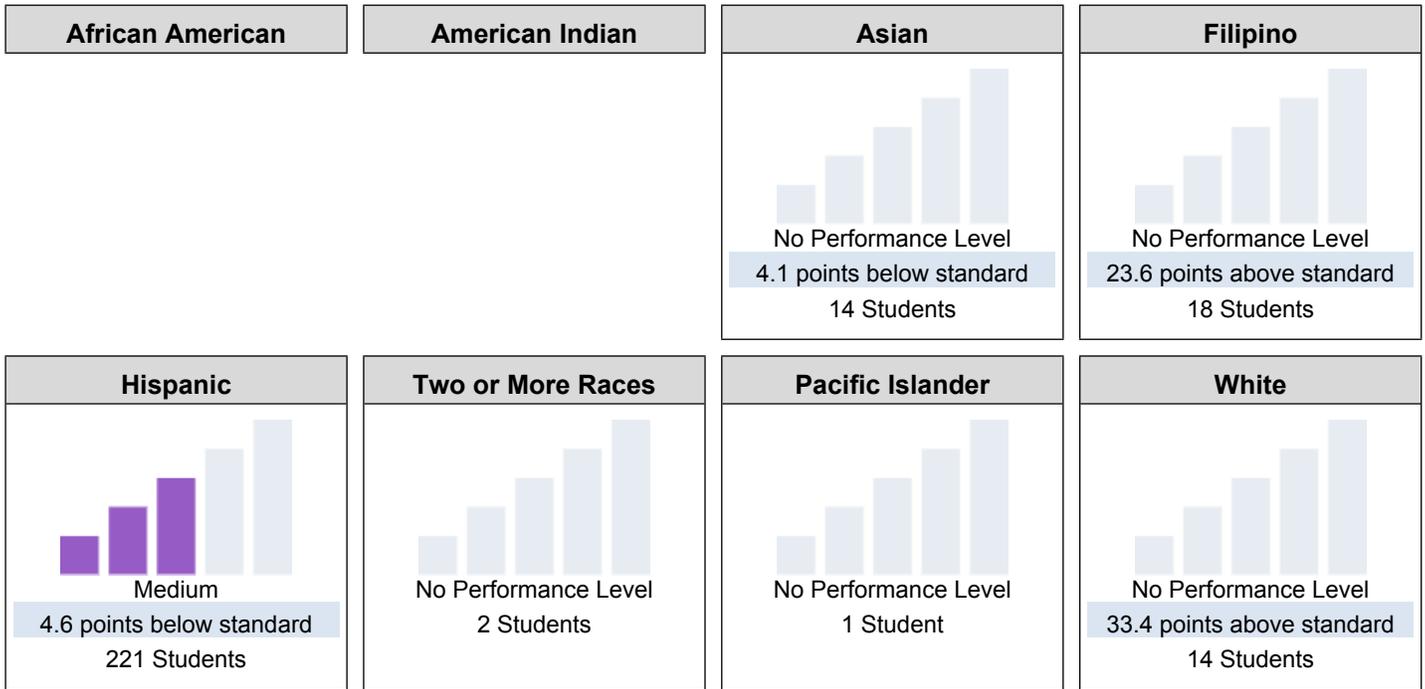

This section provides number of student groups in each level.

This section provides a view of how well students are meeting grade-level standards on the English Language Arts assessment. This measure is based on student performance on either the Smarter Balanced Summative Assessment or the California Alternate Assessment, which is taken annually by students in grades 3–8 and grade 11.

2022 Fall Dashboard English Language Arts Performance by Race/Ethnicity

This section provides additional information on distance from standard for current English learners, prior or Reclassified English learners, and English Only students in English Language Arts.

2022 Fall Dashboard English Language Arts Data Comparisons for English Learners

Current English Learner	Reclassified English Learners	English Only
41.3 points below standard 73 Students	1.8 points below standard 35 Students	16.3 points above standard 154 Students

Conclusions based on this data:

Based on our projection of moving from yellow to green on the California Dashboard for ELA, we will continue with our effective strategies and add more structures, interventions, and enrichment to promote ongoing growth in academic achievement. In our weekly grade level teams we will continue to focus on four essential question: What do we want students to know? How will we know they learned it? How will we support students that have not learned it? and how will we support students that have learned it? We will allow data to drive the instructions and dictate the interventions we provide.

School and Student Performance Data

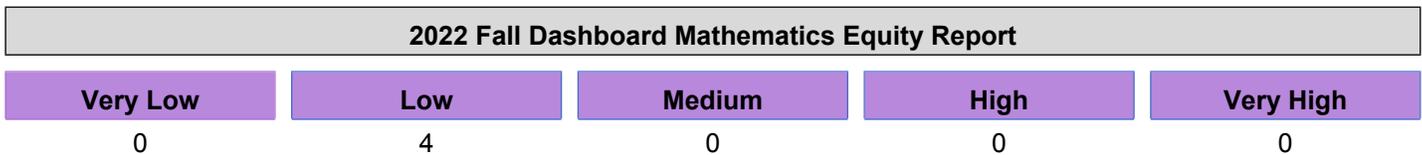

Academic Performance Mathematics

Due to the COVID-19 pandemic, state law allows the 2022 Dashboard to only display the most current year of data (also known as Status). For this year only, performance levels will be reported using one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low) for state measures. Please note that the Status levels associated with the Chronic Absenteeism and Suspension Rate Indicators are reversed (ranging from Very Low, Low, Medium, High, and Very High). Information regarding this year's Dashboard data is available within the [Dashboard Communications Toolkit](#).

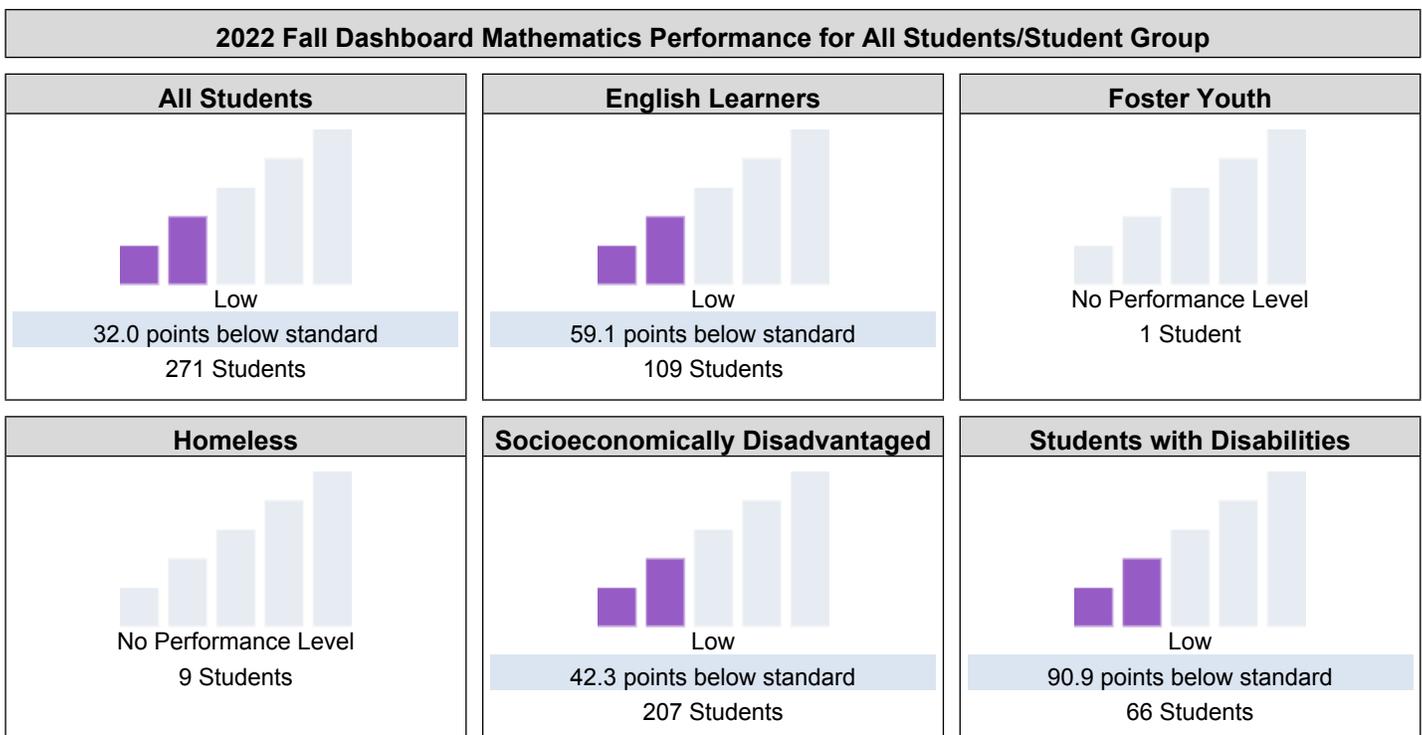

Because performance on state measures is based on current year (i.e., 2021-22) results only for the 2022 Dashboard, the color dials have been replaced with one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low).

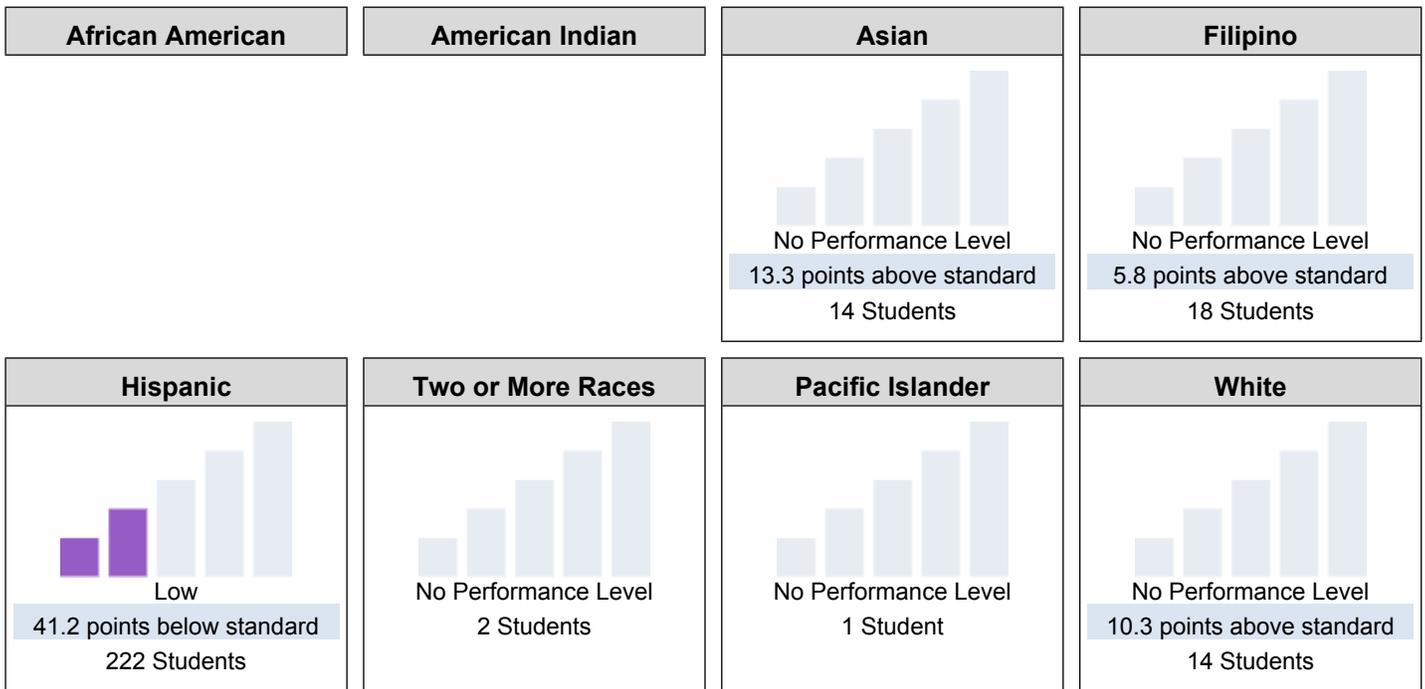

This section provides number of student groups in each level.

This section provides a view of how well students are meeting grade-level standards on the Mathematics assessment. This measure is based on student performance either on the Smarter Balanced Summative Assessment or the California Alternate Assessment, which is taken annually by students in grades 3–8 and grade 11.

2022 Fall Dashboard Mathematics Performance by Race/Ethnicity

This section provides additional information on distance from standard for current English learners, prior or Reclassified English learners, and English Only students in mathematics

2022 Fall Dashboard Mathematics Data Comparisons for English Learners

Current English Learner	Reclassified English Learners	English Only
<p>61.4 points below standard 74 Students</p>	<p>54.2 points below standard 35 Students</p>	<p>16.9 points below standard 154 Students</p>

Conclusions based on this data:

Based on our projection of moving from orange to yellow on our California Dashboard for math, we will continue with our planned activities. We have dedicated additional daily math instruction for all students. Additionally we will add activities that build on our collective strengths to promote higher levels of academic achievement. In our weekly grade level teams, we will continue to focus on the four essential questions: What do we want students to know? How will we know they learned it? How will we support students that have not learned it? and how will we support students that have learned it? We will allow data to drive the instructions and dictate the interventions we provide. We will use our ISP teacher to help pull small groups of students and target needed instruction.

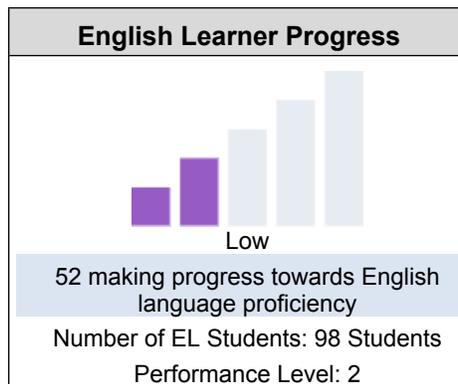

School and Student Performance Data

Academic Performance English Learner Progress

Due to the COVID-19 pandemic, state law allows the 2022 Dashboard to only display the most current year of data (also known as Status). For this year only, performance levels will be reported using one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low) for state measures. Please note that the Status levels associated with the Chronic Absenteeism and Suspension Rate Indicators are reversed (ranging from Very Low, Low, Medium, High, and Very High). Information regarding this year's Dashboard data is available within the [Dashboard Communications Toolkit](#).

This section provides information on the percentage of current EL students making progress towards English language proficiency or maintaining the highest level.

2022 Fall Dashboard English Learner Progress Indicator

This section provides a view of the percentage of current EL students who progressed at least one ELPI level, maintained ELPI level 4, maintained lower ELPI levels (i.e, levels 1, 2L, 2H, 3L, or 3H), or decreased at least one ELPI Level.

2022 Fall Dashboard Student English Language Acquisition Results

Decreased One ELPI Level	Maintained ELPI Level 1, 2L, 2H, 3L, or 3H	Maintained ELPI Level 4	Progressed At Least One ELPI Level
25.5%	22.4%	0.0%	52.0%

Conclusions based on this data:

There is a discrepancy between the performance level of English Learners as compared to English proficient students. Therefore, teachers will continue to provide both Integrated and Designated ELD to help increase English Learner proficiency. All English Learners will receive 30 minutes of designated English language development. English Learners will be clustered at each grade level to enable ELD teachers to provide targeted, standards-based language proficiency instruction using district-adopted curriculum materials. ELD teachers will integrate appropriate scaffolding techniques to bridge and grow students' current oral and written language levels in reading, writing, listening and speaking. Oral and written language supports and scaffolds will also be integrated throughout all core subject areas by classroom teachers in help English Learners better access grade level subject matter.

School and Student Performance Data

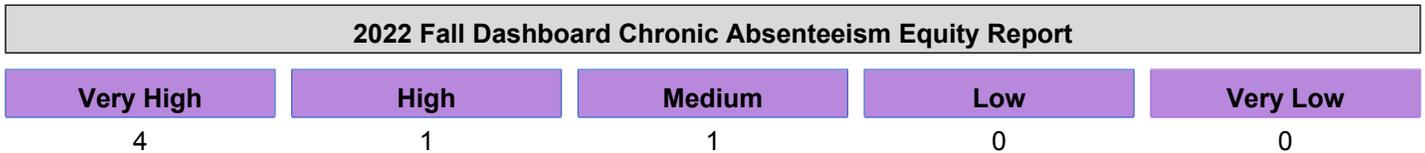

Academic Engagement Chronic Absenteeism

Due to the COVID-19 pandemic, state law allows the 2022 Dashboard to only display the most current year of data (also known as Status). For this year only, performance levels will be reported using one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low) for state measures. Please note that the Status levels associated with the Chronic Absenteeism and Suspension Rate Indicators are reversed (ranging from Very Low, Low, Medium, High, and Very High). Information regarding this year's Dashboard data is available within the [Dashboard Communications Toolkit](#).

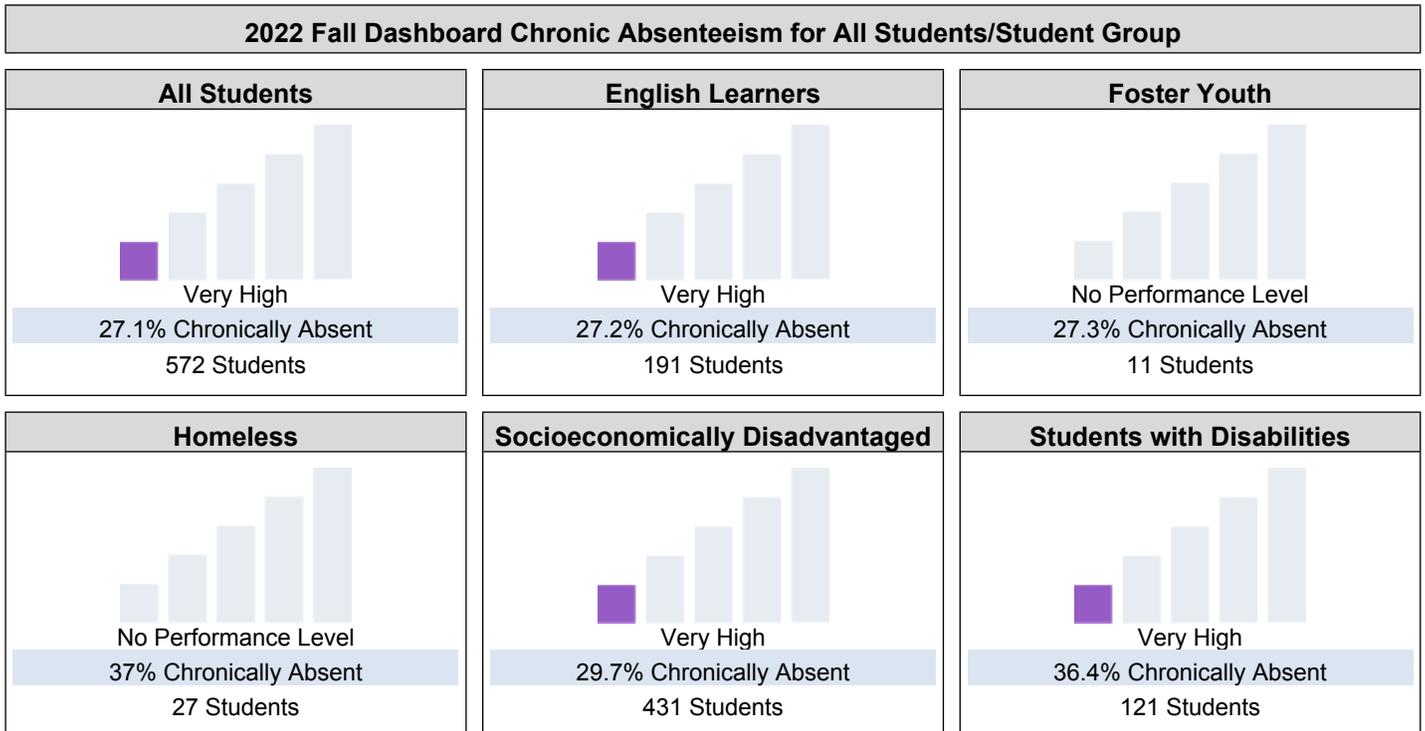

Because performance on state measures is based on current year (i.e., 2021-22) results only for the 2022 Dashboard, the color dials have been replaced with one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low).

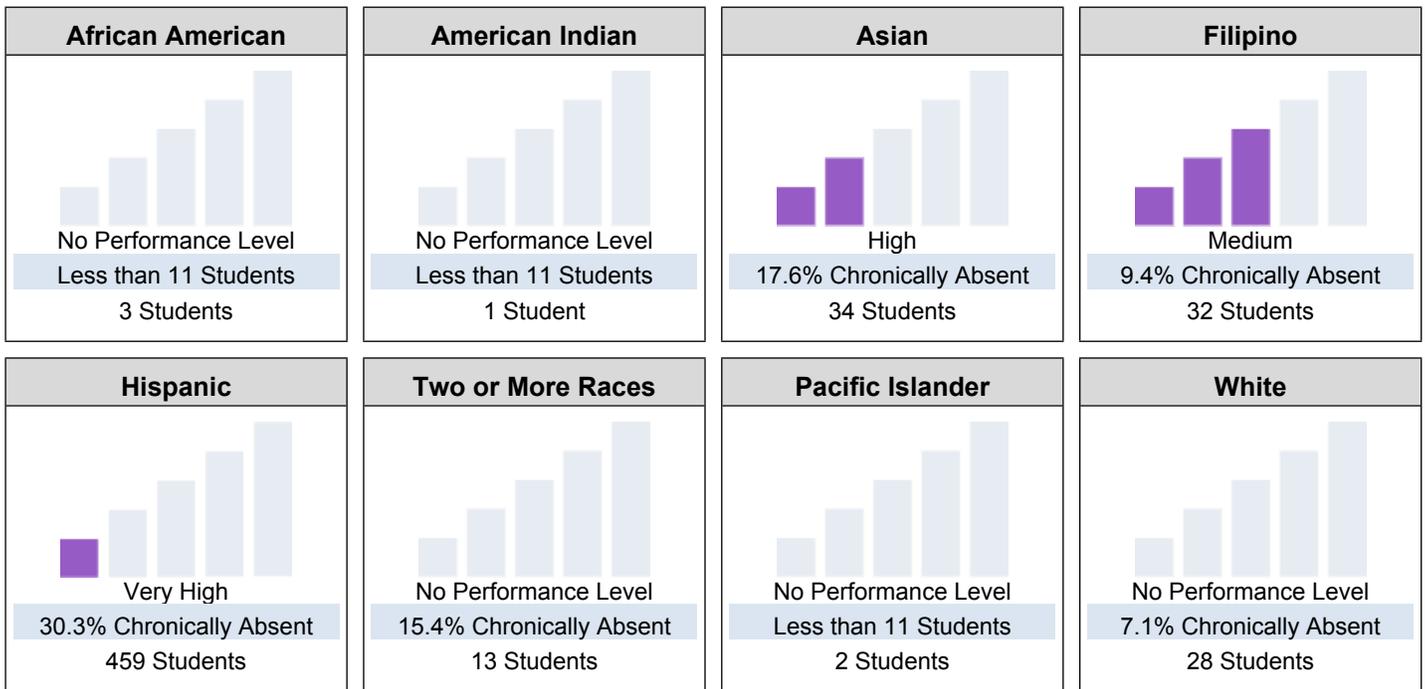

This section provides number of student groups in each level.

This section provides information about the percentage of students in kindergarten through grade 8 who are absent 10 percent or more of the instructional days they were enrolled.

2022 Fall Dashboard Chronic Absenteeism by Race/Ethnicity

Conclusions based on this data:

Chronic Absenteeism is a high level concern for all students at Brekke and disproportionately impacts students and families identified as socioeconomically disadvantaged and with disabilities. We will frequently monitor and put programs in place to address attendance concerns and challenges. School staff, including the outreach coordinator, school counselor, attendance tech, and principal, will meet regularly to monitor student attendance, identify students at-risk of being identified as chronically absent, and develop and implement appropriate and meaningful supports, services, and incentives to increase students' positive attendance. School staff will provide support to families and will recommend and/or refer students or parents to Ventura County-based social services, counseling, or other community-based services or programs with the intention of offering families support to address barriers which negatively impact student attendance.

School and Student Performance Data

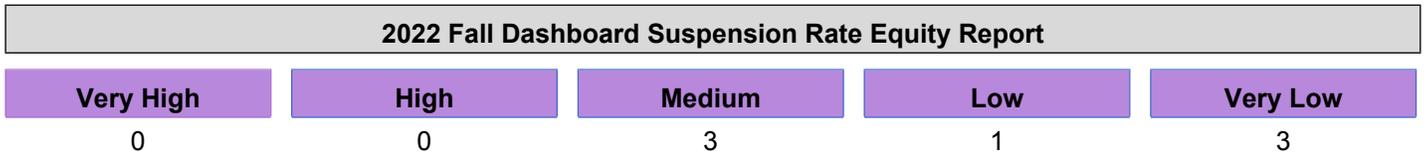

Conditions & Climate Suspension Rate

Due to the COVID-19 pandemic, state law allows the 2022 Dashboard to only display the most current year of data (also known as Status). For this year only, performance levels will be reported using one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low) for state measures. Please note that the Status levels associated with the Chronic Absenteeism and Suspension Rate Indicators are reversed (ranging from Very Low, Low, Medium, High, and Very High). Information regarding this year's Dashboard data is available within the [Dashboard Communications Toolkit](#).

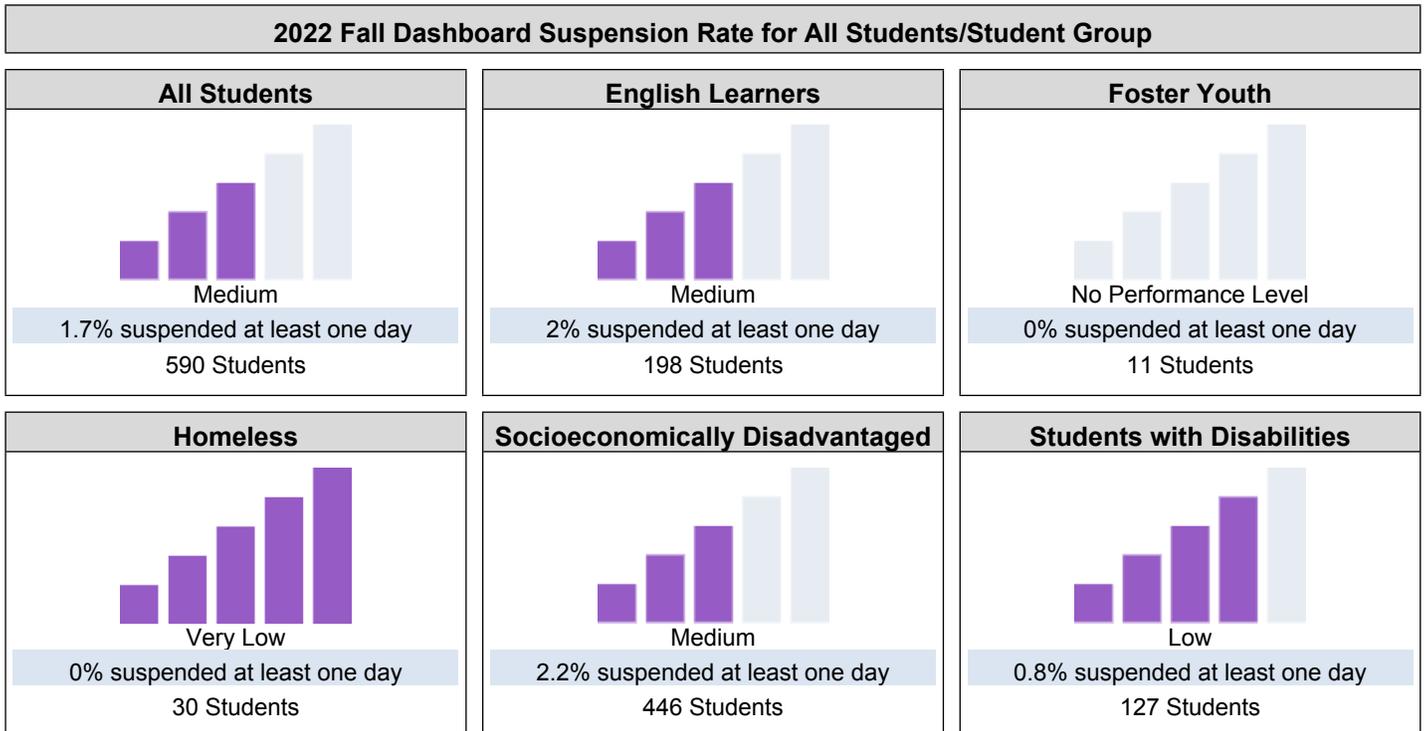

Because performance on state measures is based on current year (i.e., 2021-22) results only for the 2022 Dashboard, the color dials have been replaced with one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low).

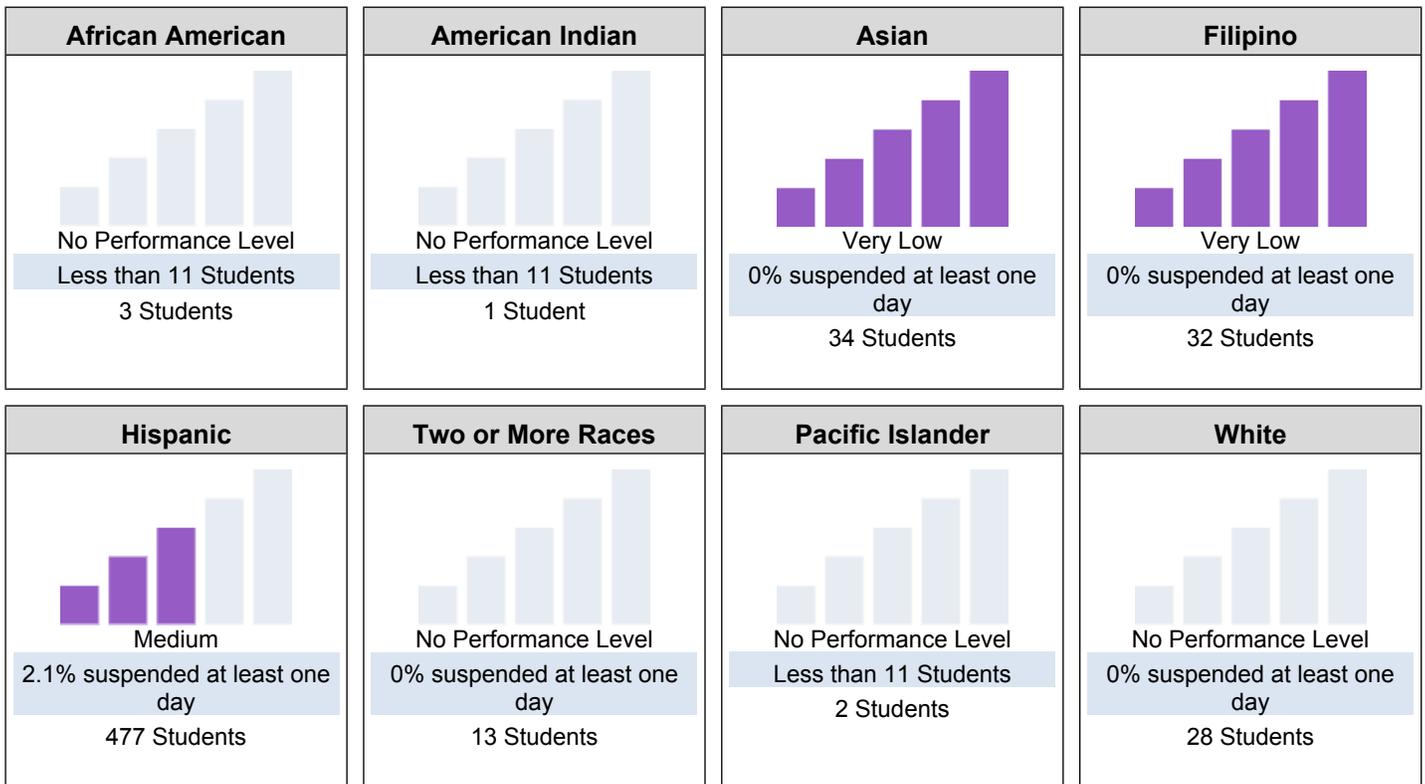

This section provides number of student groups in each level.

This section provides information about the percentage of students in kindergarten through grade 12 who have been suspended at least once in a given school year. Students who are suspended multiple times are only counted once.

2022 Fall Dashboard Suspension Rate by Race/Ethnicity

Conclusions based on this data:

Brekke's suspension rate from 2022-2023 was less than 2% of the total population. Our work in our PBIS implementation and the supports of the counselor and outreach specialist all contributed to this reduction in suspensions. We will continue to move forward with these positive strategies with the goal of maintaining a suspension rate lower than 0.5%.

Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

Goal Subject

Language Arts and Math

LEA/LCAP Goal

All students will reach high academic standards in reading and mathematics.

Goal 1

All Students will reach high standards, at a minimum, attaining proficiency or better in reading and mathematics.

Identified Need

To increase the capacity of teachers to deliver effective data-driven instruction
 To provide equipment, materials and technology resources that support high quality instruction
 To provide opportunities for teachers to collaborate to improve teaching and learning

Annual Measurable Outcomes

Metric/Indicator	Baseline/Actual Outcome	Expected Outcome
CAASPP ELA	Based on the preliminary 2023 CAASPP Data: Overall of the students Met or Exceed the state standards In 3rd grade, 59% of students Met or Exceed the state standards In 4th grade, 55% of students Met or Exceed the state standards In 5th grade, 45% of students Met or Exceed the state standards	Students will demonstrate growth by moving across the bands indicated on the CAASPP ELA. Brekke will Increase the percentage of students who Meet or Exceed state standards by: 11% in 3rd grade 10% in 4th grade 15% in 5th grade The students who scored in the Met or Exceeded range from the prior year will continue to stay in those levels.
CAASPP Math	Based on the preliminary 2023 CAASPP Data: Overall % of the students Met or Exceed the state standards In 3rd grade, 57% of students Met or Exceed the state standards	Students will demonstrate growth by moving across the bands indicated on the CAASPP Math. Brekke will Increase percentage of students who Meet or Exceed state standards by: 13% in 3rd grade 12% in 4th grade

Metric/Indicator	Baseline/Actual Outcome	Expected Outcome
	<p>In 4th grade, 48% of students Met or Exceed the state standards</p> <p>In 5th grade, 36% of students Met or Exceed the state standards</p>	<p>14% in 5th grade</p> <p>The students who scored in the Met or Exceeded range from the prior year will continue to stay in those levels.</p>
<p>STAR 360 Early Literacy</p>	<p>According to the 2023 Spring STAR Early Literacy Screening Report:</p> <p>91% of Kindergarten students scored at or above benchmark 3% of Kindergarten students scored on watch (Level 3) 4% of Kindergarten students scored in intervention (Level 2) and 2% of Kindergarten students scored in urgent intervention (Level 1).</p> <p>Student populations: McKinney Vento: 87% scored at or above benchmark English Learners: 89% scored at or above benchmark Hispanic: 91% scored at or above benchmark Asian: 90% scored at or above benchmark SpEd: 80% scored at or above benchmark</p> <p>68% of 1st grade students scored at or above benchmark 12% of 1st Grade students scored on watch (Level 3) 9% of 1st Grade students scored in intervention (Level 2) and 11% of 1st Grade students scored in urgent intervention (Level 1).</p> <p>Student populations: McKinney Vento: 70% scored at or above benchmark</p>	<p>Students will demonstrate growth by moving across the bands indicated on the STAR 360 Early Literacy.</p> <p>The percent of Kindergarten students scoring at or above benchmark will increase by 4%</p> <p>All students will show a minimum SGP of 50.</p> <p>Student populations: McKinney Vento: Increase at or above students by 8% English Learners: Increase at or above students by 8% Hispanic: Increase at or above students by 4% Asian: Increase at or above students by 5% SpEd: Increase at or above students by 15%</p> <p>The percent of First grade students scoring at or above benchmark will increase by 12%. 6% of students in Level 1 will move to level 2 or higher.</p> <p>Student populations: McKinney Vento: Increase at or above students by 10% English Learners: Increase at or above students by 22% Hispanic: Increase at or above students by 4% Asian: Increase at or above students by 16% SpEd: Increase at or above students by 20%</p>

Metric/Indicator	Baseline/Actual Outcome	Expected Outcome
	<p>English Learners: 58% scored at or above benchmark Hispanic: 64% scored at or above benchmark Asian: 93% scored at or above benchmark SpEd: 60%</p>	<p>All students will show a minimum SGP of 50.</p>

<p>Reclassification Third through Fifth grade</p>	<p>According to ELPAC taken in the spring of 2022, Brekke reclassified 27 students which is 18% of our total EL population.</p>	<p>The percent of English Learner students who are reclassified will be at least 25%.</p>

Complete a copy of the Strategy/Activity table for each of the school's strategies/activities. Duplicate the table, including Proposed Expenditures, as needed.

Strategy/Activity 1

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All Students

Strategy/Activity

Provide grade levels with the necessary support to deliver quality Tier 1 instruction. Teachers will be given time to plan using the outcomes outlined in our Brekke Purposeful Planning Document. In addition, school administrators will set clear expectations, perform learning walks (classroom visits), and provide feedback to support instruction.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

Source(s)

Professional Development (no cost)

Strategy/Activity 2

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All Students

Strategy/Activity

Provide opportunities for collaboration focused on discussing data, reflecting on teacher practices, and ensuring students are learning. The leadership team will meet to discuss, plan and develop support for teachers and students with implementation of the adopted ELA, ELD, and math curricula. Provide time for grade level and vertical teams to plan first instruction, analyze data, monitor student progress towards mastering ELA, math, and ELD standards, discuss common assessments, and identify intervention and enrichment opportunities during scheduled grade level meetings.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

Source(s)

1000.00

LCFF

Leadership Team Meetings

Strategy/Activity 3

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All Students

Strategy/Activity

Teachers will be provided with summer professional development opportunities offered by the district with an emphasis on a Balanced Literacy Approach and strategic mathematical practices.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

Source(s)

District Funded
1000-1999: Certificated Personnel Salaries
Teacher extra time

Strategy/Activity 4

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All Students

Strategy/Activity

Provide opportunities for staff to attend professional development training that supports first instruction in ELA, Math, ELD, Writing, Social Studies, and Science curricula and best practices for technology (IE: CABE, NGSS, District training, VCOE, Lexia, ST Math, Zearn)

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

Source(s)

1600.00

Title I
5000-5999: Services And Other Operating
Expenditures
cost for Professional development

Strategy/Activity 5

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All Students

Strategy/Activity

Enhance student learning through academic enrichment and field trips.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

6000.00

Source(s)

LCFF
5000-5999: Services And Other Operating Expenditures Fees

Strategy/Activity 6**Students to be Served by this Strategy/Activity**

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All student populations with a focus on English learners, McKinney Vento, low socio-economic and students receiving special education services.

Strategy/Activity

Conduct student-monitoring conferences with teachers individually and/or in grade levels to address student-learning needs, identify students who need additional supports to meet grade level goals, and create SMART goals designed to target, promote and measure growth.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

4000.00

Source(s)

LCFF - Intervention
1000-1999: Certificated Personnel Salaries Substitutes for monitoring meetings

Strategy/Activity 7**Students to be Served by this Strategy/Activity**

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All students with priority given to our lowest performing students.

Strategy/Activity

Literacy Intervention Teacher will provide targeted instruction using LLI curriculum.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

Source(s)

District Funded

Strategy/Activity 8

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All Students

Strategy/Activity

Provide appropriate operating costs to ensure full access to equipment, materials, supplies and services to support our core instructional programs and equipment repairs. Provide repairs or replace instructional and office technology equipment.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

Annual Review

SPSA Year Reviewed: 2022-23

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required and this section may be deleted.

ANALYSIS

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

The effectiveness of strategies/activities based on measurable outcomes showed they were mostly successful. All grade levels increased in math and ELA achievement based on STAR 360 reports and preliminary CAASPP reports. Most grade levels met their goal and others made progress towards goals in both STAR 360 Reading and Math assessments. We targeted math instruction during the 2022-2023 school year and noticed a significant increase in student scores based on STAR results. In analyzing the performance assessments of our English Learner subgroup, we identified a discrepancy in achievement between English Learners and English Proficient students. This could be attributed to insufficient use of differentiation during instruction as well as insufficient implementation of EL instructional strategies. We also recognize that our Vietnamese population has increased and is in need of additional supports.

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

Money was allocated to provide after school tutoring services but not all teachers had the ability to spend additional time providing tutoring services.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

As a site, we are focusing on Tier 1 instruction and standards-based outcomes. We will continue to focus on targeting small groups in the classroom. This is evidenced by providing a large amount of collaboration time and the hiring of an Intervention Service Provider to help with small group intervention. We are not allocating as much money for after school tutoring since the Extended Learning Opportunity Program funded the majority of extra staff hours. We will purchase the app SeeSaw for grade levels that utilized the program to capacity.

Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

Goal Subject

Social Emotional Support and School Climate

LEA/LCAP Goal

The social-emotional, health and well-being needs of students will be met in a learning environment that is safe, drug-free and conducive to learning.

Goal 2

The social-emotional, health and well-being needs of students will be met in a learning environment that is safe, drug-free and conducive to learning.

Identified Need

To increase positive behavior
 To provide wrap-around services to ensure students come to school ready to learn

Annual Measurable Outcomes

Metric/Indicator	Baseline/Actual Outcome	Expected Outcome
Attendance Rate	Average school wide yearly attendance was 91.6% for the 2022-2023 school year.	Achieve an annual average attendance rate of 95% percent or higher in each grade level. Our overall goal is for our school-wide attendance to increase by 3.0 %.
Panorama Survey	<p>Brekke students in 3rd-5th grade took the Panorama Survey three times during the 2022-2023 school year. The surveys were administered in September, February and May. The survey provided us with baseline data in the areas of student SEL competencies and learning supports/environments. The favorable ratings by SEL topic were:</p> <p>3rd-5th grade (student perception data) Student engagement- 72% Good (80-99 percentile nationally)</p>	<p>3rd-5th grade: Show an increase of 5% in Growth Mindset, Self-Management, Teacher Student Relationships, and Sense of Belonging. Show an increase of 9% Emotion Regulation.</p> <p>K-2nd Grade: Increase all areas by 5%</p>

Metric/Indicator	Baseline/Actual Outcome	Expected Outcome
	<p>Growth Mindset- 67% Good (80-99 percentile nationally) Self-Management- 73% Good (60-79 percentile nationally) Social Awareness- 72% Good (60-79 percentile nationally) Emotion Regulation- 56% Good (80-99 percentile nationally) Teacher Student Relationships- 82% Excellent (80-99 percentile nationally) Sense of Belonging- 79% Good (80-99 percentile nationally)</p> <p>K-2nd Grade: (teacher perception data) Emotion Regulation- 79% Good Social Awareness- 71% Good Self-management- 50% fair</p> <p>Student groups: Overall- 78% good overall SEL perception data Mckinney Vento- 83% excellent overall SEL perception data English Learners- 80% excellent overall SEL perception data Hispanic- 79% good overall SEL perception data Fillipino:- 85% excellent overall SEL perception data Vietnamese-67% good overall SEL perception data SpEd- 65% good overall SEL perception data</p>	
Office Referrals	Based on the data from the 2022-2023 school year, there were 47 office referrals. The prior year we had 59 office referrals .	Decrease the total number of office referrals by 10%.

Complete a copy of the Strategy/Activity table for each of the school's strategies/activities. Duplicate the table, including Proposed Expenditures, as needed.

Strategy/Activity 1

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All Students

Strategy/Activity

Analyze student PBIS, teacher referrals and Panorama data to identify areas of need and identify individual students that are in need of social emotional support.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Annual Review

SPSA Year Reviewed: 2022-23

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required and this section may be deleted.

ANALYSIS

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

Brekke school received the platinum level recognition for the second time from the California Coalition of PBIS for our efforts in providing Positive Behavior Interventions and Supports to our students. This indicates that the implementation of targeted activities was successful in creating a positive school climate. Brekke also received the Community Cares Award for outstanding support and care during the 2019 COVID pandemic. In 2022 we received the Innovative Practice award given by the California Department of Education for the ways we kept our students and families connected to school. Brekke students in 3rd-5th grade took the Panorama survey three times in the 2022-2023 school year. This provided data for student Social Emotional Learning (SEL) competencies and for learning supports/environment. Our overall rating was 85% favorable, which is in the excellent range. This indicates the implementation of activities focused on connecting students to school and building SEL skills had a positive impact on our students.

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

We used some of the funds designated for the Wellness Center to purchase supplies for Calming Kits for each class.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

This year we will provide Calming Kits to each class to help students regulate their emotions to increase their focus on learning.

Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

Goal Subject

Parent and Family Engagement

LEA/LCAP Goal

Families will be welcomed and afforded meaningful and productive opportunities to participate in their child's academic and social-emotional growth.

Goal 3

Families will be welcomed and afforded meaningful and productive opportunities to participate in their child's academic and social-emotional growth.

Identified Need

To increase communication through websites and social media so parents and community are informed about district and school instructional programs and activities
 To facilitate parent involvement in the educational and social-emotional well-being of their children

Annual Measurable Outcomes

Metric/Indicator	Baseline/Actual Outcome	Expected Outcome
Home/School Communication	According to the 2022-2023 Family/School Relationship survey through Panorama, 76% of our families responded favorably to the family/school communication they receive. 13.9% of our families responded to this survey.	Our goal is to increase the response to family/school communication to 80% favorable response from families. Increase the number of participants by 20% to ensure the data is valid and reliable to use as a baseline.
Parent perception of overall social and learning climate.	According to the 2022-2023 Family/School Relationship survey through Panorama, 83% of our parents responded favorably to the social and learning climate of Brekke School.	Our goal is to maintain an 80+% favorable response from families. Increase the number of participants by 10% to ensure the data is valid and reliable and use the data as a baseline.

Complete a copy of the Strategy/Activity table for each of the school's strategies/activities. Duplicate the table, including Proposed Expenditures, as needed.

Strategy/Activity 1

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All Students

Strategy/Activity

Create and distribute a parent survey to gather input regarding topics of interest. This will drive our agenda for planning parent nights and increase attendance (ie. Survey Monkey, Google forms).

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Annual Review

SPSA Year Reviewed: 2022-23

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required and this section may be deleted.

ANALYSIS

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

Sign-in sheets indicated that parent attendance did not reflect high levels of interest in parent educational topics. However, parent attendance at our Passport to Exemplary events was high. We conclude that parents are more interested in hands on family activities. Parent involvement is a high priority at our school. In order to increase parent involvement in our parental programs we will need to understand more deeply what our parents are interested in learning by conducting an interest survey and make a clearer connection between their involvement and student achievement at Brekke.

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

One of our goals was to send out a parent survey asking what topics are most engaging. The survey was created but not pushed out because it needs to be modified so it is not duplicating information on the district parent surveys.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

Brekke will use ParentSquare this year to communicate in a more timely and consistent manner informing our parents regarding upcoming events.

Budget Summary

Complete the table below. Schools may include additional information. Adjust the table as needed. The Budget Summary is required for schools funded through the ConApp, and/or that receive funds from the LEA for Comprehensive Support and Improvement (CSI).

Budget Summary

Description	Amount
Total Funds Provided to the School Through the Consolidated Application	\$57,523.00
Total Federal Funds Provided to the School from the LEA for CSI	\$0
Total Funds Budgeted for Strategies to Meet the Goals in the SPSA	\$180,759.00

Other Federal, State, and Local Funds

List the additional Federal programs that the school is including in the schoolwide program. Adjust the table as needed. If the school is not operating a Title I schoolwide program this section is not applicable and may be deleted.

Federal Programs	Amount (\$)
Title I	\$42,781.00
Title III	\$14,742.00

Subtotal of additional federal funds included for this school: \$57,523.00

List the State and local programs that the school is including in the schoolwide program. Duplicate the table as needed.

State or Local Programs	Amount (\$)
District Funded	\$1,000.00
LCFF	\$108,236.00
LCFF - Intervention	\$14,000.00

Subtotal of state or local funds included for this school: \$123,236.00

Total of federal, state, and/or local funds for this school: \$180,759.00

Budgeted Funds and Expenditures in this Plan

The tables below are provided to help the school track expenditures as they relate to funds budgeted to the school.

Funds Budgeted to the School by Funding Source

Funding Source	Amount	Balance
Title I	42,781.00	0.00
Title III	14,742.00	0.00
LCFF	108,236.00	0.00
LCFF - Intervention	14,000.00	0.00

Expenditures by Funding Source

Funding Source	Amount
District Funded	1,000.00
LCFF	108,236.00
LCFF - Intervention	14,000.00
Title I	42,781.00
Title III	14,742.00

Expenditures by Budget Reference and Funding Source

Budget Reference	Funding Source	Amount
1000-1999: Certificated Personnel Salaries	District Funded	1,000.00
	LCFF	3,000.00
1000-1999: Certificated Personnel Salaries	LCFF	33,000.00
2000-2999: Classified Personnel Salaries	LCFF	8,600.00
4000-4999: Books And Supplies	LCFF	45,636.00
5000-5999: Services And Other Operating Expenditures	LCFF	8,000.00
5800: Professional/Consulting Services And Operating Expenditures	LCFF	10,000.00
1000-1999: Certificated Personnel Salaries	LCFF - Intervention	14,000.00

1000-1999: Certificated Personnel Salaries	Title I	31,700.00
2000-2999: Classified Personnel Salaries	Title I	1,500.00
4000-4999: Books And Supplies	Title I	6,881.00
5000-5999: Services And Other Operating Expenditures	Title I	1,600.00
5800: Professional/Consulting Services And Operating Expenditures	Title I	1,100.00
1000-1999: Certificated Personnel Salaries	Title III	11,990.00
2000-2999: Classified Personnel Salaries	Title III	650.00
4000-4999: Books And Supplies	Title III	1,502.00
5000-5999: Services And Other Operating Expenditures	Title III	600.00

Expenditures by Goal

Goal Number	Total Expenditures
Goal 1	138,039.00
Goal 2	29,156.00
Goal 3	13,564.00

School Site Council Membership

California Education Code describes the required composition of the School Site Council (SSC). The SSC shall be composed of the principal and representatives of: teachers selected by teachers at the school; other school personnel selected by other school personnel at the school; parents of pupils attending the school selected by such parents; and, in secondary schools, pupils selected by pupils attending the school. The current make-up of the SSC is as follows:

- 1 School Principal
- 3 Classroom Teachers
- 1 Other School Staff
- 5 Parent or Community Members

Name of Members	Role
Tammy R. Smith	Principal
Amy Hawkins	Classroom Teacher
Stephen Carrier	Classroom Teacher
Torrey Rodriguez	Parent or Community Member
Ashleigh Arias	Other School Staff
Jessica Joens	Parent or Community Member
Veronica Conejo	Parent or Community Member
Erica Cahue	Parent or Community Member
Terry Lopez	Classroom Teacher
Amanda Ochoa	Parent or Community Member

At elementary schools, the school site council must be constituted to ensure parity between (a) the principal, classroom teachers, and other school personnel, and (b) parents of students attending the school or other community members. Classroom teachers must comprise a majority of persons represented under section (a). At secondary schools there must be, in addition, equal numbers of parents or other community members selected by parents, and students. Members must be selected by their peer group.

Recommendations and Assurances

The School Site Council (SSC) recommends this school plan and proposed expenditures to the district governing board for approval and assures the board of the following:

The SSC is correctly constituted and was formed in accordance with district governing board policy and state law.

The SSC reviewed its responsibilities under state law and district governing board policies, including those board policies relating to material changes in the School Plan for Student Achievement (SPSA) requiring board approval.

The SSC sought and considered all recommendations from the following groups or committees before adopting this plan:

Signature	Committee or Advisory Group Name
	School Site Council
	English Learner Advisory Committee

The SSC reviewed the content requirements for school plans of programs included in this SPSA and believes all such content requirements have been met, including those found in district governing board policies and in the local educational agency plan.

This SPSA is based on a thorough analysis of student academic performance. The actions proposed herein form a sound, comprehensive, coordinated plan to reach stated school goals to improve student academic performance.

This SPSA was adopted by the SSC at a public meeting on June 7, 2022.

Attested:

	Principal, Tammy Smith on 5/27/23
	SSC Chairperson, Ashleigh Arias on 5/30/23

Instructions

The School Plan for Student Achievement (SPSA) is a strategic plan that maximizes the resources available to the school while minimizing duplication of effort with the ultimate goal of increasing student achievement. SPSA development should be aligned with and inform the Local Control and Accountability Plan process.

The SPSA consolidates all school-level planning efforts into one plan for programs funded through the consolidated application (ConApp), and for federal school improvement programs, including schoolwide programs, Comprehensive Support and Improvement (CSI), Targeted Support and Improvement (TSI), and Additional Targeted Support and Improvement (ATSI), pursuant to California Education Code (EC) Section 64001 and the Elementary and Secondary Education Act as amended by the Every Student Succeeds Act (ESSA). This template is designed to meet schoolwide program planning requirements. It also notes how to meet CSI, TSI, or ATSI requirements, as applicable.

California's ESSA State Plan supports the state's approach to improving student group performance through the utilization of federal resources. Schools use the SPSA to document their approach to maximizing the impact of federal investments in support of underserved students. The implementation of ESSA in California presents an opportunity for schools to innovate with their federally-funded programs and align them with the priority goals of the school and the LEA that are being realized under the state's Local Control Funding Formula (LCFF).

The LCFF provides schools and LEAs flexibility to design programs and provide services that meet the needs of students in order to achieve readiness for college, career, and lifelong learning. The SPSA planning process supports continuous cycles of action, reflection, and improvement. Consistent with EC 65001, the Schoolsite Council (SSC) is required to develop and annually review the SPSA, establish an annual budget, and make modifications to the plan that reflect changing needs and priorities, as applicable.

For questions related to specific sections of the template, please see instructions below:

Instructions: Linked Table of Contents

The SPSA template meets the requirements of schoolwide planning (SWP). Each section also contains a notation of how to meet CSI, TSI, or ATSI requirements.

For additional questions or technical assistance related to LEA and school planning, please contact the Local Agency Systems Support Office, at LCFF@cde.ca.gov.

For programmatic or policy questions regarding Title I schoolwide planning, please contact the local educational agency, or the CDE’s Title I Policy and Program Guidance Office at TITLEI@cde.ca.gov.

For questions or technical assistance related to meeting federal school improvement planning requirements (for CSI, TSI, and ATSI), please contact the CDE’s School Improvement and Support Office at SISO@cde.ca.gov.

Purpose and Description

Schools identified for Comprehensive Support and Improvement (CSI), Targeted Support and Improvement (TSI), or Additional Targeted Support and Improvement (ATSI) must respond to the following prompts. A school that has not been identified for CSI, TSI, or ATSI may delete the Purpose and Description prompts.

Purpose

Briefly describe the purpose of this plan by selecting from Schoolwide Program, Comprehensive Support and Improvement, Targeted Support and Improvement, or Additional Targeted Support and Improvement)

Description

Briefly describe the school’s plan for effectively meeting ESSA requirements in alignment with the Local Control and Accountability Plan and other federal, state, and local programs.

Educational Partner Involvement

Meaningful involvement of parents, students, and other stakeholders is critical to the development of the SPSA and the budget process. Schools must share the SPSA with school site-level advisory groups, as applicable (e.g., English Learner Advisory committee, student advisory groups, tribes and tribal organizations present in the community, as appropriate, etc.) and seek input from these advisory groups in the development of the SPSA.

The Stakeholder Engagement process is an ongoing, annual process. Describe the process used to involve advisory committees, parents, students, school faculty and staff, and the community in the development of the SPSA and the annual review and update.

[This section meets the requirements for TSI and ATSI.]

[When completing this section for CSI, the LEA shall partner with the school in the development and implementation of this plan.]

Resource Inequities

Schools eligible for CSI or ATSI must identify resource inequities, which may include a review of LEA- and school-level budgeting as a part of the required needs assessment. Identified resource inequities must be addressed through implementation of the CSI or ATSI plan. Briefly identify and describe any resource inequities identified as a result of the required needs assessment and summarize how the identified resource inequities are addressed in the SPSA.

[This section meets the requirements for CSI and ATSI. If the school is not identified for CSI or ATSI this section is not applicable and may be deleted.]

Goals, Strategies, Expenditures, & Annual Review

In this section a school provides a description of the annual goals to be achieved by the school. This section also includes descriptions of the specific planned strategies/activities a school will take to meet the identified goals, and a description of the expenditures required to implement the specific strategies and activities.

Goal

State the goal. A goal is a broad statement that describes the desired result to which all strategies/activities are directed. A goal answers the question: What is the school seeking to achieve?

It can be helpful to use a framework for writing goals such as the S.M.A.R.T. approach. A S.M.A.R.T. goal is one that is **S**pecific, **M**asurable, **A**chievable, **R**ealistic, and **T**ime-bound. A level of specificity is needed in order to measure performance relative to the goal as well as to assess whether it is reasonably achievable. Including time constraints, such as milestone dates, ensures a realistic approach that supports student success.

A school may number the goals using the “Goal #” for ease of reference.

[When completing this section for CSI, TSI, and ATSI, improvement goals shall align to the goals, actions, and services in the LEA LCAP.]

Identified Need

Describe the basis for establishing the goal. The goal should be based upon an analysis of verifiable state data, including local and state indicator data from the California School Dashboard (Dashboard) and data from the School Accountability Report Card, including local data voluntarily collected by districts to measure pupil achievement.

[Completing this section fully addresses all relevant federal planning requirements]

Annual Measurable Outcomes

Identify the metric(s) and/or state indicator(s) that the school will use as a means of evaluating progress toward accomplishing the goal. A school may identify metrics for specific student groups. Include in the baseline column the most recent data associated with the metric or indicator available at the time of adoption of the SPSA. The most recent data associated with a metric or indicator includes data reported in the annual update of the SPSA. In the subsequent Expected Outcome column, identify the progress the school intends to make in the coming year.

[When completing this section for CSI the school must include school-level metrics related to the metrics that led to the school’s identification.]

[When completing this section for TSI/ATSI the school must include metrics related to the specific student group(s) that led to the school’s identification.]

Strategies/Activities

Describe the strategies and activities being provided to meet the described goal. A school may number the strategy/activity using the “Strategy/Activity #” for ease of reference.

Planned strategies/activities address the findings of the needs assessment consistent with state priorities and resource inequities, which may have been identified through a review of the local educational agency’s budgeting, its local control and accountability plan, and school-level budgeting, if applicable.

[When completing this section for CSI, TSI, and ATSI, this plan shall include evidence-based interventions and align to the goals, actions, and services in the LEA LCAP.]

[When completing this section for CSI and ATSI, this plan shall address through implementation, identified resource inequities, which may have been identified through a review of LEA- and school-level budgeting.]

Students to be Served by this Strategy/Activity

Indicate in this box which students will benefit from the strategies/activities by indicating “All Students” or listing one or more specific student group(s) to be served.

[This section meets the requirements for CSI.]

[When completing this section for TSI and ATSI, at a minimum, the student groups to be served shall include the student groups that are consistently underperforming, for which the school received the TSI or ATSI designation. For TSI, a school may focus on all students or the student group(s) that led to identification based on the evidence-based interventions selected.]

Proposed Expenditures for this Strategy/Activity

For each strategy/activity, list the amount(s) and funding source(s) for the proposed expenditures for the school year to implement these strategies/activities. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal, identify the Title and Part, as applicable), Other State, and/or Local.

Proposed expenditures that are included more than once in a SPSA should be indicated as a duplicated expenditure and include a reference to the goal and strategy/activity where the expenditure first appears in the SPSA. Pursuant to Education Code, Section 64001(g)(3)(C), proposed expenditures, based on the projected resource allocation from the governing board or governing body of the LEA, to address the findings of the needs assessment consistent with the state priorities including identifying resource inequities which may include a review of the LEA’s budgeting, its LCAP, and school-level budgeting, if applicable.

[This section meets the requirements for CSI, TSI, and ATSI.]

[NOTE: Federal funds for CSI shall not be used in schools identified for TSI or ATSI. In addition, funds for CSI shall not be used to hire additional permanent staff.]

Annual Review

In the following Analysis prompts, identify any material differences between what was planned and what actually occurred as well as significant changes in strategies/activities and/ or expenditures from the prior year. This annual review and analysis should be the basis for decision-making and updates to the plan.

Analysis

Using actual outcome data, including state indicator data from the Dashboard, analyze whether the planned strategies/activities were effective in achieving the goal. Respond to the prompts as instructed. Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal the Annual Review section is not required and this section may be deleted.

- Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.
- Briefly describe any major differences between either/or the intended implementation or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.
- Describe any changes that will be made to the goal, expected annual measurable outcomes, metrics/indicators, or strategies/activities to achieve this goal as a result of this analysis and analysis of the data provided in the Dashboard, as applicable. Identify where those changes can be found in the SPSA.

[When completing this section for CSI, TSI, or ATSI, any changes made to the goals, annual measurable outcomes, metrics/indicators, or strategies/activities, shall meet the CSI, TSI, or ATSI planning requirements. CSI, TSI, and ATSI planning requirements are listed under each section of the Instructions. For example, as a result of the Annual Review and Update, if changes are made to a goal(s), see the Goal section for CSI, TSI, and ATSI planning requirements.]

Budget Summary

In this section a school provides a brief summary of the funding allocated to the school through the ConApp and/or other funding sources as well as the total amount of funds for proposed expenditures described in the SPSA. The Budget Summary is required for schools funded through the ConApp and that receive federal funds for CSI. If the school is not operating a Title I schoolwide program this section is not applicable and may be deleted.

From its total allocation for CSI, the LEA may distribute funds across its schools that meet the criteria for CSI to support implementation of this plan. In addition, the LEA may retain a portion of its total allocation to support LEA-level expenditures that are directly related to serving schools eligible for CSI.

Budget Summary

A school receiving funds allocated through the ConApp should complete the Budget Summary as follows:

- Total Funds Provided to the School Through the Consolidated Application: This amount is the total amount of funding provided to the school through the ConApp for the school year. The school year means the fiscal year for which a SPSA is adopted or updated.
- Total Funds Budgeted for Strategies to Meet the Goals in the SPSA: This amount is the total of the proposed expenditures from all sources of funds associated with the strategies/activities reflected in the SPSA. To the extent strategies/activities and/or proposed expenditures are listed in the SPSA under more than one goal, the expenditures should be counted only once.

A school receiving federal funds for CSI should complete the Budget Summary as follows:

- Total Federal Funds Provided to the School from the LEA for CSI: This amount is the total amount of funding provided to the school from the LEA.

[NOTE: Federal funds for CSI shall not be used in schools eligible for TSI or ATSI. In addition, funds for CSI shall not be used to hire additional permanent staff.]

Appendix A: Plan Requirements

Schoolwide Program Requirements

This School Plan for Student Achievement (SPSA) template meets the requirements of a schoolwide program plan. The requirements below are for planning reference.

A school that operates a schoolwide program and receives funds allocated through the ConApp is required to develop a SPSA. The SPSA, including proposed expenditures of funds allocated to the school through the ConApp, must be reviewed annually and updated by the SSC. The content of a SPSA must be aligned with school goals for improving student achievement.

Requirements for Development of the Plan

- I. The development of the SPSA shall include both of the following actions:
 - A. Administration of a comprehensive needs assessment that forms the basis of the school's goals contained in the SPSA.
 1. The comprehensive needs assessment of the entire school shall:
 - a. Include an analysis of verifiable state data, consistent with all state priorities as noted in Sections 52060 and 52066, and informed by all indicators described in Section 1111(c)(4)(B) of the federal Every Student Succeeds Act, including pupil performance against state-determined long-term goals. The school may include data voluntarily developed by districts to measure pupil outcomes (described in the Identified Need); and
 - b. Be based on academic achievement information about all students in the school, including all groups under §200.13(b)(7) and migratory children as defined in section 1309(2) of the ESEA, relative to the State's academic standards under §200.1 to—
 - i. Help the school understand the subjects and skills for which teaching and learning need to be improved; and
 - ii. Identify the specific academic needs of students and groups of students who are not yet achieving the State's academic standards; and
 - iii. Assess the needs of the school relative to each of the components of the schoolwide program under §200.28.
 - iv. Develop the comprehensive needs assessment with the participation of individuals who will carry out the schoolwide program plan.
 - v. Document how it conducted the needs assessment, the results it obtained, and the conclusions it drew from those results.
 - B. Identification of the process for evaluating and monitoring the implementation of the SPSA and progress towards accomplishing the goals set forth in the SPSA (described in the Expected Annual Measurable Outcomes and Annual Review and Update).

Requirements for the Plan

- II. The SPSA shall include the following:
 - A. Goals set to improve pupil outcomes, including addressing the needs of student groups as identified through the needs assessment.

- B. Evidence-based strategies, actions, or services (described in Strategies and Activities)
1. A description of the strategies that the school will be implementing to address school needs, including a description of how such strategies will--
 - a. provide opportunities for all children including each of the subgroups of students to meet the challenging state academic standards
 - b. use methods and instructional strategies that:
 - i. strengthen the academic program in the school,
 - ii. increase the amount and quality of learning time, and
 - iii. provide an enriched and accelerated curriculum, which may include programs, activities, and courses necessary to provide a well-rounded education.
 - c. Address the needs of all children in the school, but particularly the needs of those at risk of not meeting the challenging State academic standards, so that all students demonstrate at least proficiency on the State's academic standards through activities which may include:
 - i. strategies to improve students' skills outside the academic subject areas;
 - ii. preparation for and awareness of opportunities for postsecondary education and the workforce;
 - iii. implementation of a schoolwide tiered model to prevent and address problem behavior;
 - iv. professional development and other activities for teachers, paraprofessionals, and other school personnel to improve instruction and use of data; and
 - v. strategies for assisting preschool children in the transition from early childhood education programs to local elementary school programs.
- C. Proposed expenditures, based on the projected resource allocation from the governing board or body of the local educational agency (may include funds allocated via the ConApp, federal funds for CSI, any other state or local funds allocated to the school), to address the findings of the needs assessment consistent with the state priorities, including identifying resource inequities, which may include a review of the LEAs budgeting, it's LCAP, and school-level budgeting, if applicable (described in Proposed Expenditures and Budget Summary). Employees of the schoolwide program may be deemed funded by a single cost objective.
- D. A description of how the school will determine if school needs have been met (described in the Expected Annual Measurable Outcomes and the Annual Review and Update).
1. Annually evaluate the implementation of, and results achieved by, the schoolwide program, using data from the State's annual assessments and other indicators of academic achievement;
 2. Determine whether the schoolwide program has been effective in increasing the achievement of students in meeting the State's academic standards, particularly for those students who had been furthest from achieving the standards; and
 3. Revise the plan, as necessary, based on the results of the evaluation, to ensure continuous improvement of students in the schoolwide program.

- E. A description of how the school will ensure parental involvement in the planning, review, and improvement of the schoolwide program plan (described in Educational Partner Involvement and/or Strategies/Activities).
- F. A description of the activities the school will include to ensure that students who experience difficulty attaining proficient or advanced levels of academic achievement standards will be provided with effective, timely additional support, including measures to
 - 1. Ensure that those students' difficulties are identified on a timely basis; and
 - 2. Provide sufficient information on which to base effective assistance to those students.
- G. For an elementary school, a description of how the school will assist preschool students in the successful transition from early childhood programs to the school.
- H. A description of how the school will use resources to carry out these components (described in the Proposed Expenditures for Strategies/Activities).
- I. A description of any other activities and objectives as established by the SSC (described in the Strategies/Activities).

Authority Cited: S Title 34 of the Code of Federal Regulations (34 CFR), sections 200.25-26, and 200.29, and sections-1114(b)(7)(A)(i)-(iii) and 1118(b) of the ESEA. EC sections 6400 et. seq.

Appendix B:

Plan Requirements for School to Meet Federal School Improvement Planning Requirements

For questions or technical assistance related to meeting Federal School Improvement Planning Requirements, please contact the CDE's School Improvement and Support Office at SISO@cde.ca.gov.

Comprehensive Support and Improvement

The LEA shall partner with stakeholders (including principals and other school leaders, teachers, and parents) to locally develop and implement the CSI plan for the school to improve student outcomes, and specifically address the metrics that led to eligibility for CSI (Educational Partner Involvement).

The CSI plan shall:

1. Be informed by all state indicators, including student performance against state-determined long-term goals (Goal, Identified Need, Expected Annual Measurable Outcomes, Annual Review and Update, as applicable);
2. Include evidence-based interventions (Strategies/Activities, Annual Review and Update, as applicable) (For resources related to evidence-based interventions, see the U.S. Department of Education's "Using Evidence to Strengthen Education Investments" at <https://www2.ed.gov/policy/elsec/leg/essa/guidanceuseseseinvestment.pdf>);
3. Be based on a school-level needs assessment (Goal, Identified Need, Expected Annual Measurable Outcomes, Annual Review and Update, as applicable); and
4. Identify resource inequities, which may include a review of LEA- and school-level budgeting, to be addressed through implementation of the CSI plan (Goal, Identified Need, Expected Annual Measurable Outcomes, Planned Strategies/Activities; and Annual Review and Update, as applicable).

Authority Cited: Sections 1003(e)(1)(A), 1003(i), 1111(c)(4)(B), and 1111(d)(1) of the ESSA.

Targeted Support and Improvement

In partnership with stakeholders (including principals and other school leaders, teachers, and parents) the school shall develop and implement a school-level TSI plan to improve student outcomes for each subgroup of students that was the subject of identification (Educational Partner Involvement).

The TSI plan shall:

1. Be informed by all state indicators, including student performance against state-determined long-term goals (Goal, Identified Need, Expected Annual Measurable Outcomes, Annual Review and Update, as applicable); and
2. Include evidence-based interventions (Planned Strategies/Activities, Annual Review and Update, as applicable). (For resources related to evidence-based interventions, see the U.S. Department of Education's "Using Evidence to Strengthen Education Investments" <https://www2.ed.gov/policy/elsec/leg/essa/guidanceuseseseinvestment.pdf>.)

Authority Cited: Sections 1003(e)(1)(B), 1003(i), 1111(c)(4)(B) and 1111(d)(2) of the ESSA.

Additional Targeted Support and Improvement

A school identified for ATSI shall:

1. Identify resource inequities, which may include a review of LEA- and school-level budgeting, which will be addressed through implementation of its TSI plan (Goal, Identified Need, Expected Annual Measurable Outcomes, Planned Strategies/Activities, and Annual Review and Update, as applicable).

Authority Cited: Sections 1003(e)(1)(B), 1003(i), 1111(c)(4)(B), and 1111(d)(2)(c) of the ESSA.

Single School Districts and Charter Schools Identified for School Improvement

Single school districts (SSDs) or charter schools that are identified for CSI, TSI, or ATSI, shall develop a SPSA that addresses the applicable requirements above as a condition of receiving funds (EC Section 64001[a] as amended by Assembly Bill [AB] 716, effective January 1, 2019).

However, a SSD or a charter school may streamline the process by combining state and federal requirements into one document which may include the local control and accountability plan (LCAP) and all federal planning requirements, provided that the combined plan is able to demonstrate that the legal requirements for each of the plans is met (EC Section 52062[a] as amended by AB 716, effective January 1, 2019).

Planning requirements for single school districts and charter schools choosing to exercise this option are available in the LCAP Instructions.

Authority Cited: EC sections 52062(a) and 64001(a), both as amended by AB 716, effective January 1, 2019.

Appendix C: Select State and Federal Programs

Programs included on the Consolidated Application: <https://www.cde.ca.gov/fg/aa/co/>

ESSA Title I, Part A: School Improvement: <https://www.cde.ca.gov/sp/sw/t1/schoolsupport.asp>

Available Funding: <https://www.cde.ca.gov/fg/fo/af/>

Developed by the California Department of Education, January 2019

School Plan for Student Achievement (SPSA) Template

Instructions and requirements for completing the SPSA template may be found in the SPSA Template Instructions.

School Name	County-District-School (CDS) Code	Schoolsite Council (SSC) Approval Date	Local Board Approval Date
Cesar E. Chavez K-8 School	56725386055321	June 8, 2023	August 24, 202

Purpose and Description

Briefly describe the purpose of this plan (Select from Schoolwide Program, Comprehensive Support and Improvement, Targeted Support and Improvement, or Additional Targeted Support and Improvement)

Additional Targeted Support and Improvement
 Our school has recently been identified as being in ATSI Status (Additional Targeted Support and Improvement), due to our student groups which include Hispanic for Math, Chronic Absenteeism and Suspension Rate; Homeless for ELA, Math and Chronic Absenteeism and Suspension Rate; Socially Economically Disadvantage for Math, Chronic Absenteeism and Suspension Rate; and Students with Disabilities for ELA, Math and Chronic Absenteeism and Suspension Rate. The CDE makes this determination based on previous student performance from state mandated assessments and data collection. We have identified strategies/activities to address this, such as collaboration with our Special Ed Support Staff and the District Level and regularly monitoring student Attendance and Discipline Data.

Briefly describe the school’s plan for effectively meeting the ESSA requirements in alignment with the Local Control and Accountability Plan and other federal, state, and local programs.

Cesar E. Chavez School, situated in La Colonia area of Oxnard, California, is an educational institution catering to students from kindergarten to eighth grade. Established prior to its renaming in 1993, the school was formerly known as Juanita School and was later dedicated to honoring the labor leader, Cesar E. Chavez, who had resided in La Colonia and played a pivotal role in organizing the grape boycott during the 1960s. The school primarily serves the local community.

Our school is committed to nurturing successful students who embody the OSD Student Profile by providing exceptional initial instruction. To achieve this objective, Chavez School offers two distinct programs: a research-based Dual Language Instruction (DLI) program and a Structured English

Immersion (SEI) program. Through the implementation of Positive Behavior Interventions and Supports (PBIS) and a Multi-Tiered System of Support, Chavez students are also part of the Chavez Academy of Literacy, Communication Arts, and Technology (CALCAT). Middle school students have the opportunity to enhance their education through elective courses such as AVID, Technology through Science, Environmental Science, and Journalism.

In the current year, our district has developed a strategic plan to fully realize our student profile and work towards achieving our Mission and Vision. Our Mission in the Oxnard School District is to cultivate self-confident and empowered multilingual global citizens, who are strong in their multiple identities and potential, and who achieve inspired levels of individual, community, and social accomplishment in both school and beyond. Our Vision can be summarized as Ignite, Transform, Nurture, Embrace.

To accomplish our goals, we adhere to a Theory of Action that involves committing to a vision of success, emphasizing the importance of clear and supportive classroom leadership, cultivating school leadership, benefiting from well-organized district leadership, and actively engaging with our families and community to foster a highly effective and equitable school environment. The district places significant focus on five strategic goals that serve as the foundation for sustainable school and district transformation: Student Academic Engagement and Achievement, Positive and Safe Learning Environment and School Climate, Guidance and Support to Sites, Family/Community Alliances for Student Success, and Transformational Leadership and Infrastructure.

All of our strategies and activities are designed to uphold the following pedagogical principles:

Identifying, activating, and building upon student strengths.

Affirming student identities by challenging the devaluation of minoritized students' identities.

Establishing meaningful relationships that nurture equity and success.

Actively engaging students in the learning process by amplifying their voices.

Creating enriching environments that stimulate students' multilingual repertoires.

Connecting learning to students' lives by relating it to their experiences.

Encouraging high intellectual performance that helps students link their identities to academic engagement.

Addressing the prerequisites for learning, including implementing pedagogical practices that challenge coercive power dynamics.

Chavez School is currently in its second year of Professional Learning Community (PLC) implementation, utilizing PLCs as a means to communicate, monitor, and enhance teachers' capacity through targeted goals, the development of a Guaranteed and Viable Curriculum (GVC), and 3-week cycle meetings. The PLC's objective is to improve student outcomes for both our unduplicated populations as defined by the ATSI and all learners within our school.

The PLC model, based on the work of DuFour, revolves around four essential questions: What do we want our students to know and be able to do? How will we determine if they have learned it? How will we respond when they struggle to learn? How will we respond if they already know it?

At Chavez School, we operate under a distributed leadership model, which consists of two primary components: the Leadership team and the PBIS team. The Leadership team focuses on the development of the Single Plan for Student Achievement (SPSA) and facilitates communication with teachers within their respective grade levels. The PBIS team is responsible for supporting supporting teachers in the implementation the CHAMPS behavior management method, establishing daily routines, and fostering a positive environment for students while addressing systemic discipline issues. Additionally, specialized committees such as the Safety committee and the AVID team are in

place, and teachers actively participate in the Parent-Teacher Association (PTA), School Site Council (SSC), and English Learner Advisory Committee (ELAC).

For the upcoming 2023-2024 school year, we have planned several modifications, including the continuation of PLC implementation with a focus on teaching, monitoring, and refining the GVC, ensuring adequate time for reteaching and integrating interventions within the school day. We will fully implement the observation-and-feedback cycle for all teachers and utilize student monitoring conferences in conjunction with our Multi-Tiered System of Support (MTSS) process. Furthermore, we will streamline committees and allocate them among the administration, which will be supported by an additional Assistant Principal. The responsibilities for PBIS and school events will be further delegated to the ORC and school counselors.

Chavez School remains dedicated to shaping all students in accordance with the OSD Student Profile. The PLC process emphasizes the importance of the GVC and excellent first instruction, while the MTSS process provides support to students who may require additional assistance. This year, student monitoring conferences were introduced as part of the regular process to identify students and their barriers to success. The MTSS team, comprising administrators, the ORC, counselors, psychologists, and speech-language pathologists, will continue to meet regularly to address individual student concerns as well as broader systemic issues within the MTSS.

To provide targeted intervention services, we have categorized them as Tier II and Tier III services. These interventions are delivered by teachers during Universal Access and English Language sessions. We also provide intervention support providers and K-1 paraeducators to work with students in small group settings.

Chavez School takes pride in its 10th year of implementing the Biliteracy program, offering full Biliteracy classes from kindergarten to sixth grade. Our seventh and eighth grade students participate in a Spanish Literature class as an elective to support their Biliteracy instruction. The Biliteracy programs adopt research-based Biliteracy Unit Frameworks (BUFs) as its curriculum, with support from the District Office and on-site training. Teachers are provided with release time for training, collaboration, and planning, often replacing staff meetings or utilizing additional time after school.

We firmly believe that learning can only thrive within a safe and positive environment. The PBIS committee oversees the implementation of the CHAMPS behavior management method, establishes daily routines, and fosters a positive school culture. This year, the PBIS team updated the SOAR guidelines for success to make them more catchy and memorable for younger students, while ensuring the Spanish version maintains the same acronym letters.

Chavez Eagles are:

S - Safe
O - Organized
A - Accountable
R - Respectful

In Spanish:

Aguilas de Chavez son:

S - Seguras

O - Organizadas
A - Actúan Responsable
R - Respetuosas

These guidelines are prominently displayed throughout classrooms and the school, forming the basis for all established rules and expectations using the CHAMPS approach. The PBIS team continues to refine guidelines related to recess, cafeteria behavior, and hallway expectations.

Chavez School recognizes the significance of all educational partners, as their involvement is critical to the success of our students. This year, Mindset Academy conducted multiple parent workshops with the intention of empowering parents to be education partners for our school community, which were highly valued and well-attended. Additionally, they facilitated student workshops with the intention of raising student engagement and self-esteem through reflection exercises and activities. Mindset Academy will continue to work with both parents and students. We reinstated various family events, including the Winter Concert, the Spring Talent Show, and sports teams. Additionally, we introduced a new Día de Los Muertos event that brought together community cultural groups and the school community, and we plan to continue this tradition along with a Día de lo Niño event. We also intend to revive past events such as Literacy and Math Nights and look forward to hosting our first Open House.

To ensure effective communication, we disseminate event information through the Chavez website, ParentLink calls, PeachJar, and ConnectEd text messages. Moving forward, we will utilize Parent Square as an additional communication platform.

Comprehensive Needs Assessment Components

Data Analysis

Please refer to the School and Student Performance Data section where an analysis is provided.

Classroom Observations

This section provides a description of types and frequency of classroom observations conducted during the school-year and a summary of findings.

The administration conducted informal classroom observations and subsequently shared feedback via email. Throughout the year, various methods were experimented with, including the exploration of a potential checklist system. However, it was ultimately decided to adopt a final spreadsheet model for the upcoming 2023-2024 school year.

These observations primarily centered around the specific tasks discussed during Professional Learning Communities (PLCs), as well as the instruction of Biliteracy Units, Common Core State Standards in Reading and Writing, English Language Development, and the implementation of Mathematical Mindset. The intention behind these observations was to enhance student engagement and foster academic growth.

The findings from the observations indicate a consistent need for cohesive strategies and ongoing collaboration time to ensure alignment and the development of a Guaranteed and Viable Curriculum.

Analysis of Current Instructional Program

The following statements are derived from the Elementary and Secondary Education Act (ESEA) of 1965 and Essential Program Components (EPCs). In conjunction with the needs assessments, these categories may be used to discuss and develop critical findings that characterize current instructional practice for numerically significant subgroups as well as individual students who are:

- Not meeting performance goals
- Meeting performance goals
- Exceeding performance goals

Discussion of each of these statements should result in succinct and focused findings based on verifiable facts. Avoid vague or general descriptions. Each successive school plan should examine the status of these findings and note progress made. Special consideration should be given to any practices, policies, or procedures found to be noncompliant through ongoing monitoring of categorical programs.

Standards, Assessment, and Accountability

Use of state and local assessments to modify instruction and improve student achievement (ESEA)

The Oxnard School District incorporates STAR 360 as a comprehensive assessment tool for early literacy, reading, and mathematics, serving as a universal screener. These assessments, in conjunction with curricular evaluations, enable teachers to identify students requiring intervention and adapt instructional approaches aligned with the Common Core State Standards. Notably, greater emphasis has been placed on the Student Growth Percentile (SGP) this year, alongside exploring additional reports like the Monitor Student Mastery Report to closely monitor student progress.

To ensure accurate evaluation, the ELPAC was administered in-person to all English Learner (EL) students during this academic year. The resulting data plays a pivotal role in determining students who are prepared for reclassification, identifying specific areas of growth and instructional needs (including grouping and intervention strategies), and facilitating resource allocation.

Use of data to monitor student progress on curriculum-embedded assessments and modify instruction (EPC)

Cesar Chavez school has recognized the need of establishing a comprehensive school-wide writing program that places significant emphasis on vertical alignment and grade level calibration. To accomplish this objective, we have entered into a partnership with Read, Write, Think!, an organization that has successfully collaborated with other schools within the district to develop a unified approach to writing instruction.

In order to effectively address the needs of individual students and devise appropriate strategies, student monitoring conferences will be conducted a minimum of three times per year. During these conferences, Star testing data will be analyzed, and personalized plans will be formulated. This practice will be implemented across all grade levels. Additionally, all grade levels will continue their active participation in three-week Learning Cycles, which will encompass all content areas.

Staffing and Professional Development

Status of meeting requirements for highly qualified staff (ESEA)

The district ensures that that all site staff meets requirements to be considered “highly qualified.” This is monitored by the district’s Human Resources Department.

Sufficiency of credentialed teachers and teacher professional development (e.g., access to instructional materials training on SBE-adopted instructional materials) (EPC)

Incoming educators are ensured to possess the necessary credentials and are equipped with a range of support mechanisms. They are provided with a comprehensive New Teacher Orientation program, encompassing the district’s expectations and procedures, training on up-to-date curricular materials and programs, as well as effective strategies for classroom management. To facilitate the growth and development of new teachers, the district collaborates with the Ventura County Office of Education to offer Induction programs. Additionally, whenever new instructional materials are adopted, the district consistently offers professional development opportunities. These initiatives are complemented by follow-up training sessions aimed at sustaining ongoing support for educators in utilizing the materials effectively.

Alignment of staff development to content standards, assessed student performance, and professional needs (ESEA)

Professional development is offered at both the site and district levels in order to ensure that instructional practices are fully aligned with the Common Core State Standards and district and school programs. A comprehensive district assessment calendar is in place to effectively monitor student progress throughout the academic year. In addition, professional development and support are provided to educators regarding the assessment system and the various types of assessments employed. At the school sites, specific structures have been implemented to facilitate data analysis and collaborative decision-making among teachers. This includes dedicated collaboration times on Wednesdays, PLC (Professional Learning Community) sessions during Tuesday staff meetings, and regular 3-week cycle meetings. These structures enable teachers to work together in groups to thoroughly examine data, identify student needs, and make necessary adjustments to their instructional approaches.

Ongoing instructional assistance and support for teachers (e.g., use of content experts and instructional coaches) (EPC)

The Educational Services Department includes Directors, Managers and TOSAs (Teachers on Special Assignment) who provide support for Curriculum, Instruction, Assessment, Accountability, Biliteracy Programs, Special Education, Special Programs, Pupil Services, Educational Technology and Equity and Family and Community Engagement. Site administration also functions as instructional leaders. Site administration and TOSA support teachers in an ongoing basis to plan, guide, monitor and adjust instruction. Our regular school year calendar was revised to include three additional professional development days for all teachers (2 in the summer before school starts and 1 in the fall). Professional development was provided in the following areas: instructional content, planning for DLI instruction, culturally responsive grading and equity, special education assessment and TK instruction.

Teacher collaboration by grade level (kindergarten through grade eight [K–8]) and department (grades nine through twelve) (EPC)

Teachers will actively participate in a series of collaborative meetings, both within their respective grade levels and across vertical teams, with a specific focus on enhancing academic engagement in the subjects of Writing, English Language Arts, Mathematics, and Dual Language Instruction. These meetings will also address the importance of social-emotional learning. The Professional Learning Teams will prioritize the cycle of inquiry by utilizing DuFour's Four Essential Questions.

Teachers will receive continuous and comprehensive training on Professional Learning Communities (PLCs) and strategies to optimize their effectiveness. The leadership team, comprised of the grade level leaders, will undergo ongoing training to enhance their ability to lead their respective teams. The implementation of PLCs will be sustained, moving beyond the development of the Guaranteed and Viable Curriculum (GVC), and shifting towards the actual teaching process, monitoring progress, and making necessary refinements. This will include a strong emphasis on allocating sufficient time for reteaching and integrating interventions within the school day.

Teaching and Learning

Alignment of curriculum, instruction, and materials to content and performance standards (ESEA)

Collaboration work, using the PLC (Professional Learning Communities) model will ensure that instructional strategies are aligned to current CA Common Core State Standards. State adopted and approved curricular materials support instruction and are provided by the district.

Adherence to recommended instructional minutes for reading/language arts and mathematics (K–8) (EPC)

Instructional minutes are monitored by the Business Services office. All school schedules adhere to the guidelines governing recommended instructional minutes.

Lesson pacing schedule (K–8) and master schedule flexibility for sufficient numbers of intervention courses (EPC)

The Grade Level Common Core State Standards, district assessment calendar and adopted curricula serve as valuable resources for establishing lesson pacing guidelines and instructional sequences.

Regarding the middle school, the master schedule is strategically devised based on the individual needs of students. Emphasis is placed on accommodating students' specific requirements. In instances where space permits, students are afforded the opportunity to select elective courses that foster enrichment and allow for the exploration of additional subjects.

Availability of standards-based instructional materials appropriate to all student groups (ESEA)

Instructional materials provided for all students are managed by our district Textbook Coordinator. Participation in Williams Inspections confirms that all students have access to required materials.

Use of SBE-adopted and standards-aligned instructional materials, including intervention materials, and for high school students, access to standards-aligned core courses (EPC)

The district adopts standards-aligned materials and provides them for use in all classrooms. The district ensures that all intervention materials are backed by research. Funds are allocated to the school to purchase any additional materials determined necessary to meet student needs.

Opportunity and Equal Educational Access

Services provided by the regular program that enable underperforming students to meet standards (ESEA)

The school adheres to the District's Multi-Tiered System of Supports (MTSS) model.

To facilitate Tier I, which encompasses initial instruction and interventions, teachers are afforded numerous opportunities to convene in Professional Learning Communities. These collaborative sessions focus on planning and analyzing first instruction, assessment data, and self-reflection on instructional practices. The objective is to plan and adapt lessons to provide appropriate scaffolding and instructional approaches that address the identified Instructional Claims (broad statements describing the desired outcomes through mastery of educational standards) chosen as areas of emphasis.

To determine whether a student requires Tier II or Tier III interventions, the school employs a Student Success Team (SST) comprised of the ORC, Counselor, Administrator, Classroom Teacher, parents, and a local social worker as a collaborative partner. This team devises a customized plan with potential strategies to assist students in improving their performance in identified areas of need and attaining their established goals.

The Counselor, ORC, Special Education personnel, Paraeducators, and Literacy Intervention Teacher offer daily interventions to address the academic and emotional requirements of students.

Evidence-based educational practices to raise student achievement

The DLI (Dual Language Immersion) program, along with its Biliteracy Unit Frameworks (BUFs), are designed and endorsed based on evidence-based practices to foster multilingualism, biliteracy and exceptional academic performance for students in both English and Spanish. The school employs CHAMPS as its principal classroom management tool to assist students in cultivating disciplined and scholarly behavioral patterns. Furthermore, in grades 6-8, AVID strategies are implemented to nurture essential skills such as note-taking, organization, and critical thinking. Additionally, the employment of Visible Thinking Strategies facilitates students' ability to engage in higher Depths of Knowledge, thereby enhancing the level of rigor in their learning experience.

Parental Engagement

Resources available from family, school, district, and community to assist under-achieving students (ESEA)

Chavez dedicated the past year to revitalizing the culture surrounding parental involvement, taking advantage of the complete lifting of COVID restrictions. The school intends to sustain and build upon the progress made during this period.

Mindset Academy organized several highly regarded and well-attended parent workshops throughout the year. Continuing this positive trajectory, Coach AI will continue engaging both parents and students in his endeavors.

This year marked the return of various family-oriented events, including the Winter Concert, Spring Talent Show, and sports teams. Additionally, a new Día de los Muertos event was introduced, successfully bringing together community cultural groups and the school community. The plan is to maintain these events, as well as organize a Día del Niño event. Furthermore, the school eagerly anticipates hosting its inaugural Open House this year.

To enhance parent involvement at different grade levels, we aim to host Reading and Math Nights. Additionally, we plan to offer Triple P sessions, MICOP Mommy and Me classes, and Healthy Living sessions facilitated by VCPH (Ventura County Public Health).

The school also conducts Back to School Night and trimester parent conferences to keep parents informed and engaged. We actively encourage parents to participate in site-based parent groups such as the School Site Council, Parent Teacher Association (PTA), and the English Learner Advisory Committee (ELAC). These parent groups play a crucial role in the development and oversight of school goals.

Involvement of parents, community representatives, classroom teachers, other school personnel, and students in secondary schools, in the planning, implementation, and evaluation of ConApp programs (5 California Code of Regulations 3932)

Enhancing parental engagement is a key focus at our educational institution. We have meticulously organized a range of parent education and involvement initiatives aimed at fostering collaboration between families and the school community. These events will be thoughtfully scheduled on the central calendar and effectively communicated to all stakeholders through various channels such as the school website, phone calls, PeachJar, email, bulletin boards, and parent meetings.

To ensure comprehensive participation, parents are actively encouraged to partake in crucial decision-making processes by maintaining representation in significant meetings such as the Student Success Team meetings, English Learner Advisory Committee meetings, and Parent Teacher Association meetings. Their valuable involvement in these forums greatly contributes to the overall success of students within the school environment.

Additionally, parents continue to serve on the School Site Council, playing an instrumental role in diligently monitoring the implementation of the School Plan for Student Achievement (SPSA) and ensuring its effective execution.

Funding

Services provided by categorical funds that enable underperforming students to meet standards (ESEA)

Categorical funding will be allocated to bolster evidence-based initial instruction, interventions, and the implementation of the Common Core California State Standards. The primary objective is to enhance student achievement through fostering teacher collaboration and collective efficacy.

This funding is specifically designated for Paraprofessionals serving Transitional Kindergarten (TK) through third-grade students. The overarching aim is to assist Long Term English Learners (LTELs) presently enrolled and to proactively prevent other students from falling into the LTEL category. Additionally, this initiative seeks to promote the attainment of proficient reading skills by the end of third grade.

Collaboration among School Counselors, Outreach Specialists, and Teachers will be integral in formulating comprehensive plans to cater to the needs of Special Populations Student Groups. These groups encompass Migrant students, English Learners, Homeless/Foster students, and African American students.

Fiscal support (EPC)

The district is granted Title I funding due to its classification as a Title I district. All educational sites within the district operate under the "schoolwide" designation. The allocation of Title I funds to each school is determined by the number of eligible students. Subsequently, individual sites assess specific student requirements to determine the most appropriate utilization of these funds. Furthermore, the district disburses Title III funding to sites, enabling them to offer supplementary services or resources aimed at supporting English Learners in reaching high academic success. Additionally, the district benefits from Supplemental and Concentration LCFF funding, which is then allocated to sites to bolster available resources for enhancing student achievement as well as interventions, for students identified of needing additional supports, especially students with disabilities, English learners, Hispanic, and experiences Homelessness.

Educational Partner Involvement

How, when, and with whom did the school consult as part of the planning process for this SPSA/Annual Review and Update?

Involvement Process for the SPSA and Annual Review and Update

The administration actively engaged in collaborative discussions with parents from the School Site Council (SSC) and the English Learner Advisory Committee (ELAC), as well as teachers, during various leadership meetings, staff meetings, and grade level meetings. These consultations played a vital role in the planning process for the School Plan for Student Achievement (SPSA) or Annual Review and Update in the current academic year. Furthermore, a series of SPSA working sessions were conducted with members of the Leadership Team to facilitate the development and composition of the plan.

Resource Inequities

Briefly identify and describe any resource inequities identified as a result of the required needs assessment, as applicable.

Funds were assigned to three Intervention Service Providers to engage in small group activities during regular school hours, but their employment was impeded by widespread staffing shortages throughout the state. Moreover, funds were allocated to facilitate teachers' provision of after-school tutoring in small groups, yet due to limited involvement from both teachers and students, a significant portion of the allocated funding remained unutilized therefore it was reallocated to other priorities such as social emotional Learning and Mindset academy.

School and Student Performance Data

Student Enrollment Enrollment By Student Group

Student Enrollment by Subgroup						
Student Group	Percent of Enrollment			Number of Students		
	20-21	21-22	22-23	20-21	21-22	22-23
American Indian	%	%	0.11%			1
African American	0.2%	1.02%	0.34%	2	10	3
Asian	0.1%	%	0.23%	1		2
Filipino	0.1%	0.31%	0%	1	3	0
Hispanic/Latino	98.1%	96.34%	97.5%	832	947	857
Pacific Islander	0.1%	0.10%	0%	1	1	0
White	1.3%	1.83%	1.71%	11	18	15
Multiple/No Response	%	0.41%	0.11%		4	1
Total Enrollment				848	983	879

Student Enrollment Enrollment By Grade Level

Student Enrollment by Grade Level			
Grade	Number of Students		
	20-21	21-22	22-23
Kindergarten	72	83	91
Grade 1	97	85	75
Grade 2	93	116	77
Grade 3	93	99	99
Grade 4	90	106	85
Grade 5	98	109	97
Grade 6	103	136	116
Grade 7	104	122	115
Grade 8	98	127	124
Total Enrollment	848	983	879

Conclusions based on this data:

The school is predominantly comprised of Hispanic/Latino students (98%), although it is important to note that this data does not fully capture the diverse characteristics within this population. Notably, a significant portion of students belong to the Mixteco indigenous community, which is included in the same demographic category. Students from Mixteco backgrounds often navigate a trilingual environment, presenting challenges for parental support. Approximately 10% of our student body represents this group.

The majority of our students are second-generation U.S. born students, with many being children of long standing members of the our community.

We are currently experiencing a decline in enrollment in our lower grade levels as families are moving out of Oxnard potentially due to the high cost of living in the area.

Furthermore, it is worth mentioning that Chavez has been placed under ATSI monitoring this year. Given the overwhelming majority of Hispanic/Latino students, any actions taken to improve student outcomes will inherently impact our ATSI monitoring category of "Hispanic."

School and Student Performance Data

Student Enrollment English Learner (EL) Enrollment

English Learner (EL) Enrollment						
Student Group	Number of Students			Percent of Students		
	20-21	21-22	22-23	20-21	21-22	22-23
English Learners	479	565	569	56.50%	57.5%	64.7%
Fluent English Proficient (FEP)	231	201	152	27.20%	20.4%	17.3%
Reclassified Fluent English Proficient (RFEP)	47	31	63	9.8%	6%	11%

Conclusions based on this data:

The enrollment of English Learner (EL) students has surpassed 60%, marking the highest percentage in several years. Notably, our reclassification rate has shown a significant increase compared to previous years, with 11% of the total student population (or 23% of those who took the ELPAC and were eligible for reclassification) successfully transitioning out of the EL program by meeting the established criteria for Reclassification.

It is essential to provide targeted support and interventions to middle school students who remain classified as English Learners, particularly Long-Term English Learners (LTELs), in order to help them meet the reclassification criteria. Meanwhile, students in the primary grades of the Dual Language Immersion (DLI) program will prioritize the development of high levels in reading, writing, and oral communication. Additionally, our school-wide emphasis on writing across the curriculum will benefit EL students and establish a solid groundwork for the enhancement of reading and critical thinking abilities.

Recognizing the significant number of English Learners at Chavez and the pressing need for reclassification, we have prioritized the allocation of funds to ensure academic growth for this student population. Furthermore, it is crucial to develop additional support tailored to our Mixteco speaking students, as they possess unique needs stemming from the absence of a written Mixteco language and the typical progression of their language skills (Mixteco first, followed by Spanish, and then English) and support them through their journey of becoming Multilingual and Multicultural.

School and Student Performance Data

Star Early Literacy

Cesar E. Chavez K-8 School											
		Less than Proficient				Proficient				Star Early Literacy Average	
		Level 1		Level 2		Level 3		Level 4			
Grade	Total # Tested	Total	%	Total	%	Total	%	Total	%	Level	Scale Score
Grade K	71	9	13%	8	11%	9	13%	45	63%	4	812
Grade 1	78	18	23%	15	19%	12	15%	33	42%	4	820
Grade 2	69	32	46%	20	29%	9	13%	8	12%	3	853

Conclusions based on this data:

The Early Literacy test is administered to second graders who score below a specified level on the Star Reading assessment. The prevalence of second grade students taking the Early Literacy test at the conclusion of the previous academic year raises concerns. While kindergarten scores remain consistent with pre-pandemic levels and align with the district's average, there is a worrisome decline in the percentage of students meeting or surpassing the benchmark as they progress through the grades. For instance, during the 2021-2022 school year, an overwhelming majority (96%) of Kindergarten students achieved proficiency, but this percentage decreased in first grade. To address this issue, we are implementing targeted academic interventions focused on enhancing literacy development during regular instructional hours. Teachers will engage in a three-week learning cycle to analyze data and identify areas of instructional emphasis.

School and Student Performance Data

Star Reading

Cesar E. Chavez K-8 School											
		Less than Proficient				Proficient				Star Reading Average	
		Level 1		Level 2		Level 3		Level 4			
Grade	Total # Tested	Total	%	Total	%	Total	%	Total	%	Level	Scale Score
Grade 2	77	36	47%	24	31%	10	13%	7	9%	1	876
Grade 3	103	59	57%	21	20%	11	11%	12	12%	1	923
Grade 4	88	53	60%	21	24%	8	9%	6	7%	1	953
Grade 5	95	45	47%	23	24%	22	23%	5	5%	1	1000
Grade 6	127	63	50%	35	28%	26	20%	3	2%	1	1003
Grade 7	115	62	54%	26	23%	26	23%	1	1%	1	1029
Grade 8	121	72	60%	27	22%	19	16%	3	2%	1	1013

Conclusions based on this data:

This data shows a consistent imbalance between Level 1/2 and Level 3/4 throughout all grade levels with the majority of the students performing in the lower levels. This is interesting data, as the data that we reviewed in the Spring was more evenly distributed throughout the bands, and might be an indicator that students were not keeping up with content during the final window.

Level 1 and 2 ranges from 77% (57% level 1, 20% level 2) in grade 3 to 84% (60% level 1 and 34% level 2) in grades 4, with the lowest percentage of level 1 being in 2nd and 5th grades (47%), which constitutes nearly half of the students in the grade level.

The level of students performing in the level 1 and 2 ranges is concerning, especially with its consistency throughout the grade levels. First instruction practices must be evaluated and adjusted, along with targeted remediation and intervention, so that students can recover lost ground and reach grade level targets. Teachers will continue to participate in a 3 week learning cycle and student monitoring conferences to review data and identify instructional focus.

School and Student Performance Data

Star Math

Cesar E. Chavez K-8 School											
		Less than Proficient				Proficient				Star Math Average	
		Level 1		Level 2		Level 3		Level 4			
Grade	Total # Tested	Total	%	Total	%	Total	%	Total	%	Level	Scale Score
Grade 1	80	8	10%	34	43%	38	48%	0	0%	2	857
Grade 2	77	32	42%	23	30%	22	29%	0	0%	2	900
Grade 3	104	43	41%	31	30%	21	20%	9	9%	2	947
Grade 4	87	47	54%	30	34%	9	10%	1	1%	1	961
Grade 5	95	54	57%	28	29%	10	11%	3	3%	1	1012
Grade 6	127	83	65%	35	28%	7	6%	2	2%	1	1006
Grade 7	119	85	71%	23	19%	10	8%	1	1%	1	1019
Grade 8	123	79	64%	28	23%	13	11%	3	2%	1	1045

Conclusions based on this data:

This data is again very interesting, as the data analysis done in the previous window showed much more stability and equal distribution amongst the performance bands. This again may indicate that students were not keeping up with expected content during the last window of instruction.

The number of Level 1 and 2 scores ranges from 93% (65% level 1 and 28% level 2) in 6th grade to 53% (10% level 1 and 43% level 2) in grade 1.

The consistency of low performing scores across the grade levels is concerning. First instruction practices must be evaluated and adjusted, along with targeted remediation and intervention, so that students can recover and reach grade level targets. Overall, data indicates that there is a need to focus on providing intentional academic supports in literacy development during the instructional day. In order to do this, teachers will continue participating in a 3 week learning cycle and student monitoring conferences to review data and identify instructional focus.

All Grades		5.39			64.82			29.79	

Conclusions based on this data:

Overall, the percentage of students at the Met or Exceeded Standards were relatively unchanged from 2021-2022 to 2022-2023 scores. The grade that demonstrated the highest increase in the percent of students in Met or Exceeded was 5th grade going from 19% in 21-22 to 22% in 22-23; while 3rd grade scores were maintained at 23% of students in Met or Exceed both years. Effective strategies in 5th grade will need to be identified and shared. It is essential to highlight that although the percentage of 7th-grade students meeting or exceeding standards experienced a marginal decline, dropping from 26% in the previous year to 25% in the current year, an analysis of the student cohort reveals a noteworthy advancement. Specifically, the proportion of students achieving or exceeding standards increased from 19% during their 6th-grade assessment to 25% during their 7th-grade evaluation, signifying a substantial improvement of 6%. Conversely, the 8th grade cohort exhibited the most substantial decline in the percentage of students meeting or

exceeding standards, regressing from 27% in the 2021-2022 academic year to 17% in the 2022-2023 academic year. This data highlights the ongoing need for substantial efforts in enhancing Language Arts proficiency and standards. To address this, we have established grade-level professional learning communities for educators to engage in data-driven discussions and iterative cycles of inquiry. These endeavors aim to adapt instructional strategies and enhance student performance. It is evident that regular collaboration among grade-level teams is imperative to analyze student performance, establish specific, measurable, achievable, relevant, and time-bound (SMART) goals, administer shared formative assessments, and deliberate on the resultant data. This collaborative approach is essential to tailor instruction and interventions according to the diverse requirements of our students. Furthermore, a pivotal aspect involves ensuring that all instruction adheres to established standards, incorporates achievement level descriptors, and fosters student comprehension of learning objectives and assessment criteria. Regular deployment of formative assessments, closely resembling CAASPP questions, is crucial to facilitate swift evaluation of student progress and timely intervention to secure mastery. Additionally, this process will facilitate the identification and dissemination of effective pedagogical practices across multiple classroom settings, fostering a culture of collaborative learning.

Conclusions based on this data:

Analysis of the 2022-2023 CAASPP scores compared to the previous year's scores revealed positive trends. The percentage of students meeting or exceeding standards increased in several grades: 3rd grade improved from 23% to 27%, 5th grade from 4% to 17%, 6th grade from 6% to 7%, and 8th grade from 6% to 13%. Notably, 5th and 8th grades also displayed cohort-based improvement.

However, math remains an ongoing concern, prompting our continued focus. To address this, we will support teachers in creating shared assessments to analyze learning and student data (grade-level standards) more frequently. Our Site Instructional Leadership Team will guide instructional and socio-emotional initiatives, collaborating with PLCs and instructional partners. Data discussions will steer instruction, intervention, and enrichment. Teachers are emphasizing math problem-solving and writing, utilizing student data for targeted interventions and Jo Boaler strategies to reduce learning gaps.

All Grades	8.12	19.07		68.27	72.75		23.60	8.17		394	367	

Conclusions based on this data:

Preliminary ELPAC scores, indicate that we progressively continue to increase the number of students scoring at Level 4 and Level 3. This year, we had 11% of English Learners reclassified during the 2022-2023 school year. (N=63), this was an increase from last year. Our school's emphasis on English Learners and language development allowed for more intentional focus and growth with our students. Our ELPAC Bootcamp and focus on English Learner strategies in and outside the classroom made a big difference. The data for the 2021-2022 and 2022-2023 school years indicates that the Writing Domain is the lowest scoring with 0/0% of all ELs scoring at Level 4 in grade 8 over the two prior years, with highest percentage of students scoring at 28.57% in level 4 in 4th grade. Because of this, our school will focus on writing across the all grades and curricular areas. Our school will be partnering with Read, Think, Write Group to incorporate more writing across all curricular areas.

School and Student Performance Data

Student Population

For the past two years, many state and federal accountability requirements were waived or adjusted due to the impact of the COVID-19 pandemic on LEAs, schools, and students. Beginning with the 2021-22 school year, the requirements to hold schools and districts accountable for student outcomes has returned with the release of the 2022 California School Dashboard (Dashboard). The Every Student Succeeds Act is requiring all states to determine schools eligible for support. Similarly, under state law, Assembly Bill (AB) 130, which was signed into law in 2021, mandates the return of the Dashboard using only current year performance data to determine LEAs for support. Therefore, to meet this state requirement, only the 2021-22 school year data will be reported on the 2022 Dashboard for state indicators. (Data for Change [or the difference from prior year] and performance colors will not be reported.)

This section provides information about the school's student population.

2021-22 Student Population			
Total Enrollment	Socioeconomically Disadvantaged	English Learners	Foster Youth
983	94.4	57.5	0.3
Total Number of Students enrolled in Cesar E. Chavez K-8 School.	Students who are eligible for free or reduced priced meals; or have parents/guardians who did not receive a high school diploma.	Students who are learning to communicate effectively in English, typically requiring instruction in both the English Language and in their academic courses.	Students whose well being is the responsibility of a court.

2021-22 Enrollment for All Students/Student Group		
Student Group	Total	Percentage
English Learners	565	57.5
Foster Youth	3	0.3
Homeless	135	13.7
Socioeconomically Disadvantaged	928	94.4
Students with Disabilities	107	10.9

Enrollment by Race/Ethnicity		
Student Group	Total	Percentage
African American	10	1.0
American Indian		
Asian		
Filipino	3	0.3
Hispanic	947	96.3
Two or More Races	4	0.4
Pacific Islander	1	0.1
White	18	1.8

Conclusions based on this data:

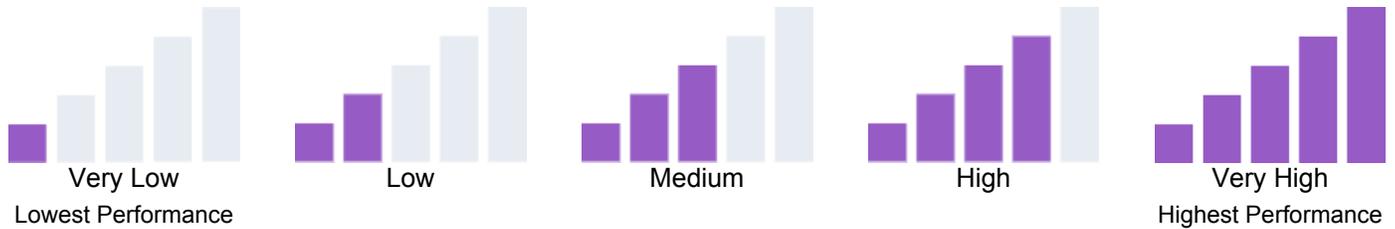

If current patterns persist, it is projected that our enrollment for the current year will experience a minor decline. However, the percentages of English Learners (EL) and students with socio-economic disadvantages (SED) are expected to remain consistent with previous years. Our strategic focus on delivering robust initial instruction, implementing targeted interventions informed by data analysis, and offering comprehensive support services to address the holistic needs of EL and SED students, as well as foster youth, homeless students, and those with disabilities, will persist. Notably, the percentage of students with disabilities has consistently shown an upward trend in recent years. Given the significant presence of English Learners in our school, it is imperative that we tailor our instruction to meet their specific needs and diligently monitor their progress to ensure continual improvement in language acquisition. To achieve this objective, teachers will diligently provide both Designated and Integrated English Language Development (ELD) instruction.

School and Student Performance Data

Overall Performance

Due to the COVID-19 pandemic, state law allows the 2022 Dashboard to only display the most current year of data (also known as Status). For this year only, performance levels will be reported using one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low) for state measures. Please note that the Status levels associated with the Chronic Absenteeism and Suspension Rate Indicators are reversed (ranging from Very Low, Low, Medium, High, and Very High). Information regarding this year's Dashboard data is available within the [Dashboard Communications Toolkit](#).

Because performance on state measures is based on current year (i.e., 2021-22) results only for the 2022 Dashboard, the color dials have been replaced with one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low).

2022 Fall Dashboard Overall Performance for All Students

Conclusions based on this data:

Our K-8 school has dedicated significant efforts towards cultivating a positive school culture within classrooms and throughout the campus, with the aim of attending to the academic and socio-emotional well-being of students. While we have observed modest improvements in English Language Arts (ELA) and Math, there remains a considerable need for improvement across all subject areas. The progress made in math during the early years is counteracted by a stagnation or decline as students progress to higher grades. To tackle this issue, we are actively addressing the decline

through Professional Learning Communities (PLCs) that center around DuFour's four essential questions and the Cycle of Inquiry. It is important to note that chronic absenteeism and suspension rates contribute to this decline. As we move forward, our primary focus will be on fostering continuous growth across all grade levels.

School and Student Performance Data

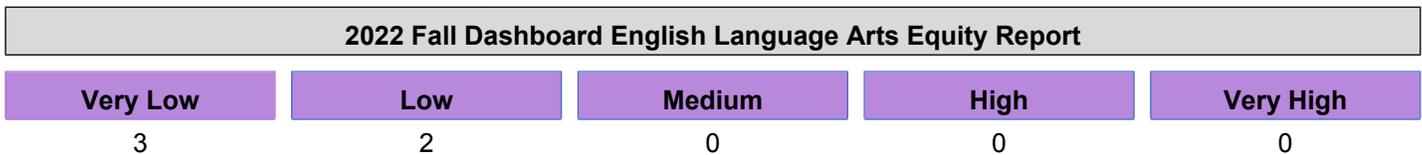

Academic Performance English Language Arts

Due to the COVID-19 pandemic, state law allows the 2022 Dashboard to only display the most current year of data (also known as Status). For this year only, performance levels will be reported using one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low) for state measures. Please note that the Status levels associated with the Chronic Absenteeism and Suspension Rate Indicators are reversed (ranging from Very Low, Low, Medium, High, and Very High). Information regarding this year's Dashboard data is available within the [Dashboard Communications Toolkit](#).

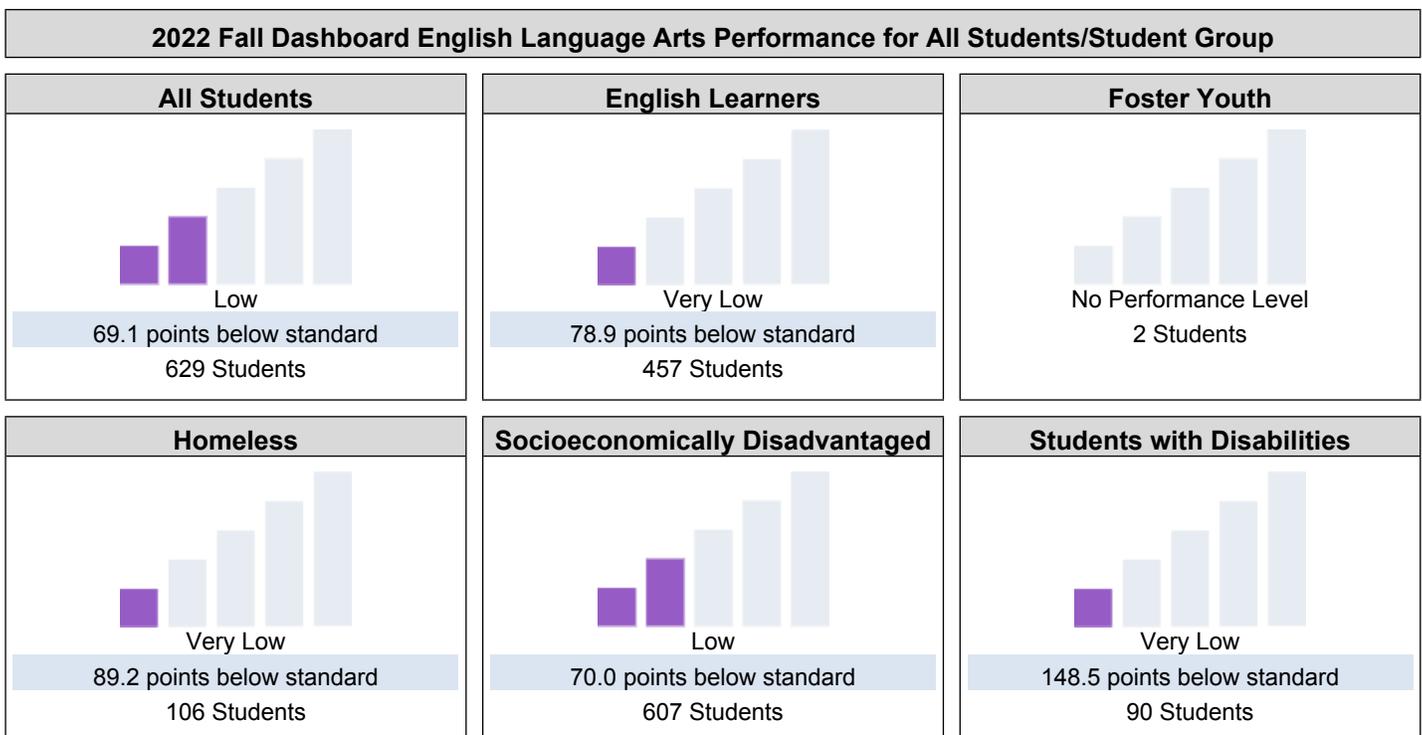

Because performance on state measures is based on current year (i.e., 2021-22) results only for the 2022 Dashboard, the color dials have been replaced with one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low).

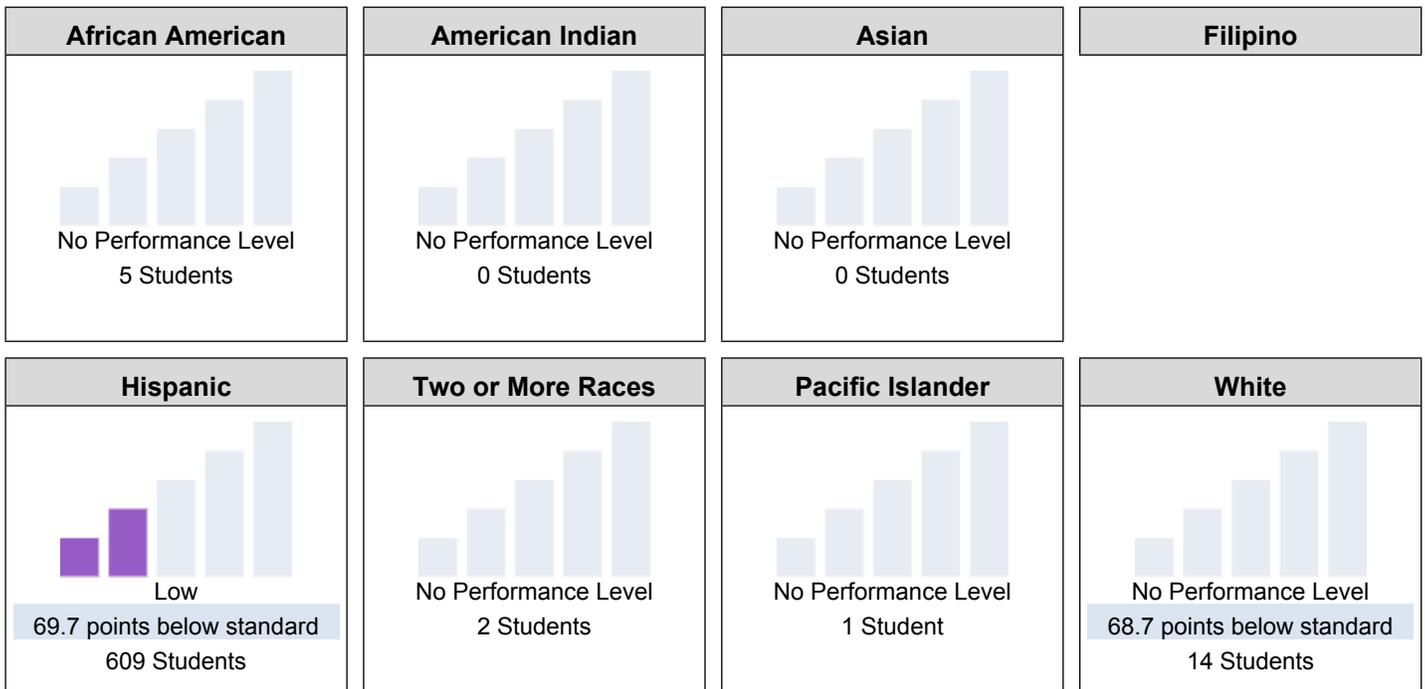

This section provides number of student groups in each level.

This section provides a view of how well students are meeting grade-level standards on the English Language Arts assessment. This measure is based on student performance on either the Smarter Balanced Summative Assessment or the California Alternate Assessment, which is taken annually by students in grades 3–8 and grade 11.

2022 Fall Dashboard English Language Arts Performance by Race/Ethnicity

This section provides additional information on distance from standard for current English learners, prior or Reclassified English learners, and English Only students in English Language Arts.

2022 Fall Dashboard English Language Arts Data Comparisons for English Learners

Current English Learner	Reclassified English Learners	English Only
96.4 points below standard 302 Students	44.9 points below standard 155 Students	53.6 points below standard 120 Students

Conclusions based on this data:

The analysis indicates that students within each subgroup demonstrated an improvement in their average scale scores. However, it is noteworthy that students classified as current English learners (ELs) persistently exhibit the greatest disparity from the established standards. While long-term English learners (LTELs) remain a subgroup of particular concern, we are observing a positive trend of reclassifying students in grades 3, 4, and 5 as proficient. To bridge the gap and reduce the deficit from the standards, it is crucial to provide comprehensive and effective initial instruction, incorporating both integrated and targeted English language development (ELD) interventions across all grade levels. Moreover, a specific focus on interventions tailored to LTELs is necessary to facilitate their progress within this subgroup.

School and Student Performance Data

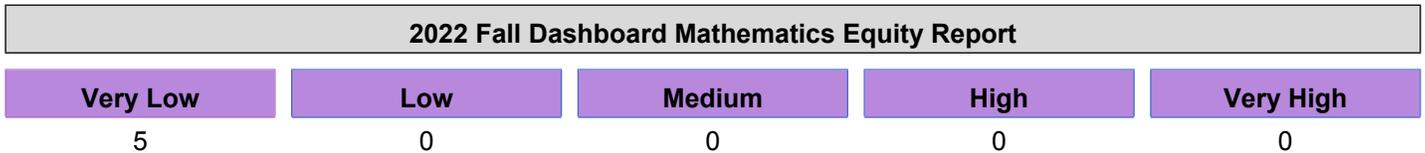

Academic Performance Mathematics

Due to the COVID-19 pandemic, state law allows the 2022 Dashboard to only display the most current year of data (also known as Status). For this year only, performance levels will be reported using one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low) for state measures. Please note that the Status levels associated with the Chronic Absenteeism and Suspension Rate Indicators are reversed (ranging from Very Low, Low, Medium, High, and Very High). Information regarding this year's Dashboard data is available within the [Dashboard Communications Toolkit](#).

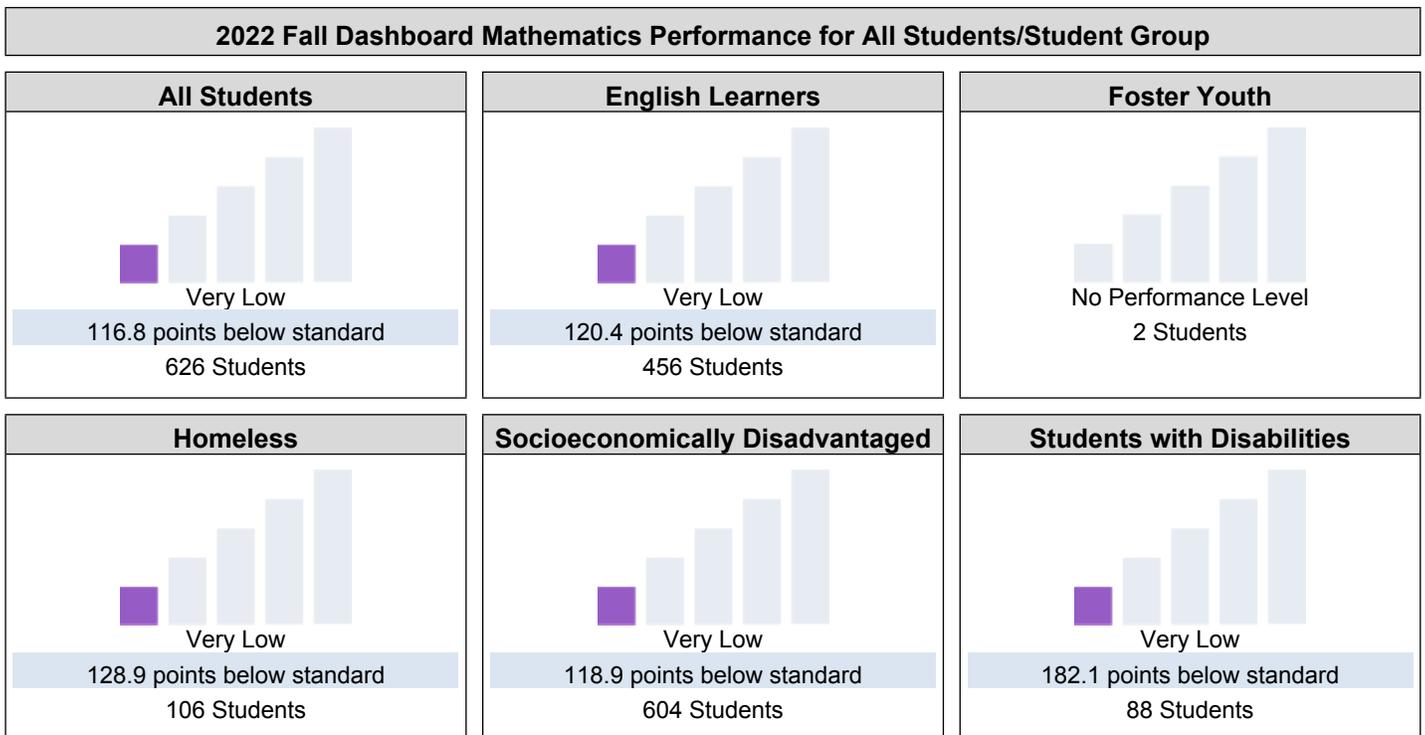

Because performance on state measures is based on current year (i.e., 2021-22) results only for the 2022 Dashboard, the color dials have been replaced with one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low).

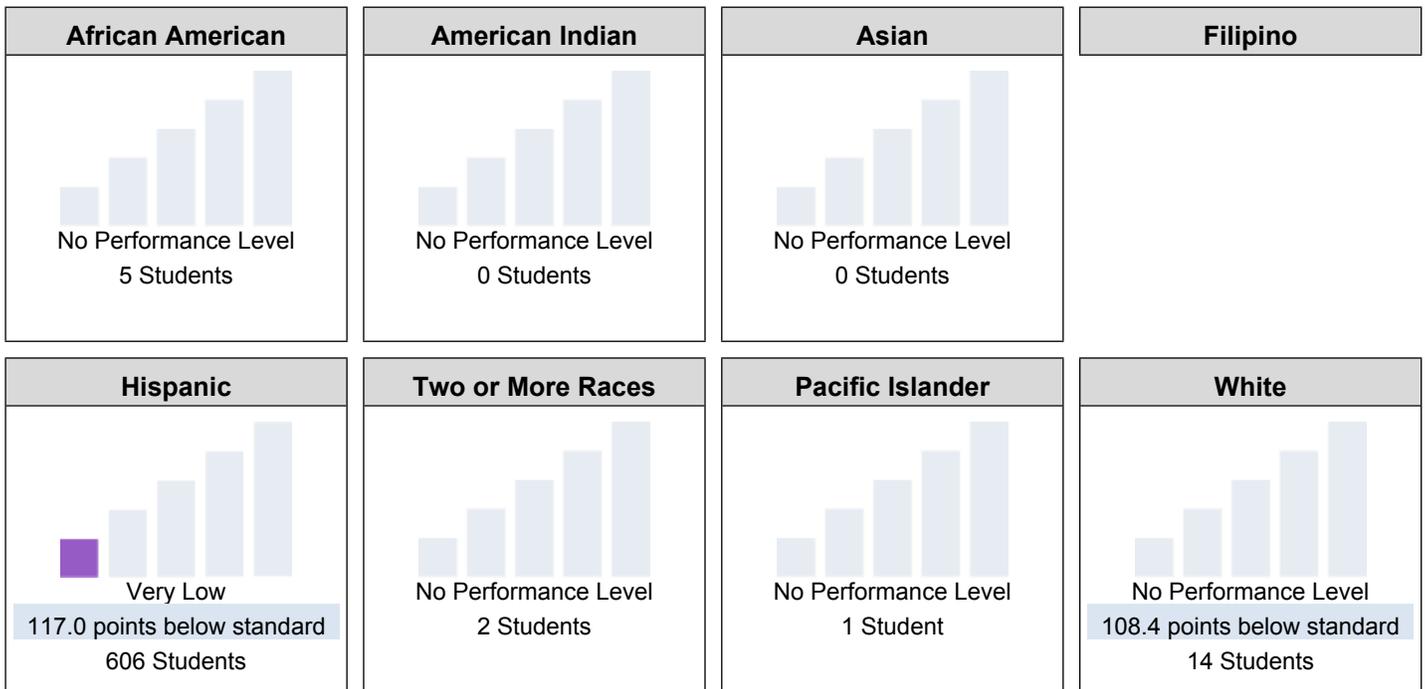

This section provides number of student groups in each level.

This section provides a view of how well students are meeting grade-level standards on the Mathematics assessment. This measure is based on student performance either on the Smarter Balanced Summative Assessment or the California Alternate Assessment, which is taken annually by students in grades 3–8 and grade 11.

2022 Fall Dashboard Mathematics Performance by Race/Ethnicity

This section provides additional information on distance from standard for current English learners, prior or Reclassified English learners, and English Only students in mathematics

2022 Fall Dashboard Mathematics Data Comparisons for English Learners

Current English Learner	Reclassified English Learners	English Only
<p style="background-color: #e0e0e0;">125.8 points below standard</p> <p>301 Students</p>	<p style="background-color: #e0e0e0;">109.9 points below standard</p> <p>155 Students</p>	<p style="background-color: #e0e0e0;">110.9 points below standard</p> <p>121 Students</p>

Conclusions based on this data:

Based on an analysis of our school's performance, it can be concluded that our school has been classified as in need of support under the designation of "ATSI" (Additional Targeted Support & Improvement) status this year. This determination arises from the fact that all subgroups within our school have demonstrated minimal progress in the field of mathematics, consistently remaining significantly below the expected standards. Notably, students designated as "RFEP" have the lowest "distance from met" despite being underperforming.

In order to foster improvement across all subgroups, it is imperative that we prioritize a comprehensive approach. This should entail the implementation of intentional, standards-based instruction and targeted interventions. Additionally, measures such as reducing class sizes in middle school, incorporating writing into the mathematics curriculum, and emphasizing problem-solving skills are crucial. Furthermore, it is essential to foster collaboration and knowledge-sharing among educators through Professional Learning Communities (PLCs) in order to disseminate effective practices and facilitate growth across the board.

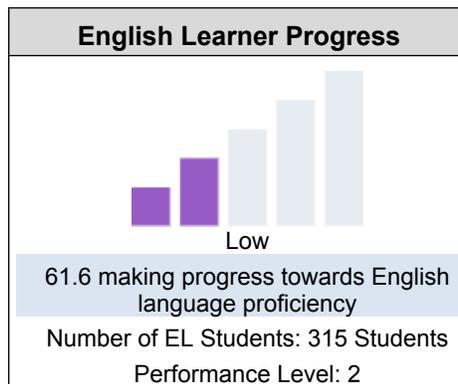

School and Student Performance Data

Academic Performance English Learner Progress

Due to the COVID-19 pandemic, state law allows the 2022 Dashboard to only display the most current year of data (also known as Status). For this year only, performance levels will be reported using one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low) for state measures. Please note that the Status levels associated with the Chronic Absenteeism and Suspension Rate Indicators are reversed (ranging from Very Low, Low, Medium, High, and Very High). Information regarding this year's Dashboard data is available within the [Dashboard Communications Toolkit](#).

This section provides information on the percentage of current EL students making progress towards English language proficiency or maintaining the highest level.

2022 Fall Dashboard English Learner Progress Indicator

This section provides a view of the percentage of current EL students who progressed at least one ELPI level, maintained ELPI level 4, maintained lower ELPI levels (i.e, levels 1, 2L, 2H, 3L, or 3H), or decreased at least one ELPI Level.

2022 Fall Dashboard Student English Language Acquisition Results

Decreased One ELPI Level	Maintained ELPI Level 1, 2L, 2H, 3L, or 3H	Maintained ELPI Level 4	Progressed At Least One ELPI Level
10.2%	28.3%	0.3%	61.3%

Conclusions based on this data:

It can be inferred that significant progress has been achieved in the English Learner Progress domain, as the majority of students have attained level 3 or 4 scores. Notably, a substantial proportion of students who have successfully met reclassification criteria belong to grades 3, 4, and 5. Consequently, there is a need to increase the number of English Language learners that are reclassified in middle school to a level 4 in order to facilitate their reclassification. Moving forward, our commitment to supporting both English Learner students and Long-Term English Learners (LTELs) will be manifested through the implementation of a comprehensive school-wide writing program, integration of English Language Development (ELD) instruction across the curriculum, targeted interventions tailored to their specific needs, as well as daily emphasis on Accelerated Reader (AR) independent reading.

School and Student Performance Data

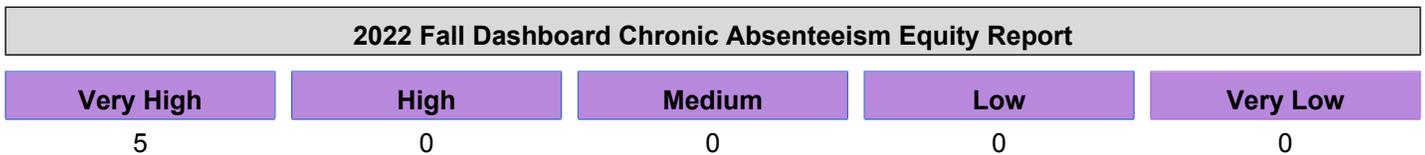

Academic Engagement Chronic Absenteeism

Due to the COVID-19 pandemic, state law allows the 2022 Dashboard to only display the most current year of data (also known as Status). For this year only, performance levels will be reported using one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low) for state measures. Please note that the Status levels associated with the Chronic Absenteeism and Suspension Rate Indicators are reversed (ranging from Very Low, Low, Medium, High, and Very High). Information regarding this year's Dashboard data is available within the [Dashboard Communications Toolkit](#).

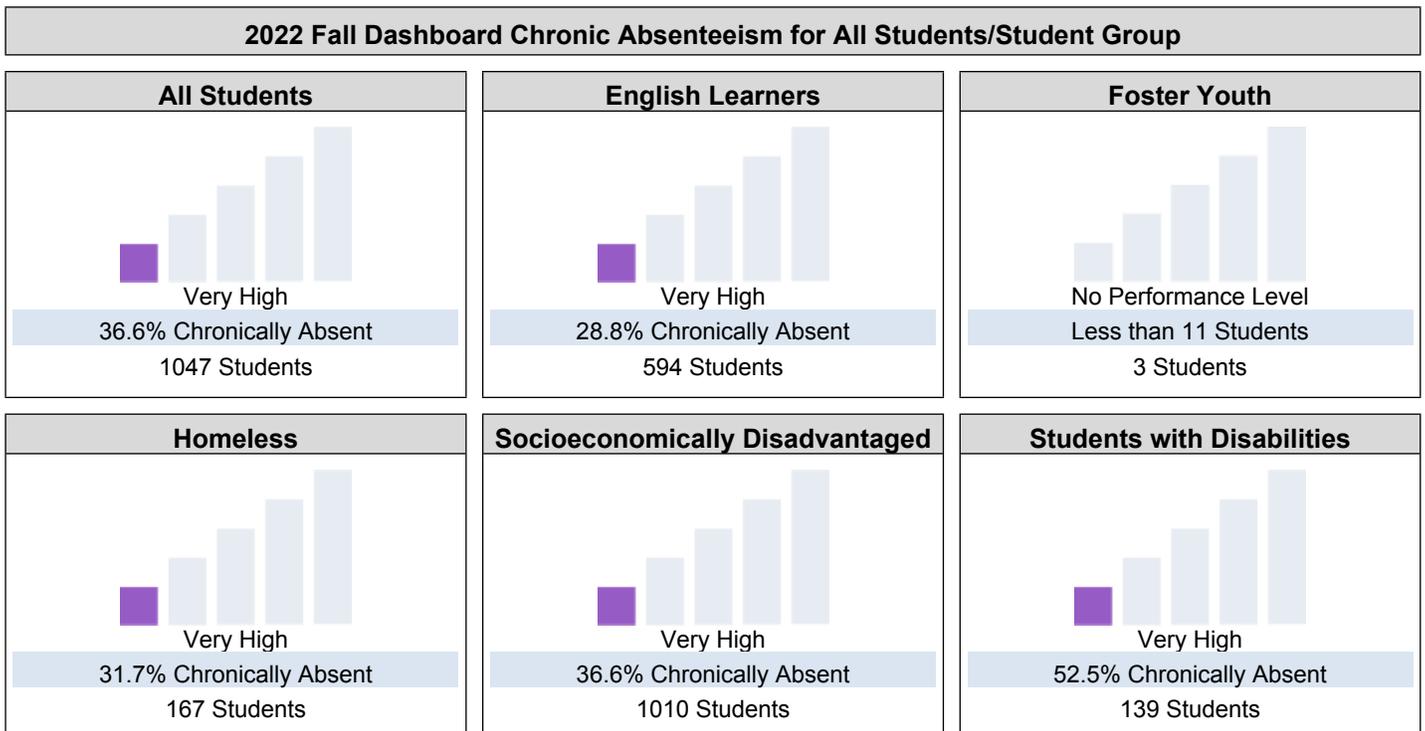

Because performance on state measures is based on current year (i.e., 2021-22) results only for the 2022 Dashboard, the color dials have been replaced with one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low).

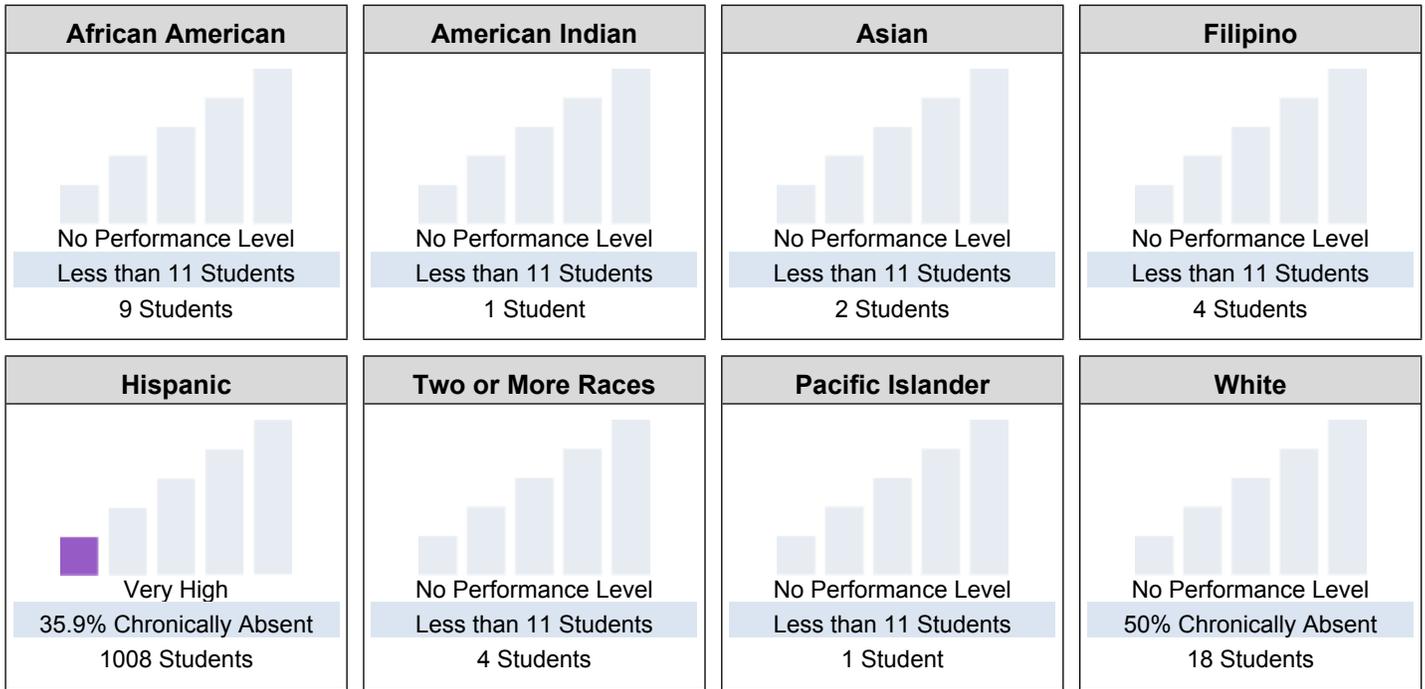

This section provides number of student groups in each level.

This section provides information about the percentage of students in kindergarten through grade 8 who are absent 10 percent or more of the instructional days they were enrolled.

2022 Fall Dashboard Chronic Absenteeism by Race/Ethnicity

Conclusions based on this data:

The percentage of students displaying chronic absenteeism remained relatively stable across all subgroups, with the exception of the homeless subgroup, where a noticeable change was observed. In light of this, our ORC will be implementing an attendance incentive program aimed at reducing chronic absenteeism and promoting regular student attendance. The issue of absenteeism's correlation with student academic performance is being actively addressed through various means such as parent meetings, telephone conversations, and individual student interventions. We are currently focused on identifying the underlying causes of absences and collaborating with families to overcome barriers hindering attendance.

School and Student Performance Data

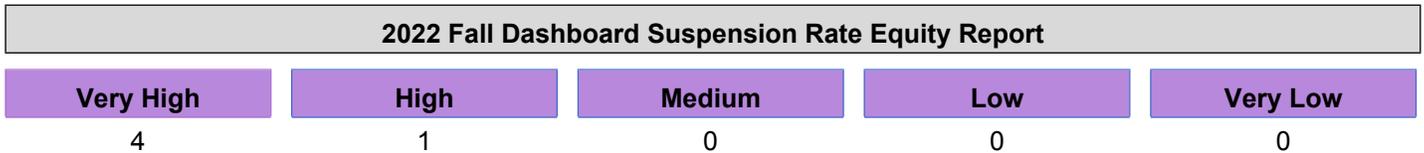

Conditions & Climate Suspension Rate

Due to the COVID-19 pandemic, state law allows the 2022 Dashboard to only display the most current year of data (also known as Status). For this year only, performance levels will be reported using one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low) for state measures. Please note that the Status levels associated with the Chronic Absenteeism and Suspension Rate Indicators are reversed (ranging from Very Low, Low, Medium, High, and Very High). Information regarding this year's Dashboard data is available within the [Dashboard Communications Toolkit](#).

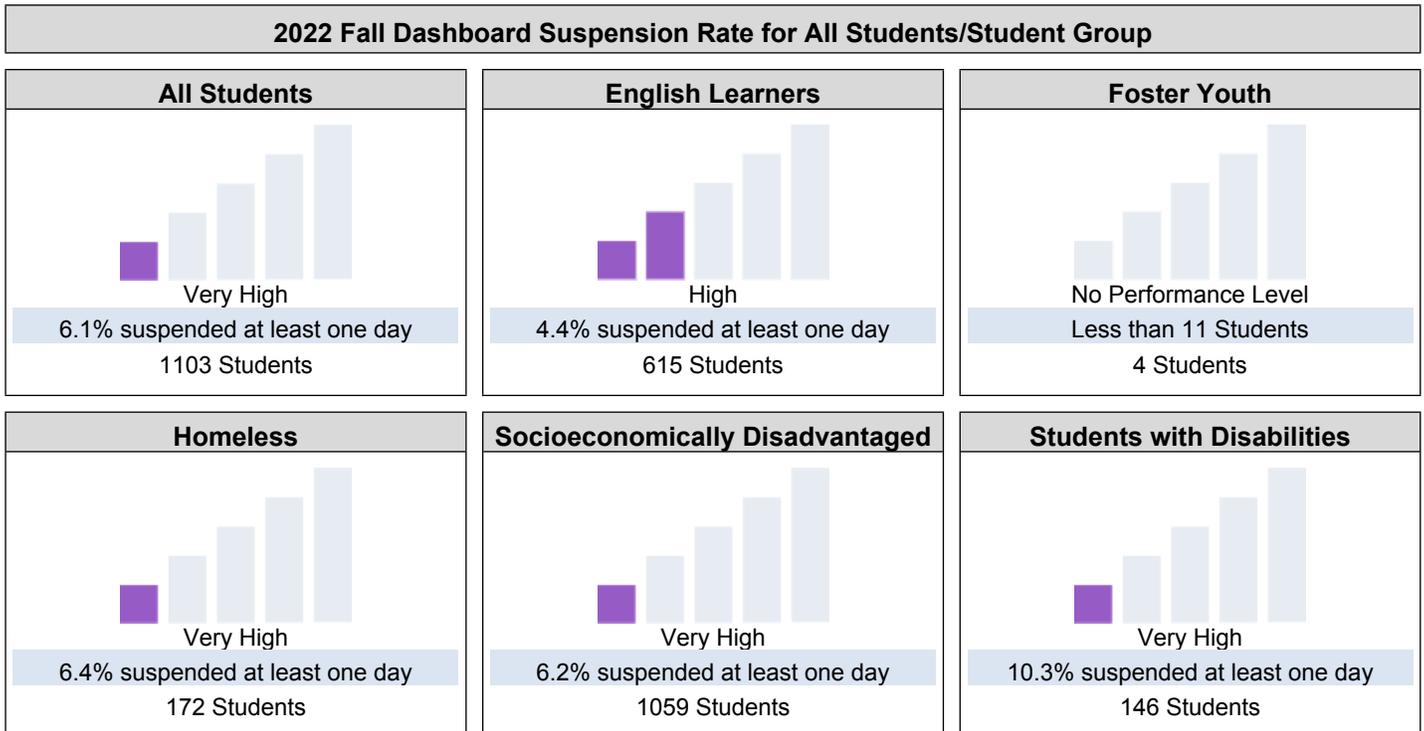

Because performance on state measures is based on current year (i.e., 2021-22) results only for the 2022 Dashboard, the color dials have been replaced with one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low).

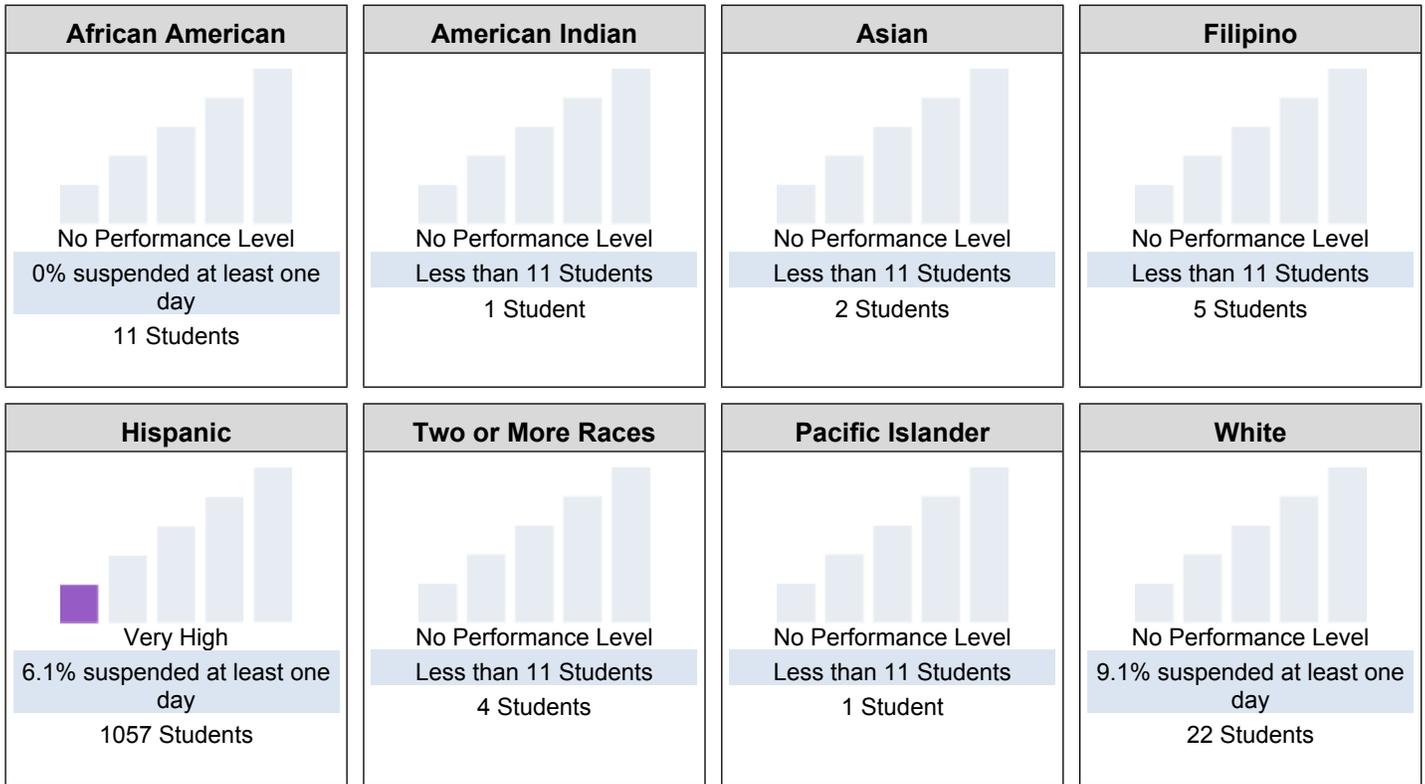

This section provides number of student groups in each level.

This section provides information about the percentage of students in kindergarten through grade 12 who have been suspended at least once in a given school year. Students who are suspended multiple times are only counted once.

2022 Fall Dashboard Suspension Rate by Race/Ethnicity

Conclusions based on this data:

The suspension rate observed in the last two years has demonstrated either a stable or decreasing trend across all subgroups. The combined efforts of our PBIS team, implementation of restorative justice practices, and emphasis on fostering a positive school climate have resulted in a reduction of office referrals for offenses that traditionally warranted suspension. However, it is important to note that certain issues, which were previously addressed through alternative corrective measures, may still necessitate the use of suspension as a disciplinary action. An example of this is the escalating use of vaping among middle school students. Matters like vaping will be proactively addressed through various means, including expectation assemblies, SEL class lessons, TUPE lessons, and engagement with parent groups such as Coffee with the Principal.

Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

Goal Subject

Language Arts and Math

LEA/LCAP Goal

All students will reach high academic standards in reading and mathematics.

Goal 1

All Students will reach high standards, at a minimum, attaining proficiency or better in reading and mathematics.

Identified Need

To increase the capacity of teachers to deliver effective first instruction and data-driven instruction
 To provide opportunities for teachers to collaborate to improve teaching and learning
 To provide equipment, materials and technology resources that support high quality instruction

Annual Measurable Outcomes

Complete a copy of the Strategy/Activity table for each of the school’s strategies/activities. Duplicate the table, including Proposed Expenditures, as needed.

Strategy/Activity 1

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All students

Strategy/Activity

Provide appropriate operating costs to ensure full access to equipment, materials, supplies and services to support the core instructional programs and instrument repairs. Repair and/or replace instructional and office technology equipment.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)	Source(s)
20000	LCFF 4000-4999: Books And Supplies Warehouse Materials
1000	LCFF 5000-5999: Services And Other Operating Expenditures Maintenance Agreement for office equipment
1000	LCFF 5700-5799: Transfers Of Direct Costs Publication and Graphic Services

4000

LCFF
4000-4999: Books And Supplies
other materials and supplies

Strategy/Activity 2

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)
This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All students

Strategy/Activity

Full Implementation of systematic instruction of Language Arts, Mathematics, and English Language Development via first Instruction and using district adopted curriculum materials.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

Source(s)

District Funded
1000-1999: Certificated Personnel Salaries
Curriculum materials

Strategy/Activity 3

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)
This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

8th Grade Students

Strategy/Activity

Counselor will hold presentations for 8th grade students addressing the following topics: How to succeed in school, calculating your GPA, promotion requirements.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

Source(s)

District Funded
1000-1999: Certificated Personnel Salaries
counselor salary

Strategy/Activity 4

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All Students

Strategy/Activity

Grade-level teachers will continue to develop a guaranteed and viable curriculum through identifying priority standards, learning targets and “I” can statements. As this work is completed, the shift will progress to professional learning opportunities focused toward developing common formative assessments, intervention schedules, and intervention lesson design to address remediation or reteaching student learning needs. Furthermore, 3 week learning cycles will be introduced/coached to support teachers in moving from assessment to intervention with a focus on building their capacity to effectively engage student learning needs throughout the cycle. This work will be designed to support site leaders and teacher leaders in engaging in targeted observation/feedback cycles and curriculum/assessment calendar design within short cycles of improvement as the method for designing the path for teachers to maximize student learning. Finally, school leadership will partner to design an implementation plan that maximizes staff collective expertise as a means for deepening student learning.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

15000

Source(s)

LCFF

5800: Professional/Consulting Services And Operating Expenditures
RAMSE Consulting services to provide professional development on Professional Learning Communities to whole staff and coaching to Leadership Team and administration.

Strategy/Activity 5

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All students

Strategy/Activity

Conduct Student Monitoring Conferences facilitated by Administration 3 times per year to analyze the STAR 360 Reading, Mathematics, and Early Literacy and/or other curriculum embedded assessment data and identify patterns of academic growth, address students learning needs, identify students who are at risk of not meeting grade level goals, identify additional supports to address these needs.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)	Source(s)
2400	LCFF 1000-1999: Certificated Personnel Salaries Cost of substitutes 4 days 3 times for the year (\$200 per day)

Strategy/Activity 6

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Middle School: English Learners, Migrant, Foster, African American and Homeless

Strategy/Activity

Teachers will provide small group instruction and offer extra support for students' work completion in efforts to decrease the number of Ds and Fs. Additionally, administration will hold student assemblies and parent meetings to review academic expectations and share promotion requirements.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)	Source(s)
	District Funded 1000-1999: Certificated Personnel Salaries Teacher

Strategy/Activity 7

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All students

Strategy/Activity

Continue implementation of school wide systematic writing instruction (K-8) based on Common Core Writing Standards. Writing assessments in all genres will be administered to students 3 times a year. Writing will be analyzed and monitored by teachers during collaboration each trimester to calibrate and identify patterns of academic growth and to guide first instruction. This will be done by grade level and in vertical collaboration teams.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)	Source(s)
	District Funded 1000-1999: Certificated Personnel Salaries Teacher Salaries
24000	LCFF 5800: Professional/Consulting Services And Operating Expenditures Think, Read, Write

Strategy/Activity 8

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All Students

Strategy/Activity

In order to provide students with enrichment opportunities, Art Trek, Inc. will provide art lessons to student while their teachers participate in the 3 week cycle of Teacher Collaboration (See Goal 1 Strategy #4).

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)	Source(s)
39900	LCFF 5000-5999: Services And Other Operating Expenditures Art Trek, Inc. student lessons to release teachers for 3 Week Cycle Collaboration

Strategy/Activity 9

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All students

Strategy/Activity

Continue implementing the MTSS Model of supports for students. through the MTSS and SST process in order to identify and disrupt barriers that limit the success of our students and provide Tier I, II, and III-level interventions in small group to students below grade level in ELA and Math during Core Instruction, ELD, and before/after school tutoring. Their progress will be monitored.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)	Source(s)
2000	LCFF 1000-1999: Certificated Personnel Salaries Substitute Teachers
	District Funded 1000-1999: Certificated Personnel Salaries 1 Literacy Intervention teacher District funded to provide reading intervention with use of LLI Program

7283	LCFF - Intervention 1000-1999: Certificated Personnel Salaries Teacher extra hours for tutoring

Strategy/Activity 10

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All students

Strategy/Activity

All students will be reading by third grade. The Accelerated Reader program will be implemented and monitored by teachers. Students in grades 3rd to 8th will be required to read independently to meet their trimester point goals with 80% accuracy. Students in Kinder to 2nd grade will be required to read independently at least 8 books per trimester with 80% accuracy. Provide incentives for those that reach their goals. Provide professional development in AR to all teachers to ensure full participation and maximize implementation of the AR program.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 12

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

English Learners

Strategy/Activity

Teachers will provide Designated and Integrated ELD instruction to increase English Language proficiency. Teachers will ensure full implementation of district adopted ELD curriculum and provide supports with use of scaffolds and strategies to make the content comprehensible to the English Learners. Ensure that appropriate time in ELD is provided on a daily basis through class schedules and classroom observations.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)	Source(s)
	District Funded 1000-1999: Certificated Personnel Salaries Salaries

Strategy/Activity 13

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Long Term English Learners, Homeless, SED and Special Education

Strategy/Activity

Conduct progress monitoring of English Learners, Long Term English Learners (LTELS) and recently reclassified students through the LAT process as outlined in the EL Master Plan with the support of the Director of EL Services. To mitigate low performance, the school will provide an intervention support teacher or outside service provider (pending staffing) to offer small group instruction and offer after school tutoring for ELs students who are not meeting or are falling behind in their academic goals.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)	Source(s)
	LCFF 1000-1999: Certificated Personnel Salaries Cost for substitutes (See Goal #1 Activity 10)
2457	Title III 1000-1999: Certificated Personnel Salaries Teacher extra hours Tutoring

Strategy/Activity 14

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Students in DLI program in K-8th grade

Strategy/Activity

Implement the Dual Language Immersion Program in Kindergarten through Eighth Grade. In K-5, teachers will implement the Biliteracy Unit Framework roll out from the DLI units created for student achievement. Teachers will collaborate in order to plan first instruction and analyze data with the support of the instructional coach.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Field Trip services

Strategy/Activity 29

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All students, with a focus on Homeless, Hispanic, SED, and SWD.

Strategy/Activity

Provide family education nights (ex. literacy, math, SEL) to enable and develop family academic support.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

400

Source(s)

LCFF
1000-1999: Certificated Personnel Salaries
Extra hours for Certificated Personnel

LCFF
4000-4999: Books And Supplies
Copies, promotional materials, incentives for attendees (See Goal #1 Strategy #1)

100

LCFF
2000-2999: Classified Personnel Salaries
Extra hours for personnel for child care.

Strategy/Activity 30

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All Students

Strategy/Activity

Create project-based learning showcases (cross curricular middle school projects, passion projects, etc.) to have students reach collaboration, innovation, and problem solver aspects of the OSD student profile.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

Source(s)

District Funded
1000-1999: Certificated Personnel Salaries

Strategy/Activity 31

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All students

Strategy/Activity

The school will provide opportunities for teachers to attend professional development in ELA, DLI, Math, and ELD in integrated and designated ELD to improve instructional practices, improve student progress and engagement. (District adopted technology platforms and programs Lexia, St Math, canvas, PLC, etc...)

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

2000

Source(s)

LCFF
1000-1999: Certificated Personnel Salaries
teacher extra hours to attend PD

Strategy/Activity 32

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Middle School students

Strategy/Activity

Academic incentives will be provided to motivate and engage students in Middle School to maintain targeted GPA. Grades will be checked at semi-random intervals and students who receive the target goal will gain the immediate reward. Some of the checks will be connected to progress reports, some will be random. Teachers will be given a one week advanced notice to the check so that they will have time to prepare and update grades. There will also be rewards for other behaviors (tardies, etc.)

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Annual Review

SPSA Year Reviewed: 2022-23

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required and this section may be deleted.

ANALYSIS

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

Based on the STAR 360 results for the 22-23 school year, we observed overall improvement in most grade levels, with the majority of students demonstrating progress (SGP of 35 or higher). This suggests that the strategies and actions outlined in last year's plan were effective in achieving our objectives. Notably, the implementation of 3-week cycles, where teachers collaborated and shared lesson plans and formative assessments, proved to be a successful approach for facilitating high-quality, standards-based instruction. While we acknowledge these score improvements, we recognize that there is still a considerable distance to cover in order to achieve our ultimate goal of proficiency or higher for all students. Consequently, we will continue pursuing many of the goals established in last year's plan.

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

Funds have been assigned to bolster support for initiatives taken in the previous year: improving the effectiveness of professional learning communities, utilizing the cycle of inquiry, 3-week Cycles, monitoring student progress through MTSS, and extending opportunities for students to learn and meet goals. Additionally, support is being provided to support the Biliteracy program and support for our ELD students.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

Cesar E. Chavez School will ensure that the metrics, goals and expected outcomes are monitored at least 3 times during the year. The CAASP test is being re-instated this year, so this will serve as

new baseline data for future progress monitoring. Appropriate goals will be set in next year's SPSA. Maintaining a focus on data analysis during our PLCs will help grade levels monitor student progress at all levels, inform instruction, and identify students for intervention or enrichment opportunities when needed. Funding will be allocated to support the training in the area of writing, standards based planning of instruction and implementation of PLCs which will set cohesive instructional goals for the school and develop pathways to attain them. Additionally, we will be collaborating with EdPartners to provide support for our Middle School Program in preparing our students for High School and College and Career.

Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

Goal Subject

Social Emotional Support and School Climate

LEA/LCAP Goal

The social-emotional, health and well-being needs of students will be met in a learning environment that is safe, drug-free and conducive to learning.

Goal 2

The social-emotional, health and well-being needs of students will be met in a learning environment that is safe, drug-free and conducive to learning.

Identified Need

To increase positive attendance
 To decrease the suspension rate
 To increase positive behavior
 To provide wrap-around services to ensure students come to school ready to learn

Annual Measurable Outcomes

Metric/Indicator	Baseline/Actual Outcome	Expected Outcome
Attendance Rates Chronic Absenteeism	<p>Based on the 2022-2023 end of year attendance report, Chavez had an overall Enrollment of 815 students with 93.29% Average Daily Attendance Rate.</p> <p>214 students chronically absent = 26%</p> <ul style="list-style-type: none"> • 110 EL =13.5% • 50 Homeless = 6% • 41 RSP = 5% • 210 Hispanic =25.7% 	<p>New Baseline will be set in 2022-2023 because due to the Pandemic the attendance was impacted.</p> <p>Increase Chavez attendance rate to 98%.</p> <p>Decrease the amount of student chronic absenteeism by 10%.</p>
Suspension Rates	<p>As of report run on 6/4/23, number of suspension incidents was 52.</p> <p>English Learners: 25 SWD: 11 Homeless: 4 Hispanic: 50</p>	<p>Decrease the amount of school suspensions by 50%</p>

Metric/Indicator	Baseline/Actual Outcome	Expected Outcome
Panorama Survey	<p>Grades 3-5</p> <p>Teacher Student Relationships: 77% (-2)</p> <p>Sense of Belonging: 63% (-4)</p> <p>Self Management: 62% (-2)</p> <p>Social Awareness: 65% (-5)</p> <p>Growth Mindset 59% (-5)</p> <p>Engagement 56% (-6)</p> <p>Emotional Regulation 47% (-4)</p> <p>Grades 6-8</p> <p>Self Management 53% (-4)</p> <p>Social Awareness 46% (-2)</p> <p>Growth Mindset 45% (+1)</p> <p>Teacher-Student Relationships 45% (0)</p> <p>Emotional Regulation 41% (0)</p> <p>Sense of Belonging 36% (-4)</p> <p>Engagement 29% (-3)</p>	Increase the percent of students in each category by 20%

Annual Review

SPSA Year Reviewed: 2022-23

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required and this section may be deleted.

ANALYSIS

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

Suspension rate was less than half of the previous years due to increase in PBIS strategies, including increased number of assemblies, use of a social-emotional coach (Mindset Academy) for grades 5-8, and changes in the amount and type of supervision.

Goal was met for 3-5 student teacher and engagement. Other goals not met. Middle school scores are generally lower than the 3-5 scores, however the changes in the scores were not as drastic this year as compared to previous years, indicating more stability. This is the first year we have done a third Panorama test for EOY. If we compare the differences in scores for Winter 21 to Winter 22, the overall drop is not as significant. This EOY data will serve as a baseline for next year's EOY data.

All actions for this school year will be scheduled and communicated to all stakeholders through staff meetings, email and a shared calendar. The effectiveness of the actions will be evaluated after each trimester via collaboration with focus on data analysis. The PBIS team, counselor, ORC, administrators, and staff will continue to work on improving positive school climate and the social emotional support of our students.

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

No significant disparities were observed between the planned implementation and the budgeted expenditures. In addition to the items we had budgeted for, our school received funds for the development of a student wellness center. We look forward to the grand opening next school year.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

The school will develop school climate by focusing on social-emotional learning lessons integrated through the day, the training and use of additional campus supervisors, and working with all education partners to investigate and provide additional supports for students.

Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

Goal Subject

Parent and Family Engagement

LEA/LCAP Goal

Families will be welcomed and afforded meaningful and productive opportunities to participate in their child's academic and social-emotional growth.

Goal 3

Families will be welcomed and afforded meaningful and productive opportunities to participate in their child's academic and social-emotional growth.

Identified Need

To increase communication through websites and social media so parents and community are informed about district and school instructional programs and activities
To facilitate parent involvement in the educational and social-emotional well-being of their children

Annual Measurable Outcomes

Metric/Indicator	Baseline/Actual Outcome	Expected Outcome
Increase Parent Participation in ELAC Meetings	An average of 15 parents attended ELAC meetings, meeting our goal of increasing by 100% (6) from the previous year.	Increase parent attendance to ELAC Meetings by 100% this year as measured by the parent sign in sheets for each meeting.
Parent Needs Assessment Survey	39 parents responded to the survey. Previous goal of 25% not met.	To have 25% of the parents respond to the survey.

Complete a copy of the Strategy/Activity table for each of the school's strategies/activities. Duplicate the table, including Proposed Expenditures, as needed.

Strategy/Activity 1

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All students

Strategy/Activity

Title 1 meetings will be held to inform parents of school goals, programs, and activities twice a year, at the beginning and the end of year. These will be the Back to School Night in the Fall and Open House in the Spring.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Annual Review

SPSA Year Reviewed: 2022-23

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required and this section may be deleted.

ANALYSIS

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

While Cesar E. Chavez School has been able to successfully communicate with parents through EdConnect calls, Blackboard text messages, Twitter, Facebook, school marquee, website, and PeachJar. We need to continue our efforts of communicating with our families in order to help them support their children and the school in accomplishing our goal of student success. We are hoping to receive feedback from the data in the parent survey, to further increase parent communication, and increase active parent involvement.

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

Funds were allocated for parent nights celebrating our academy focus, CALCAT, and parenting classes. This year, we plan on hosting celebratory nights focusing on presenting student work by grade level. In addition, our counselor and ORC are working with VCBH and the FRC to provide parenting classes in an effort provide strategies for their children at home that parallel strategies used at school.

In addition to the items we had budgeted for, our school received funds for the development of a student wellness center. We will have a grand opening next year.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

Next year, we will attempt to focus more on positive, proactive measures to improve student behavior and increase engagement, such as the continuation of Mindset Academy. Additionally, we will be setting new guidelines for success for behavior through our PBIS as well as focusing on enforcing them consistently. While our instances of suspension decreased this year, we would like to continue to decrease the number.

Budget Summary

Complete the table below. Schools may include additional information. Adjust the table as needed. The Budget Summary is required for schools funded through the ConApp, and/or that receive funds from the LEA for Comprehensive Support and Improvement (CSI).

Budget Summary

Description	Amount
Total Funds Provided to the School Through the Consolidated Application	\$145,025
Total Federal Funds Provided to the School from the LEA for CSI	\$0
Total Funds Budgeted for Strategies to Meet the Goals in the SPSA	\$337,009.00

Other Federal, State, and Local Funds

List the additional Federal programs that the school is including in the schoolwide program. Adjust the table as needed. If the school is not operating a Title I schoolwide program this section is not applicable and may be deleted.

Expenditures by Goal

Goal Number	Total Expenditures
Goal 1	244,815.00
Goal 2	80,653.00
Goal 3	11,541.00

School Site Council Membership

California Education Code describes the required composition of the School Site Council (SSC). The SSC shall be composed of the principal and representatives of: teachers selected by teachers at the school; other school personnel selected by other school personnel at the school; parents of pupils attending the school selected by such parents; and, in secondary schools, pupils selected by pupils attending the school. The current make-up of the SSC is as follows:

- 1 School Principal
- 3 Classroom Teachers
- 1 Other School Staff
- 5 Parent or Community Members

Name of Members	Role
Bertha Anguiano	Principal
Elsa Cortes	Classroom Teacher
Laura Silva	Classroom Teacher
Rosalinda Rodarte	Classroom Teacher
Jesus Herrera	Other School Staff
Alejandra Flores	Parent or Community Member
Ines Gonzalez	Parent or Community Member
Beatriz Perez Palma	Parent or Community Member
Lizette Reyes	Parent or Community Member
Emma Valencia	Parent or Community Member

At elementary schools, the school site council must be constituted to ensure parity between (a) the principal, classroom teachers, and other school personnel, and (b) parents of students attending the school or other community members. Classroom teachers must comprise a majority of persons represented under section (a). At secondary schools there must be, in addition, equal numbers of parents or other community members selected by parents, and students. Members must be selected by their peer group.

Recommendations and Assurances

The School Site Council (SSC) recommends this school plan and proposed expenditures to the district governing board for approval and assures the board of the following:

The SSC is correctly constituted and was formed in accordance with district governing board policy and state law.

The SSC reviewed its responsibilities under state law and district governing board policies, including those board policies relating to material changes in the School Plan for Student Achievement (SPSA) requiring board approval.

The SSC sought and considered all recommendations from the following groups or committees before adopting this plan:

Signature

Committee or Advisory Group Name

School Site Council

English Learner Advisory Committee

The SSC reviewed the content requirements for school plans of programs included in this SPSA and believes all such content requirements have been met, including those found in district governing board policies and in the local educational agency plan.

This SPSA is based on a thorough analysis of student academic performance. The actions proposed herein form a sound, comprehensive, coordinated plan to reach stated school goals to improve student academic performance.

This SPSA was adopted by the SSC at a public meeting on 6-8-23.

Attested:

Principal, Bertha M. Anguiano on 6-8-23

SSC Chairperson, Laura Silva on 6-8-23

Recommendations and Assurances

The School Site Council (SSC) recommends this school plan and proposed expenditures to the district governing board for approval and assures the board of the following:

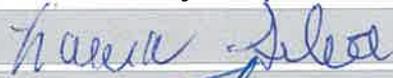

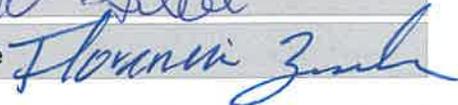

The SSC is correctly constituted and was formed in accordance with district governing board policy and state law.

The SSC reviewed its responsibilities under state law and district governing board policies, including those board policies relating to material changes in the School Plan for Student Achievement (SPSA) requiring board approval.

The SSC sought and considered all recommendations from the following groups or committees before adopting this plan:

Signature

Committee or Advisory Group Name

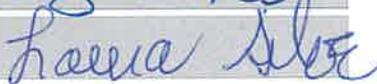

School Site Council	
English Learner Advisory Committee	

The SSC reviewed the content requirements for school plans of programs included in this SPSA and believes all such content requirements have been met, including those found in district governing board policies and in the local educational agency plan.

This SPSA is based on a thorough analysis of student academic performance. The actions proposed herein form a sound, comprehensive, coordinated plan to reach stated school goals to improve student academic performance.

This SPSA was adopted by the SSC at a public meeting on 6-8-23.

Attested:

Principal, Bertha M. Anguiano on 6-8-23	
SSC Chairperson, Laura Silva on 6-8-23	

Instructions

The School Plan for Student Achievement (SPSA) is a strategic plan that maximizes the resources available to the school while minimizing duplication of effort with the ultimate goal of increasing student achievement. SPSA development should be aligned with and inform the Local Control and Accountability Plan process.

The SPSA consolidates all school-level planning efforts into one plan for programs funded through the consolidated application (ConApp), and for federal school improvement programs, including schoolwide programs, Comprehensive Support and Improvement (CSI), Targeted Support and Improvement (TSI), and Additional Targeted Support and Improvement (ATSI), pursuant to California Education Code (EC) Section 64001 and the Elementary and Secondary Education Act as amended by the Every Student Succeeds Act (ESSA). This template is designed to meet schoolwide program planning requirements. It also notes how to meet CSI, TSI, or ATSI requirements, as applicable.

California's ESSA State Plan supports the state's approach to improving student group performance through the utilization of federal resources. Schools use the SPSA to document their approach to maximizing the impact of federal investments in support of underserved students. The implementation of ESSA in California presents an opportunity for schools to innovate with their federally-funded programs and align them with the priority goals of the school and the LEA that are being realized under the state's Local Control Funding Formula (LCFF).

The LCFF provides schools and LEAs flexibility to design programs and provide services that meet the needs of students in order to achieve readiness for college, career, and lifelong learning. The SPSA planning process supports continuous cycles of action, reflection, and improvement. Consistent with EC 65001, the Schoolsite Council (SSC) is required to develop and annually review the SPSA, establish an annual budget, and make modifications to the plan that reflect changing needs and priorities, as applicable.

For questions related to specific sections of the template, please see instructions below:

Instructions: Linked Table of Contents

The SPSA template meets the requirements of schoolwide planning (SWP). Each section also contains a notation of how to meet CSI, TSI, or ATSI requirements.

For additional questions or technical assistance related to LEA and school planning, please contact the Local Agency Systems Support Office, at LCFF@cde.ca.gov.

For programmatic or policy questions regarding Title I schoolwide planning, please contact the local educational agency, or the CDE's Title I Policy and Program Guidance Office at TITLEI@cde.ca.gov.

For questions or technical assistance related to meeting federal school improvement planning requirements (for CSI, TSI, and ATSI), please contact the CDE's School Improvement and Support Office at SISO@cde.ca.gov.

Purpose and Description

Schools identified for Comprehensive Support and Improvement (CSI), Targeted Support and Improvement (TSI), or Additional Targeted Support and Improvement (ATSI) must respond to the following prompts. A school that has not been identified for CSI, TSI, or ATSI may delete the Purpose and Description prompts.

Purpose

Briefly describe the purpose of this plan by selecting from Schoolwide Program, Comprehensive Support and Improvement, Targeted Support and Improvement, or Additional Targeted Support and Improvement)

Description

Briefly describe the school's plan for effectively meeting ESSA requirements in alignment with the Local Control and Accountability Plan and other federal, state, and local programs.

Educational Partner Involvement

Meaningful involvement of parents, students, and other stakeholders is critical to the development of the SPSA and the budget process. Schools must share the SPSA with school site-level advisory groups, as applicable (e.g., English Learner Advisory committee, student advisory groups, tribes and tribal organizations present in the community, as appropriate, etc.) and seek input from these advisory groups in the development of the SPSA.

The Stakeholder Engagement process is an ongoing, annual process. Describe the process used to involve advisory committees, parents, students, school faculty and staff, and the community in the development of the SPSA and the annual review and update.

[This section meets the requirements for TSI and ATSI.]

[When completing this section for CSI, the LEA shall partner with the school in the development and implementation of this plan.]

Resource Inequities

Schools eligible for CSI or ATSI must identify resource inequities, which may include a review of LEA- and school-level budgeting as a part of the required needs assessment. Identified resource inequities must be addressed through implementation of the CSI or ATSI plan. Briefly identify and describe any resource inequities identified as a result of the required needs assessment and summarize how the identified resource inequities are addressed in the SPSA.

[This section meets the requirements for CSI and ATSI. If the school is not identified for CSI or ATSI this section is not applicable and may be deleted.]

Goals, Strategies, Expenditures, & Annual Review

In this section a school provides a description of the annual goals to be achieved by the school. This section also includes descriptions of the specific planned strategies/activities a school will take to meet the identified goals, and a description of the expenditures required to implement the specific strategies and activities.

Goal

State the goal. A goal is a broad statement that describes the desired result to which all strategies/activities are directed. A goal answers the question: What is the school seeking to achieve?

It can be helpful to use a framework for writing goals such as the S.M.A.R.T. approach. A S.M.A.R.T. goal is one that is **S**pecific, **M**easurable, **A**chievable, **R**ealistic, and **T**ime-bound. A level of specificity is needed in order to measure performance relative to the goal as well as to assess whether it is reasonably achievable. Including time constraints, such as milestone dates, ensures a realistic approach that supports student success.

A school may number the goals using the “Goal #” for ease of reference.

[When completing this section for CSI, TSI, and ATSI, improvement goals shall align to the goals, actions, and services in the LEA LCAP.]

Identified Need

Describe the basis for establishing the goal. The goal should be based upon an analysis of verifiable state data, including local and state indicator data from the California School Dashboard (Dashboard) and data from the School Accountability Report Card, including local data voluntarily collected by districts to measure pupil achievement.

[Completing this section fully addresses all relevant federal planning requirements]

Annual Measurable Outcomes

Identify the metric(s) and/or state indicator(s) that the school will use as a means of evaluating progress toward accomplishing the goal. A school may identify metrics for specific student groups. Include in the baseline column the most recent data associated with the metric or indicator available at the time of adoption of the SPSA. The most recent data associated with a metric or indicator includes data reported in the annual update of the SPSA. In the subsequent Expected Outcome column, identify the progress the school intends to make in the coming year.

[When completing this section for CSI the school must include school-level metrics related to the metrics that led to the school’s identification.]

[When completing this section for TSI/ATSI the school must include metrics related to the specific student group(s) that led to the school’s identification.]

Strategies/Activities

Describe the strategies and activities being provided to meet the described goal. A school may number the strategy/activity using the “Strategy/Activity #” for ease of reference.

Planned strategies/activities address the findings of the needs assessment consistent with state priorities and resource inequities, which may have been identified through a review of the local educational agency’s budgeting, its local control and accountability plan, and school-level budgeting, if applicable.

[When completing this section for CSI, TSI, and ATSI, this plan shall include evidence-based interventions and align to the goals, actions, and services in the LEA LCAP.]

[When completing this section for CSI and ATSI, this plan shall address through implementation, identified resource inequities, which may have been identified through a review of LEA- and school-level budgeting.]

Students to be Served by this Strategy/Activity

Indicate in this box which students will benefit from the strategies/activities by indicating “All Students” or listing one or more specific student group(s) to be served.

[This section meets the requirements for CSI.]

[When completing this section for TSI and ATSI, at a minimum, the student groups to be served shall include the student groups that are consistently underperforming, for which the school received the TSI or ATSI designation. For TSI, a school may focus on all students or the student group(s) that led to identification based on the evidence-based interventions selected.]

Proposed Expenditures for this Strategy/Activity

For each strategy/activity, list the amount(s) and funding source(s) for the proposed expenditures for the school year to implement these strategies/activities. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal, identify the Title and Part, as applicable), Other State, and/or Local.

Proposed expenditures that are included more than once in a SPSA should be indicated as a duplicated expenditure and include a reference to the goal and strategy/activity where the expenditure first appears in the SPSA. Pursuant to Education Code, Section 64001(g)(3)(C), proposed expenditures, based on the projected resource allocation from the governing board or governing body of the LEA, to address the findings of the needs assessment consistent with the state priorities including identifying resource inequities which may include a review of the LEA’s budgeting, its LCAP, and school-level budgeting, if applicable.

[This section meets the requirements for CSI, TSI, and ATSI.]

[NOTE: Federal funds for CSI shall not be used in schools identified for TSI or ATSI. In addition, funds for CSI shall not be used to hire additional permanent staff.]

Annual Review

In the following Analysis prompts, identify any material differences between what was planned and what actually occurred as well as significant changes in strategies/activities and/ or expenditures from the prior year. This annual review and analysis should be the basis for decision-making and updates to the plan.

Analysis

Using actual outcome data, including state indicator data from the Dashboard, analyze whether the planned strategies/activities were effective in achieving the goal. Respond to the prompts as instructed. Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal the Annual Review section is not required and this section may be deleted.

- Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.
- Briefly describe any major differences between either/or the intended implementation or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.
- Describe any changes that will be made to the goal, expected annual measurable outcomes, metrics/indicators, or strategies/activities to achieve this goal as a result of this analysis and analysis of the data provided in the Dashboard, as applicable. Identify where those changes can be found in the SPSA.

[When completing this section for CSI, TSI, or ATSI, any changes made to the goals, annual measurable outcomes, metrics/indicators, or strategies/activities, shall meet the CSI, TSI, or ATSI planning requirements. CSI, TSI, and ATSI planning requirements are listed under each section of the Instructions. For example, as a result of the Annual Review and Update, if changes are made to a goal(s), see the Goal section for CSI, TSI, and ATSI planning requirements.]

Budget Summary

In this section a school provides a brief summary of the funding allocated to the school through the ConApp and/or other funding sources as well as the total amount of funds for proposed expenditures described in the SPSA. The Budget Summary is required for schools funded through the ConApp and that receive federal funds for CSI. If the school is not operating a Title I schoolwide program this section is not applicable and may be deleted.

From its total allocation for CSI, the LEA may distribute funds across its schools that meet the criteria for CSI to support implementation of this plan. In addition, the LEA may retain a portion of its total allocation to support LEA-level expenditures that are directly related to serving schools eligible for CSI.

Budget Summary

A school receiving funds allocated through the ConApp should complete the Budget Summary as follows:

- Total Funds Provided to the School Through the Consolidated Application: This amount is the total amount of funding provided to the school through the ConApp for the school year. The school year means the fiscal year for which a SPSA is adopted or updated.
- Total Funds Budgeted for Strategies to Meet the Goals in the SPSA: This amount is the total of the proposed expenditures from all sources of funds associated with the strategies/activities reflected in the SPSA. To the extent strategies/activities and/or proposed expenditures are listed in the SPSA under more than one goal, the expenditures should be counted only once.

A school receiving federal funds for CSI should complete the Budget Summary as follows:

- Total Federal Funds Provided to the School from the LEA for CSI: This amount is the total amount of funding provided to the school from the LEA.

[NOTE: Federal funds for CSI shall not be used in schools eligible for TSI or ATSI. In addition, funds for CSI shall not be used to hire additional permanent staff.]

Appendix A: Plan Requirements

Schoolwide Program Requirements

This School Plan for Student Achievement (SPSA) template meets the requirements of a schoolwide program plan. The requirements below are for planning reference.

A school that operates a schoolwide program and receives funds allocated through the ConApp is required to develop a SPSA. The SPSA, including proposed expenditures of funds allocated to the school through the ConApp, must be reviewed annually and updated by the SSC. The content of a SPSA must be aligned with school goals for improving student achievement.

Requirements for Development of the Plan

- I. The development of the SPSA shall include both of the following actions:
 - A. Administration of a comprehensive needs assessment that forms the basis of the school's goals contained in the SPSA.
 1. The comprehensive needs assessment of the entire school shall:
 - a. Include an analysis of verifiable state data, consistent with all state priorities as noted in Sections 52060 and 52066, and informed by all indicators described in Section 1111(c)(4)(B) of the federal Every Student Succeeds Act, including pupil performance against state-determined long-term goals. The school may include data voluntarily developed by districts to measure pupil outcomes (described in the Identified Need); and
 - b. Be based on academic achievement information about all students in the school, including all groups under §200.13(b)(7) and migratory children as defined in section 1309(2) of the ESEA, relative to the State's academic standards under §200.1 to—
 - i. Help the school understand the subjects and skills for which teaching and learning need to be improved; and
 - ii. Identify the specific academic needs of students and groups of students who are not yet achieving the State's academic standards; and
 - iii. Assess the needs of the school relative to each of the components of the schoolwide program under §200.28.
 - iv. Develop the comprehensive needs assessment with the participation of individuals who will carry out the schoolwide program plan.
 - v. Document how it conducted the needs assessment, the results it obtained, and the conclusions it drew from those results.
 - B. Identification of the process for evaluating and monitoring the implementation of the SPSA and progress towards accomplishing the goals set forth in the SPSA (described in the Expected Annual Measurable Outcomes and Annual Review and Update).

Requirements for the Plan

- II. The SPSA shall include the following:
 - A. Goals set to improve pupil outcomes, including addressing the needs of student groups as identified through the needs assessment.

- B. Evidence-based strategies, actions, or services (described in Strategies and Activities)
1. A description of the strategies that the school will be implementing to address school needs, including a description of how such strategies will--
 - a. provide opportunities for all children including each of the subgroups of students to meet the challenging state academic standards
 - b. use methods and instructional strategies that:
 - i. strengthen the academic program in the school,
 - ii. increase the amount and quality of learning time, and
 - iii. provide an enriched and accelerated curriculum, which may include programs, activities, and courses necessary to provide a well-rounded education.
 - c. Address the needs of all children in the school, but particularly the needs of those at risk of not meeting the challenging State academic standards, so that all students demonstrate at least proficiency on the State's academic standards through activities which may include:
 - i. strategies to improve students' skills outside the academic subject areas;
 - ii. preparation for and awareness of opportunities for postsecondary education and the workforce;
 - iii. implementation of a schoolwide tiered model to prevent and address problem behavior;
 - iv. professional development and other activities for teachers, paraprofessionals, and other school personnel to improve instruction and use of data; and
 - v. strategies for assisting preschool children in the transition from early childhood education programs to local elementary school programs.
- C. Proposed expenditures, based on the projected resource allocation from the governing board or body of the local educational agency (may include funds allocated via the ConApp, federal funds for CSI, any other state or local funds allocated to the school), to address the findings of the needs assessment consistent with the state priorities, including identifying resource inequities, which may include a review of the LEAs budgeting, it's LCAP, and school-level budgeting, if applicable (described in Proposed Expenditures and Budget Summary). Employees of the schoolwide program may be deemed funded by a single cost objective.
- D. A description of how the school will determine if school needs have been met (described in the Expected Annual Measurable Outcomes and the Annual Review and Update).
1. Annually evaluate the implementation of, and results achieved by, the schoolwide program, using data from the State's annual assessments and other indicators of academic achievement;
 2. Determine whether the schoolwide program has been effective in increasing the achievement of students in meeting the State's academic standards, particularly for those students who had been furthest from achieving the standards; and
 3. Revise the plan, as necessary, based on the results of the evaluation, to ensure continuous improvement of students in the schoolwide program.

- E. A description of how the school will ensure parental involvement in the planning, review, and improvement of the schoolwide program plan (described in Educational Partner Involvement and/or Strategies/Activities).
- F. A description of the activities the school will include to ensure that students who experience difficulty attaining proficient or advanced levels of academic achievement standards will be provided with effective, timely additional support, including measures to
 - 1. Ensure that those students' difficulties are identified on a timely basis; and
 - 2. Provide sufficient information on which to base effective assistance to those students.
- G. For an elementary school, a description of how the school will assist preschool students in the successful transition from early childhood programs to the school.
- H. A description of how the school will use resources to carry out these components (described in the Proposed Expenditures for Strategies/Activities).
- I. A description of any other activities and objectives as established by the SSC (described in the Strategies/Activities).

Authority Cited: S Title 34 of the Code of Federal Regulations (34 CFR), sections 200.25-26, and 200.29, and sections-1114(b)(7)(A)(i)-(iii) and 1118(b) of the ESEA. EC sections 6400 et. seq.

Appendix B:

Plan Requirements for School to Meet Federal School Improvement Planning Requirements

For questions or technical assistance related to meeting Federal School Improvement Planning Requirements, please contact the CDE's School Improvement and Support Office at SISO@cde.ca.gov.

Comprehensive Support and Improvement

The LEA shall partner with stakeholders (including principals and other school leaders, teachers, and parents) to locally develop and implement the CSI plan for the school to improve student outcomes, and specifically address the metrics that led to eligibility for CSI (Educational Partner Involvement).

The CSI plan shall:

1. Be informed by all state indicators, including student performance against state-determined long-term goals (Goal, Identified Need, Expected Annual Measurable Outcomes, Annual Review and Update, as applicable);
2. Include evidence-based interventions (Strategies/Activities, Annual Review and Update, as applicable) (For resources related to evidence-based interventions, see the U.S. Department of Education's "Using Evidence to Strengthen Education Investments" at <https://www2.ed.gov/policy/elsec/leg/essa/guidanceuseseseinvestment.pdf>);
3. Be based on a school-level needs assessment (Goal, Identified Need, Expected Annual Measurable Outcomes, Annual Review and Update, as applicable); and
4. Identify resource inequities, which may include a review of LEA- and school-level budgeting, to be addressed through implementation of the CSI plan (Goal, Identified Need, Expected Annual Measurable Outcomes, Planned Strategies/Activities; and Annual Review and Update, as applicable).

Authority Cited: Sections 1003(e)(1)(A), 1003(i), 1111(c)(4)(B), and 1111(d)(1) of the ESSA.

Targeted Support and Improvement

In partnership with stakeholders (including principals and other school leaders, teachers, and parents) the school shall develop and implement a school-level TSI plan to improve student outcomes for each subgroup of students that was the subject of identification (Educational Partner Involvement).

The TSI plan shall:

1. Be informed by all state indicators, including student performance against state-determined long-term goals (Goal, Identified Need, Expected Annual Measurable Outcomes, Annual Review and Update, as applicable); and
2. Include evidence-based interventions (Planned Strategies/Activities, Annual Review and Update, as applicable). (For resources related to evidence-based interventions, see the U.S. Department of Education's "Using Evidence to Strengthen Education Investments" <https://www2.ed.gov/policy/elsec/leg/essa/guidanceuseseseinvestment.pdf>.)

Authority Cited: Sections 1003(e)(1)(B), 1003(i), 1111(c)(4)(B) and 1111(d)(2) of the ESSA.

Additional Targeted Support and Improvement

A school identified for ATSI shall:

1. Identify resource inequities, which may include a review of LEA- and school-level budgeting, which will be addressed through implementation of its TSI plan (Goal, Identified Need, Expected Annual Measurable Outcomes, Planned Strategies/Activities, and Annual Review and Update, as applicable).

Authority Cited: Sections 1003(e)(1)(B), 1003(i), 1111(c)(4)(B), and 1111(d)(2)(c) of the ESSA.

Single School Districts and Charter Schools Identified for School Improvement

Single school districts (SSDs) or charter schools that are identified for CSI, TSI, or ATSI, shall develop a SPSA that addresses the applicable requirements above as a condition of receiving funds (EC Section 64001[a] as amended by Assembly Bill [AB] 716, effective January 1, 2019).

However, a SSD or a charter school may streamline the process by combining state and federal requirements into one document which may include the local control and accountability plan (LCAP) and all federal planning requirements, provided that the combined plan is able to demonstrate that the legal requirements for each of the plans is met (EC Section 52062[a] as amended by AB 716, effective January 1, 2019).

Planning requirements for single school districts and charter schools choosing to exercise this option are available in the LCAP Instructions.

Authority Cited: EC sections 52062(a) and 64001(a), both as amended by AB 716, effective January 1, 2019.

Appendix C: Select State and Federal Programs

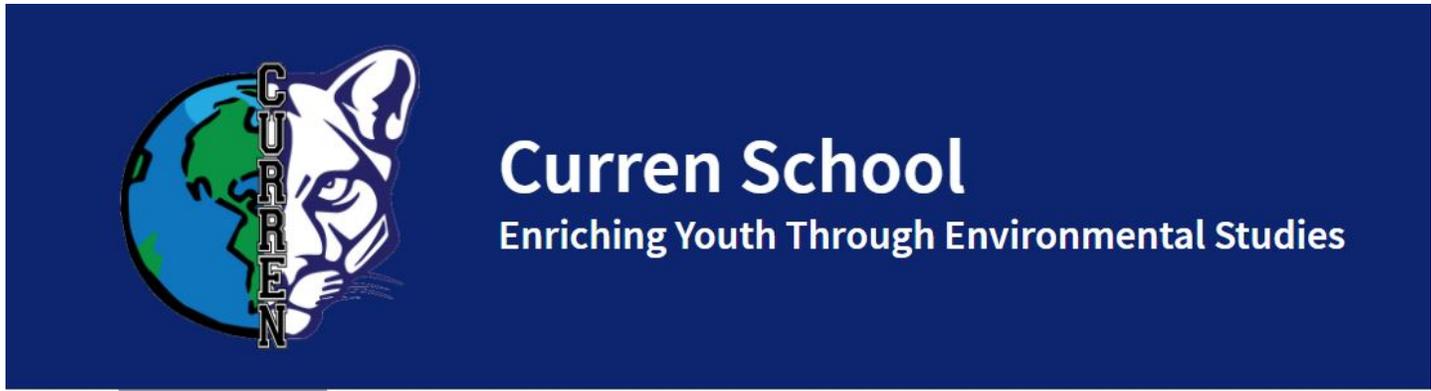

For a list of active programs, please see the following links:

Programs included on the Consolidated Application: <https://www.cde.ca.gov/fg/aa/co/>

ESSA Title I, Part A: School Improvement: <https://www.cde.ca.gov/sp/sw/t1/schoolsupport.asp>

Available Funding: <https://www.cde.ca.gov/fg/fo/af/>

Developed by the California Department of Education, January 2019

School Plan for Student Achievement (SPSA) Template

Instructions and requirements for completing the SPSA template may be found in the SPSA Template Instructions.

School Name	County-District-School (CDS) Code	Schoolsite Council (SSC) Approval Date	Local Board Approval Date
Curren School K-8	56725386055263	June 5, 2023	August 24, 2022

Purpose and Description

Briefly describe the purpose of this plan (Select from Schoolwide Program, Comprehensive Support and Improvement, Targeted Support and Improvement, or Additional Targeted Support and Improvement)

Additional Targeted Support and Improvement

Our school has recently been identified as ATSI (Additional Targeted Support and Improvement) status, due to data reported on the multiple measures system that assess how local educational agencies and schools are meeting the needs of their students' and reported through the California School Dashboard. Our homeless student group scored very low for Academics (ELA/Math) and very high for Chronic Absenteeism and Suspension Rate. Also, due to our Students with Disabilities student group scoring very low in ELA and Math and very high for Chronic Absenteeism on the California Dashboard. The CDE makes this determination based on previous student performance from state mandated assessments and data collection. We have identified strategies/activities to address this, such as providing extended learning opportunities for these groups wuth after school tutoring focused on students' needs identified in language arts and mathematics; providing teacher lead interventions during the school day and afterschool, and providing the students with hands on practice opportunities to become more familiarized with SABC assessments, question format and use guided practice tests. We have identified key strategies to support positive behavior and an attendance incentive program to encourage students to come to school every day. There are several other strategies and actions included in our Single Plan for Student Achievement that will address and support our Homeless and Student with Disabilities groups to be successful in the areas identified for ATSI.

Briefly describe the school's plan for effectively meeting the ESSA requirements in alignment with the Local Control and Accountability Plan and other federal, state, and local programs.

Curren School is driven by a vision to empower every student not only to acquire knowledge but also to embody it. Our mission is to enable all children to take ownership of their learning, exercise their burgeoning autonomy, explore avenues for defining their own versions of success, and develop into responsible members of our global society. Our committed staff endeavors to educate students within a culturally proficient climate, fostering academic success, lifelong learning, and productive citizenship. We place a strong emphasis on developing literacy and biliteracy skills and nurturing social competence. At Curren School, we are dedicated to delivering an exceptional educational program, aiming to empower students not only to acquire knowledge but also to apply it effectively. We believe in equipping students with the tools they need to become proficient mathematicians, fostering independent acquisition of knowledge. While we spare no effort in providing comprehensive support, we recognize that empowering students is the most profound gift we can bestow as educators. The ability to take ownership of their learning is a key attribute we prioritize within our mission statement. By empowering students to exercise their growing autonomy, discover opportunities for personal success, and assume responsibility as global citizens, we are able to focus on differentiation and holistic student development.

Our primary focus centers on delivering exemplary instruction, exemplified by the integration of Common Core Standards, 21st-century skills, technology utilization, differentiated instruction, social-emotional and behavioral support, professional learning communities, and community engagement. We prioritize the alignment of instructional content standards, leveraging the structure and emphases of college- and career-ready mathematics as well as ELA/literacy standards. At Curren, this entails providing a clear set of math skills and concepts geared towards real-world problem-solving, as well as literacy skills centered around reading comprehension and effective oral communication. Curren School's plan is to adopt a dynamic and deliberate approach to instruction, fostering robust professional learning communities (PLCs) to support this endeavor. We firmly believe in offering a rigorous academic curriculum by employing data-driven instructional practices that necessitate collaboration and continuous improvement. Our aim is to provide sufficient time and support for both students and staff to thoroughly explore and comprehend the standards and their practical application to learning. Through these endeavors, we strive to cultivate lifelong learners who are equipped to meet the demands of an ever-changing world. Critical thinking, creativity, communication, collaboration, and character development (the 5 Cs) will remain focal points across all subject areas.

While our main focus is on academic excellence, we also place great importance on character education and leadership development. These qualities are particularly crucial in the current political and social landscape. Our goal is to cultivate strong leaders who are empathetic, responsible, and capable of contributing to our local and national communities. Recognizing that parental involvement is a critical factor in students' educational success and reaching their full potential, we actively promote and facilitate engagement from our parent community and stakeholders. Through our English Learner Advisory Committee (ELAC), Parent Teacher Association (PTA), and School Site Council (SSC), we encourage parents to play a newly added Open House in the Spring, Math and Literacy Nights, monthly Coffee with the Principal meetings, and other parent engagement initiatives further support and foster meaningful and productive opportunities for parents to engage in their child's academic and socio-emotional growth. We continually implement and refine our PBIS-CHAMPS approach to ensure that all students' academic and socio-emotional needs are met, fostering the achievement of high academic standards across all content areas while nurturing the socio-emotional growth of our students within a safe, positive learning environment. At Curren School, our entire staff is committed to strengthening our partnerships with parents to increase parental involvement and achieve the goals outlined in our School Plan for Student Achievement.

Additionally, Oxnard School District has created a strategic plan in order to ensure that we fully develop our student profile and work toward fulfilling our Mission and Vision.

Mission: In Oxnard School District, we nurture self-confident and empowered multilingual global citizens, strong in their multiple identities and potential, who achieve inspired levels of individual, community, and social accomplishment in school and beyond in their endeavors.

Vision: Ignite, Transform, Nurture, Embrace.

Our strategies/activities support our values and principles: Equity and Excellence; Safe and Affirming Environments; Achievement/Performance, Multilingualism, Global and Socio-Cultural Competence; Relationships built on Integrity, Mutual Trust, Respect and Caring; and Professional Accountability and Service.

Our goals can be realized by following a Theory of Action, which constitutes committing to a vision of success; to be relentless in clarifying and supporting classroom leadership; to build school leadership; to benefit from organized district leadership; and to engage our families and community, which will lead us to become a highly effective and equitable school.

A guiding focus for the district is on five strategic goals which form the framework for powerful and sustainable school and district transformation: Student Academic Engagement and Achievement; a Positive and Safe Learning Environment and School Climate; Guidance and Support to Sites; Family/Community Alliances for Student Success and Transformational Leadership and Infrastructure.

All of our strategies/activities are designed to further these pedagogical principals:

1. Identify, activate, and build on student strengths.
2. Affirm student identities by challenging the devaluation of minoritized students' identities.
3. Establish powerful relationships that nurture equity and success.
4. Engage students actively in the learning process., by amplifying student voice.
5. Create environments of enrichment, rather than remediation, that engage students' multilingual repertoires.
6. Situate learning in the lives of students by connecting to their lives.
7. Elicit high intellectual performances that help connect students' identities to academic engagement.
8. Address the prerequisites for learning, including incorporating pedagogical practices that challenge coercive relations of power.

Data Analysis

Please refer to the School and Student Performance Data section where an analysis is provided.

Classroom Observations

This section provides a description of types and frequency of classroom observations conducted during the school-year and a summary of findings.

Based on classroom observations, it is evident that addressing the needs of English Learners (EL), students who receive Special Education services, and those identified under the McKinney-Vento Act will be a key focus for the upcoming school year. The feedback received from classroom observations and teachers underscores the necessity for professional development opportunities to enhance teachers' understanding of effective English Language Development (ELD) strategies. Additionally, there is a need for additional accommodations, supports, and interventions to be provided to students, as outlined in Goal 1. It is essential for teachers to review ELD standards, Individualized Education Programs (IEPs), accommodations, supports, and gain a comprehensive understanding of these practices.

Furthermore, classroom observations have indicated the need for teachers to have meaningful opportunities for collaboration and active participation in the cycle of inquiry related to the Common Core State Standards. It is imperative to consider relevant data points, such as Star data and Interim Assessment Blocks (IABs), in order to refine and enhance our approach to instruction. Given the unique challenges faced in the past school years, it is crucial to identify new efficiencies in the curriculum that are essential for supporting student learning.

Specifically, teachers in the Dual Language Immersion (DLI) program require dedicated time for collaboration, particularly in the areas of DLI lesson planning and design. Spanish/English counterparts also need to work collaboratively on bridging, unit mapping, and planning units of instruction. Professional development and collaboration focused on progress monitoring, utilizing various data points and establishing SMART goals, such as Star and the Leveled Literacy Intervention (LLI) program, will contribute to improving the overall reading levels of our students.

Mathematics continues to be an area of concern and an identified need for growth. To address this, instruction must prioritize rigor, higher levels of depth of knowledge, and critical thinking in order to align with the standards. It is crucial to emphasize the application of depth of knowledge questions across all content areas.

By addressing these areas of focus through targeted professional development, collaboration, and data-driven practices, we are confident that we will make significant strides in meeting the diverse needs of our students and ensuring their academic success.

Analysis of Current Instructional Program

The following statements are derived from the Elementary and Secondary Education Act (ESEA) of 1965 and Essential Program Components (EPCs). In conjunction with the needs assessments, these categories may be used to discuss and develop critical findings that characterize current instructional practice for numerically significant subgroups as well as individual students who are:

- Not meeting performance goals
- Meeting performance goals
- Exceeding performance goals

Discussion of each of these statements should result in succinct and focused findings based on verifiable facts. Avoid vague or general descriptions. Each successive school plan should examine the status of these findings and note progress made. Special consideration should be given to any practices, policies, or procedures found to be noncompliant through ongoing monitoring of categorical programs.

Standards, Assessment, and Accountability

Use of state and local assessments to modify instruction and improve student achievement (ESEA)

The administration of state assessments in the previous school years, following the COVID-19 pandemic, has provided valuable data that will inform our instructional focus for the upcoming 2023-2024 school year. Both local and school assessments have highlighted the need for improvement in English Language Arts (ELA) and Mathematics, particularly among English Learners (EL), McKinney-Vento and students who receive Special Education services. The data from past state assessments has revealed that students in special populations are performing at lower levels compared to their peers.

It is evident that the transfer of mathematical language and symbols to English is not occurring effectively, as reflected in the previous assessment scores. To achieve higher performance levels, it is crucial to enhance literacy skills and reading comprehension among these students. It is recommended that classroom lessons integrate the knowledge and skills that ELs and students who receive Special Education services possess from other content areas into their literacy instruction, encompassing both English and Spanish. This approach is particularly relevant for Dual Language Immersion (DLI) students.

By incorporating cross-curricular connections and leveraging the strengths of our students, we can foster a more comprehensive approach to literacy instruction. This will contribute to improving their overall academic performance and better equip them for success in ELA and Mathematics. By addressing the specific needs of ELs and students who receive Special Education services through targeted instruction and support, we can work towards closing the achievement gap and promoting equitable learning outcomes for all students.

Use of data to monitor student progress on curriculum-embedded assessments and modify instruction (EPC)

The school and district have implemented an assessment calendar that establishes clear expectations for administering assessments. Regular administration of specific assessments, such as STAR 360 Reading and Math, enables the school to effectively monitor student progress. In addition to these standardized assessments, curriculum-embedded assessments from programs like Wonders, Maravillas, Study Sync, and DLI Units serve as diagnostic tools and allow for targeted interventions when necessary. These various forms of assessment provide teachers with meaningful sources of information to gauge student comprehension and identify areas requiring further attention.

The data collected from these assessments plays a vital role in informing the establishment of desired learning goals. Teachers utilize this data to determine students' understanding and identify areas in need of improvement. Subsequently, learning goals and instructional approaches are adjusted to accommodate differences in students' learning styles and intelligences, ensuring a more personalized and effective learning experience for all students. By leveraging assessment data in this manner, the school strives to foster an environment that supports individualized instruction and promotes student growth and success.

Staffing and Professional Development

Status of meeting requirements for highly qualified staff (ESEA)

The district ensures that that all site staff meets requirements to be considered “highly qualified.” This is monitored by the district’s Human Resources Department.

Sufficiency of credentialed teachers and teacher professional development (e.g., access to instructional materials training on SBE-adopted instructional materials) (EPC)

Incoming teachers are appropriately credentialed and provided with various forms of support. New Teacher Orientation is offered which includes District expectations and procedures, training on current curricular materials and programs and tips on classroom management. The district works with the Ventura County Office of Education to provide Induction for new teachers. Professional development is always offered when new materials are adopted. Follow up training is available to continue to support the use of the materials.

Alignment of staff development to content standards, assessed student performance, and professional needs (ESEA)

Professional development is provided at the site and district level to ensure that instruction is aligned to current Common Core State Standards. There is a district assessment calendar to ensure that student progress is sufficiently monitored throughout the year. Professional development and support is provided on the assessment system and the specific types of assessments. Structures are in place at school sites to allow teachers to analyze data in collaborative groups in order to identify student needs and adjust instruction accordingly.

Ongoing instructional assistance and support for teachers (e.g., use of content experts and instructional coaches) (EPC)

The Educational Services Department includes Directors, Managers and TOSAs (Teachers on Special Assignment) who provide support for Curriculum, Instruction, Assessment, Accountability, Bilingual Programs, Special Education, Special Programs, Pupil Services, Educational Technology and Equity and Family and Community Engagement. Site administration also functions as instructional leaders. Our regular school year calendar was revised to include three additional professional development days for all teachers (2 in the summer before school starts and 1 in the fall). Professional development was provided in the following areas: instructional content, planning for DLI instruction, culturally responsive grading and equity, special education assessment and TK instruction.

Teacher collaboration by grade level (kindergarten through grade eight [K–8]) and department (grades nine through twelve) (EPC)

Teacher collaboration is set for the school year at the beginning of each year. Weekly collaboration time will be dedicated for teacher collaboration. There is specific time set aside for both grade level and staff collaboration. Teachers meet weekly in grade levels to review data and work on a focus question based on the cycle of inquiry to help drive instruction. Teachers also look at present levels of performance of students in their class to adjust units/lessons as needed to ensure the standards are being taught in a clear, intentional method that is student focused. Teachers are also afforded meaningful opportunities to participate in site-based Professional Development workshops as indicated by the calendar. Topics for mini workshops include AVID strategies, SMART Goals, Classroom Management, Star, DLI Unit roll out and scaffolds and supports in classroom instruction.

Teaching and Learning

Alignment of curriculum, instruction, and materials to content and performance standards (ESEA)

Collaboration work, using the PLC (Professional Learning Communities) model, supports use of instructional strategies aligned to current CA Common Core State Standards. State adopted and approved curricular materials support instruction.

Adherence to recommended instructional minutes for reading/language arts and mathematics (K–8) (EPC)

Instructional minutes are monitored by the Business Services office. All school schedules adhere to the guidelines governing recommended instructional minutes.

Lesson pacing schedule (K–8) and master schedule flexibility for sufficient numbers of intervention courses (EPC)

The district assessment calendar and adopted curricula provide guidance on lesson pacing. Student needs are determined by data analysis. Courses are scheduled based on these student needs.

Availability of standards-based instructional materials appropriate to all student groups (ESEA)

Instructional materials provided for all students are managed by our district Textbook Coordinator. Participation in Williams Inspections confirms that all students have access to required materials.

Use of SBE-adopted and standards-aligned instructional materials, including intervention materials, and for high school students, access to standards-aligned core courses (EPC)

Adopted and standards-aligned materials are provided for use in all classrooms. Intervention materials must be research-based. Funds are allocated to sites to purchase any additional materials they determine are necessary to meet student needs.

Opportunity and Equal Educational Access

Services provided by the regular program that enable underperforming students to meet standards (ESEA)

Teachers and classes provide students with multiple services and supports, which enable them to meet the standards. Within the classroom, small group intervention is used to assist underperforming students. Various types of strategies (activities) and scaffolds (supports) are utilized such as interactive, graphic, and sensory to meet the needs of diverse learners. Sentence frames, word walls, graphic organizers, guided reading, and math mindset are tools utilized to accommodate differences in students' learning styles and intelligences. A Literacy Intervention Teacher (LIT) is designated to work with small groups in primary grade levels to address their literacy skills. Instructional Aides and other adult support in the classroom help to assist in bringing students up to standard. When applicable for this school year, after school tutoring will be offered specifically for at-risk and underperforming students and enrichment for student performing at benchmark and above benchmark.

Evidence-based educational practices to raise student achievement

Curren school uses a variety of evidence-based educational practices to raise student achievement. Teachers provide explicit learning objectives that are tied to demonstrations of learning. First instruction and differentiation is a Tier 1 supports utilized for all learners. Students are engaged in rigorous, relevant learning. Small group instruction, clear and effective learning feedback, and assessment results and progress monitoring of goals with Lexia, Core 5 (K-5) Lexia Power UP (6-8), ST Math, AR, Star and CBMs, will be utilized. Discovery based teaching is implemented using Twig Science for K-5 and McGraw Hill Inspire Science Curriculum for 6-8 that align with the NGSS standards. Tutoring and reteaching are used to help raise student achievement.

Parental Engagement

Resources available from family, school, district, and community to assist under-achieving students (ESEA)

Parents are involved in school activities via School Site Council, English Language Advisory Council, Parent Teacher Association, organizing student events, classroom volunteering, parent conferences, coaching sports and advising student clubs - the latter is be offered in accordance with county and district health guidelines regarding the post COVID-19 pandemic environment.

Involvement of parents, community representatives, classroom teachers, other school personnel, and students in secondary schools, in the planning, implementation, and evaluation of ConApp programs (5 California Code of Regulations 3932)

Education Partners are involved in the process and implementation of school programs on campus. Parent/Community led groups such as our English Learners Advisory Committee play an important role on campus from volunteer opportunities to ensuring that our English Learner students' needs are met and resources are available for them. For example, the parents requested that we have culturally relevant family nights to promote a strong community at the school. They participate in and attend the local and state California Association of Bilingual Education (CABE) Conference. Teachers provide tutoring that is specific to socioeconomically disadvantaged students and English Learners for extended breaks from school. This year, stakeholders requested academic "Boot Camps" to provide students with another resource after school to prepare for important state-mandated assessment such as the ELPAC test and CAASPP, especially given the learning disruption and unique challenges presented by the post COVID-19 post pandemic.

Funding

Services provided by categorical funds that enable underperforming students to meet standards (ESEA)

Title I funds are used to support underperforming students in the area of first instruction. Looking at past data, the school identified a need to improve first instruction and focus on implementing Common Core State Standards and DLI Unit roll out. Funds were also utilized to address unique challenges of this school year. Headphones were provided for each student to utilize in the home as well as school materials and workbooks. Two paraeducator were hired to address the needs of primary grade level students in K-1st grade and one to support ELs in grades 6-8 . Tutoring during extended breaks and after school tutoring along with academic boot camps were created to address the needs of our underperforming and most vulnerable populations.

Fiscal support (EPC)

The district receives Title I funding as we are considered a Title I district. All of our sites are considered "schoolwide." Title I funds are allocated to each school based on the number of qualifying students. Sites then determine how to use the funds based on specific student needs. The district also distributes Title III funding to sites in order for them to provide any necessary additional services or resources to support English Learners. The district receives Supplemental and Concentration LCFF funding. Sites are allocated a portion of these funds in order to provide additional resources toward student achievement.

Educational Partner Involvement

How, when, and with whom did the school consult as part of the planning process for this SPSA/Annual Review and Update?

Involvement Process for the SPSA and Annual Review and Update

The development of the School Plan for Student Achievement (SPSA) at Curren School involved active participation from teachers, staff, and governance Education Partner groups. The School Leadership Team conducted a series of meetings on April 17, 26, and May 3, 10, 17, and 24, 2023 to address and discuss the three SPSA goals and corresponding actions. These meetings served as platforms for collaborative decision-making and strategic planning.

To analyze baseline data and establish expected academic goals for the 2023-2024 school year, grade level teams met as Professional Learning Communities (PLCs) on May 3, 10, and 24, 2023.

These PLC meetings utilized data from Spring Star assessments, focusing on Early Literacy, Reading, and Math. Discussions also encompassed identifying necessary supports and resources required to meet the academic outcomes outlined in the SPSA.

On June 6, 2023, the School Principal shared the finalized SPSA with all teachers and support staff. This meeting provided an opportunity to discuss the SPSA goals, review grade-level outcomes/goals, and examine the strategies and activities proposed to be implemented at the school. Additionally, the meeting addressed the allocation of the 2023-2024 budget for the identified initiatives.

The School Site Council convened on June 5, 2023, to thoroughly review the main components of the SPSA and gain a comprehensive understanding of the three SPSA goals. During this meeting, the council members provided input and recommendations for the site's SPSA. The Spring Star data from Fall assessments (Early Literacy, Reading, and Math) were reviewed, and a completed draft of the SPSA was presented for approval.

Furthermore, the English Learner Advisory Committee held meetings on April 28 and May 26, 2023, with a specific focus on reviewing the SPSA and providing input. Emphasis was placed on discussing strategies to support English Learners in their efforts to enhance English language proficiency levels and achieve reclassification. Activities aimed at enhancing parent engagement were also explored and discussed.

Resource Inequities

Briefly identify and describe any resource inequities identified as a result of the required needs assessment, as applicable.

Unfortunately, due to a shortage of substitutes, there was limited opportunity for dedicated days set aside for teacher collaboration during the instructional day, progress monitoring, and additional professional development beyond the designated Wednesday collaboration day, DLI training, and school-based professional development during the previous school year. The lack of available substitute teachers impacted the scheduling of these important activities.

Furthermore, the hiring of an intervention service provider was delayed until late in the school year, as there were insufficient candidates in the eligibility pool. This resulted in a delay in providing additional necessary interventions and support for students in Tier II interventions.

After-school tutoring sessions were also affected due to limited staff availability. Staff members were unable to consistently participate in after-school tutoring across grade levels, thereby limiting the number of students who could participate in additional interventions after school to the students whose teachers were providing the tutoring. Students in our special population group had limited participation as only one special education teacher provided tutoring for our special education students.

It is important to note that a number of students have experienced trauma during the post-pandemic period, which has posed challenges for their attendance and full engagement during academic instruction. These difficulties have hindered their ability to fully participate in and benefit from instructional activities. Given these constraints and circumstances, the school recognizes the need to address the shortage of substitutes, improve the hiring process for Intervention Service Providers (ISPs), and explore alternative solutions to ensure consistent and accessible after-school support.

Additionally, the school is committed to providing a supportive and inclusive environment that acknowledges and addresses the impact of trauma on students' academic engagement and success. Efforts will be made to provide necessary resources and support systems to help students overcome these challenges and fully participate in their educational journey.

School and Student Performance Data

Student Enrollment Enrollment By Student Group

Student Enrollment by Subgroup						
Student Group	Percent of Enrollment			Number of Students		
	20-21	21-22	22-23	20-21	21-22	22-23
American Indian	0.1%	%	0%	1		0
African American	0.7%	0.55%	0.22%	7	5	2
Asian	0.3%	0.33%	0.11%	3	3	1
Filipino	0.2%	0.22%	0.65%	2	2	6
Hispanic/Latino	96.4%	96.92%	97.07%	931	881	894
Pacific Islander	%	%	0%			0
White	2.0%	1.76%	1.63%	19	16	15
Multiple/No Response	0.3%	0.22%	0.33%	3	2	3
Total Enrollment				966	909	921

Student Enrollment Enrollment By Grade Level

Student Enrollment by Grade Level			
Grade	Number of Students		
	20-21	21-22	22-23
Kindergarten	98	97	98
Grade 1	99	98	100
Grade 2	100	90	100
Grade3	97	96	86
Grade 4	101	96	98
Grade 5	114	96	109
Grade 6	107	113	113
Grade 7	119	111	112
Grade 8	131	112	105
Total Enrollment	966	909	921

Conclusions based on this data:

Curren School's enrollment and demographics have shown consistency compared to the previous year. The data indicates that the majority of our student population, accounting for 97% of students, identifies as Hispanic or Latino. Given this demographic composition, it is crucial to incorporate culturally relevant activities and lessons in the classroom to engage our families and establish connections with their prior knowledge and background information. These practices contribute to creating an inclusive and supportive learning environment for our students.

It is worth noting that enrollment across different grade levels is evenly distributed, with no significant disparities among cohorts. The full implementation of the Dual Language Immersion program from Kindergarten through 5th grade has not resulted in any notable changes in the school's overall enrollment patterns.

The school recognizes the importance of valuing and embracing the cultural diversity within our student body. By acknowledging and incorporating students' cultural backgrounds, we can foster a sense of belonging and create educational experiences that resonate with their identities and experiences. Through culturally responsive teaching practices, we aim to empower our students and facilitate their academic and personal growth.

School and Student Performance Data

Student Enrollment English Learner (EL) Enrollment

English Learner (EL) Enrollment						
Student Group	Number of Students			Percent of Students		
	20-21	21-22	22-23	20-21	21-22	22-23
English Learners	498	540	561	51.60%	59.4%	60.9%
Fluent English Proficient (FEP)	229	171	162	23.70%	18.8%	17.6%
Reclassified Fluent English Proficient (RFEP)	28			5.6%		

Conclusions based on this data:

Curren School has experienced an increase in the number of English Learners, with this student population now comprising over 60% of our total enrollment. In 2022-2023, a total of 79 students met the criteria for reclassification based on their performance and district benchmarks from the 2021-2022 school year. It is important to note that 75% of our English Learners have Spanish as their primary language.

To effectively support our English Learners, it is crucial to incorporate culturally relevant topics and provide opportunities for students to make connections to their native language within the classroom. By doing so, we can enhance their engagement and create a more inclusive learning environment that respects their linguistic and cultural backgrounds.

One specific area of concern is the number of Long-Term English Learners (LTELs) in our middle school. We recognize the need for improvement in this regard. Based on the reclassification rates for the 2022-2023 academic year, middle school students have shown a slight increase in reclassification rates, approaching the rates achieved by students in grades 3-5.

Addressing the needs of our LTELs and ensuring their successful language development and academic progress is a priority for Curren School. By implementing targeted interventions, providing additional support, and adopting effective instructional strategies, we aim to improve reclassification rates and overall outcomes for our middle school English Learners.

Furthermore, ongoing assessment and monitoring of English Learners' progress will enable us to identify areas for improvement and tailor our instructional approaches to meet their specific needs. Through these efforts, we strive to foster language proficiency, academic achievement, and a sense of belonging for all our English Learners at Curren School.

School and Student Performance Data

Star Early Literacy

Curren School K-8											
		Less than Proficient				Proficient				Star Early Literacy Average	
		Level 1		Level 2		Level 3		Level 4			
Grade	Total # Tested	Total	%	Total	%	Total	%	Total	%	Level	Scale Score
Grade K	96	27	28%	10	10%	18	19%	41	43%	4	752
Grade 1	95	23	24%	16	17%	12	13%	44	46%	4	819
Grade 2	32	28	88%	3	9%	1	3%	0	0%	1	773

Conclusions based on this data:

Second grade shows a massive drop in Early Literacy scores, most likely as a result of second grade students being assessed with STAR Reading and only those with identified reading needs are assessed with the Start Early Literacy benchmarks as they are monitored during interventions through the school trimesters. This could result in long-term dip in scores and success if not properly addressed and supported. Continuous support will be needed. It should be noted that 2nd graders also take the STAR reading test and these results do not reflect all students in second grade. Kindergarten scores are slightly higher than the pre-pandemic results due to in person instruction taking place this school year. The scores are on par with those seen throughout the District. First grade scores show a continuous need to support students with early literacy skills as 42% of students did not make the anticipated growth by the end of the school year. It should be noted that this is the first full year of in-person instruction coming from the post pandemic times for first grade students.

School and Student Performance Data

Star Reading

Curren School K-8											
		Less than Proficient				Proficient				Star Reading Average	
		Level 1		Level 2		Level 3		Level 4			
Grade	Total # Tested	Total	%	Total	%	Total	%	Total	%	Level	Scale Score
Grade 2	94	58	62%	19	20%	10	11%	7	7%	1	857
Grade 3	83	37	45%	25	30%	13	16%	8	10%	1	937
Grade 4	94	59	63%	19	20%	9	10%	7	7%	1	957
Grade 5	119	60	50%	23	19%	29	24%	7	6%	1	984
Grade 6	91	48	53%	25	27%	11	12%	7	8%	1	999
Grade 7	112	49	44%	27	24%	29	26%	7	6%	2	1038
Grade 8	105	26	25%	27	26%	39	37%	13	12%	2	1079

Conclusions based on this data:

Data indicates that as students get older and progress through the assessment periods, they fall off on their grade-level targets as rigor and complexity increases. End of the year data shows that 2nd- 8th At/Above Benchmark attainment by grade is evenly and/or closely distributed (between 20% and 30% of students in each of the grade levels) The results are very similar in percentage numbers across all the grade levels at the Urgent Intervention Level. By the time they reach 8th grade, a large number of students (48%) are in the red urgent intervention zone; while 39% are in the meet/exceed the benchmark by the end of the school year. This indicates that about half of the students are not properly prepared for increased rigor and complexity in reading English. First instruction practices must be evaluated, monitored and adjusted, along with targeted remediation and intervention, so that students can recover lost ground and reach grade level targets.

School and Student Performance Data

Star Math

Curren School K-8											
		Less than Proficient				Proficient				Star Math Average	
		Level 1		Level 2		Level 3		Level 4			
Grade	Total # Tested	Total	%	Total	%	Total	%	Total	%	Level	Scale Score
Grade 1	99	29	29%	47	47%	23	23%	0	0%	2	827
Grade 2	93	48	52%	24	26%	13	14%	8	9%	1	884
Grade 3	82	39	48%	17	21%	21	26%	5	6%	1	943
Grade 4	95	51	54%	31	33%	10	11%	3	3%	1	969
Grade 5	118	63	53%	28	24%	18	15%	9	8%	1	1016
Grade 6	104	64	62%	29	28%	8	8%	3	3%	1	1020
Grade 7	111	69	62%	28	25%	12	11%	2	2%	1	1033
Grade 8	89	67	75%	18	20%	2	2%	2	2%	1	1043

Conclusions based on this data:

Data indicates that as students progress from grade level to grade level, they fall off on their grade-level targets. Math scores are lower than reading and are evenly spread in the less than proficient and proficient zone. In first grade, 20% of students met their end of the year goals for math and percentages vary in all levels from grade to grade. However, by the 8th grade, that had reduced to 5%, which is not ideal for continuous growth, but does show some stability in the upper grades. This still indicates that students are not properly prepared for increased rigor and complexity in mathematics. First instruction practices must be evaluated, monitored and adjusted, along with targeted remediation and intervention, so that students can recover lost ground and reach grade level targets while meeting grade level expectancies and high level of academic achievement.

School and Student Performance Data

CAASPP Results English Language Arts/Literacy (All Students)

Conclusions based on this data:

The recent release of the 2022 CA School Dashboard has indicated that our CAASPP testing results have remained relatively consistent compared to the years preceding the pandemic. The data and analysis of results during the pandemic and up until now have shown minimal changes when compared to previous years. Notably, there has been modest progress in the field of Language Arts. Across grades 3 to 8, we observed a 2-3% increase in the proportion of students meeting or exceeding expectations in the 2021-2022 school year, as compared to previous CAASPP results. In grades 6 and 8, the percentage of students falling within the met/exceeds category has exhibited slight fluctuations from one school year to another. Nevertheless, based on the data, it is evident that two-thirds of our students continue to perform below grade level expectations. The areas of greatest concern lie in written language and research/inquiry. Students persist in encountering challenges when it comes to analyzing and presenting information effectively. Further

examination of the data has revealed that processing text and applying knowledge are additional areas requiring attention. To enhance writing and research skills, it is imperative to provide students with explicit instruction in reading comprehension skills

Conclusions based on this data:

The following analysis is derived from the data collected during the 2021-2022 CAASPP administration school year and remains predominantly unaltered. Based on the data, the subject of mathematics emerges as the primary area of concern. Across most grade levels, student performance did not exhibit significant improvement and generally remained at a plateau compared to the period preceding the pandemic and the administration of the 2021-2022 school year. Notably, only approximately one out of every ten students met the grade-level standards in mathematics. Nevertheless, there has been a slight annual increase in scores during each CAASPP administration for select grade levels, although the percentage of students meeting or exceeding the standards has declined in certain grade levels. This trend underscores the necessity of reviewing, analyzing, and further implementing the Common Core State Standards, with particular emphasis on the significance of initial instruction. In the current school year, educators will prioritize targeted mathematics instruction, focusing on essential standards, to ensure students meet the standards and are adequately prepared for the upcoming 2023-2024 CAASPP administration. Teachers will require additional time to develop student-centered lessons that concentrate on the application of mathematical concepts, skills, and procedures within real-life contexts. Furthermore, students will benefit from increased exposure to Mathematics IABs (Interim Assessment Blocks) to ensure their familiarity with the test format and question types featured in the CAASPP. It is essential for students to be capable of articulating and justifying their mathematical reasoning while drawing evidence-based conclusions. Data analysis will rely on summative and interim assessments, enabling teachers to track student growth, identify areas of concern, and align classroom instruction with the key details and structure of the standards being taught.

Conclusions based on this data:

The results from the ELPAC (English Language Proficiency Assessments for California) for the 2021-2022 academic year indicate an overall increase in the percentage of students performing at Levels 3 and 4 in language proficiency, while there has been a decrease in the percentage of students at Levels 1 and 2. It is important to note that English Language Learners (ELLs) constitute a significant portion of our enrollment, accounting for 60% of our school's demographics. Upon analyzing the data, three areas have been identified as areas in need of improvement: Written Language, Writing Level, and Reading Level. Specifically, there is a need for explicit instruction in vocabulary, particularly for upper-grade students who have been at our school for multiple years. It is crucial to provide these students with multiple exposures to key vocabulary, allowing it to become integrated into their lexicon and facilitating its transfer to written language. Additionally, the data from the previous year indicates that while students were able to participate in the test, there is a need to offer them multiple opportunities to practice and engage with narrative and expository texts. These text types serve as examples of well-developed language skills that are essential for interpreting and comprehending information effectively.

School and Student Performance Data

Student Population

For the past two years, many state and federal accountability requirements were waived or adjusted due to the impact of the COVID-19 pandemic on LEAs, schools, and students. Beginning with the 2021-22 school year, the requirements to hold schools and districts accountable for student outcomes has returned with the release of the 2022 California School Dashboard (Dashboard). The Every Student Succeeds Act is requiring all states to determine schools eligible for support. Similarly, under state law, Assembly Bill (AB) 130, which was signed into law in 2021, mandates the return of the Dashboard using only current year performance data to determine LEAs for support. Therefore, to meet this state requirement, only the 2021-22 school year data will be reported on the 2022 Dashboard for state indicators. (Data for Change [or the difference from prior year] and performance colors will not be reported.)

This section provides information about the school's student population.

2021-22 Student Population			
Total Enrollment	Socioeconomically Disadvantaged	English Learners	Foster Youth
909	90.9	59.4	0.3
Total Number of Students enrolled in Curren School K-8.	Students who are eligible for free or reduced priced meals; or have parents/guardians who did not receive a high school diploma.	Students who are learning to communicate effectively in English, typically requiring instruction in both the English Language and in their academic courses.	Students whose well being is the responsibility of a court.

2021-22 Enrollment for All Students/Student Group		
Student Group	Total	Percentage
English Learners	540	59.4
Foster Youth	3	0.3
Homeless	50	5.5
Socioeconomically Disadvantaged	826	90.9
Students with Disabilities	142	15.6

Enrollment by Race/Ethnicity		
Student Group	Total	Percentage
African American	5	0.6
American Indian		
Asian	3	0.3
Filipino	2	0.2
Hispanic	881	96.9
Two or More Races	2	0.2
Pacific Islander		
White	16	1.8

Conclusions based on this data:

The demographics of our school have remained largely consistent compared to the previous academic year. Special population groups, including Homeless, Socioeconomically Disadvantaged students, and English Learners, continue to comprise a significant portion of our student enrollment. It is crucial to place greater emphasis on aligning our goals and strategies to effectively cater to the needs of our diverse student demographics and special population groups, especially as we transition back to in-person instruction this school year. Additionally, we have observed an increase in the enrollment percentage of Students with Disabilities, another special population group that requires focused attention and support. The data highlights that the majority of our school population identifies as Hispanic or Latino. Therefore, it is essential to incorporate culturally relevant activities and classroom lessons that actively engage our families and establish connections with their prior knowledge and background information, specifically related to their cultural identities.

School and Student Performance Data

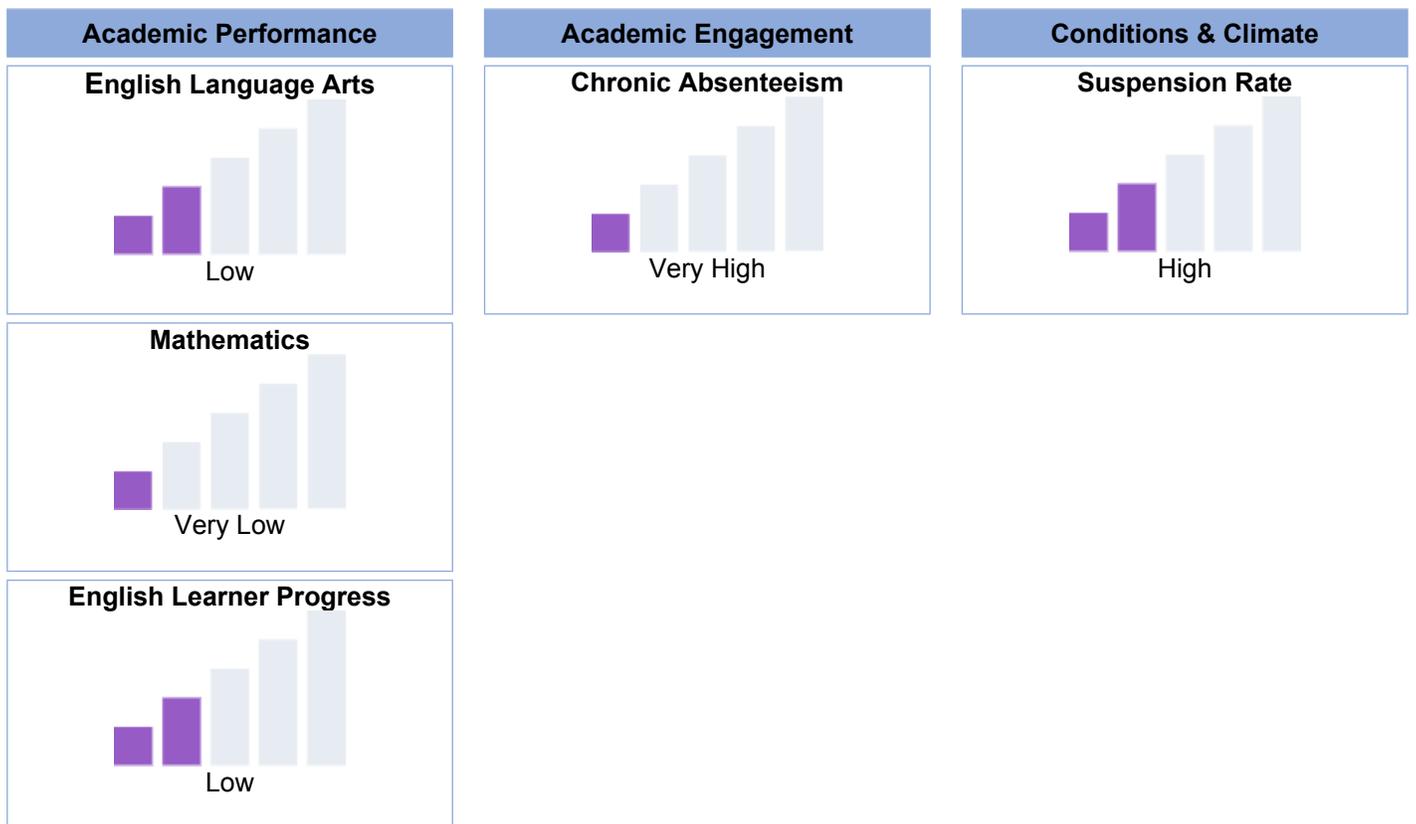

Overall Performance

Due to the COVID-19 pandemic, state law allows the 2022 Dashboard to only display the most current year of data (also known as Status). For this year only, performance levels will be reported using one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low) for state measures. Please note that the Status levels associated with the Chronic Absenteeism and Suspension Rate Indicators are reversed (ranging from Very Low, Low, Medium, High, and Very High). Information regarding this year's Dashboard data is available within the [Dashboard Communications Toolkit](#).

Because performance on state measures is based on current year (i.e., 2021-22) results only for the 2022 Dashboard, the color dials have been replaced with one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low).

2022 Fall Dashboard Overall Performance for All Students

Conclusions based on this data:

The 2022 CA School Dashboard release indicates minimal changes compared to previous administrations of the CAASPP performance level indicators. The analysis of the data remains largely consistent. The area requiring the most attention continues to be Math, followed by English Language Arts. English learners persist in performing below the expected grade level. Unfortunately, absenteeism rates have not improved, with a significant portion of students (approximately 9%) missing a substantial amount of instructional days. Chronic absenteeism must be a focal point for

growth and improvement in the upcoming 2023-2024 academic year. Suspension rates were notably high in the previous school year, highlighting the need for interventions and supports to address behavioral issues and reduce suspensions. It is worth noting that the data reveals a steady increase in suspensions in the years leading up to the pandemic, with a more pronounced rise observed in the post-pandemic period. Additionally, socioeconomically disadvantaged students experienced a higher suspension rate. Although suspension rates for English learners, McKinney-Vento students, and foster youth decreased, there still remains a disproportionate suspension rate among various student sub-groups.

School and Student Performance Data

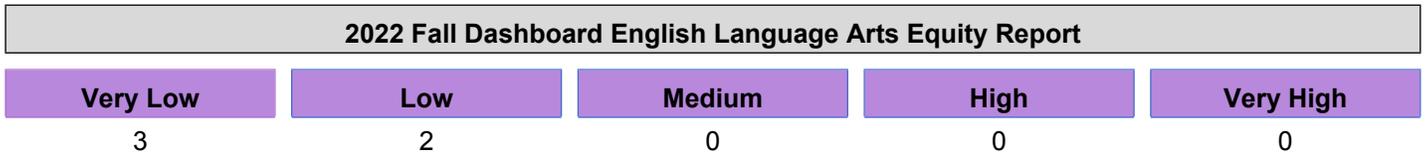

Academic Performance English Language Arts

Due to the COVID-19 pandemic, state law allows the 2022 Dashboard to only display the most current year of data (also known as Status). For this year only, performance levels will be reported using one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low) for state measures. Please note that the Status levels associated with the Chronic Absenteeism and Suspension Rate Indicators are reversed (ranging from Very Low, Low, Medium, High, and Very High). Information regarding this year's Dashboard data is available within the [Dashboard Communications Toolkit](#).

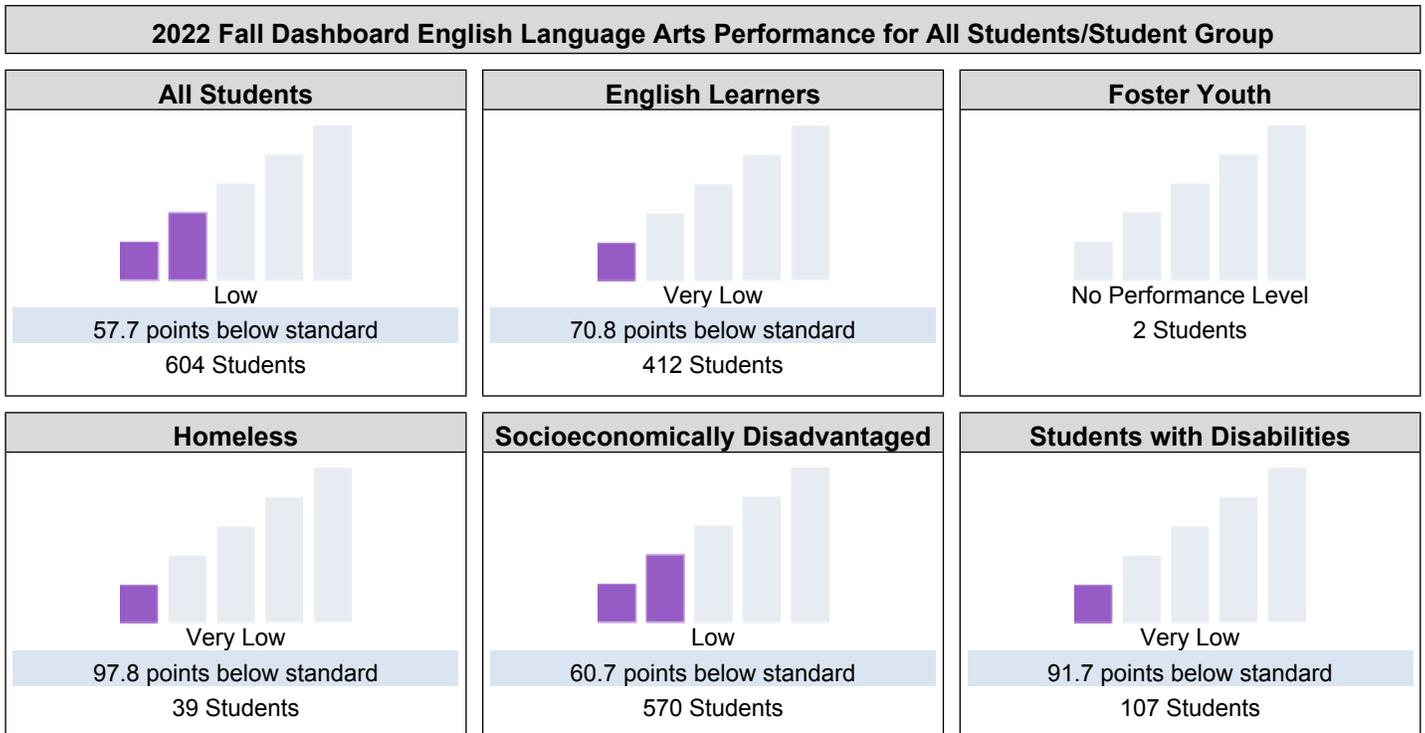

Because performance on state measures is based on current year (i.e., 2021-22) results only for the 2022 Dashboard, the color dials have been replaced with one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low).

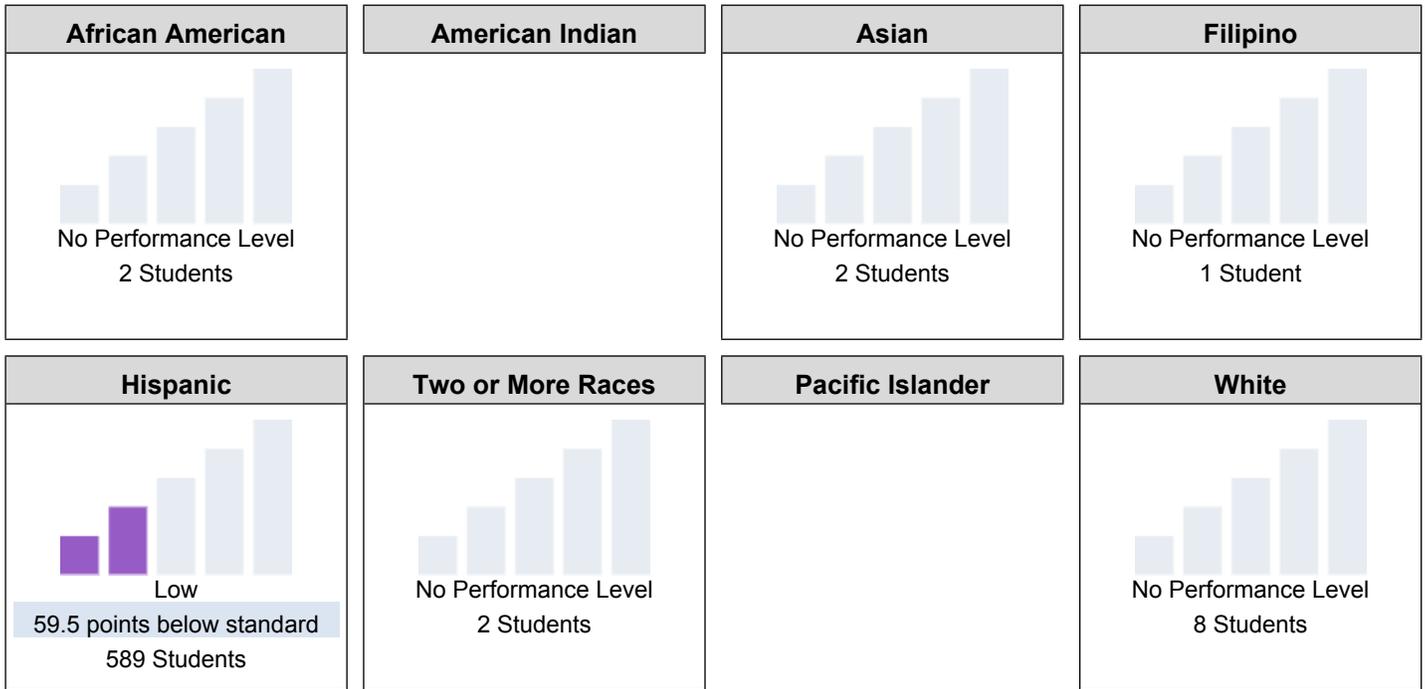

This section provides number of student groups in each level.

This section provides a view of how well students are meeting grade-level standards on the English Language Arts assessment. This measure is based on student performance on either the Smarter Balanced Summative Assessment or the California Alternate Assessment, which is taken annually by students in grades 3–8 and grade 11.

2022 Fall Dashboard English Language Arts Performance by Race/Ethnicity

This section provides additional information on distance from standard for current English learners, prior or Reclassified English learners, and English Only students in English Language Arts.

2022 Fall Dashboard English Language Arts Data Comparisons for English Learners

Current English Learner	Reclassified English Learners	English Only
95.5 points below standard 266 Students	25.9 points below standard 146 Students	38.9 points below standard 138 Students

Conclusions based on this data:

The academic performance in English Language Arts (ELA) has remained consistent compared to the years prior to the COVID-19 pandemic. The analysis presented below is based on the 2021-2022 data. It is evident that Hispanic students, who constitute a significant portion of our school demographics, performed below or near the standard in ELA. Socioeconomically Disadvantaged (SED) students performed slightly better than their non-SED peers in ELA, but both groups fell below the expected standard. The level of Distance from Met (DFM) varied across different grade levels and special population groups. Reclassified English Learners demonstrated a DFM of -25, indicating growth in their performance. However, English-only students showed a DFM of -38, while English Learners displayed a DFM of -95. These results emphasize the need to enhance English Language Development (ELD) instruction and ensure that English Learners are provided with the necessary tools and support to access the curriculum effectively. This is particularly crucial for success in Dual Language Instruction (DLI) and during designated ELD periods in middle school.

School and Student Performance Data

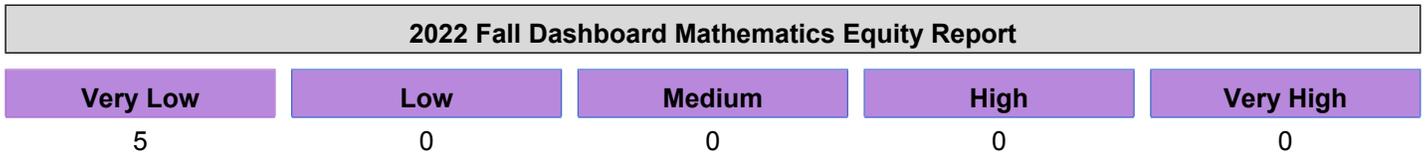

Academic Performance Mathematics

Due to the COVID-19 pandemic, state law allows the 2022 Dashboard to only display the most current year of data (also known as Status). For this year only, performance levels will be reported using one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low) for state measures. Please note that the Status levels associated with the Chronic Absenteeism and Suspension Rate Indicators are reversed (ranging from Very Low, Low, Medium, High, and Very High). Information regarding this year's Dashboard data is available within the [Dashboard Communications Toolkit](#).

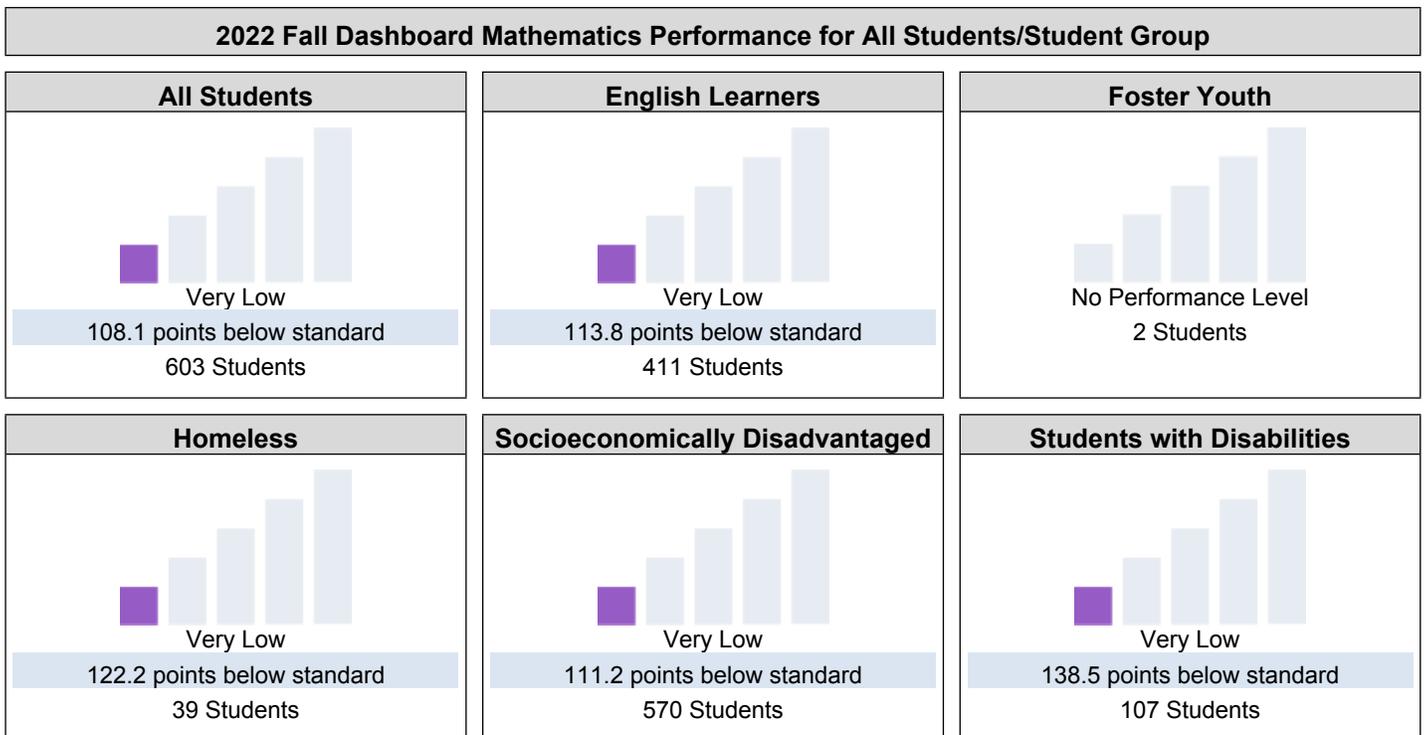

Because performance on state measures is based on current year (i.e., 2021-22) results only for the 2022 Dashboard, the color dials have been replaced with one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low).

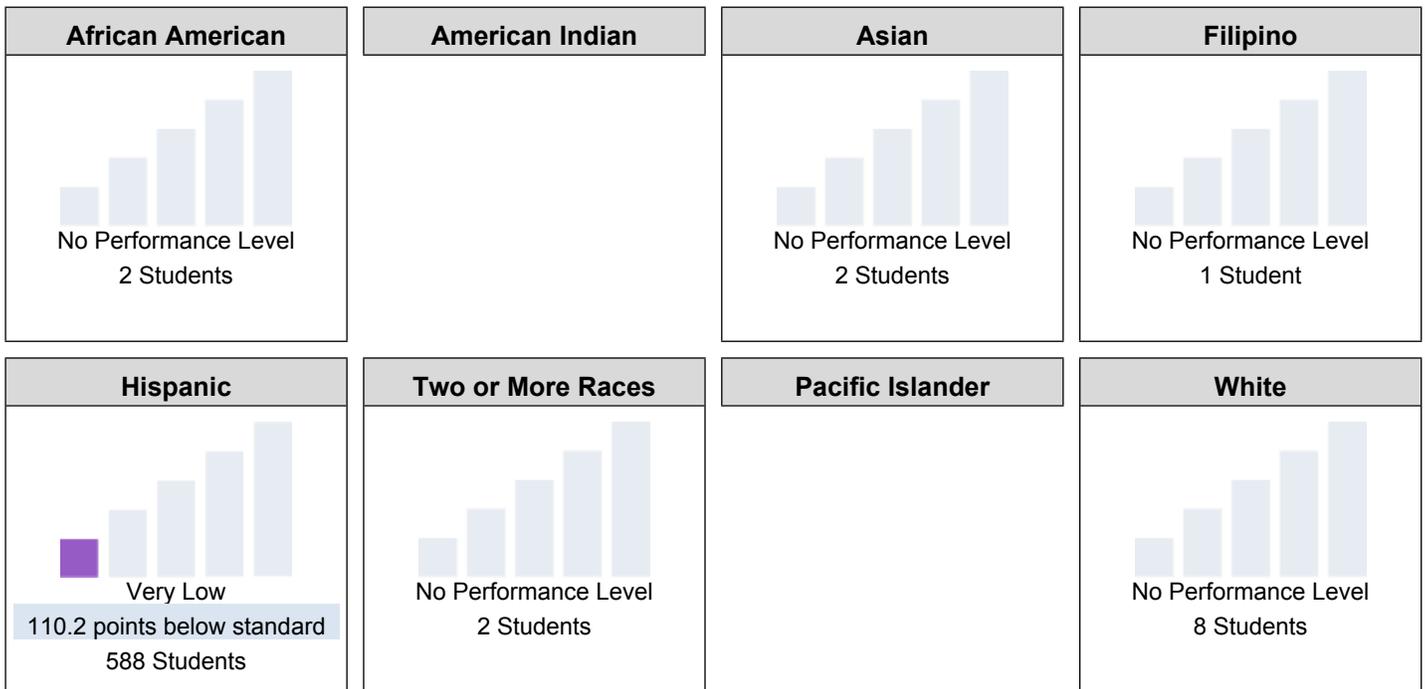

This section provides number of student groups in each level.

This section provides a view of how well students are meeting grade-level standards on the Mathematics assessment. This measure is based on student performance either on the Smarter Balanced Summative Assessment or the California Alternate Assessment, which is taken annually by students in grades 3–8 and grade 11.

2022 Fall Dashboard Mathematics Performance by Race/Ethnicity

This section provides additional information on distance from standard for current English learners, prior or Reclassified English learners, and English Only students in mathematics

2022 Fall Dashboard Mathematics Data Comparisons for English Learners

Current English Learner	Reclassified English Learners	English Only
<p>126.5 points below standard 265 Students</p>	<p>90.6 points below standard 146 Students</p>	<p>98.6 points below standard 138 Students</p>

Conclusions based on this data:

Based on the analysis of 2021-2022 data, the academic performance in Mathematics at Curren School has remained consistent with previous years before the pandemic. However, a closer examination reveals that all significant subgroups have experienced a decline in their progress towards meeting grade-level standards (DFM). It is concerning that approximately 87% of our students are currently performing below grade level, and there has been limited improvement observed in their progress towards meeting these standards. When comparing the performance of different student populations, there was minimal positive movement among those who were tested. Specifically, English Learners and students from socioeconomically disadvantaged backgrounds (SED) showed some progress, albeit primarily in transitioning from the "standard not met" category to the "nearly met" category. On the other hand, the performance of our homeless students and students with disabilities has shown a decline. These findings highlight the need for a thorough re-evaluation of our instructional practices, particularly in mathematics. It is imperative that we improve our teaching strategies and approaches to address the Priority Instructional Standards outlined for Math. To facilitate positive progress towards grade-level proficiency in mathematics, we must foster the development of critical thinking skills, problem-solving abilities, and conceptual understanding in both the standard practice and content. The data clearly indicates a need for improvement in our first instruction and mathematical teaching strategies and practices. Our school's focus should be on prioritizing the identified Priority Instructional Standards in Math. By cultivating habits of mind in students and providing consistent support in both the standard practice and content, we can empower them to make significant strides towards grade-level achievement in mathematics. This data analysis serves as a valuable guide for identifying areas requiring attention and implementing targeted interventions to enhance the academic performance of

our students in Mathematics. Through collaborative efforts involving teachers, staff, and stakeholders, we can work towards the shared goal of ensuring that all students at Curren School achieve grade-level proficiency in these subjects.

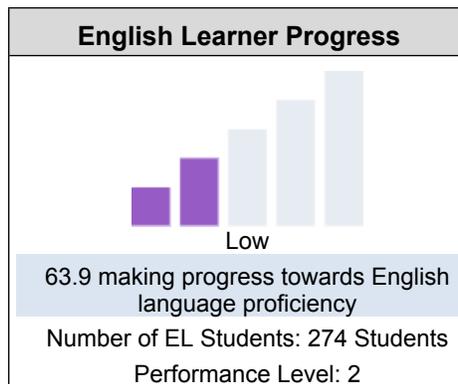

School and Student Performance Data

Academic Performance English Learner Progress

Due to the COVID-19 pandemic, state law allows the 2022 Dashboard to only display the most current year of data (also known as Status). For this year only, performance levels will be reported using one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low) for state measures. Please note that the Status levels associated with the Chronic Absenteeism and Suspension Rate Indicators are reversed (ranging from Very Low, Low, Medium, High, and Very High). Information regarding this year's Dashboard data is available within the [Dashboard Communications Toolkit](#).

This section provides information on the percentage of current EL students making progress towards English language proficiency or maintaining the highest level.

2022 Fall Dashboard English Learner Progress Indicator

This section provides a view of the percentage of current EL students who progressed at least one ELPI level, maintained ELPI level 4, maintained lower ELPI levels (i.e, levels 1, 2L, 2H, 3L, or 3H), or decreased at least one ELPI Level.

2022 Fall Dashboard Student English Language Acquisition Results

Decreased One ELPI Level	Maintained ELPI Level 1, 2L, 2H, 3L, or 3H	Maintained ELPI Level 4	Progressed At Least One ELPI Level
6.9%	29.2%	1.5%	62.4%

Conclusions based on this data:

The data analysis is based on the most recent recorded data in the school dashboard, which corresponds to the 2021-2022 academic year. It reveals that English Learners continue to comprise approximately 67% of our student population. Moreover, there has been an overall increase of 6-9% in the number of English Learners. This data underscores the importance of closely monitoring the progress of English Learners, particularly in the areas of Math and English Language Arts (ELA), as their performance in the CAASPP (California Assessment of Student Performance and Progress) scores has been consistently low.

Two years ago, the majority of students who were tested performed at the Beginning stage of English Language Development. Around 31% and 39% of students demonstrated some degree of development in their English language skills, ranging from Somewhat to Moderately Developed. It is noteworthy that approximately 64% of English Learners are making low progress towards English language proficiency. These findings, based on previous ELPAC (English Language Proficiency Assessments for California) scores, emphasize the need to ensure that our instructional practices cater to the specific needs of our students.

To address these challenges, it is crucial to prioritize scaffolds and supports. Students at Level 2 proficiency still rely on English to fulfill immediate communication needs but often struggle to use English effectively for learning and communication across various topics and content areas. In classroom settings, they require moderate-to-light linguistic

support, such as sentence frames, graphic organizers, and sensory aids, to actively participate in familiar social and academic contexts.

By focusing on these areas and implementing targeted strategies, we can better support our English Learners on their path to English language proficiency and academic success. Ongoing progress monitoring and the provision of appropriate scaffolds and supports will be essential in ensuring that our instruction effectively meets the needs of our diverse student population.

School and Student Performance Data

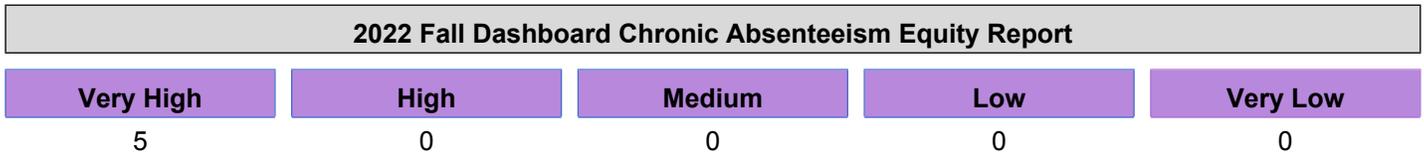

Academic Engagement Chronic Absenteeism

Due to the COVID-19 pandemic, state law allows the 2022 Dashboard to only display the most current year of data (also known as Status). For this year only, performance levels will be reported using one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low) for state measures. Please note that the Status levels associated with the Chronic Absenteeism and Suspension Rate Indicators are reversed (ranging from Very Low, Low, Medium, High, and Very High). Information regarding this year's Dashboard data is available within the [Dashboard Communications Toolkit](#).

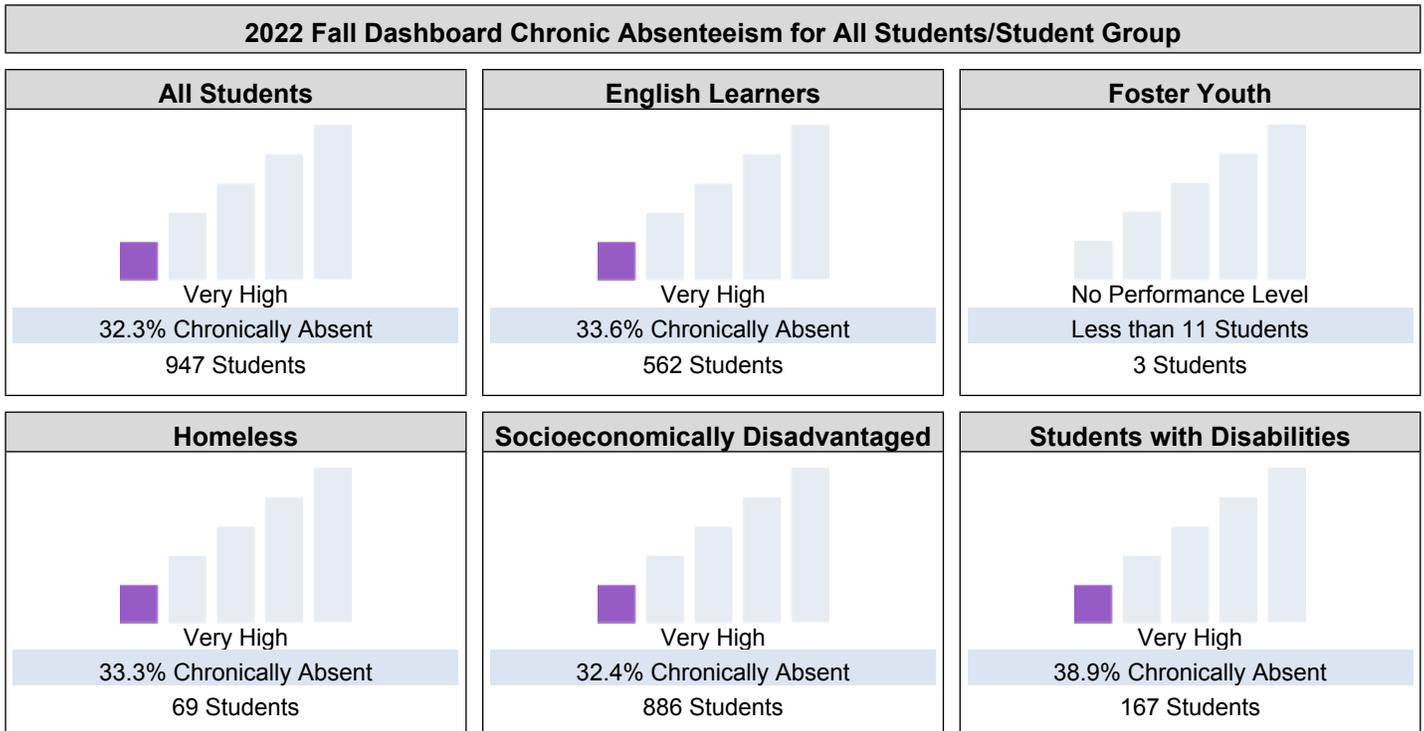

Because performance on state measures is based on current year (i.e., 2021-22) results only for the 2022 Dashboard, the color dials have been replaced with one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low).

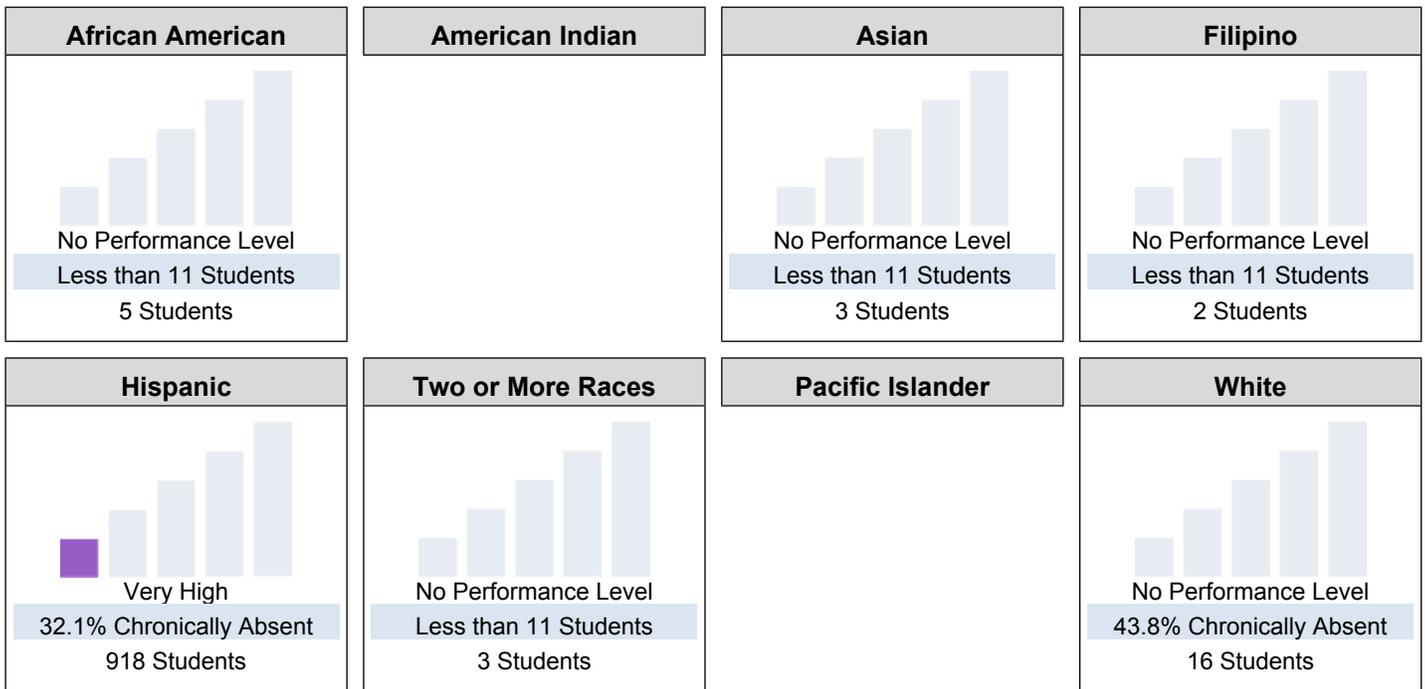

This section provides number of student groups in each level.

This section provides information about the percentage of students in kindergarten through grade 8 who are absent 10 percent or more of the instructional days they were enrolled.

2022 Fall Dashboard Chronic Absenteeism by Race/Ethnicity

Conclusions based on this data:

Based on the data from the 2021-2022 academic year, special population groups within our school demographics continue to face higher rates of chronic absenteeism compared to their peers. Specifically, the Special Education and Homeless student populations show higher percentages of chronic absenteeism when compared to the Socioeconomically Disadvantaged and English Learner groups. These findings highlight the urgent need for targeted support to address this issue. The extra support provided to these at-risk groups must be tailored to meet their unique needs. A key focus should be on establishing strong, positive, and caring relationships between students, families, and school staff. Building these connections can help create a supportive and inclusive school environment where students feel valued and motivated to attend regularly.

Engaging learning activities are crucial to encourage student participation and attendance. By designing lessons that are relevant, interesting, and interactive, we can foster student engagement and create a positive learning experience. Additionally, it is essential to identify and address any barriers to attendance that these students may face. This could involve providing individual needs assistance, ensuring access to necessary resources, or offering additional support services as needed. By implementing these strategies and supports, we can work towards reducing chronic absenteeism among special population groups. By prioritizing student and family engagement, creating engaging learning opportunities, and addressing attendance barriers, we can promote regular school attendance and improve the overall educational experience and outcomes for these students

School and Student Performance Data

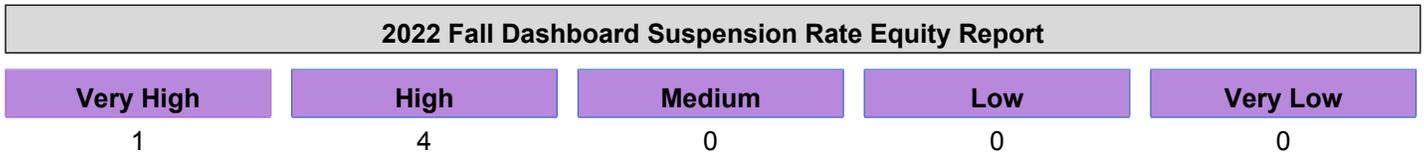

Conditions & Climate Suspension Rate

Due to the COVID-19 pandemic, state law allows the 2022 Dashboard to only display the most current year of data (also known as Status). For this year only, performance levels will be reported using one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low) for state measures. Please note that the Status levels associated with the Chronic Absenteeism and Suspension Rate Indicators are reversed (ranging from Very Low, Low, Medium, High, and Very High). Information regarding this year's Dashboard data is available within the [Dashboard Communications Toolkit](#).

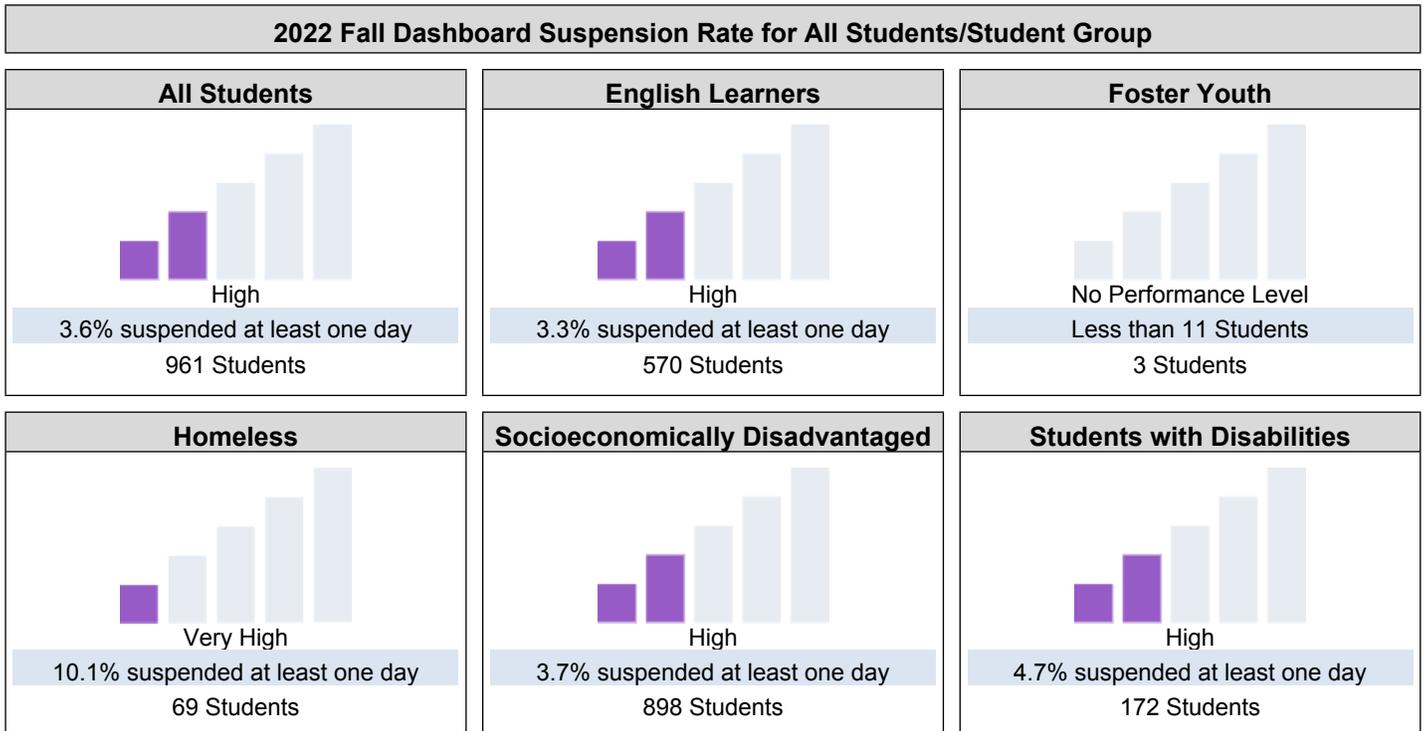

Because performance on state measures is based on current year (i.e., 2021-22) results only for the 2022 Dashboard, the color dials have been replaced with one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low).

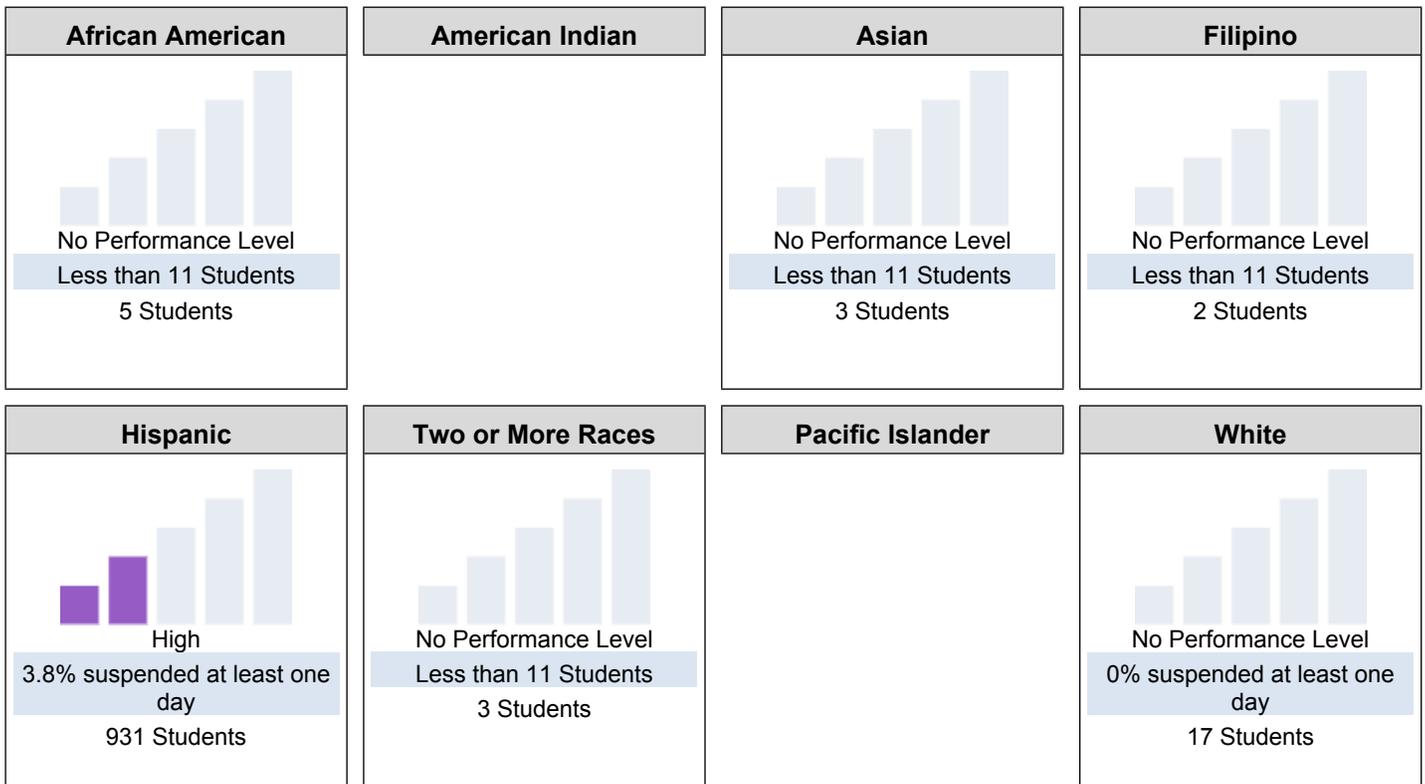

This section provides number of student groups in each level.

This section provides information about the percentage of students in kindergarten through grade 12 who have been suspended at least once in a given school year. Students who are suspended multiple times are only counted once.

2022 Fall Dashboard Suspension Rate by Race/Ethnicity

Conclusions based on this data:

Suspension rates for the 2021-2022 school year, as indicated in the release of the 2022 CA school dashboard, have shown an increase, which can be attributed to the challenges students faced in adjusting to in-person instruction after the pandemic. Analyzing the data from the previous year, it is evident that suspension rates have increased significantly for various special population groups. Specifically, the rates for the Homeless student group, socioeconomically disadvantaged students, English learners, McKinney-Vento students, and Foster Youth have remained high. Disproportionality in suspension rates among these student groups is a concern that needs to be addressed.

To address these disparities, a tiered level of support is necessary. It is crucial to focus on implementing alternate means of correction that allow students to remain in their instructional setting while still addressing behavioral issues. This approach can help minimize disruptions to their learning and provide opportunities for students to learn from their mistakes and grow.

Furthermore, the data clearly highlights the need for culturally responsive pedagogy, trauma-informed practices, and restorative justice opportunities in schools. Culturally responsive pedagogy ensures that instructional strategies and classroom environments acknowledge and respect the cultural backgrounds and experiences of students. Trauma-informed practices recognize and address the impact of trauma on students' behavior and well-being. Restorative justice approaches focus on repairing harm, building relationships, and promoting positive behaviors within the school community. By incorporating these approaches, our school can work towards reducing suspension rates and specifically address the disparities among special population groups.

It is essential to prioritize creating a supportive and inclusive school climate where students feel understood, supported, and engaged. By adopting these strategies and interventions, schools can strive to reduce overall suspension rates and create a more equitable and positive learning environment for all students, including those in special population groups.

Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

Goal Subject

Language Arts and Math

LEA/LCAP Goal

All students will reach high academic standards in reading and mathematics.

Goal 1

All Students will reach high standards, at a minimum, attaining proficiency or better in reading and mathematics.

Identified Need

To increase the capacity of teachers to deliver effective data-driven instruction
 To provide equipment, materials and technology resources that support high quality instruction
 To provide opportunities for teachers to collaborate to improve teaching and learning

Annual Measurable Outcomes

Metric/Indicator	Baseline/Actual Outcome	Expected Outcome
CAASPP ELA	<p>Percentage of students that Met or Exceeded standards for the CAASPP ELA for the 2022-2023 school year.</p> <p>3rd grade students - 26% 4th grade students - 17% 5th grade students - 27% 6th grade students - 21% 7th grade students - 34% 8th grade students - 41 %</p>	<p>Students will show growth by moving one or two levels across the different bands in CAASPP. The number of students meeting and exceeding standards in ELA will increase by 5 -10%.</p>
CAASPP Math	<p>Percentage of students that Met or Exceeded standards for the CAASPP Math for the 2022-2023 school year.</p> <p>3rd grade students - 32% 4th grade students - 13% 5th grade students - 18% 6th grade students - 4%</p>	<p>Students will show growth by moving one or two levels across the different bands in CAASPP. The number of students meeting and exceeding standards in Math will increase by 5-10%.</p>

Metric/Indicator	Baseline/Actual Outcome	Expected Outcome
	3rd grade - 32% 4th grade - 14% 5th grade - 24% 6th grade - 11% 7th grade - 13% 8th grade - 6%	1st grade - 20% 2nd grade - 20% 3rd grade - 25% 4th grade - 20% 5th grade - 20% 6th grade - 20% 7th grade - 20% 8th grade - 20%
ELPAC/Reclassification	82 students met reclassification criteria in 2022-2023 based on scores from 2021-2022 data and district benchmarks.	The reclassification rate will increase by at least 10%.
5th and 8th Grade Pathway to Biliteracy Award	39 students in 5th and 8th grade met the established criteria demonstrating progress towards biliteracy.	The number of students who met Pathway to Biliteracy criteria in 5th and 8th grade will be increased by 10%.

Complete a copy of the Strategy/Activity table for each of the school’s strategies/activities. Duplicate the table, including Proposed Expenditures, as needed.

Strategy/Activity 1

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All Students-focus on Special Education, SED, Foster, Homeless populations.

Strategy/Activity

Teachers and administrator(s) will support delivery of best first instructional practices to increase student achievement in Literacy, Writing, ELD and Math by collaborating; discussing and analyzing data; using best first instruction practices and lesson delivery; and implementing on-line practice of SBAC sample questions.

Teachers will administer on-line Interim Assessment Blocks (IABs) at least three times a year for third through eight grade.

Star Early Literacy, Reading and Math assessments will be administered four times per year.

Teachers and administrators will analyze the data following each administration during PLCs every other Tuesday to monitor student growth toward benchmark, evaluate student mastery of skills, plan instruction and create intervention groups. Use of Star CBMs (Curriculum Based Measurements) in K-5 will be as needed to monitor interventions and progress.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

Source(s)

District Funded
5000-5999: Services And Other Operating Expenditures
Curriculum and STAR Assessments

Strategy/Activity 2

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All students, but emphasis placed on English Learners, Special Education, SED, Foster, Homeless.

Strategy/Activity

AVID electives (2) will be available for grades 6-8 to promote college readiness and implementation of AVID strategies: binder checks, Cornell Notes and WICOR Strategies. AVID Tutors will support AVID strategies in the elective classes. Field trips (virtually or in person) if permitted to local colleges and universities will support college readiness and promote a college atmosphere on campus.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

Source(s)

3000

Title I
4000-4999: Books And Supplies
Materials and Supplies - Cost of binders and AVID Supplies and Fieldtrips

District Funded
2000-2999: Classified Personnel Salaries
AVID Tutors

Strategy/Activity 3

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All students-Focus on English Learners, Special Education, Foster and Homeless.

Strategy/Activity

Provide art enrichment opportunities for students during school and after school, including SEL activities through contract providers to supplement instruction (such as but not limited to: School Clubs, Artist in the Classroom, Art Trek, Hip Hop Mindset, Folkloric dance, Futuro Tiempo Artist Dance Theatre and Focus on supporting the Strand Focus.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)	Source(s)
1700	LCFF 5000-5999: Services And Other Operating Expenditures Service, Entrance fees - Robotics competition and Field Trip admission fees
25,000	Title I 5000-5999: Services And Other Operating Expenditures Contracts

Strategy/Activity 4

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All Students- focus on English Learners, Special Education, SED, Foster, Homeless,

Strategy/Activity

Teachers will meet during PLCs every other Tuesday to monitor student progress and develop instructional plans for DLI BUF Unit Implementation, ELD Curriculum to enhance ELD instruction and attend professional development to enhance classroom instructional strategies. Teachers will also collaborate every Wednesday as part of the District's banking of minutes agreement.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)	Source(s)
2001	Title I 1000-1999: Certificated Personnel Salaries Onsite Teacher professional development by site teacher mentor leads-Extra Hours for Teacher Preparation

Strategy/Activity 5

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All Students-focus on English Learners, Migrant, Special Education, SED, Foster, Homeless.

Strategy/Activity

Hire one Intervention Support Provider to provide interventions to K-5th Grade ELs/DLI students in small groups in a push in model and after school for homework support/tutoring in ELA, Math, and ELD.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)	Source(s)

6620	Title III 3000-3999: Employee Benefits Instructional Support Provider Benefits

Strategy/Activity 6

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All students

Strategy/Activity

Materials and supplies will be purchased to support the instructional program in all areas (including, but not limited to books, furniture, computer/iPad supplies, copies, any dues or memberships, and shredding services). Provide print materials and supplemental curricular materials to support and enrich core language arts and math instruction.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)	Source(s)
32000	LCFF 4000-4999: Books And Supplies Materials and Supplies, reclassification materials and material for other student events
20000	LCFF 4000-4999: Books And Supplies Warehouse Charges and Materials and Supplies
4313	LCFF 5000-5999: Services And Other Operating Expenditures

	Maintenance Agreements--laminator, duplo, copy machines
	District Funded 4000-4999: Books And Supplies District adopted curriculum materials and supplemental materials that support mastery of standards/skills.

Strategy/Activity 7

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All students- focus on English Learners and Migrant Students

Strategy/Activity

Provide training and instructional materials to support the 50/50 DLI program implementation, Middle School DLI and ELD Classes.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)	Source(s)
	District Funded 1000-1999: Certificated Personnel Salaries Professional development and Curriculum DLI Unit Resources and Support by EL TOSA- see Strategy 7 materials funding
	LCFF 4000-4999: Books And Supplies See Strategy 7 Materials and Supplies funding

Strategy/Activity 8

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All students-Focus on special population groups: English Learners, Migrant, SED, Foster, Homeless, and African- American.

Strategy/Activity

Provide tutoring and enrichment opportunities based on results from IAB's, previous CAASPP data, ELPAC data and Star assessment results. Data will be used to monitor students' progress towards mastery of ELA, Math and ELD standards.
Teachers to provide PD for parents on how to support students at home with academics.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)	Source(s)
	ASES 2000-2999: Classified Personnel Salaries After School Program Homework Support

Strategy/Activity 9

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All students

Strategy/Activity

Professional development opportunities for all teachers in ELA, Math, ELD, DLI to fully implement the curriculum throughout the school year.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)	Source(s)
	District Funded 1000-1999: Certificated Personnel Salaries Professional development opportunities for teachers

District Funded
4000-4999: Books And Supplies
District Adopted Curriculum

Strategy/Activity 10

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

English Learners and Migrant Students

Strategy/Activity

Monitor designated English Language Development instruction in Middle School 6-8 grades to ensure it is provided daily for English Learners as observed by classroom walk-troughs, schedules and ongoing progress monitoring conferences with Admin/teachers.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

Source(s)

No additional cost

Strategy/Activity 11

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All students

Strategy/Activity

Site and District Technology Team will support implementation of the learning management system (Canvas) and other learning applications used to support a technology-based classroom.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

Source(s)

District Funded
5800: Professional/Consulting Services And
Operating Expenditures
LMS-Canvas

District Funded

	2000-2999: Classified Personnel Salaries District provided Tech Support
4000	LCFF 4000-4999: Books And Supplies Headphones, charger ports and Keyboards

Strategy/Activity 12

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All students- Focus on DLI classrooms English Learners, Migrant students, and SED students.

Strategy/Activity

Provide DLI Classrooms with class library books to support reading in Spanish and improve oracy and literacy skills-Including Intervention

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)	Source(s)
	District Funded 5800: Professional/Consulting Services And Operating Expenditures Renaissance AR Program
4000	LCFF 4000-4999: Books And Supplies Books other than Textbooks - Spanish Books - culturally relevant, higher level reading, and more options for students

Strategy/Activity 13

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All students - Focus on Special Education, English Learners, Foster, and Homeless.

Strategy/Activity

Technology online subscriptions, licenses and applications will be use to support state standards, intervention programs, enrichment activities and strand focus. (ie. Waterford, SEGI, IXL, Scholastics News, EPIC, Newsela, Brain Pop, Read Naturally Live!, iStation).

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)	Source(s)
15363	Title I 5000-5999: Services And Other Operating Expenditures Applications/software and licenses

Strategy/Activity 14

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All students-Focus on English Learners, Special Education, Foster and Homeless.

Strategy/Activity

Professional development opportunities will be offered to teachers and administrators to support site strand focus, DLI, Special Education, content areas, Positive Behavior Intervention Supports (PBIS/CHAMPS), AVID (including Summer Institute), CABE and other conferences.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Annual Review

SPSA Year Reviewed: 2022-23

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required and this section may be deleted.

ANALYSIS

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

Greater emphasis and dedication should be placed on the implementation of the Common Core State Standards (CCSS) curriculum and the implementation of effective first instruction. The academic year 2022-2023 presented a unique set of opportunities and challenges as both students and staff continued to adapt from the instructional disruptions caused by the pandemic. The data

gathered during this year indicates that our students' reading ranges have remained consistent compared to previous years, with some growth observed in specific grade levels. This serves as an indication that we need to reassess our instructional approaches and the expectations placed on our students. It is worth noting that the data from this academic year has shown a steady increase in student performance on district benchmarks. It is crucial to place a strong focus and emphasis on delivering clear and intentional instruction aligned with the standards in each grade level.

Of utmost importance, the data highlights the significance of differentiation and Tier I and Tier II Instruction across all grades. The provision of rich and engaging instruction at the appropriate grade level is vital for students to achieve mastery and remain engaged. Vertical planning and collaborative efforts among grade levels in the areas of reading, language arts, and mathematics are essential to establish consistency and facilitate the building of concepts as students progress through each grade level, BUF Units, and the standards.

Teachers should continue prioritizing the essential standards in English language arts (ELA) and mathematics to ensure equitable instruction that supports the needs of all students. Additionally, socio-emotional learning must be prioritized to create an environment where students can focus on their academic growth. Based on prior results from the CAASPP and Star assessments, it is evident that reading comprehension, in particular, requires heightened attention. Incorporating real-life applications, open-ended questions, and problems, as well as utilizing higher levels of cognitive complexity (DOK levels), will enable students to develop a deeper understanding of the content and establish meaningful connections to the standards.

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

During the previous academic year, there was a notable discrepancy between our intended goals and the actual implementation, primarily centered around addressing students' social-emotional needs and mitigating the learning loss resulting from the post-pandemic period. Throughout the year, we encountered ongoing instructional needs and had to make adjustments to support both students and staff. However, certain actions and initiatives were delayed due to staffing limitations, such as the availability of intervention service providers and paraprofessionals in Kindergarten. Despite these challenges, our unwavering focus remained on student learning. Nevertheless, a considerable number of students faced difficulties in adapting and establishing meaningful connections and relationships in the aftermath of the pandemic. The availability of personnel and services greatly impacted the implementation of planned initiatives and budgeted actions during the school year. While the lessening of health regulations and guidelines facilitated increased student engagement in learning and other instructional activities, we continued to work with students who chose independent studies and faced challenges in readjusting to the school environment.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

Several revisions have been made to the goals and strategies in response to the instructional needs resulting from learning loss and post-pandemic circumstances experienced by most students. Adjustments to the desired outcomes were based on a thorough analysis of data from various metrics, including Star assessments in English Language Arts (ELA) and Mathematics, conducted in the fall, winter, spring, and end of the school year. These assessments provide ongoing insight into student proficiency levels, allowing for continuous monitoring of growth and academic progress throughout the academic year. The overall metrics for English Learners, as well

as those for ELA and Mathematics, remained relatively consistent. However, specific grade levels showed some changes based on the data from the 2021-2022 academic year. This school year presented opportunities for students to participate in assessments such as CAASPP, ELPAC, and reclassification. In order to address gaps in reading and math, Tier 1 and Tier 2 interventions were incorporated into the strategies. Due to a limited pool of qualified candidates, only one intervention provider was hired to support reading intervention efforts, while paraeducators were recruited to assist with differentiated instruction and small group or one-on-one support in the primary grades. Additionally, a paraprofessional was employed to provide language support for Long-Term English Learners (LTELs) and English Learners (ELs) in grades 6-8 across content areas.

Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

Goal Subject

Social Emotional Support and School Climate

LEA/LCAP Goal

The social-emotional, health and well-being needs of students will be met in a learning environment that is safe, drug-free and conducive to learning.

Goal 2

The social-emotional, health and well-being needs of students will be met in a learning environment that is safe, drug-free and conducive to learning.

Identified Need

To decrease the suspension rate
 To increase positive behavior
 To provide wrap-around services to ensure students come to school ready to learn

Annual Measurable Outcomes

Metric/Indicator	Baseline/Actual Outcome	Expected Outcome
Suspension Data	The CA Dashboard suspension rate was considered high at 3.6% for the 2021-2022 school year. Current end of school year 2022-2023 suspension rate is 3%	Suspension rates will decrease to 1% or lower.
Chronic Absenteeism Data	The CA Dashboard Chronic Absenteeism considered very high at 32% for the 2021-2022 school year.	The number of students with chronic absenteeism will decrease by 7% to 10%.
Panorama SEL Survey	The Panorama SEL Survey from Spring 2023 is used to calculate school climate and student well-being. The following indicators were reported: 64% of students in the 3rd-5th grade feel a sense of belonging at school. 40% of students in the 6th-8th grade feel a sense of belonging at school.	The percentage of students will increase in feeling a sense of belonging: 3rd-5th grade - 20% 6th-8th grade - 20%

Metric/Indicator	Baseline/Actual Outcome	Expected Outcome
Combined Regular School Attendance	The combined regular end of the year school attendance was 93% for the school year. This is within the state's school attendance average percentage rate.	Regular school attendance will be increased by 3% in the 2023-2024 school year.

Complete a copy of the Strategy/Activity table for each of the school's strategies/activities. Duplicate the table, including Proposed Expenditures, as needed.

Strategy/Activity 1

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All students

Strategy/Activity

Site counselors (2) will assist parents and students with crisis, trauma, student behavior, conflict resolution strategies, social skills, restorative circles, and support teachers with SEL lessons.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Annual Review

SPSA Year Reviewed: 2022-23

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required and this section may be deleted.

ANALYSIS

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

The effectiveness of this goal will be evaluated by utilizing specific metrics from the California Dashboard and the Panorama SEL survey, which are now available following the challenges posed by the post-pandemic period. The suspension rates data from the California Dashboard for the previous school year indicated an unfortunate increase in suspension rates compared to the 2021-2022 academic year. However, we were able to successfully administer the Panorama Survey to all students during the 2022-2023 school year. While maintaining our existing goals for this year, it is crucial to place a strong emphasis on enhancing student attendance to cater to the diverse needs of our student body. To achieve this, the school will need to adapt and modify the implementation of PBIS/CHAMPS initiatives in the classroom. This adjustment aims to address the social-emotional needs of our students and foster positive relationships and a sense of belonging with the school community. It is evident that the issues of suspension rates and school safety are intricately linked to the improvement of a positive school culture, enhanced student connectedness, and the provision of adequate social-emotional support to students who encounter challenges with attending school. Furthermore, it is imperative to provide students with multiple opportunities to engage socially with their peers and participate in enrichment activities throughout the school day and beyond. The primary focus should be on strengthening school connectedness and prioritizing the social and emotional well-being of our students, as many continue to face difficulties even after the post-pandemic years. To facilitate student engagement and connectedness, community circles will be implemented school-wide from the beginning of the academic year and will be sustained throughout to promote student involvement and a sense of belonging.

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

One significant disparity between the planned implementation and the allocated budget was the inability to hire campus supervisors, which would have contributed to enhancing campus monitoring, school safety, and overall school culture. Although an amount of \$19,000 was designated for this purpose, the recruitment process faced delays due to limited availability of suitable candidates. Consequently, the deployment of additional personnel or extended work hours could not commence until late February 2023, as the previous employee in the position had transitioned to another role.

As we prepare for the upcoming school year, it is evident that there is a heightened need for increased supervision support, particularly in light of the personnel changes in the Physical Education (PE) department. To ensure comprehensive oversight, it is imperative to have a female campus supervisor specifically assigned to monitor the girls' locker rooms during changing times, considering that both PE teachers are male. This measure aims to address privacy concerns and maintain a safe and respectful environment for all students.

In light of these circumstances, additional funding will be allocated in the school budget to accommodate the increased supervision needs. By doing so, we can effectively mitigate potential challenges associated with limited personnel and maintain a secure and inclusive learning environment for our students.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

Based on the student data from the previous academic year, it has been challenging to gauge improvements and identify specific needs for the upcoming year, given that students have been adapting to a new learning environment since the post-epidemic period. In the current year, we

have implemented various strategies and activities, with a strong emphasis on providing the necessary support for students' social-emotional well-being. To effectively meet the needs of all students, we recognize the importance of modifying our instructional practices and adopting an intentional approach to instruction.

Many students are still in the process of adjusting to in-person instruction after the pandemic, and it is worth noting that a significant number of them continue to wear masks daily, both during school hours and while engaging socially with their peers. Additionally, some students have opted for independent studies during and after the pandemic, and they have chosen to continue with this learning option. As a school, we remain committed to exploring deliberate ways to enhance school connectivity for all students, irrespective of whether they are engaged in in-person instruction or independent studies.

To foster a sense of belonging and promote student engagement, we will continue to offer enrichment opportunities during and after school hours. These opportunities aim to ensure that all students have the chance to participate in activities that align with their interests and passions within the school setting.

By prioritizing students' social-emotional needs, implementing intentional instructional approaches, and providing inclusive enrichment opportunities, we strive to create a supportive and inclusive environment where all students can thrive academically and emotionally.

Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

Goal Subject

Parent and Family Engagement

LEA/LCAP Goal

Families will be welcomed and afforded meaningful and productive opportunities to participate in their child's academic and social-emotional growth.

Goal 3

Families will be welcomed and afforded meaningful and productive opportunities to participate in their child's academic and social-emotional growth.

Identified Need

To increase communication through websites and social media so parents and community are informed about district and school instructional programs and activities
 To facilitate parent involvement in the educational and social-emotional well-being of their children
 To increase volunteer opportunities so parents can assist in the classroom and on campus

Annual Measurable Outcomes

Metric/Indicator	Baseline/Actual Outcome	Expected Outcome
English Learner Parent Needs Survey	81 parents responded (57 electronically and 24 on the paper/pencil form).	Parent responses to the 2023-2024 English Learner Needs Survey will be increased by 30%.
Attendance at ELAC Meetings	An average of 20 to 30 parents attended ELAC in person and through simultaneous virtual Zoom meetings in the 2022-2023 School Year.	Attendance will increase by 15% at ELAC Meetings.
Attendance at Coffee Chats with the Principal	An average of 15 to 20 people attended Coffee Chats with the Principal in the 2022-2023 School Year.	Attendance will increase by 15% at Coffee with the Principal.
Attendance at Back to School Night	325 parents attended, in person, at Back to School Night in the 2022-2023 School Year.	Attendance will increase by 10% for Back to School Night.

Complete a copy of the Strategy/Activity table for each of the school's strategies/activities. Duplicate the table, including Proposed Expenditures, as needed.

Strategy/Activity 1

Maintained parents informed when High School counselors will come to register 8th grade students for high school. Provide parents with the information to attend high school transition meetings and orientations.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

Source(s)

No additional cost

Annual Review

SPSA Year Reviewed: 2022-23

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required and this section may be deleted.

ANALYSIS

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

Parents were offered significant and meaningful opportunities to actively engage in their students' personal and educational development, both in person and through virtual means. They actively participated in a range of school events, including Parent/Teacher conferences, Back to School Night, the Day of the Dead Carnival, Student Growth Parades, student field trips, Kindergarten orientation, and discussions on 5th and 8th grade A-G requirements, among others. To better accommodate families, school meeting times were adjusted, resulting in an increased attendance compared to previous years.

We also organized Coffee Chats with the Principal and ELAC (English Learner Advisory Committee) meetings, facilitating both in-person and virtual participation. During the 2022-2023 academic year, ELAC saw an average attendance of 25 to 30 parents, reflecting a slight increase compared to the previous year. However, it is important to note that the majority of attendees were consistent participants, indicating the need for further outreach efforts to encourage a more diverse representation of parents at these gatherings.

Furthermore, we recognize the importance of fostering a sense of community on campus and involving parents in their child's academic journey. To address this, we are actively exploring additional volunteer opportunities that allow parents to contribute to their child's educational growth. By encouraging parental involvement, we aim to create a stronger community atmosphere within the school.

While parent participation generally increased for in-person meetings, we acknowledge that certain parents faced logistical challenges in attending in person. As a result, we received requests for simultaneous virtual meetings. Although most meetings were held in person, limitations in terms of available space and technology equipment prevented all meetings from occurring simultaneously in a virtual format.

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

It is imperative to allocate additional funds to facilitate parental participation in the Individualized Education Program (IEP) process for students with special needs, as well as the Student Study Team (SST) process for students under academic and social-emotional monitoring. While the budget expenditures for the current year were consistent with those of the previous school year, the increased caseloads necessitate additional budgetary allocations.

Moreover, the procedures for assembling the IEP team differed this year, as a combination of in-person and virtual settings were utilized instead of solely relying on in-person meetings. Nonetheless, parents were given the opportunity to attend IEPs and SSTs either in person, virtually, or via phone, providing them with flexible options to participate.

To ensure meaningful parental engagement in these critical processes, it is crucial to allocate the necessary resources and financial support to accommodate the increased demand. By addressing the budgetary needs and offering diverse participation options, we can foster stronger collaboration between parents and the educational team, ultimately enhancing the educational experiences and outcomes for all students involved.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

The second year of transitioning back to in-person instruction after the post-pandemic period necessitated adjustments to our goals and approaches. Given the varying levels of comfort and adherence to post-pandemic guidelines among parents and staff, certain actions were modified to accommodate their preferences.

Events such as Kindergarten Orientation, Back To School Night, and Parent conferences were adapted to offer a choice between in-person, virtual, or phone-based participation, as requested by parents. Coffee Chats with the Principal were initially conducted solely in person, but due to parent requests, we are now exploring the possibility of simultaneous virtual sessions. ELAC meetings will be held both in person and virtually, with adjusted schedules to accommodate the needs of families and encourage increased parent participation and input.

Moving forward, we plan to focus more on strategies to support students at home and enhance attendance through additional parent meetings. To evaluate the effectiveness of these efforts, attendance data will be collected and compared to the previous year. However, it is important to acknowledge that due to the unique circumstances of the pandemic, the reliability and fairness of comparing parent involvement metrics from previous years may be compromised.

By remaining flexible and responsive to the evolving needs and preferences of parents and staff, we aim to foster a supportive and inclusive environment where meaningful parent engagement is prioritized. These adaptations will contribute to our collective efforts in navigating the challenges and uncertainties of the post-pandemic landscape.

Budget Summary

Complete the table below. Schools may include additional information. Adjust the table as needed. The Budget Summary is required for schools funded through the ConApp, and/or that receive funds from the LEA for Comprehensive Support and Improvement (CSI).

Budget Summary

Description	Amount
Total Funds Provided to the School Through the Consolidated Application	\$130,929.00
Total Federal Funds Provided to the School from the LEA for CSI	\$0
Total Funds Budgeted for Strategies to Meet the Goals in the SPSA	\$331,606.00

Other Federal, State, and Local Funds

List the additional Federal programs that the school is including in the schoolwide program. Adjust the table as needed. If the school is not operating a Title I schoolwide program this section is not applicable and may be deleted.

Federal Programs	Amount (\$)
Title I	\$87,669.00
Title III	\$43,740.00

Subtotal of additional federal funds included for this school: \$131,409.00

List the State and local programs that the school is including in the schoolwide program. Duplicate the table as needed.

State or Local Programs	Amount (\$)
LCFF	\$178,000.00
LCFF - Intervention	\$22,197.00

Subtotal of state or local funds included for this school: \$200,197.00

Total of federal, state, and/or local funds for this school: \$331,606.00

Budgeted Funds and Expenditures in this Plan

The tables below are provided to help the school track expenditures as they relate to funds budgeted to the school.

Funds Budgeted to the School by Funding Source

Funding Source	Amount	Balance
Title I	87669.00	0.00
Title III	43740.00	0.00
LCFF - Intervention	22197.00	0.00
LCFF	178000.00	0.00

Expenditures by Funding Source

Funding Source	Amount
LCFF	178,000.00
LCFF - Intervention	22,197.00
Title I	87,669.00
Title III	43,740.00

Expenditures by Budget Reference and Funding Source

Budget Reference	Funding Source	Amount
1000-1999: Certificated Personnel Salaries	LCFF	26,708.00
2000-2999: Classified Personnel Salaries	LCFF	33,279.00
4000-4999: Books And Supplies	LCFF	71,000.00
5000-5999: Services And Other Operating Expenditures	LCFF	19,013.00
5800: Professional/Consulting Services And Operating Expenditures	LCFF	28,000.00
2000-2999: Classified Personnel Salaries	LCFF - Intervention	22,197.00
1000-1999: Certificated Personnel Salaries	Title I	28,306.00
4000-4999: Books And Supplies	Title I	3,000.00
5000-5999: Services And Other Operating Expenditures	Title I	56,363.00

1000-1999: Certificated Personnel Salaries	Title III	28,998.00
3000-3999: Employee Benefits	Title III	6,620.00
5000-5999: Services And Other Operating Expenditures	Title III	8,122.00

Expenditures by Goal

Goal Number	Total Expenditures
Goal 1	263,327.00
Goal 2	63,779.00
Goal 3	4,500.00

School Site Council Membership

California Education Code describes the required composition of the School Site Council (SSC). The SSC shall be composed of the principal and representatives of: teachers selected by teachers at the school; other school personnel selected by other school personnel at the school; parents of pupils attending the school selected by such parents; and, in secondary schools, pupils selected by pupils attending the school. The current make-up of the SSC is as follows:

- 1 School Principal
- 3 Classroom Teachers
- 1 Other School Staff
- 5 Parent or Community Members

Name of Members	Role
Pablo Ordaz	Principal
Suzanne Meckstroth	Classroom Teacher
Ann Marie Newman	Classroom Teacher
Rochalle Ford	Classroom Teacher
Tony Naranjo	Other School Staff
Mariana Coronado	Parent or Community Member
Jacqueline Carmona	Parent or Community Member
Erica Evangelista	Parent or Community Member
Agustin Mendoza	Parent or Community Member
Rogelia Ruvalcaba	Parent or Community Member

At elementary schools, the school site council must be constituted to ensure parity between (a) the principal, classroom teachers, and other school personnel, and (b) parents of students attending the school or other community members. Classroom teachers must comprise a majority of persons represented under section (a). At secondary schools there must be, in addition, equal numbers of parents or other community members selected by parents, and students. Members must be selected by their peer group.

Recommendations and Assurances

The School Site Council (SSC) recommends this school plan and proposed expenditures to the district governing board for approval and assures the board of the following:

The SSC is correctly constituted and was formed in accordance with district governing board policy and state law.

The SSC reviewed its responsibilities under state law and district governing board policies, including those board policies relating to material changes in the School Plan for Student Achievement (SPSA) requiring board approval.

The SSC sought and considered all recommendations from the following groups or committees before adopting this plan:

Signature	Committee or Advisory Group Name
	School Site Council
	English Learner Advisory Committee

The SSC reviewed the content requirements for school plans of programs included in this SPSA and believes all such content requirements have been met, including those found in district governing board policies and in the local educational agency plan.

This SPSA is based on a thorough analysis of student academic performance. The actions proposed herein form a sound, comprehensive, coordinated plan to reach stated school goals to improve student academic performance.

This SPSA was adopted by the SSC at a public meeting on 06/05/2023.

Attested:

	Principal, Pablo Ordaz on 06/05/23
	SSC Chairperson, Anne Marie Newman on 06/05/23

Instructions

The School Plan for Student Achievement (SPSA) is a strategic plan that maximizes the resources available to the school while minimizing duplication of effort with the ultimate goal of increasing student achievement. SPSA development should be aligned with and inform the Local Control and Accountability Plan process.

The SPSA consolidates all school-level planning efforts into one plan for programs funded through the consolidated application (ConApp), and for federal school improvement programs, including schoolwide programs, Comprehensive Support and Improvement (CSI), Targeted Support and Improvement (TSI), and Additional Targeted Support and Improvement (ATSI), pursuant to California Education Code (EC) Section 64001 and the Elementary and Secondary Education Act as amended by the Every Student Succeeds Act (ESSA). This template is designed to meet schoolwide program planning requirements. It also notes how to meet CSI, TSI, or ATSI requirements, as applicable.

California's ESSA State Plan supports the state's approach to improving student group performance through the utilization of federal resources. Schools use the SPSA to document their approach to maximizing the impact of federal investments in support of underserved students. The implementation of ESSA in California presents an opportunity for schools to innovate with their federally-funded programs and align them with the priority goals of the school and the LEA that are being realized under the state's Local Control Funding Formula (LCFF).

The LCFF provides schools and LEAs flexibility to design programs and provide services that meet the needs of students in order to achieve readiness for college, career, and lifelong learning. The SPSA planning process supports continuous cycles of action, reflection, and improvement. Consistent with EC 65001, the Schoolsite Council (SSC) is required to develop and annually review the SPSA, establish an annual budget, and make modifications to the plan that reflect changing needs and priorities, as applicable.

For questions related to specific sections of the template, please see instructions below:

Instructions: Linked Table of Contents

The SPSA template meets the requirements of schoolwide planning (SWP). Each section also contains a notation of how to meet CSI, TSI, or ATSI requirements.

For additional questions or technical assistance related to LEA and school planning, please contact the Local Agency Systems Support Office, at LCFF@cde.ca.gov.

For programmatic or policy questions regarding Title I schoolwide planning, please contact the local educational agency, or the CDE's Title I Policy and Program Guidance Office at TITLEI@cde.ca.gov.

For questions or technical assistance related to meeting federal school improvement planning requirements (for CSI, TSI, and ATSI), please contact the CDE's School Improvement and Support Office at SISO@cde.ca.gov.

Purpose and Description

Schools identified for Comprehensive Support and Improvement (CSI), Targeted Support and Improvement (TSI), or Additional Targeted Support and Improvement (ATSI) must respond to the following prompts. A school that has not been identified for CSI, TSI, or ATSI may delete the Purpose and Description prompts.

Purpose

Briefly describe the purpose of this plan by selecting from Schoolwide Program, Comprehensive Support and Improvement, Targeted Support and Improvement, or Additional Targeted Support and Improvement)

Description

Briefly describe the school's plan for effectively meeting ESSA requirements in alignment with the Local Control and Accountability Plan and other federal, state, and local programs.

Educational Partner Involvement

Meaningful involvement of parents, students, and other stakeholders is critical to the development of the SPSA and the budget process. Schools must share the SPSA with school site-level advisory groups, as applicable (e.g., English Learner Advisory committee, student advisory groups, tribes and tribal organizations present in the community, as appropriate, etc.) and seek input from these advisory groups in the development of the SPSA.

The Stakeholder Engagement process is an ongoing, annual process. Describe the process used to involve advisory committees, parents, students, school faculty and staff, and the community in the development of the SPSA and the annual review and update.

[This section meets the requirements for TSI and ATSI.]

[When completing this section for CSI, the LEA shall partner with the school in the development and implementation of this plan.]

Resource Inequities

Schools eligible for CSI or ATSI must identify resource inequities, which may include a review of LEA- and school-level budgeting as a part of the required needs assessment. Identified resource inequities must be addressed through implementation of the CSI or ATSI plan. Briefly identify and describe any resource inequities identified as a result of the required needs assessment and summarize how the identified resource inequities are addressed in the SPSA.

[This section meets the requirements for CSI and ATSI. If the school is not identified for CSI or ATSI this section is not applicable and may be deleted.]

Goals, Strategies, Expenditures, & Annual Review

In this section a school provides a description of the annual goals to be achieved by the school. This section also includes descriptions of the specific planned strategies/activities a school will take to meet the identified goals, and a description of the expenditures required to implement the specific strategies and activities.

Goal

State the goal. A goal is a broad statement that describes the desired result to which all strategies/activities are directed. A goal answers the question: What is the school seeking to achieve?

It can be helpful to use a framework for writing goals such as the S.M.A.R.T. approach. A S.M.A.R.T. goal is one that is **S**pecific, **M**asurable, **A**chievable, **R**ealistic, and **T**ime-bound. A level of specificity is needed in order to measure performance relative to the goal as well as to assess whether it is reasonably achievable. Including time constraints, such as milestone dates, ensures a realistic approach that supports student success.

A school may number the goals using the “Goal #” for ease of reference.

[When completing this section for CSI, TSI, and ATSI, improvement goals shall align to the goals, actions, and services in the LEA LCAP.]

Identified Need

Describe the basis for establishing the goal. The goal should be based upon an analysis of verifiable state data, including local and state indicator data from the California School Dashboard (Dashboard) and data from the School Accountability Report Card, including local data voluntarily collected by districts to measure pupil achievement.

[Completing this section fully addresses all relevant federal planning requirements]

Annual Measurable Outcomes

Identify the metric(s) and/or state indicator(s) that the school will use as a means of evaluating progress toward accomplishing the goal. A school may identify metrics for specific student groups. Include in the baseline column the most recent data associated with the metric or indicator available at the time of adoption of the SPSA. The most recent data associated with a metric or indicator includes data reported in the annual update of the SPSA. In the subsequent Expected Outcome column, identify the progress the school intends to make in the coming year.

[When completing this section for CSI the school must include school-level metrics related to the metrics that led to the school’s identification.]

[When completing this section for TSI/ATSI the school must include metrics related to the specific student group(s) that led to the school’s identification.]

Strategies/Activities

Describe the strategies and activities being provided to meet the described goal. A school may number the strategy/activity using the “Strategy/Activity #” for ease of reference.

Planned strategies/activities address the findings of the needs assessment consistent with state priorities and resource inequities, which may have been identified through a review of the local educational agency’s budgeting, its local control and accountability plan, and school-level budgeting, if applicable.

[When completing this section for CSI, TSI, and ATSI, this plan shall include evidence-based interventions and align to the goals, actions, and services in the LEA LCAP.]

[When completing this section for CSI and ATSI, this plan shall address through implementation, identified resource inequities, which may have been identified through a review of LEA- and school-level budgeting.]

Students to be Served by this Strategy/Activity

Indicate in this box which students will benefit from the strategies/activities by indicating “All Students” or listing one or more specific student group(s) to be served.

[This section meets the requirements for CSI.]

[When completing this section for TSI and ATSI, at a minimum, the student groups to be served shall include the student groups that are consistently underperforming, for which the school received the TSI or ATSI designation. For TSI, a school may focus on all students or the student group(s) that led to identification based on the evidence-based interventions selected.]

Proposed Expenditures for this Strategy/Activity

For each strategy/activity, list the amount(s) and funding source(s) for the proposed expenditures for the school year to implement these strategies/activities. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal, identify the Title and Part, as applicable), Other State, and/or Local.

Proposed expenditures that are included more than once in a SPSA should be indicated as a duplicated expenditure and include a reference to the goal and strategy/activity where the expenditure first appears in the SPSA. Pursuant to Education Code, Section 64001(g)(3)(C), proposed expenditures, based on the projected resource allocation from the governing board or governing body of the LEA, to address the findings of the needs assessment consistent with the state priorities including identifying resource inequities which may include a review of the LEA’s budgeting, its LCAP, and school-level budgeting, if applicable.

[This section meets the requirements for CSI, TSI, and ATSI.]

[NOTE: Federal funds for CSI shall not be used in schools identified for TSI or ATSI. In addition, funds for CSI shall not be used to hire additional permanent staff.]

Annual Review

In the following Analysis prompts, identify any material differences between what was planned and what actually occurred as well as significant changes in strategies/activities and/ or expenditures from the prior year. This annual review and analysis should be the basis for decision-making and updates to the plan.

Analysis

Using actual outcome data, including state indicator data from the Dashboard, analyze whether the planned strategies/activities were effective in achieving the goal. Respond to the prompts as instructed. Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal the Annual Review section is not required and this section may be deleted.

- Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.
- Briefly describe any major differences between either/or the intended implementation or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.
- Describe any changes that will be made to the goal, expected annual measurable outcomes, metrics/indicators, or strategies/activities to achieve this goal as a result of this analysis and analysis of the data provided in the Dashboard, as applicable. Identify where those changes can be found in the SPSA.

[When completing this section for CSI, TSI, or ATSI, any changes made to the goals, annual measurable outcomes, metrics/indicators, or strategies/activities, shall meet the CSI, TSI, or ATSI planning requirements. CSI, TSI, and ATSI planning requirements are listed under each section of the Instructions. For example, as a result of the Annual Review and Update, if changes are made to a goal(s), see the Goal section for CSI, TSI, and ATSI planning requirements.]

Budget Summary

In this section a school provides a brief summary of the funding allocated to the school through the ConApp and/or other funding sources as well as the total amount of funds for proposed expenditures described in the SPSA. The Budget Summary is required for schools funded through the ConApp and that receive federal funds for CSI. If the school is not operating a Title I schoolwide program this section is not applicable and may be deleted.

From its total allocation for CSI, the LEA may distribute funds across its schools that meet the criteria for CSI to support implementation of this plan. In addition, the LEA may retain a portion of its total allocation to support LEA-level expenditures that are directly related to serving schools eligible for CSI.

Budget Summary

A school receiving funds allocated through the ConApp should complete the Budget Summary as follows:

- Total Funds Provided to the School Through the Consolidated Application: This amount is the total amount of funding provided to the school through the ConApp for the school year. The school year means the fiscal year for which a SPSA is adopted or updated.
- Total Funds Budgeted for Strategies to Meet the Goals in the SPSA: This amount is the total of the proposed expenditures from all sources of funds associated with the strategies/activities reflected in the SPSA. To the extent strategies/activities and/or proposed expenditures are listed in the SPSA under more than one goal, the expenditures should be counted only once.

A school receiving federal funds for CSI should complete the Budget Summary as follows:

- Total Federal Funds Provided to the School from the LEA for CSI: This amount is the total amount of funding provided to the school from the LEA.

[NOTE: Federal funds for CSI shall not be used in schools eligible for TSI or ATSI. In addition, funds for CSI shall not be used to hire additional permanent staff.]

Appendix A: Plan Requirements

Schoolwide Program Requirements

This School Plan for Student Achievement (SPSA) template meets the requirements of a schoolwide program plan. The requirements below are for planning reference.

A school that operates a schoolwide program and receives funds allocated through the ConApp is required to develop a SPSA. The SPSA, including proposed expenditures of funds allocated to the school through the ConApp, must be reviewed annually and updated by the SSC. The content of a SPSA must be aligned with school goals for improving student achievement.

Requirements for Development of the Plan

- I. The development of the SPSA shall include both of the following actions:
 - A. Administration of a comprehensive needs assessment that forms the basis of the school's goals contained in the SPSA.
 1. The comprehensive needs assessment of the entire school shall:
 - a. Include an analysis of verifiable state data, consistent with all state priorities as noted in Sections 52060 and 52066, and informed by all indicators described in Section 1111(c)(4)(B) of the federal Every Student Succeeds Act, including pupil performance against state-determined long-term goals. The school may include data voluntarily developed by districts to measure pupil outcomes (described in the Identified Need); and
 - b. Be based on academic achievement information about all students in the school, including all groups under §200.13(b)(7) and migratory children as defined in section 1309(2) of the ESEA, relative to the State's academic standards under §200.1 to—
 - i. Help the school understand the subjects and skills for which teaching and learning need to be improved; and
 - ii. Identify the specific academic needs of students and groups of students who are not yet achieving the State's academic standards; and
 - iii. Assess the needs of the school relative to each of the components of the schoolwide program under §200.28.
 - iv. Develop the comprehensive needs assessment with the participation of individuals who will carry out the schoolwide program plan.
 - v. Document how it conducted the needs assessment, the results it obtained, and the conclusions it drew from those results.
 - B. Identification of the process for evaluating and monitoring the implementation of the SPSA and progress towards accomplishing the goals set forth in the SPSA (described in the Expected Annual Measurable Outcomes and Annual Review and Update).

Requirements for the Plan

- II. The SPSA shall include the following:
 - A. Goals set to improve pupil outcomes, including addressing the needs of student groups as identified through the needs assessment.

- B. Evidence-based strategies, actions, or services (described in Strategies and Activities)
1. A description of the strategies that the school will be implementing to address school needs, including a description of how such strategies will--
 - a. provide opportunities for all children including each of the subgroups of students to meet the challenging state academic standards
 - b. use methods and instructional strategies that:
 - i. strengthen the academic program in the school,
 - ii. increase the amount and quality of learning time, and
 - iii. provide an enriched and accelerated curriculum, which may include programs, activities, and courses necessary to provide a well-rounded education.
 - c. Address the needs of all children in the school, but particularly the needs of those at risk of not meeting the challenging State academic standards, so that all students demonstrate at least proficiency on the State's academic standards through activities which may include:
 - i. strategies to improve students' skills outside the academic subject areas;
 - ii. preparation for and awareness of opportunities for postsecondary education and the workforce;
 - iii. implementation of a schoolwide tiered model to prevent and address problem behavior;
 - iv. professional development and other activities for teachers, paraprofessionals, and other school personnel to improve instruction and use of data; and
 - v. strategies for assisting preschool children in the transition from early childhood education programs to local elementary school programs.
- C. Proposed expenditures, based on the projected resource allocation from the governing board or body of the local educational agency (may include funds allocated via the ConApp, federal funds for CSI, any other state or local funds allocated to the school), to address the findings of the needs assessment consistent with the state priorities, including identifying resource inequities, which may include a review of the LEAs budgeting, it's LCAP, and school-level budgeting, if applicable (described in Proposed Expenditures and Budget Summary). Employees of the schoolwide program may be deemed funded by a single cost objective.
- D. A description of how the school will determine if school needs have been met (described in the Expected Annual Measurable Outcomes and the Annual Review and Update).
1. Annually evaluate the implementation of, and results achieved by, the schoolwide program, using data from the State's annual assessments and other indicators of academic achievement;
 2. Determine whether the schoolwide program has been effective in increasing the achievement of students in meeting the State's academic standards, particularly for those students who had been furthest from achieving the standards; and
 3. Revise the plan, as necessary, based on the results of the evaluation, to ensure continuous improvement of students in the schoolwide program.

- E. A description of how the school will ensure parental involvement in the planning, review, and improvement of the schoolwide program plan (described in Educational Partner Involvement and/or Strategies/Activities).
- F. A description of the activities the school will include to ensure that students who experience difficulty attaining proficient or advanced levels of academic achievement standards will be provided with effective, timely additional support, including measures to
 - 1. Ensure that those students' difficulties are identified on a timely basis; and
 - 2. Provide sufficient information on which to base effective assistance to those students.
- G. For an elementary school, a description of how the school will assist preschool students in the successful transition from early childhood programs to the school.
- H. A description of how the school will use resources to carry out these components (described in the Proposed Expenditures for Strategies/Activities).
- I. A description of any other activities and objectives as established by the SSC (described in the Strategies/Activities).

Authority Cited: S Title 34 of the Code of Federal Regulations (34 CFR), sections 200.25-26, and 200.29, and sections-1114(b)(7)(A)(i)-(iii) and 1118(b) of the ESEA. EC sections 6400 et. seq.

Appendix B:

Plan Requirements for School to Meet Federal School Improvement Planning Requirements

For questions or technical assistance related to meeting Federal School Improvement Planning Requirements, please contact the CDE's School Improvement and Support Office at SISO@cde.ca.gov.

Comprehensive Support and Improvement

The LEA shall partner with stakeholders (including principals and other school leaders, teachers, and parents) to locally develop and implement the CSI plan for the school to improve student outcomes, and specifically address the metrics that led to eligibility for CSI (Educational Partner Involvement).

The CSI plan shall:

1. Be informed by all state indicators, including student performance against state-determined long-term goals (Goal, Identified Need, Expected Annual Measurable Outcomes, Annual Review and Update, as applicable);
2. Include evidence-based interventions (Strategies/Activities, Annual Review and Update, as applicable) (For resources related to evidence-based interventions, see the U.S. Department of Education's "Using Evidence to Strengthen Education Investments" at <https://www2.ed.gov/policy/elsec/leg/essa/guidanceuseseseinvestment.pdf>);
3. Be based on a school-level needs assessment (Goal, Identified Need, Expected Annual Measurable Outcomes, Annual Review and Update, as applicable); and
4. Identify resource inequities, which may include a review of LEA- and school-level budgeting, to be addressed through implementation of the CSI plan (Goal, Identified Need, Expected Annual Measurable Outcomes, Planned Strategies/Activities; and Annual Review and Update, as applicable).

Authority Cited: Sections 1003(e)(1)(A), 1003(i), 1111(c)(4)(B), and 1111(d)(1) of the ESSA.

Targeted Support and Improvement

In partnership with stakeholders (including principals and other school leaders, teachers, and parents) the school shall develop and implement a school-level TSI plan to improve student outcomes for each subgroup of students that was the subject of identification (Educational Partner Involvement).

The TSI plan shall:

1. Be informed by all state indicators, including student performance against state-determined long-term goals (Goal, Identified Need, Expected Annual Measurable Outcomes, Annual Review and Update, as applicable); and
2. Include evidence-based interventions (Planned Strategies/Activities, Annual Review and Update, as applicable). (For resources related to evidence-based interventions, see the U.S. Department of Education's "Using Evidence to Strengthen Education Investments" <https://www2.ed.gov/policy/elsec/leg/essa/guidanceuseseseinvestment.pdf>.)

Authority Cited: Sections 1003(e)(1)(B), 1003(i), 1111(c)(4)(B) and 1111(d)(2) of the ESSA.

Additional Targeted Support and Improvement

A school identified for ATSI shall:

1. Identify resource inequities, which may include a review of LEA- and school-level budgeting, which will be addressed through implementation of its TSI plan (Goal, Identified Need, Expected Annual Measurable Outcomes, Planned Strategies/Activities, and Annual Review and Update, as applicable).

Authority Cited: Sections 1003(e)(1)(B), 1003(i), 1111(c)(4)(B), and 1111(d)(2)(c) of the ESSA.

Single School Districts and Charter Schools Identified for School Improvement

Single school districts (SSDs) or charter schools that are identified for CSI, TSI, or ATSI, shall develop a SPSA that addresses the applicable requirements above as a condition of receiving funds (EC Section 64001[a] as amended by Assembly Bill [AB] 716, effective January 1, 2019).

However, a SSD or a charter school may streamline the process by combining state and federal requirements into one document which may include the local control and accountability plan (LCAP) and all federal planning requirements, provided that the combined plan is able to demonstrate that the legal requirements for each of the plans is met (EC Section 52062[a] as amended by AB 716, effective January 1, 2019).

Planning requirements for single school districts and charter schools choosing to exercise this option are available in the LCAP Instructions.

Authority Cited: EC sections 52062(a) and 64001(a), both as amended by AB 716, effective January 1, 2019.

Appendix C: Select State and Federal Programs

For a list of active programs, please see the following links:

Programs included on the Consolidated Application: <https://www.cde.ca.gov/fg/aa/co/>

ESSA Title I, Part A: School Improvement: <https://www.cde.ca.gov/sp/sw/t1/schoolsupport.asp>

Available Funding: <https://www.cde.ca.gov/fg/fo/af/>

Developed by the California Department of Education, January 2019

School Plan for Student Achievement (SPSA) Template

Instructions and requirements for completing the SPSA template may be found in the SPSA Template Instructions.

School Name	County-District-School (CDS) Code	Schoolsite Council (SSC) Approval Date	Local Board Approval Date
James Driffill Elementary School	56725386055271	6.14.23	

Purpose and Description

Briefly describe the purpose of this plan (Select from Schoolwide Program, Comprehensive Support and Improvement, Targeted Support and Improvement, or Additional Targeted Support and Improvement)

Schoolwide Program
Additional Targeted Support and Improvement

Briefly describe the school's plan for effectively meeting the ESSA requirements in alignment with the Local Control and Accountability Plan and other federal, state, and local programs.

Our school has recently been identified as ATSI (Additional Targeted Support and Improvement), due to our students with disabilities and homeless subgroups. The CDE makes this determination based on previous student performance from state mandated assessments and data collection. We have identified strategies/activities to address this, such as identifying our homeless and students with disabilities to provide targeted tier 2 support before and after school with the support of our LI teacher and our Intervention Support Providers (ISP).

Oxnard School District has created a strategic plan in order to ensure that we fully develop our student profile and work toward fulfilling our Mission and Vision.

Mission: In Oxnard School District, we nurture self-confident and empowered multilingual global citizens, strong in their multiple identities and potential, who achieve inspired levels of individual, community, and social accomplishment in school and beyond in their endeavors.

Vision: Ignite, Transform, Nurture, Embrace.

Our strategies/activities support our values and principles: Equity and Excellence; Safe and Affirming Environments; Achievement/Performance, Multilingualism, Global and Socio-Cultural Competence; Relationships built on Integrity, Mutual Trust, Respect and Caring; and Professional Accountability and Service.

Our goals at Driffill can be realized by following a Theory of Action, which constitutes committing to a vision of success; to be relentless in clarifying and supporting classroom leadership; to build school leadership; and to engage our families and community, which will lead us to become a highly effective and equitable school.

A guiding focus for the district is on five strategic goals which form the framework for powerful and sustainable school and district transformation: Student Academic Engagement and Achievement; a Positive and Safe Learning Environment and School Climate; Guidance and Support to Sites; Family/Community Alliances for Student Success and Transformational Leadership and Infrastructure.

All of our strategies/activities are designed to further these pedagogical principals:

1. Identify, activate, and build on student strengths.
2. Affirm student identities by challenging the devaluation of minoritized students' identities.
3. Establish powerful relationships that nurture equity and success.
4. Engage students actively in the learning process., by amplifying student voice.
5. Create environments of enrichment, rather than remediation, that engage students' multilingual repertoires.
6. Situate learning in the lives of students by connecting to their lives.
7. Elicit high intellectual performances that help connect students' identities to academic engagement.
8. Address the prerequisites for learning, including incorporating pedagogical practices that challenge coercive relations of power.

Given the 2021 creation of the OSD profile, Driffill analyzed past priorities and aligned expectations to ensure all students achieve success. Our previous successes at Driffill have been addressing the academic, social, and emotional needs of students aligning with the OSD Student Profile Trait, "Students will be confident and solution-oriented; able to demonstrate a growth mindset and advocate for themselves and others." These will continue to be areas of focus for the 2023-2024

school year. Additionally, our biliteracy, and our Autism Program support our students to become compassionate, multilingual, multicultural, and global thinkers.

As in previous years, we continue to integrate the State Standards (CCSS) for Language Arts and Math, and NGSS for science; however with an emphasis on acceleration to prioritize learning leaps. As we continue to analyze the areas of teaching, learning, interventions, professional development, parent involvement, and the after-school program, a Tier 1 instructional focus continues to prioritize student-centered learning, collaborative engagement structures, and rigor through an inquiry-based integrated balanced literacy model grounded in research-based pedagogy and California standardized assessment performance expectations.

The instructional leadership team supports quality-content instruction through professional learning opportunities, PLCs, grade-level collaboration, and professional peer support. Additionally, the team ensures quality instructional implementation with student-monitoring conferences with grade-level teachers once every six weeks.

Driffill School staff consists of 56 highly-qualified certificated staff members. A thorough examination of our goals at Driffill School has led to the highly focused and motivated professional development of our staff. Training in the areas of PBIS, Language Arts, Math, ELD, AVID, the Growth Mindset, Science, and Biliteracy, has further empowered our staff to become as precise and effective as possible when creating culturally responsive learning opportunities to ensure all students simultaneously develop and demonstrate the traits of the Oxnard School District Student Profile.

Driffill continues to strengthen our Professional Learning Communities (PLC) to improve Quality Tier 1 instruction, by using multiple measures of formal and informal student data to guide Tier 1 teaching and learning objectives. During PLCs, DLI, grade-Level, and vertical and content teams use student data and prioritized state standards to determine a Cycle of Inquiry focus. When identified by the grade level team, students who are not meeting grade level objectives are referred to the Student Success Team (SST). The team, consisting of grade-level teachers, administrators, school counselor, ORC and family, uses the OSD's universal screening assessments and classroom data to determine appropriate Tier 1 interventions as well as determine if Tier 2 interventions are needed.

The faculty has committed to 6 week progress monitoring cycles in order to rapidly monitor and analyze student needs based on data from interim assessments from Renaissance STAR 360 Reading and Math, IAB assessments from CAASPP, STMath, and Lexia as well as Panorama. Teachers share grade-level data to plan lessons, deconstruct standards, and identify instructional strategies, in order to determine student-centered goals both academic and social-emotional.

In addition, data allows teachers to plan for differentiated and rigorous instruction in Tier 1 to increase student achievement. To further improve student achievement, Intervention Services Providers (ISP) and the Literacy Intervention Teacher, will directly serve students in grades TK-8 to support instruction in Language Arts. AVID tutors in the middle school setting help support the college and career-ready mindset.

The acquisition of academic English language skills continues to be an important goal for Driffill School students, especially for our English Language Learners (ELLs). Tier 1 programs such as DLI, Designated ELD, and Integrated ELD are specifically designed to help students develop and master academic English Language Skills. To identify the areas of challenge English Learners are facing, we review the English Language Proficiency Assessment (ELPAC) along with other assessments; teachers deliver focused lessons that support students' progress toward reclassification and or

Meeting/Exceeding State Standards in English Language Arts. Middle school English Learner students receive one period of designated ELD.

Our after-school enrichment activities will include: Mad Science, Art Trek, Hip Hop Mindset, Gardening club, 5K community races, music, sports, and other community-sponsored events. This year enrichment opportunities will continue to be offered to students during the school day and after school including Leadership Opportunities, Careers, AVID, Robotics, Gardening Club, Math Club, Athletic Mindset. The after-school program has and will continue to offers extracurricular opportunities while providing a safe and nurturing environment to socialize and connect with positive role models.

Both during the regular school day as an elective, as well as an after-school club, Driffill adheres to the AVID philosophy that all students can succeed in the most rigorous curriculum. Most of our Driffill's Middle School teachers are AVID trained ensuring the fidelity of implementation of AVID strategies creating the mindset that all students will be college and career ready upon graduation. Driffill continues to train and support all staff in AVID strategies.

Family involvement and communication with teachers, administrative team, and support staff is a key element for the continued academic success at Driffill School. Student progress is communicated to parents through various platforms such as Parent Square, conferences, and regular ongoing communication with teachers and administration. Additionally, teachers regularly communicate with families in-person, by phone, written notes, email, CANVAS, and google Classroom.

Teachers use standards-based progress reports and assessment data at parent/teacher conferences to inform parents of their children's progress. Driffill staff also presents parent education nights in the content areas of Language Arts, Math, and Learning Management Systems (LMS) i.e. Canvas and Google Classroom, to help parents support their students' success. Driffill teachers and support staff host transition presentations and parent orientations for students entering TK/Kinder and sixth, seventh, and 8th grade as well as conduct High School Transition Meetings for all outgoing 8th-grade students. The Principal communicates with parents via Parent square with regular calls to all parents. Weekly digital bulletins are pushed out to parents via Canvas, and parent square as well as being uploaded to our School Websites and social media accounts. Regular updates are made to Driffill's web page and social media accounts, with pictures of school activities, meeting information, and our school site calendar. Parents are welcomed to Driffill School through a variety of general parent meetings, monthly ELAC, Café Con Padres, School Site Council, parent nights, and individual classroom parent meetings/programs. Other supports to parents include home visits and outreach to connect families to community-based services. Our school counselor and Outreach Consultant (ORC) conduct home visits and schedule parenting classes. Parenting classes are offered in English and in Spanish to further encourage families' participation in the education of their children and to support positive interaction with their children.

Comprehensive Needs Assessment Components

Data Analysis

Please refer to the School and Student Performance Data section where an analysis is provided.

Classroom Observations

This section provides a description of types and frequency of classroom observations conducted during the school-year and a summary of findings.

At Drifill, site administrators observation and feedback cycles. Formal observations take place two to three times a year as identified by the district and are accompanied by multiple informal observations to ensure Quality Tier 1 instruction. The analysis of the classroom observations suggests the need to support and improve intentional, quality Tier 1 instruction with a focus on depth of not only academic learning with collaborative structures but also the need to prioritize SEL and PBIS. The data collected thus far through observations have reinforced the adoption of school-wide instructional goals of building student-centered learning experiences, implementing collaborative engagement structures, and delivering standards-based rigorous lessons both driven through academic and language needs.

Analysis of Current Instructional Program

The following statements are derived from the Elementary and Secondary Education Act (ESEA) of 1965 and Essential Program Components (EPCs). In conjunction with the needs assessments, these categories may be used to discuss and develop critical findings that characterize current instructional practice for numerically significant subgroups as well as individual students who are:

- Not meeting performance goals
- Meeting performance goals
- Exceeding performance goals

Discussion of each of these statements should result in succinct and focused findings based on verifiable facts. Avoid vague or general descriptions. Each successive school plan should examine the status of these findings and note progress made. Special consideration should be given to any practices, policies, or procedures found to be noncompliant through ongoing monitoring of categorical programs.

Standards, Assessment, and Accountability

Use of state and local assessments to modify instruction and improve student achievement (ESEA)

On-going district and teacher lead training is provided for teachers to support the interpretation of State and district assessments such as CAASPP, ELPAC, STAR 360 reading and math assessments, chapter and unit Math and Language Arts tests. During PLCs, as well as informal teacher meetings, student data is studied regularly to determine student needs and drive instruction.

Use of data to monitor student progress on curriculum-embedded assessments and modify instruction (EPC)

Through the use of STAR 360, Lexia, St Math, Panorama, IABs, and ELPAC our student data collection is reviewed at PLCs and progress monitoring sessions, to monitor, drive, adjust, and modify instruction to meet the needs of all Driffill students. Driffill will use the BUF imbedded formative assessments to monitor student growth in DLI classes. Teachers use data to differentiate and provide extra support in the Tier 1 setting for the students not making adequate progress. If Tier 2 intervention is needed, based on the data, a student is given opportunity for tutoring or other appropriate services.

Staffing and Professional Development

Status of meeting requirements for highly qualified staff (ESEA)

The district ensures that that all site staff meets requirements to be considered “highly qualified.” This is monitored by the district’s Human Resources Department.

Sufficiency of credentialed teachers and teacher professional development (e.g., access to instructional materials training on SBE-adopted instructional materials) (EPC)

Incoming teachers are appropriately credentialed and provided with various forms of support. New Teacher Orientation is offered which includes district expectations and procedures, training on current curricular materials and programs and tips on classroom management. The district has a PAR (Peer Assistance and Review) program to offer support to any teacher who requests or requires it. The district works with the Ventura County Office of Education to provide Induction for new teachers. Professional development is always offered when new materials are adopted. Follow up training is available to continue to support the use of the materials.

Alignment of staff development to content standards, assessed student performance, and professional needs (ESEA)

Professional development is provided at the site and district level to ensure that instruction is aligned to current Common Core State Standards. There is a district assessment calendar to ensure that student progress is sufficiently monitored throughout the year. Professional development and support is provided on the assessment system and the specific types of assessments. Structures are in place at school sites to allow teachers to analyze data in collaborative groups in order to identify student needs and adjust instruction accordingly.

Ongoing instructional assistance and support for teachers (e.g., use of content experts and instructional coaches) (EPC)

The Educational Services Department includes Directors, Managers and TOSAs (Teachers on Special Assignment) who provide support for Curriculum, Instruction, Assessment, Accountability, Biliteracy Programs, Special Education, Special Programs, Pupil Services, Educational Technology and Equity and Family and Community Engagement. Site administration also functions as instructional leaders. Our regular school year calendar was revised to include three additional professional development days for all teachers (2 in the summer before school starts and 1 in the fall). Professional development was provided in the following areas: instructional content, planning for DLI instruction.

Teacher collaboration by grade level (kindergarten through grade eight [K–8]) and department (grades nine through twelve) (EPC)

Illustrated through the updated school schedule to include banking time, Driffill prioritizes and utilizes Professional Learning Communities (PLC's) to ensure teachers have protected time to collaborate weekly to discuss lesson planning, instructional practices, student progress, and review formative and summative assessments. Grade level e-bindings are maintained to record data, on-going conversations, monitor student growth and make instructional decisions regarding the most effective ways to meet standards.

Teaching and Learning

Alignment of curriculum, instruction, and materials to content and performance standards (ESEA)

Collaboration work, using the PLC (Professional Learning Communities) model, supports use of data driven instructional strategies to be intentionally implemented during Tier 1 instruction. State adopted and approved curricular materials support Quality Differentiated Tier 1 instruction.

Adherence to recommended instructional minutes for reading/language arts and mathematics (K–8) (EPC)

Instructional minutes are monitored by the Business Services office. All school schedules adhere to the guidelines governing recommended instructional minutes.

Lesson pacing schedule (K–8) and master schedule flexibility for sufficient numbers of intervention courses (EPC)

The district assessment calendar and adopted curricula provide guidance on lesson pacing. Student needs are determined by data analysis. Courses are scheduled based on these student needs.

Availability of standards-based instructional materials appropriate to all student groups (ESEA)

Instructional materials provided for all students are managed by our district Textbook Coordinator. Participation in Williams Inspections confirms that all students have access to required materials.

Use of SBE-adopted and standards-aligned instructional materials, including intervention materials, and for high school students, access to standards-aligned core courses (EPC)

Adopted and standards-aligned materials are provided for use in all classrooms. Intervention materials must be research-based. Funds are allocated to sites to purchase any additional materials they determine are necessary to meet student needs.

Opportunity and Equal Educational Access

Services provided by the regular program that enable underperforming students to meet standards (ESEA)

Driffill School has a MultiTiered System of Support (MTSS) model that documents the programs and materials that are available to use as the core program. At the foundation of the pyramid, teachers are provided professional development in cultural proficiency, growth mindset, Social-Emotional Learning, teaching research-based best practices, and standard-based instruction. Given those professional development opportunities, grade levels plan for all students to not only have access to the grade level content but meet grade level standards. If a student is not successful after initial Tier I instruction, the teacher provides additional scaffolded Tier 1 support within a small group or one-on-one instruction in the classroom. After ongoing data analysis, if a student is still not meeting grade-level standards, he/she is referred to an SST and following the MTSS procedures actions such as services of the Reading Specialist, after/before school tutoring, counseling services, and/or Intervention Specialist is prescribed. Additional steps may include further assessments if adequate progress is not made (i.e. special education).

Evidence-based educational practices to raise student achievement

Driffill has established a practice of only using research-based materials for Tier 1, Tier 2, and Tier 3 instruction. Teachers have a clear focus for each lesson, effectively communicate the focus to the students and provide opportunities for student engagement. Driffill has implemented the AVID and Data-driven PLC philosophies which include active participation and engagement, critical reading skills, collaboration, and the ability to communicate for a variety of purposes and to a variety of audiences. Teachers incorporate the AVID WICOR strategy which encompasses writing, inquiry, collaboration, organization, and reading skills. Student achievements are celebrated every trimester to highlight both academic and social-emotional growth and successes.

Parental Engagement

Resources available from family, school, district, and community to assist under-achieving students (ESEA)

Parent Education and parent involvement continues to be a focus this year. We are committed to enhancing the collaboration and partnership with parents. We have regularly scheduled ELAC, Title I/Cafe Con Padres and School Site Council Meetings. In-person and virtual celebrations are made available for parents to participate in in-class celebrations.

This year we hope to provide more parent education: Saturday Conferences/Workshops, AVID Training, A-G requirements, motivational speakers, health and wellness topics, preventative health workshops, grade level meetings, Outreach and Counselor workshops addressing parenting skills, and other topics will be covered as needs develop. It is our goal to develop a Growth Mindset with our families. A parent workshop has been identified for every month for the upcoming academic year.

Involvement of parents, community representatives, classroom teachers, other school personnel, and students in secondary schools, in the planning, implementation, and evaluation of ConApp programs (5 California Code of Regulations 3932)

All families, teachers and community groups are included in the input, discussion, decision and implementation of the School Plan and Budget. The Parent Compact and the Parent Engagement Policy are also reviewed, revised and implemented on a yearly basis.

Funding

Services provided by categorical funds that enable underperforming students to meet standards (ESEA)

Driffill is a School-Wide Title I Program using all categorical funds as needed to meet the needs of all students as delineated by the SPSA and Budget. Title I funds are used to improve instructional practices such as providing quality Tier I instruction through professional development, collaboration, PLC's and peer mentoring. Additionally, funds are used to ensure student engagement and safety across grade levels. Driffill contracts with outside experts and consults to continue to provide access to the most current engagement and instructional practices. Progress monitoring takes place with all grade levels to ensure that instruction is student-centered and data-driven. Instructional and professional materials are provided for professional growth and to support their practice and differentiated instruction.

Fiscal support (EPC)

The district receives Title I funding as we are considered a Title I district. Title I funds are allocated to each school based on the number of qualifying students. Sites then determine how to use the funds based on specific student needs. The district also distributes Title III funding to sites in order for them to provide any necessary additional services or resources to support English Learners. The district receives Supplemental and Concentration LCFF funding. Sites are allocated a portion of these funds in order to provide additional resources toward student achievement.

Educational Partner Involvement

How, when, and with whom did the school consult as part of the planning process for this SPSA/Annual Review and Update?

Involvement Process for the SPSA and Annual Review and Update

Together, School Leadership, staff, and ELAC review and provide input on the SPSA to the school Site Council, which approves annually. The School Site Council then meets monthly to monitor the goals and actions. Any changes to the SPSA are presented to all educational partners for their recommendations and re-submissions to the School Site Council for any changes and final approval. The plan will also reflect the work and support of the leadership team at the site.

Resource Inequities

Briefly identify and describe any resource inequities identified as a result of the required needs assessment, as applicable.

We continue to have a need additional hours for campus supervisors. We have identified the need for a Wellness Center to support our Social emotional needs of our students. Having a second counselor allows us opportunities to support the needs of All of our students in Wellness center.

Driffill has identified a need for extensive support social-emotional support for all students and site staff therefore we are opening a Wellness center in the 2023-24 school year.

Parents need support in the area of navigating basic technology functions support their students. Students need equipment that better facilitates school to home connection including: Wi-Fi access, wireless mouse, headphones, and keyboards for iPads.

Staff needs on-going training in using Canvas and ancillary tech resources including Lexia, ST Math, and board-adopted digital curriculum not only the basics of how to use the programs with students but also how to use the programs' multifaceted data resources to analyze student achievement.

School and Student Performance Data

Student Enrollment Enrollment By Student Group

Student Enrollment by Subgroup						
Student Group	Percent of Enrollment			Number of Students		
	20-21	21-22	22-23	20-21	21-22	22-23
American Indian	0.1%	%	0%	1		0
African American	0.4%	0.19%	0.3%	4	2	3
Asian	%	%	0%			0
Filipino	0.4%	0.38%	0.3%	5	4	3
Hispanic/Latino	97.5%	97.69%	97.61%	1,097	1015	979
Pacific Islander	0.2%	0.10%	0.2%	2	1	2
White	1.2%	1.35%	1.4%	14	14	14
Multiple/No Response	0.2%	0.29%	0.2%	2	3	2
Total Enrollment				1,125	1039	1003

Student Enrollment Enrollment By Grade Level

Student Enrollment by Grade Level			
Grade	Number of Students		
	20-21	21-22	22-23
Kindergarten	146	144	143
Grade 1	101	95	90
Grade 2	122	96	94
Grade3	120	107	96
Grade 4	121	114	107
Grade 5	132	113	108
Grade 6	123	124	116
Grade 7	123	125	121
Grade 8	137	121	128
Total Enrollment	1,125	1,039	1,003

Conclusions based on this data:

Based on the analysis of student enrollment by grade level between 2020-2023, the total enrollment has decreased. Declining enrollment has been projected by the state of California for some time. One factor has been families moving out of the area due to the Pandemic or other reasons. Nonetheless, we are still a TK-8th grade school that has a high Hispanic/Latino population. We allocate resources to each grade level to provide opportunities and services in order for each child to be successful in school.

School and Student Performance Data

Student Enrollment English Learner (EL) Enrollment

English Learner (EL) Enrollment						
Student Group	Number of Students			Percent of Students		
	20-21	21-22	22-23	20-21	21-22	22-23
English Learners	631	617	610	56.10%	59.4%	60.8%
Fluent English Proficient (FEP)	272	208	185	24.20%	20.0%	18.4%
Reclassified Fluent English Proficient (RFEP)	43		59	6.8%		11%

Conclusions based on this data:

Our data analyzed from CAASPP, STAR360, StMath, and Lexia as well as formative assessments in ELA and Math indicate that Drifill students need targeted, Integrated and Designated English Language Development (ELD) that is connected across content areas. They need sophisticated or more complex language structures, as well as grammatical and vocabulary development to be explicitly taught across all content areas and grade levels. Our RFEP students need continued monitoring and support in order to successfully meet grade-level standards. Drifill recognizes the urgency to increase English language acquisition at every grade level.

School and Student Performance Data

Star Early Literacy

James Driffill Elementary School											
		Less than Proficient				Proficient				Star Early Literacy Average	
		Level 1		Level 2		Level 3		Level 4			
Grade	Total # Tested	Total	%	Total	%	Total	%	Total	%	Level	Scale Score
Grade K	93	9	10%	5	5%	9	10%	70	75%	4	811
Grade 1	95	28	29%	11	12%	17	18%	39	41%	4	811
Grade 2	92	23	25%	20	22%	18	20%	31	34%	4	883

Conclusions based on this data:

Based on the current Star Early Literacy data a high percentage of Driffill's Kinder students have tested Proficient. Driffill will continue to focus on teaching the biliteracy units while also ensuring that students receive foundation skills to ensure well rounded students that are able to read proficiently. Our TK program supports Early Literacy skills to ensure that students start Kindergarten with a strong foundation.

School and Student Performance Data

Star Reading

James Driffill Elementary School											
		Less than Proficient				Proficient				Star Reading Average	
		Level 1		Level 2		Level 3		Level 4			
Grade	Total # Tested	Total	%	Total	%	Total	%	Total	%	Level	Scale Score
Grade 2	94	35	37%	33	35%	18	19%	8	9%	1	888
Grade 3	90	34	38%	30	33%	15	17%	11	12%	1	942
Grade 4	98	60	61%	17	17%	16	16%	5	5%	1	949
Grade 5	101	40	40%	21	21%	31	31%	9	9%	2	1011
Grade 6	106	51	48%	36	34%	17	16%	2	2%	1	1001
Grade 7	102	62	61%	21	21%	17	17%	2	2%	1	1009
Grade 8	114	37	32%	46	40%	30	26%	1	1%	2	1060

Conclusions based on this data:

Based on the Star data it is evident that a school wide goal is needed to target literacy across all content areas and grade levels. Intentional scaffolding, differentiated instruction, a variety of instructional strategies as well as on-going teacher professional development will support student literacy gains. Driffill recognizes the need to have a shared accountability across grade level and all content areas. Driffill will continue to need a strong progress monitoring system that analyzes student progress at least every six weeks to identify student needs and plan instruction and differentiated target goals for individualized small groups of students.

School and Student Performance Data

Star Math

James Driffill Elementary School											
		Less than Proficient				Proficient				Star Math Average	
		Level 1		Level 2		Level 3		Level 4			
Grade	Total # Tested	Total	%	Total	%	Total	%	Total	%	Level	Scale Score
Grade 1	95	25	26%	39	41%	28	29%	3	3%	2	837
Grade 2	92	28	30%	33	36%	23	25%	8	9%	2	908
Grade 3	93	32	34%	32	34%	14	15%	15	16%	2	956
Grade 4	101	44	44%	31	31%	19	19%	7	7%	2	984
Grade 5	102	49	48%	25	25%	14	14%	14	14%	1	1030
Grade 6	104	61	59%	29	28%	12	12%	2	2%	1	1020
Grade 7	91	71	78%	13	14%	6	7%	1	1%	1	997
Grade 8	115	69	60%	29	25%	14	12%	3	3%	1	1058

Conclusions based on this data:

Based on the Star Math data, it is evident that a school wide goal is needed to target mathematics from 2nd-8th grade. Intentional scaffolding, differentiated instruction, a variety of instructional strategies as well as on-going teacher professional development and support from the Math Manager will support student gains. Driffill recognizes the need to have a shared accountability across all grade levels and in particular our middle school. Our students will continue using ST math but also continue using dreambox in the middle school grades.

School and Student Performance Data

CAASPP Results English Language Arts/Literacy (All Students)

Overall Participation for All Students

Grade 6		8.40			59.66			31.93	
Grade 7		6.78			58.47			34.75	
Grade 8		7.02			60.53			32.46	
All Grades		7.23			59.49			33.28	

Conclusions based on this data:

In order to continue making progress towards a larger percentage of students meeting or exceeding standards, our focus is geared at providing quality Tier 1 instruction in Language Arts. Writing across subject areas will be targeted since that was our weakest area based on CAASPP. Drifill will continue to need the full implementation of the BUF's Biliteracy units which are standards based to support growth in the area of language arts.

All Grades		4.50			57.81			37.69	

Conclusions based on this data:

Driffill showed progress on the CAASPP Math in all grade levels with the exception of 4th grade. Driffill anticipates continuing to have a high percentage of our students not meeting standards. In order to continue making progress towards a larger percentage of students meeting or exceeding standards, our focus is providing quality Tier 1 instruction in Math. We will spend additional time teaching fractions and geometry since those areas were indicated as a weakness based on CAASPP scores. We will be supplementing the My Math program with other math programs including but not limited to ST Math, touch math, Zearn, Engage New York, among other programs.

7	2.86	25.00		94.29	72.22		2.86	2.78		35	36	
8	7.41	0.00		92.59	96.67		0.00	3.33		27	30	
All Grades	9.69	17.77		65.63	70.03		24.68	12.20		547	377	

Conclusions based on this data:

Each year, Drifill continues to reclassify students who meet district metrics for reclassification. We still have a large population of EL students due to the fact that every year we have newly enrolled TK and Kinder students. Drifill will continue to provide additional supports such as scaffolding, vocabulary development, and exposure to academic English language. Drifill continues to target interventions in the areas of reading and writing for our English Learners.

School and Student Performance Data

Student Population

For the past two years, many state and federal accountability requirements were waived or adjusted due to the impact of the COVID-19 pandemic on LEAs, schools, and students. Beginning with the 2021-22 school year, the requirements to hold schools and districts accountable for student outcomes has returned with the release of the 2022 California School Dashboard (Dashboard). The Every Student Succeeds Act is requiring all states to determine schools eligible for support. Similarly, under state law, Assembly Bill (AB) 130, which was signed into law in 2021, mandates the return of the Dashboard using only current year performance data to determine LEAs for support. Therefore, to meet this state requirement, only the 2021-22 school year data will be reported on the 2022 Dashboard for state indicators. (Data for Change [or the difference from prior year] and performance colors will not be reported.)

This section provides information about the school's student population.

2021-22 Student Population			
Total Enrollment	Socioeconomically Disadvantaged	English Learners	Foster Youth
1,039	89.6	59.4	0.1
Total Number of Students enrolled in James Driffill Elementary School.	Students who are eligible for free or reduced priced meals; or have parents/guardians who did not receive a high school diploma.	Students who are learning to communicate effectively in English, typically requiring instruction in both the English Language and in their academic courses.	Students whose well being is the responsibility of a court.

2021-22 Enrollment for All Students/Student Group		
Student Group	Total	Percentage
English Learners	617	59.4
Foster Youth	1	0.1
Homeless	99	9.5
Socioeconomically Disadvantaged	931	89.6
Students with Disabilities	136	13.1

Enrollment by Race/Ethnicity		
Student Group	Total	Percentage
African American	2	0.2
American Indian		
Asian		
Filipino	4	0.4
Hispanic	1,015	97.7
Two or More Races	3	0.3
Pacific Islander	1	0.1
White	14	1.3

Conclusions based on this data:

Driffill has a large population of socioeconomically disadvantaged students. In order to meet the academic needs, Driffill will make sure that their basic needs are taken care of first. Driffill will focus on strengthening designated and integrated English Language Development for English Language Learners. Driffill will continue to provide free breakfast and lunch to all students. Driffill will be sending Friday bags filled with food home to our homeless and foster families which include many EL students and continue having a winter closet that provides clothing for students who are in need of proper attire. Driffill will participate in the Operation School Bell, which helps families in need. Finally, Driffill has 5 Autism classes on campus in addition to 4 RSP teachers providing services in order to meet the needs of students with disabilities. Our RSP students need continued support that is based off of their annual goals.

School and Student Performance Data

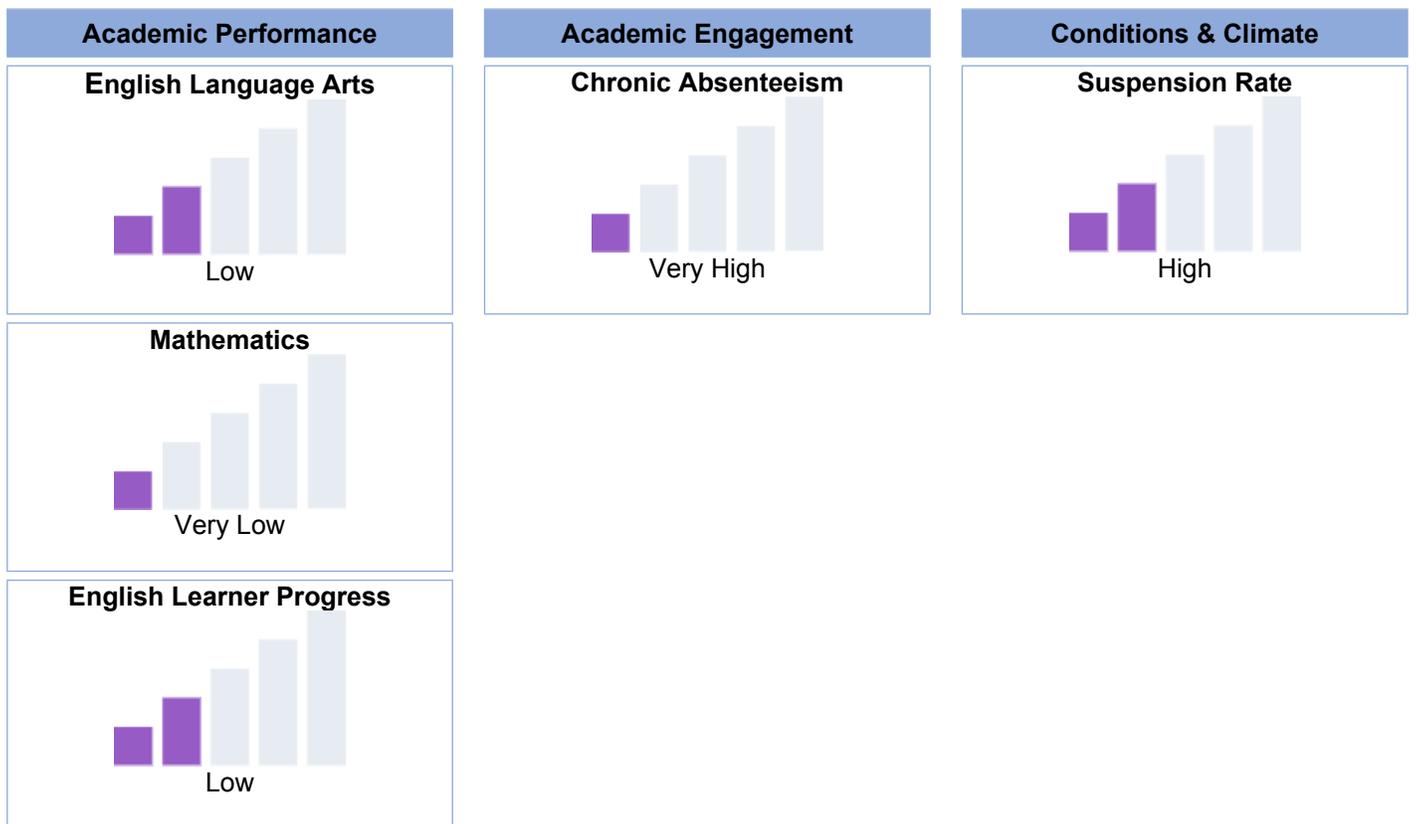

Overall Performance

Due to the COVID-19 pandemic, state law allows the 2022 Dashboard to only display the most current year of data (also known as Status). For this year only, performance levels will be reported using one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low) for state measures. Please note that the Status levels associated with the Chronic Absenteeism and Suspension Rate Indicators are reversed (ranging from Very Low, Low, Medium, High, and Very High). Information regarding this year's Dashboard data is available within the [Dashboard Communications Toolkit](#).

Because performance on state measures is based on current year (i.e., 2021-22) results only for the 2022 Dashboard, the color dials have been replaced with one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low).

2022 Fall Dashboard Overall Performance for All Students

Conclusions based on this data:

Driffill must continue working for improvement in the areas of ELA and Math. We still have a large percentage of our population not meeting proficiency. This year we looked at what worked and what didn't to raise scores and are adjusting practices in the classroom to maximize the number of students in the MET/Exceeded category as measured by CAASPP.

School and Student Performance Data

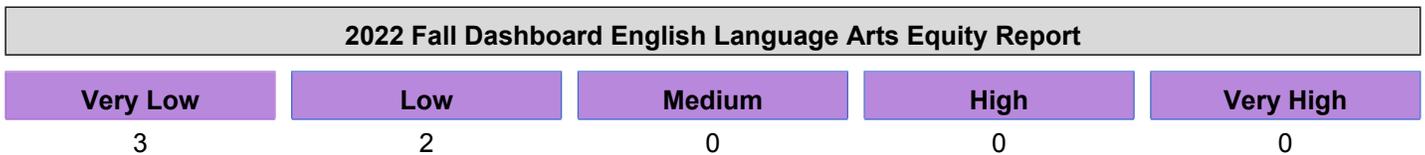

Academic Performance English Language Arts

Due to the COVID-19 pandemic, state law allows the 2022 Dashboard to only display the most current year of data (also known as Status). For this year only, performance levels will be reported using one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low) for state measures. Please note that the Status levels associated with the Chronic Absenteeism and Suspension Rate Indicators are reversed (ranging from Very Low, Low, Medium, High, and Very High). Information regarding this year's Dashboard data is available within the [Dashboard Communications Toolkit](#).

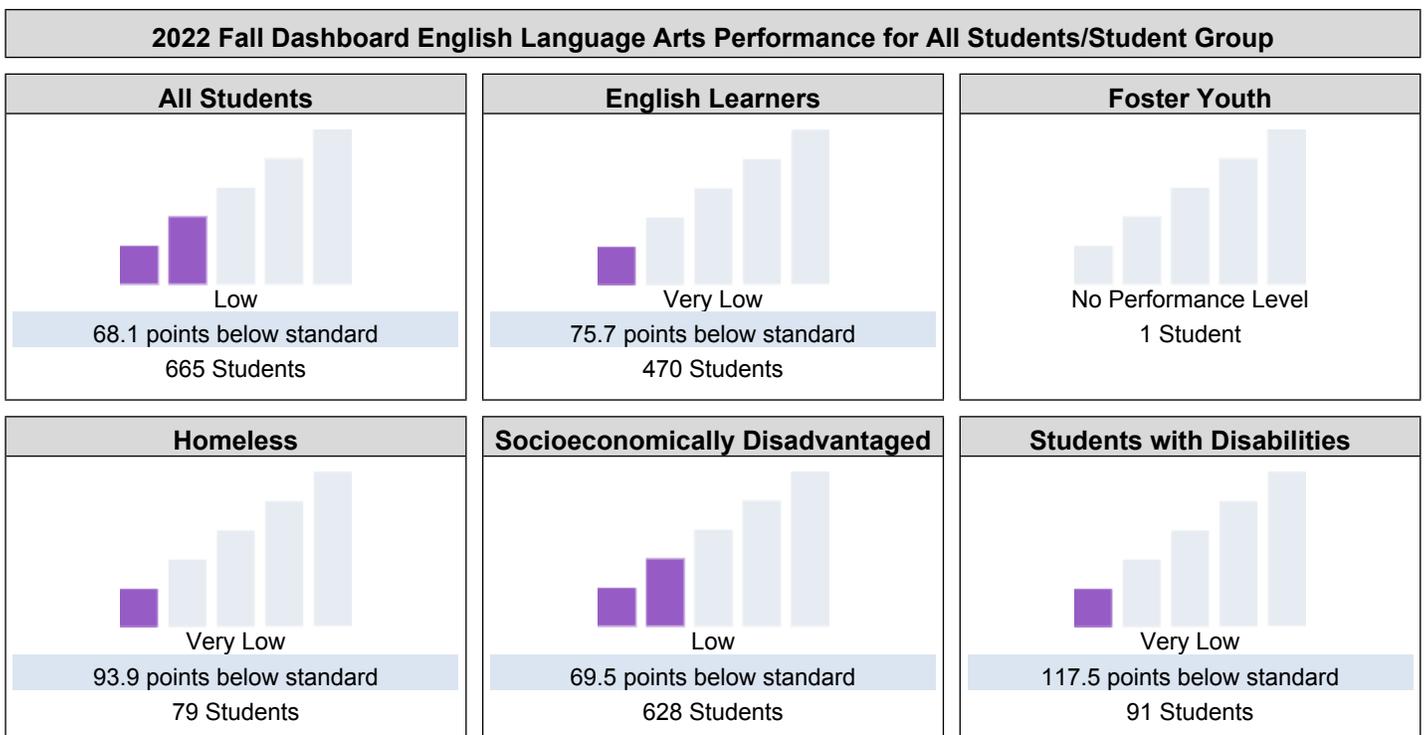

Because performance on state measures is based on current year (i.e., 2021-22) results only for the 2022 Dashboard, the color dials have been replaced with one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low).

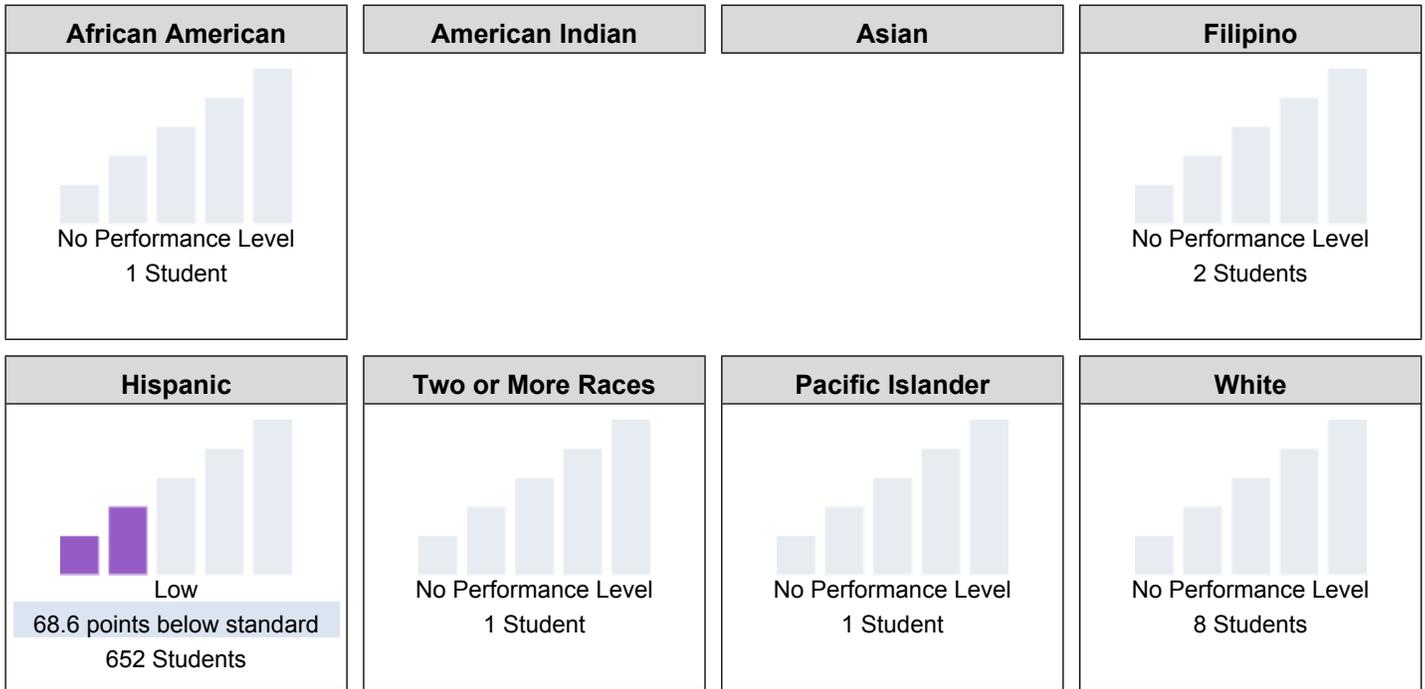

This section provides number of student groups in each level.

This section provides a view of how well students are meeting grade-level standards on the English Language Arts assessment. This measure is based on student performance on either the Smarter Balanced Summative Assessment or the California Alternate Assessment, which is taken annually by students in grades 3–8 and grade 11.

2022 Fall Dashboard English Language Arts Performance by Race/Ethnicity

This section provides additional information on distance from standard for current English learners, prior or Reclassified English learners, and English Only students in English Language Arts.

2022 Fall Dashboard English Language Arts Data Comparisons for English Learners

Current English Learner	Reclassified English Learners	English Only
93.9 points below standard 298 Students	44.3 points below standard 172 Students	60.4 points below standard 135 Students

Conclusions based on this data:

Driffill must continue working for improvement in the areas of ELA and Math. For the 2023-24 school year, at Driffill our English Learners, Reclassified students and English only students continue to make gains in Language Arts. Despite these gains, we continue to have a large percentage of our students not meeting grade level standards so we are targeting our specific areas of weakness as identified by the CAASPP. Writing is taking place in all subject areas to support student development in this area.

School and Student Performance Data

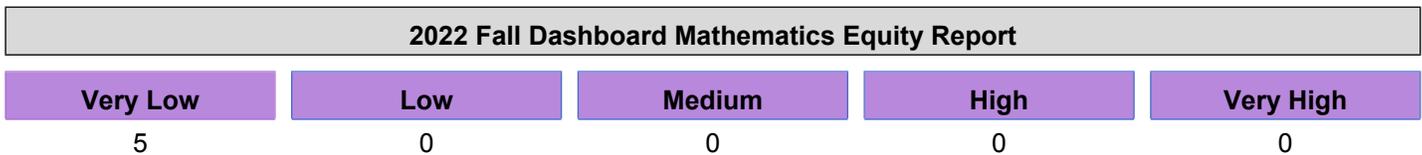

Academic Performance Mathematics

Due to the COVID-19 pandemic, state law allows the 2022 Dashboard to only display the most current year of data (also known as Status). For this year only, performance levels will be reported using one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low) for state measures. Please note that the Status levels associated with the Chronic Absenteeism and Suspension Rate Indicators are reversed (ranging from Very Low, Low, Medium, High, and Very High). Information regarding this year's Dashboard data is available within the [Dashboard Communications Toolkit](#).

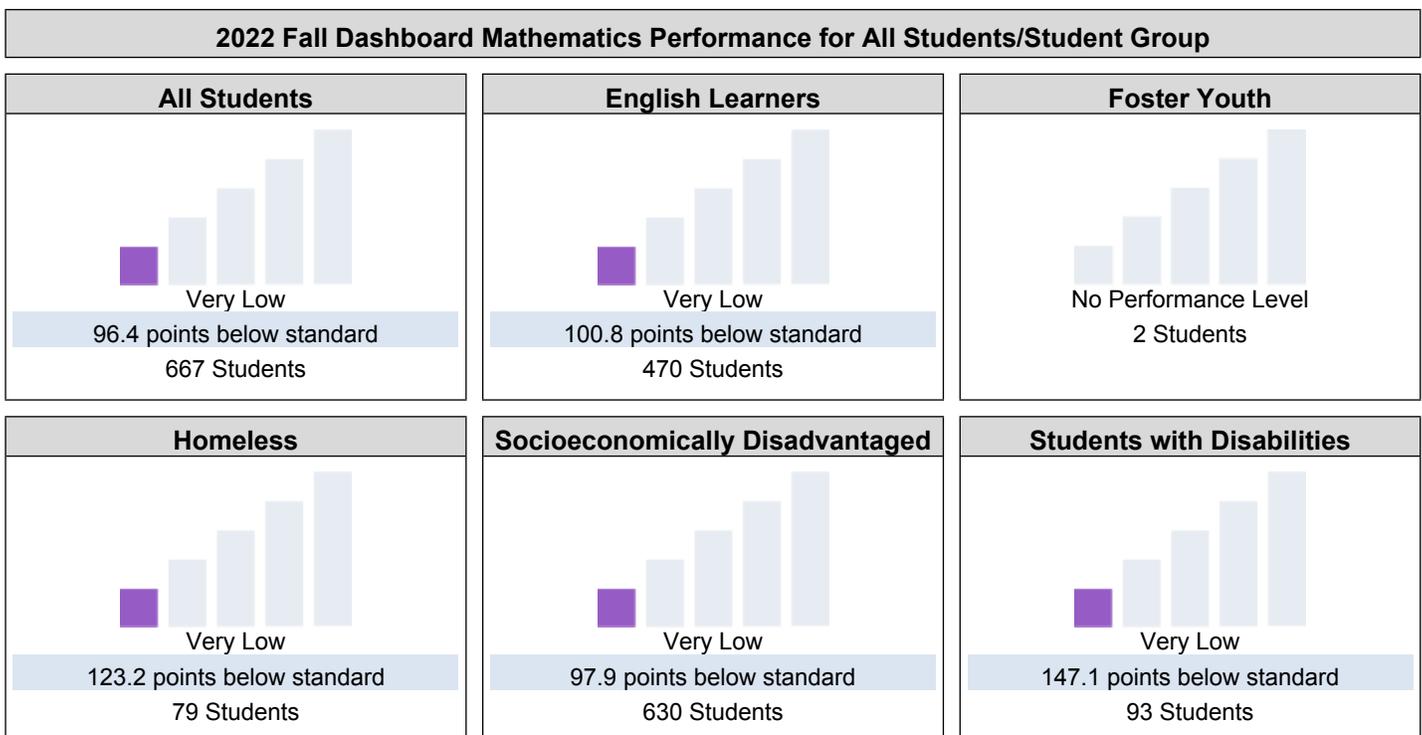

Because performance on state measures is based on current year (i.e., 2021-22) results only for the 2022 Dashboard, the color dials have been replaced with one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low).

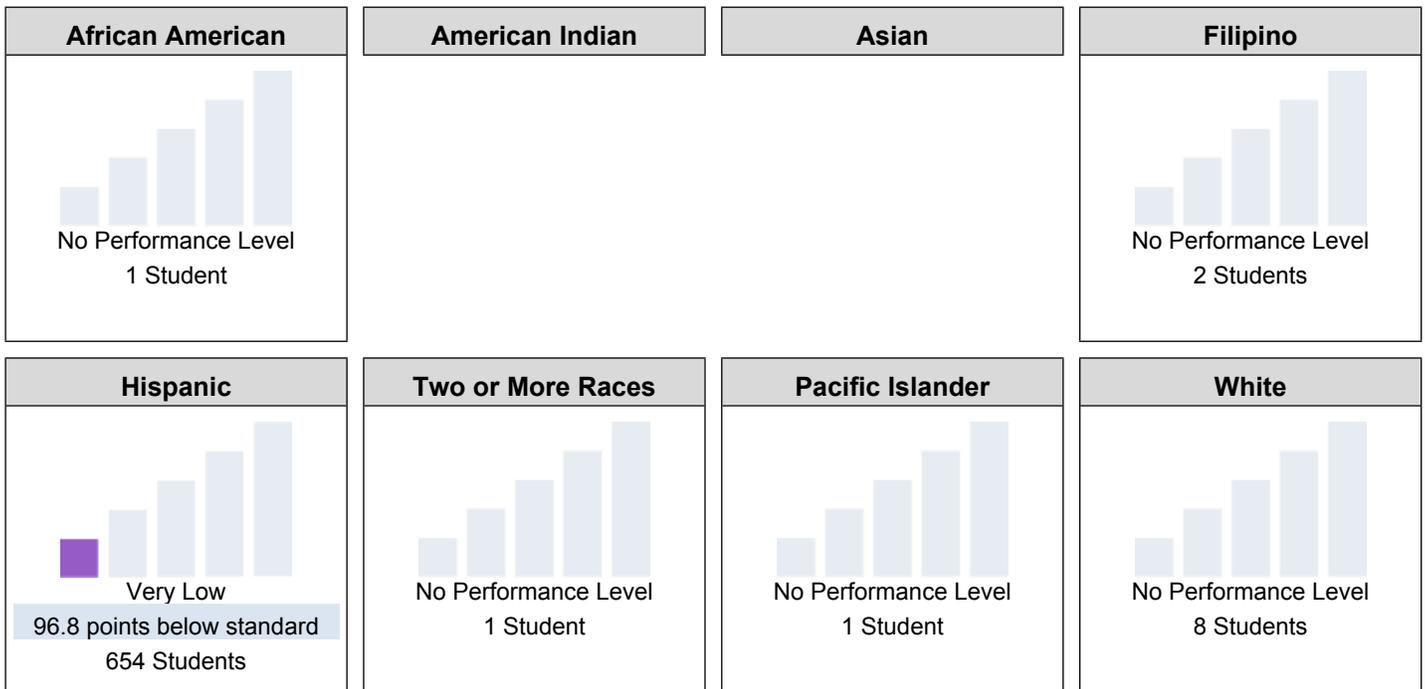

This section provides number of student groups in each level.

This section provides a view of how well students are meeting grade-level standards on the Mathematics assessment. This measure is based on student performance either on the Smarter Balanced Summative Assessment or the California Alternate Assessment, which is taken annually by students in grades 3–8 and grade 11.

2022 Fall Dashboard Mathematics Performance by Race/Ethnicity

This section provides additional information on distance from standard for current English learners, prior or Reclassified English learners, and English Only students in mathematics

2022 Fall Dashboard Mathematics Data Comparisons for English Learners

Current English Learner	Reclassified English Learners	English Only
<p>107.5 points below standard 298 Students</p>	<p>89.3 points below standard 172 Students</p>	<p>95.1 points below standard 137 Students</p>

Conclusions based on this data:

Driffill must continue working for improvement in Math. For the 2022-23 school year, there has been growth with our students with disabilities and our English Learners as we recognize these are our significant groups to support. We also recognize that the CAASPP has a different format and different question types which needs to be introduced and taught to our students. In order to prepare students, we are using the IAB's and FIAB's as test prep. We have students writing in the subject area to explain their reasoning and procedures used in solving problems.

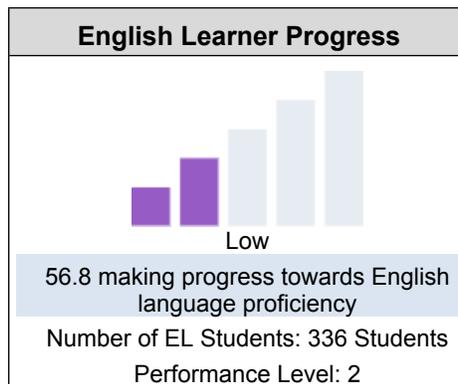

School and Student Performance Data

Academic Performance English Learner Progress

Due to the COVID-19 pandemic, state law allows the 2022 Dashboard to only display the most current year of data (also known as Status). For this year only, performance levels will be reported using one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low) for state measures. Please note that the Status levels associated with the Chronic Absenteeism and Suspension Rate Indicators are reversed (ranging from Very Low, Low, Medium, High, and Very High). Information regarding this year's Dashboard data is available within the [Dashboard Communications Toolkit](#).

This section provides information on the percentage of current EL students making progress towards English language proficiency or maintaining the highest level.

2022 Fall Dashboard English Learner Progress Indicator

This section provides a view of the percentage of current EL students who progressed at least one ELPI level, maintained ELPI level 4, maintained lower ELPI levels (i.e, levels 1, 2L, 2H, 3L, or 3H), or decreased at least one ELPI Level.

2022 Fall Dashboard Student English Language Acquisition Results

Decreased One ELPI Level	Maintained ELPI Level 1, 2L, 2H, 3L, or 3H	Maintained ELPI Level 4	Progressed At Least One ELPI Level
14.9%	28.3%	0.3%	56.5%

Conclusions based on this data:

EL students continue to be reclassified and show progress, suspension for this group has also declined; progress has been minimal in language arts and math but continues to move forward. Our focus will continue to be Academic Math vocabulary and writing within the curriculum. Driffill strives to utilize evidence-based strategies to increase the proficiency levels of our English Language Learners. Designated and integrated ELD will be implemented using district adopted materials in order target English Language Learner growth. The instructional practices that have proved to be successful will be continued and we are adding ISP's and the implementation of AVID strategies to impact the growth of these students

School and Student Performance Data

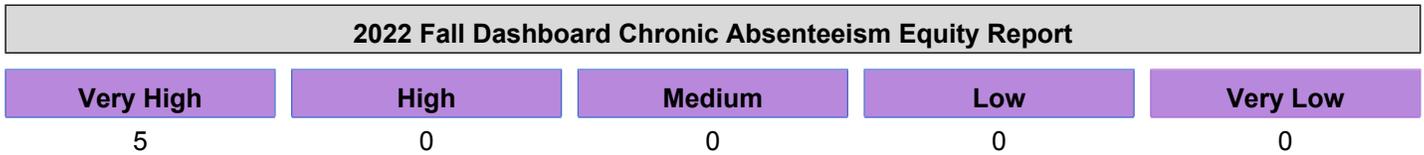

Academic Engagement Chronic Absenteeism

Due to the COVID-19 pandemic, state law allows the 2022 Dashboard to only display the most current year of data (also known as Status). For this year only, performance levels will be reported using one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low) for state measures. Please note that the Status levels associated with the Chronic Absenteeism and Suspension Rate Indicators are reversed (ranging from Very Low, Low, Medium, High, and Very High). Information regarding this year's Dashboard data is available within the [Dashboard Communications Toolkit](#).

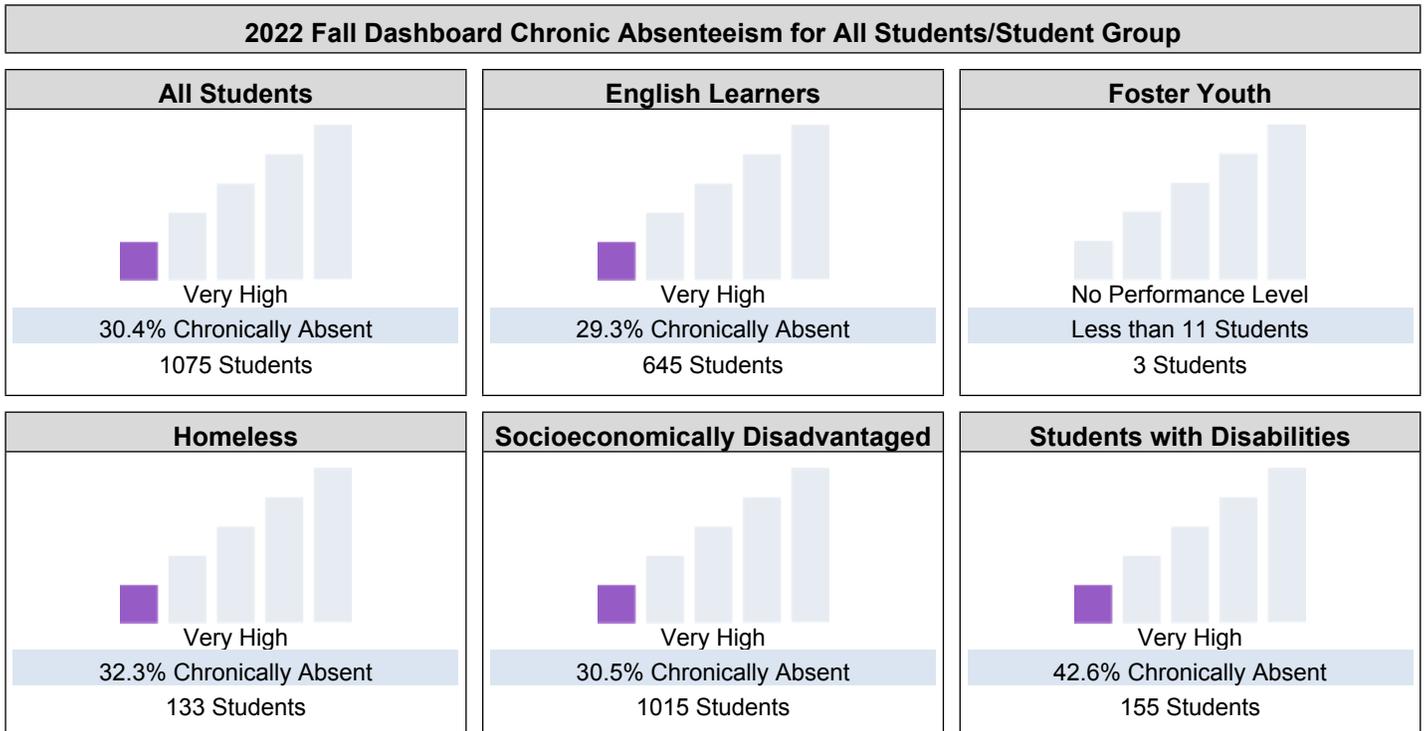

Because performance on state measures is based on current year (i.e., 2021-22) results only for the 2022 Dashboard, the color dials have been replaced with one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low).

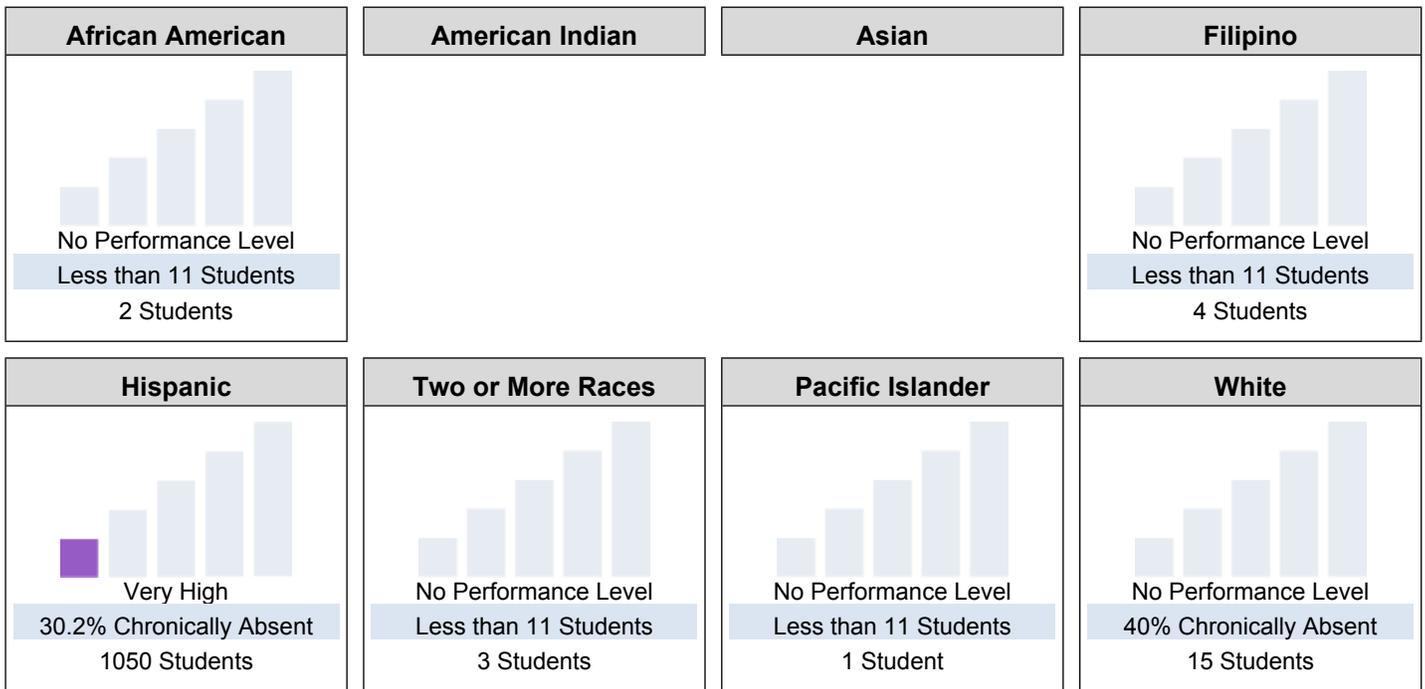

This section provides number of student groups in each level.

This section provides information about the percentage of students in kindergarten through grade 8 who are absent 10 percent or more of the instructional days they were enrolled.

2022 Fall Dashboard Chronic Absenteeism by Race/Ethnicity

Conclusions based on this data:

Driffill must continue working for improvement in the areas Chronic Absenteeism, which significantly affects students progress because of lack of consistency. Our EL, foster, and homeless population are missing the instructional support needed to close the achievement gap and further their English language acquisition. The ORC in collaboration with the attendance clerk, and Administration, will monitor student absences and will develop an incentive-based system to improve chronic absenteeism.

School and Student Performance Data

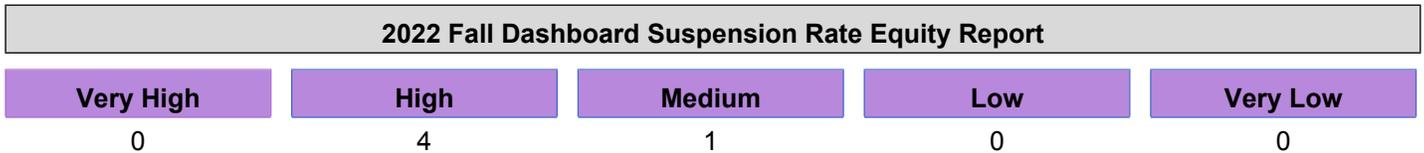

Conditions & Climate Suspension Rate

Due to the COVID-19 pandemic, state law allows the 2022 Dashboard to only display the most current year of data (also known as Status). For this year only, performance levels will be reported using one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low) for state measures. Please note that the Status levels associated with the Chronic Absenteeism and Suspension Rate Indicators are reversed (ranging from Very Low, Low, Medium, High, and Very High). Information regarding this year's Dashboard data is available within the [Dashboard Communications Toolkit](#).

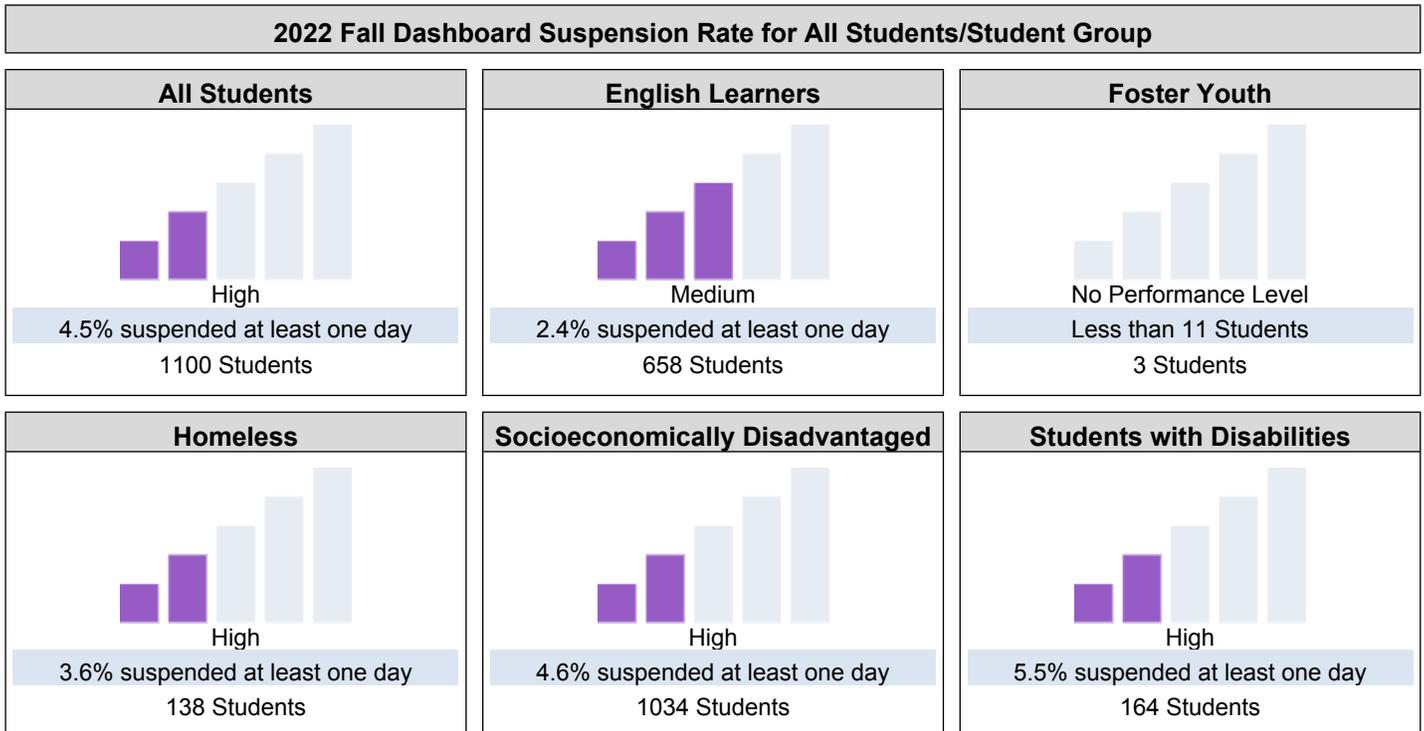

Because performance on state measures is based on current year (i.e., 2021-22) results only for the 2022 Dashboard, the color dials have been replaced with one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low).

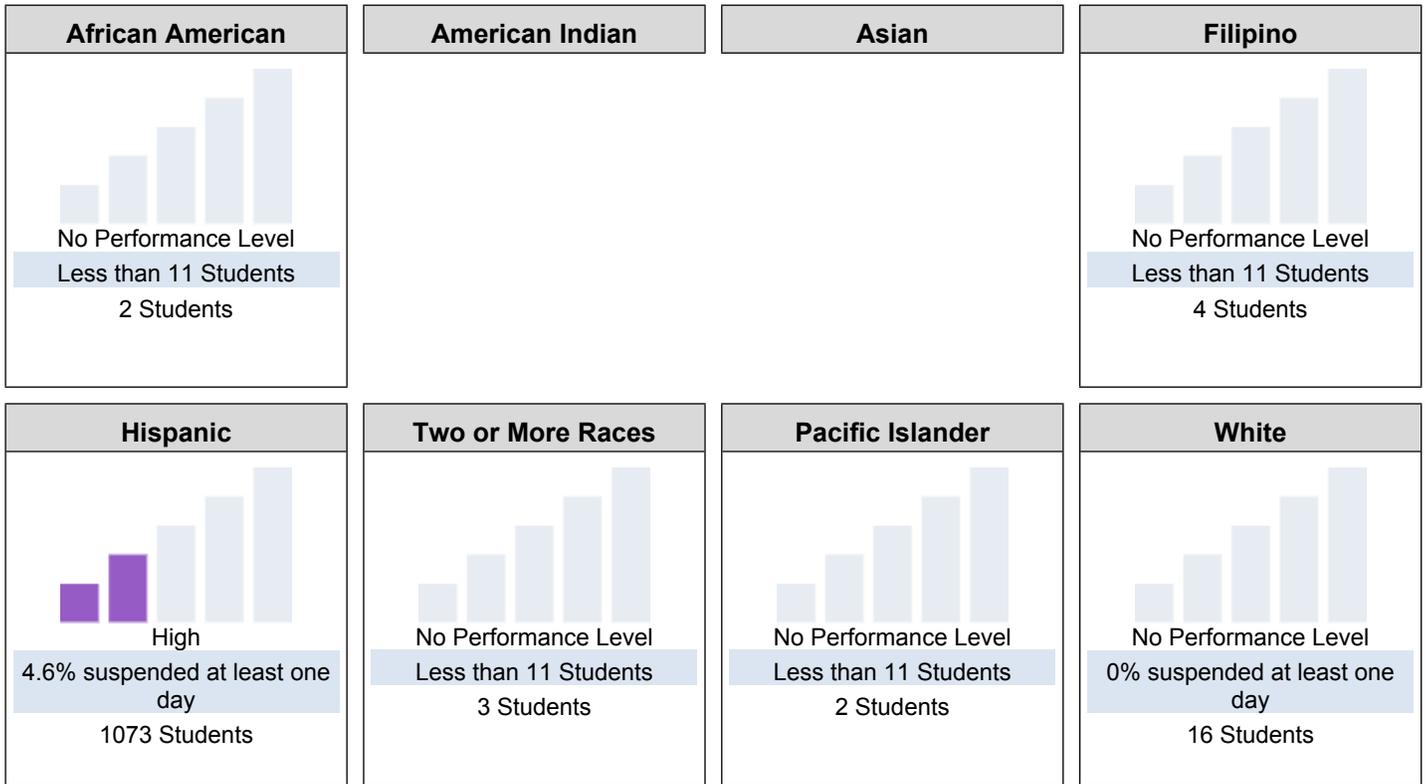

This section provides number of student groups in each level.

This section provides information about the percentage of students in kindergarten through grade 12 who have been suspended at least once in a given school year. Students who are suspended multiple times are only counted once.

2022 Fall Dashboard Suspension Rate by Race/Ethnicity

Conclusions based on this data:

Driffill's cultural policy change and perception on student behaviors related to suspensions with the understanding of effective trauma have contributed to a decrease in suspensions in the past. Driffill continues to implement the PBIS Program and a new district-wide formal progressive referral process which has helped with the reduction also. We anticipate within the next year, with continuing to prioritize social emotional needs of students, suspensions will continue to go down. The PBIS model will continue to implement CHAMPS, reduce behavioral referrals, and ingrain a culture of growth mindset strategies. Driffill will continue moving away from a punitive system to restorative justice philosophy.

Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

Goal Subject

Language Arts, Math and Science

LEA/LCAP Goal

All students will reach high academic standards in reading, mathematics and science.

Goal 1

All Students will reach high standards, at a minimum, attaining proficiency or better in reading and mathematics.

Identified Need

To increase the capacity of teachers to deliver effective data-driven instruction
 To provide equipment, materials and technology resources that support high quality instruction
 To provide opportunities for teachers to collaborate to improve teaching and learning

Annual Measurable Outcomes

Metric/Indicator	Baseline/Actual Outcome	Expected Outcome
CAASPP ELA	Baseline data from 2022-23 CAASPP scores. 41% of 3rd Grade students met or exceeded standards 22% of 4th Grade students met or exceeded standards 35% of 5th Grade students met or exceeded standards 21% of 6th Grade students met or exceeded standards 22% of 7th Grade students met or exceeded standards 26% of 8th Grade students met or exceeded standards	Students will grow by moving one or two levels across the different bands in CAASPP. The percentage of students on the CAASPP test who have scored met and exceeded will increase by: 3rd Grade: 18%. 4th Grade: 18% 5th Grade: 18% 6th Grade: 18% 7th Grade: 18% 8th Grade: 18% The percentage of students who scored Not Met will be decreased by 10% in all grade levels.
CAASPP Math	Baseline data from 2022-23 CAASPP scores. 53% of 3rd Grade students met or exceeded standards 19% of 4th Grade students met or exceeded standards	Students will grow by moving one or two levels across the different bands in CAASPP. The percentage of students on the CAASPP test who have

Metric/Indicator	Baseline/Actual Outcome	Expected Outcome
	<p>22% of 5th Grade students met or exceeded standards 10% of 6th Grade students met or exceeded standards 11% of 7th Grade students met or exceeded standards 14% of 8th Grade students met or exceeded standards</p>	<p>scored met and exceeded will increase by: 3rd Grade: 18%. 4th Grade: 18% 5th Grade: 18% 6th Grade: 18% 7th Grade: 18% 8th Grade: 18% The percentage of students who scored Not met will be decreased by 10% for all grade levels.</p>
STAR 360 ELA	<p>Baseline data from 2022-23 STAR 360 (Spring): 31% of 3rd-grade students were at or above benchmark 20% of 4th-grade students were at or above benchmark 29% of 5th-grade students were at or above benchmark 10% of 6th-grade students were at or above benchmark 11% of 7th-grade students were at or above benchmark 12% of 8th-grade students were at or above benchmark</p>	<p>The percentage of students on the STAR 360 ELA who are at or above benchmark will increase by: 3rd- 5th Grade: 18%. 6th- 8th Grade: 15%</p>
STAR 360 Math	<p>Baseline data from 2022-23 STAR 360 (Spring): N/A of K grade students were at or above benchmark 43% of 1st-grade students were at or above benchmark 52% of 2nd-grade students were at or above benchmark 51% of 3rd-grade students were at or above benchmark 41% of 4th-grade students were at or above benchmark 44% of 5th-grade students were at or above benchmark 24% of 6th-grade students were at or above benchmark 12% of 7th-grade students were at or above benchmark 22% of 8th-grade students were at or above benchmark</p>	<p>The percentage of students on the STAR 360 Math who are at or above benchmark will increase by: 1st-2nd Grade: 18% 3rd-5th Grade: 18%. 6th-8th Grade: 18%</p>

Metric/Indicator	Baseline/Actual Outcome	Expected Outcome
STAR Early Literacy	77% of K grade students were at or above benchmark 36% of 1st-grade students were at or above benchmark 22% of 2nd-grade students were at or above benchmark	90% of our TK-1st grade students will meet or exceed the benchmark on the STAR Early Literacy. 80% of our 2nd-grade students will meet or exceed the benchmark on the Star Early Literacy.
ELPAC/Reclassification	59 English Learners were reclassified as a result of meeting the reclassification criteria in 2022-23.	The number of English Learners reclassified to R-FEP will be a minimum of 20% of our total EL population. Each year we have new TK/Kinder students that enroll in Driffill as EL students.

Complete a copy of the Strategy/Activity table for each of the school’s strategies/activities. Duplicate the table, including Proposed Expenditures, as needed.

Strategy/Activity 1

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, Socioeconomically Disadvantaged, Foster, Homeless, African-American, and GATE.

Strategy/Activity

Regular scheduled grade level and content level collaboration, training, coaching, and extended professional opportunities to collaborate will be offered to our Leadership Team and site teachers. During collaboration time teachers will analyze data to determine an instructional focus driven by student needs for support in Tier 1. Collaboration will be used to desegregate data, identify student-centered needs and align grade level standards. Teachers will use board adopted materials to implement the State Standards (CCSS) in ELA, Math, Science and ELD in all grade levels. DLI teachers will work on instructional sequence charts and learning plans that align to the BUFs.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

Source(s)

4,243.00	Title I 1000-1999: Certificated Personnel Salaries Teacher extra pay
5,000.00	LCFF 1000-1999: Certificated Personnel Salaries Professional Development

Strategy/Activity 2

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, Socioeconomically Disadvantaged, Foster, Homeless, African-American, and GATE.

Strategy/Activity

Opportunities for additional instructional support and peer collaboration, professional development workshops, peer observation of BEST practices will be supported. Progress monitoring will occur by grade level or with individual teachers to identify specific students requiring support. Substitute teachers will be provided in order for teachers to observe peers or to engage in progress monitoring. Additional planning and collaborative time outside of contractual hours will be given to teachers for collaboration and reflection with grade-level colleagues.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)	Source(s)
4,000.00	Title I 1000-1999: Certificated Personnel Salaries Salaries for subs
5,000.00	LCFF 1000-1999: Certificated Personnel Salaries Extra Hours

Strategy/Activity 3

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, Socioeconomically Disadvantaged, Foster, Homeless, African-American, and GATE.

Strategy/Activity

Provide additional planning time for implementation and breaking down of DLI units and standards for TK-8th grade. Provide and support professional development opportunities within the district

and county. Provide resources and materials to enhance the instruction and implementation of bi-literacy units. Purchase classroom and school library Spanish-language and bilingual books, magazines, and apps for student and teacher use. Provide additional planning days for DLI teachers.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)	Source(s)
8,035.00	LCFF - Intervention 1000-1999: Certificated Personnel Salaries Extra Teacher Hours, Professional Development Costs
4,762.00	LCFF - Intervention 4000-4999: Books And Supplies Materials

Strategy/Activity 4

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, Socioeconomically Disadvantaged, Foster, Homeless, African-American, and GATE.

Strategy/Activity

Opportunities for professional development in a variety of instructional practices that include AVID, Math, comprehensive literacy, and STEM/STEAM strategies to enhance student engagement, collaboration, inquiry-based pedagogy, and higher-level thinking skills. Professional development as related to AVID and STEM/STEAM strategies will include additional planning and collaboration time for AVID Site Team, AVID teachers, AVID Coordinator, Science, and Math Teachers specifically supported by OSD Math Manager, Technology, History-Social Science and Science TOSAs. We will host AVID/STEM/STEAM guest speakers and field trips.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

District Funded

Star 360 program

Strategy/Activity 8

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, Socioeconomically Disadvantaged, Foster, Homeless, African-American, and GATE.

Strategy/Activity

Provide Enrichment Clubs, and Athletic Clubs with an emphasis on AVID, Growth Mindset, Environmental Science, STEM/STEAM, and other Social Emotional Learning (SEL) strategies designed for all students. Enrichment Clubs (for students) will specifically aim at struggling students, i.e. middle school students with Ds & Fs as well as students who want and/or need social and emotional supports. We will provide before and after school intervention to students who are not making academic progress based on progress monitoring data.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

6,000.00	Title III 4000-4999: Books And Supplies Materials

Strategy/Activity 9

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

We will target English Learners and Reclassified English Proficient students at Driffill.

Strategy/Activity

1) Support all English Learners and Reclassified Fluent English Proficient students in collaboration with both the Designated and Integrated ELD teachers to monitor, analyze, strategize, and write instructional plans and provide options for before and after school intervention as well as Tier 1 Integrated and Designated ELD instruction. 2) Collaboration between the Designated and Integrated ELD teachers (across grade-level and peers across the district) to implement instructional strategies to improve instruction. 3) The Language Appraisal Team will meet regularly with teachers to use data to determine reclassification.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)	Source(s)
2,373.00	Title III 1000-1999: Certificated Personnel Salaries Extra Hours

Strategy/Activity 10

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, Socioeconomically Disadvantaged, Foster, Homeless, African-American, and GATE.

Strategy/Activity

Administration will conduct data/progress monitoring conferences and accountability talks with teachers in 6 week cycles to discuss student progress, Tier 1 instructional strategies, assessment data and determine potential Tier 2 Intervention needs. Identify students needing further monitoring through the MTSS process.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)	Source(s)
3,000.00	Title I 1000-1999: Certificated Personnel Salaries Substitute salaries

Strategy/Activity 11

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, Socioeconomically Disadvantaged, Foster, Homeless, African-American, and GATE.

Strategy/Activity

Academic Support/ Social Emotional Camps, to take place during school breaks ie. Winter Break, will be offered to target academic needs, support test taking strategies, reduce D and Fs among middle school students, and build social and emotional learning competencies. introduce our middle school students to the services available in our wellness center.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, Socioeconomically Disadvantaged, Foster, Homeless, African-American, and GATE.

Strategy/Activity

Tier 2 instruction (intervention) will be provided for students who have not made academic growth based on grade level assessments through a small group pull-out model as well as before and after school options. Interventions will aim to accelerate learning, to support students in reaching mastery of the grade level standards. English learners will receive an ELPAC bootcamp before or afterschool to target ELD standards tested on ELPAC before the Summative ELPAC. Apps, and programs designed to support English learners will be used to supplement our ELD program. Thinking Maps will be used to supplement the ELD curriculum and support writing.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, Socioeconomically Disadvantaged, Foster, Homeless, African-American, and GATE.

Strategy/Activity

In order to have a smooth transition into TK/Kindergarten and middle school, the teachers will host a Meet and Greet and orientations with parents prior to the start of the year to introduce the program, expectations and goals for the year. We have high school representatives come to campus to help register our 8th grade students for high school. In addition, multiple parent meetings are offered throughout the year to support the transition to high school, ie., communicate new high school processes and new high school expectations. Campus supervisors will support the meet and greet events held before the start of the new year. Translation will be offered to parents.

Annual Review

SPSA Year Reviewed: 2022-23

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required and this section may be deleted.

ANALYSIS

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

Given the most recent CAASPP and ELPAC scores, Driffill students have demonstrated growth in English Language Development, ELA and math in all grade levels. In particular 3rd grade and 5th grade made higher than expected growth. However, the most recent reported scores also indicate areas of instructional focus for the 2022-2023 school year. With a continued focus to accelerate learning, Driffill will hire additional Intervention Service Providers to target students in all grades 1-8. In addition, we plan to target Tier 1 instructional needs by regularly analyzing data, and responding to student needs. Driffill is dedicated to strengthening our PLC model with the implementation of research-based strategies, peer mentoring, and vertical grade level alignment.

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

We are prioritizing a strong progress monitoring system that uses relevant assessments every 6 weeks to inform tier 1 and 2 interventions. Every teacher at Driffill will participate in 6 week cycles of progress monitoring. We will use Star, common formative assessments, IAB's and Panorama data to identify students.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

Driffill has identified that stronger PLC's will enable teacher leaders to support the facilitation of planning time, analyze data, implement research based instructional practices in response to student data. Driffill is incorporating Zearn math and lexia to supplement Tier I instruction and targeted learning acceleration.

Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

Goal Subject

Social Emotional Support, School Climate, Attendance and Safety

LEA/LCAP Goal

The social-emotional, health and well-being needs of students will be met in a learning environment that is safe, drug-free and conducive to learning.

Goal 2

The social-emotional, health and well-being needs of students will be met in a learning environment that is safe, drug-free and conducive to learning.

Identified Need

To decrease the suspension rate
 To increase positive behavior
 To provide wrap-around services to ensure students come to school ready to learn

Annual Measurable Outcomes

Metric/Indicator	Baseline/Actual Outcome	Expected Outcome
Suspension Data	Number of suspensions for 2022-23 were 65	Suspension Rates for 2023-2024 will decrease by 40% of the students suspended by June 2024.
Attendance Data	Chronic Absenteeism rates for 2022-23 was 26%	Chronic Absenteeism rates for 2023-2024 will decrease by 10%.
Behavioral Referrals to the office	Number of office Referrals for 2022-23 were 549 office referrals.	Referral Rates for 2023-2024 will decrease by 15%.
Panorama Survey Data	Emotional Regulation - 45% of 3-5th students responded that they are able to regulate their emotions. Emotional Regulation - 45% of 6 -8th students responded that they are able to regulate their emotions.	Increase Emotional Regulation reporting by 15%
Panorama Survey Data	Self-Management- 65% of 3-5th students reported they were able to manage their emotions, thoughts and	Increase Self-Management reporting to 15%

Metric/Indicator	Baseline/Actual Outcome	Expected Outcome
	behaviors in different situations. Self-Management- 63% of 6-8th students reported they were able to manage their emotions, thoughts and behaviors in different situations.	
Panorama Survey Data	Social Awareness- 63% of 3-5th students reported they are consider perspectives of others and empathize with them. Social Awareness- 53% of 6-8th students reported they are consider perspectives of others and empathize with them.	Increase Social-Awareness reporting to 15%

5,243.00	LCFF 1000-1999: Certificated Personnel Salaries Collaboration Time- extra Teacher Hours
3,000.00	LCFF 2000-2999: Classified Personnel Salaries Extra Hours for Campus Supervisors

Strategy/Activity 5

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, Socioeconomically Disadvantaged, Foster, Homeless, African-American, and GATE.

Strategy/Activity

Attendance and Engagement Incentives will be awarded to students who demonstrate positive attendance. Incentives, celebrations, assemblies will be available virtually and in-person. ORC will support Family and student engagement opportunities to welcome parent volunteers to Drifill. Clerical staff will help support incentive programs by providing support in creating, organizing incentive programs/awards and creating communications for parents.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)	Source(s)
3,000.00	LCFF 4000-4999: Books And Supplies Materials
	District Funded Outreach Consultant salary
600	LCFF 2000-2999: Classified Personnel Salaries custodial extra help
2,000	Title I 2000-2999: Classified Personnel Salaries clerical Extra help

Strategy/Activity 6

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, Socioeconomically Disadvantaged, Foster, Homeless, African-American, and GATE.

Strategy/Activity

Provide positive student behavior supports and award incentives to students who improve who demonstrate improved positive behaviors. Incentives/celebrations will be offered monthly to create a strong relationship between the school community and parents. An additional counselor will support positive student behavior and school connectedness. A wellness center will operate during the school day at various times starting the 2023-24 school year to support identified social emotional needs.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)	Source(s)
-----------	-----------

2,000.00	LCFF 4000-4999: Books And Supplies Materials
	District Funded Counselor salaries
	District Funded Psychologist salary

Strategy/Activity 7

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

We will target all Driffill students.

Strategy/Activity

Apps and other social skills building equipment will be purchased to support Positive Behavior, Attendance, Social-emotional, and Growth mindset. An iPad will be used to track data in the learning center and increase student's social emotional needs. Driffill will also continue to implement the use of E-hall pass to monitor and support student safety and well being.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)	Source(s)
1,000.00	LCFF 5800: Professional/Consulting Services And Operating Expenditures technology, Software for E-Hall Pass

Strategy/Activity 8

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

We will target all middle-school Driffill students including: English Learners, Migrant, Special Education, Socioeconomically Disadvantaged, Foster, Homeless, African-American, and GATE.

Strategy/Activity

Comprehensive and Preventative Health, Anti-Vaping program from the Ventura County Office of Education will be utilized along with the Friday Night Live program to ensure students are aware of healthy choices. Workshops for parents will be offered monthly to educate the community on important health related topics.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)	Source(s)
	No additional cost

Strategy/Activity 9

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, Socioeconomically Disadvantaged, Foster, Homeless, African-American, and GATE.

Strategy/Activity

AVID Enrichment Activities will be provided such as field trips to universities, guest speakers, engagement incentives, and student workshops to encourage a positive college going culture. Provide materials and supplies that support the college-and-career-ready mindset and organizational strategies.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Annual Review

SPSA Year Reviewed: 2022-23

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required and this section may be deleted.

ANALYSIS

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

The social-emotional health of our students is equally as important as their academic success. Given the increased social-emotional needs of students and staff, the strategies and activities outlined will prioritize student and staff safety and wellness in order to create a system of support for all. The strategies/activities that we have articulated will increase positive behavior on campus and in the community and will help eliminate negative behaviors. These activities also strive to address and support the social-emotional needs of our students and staff 2023-24. Driffill was recognized as a Silver School in PBIS. 2020-2021, since then we have continued to work toward that level. This coming year we will be working toward implementing our PBIS program at the level we had during the 2020-21 school year.

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

To address the need for targeted learning acceleration, we have designated maximum budget allocations to support attendance, engagement, and social-emotional wellness strategies. Additionally, Given the number of students who show they need support for emotional regulation and engagement according to our panorama data we continue to look for ways to address the needs of all students. In middle school in particular students need more encouragement to share their needs. They often feel more comfortable sharing with their peers.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

Driffill's goal continues to focus on increasing our daily attendance while also considering student engagement. Monitoring attendance, engagement and family communication must be a collaborative effort including teachers, parents, administration, the attendance clerk, the counselor and the Outreach Specialists. Many of our attendance activities will be reviewed and revised to increase the parents' awareness of the importance of attendance and engagement. An incentive program will be created and implemented so that individual students and families get recognized for meeting their attendance goals and objectives. Next year we will have more attendance incentives to encourage student engagement and attendance. The strategies outlined above have both personnel and incentive investments to support student's social emotional needs.

Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

Goal Subject

Parent and Family Engagement

LEA/LCAP Goal

Families will be welcomed and afforded meaningful and productive opportunities to participate in their child's academic and social-emotional growth.

Goal 3

Families will be welcomed and afforded meaningful and productive opportunities to participate and partner in their child's academic and social-emotional growth.

Identified Need

To increase communication through websites and social media so parents and community are informed about district and school instructional programs and activities

To facilitate parent involvement in the educational and social-emotional well-being of their children.

To provide parents with technology training, equipment and resources for supporting distance learning and student engagement.

To provide a safe and productive learning environment for students to participate in distance learning.

Annual Measurable Outcomes

Metric/Indicator	Baseline/Actual Outcome	Expected Outcome
Parent attendance during workshops	Parent participation at workshops has been significantly low. We have attempted morning, afternoon and evening events.	Goal of 2022-2023 is to increase participation in parent involvement at Driffill by 15%
Average Attendance at ELAC	2022-2023 The average number of attendees at ELAC meetings was 8	Goal of 2022-2023 is to increase the number of attendees at ELAC meetings by 10%
Parent Attendance at Back to School Night	2022-2023 325 Parents attended Back to School This number will be used as a Baseline for parent attendance.	2022-2023 The number of visitors to back to Back to School Night will increase by 10%.

Metric/Indicator	Baseline/Actual Outcome	Expected Outcome
Panorama Survey Data Winter 2022 LCAP and Family Engagement Survey	Winter 2022 68 parents responded to the survey	Increase parent responses by 40%.

Complete a copy of the Strategy/Activity table for each of the school's strategies/activities. Duplicate the table, including Proposed Expenditures, as needed.

Strategy/Activity 1

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, Socioeconomically Disadvantaged, Foster, Homeless, African-American, and GATE.

Strategy/Activity

Provide parents with the school's weekly activities and information for all parent meetings. Modes of communication include Canvas, Parent Square our website, and in-person meetings.

Proposed Expenditures for this Strategy/Activity

Annual Review

SPSA Year Reviewed: 2022-23

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required and this section may be deleted.

ANALYSIS

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

At Drifill we value a strong family partnership. Drifill strives to cultivate an inclusive learning community where everyone is Respected for their diverse perspectives, experiences, and cultural backgrounds. We believe positive connections and relationships with families and school staff directly impact student achievement. Drifill must provide additional and targeted layers of family and parent support.

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

Despite the money allocated for our parents to attend workshops, only a small percent have been able to take advantage of the opportunities, in past years. The strategies outlined here provide more intensive outreach as well as a diverse range of opportunities to encourage increased family participation. Drifill has ventured into adjusting times and the delivery of events to accommodate different family schedules. We have found that providing blended meetings (zoom and in person) best serve the needs of our parents.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

Adjustments are continuously made to this goal in order to accommodate parent time constraints.

Budget Summary

Complete the table below. Schools may include additional information. Adjust the table as needed. The Budget Summary is required for schools funded through the ConApp, and/or that receive funds from the LEA for Comprehensive Support and Improvement (CSI).

Budget Summary

Description	Amount
Total Funds Provided to the School Through the Consolidated Application	\$0.00
Total Federal Funds Provided to the School from the LEA for CSI	\$0
Total Funds Budgeted for Strategies to Meet the Goals in the SPSA	\$365,717.00

Other Federal, State, and Local Funds

List the additional Federal programs that the school is including in the schoolwide program. Adjust the table as needed. If the school is not operating a Title I schoolwide program this section is not applicable and may be deleted.

Federal Programs	Amount (\$)
Title I	\$97,468.00
Title III	\$49,977.00

Subtotal of additional federal funds included for this school: \$147,445.00

List the State and local programs that the school is including in the schoolwide program. Duplicate the table as needed.

State or Local Programs	Amount (\$)
LCFF	\$140,000.00
LCFF - Intervention	\$78,272.00

Subtotal of state or local funds included for this school: \$218,272.00

Total of federal, state, and/or local funds for this school: \$365,717.00

Budgeted Funds and Expenditures in this Plan

The tables below are provided to help the school track expenditures as they relate to funds budgeted to the school.

Funds Budgeted to the School by Funding Source

Funding Source	Amount	Balance
Title I	97,468.00	0.00
Title III	49,977.00	0.00
LCFF	140,000.00	0.00
LCFF - Intervention	78,272.00	0.00

Expenditures by Funding Source

Funding Source	Amount
LCFF	140,000.00
LCFF - Intervention	78,272.00
Title I	97,468.00
Title III	49,977.00

Expenditures by Budget Reference and Funding Source

Budget Reference	Funding Source	Amount
1000-1999: Certificated Personnel Salaries	LCFF	30,650.00
2000-2999: Classified Personnel Salaries	LCFF	43,890.00
4000-4999: Books And Supplies	LCFF	45,064.00
5000-5999: Services And Other Operating Expenditures	LCFF	5,396.00
5800: Professional/Consulting Services And Operating Expenditures	LCFF	15,000.00
1000-1999: Certificated Personnel Salaries	LCFF - Intervention	67,510.00
4000-4999: Books And Supplies	LCFF - Intervention	10,762.00
1000-1999: Certificated Personnel Salaries	Title I	46,718.00
2000-2999: Classified Personnel Salaries	Title I	7,000.00

4000-4999: Books And Supplies	Title I	22,050.00
5000-5999: Services And Other Operating Expenditures	Title I	10,700.00
5800: Professional/Consulting Services And Operating Expenditures	Title I	11,000.00
1000-1999: Certificated Personnel Salaries	Title III	15,373.00
2000-2999: Classified Personnel Salaries	Title III	3,220.00
4000-4999: Books And Supplies	Title III	20,884.00
5000-5999: Services And Other Operating Expenditures	Title III	4,000.00
5800: Professional/Consulting Services And Operating Expenditures	Title III	6,500.00

Expenditures by Goal

Goal Number	Total Expenditures
Goal 1	269,300.00
Goal 2	73,833.00
Goal 3	22,584.00

School Site Council Membership

California Education Code describes the required composition of the School Site Council (SSC). The SSC shall be composed of the principal and representatives of: teachers selected by teachers at the school; other school personnel selected by other school personnel at the school; parents of pupils attending the school selected by such parents; and, in secondary schools, pupils selected by pupils attending the school. The current make-up of the SSC is as follows:

- 1 School Principal
- 4 Classroom Teachers
- 1 Other School Staff
- 6 Parent or Community Members
- 0 Secondary Students

Name of Members	Role
Javier Tapia	Principal
Kimberly Dufau	Classroom Teacher
Patricia Ponce-Villa	Classroom Teacher
Carlos Torres	Classroom Teacher
Martha Alcantar	Classroom Teacher
Monica Arias Melgoza	Other School Staff
Myriam Cervantes	Parent or Community Member
Carina Torres	Parent or Community Member
Alex Salazar	Parent or Community Member
Bryan Melanephy	Parent or Community Member
Maricela Morales	Parent or Community Member

At elementary schools, the school site council must be constituted to ensure parity between (a) the principal, classroom teachers, and other school personnel, and (b) parents of students attending the school or other community members. Classroom teachers must comprise a majority of persons represented under section (a). At secondary schools there must be, in addition, equal numbers of parents or other community members selected by parents, and students. Members must be selected by their peer group.

Recommendations and Assurances

The School Site Council (SSC) recommends this school plan and proposed expenditures to the district governing board for approval and assures the board of the following:

The SSC is correctly constituted and was formed in accordance with district governing board policy and state law.

The SSC reviewed its responsibilities under state law and district governing board policies, including those board policies relating to material changes in the School Plan for Student Achievement (SPSA) requiring board approval.

The SSC sought and considered all recommendations from the following groups or committees before adopting this plan:

Signature	Committee or Advisory Group Name
	School Site Council
	English Learner Advisory Committee

The SSC reviewed the content requirements for school plans of programs included in this SPSA and believes all such content requirements have been met, including those found in district governing board policies and in the local educational agency plan.

This SPSA is based on a thorough analysis of student academic performance. The actions proposed herein form a sound, comprehensive, coordinated plan to reach stated school goals to improve student academic performance.

This SPSA was adopted by the SSC at a public meeting on 6.14.23.

Attested:

	Principal, Javier Tapia on 6/14/23
	SSC Chairperson, Patricia Ponce-Villa on 6/14/23

Instructions

The School Plan for Student Achievement (SPSA) is a strategic plan that maximizes the resources available to the school while minimizing duplication of effort with the ultimate goal of increasing student achievement. SPSA development should be aligned with and inform the Local Control and Accountability Plan process.

The SPSA consolidates all school-level planning efforts into one plan for programs funded through the consolidated application (ConApp), and for federal school improvement programs, including schoolwide programs, Comprehensive Support and Improvement (CSI), Targeted Support and Improvement (TSI), and Additional Targeted Support and Improvement (ATSI), pursuant to California Education Code (EC) Section 64001 and the Elementary and Secondary Education Act as amended by the Every Student Succeeds Act (ESSA). This template is designed to meet schoolwide program planning requirements. It also notes how to meet CSI, TSI, or ATSI requirements, as applicable.

California's ESSA State Plan supports the state's approach to improving student group performance through the utilization of federal resources. Schools use the SPSA to document their approach to maximizing the impact of federal investments in support of underserved students. The implementation of ESSA in California presents an opportunity for schools to innovate with their federally-funded programs and align them with the priority goals of the school and the LEA that are being realized under the state's Local Control Funding Formula (LCFF).

The LCFF provides schools and LEAs flexibility to design programs and provide services that meet the needs of students in order to achieve readiness for college, career, and lifelong learning. The SPSA planning process supports continuous cycles of action, reflection, and improvement. Consistent with EC 65001, the Schoolsite Council (SSC) is required to develop and annually review the SPSA, establish an annual budget, and make modifications to the plan that reflect changing needs and priorities, as applicable.

For questions related to specific sections of the template, please see instructions below:

Instructions: Linked Table of Contents

The SPSA template meets the requirements of schoolwide planning (SWP). Each section also contains a notation of how to meet CSI, TSI, or ATSI requirements.

For additional questions or technical assistance related to LEA and school planning, please contact the Local Agency Systems Support Office, at LCFF@cde.ca.gov.

For programmatic or policy questions regarding Title I schoolwide planning, please contact the local educational agency, or the CDE’s Title I Policy and Program Guidance Office at TITLEI@cde.ca.gov.

For questions or technical assistance related to meeting federal school improvement planning requirements (for CSI, TSI, and ATSI), please contact the CDE’s School Improvement and Support Office at SISO@cde.ca.gov.

Purpose and Description

Schools identified for Comprehensive Support and Improvement (CSI), Targeted Support and Improvement (TSI), or Additional Targeted Support and Improvement (ATSI) must respond to the following prompts. A school that has not been identified for CSI, TSI, or ATSI may delete the Purpose and Description prompts.

Purpose

Briefly describe the purpose of this plan by selecting from Schoolwide Program, Comprehensive Support and Improvement, Targeted Support and Improvement, or Additional Targeted Support and Improvement)

Description

Briefly describe the school’s plan for effectively meeting ESSA requirements in alignment with the Local Control and Accountability Plan and other federal, state, and local programs.

Educational Partner Involvement

Meaningful involvement of parents, students, and other stakeholders is critical to the development of the SPSA and the budget process. Schools must share the SPSA with school site-level advisory groups, as applicable (e.g., English Learner Advisory committee, student advisory groups, tribes and tribal organizations present in the community, as appropriate, etc.) and seek input from these advisory groups in the development of the SPSA.

The Stakeholder Engagement process is an ongoing, annual process. Describe the process used to involve advisory committees, parents, students, school faculty and staff, and the community in the development of the SPSA and the annual review and update.

[This section meets the requirements for TSI and ATSI.]

[When completing this section for CSI, the LEA shall partner with the school in the development and implementation of this plan.]

Resource Inequities

Schools eligible for CSI or ATSI must identify resource inequities, which may include a review of LEA- and school-level budgeting as a part of the required needs assessment. Identified resource inequities must be addressed through implementation of the CSI or ATSI plan. Briefly identify and describe any resource inequities identified as a result of the required needs assessment and summarize how the identified resource inequities are addressed in the SPSA.

[This section meets the requirements for CSI and ATSI. If the school is not identified for CSI or ATSI this section is not applicable and may be deleted.]

Goals, Strategies, Expenditures, & Annual Review

In this section a school provides a description of the annual goals to be achieved by the school. This section also includes descriptions of the specific planned strategies/activities a school will take to meet the identified goals, and a description of the expenditures required to implement the specific strategies and activities.

Goal

State the goal. A goal is a broad statement that describes the desired result to which all strategies/activities are directed. A goal answers the question: What is the school seeking to achieve?

It can be helpful to use a framework for writing goals such as the S.M.A.R.T. approach. A S.M.A.R.T. goal is one that is **S**pecific, **M**easurable, **A**chievable, **R**ealistic, and **T**ime-bound. A level of specificity is needed in order to measure performance relative to the goal as well as to assess whether it is reasonably achievable. Including time constraints, such as milestone dates, ensures a realistic approach that supports student success.

A school may number the goals using the “Goal #” for ease of reference.

[When completing this section for CSI, TSI, and ATSI, improvement goals shall align to the goals, actions, and services in the LEA LCAP.]

Identified Need

Describe the basis for establishing the goal. The goal should be based upon an analysis of verifiable state data, including local and state indicator data from the California School Dashboard (Dashboard) and data from the School Accountability Report Card, including local data voluntarily collected by districts to measure pupil achievement.

[Completing this section fully addresses all relevant federal planning requirements]

Annual Measurable Outcomes

Identify the metric(s) and/or state indicator(s) that the school will use as a means of evaluating progress toward accomplishing the goal. A school may identify metrics for specific student groups. Include in the baseline column the most recent data associated with the metric or indicator available at the time of adoption of the SPSA. The most recent data associated with a metric or indicator includes data reported in the annual update of the SPSA. In the subsequent Expected Outcome column, identify the progress the school intends to make in the coming year.

[When completing this section for CSI the school must include school-level metrics related to the metrics that led to the school’s identification.]

[When completing this section for TSI/ATSI the school must include metrics related to the specific student group(s) that led to the school’s identification.]

Strategies/Activities

Describe the strategies and activities being provided to meet the described goal. A school may number the strategy/activity using the “Strategy/Activity #” for ease of reference.

Planned strategies/activities address the findings of the needs assessment consistent with state priorities and resource inequities, which may have been identified through a review of the local educational agency’s budgeting, its local control and accountability plan, and school-level budgeting, if applicable.

[When completing this section for CSI, TSI, and ATSI, this plan shall include evidence-based interventions and align to the goals, actions, and services in the LEA LCAP.]

[When completing this section for CSI and ATSI, this plan shall address through implementation, identified resource inequities, which may have been identified through a review of LEA- and school-level budgeting.]

Students to be Served by this Strategy/Activity

Indicate in this box which students will benefit from the strategies/activities by indicating “All Students” or listing one or more specific student group(s) to be served.

[This section meets the requirements for CSI.]

[When completing this section for TSI and ATSI, at a minimum, the student groups to be served shall include the student groups that are consistently underperforming, for which the school received the TSI or ATSI designation. For TSI, a school may focus on all students or the student group(s) that led to identification based on the evidence-based interventions selected.]

Proposed Expenditures for this Strategy/Activity

For each strategy/activity, list the amount(s) and funding source(s) for the proposed expenditures for the school year to implement these strategies/activities. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal, identify the Title and Part, as applicable), Other State, and/or Local.

Proposed expenditures that are included more than once in a SPSA should be indicated as a duplicated expenditure and include a reference to the goal and strategy/activity where the expenditure first appears in the SPSA. Pursuant to Education Code, Section 64001(g)(3)(C), proposed expenditures, based on the projected resource allocation from the governing board or governing body of the LEA, to address the findings of the needs assessment consistent with the state priorities including identifying resource inequities which may include a review of the LEA’s budgeting, its LCAP, and school-level budgeting, if applicable.

[This section meets the requirements for CSI, TSI, and ATSI.]

[NOTE: Federal funds for CSI shall not be used in schools identified for TSI or ATSI. In addition, funds for CSI shall not be used to hire additional permanent staff.]

Annual Review

In the following Analysis prompts, identify any material differences between what was planned and what actually occurred as well as significant changes in strategies/activities and/ or expenditures from the prior year. This annual review and analysis should be the basis for decision-making and updates to the plan.

Analysis

Using actual outcome data, including state indicator data from the Dashboard, analyze whether the planned strategies/activities were effective in achieving the goal. Respond to the prompts as instructed. Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal the Annual Review section is not required and this section may be deleted.

- Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.
- Briefly describe any major differences between either/or the intended implementation or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.
- Describe any changes that will be made to the goal, expected annual measurable outcomes, metrics/indicators, or strategies/activities to achieve this goal as a result of this analysis and analysis of the data provided in the Dashboard, as applicable. Identify where those changes can be found in the SPSA.

[When completing this section for CSI, TSI, or ATSI, any changes made to the goals, annual measurable outcomes, metrics/indicators, or strategies/activities, shall meet the CSI, TSI, or ATSI planning requirements. CSI, TSI, and ATSI planning requirements are listed under each section of the Instructions. For example, as a result of the Annual Review and Update, if changes are made to a goal(s), see the Goal section for CSI, TSI, and ATSI planning requirements.]

Budget Summary

In this section a school provides a brief summary of the funding allocated to the school through the ConApp and/or other funding sources as well as the total amount of funds for proposed expenditures described in the SPSA. The Budget Summary is required for schools funded through the ConApp and that receive federal funds for CSI. If the school is not operating a Title I schoolwide program this section is not applicable and may be deleted.

From its total allocation for CSI, the LEA may distribute funds across its schools that meet the criteria for CSI to support implementation of this plan. In addition, the LEA may retain a portion of its total allocation to support LEA-level expenditures that are directly related to serving schools eligible for CSI.

Budget Summary

A school receiving funds allocated through the ConApp should complete the Budget Summary as follows:

- Total Funds Provided to the School Through the Consolidated Application: This amount is the total amount of funding provided to the school through the ConApp for the school year. The school year means the fiscal year for which a SPSA is adopted or updated.
- Total Funds Budgeted for Strategies to Meet the Goals in the SPSA: This amount is the total of the proposed expenditures from all sources of funds associated with the strategies/activities reflected in the SPSA. To the extent strategies/activities and/or proposed expenditures are listed in the SPSA under more than one goal, the expenditures should be counted only once.

A school receiving federal funds for CSI should complete the Budget Summary as follows:

- Total Federal Funds Provided to the School from the LEA for CSI: This amount is the total amount of funding provided to the school from the LEA.

[NOTE: Federal funds for CSI shall not be used in schools eligible for TSI or ATSI. In addition, funds for CSI shall not be used to hire additional permanent staff.]

Appendix A: Plan Requirements

Schoolwide Program Requirements

This School Plan for Student Achievement (SPSA) template meets the requirements of a schoolwide program plan. The requirements below are for planning reference.

A school that operates a schoolwide program and receives funds allocated through the ConApp is required to develop a SPSA. The SPSA, including proposed expenditures of funds allocated to the school through the ConApp, must be reviewed annually and updated by the SSC. The content of a SPSA must be aligned with school goals for improving student achievement.

Requirements for Development of the Plan

- I. The development of the SPSA shall include both of the following actions:
 - A. Administration of a comprehensive needs assessment that forms the basis of the school's goals contained in the SPSA.
 1. The comprehensive needs assessment of the entire school shall:
 - a. Include an analysis of verifiable state data, consistent with all state priorities as noted in Sections 52060 and 52066, and informed by all indicators described in Section 1111(c)(4)(B) of the federal Every Student Succeeds Act, including pupil performance against state-determined long-term goals. The school may include data voluntarily developed by districts to measure pupil outcomes (described in the Identified Need); and
 - b. Be based on academic achievement information about all students in the school, including all groups under §200.13(b)(7) and migratory children as defined in section 1309(2) of the ESEA, relative to the State's academic standards under §200.1 to—
 - i. Help the school understand the subjects and skills for which teaching and learning need to be improved; and
 - ii. Identify the specific academic needs of students and groups of students who are not yet achieving the State's academic standards; and
 - iii. Assess the needs of the school relative to each of the components of the schoolwide program under §200.28.
 - iv. Develop the comprehensive needs assessment with the participation of individuals who will carry out the schoolwide program plan.
 - v. Document how it conducted the needs assessment, the results it obtained, and the conclusions it drew from those results.
 - B. Identification of the process for evaluating and monitoring the implementation of the SPSA and progress towards accomplishing the goals set forth in the SPSA (described in the Expected Annual Measurable Outcomes and Annual Review and Update).

Requirements for the Plan

- II. The SPSA shall include the following:
 - A. Goals set to improve pupil outcomes, including addressing the needs of student groups as identified through the needs assessment.

- B. Evidence-based strategies, actions, or services (described in Strategies and Activities)
1. A description of the strategies that the school will be implementing to address school needs, including a description of how such strategies will--
 - a. provide opportunities for all children including each of the subgroups of students to meet the challenging state academic standards
 - b. use methods and instructional strategies that:
 - i. strengthen the academic program in the school,
 - ii. increase the amount and quality of learning time, and
 - iii. provide an enriched and accelerated curriculum, which may include programs, activities, and courses necessary to provide a well-rounded education.
 - c. Address the needs of all children in the school, but particularly the needs of those at risk of not meeting the challenging State academic standards, so that all students demonstrate at least proficiency on the State's academic standards through activities which may include:
 - i. strategies to improve students' skills outside the academic subject areas;
 - ii. preparation for and awareness of opportunities for postsecondary education and the workforce;
 - iii. implementation of a schoolwide tiered model to prevent and address problem behavior;
 - iv. professional development and other activities for teachers, paraprofessionals, and other school personnel to improve instruction and use of data; and
 - v. strategies for assisting preschool children in the transition from early childhood education programs to local elementary school programs.
- C. Proposed expenditures, based on the projected resource allocation from the governing board or body of the local educational agency (may include funds allocated via the ConApp, federal funds for CSI, any other state or local funds allocated to the school), to address the findings of the needs assessment consistent with the state priorities, including identifying resource inequities, which may include a review of the LEAs budgeting, it's LCAP, and school-level budgeting, if applicable (described in Proposed Expenditures and Budget Summary). Employees of the schoolwide program may be deemed funded by a single cost objective.
- D. A description of how the school will determine if school needs have been met (described in the Expected Annual Measurable Outcomes and the Annual Review and Update).
1. Annually evaluate the implementation of, and results achieved by, the schoolwide program, using data from the State's annual assessments and other indicators of academic achievement;
 2. Determine whether the schoolwide program has been effective in increasing the achievement of students in meeting the State's academic standards, particularly for those students who had been furthest from achieving the standards; and
 3. Revise the plan, as necessary, based on the results of the evaluation, to ensure continuous improvement of students in the schoolwide program.

- E. A description of how the school will ensure parental involvement in the planning, review, and improvement of the schoolwide program plan (described in Educational Partner Involvement and/or Strategies/Activities).
- F. A description of the activities the school will include to ensure that students who experience difficulty attaining proficient or advanced levels of academic achievement standards will be provided with effective, timely additional support, including measures to
 - 1. Ensure that those students' difficulties are identified on a timely basis; and
 - 2. Provide sufficient information on which to base effective assistance to those students.
- G. For an elementary school, a description of how the school will assist preschool students in the successful transition from early childhood programs to the school.
- H. A description of how the school will use resources to carry out these components (described in the Proposed Expenditures for Strategies/Activities).
- I. A description of any other activities and objectives as established by the SSC (described in the Strategies/Activities).

Authority Cited: S Title 34 of the Code of Federal Regulations (34 CFR), sections 200.25-26, and 200.29, and sections-1114(b)(7)(A)(i)-(iii) and 1118(b) of the ESEA. EC sections 6400 et. seq.

Appendix B:

Plan Requirements for School to Meet Federal School Improvement Planning Requirements

For questions or technical assistance related to meeting Federal School Improvement Planning Requirements, please contact the CDE's School Improvement and Support Office at SISO@cde.ca.gov.

Comprehensive Support and Improvement

The LEA shall partner with stakeholders (including principals and other school leaders, teachers, and parents) to locally develop and implement the CSI plan for the school to improve student outcomes, and specifically address the metrics that led to eligibility for CSI (Educational Partner Involvement).

The CSI plan shall:

1. Be informed by all state indicators, including student performance against state-determined long-term goals (Goal, Identified Need, Expected Annual Measurable Outcomes, Annual Review and Update, as applicable);
2. Include evidence-based interventions (Strategies/Activities, Annual Review and Update, as applicable) (For resources related to evidence-based interventions, see the U.S. Department of Education's "Using Evidence to Strengthen Education Investments" at <https://www2.ed.gov/policy/elsec/leg/essa/guidanceuseseseinvestment.pdf>);
3. Be based on a school-level needs assessment (Goal, Identified Need, Expected Annual Measurable Outcomes, Annual Review and Update, as applicable); and
4. Identify resource inequities, which may include a review of LEA- and school-level budgeting, to be addressed through implementation of the CSI plan (Goal, Identified Need, Expected Annual Measurable Outcomes, Planned Strategies/Activities; and Annual Review and Update, as applicable).

Authority Cited: Sections 1003(e)(1)(A), 1003(i), 1111(c)(4)(B), and 1111(d)(1) of the ESSA.

Targeted Support and Improvement

In partnership with stakeholders (including principals and other school leaders, teachers, and parents) the school shall develop and implement a school-level TSI plan to improve student outcomes for each subgroup of students that was the subject of identification (Educational Partner Involvement).

The TSI plan shall:

1. Be informed by all state indicators, including student performance against state-determined long-term goals (Goal, Identified Need, Expected Annual Measurable Outcomes, Annual Review and Update, as applicable); and
2. Include evidence-based interventions (Planned Strategies/Activities, Annual Review and Update, as applicable). (For resources related to evidence-based interventions, see the U.S. Department of Education's "Using Evidence to Strengthen Education Investments" <https://www2.ed.gov/policy/elsec/leg/essa/guidanceuseseseinvestment.pdf>.)

Authority Cited: Sections 1003(e)(1)(B), 1003(i), 1111(c)(4)(B) and 1111(d)(2) of the ESSA.

Additional Targeted Support and Improvement

A school identified for ATSI shall:

1. Identify resource inequities, which may include a review of LEA- and school-level budgeting, which will be addressed through implementation of its TSI plan (Goal, Identified Need, Expected Annual Measurable Outcomes, Planned Strategies/Activities, and Annual Review and Update, as applicable).

Authority Cited: Sections 1003(e)(1)(B), 1003(i), 1111(c)(4)(B), and 1111(d)(2)(c) of the ESSA.

Single School Districts and Charter Schools Identified for School Improvement

Single school districts (SSDs) or charter schools that are identified for CSI, TSI, or ATSI, shall develop a SPSA that addresses the applicable requirements above as a condition of receiving funds (EC Section 64001[a] as amended by Assembly Bill [AB] 716, effective January 1, 2019).

However, a SSD or a charter school may streamline the process by combining state and federal requirements into one document which may include the local control and accountability plan (LCAP) and all federal planning requirements, provided that the combined plan is able to demonstrate that the legal requirements for each of the plans is met (EC Section 52062[a] as amended by AB 716, effective January 1, 2019).

Planning requirements for single school districts and charter schools choosing to exercise this option are available in the LCAP Instructions.

Authority Cited: EC sections 52062(a) and 64001(a), both as amended by AB 716, effective January 1, 2019.

Appendix C: Select State and Federal Programs

Developed by the California Department of Education, January 2019

School Year: **2023-24**

School Plan for Student Achievement (SPSA) Template

Instructions and requirements for completing the SPSA template may be found in the SPSA Template Instructions.

School Name	County-District-School (CDS) Code	Schoolsite Council (SSC) Approval Date	Local Board Approval Date
Elm Street School	56725386055289	May 22, 2023	August 23, 2023

Purpose and Description

Briefly describe the purpose of this plan (Select from Schoolwide Program, Comprehensive Support and Improvement, Targeted Support and Improvement, or Additional Targeted Support and Improvement)

Additional Targeted Support and Improvement
 Elm Street School became eligible for ATSI due to three different categories. One category is being very low in the area of ELA for for student groups of English Learners, Socioeconomically Disadvantaged, Students with Disabilities and Hispanic. The second category is being low and very low in the area of Mathematics for student groups of English Learners, Socioeconomically Disadvantaged, Students with Disabilities and Hispanic. The third category is being very high in the area of Chronic Absenteeism for student groups of English Learners, Socioeconomically Disadvantaged, Students with Disabilities and Hispanic.

Briefly describe the school’s plan for effectively meeting the ESSA requirements in alignment with the Local Control and Accountability Plan and other federal, state, and local programs.

Elm St. School will effectively meet the Every Student Succeeds Act (ESSA) by implementing Oxnard School District's new strategic plan called Oxnard EMPOWERS. Our vision Changing the World! Inspired, Accomplished, Multilingual Global Citizens - In School and Beyond. Our Mission is to IGNITE, TANSFORM, NURTURE AND EMBRACE. The Oxnard School District Student Profile with the seven traits will also be at the forefront of our decision making. Our unified values and

supporting principles will also guide our work. We also need to keep the following in mind: Accelerating Learning means students have access to grade-appropriate standard and strong instruction that addresses the gaps in prior learning within the context of grade-appropriate content so they can demonstrate mastery of grade-level content, addressing gaps and unfinished learning is not new. It is important to address unfinished learning and gaps through an Accelerated Learning approach in Tier 1 instruction. We need to ensure all of our strategic goals are aligned to the new OSD strategic plan: OXNARD EMPOWERS.

Elm St. School will focus on the area of teaching and learning to successfully meet the needs of all students. Elm's Mission is to ensure that all students receive a high quality education from fully qualified caring teachers whose research-based practices help them connect with the 21st century expectations through the arts, sciences, and technology. Elm's Vision is to establish a safe, professional, bilingual learning community where educators use data to drive instruction, collaborate toward common goals, and work with families, students, and community members toward becoming successful contributing members of society, while addressing the needs of the whole child. The staff is dedicated to the full implementation of Common Core State Standards (CCSS) with an emphasis on technology through the implementation of 1:1 devices for all students in grades Transitional Kindergarten through 5th grade. We will implement CCSS through the following state adopted programs McGraw-Hill, My Math and Wonders/Maravillas. We will also be implementing the Dual Language Biliteracy Unit Frameworks which are standards based in Transitional Kindergarten through Fifth grade written by our District to ensure CCSS is at the forefront in our biliteracy classes. In addition, we implement several intervention programs. These interventions include small group instruction with Classroom Teachers, Literacy Intervention Teacher and Instructional Support Providers. The Literacy Intervention Teacher and the Instructional Support Providers will be using The Fountas & Pinnell Leveled Literacy Intervention System (LLI) as their primary resource. k The teaching staff at Elm St. School is committed to the process of implementing CCSS and dedicated to higher level thinking via high level of depth of knowledge for all students. In order to implement CCSS, the Elm St. teachers are committed to meeting consistently in Professional Learning Communities in order to increase student achievement. Teachers focus on data driven instruction, assess students formally and informally to monitor student growth in the core areas and meet to analyze student data results to plan instruction and student interventions. The Elm St. teachers will continue Progress Monitoring their students to ensure the academic needs of the students are met. The Elm St. School Staff will focus on Positive Behavior Intervention Supports (PBIS) through the use of CHAMPS and MTSS to meet the needs of the whole child including academics, behavior and social/emotional needs. Teachers are also committed to ensure the social emotional needs of students by implementing Community Circles. Families and community members will play an active role in the daily school activities with multiple opportunities to volunteer and participate in the school's educational program. Elm St. School maintains continual communication with all stakeholders through School Site Council (SSC), English Language Advisory Committee (ELAC), Title 1 Meeting, Coffee with the Principal, PTA meetings, Elm's website, Class Dojo and our new Parent Square communication system.

Elm Street School became eligible for ATSI due to three different categories. One category is being very low in the area of ELA for for student groups of English Learners, Socioeconomically Disadvantaged, Students with Disabilities and Hispanic. The second category is being low and very low in the area of Mathematics for student groups of English Learners, Socioeconomically Disadvantaged, Students with Disabilities and Hispanic. The third category is being very high in the area of Chronic Absenteeism for student groups of English Learners, Socioeconomically Disadvantaged, Students with Disabilities and Hispanic. As stated above, we will be addressing the academic needs in ELA and Mathematics via First Instruction, Progress Monitoring and Intervention. Professional Learning Communities coupled effective lesson planning with colleagues is also key to

address the low and very low status in ELA and Mathematics. We will address the area of Absenteeism by providing more parent outreach and incentive programs. We feel the need of more consistent home visits to follow up with families and students to address chronic absenteeism will also be effective to address the very high status.

Comprehensive Needs Assessment Components

Data Analysis

Please refer to the School and Student Performance Data section where an analysis is provided.

Classroom Observations

This section provides a description of types and frequency of classroom observations conducted during the school-year and a summary of findings.

Instructional Leader has implemented a feed back cycle to visiting classrooms to focus on the School-Wide Goals, the Instructional "Look Fors" and the implementation of the Biliteracy Unit Frameworks (BUF). Elm St. School is a Dual-Language School that has been working with the Center for Teaching for Biliteracy to ensure the implementation of the BUF is implemented with fidelity. The feedback cycle gives an opportunity to give immediate positive feedback as well as notes on what is observed. The purpose of the feed back cycle is to consistently visit classrooms and take anecdotal notes in order to observe daily routines and teaching practices, provide support and guidance to ensure Common Core State Standards within the BUF are being taught with fidelity at a rigorous level implementing Depth of Knowledge. Classroom visits are extremely informative and they highlight the great things happening in the classrooms connected to our School-Wide Goals as well as the work that needs to take place around the the implementation around the BUF.

Analysis of Current Instructional Program

The following statements are derived from the Elementary and Secondary Education Act (ESEA) of 1965 and Essential Program Components (EPCs). In conjunction with the needs assessments, these categories may be used to discuss and develop critical findings that characterize current instructional practice for numerically significant subgroups as well as individual students who are:

- Not meeting performance goals
- Meeting performance goals
- Exceeding performance goals

Discussion of each of these statements should result in succinct and focused findings based on verifiable facts. Avoid vague or general descriptions. Each successive school plan should examine the status of these findings and note progress made. Special consideration should be given to any practices, policies, or procedures found to be noncompliant through ongoing monitoring of categorical programs.

Standards, Assessment, and Accountability

Use of state and local assessments to modify instruction and improve student achievement (ESEA)

Oxnard School District's (OSD) Student Profile puts an emphasis on the development of the entire child to be successful in a variety of traits. One trait is for students to be prepared to succeed in local and state measures in all academic areas. Elm St school is committed to honor the OSD Student Profile through a variety of components. One of the components to ensure student success is through Professional Learning Communities. Through Professional Learning Communities (PLC) teachers will analyze and interpret data through the use of the following assessments tools to improve student achievement. The following tools will be used:
STAR 360 Assessments in Math, Early Literacy & Reading in English, as well as Spanish for the Dual Language Immersion Program

English Language Proficiency Assessment for California (ELPAC)
California Assessment of Student Performance and Progress (CASSPP)
DRDP Assessment (Transitional Kindergarten)
Interim Assessment Blocks (IAB)
Essential Literacy Skills (ELS)
Curriculum Benchmarks
Leveled Literacy Intervention (LLI)
Progress Monitoring Data

Use of data to monitor student progress on curriculum-embedded assessments and modify instruction (EPC)

Teachers will meet weekly in Professional Learning Communities (PLC) to monitor student progress via the curriculum embedded assessments as well as discuss best teaching practices in order to move students forward academically. Student instructional groups for Universal Access, English Language Development, and intervention groups are determined based on these assessments. Teachers will also continue Progress Monitoring in order to meet the different needs of students.

Staffing and Professional Development

Status of meeting requirements for highly qualified staff (ESEA)

The district ensures that all site staff meets requirements to be considered "highly qualified." This is monitored by the district's Human Resources Department.

Sufficiency of credentialed teachers and teacher professional development (e.g., access to instructional materials training on SBE-adopted instructional materials) (EPC)

Incoming teachers are appropriately credentialed and provided with various forms of support. A New Teacher Orientation is offered which includes District expectations and procedures, training on current curricular materials and programs and tips on classroom management. The district works with the Ventura County Office of Education to provide Induction for new teachers. Professional development is always offered when new materials are adopted. Follow up training is available to continue to support the use of the materials.

Alignment of staff development to content standards, assessed student performance, and professional needs (ESEA)

Professional development is provided at the site and district level to ensure that instruction is aligned to current Common Core State Standards. There is a district assessment calendar to ensure that student progress is sufficiently monitored throughout the year. Professional development and support is provided on the assessment system and the specific types of assessments. Structures are in place at school sites to allow teachers to analyze data in collaborative groups in order to identify student needs and adjust instruction accordingly.

Ongoing instructional assistance and support for teachers (e.g., use of content experts and instructional coaches) (EPC)

The Educational Services Department includes Directors, Managers and TOSAs (Teachers on Special Assignment) who provide support for Curriculum, Instruction, Assessment, Accountability, Biliteracy Programs, Special Education, Special Programs, Pupil Services, Educational Technology and Equity and Family and Community Engagement. Site administration also functions as instructional leaders. Our regular school year calendar was revised to include four additional professional development days for all teachers (2 in the summer before school starts and 2 in the fall). Professional development was provided in the following areas: instructional content, planning for DLI instruction, culturally responsive grading and equity, special education assessment and TK instruction.

Teacher collaboration by grade level (kindergarten through grade eight [K–8]) and department (grades nine through twelve) (EPC)

Early release days every Wednesday provide teacher collaboration by grade level teams as well as bi-weekly grade level meetings, so that Teachers can work in Professional Learning Communities.

Teaching and Learning

Alignment of curriculum, instruction, and materials to content and performance standards (ESEA)

Collaboration work, using the PLC (Professional Learning Communities) model, supports use of instructional strategies aligned to current CA Common Core State Standards. State adopted and approved curricular materials support instruction.

Adherence to recommended instructional minutes for reading/language arts and mathematics (K–8) (EPC)

Instructional minutes are monitored by the Business Services office. All school schedules adhere to the guidelines governing recommended instructional minutes.

Lesson pacing schedule (K–8) and master schedule flexibility for sufficient numbers of intervention courses (EPC)

The district assessment calendar and adopted curricula provide guidance on lesson pacing. Student needs are determined by data analysis. Courses are scheduled based on these student needs.

Availability of standards-based instructional materials appropriate to all student groups (ESEA)

Instructional materials provided for all students are managed by our district Textbook Coordinator. Participation in Williams Inspections confirms that all students have access to required materials. Hot-Spots have been provided to households in need of them, so that every child has accessibility to district applications like Lexia & ST Math.

Use of SBE-adopted and standards-aligned instructional materials, including intervention materials, and for high school students, access to standards-aligned core courses (EPC)

Adopted and standards-aligned materials are provided for use in all classrooms, and provided to our students that are on Independent Study. Additional on-line resources have been centrally purchased to provide access to standards-aligned materials remotely via the internet. Intervention materials must be research-based. Funds are allocated to sites to purchase any additional materials they determine are necessary to meet student needs.

Opportunity and Equal Educational Access

Services provided by the regular program that enable underperforming students to meet standards (ESEA)

First instruction is a critical component to enable under-performing students to meet standards, but we also feel a few other components are as equally important. We feel that Progress Monitoring as part of the Multi-Tiered Supports and Services (MTSS) is a critical component to meet the needs of underperforming students. Through Progress Monitoring small group intervention is provided to target specific skills which underperforming students are not learning. One component of the MTSS process is to meet as a Student Study Team (SST) to review SMART goals established during Progress Monitoring. As part of the SST process, a meeting is scheduled that includes the classroom teacher and parent/guardian. In the SST Meeting, the team discusses next steps.

Evidence-based educational practices to raise student achievement

At Elm Street School, we will participate in Professional Learning Community practices, grade level teaming and collaboration to support first instruction. The Instructional "Look-Fors" have provided a foundation for best first instruction, and the Principal's classroom visits will have an instructional focus based on our School-Wide goals and the Instructional "Look Fors". The data collected from local assessments will guide and drive instruction in the classroom during whole group and small group intervention groups. Teachers will continue to Progress Monitor their students in a systematic format to raise student achievement. The Principal will meet with each teacher every trimester to review student data and lead the discussion on next steps.

Parental Engagement

Resources available from family, school, district, and community to assist under-achieving students (ESEA)

During the 2023-2024 academic year, we will continue to offer meetings in a variety of formats to ensure we have consistent communication with families. We will continue to offer in-person meetings, Zoom meetings and telephone conferences. School Site Council (SSC) will continue meeting in the afternoon via Zoom, English Language Advisory Committee (ELAC) will continue to meet in the morning in-person, and Parent Teacher Association (PTA) will continue to be in the late afternoon to accommodate family preferences. Our SSC consists of 5 parents with direct input into our School Plan for Student Achievement (SPSA). The English Language Advisory Committee (ELAC) also provides recommendations to our SSC for English Language Learners (ELL) services to include into the SPSA. Parents are invited to our regularly scheduled SSC, ELAC, Coffee with the Principal, PTA, and Title I meetings to stay informed and provide input on programs available to our students. Our PTA provides parents the opportunity to participate in fundraising opportunities and programs that support the educational programs at Elm St. School. Parent workshops, classes, and trainings are offered throughout the school year (CABE, Project 2Inspire, Family Reading Nights, Technology Training etc ...) Parents are also encouraged to attend our Back to School Night which includes our Title 1 Meeting, Trimester Awards ceremonies, and Parent-Teacher conferences in Fall and Spring.

Involvement of parents, community representatives, classroom teachers, other school personnel, and students in secondary schools, in the planning, implementation, and evaluation of ConApp programs (5 California Code of Regulations 3932)

At Elm St. School, the Principal has developed a yearly calendar to ensure that all the education partners are involved. During the 2023-2024 academic year, the Leadership Team will be meeting monthly, and notes will be sent out to all Elm St. Staff at the end of the day. The notes have kept us accountable to meet with grade level teams about what was discussed and if anything needs to be discussed at the next Leadership Team or at the next Staff Meeting. The Principal also meets with the SSC, ELA, and PTA on a regular basis to share goals for the year. Coffee with the Principal is also an informal manner to receive recommendations or get feedback from the community. Even though Coffee with the Principal is an informal gathering, valuable information has been shared regarding school safety, and community safety at large.

Funding

Services provided by categorical funds that enable underperforming students to meet standards (ESEA)

The following services will be funded to enable under performing students to meet the standards:

Transitional Kindergarten Paraprofessional Support
Kindergarten Paraprofessional Support
Paraprofessional Support by the hiring of two eight hour positions
Intervention Support Providers (ISP)
Professional Learning Communities
Substitutes for SST/IEP meetings
Library Media Technician
Professional Development and Conferences

Centralized Funding has provided extra support through the hiring of a Literacy Intervention Teacher (LIT), which will target small group intervention in reading. Site funding through Title 1 and Supplemental Intervention has been allocated to hire two Instructional Support Providers which will also target small group intervention in reading in order to support underperforming students.

Fiscal support (EPC)

The district receives Title I funding as we are considered a Title I district. All of our sites are considered “schoolwide” Title I. Funds are allocated to each school based on the number of qualifying students. Sites then determine how to use the funds based on specific student needs. The district also distributes Title III funding to sites in order for them to provide any necessary additional services or resources to support English Language Learners.

Educational Partner Involvement

How, when, and with whom did the school consult as part of the planning process for this SPSA/Annual Review and Update?

Involvement Process for the SPSA and Annual Review and Update

The Instructional Leader began the involvement process for the SPSA with the proposed 2023-2024 school budget. Grade Level Teams discussed budget priorities. Grade Level Teams also had the opportunity to discuss and come up with new 2023-2024 academic goals. The Instructional Leader shared the SPSA along with the budget with SSC as well as the ELAC committee. The instructional Leader collected feedback from Grade Level Teams, SSC and ELAC in order to support all the strategies/activities as written in the SPSA. The proposed 2023-2024 school budget was aligned directly with the three goals as stated in the SPSA. The SPSA is a living document and will be shared continuously throughout the year with Educational Partners. Elm St. School will be reviewing the effectiveness of each action as detailed in the SPSA throughout the year using STAR 360 data, Panorama results, Progressing Monitoring results and Educational Partners feedback from our various parent groups.

Resource Inequities

Briefly identify and describe any resource inequities identified as a result of the required needs assessment, as applicable.

The substitute shortage has impacted our instructional program. Our teachers have not been able to attend Professional Development opportunities on a consistent basis due to the substitute shortage, and our Literacy Intervention Teacher has been pulled from providing small group intervention in order to provide coverage in the classrooms. OSD has provided an extensive opportunity to continue Professional Development opportunities in the afternoon once students have been released for the day.

School and Student Performance Data

Student Enrollment Enrollment By Student Group

Student Enrollment by Subgroup						
Student Group	Percent of Enrollment			Number of Students		
	20-21	21-22	22-23	20-21	21-22	22-23
American Indian	%	%	0%			0
African American	0.2%	0.20%	0%	1	1	0
Asian	%	%	0%			0
Filipino	0.6%	0.40%	0%	3	2	0
Hispanic/Latino	97.8%	97.81%	99.59%	521	492	480
Pacific Islander	0.2%	0.20%	0%	1	1	0
White	1.3%	1.39%	0.41%	7	7	2
Multiple/No Response	%	%	0%			0
Total Enrollment				533	503	482

Student Enrollment Enrollment By Grade Level

Student Enrollment by Grade Level			
Grade	Number of Students		
	20-21	21-22	22-23
Kindergarten	72	75	90
Grade 1	93	72	72
Grade 2	82	90	70
Grade 3	93	84	82
Grade 4	90	93	75
Grade 5	103	89	93
Total Enrollment	533	503	482

Conclusions based on this data:

Elm St. School had a significant loss of enrollment. During the 2020-2021 academic year, Elm had four Kindergarten Classes, and we dropped down to three Kindergarten classes. Our enrollment went from 550 in the 2019-2020 academic year to 503 in the 2021-2022 academic year. We continue to have low enrollment. With the addition of the Transitional Kindergarten Class added to Elm during the 2022-2023 Academic year, we are hoping it will encourage more families to enroll their children to Kindergarten for the upcoming years. Declining enrollment is impacting the entire state of California and this declining enrollment has definitely impacted Elm St. School.

School and Student Performance Data

Student Enrollment English Learner (EL) Enrollment

English Learner (EL) Enrollment						
Student Group	Number of Students			Percent of Students		
	20-21	21-22	22-23	20-21	21-22	22-23
English Learners	381	401	381	71.50%	79.7%	79.0%
Fluent English Proficient (FEP)	76	35	33	14.30%	7.0%	6.8%
Reclassified Fluent English Proficient (RFEP)	23			6.0%		

Conclusions based on this data:

Elm St. School has a significant amount of English Learners which is over 70% of the student population over the past three years, and it has increased from year to year. The number of Fluent English Proficient students has also declined over the past three years. The number of Reclassified students has increased over the last three years. During the 2022-2023 academic year, thirty students were Reclassified. This number increased by ten students from the previous year. The English Learner Enrollment data brings to the forefront how important English Language Development (ELD) is to first instruction. The majority of our students are classified English Learners and the goal is to Reclassify students in the third grade.

School and Student Performance Data

Star Early Literacy

Elm Street School											
		Less than Proficient				Proficient				Star Early Literacy Average	
		Level 1		Level 2		Level 3		Level 4			
Grade	Total # Tested	Total	%	Total	%	Total	%	Total	%	Level	Scale Score
Grade K	69	17	25%	14	20%	9	13%	29	42%	4	752
Grade 1	74	33	45%	18	24%	11	15%	12	16%	4	775
Grade 2	62	40	65%	15	24%	3	5%	4	6%	2	829

Conclusions based on this data:

During the 2022-2023 STAR 360 Early Literacy Assessment Window, Elm St. School increased a total of 16.8% over the course of the year. During the Fall Window, 8.2% of students were at and above benchmark. At the End of Year Window, 25% of students were at and above benchmark. As compared to Oxnard School District as a whole, we are 30 % lower within the at and above benchmark. The STAR 360 Early Literacy Spanish Assessment indicates that our students increased by 23.3% over the course of the year. During the Fall Window, 28.9% of students were at and above benchmark. At the End of Year Window, 52.2% of students were at and above benchmark. As compared to Oxnard District as a whole, we were 2.8% lower within the at and above benchmark. I want to celebrate and recognize that Elm St. School students made significant gains as compared to where they started this academic year and where they ended at the end of the year. The scores are a reflection of the work that is taking place in the classroom with First Instruction and Progress Monitoring. We will continue to strive for excellence and have high academic expectations.

School and Student Performance Data

Star Reading

Elm Street School											
		Less than Proficient				Proficient				Star Reading Average	
		Level 1		Level 2		Level 3		Level 4			
Grade	Total # Tested	Total	%	Total	%	Total	%	Total	%	Level	Scale Score
Grade 2	98	45	46%	20	20%	24	24%	9	9%	1	884
Grade 3	68	32	47%	20	29%	11	16%	5	7%	1	935
Grade 4	72	34	47%	17	24%	15	21%	6	8%	1	969
Grade 5	91	35	38%	24	26%	24	26%	8	9%	2	1015

Conclusions based on this data:

During the 2022-2023 STAR 360 Reading Assessment Window, Elm St. School increased a total of 4.2% over the course of the year. During the Fall Window, 17.9% of students were at and above benchmark. At the End of Year Window, 22.1% of students were at and above benchmark. As compared to Oxnard School District as a whole, we are 17.9% lower within the at and above benchmark. The STAR 360 Reading Spanish Assessment indicates that our students increased by 12.2% during the course of the year. During the Fall Window, 38.8% of students were at and above benchmark. At the End of Year Window, 51% of students were at and above benchmark. As compared to Oxnard District as a whole, we were 11% higher within the at and above benchmark.

School and Student Performance Data

Star Math

Elm Street School											
		Less than Proficient				Proficient				Star Math Average	
		Level 1		Level 2		Level 3		Level 4			
Grade	Total # Tested	Total	%	Total	%	Total	%	Total	%	Level	Scale Score
Grade 1	74	26	35%	35	47%	12	16%	1	1%	2	828
Grade 2	75	42	56%	16	21%	15	20%	2	3%	1	887
Grade 3	75	38	51%	17	23%	17	23%	3	4%	1	936
Grade 4	73	43	59%	22	30%	7	10%	1	1%	1	954
Grade 5	100	60	60%	30	30%	8	8%	2	2%	1	1001

Conclusions based on this data:

During the 2022-2023 STAR 360 Math Window, Elm St. School increased a total of 12.6% over the course of the year. During the Fall Window, 29.1% of students were at and above benchmark. At the End of Year Window, 41.7% of students were at and above benchmark. As compared to Oxnard School District as a whole, we are 8.3% lower within the at and above benchmark. I want to celebrate and recognize that Elm St. School students made significant gains as compared to where they started this academic year and where they ended at the end of the year. The scores are a reflection on the work that is taking place in the classroom with First Instruction and Progress Monitoring. We will continue to strive for excellence and have high academic expectations.

School and Student Performance Data

CAASPP Results English Language Arts/Literacy (All Students)

Grade 4		2.11			66.32			31.58	
Grade 5		4.60			63.22			32.18	
All Grades		4.89			63.53			31.58	

Conclusions based on this data:

The percentage of third grade students in the 2022-2023 academic year at the Met and Exceeded Standard are at 14% as compared to 20% of the third graders that were at the Met and Exceeded Standard in 2021-2022. This is a 6% drop from one year to the next. The percentage of fourth grade students in the 2022-2023 academic year at the Met and Exceeded Standard are at 11% as compared 15% of fourth graders that were at the Met and Exceeded Standard in 2021-202. This is a 4% drop from one year to the next. The percentage of fifth grade students in the 2022-2023 academic year at the Met and Exceeded Standard is at 28% as compared to 29% of fifth graders that were at the Met and Exceeded Standard in 2021-2022. This is a 1% drop from one year to the next. We have a lot of work ahead of us, but we are on a positive trajectory when analyzing STAR 360 Scores in Early Literacy in English and Spanish as well as STAR 360 Reading scores in English and Spanish which has been a focus during the 2022-2023 Academic Year.

School and Student Performance Data

CAASPP Results Mathematics (All Students)

Overall Participation for All Students

Grade 5		3.45			43.68			52.87	
All Grades		4.51			48.12			47.37	

Conclusions based on this data:

The percentage of third grade students in the 2022-2023 academic year at the Met and Exceeded Standard are at 21% as compared to 16% of the third graders that were at the Met and Exceeded Standard in 2021-2022. This is a 5% increase from one year to the next. The percentage of fourth grade students in the 2022-2023 academic year at the Met and Exceeded Standard are at 12% as compared 7% of fourth graders that were at the Met and Exceeded Standard in 2021-202. This is a 5% increase from one year to the next. The percentage of fifth grade students in the 2022-2023 academic year at the Met and Exceeded Standard is at 7% as compared to 9% of fifth graders that were at the Met and Exceeded Standard in 2021-2022. This is a 2% drop from one year to the next. We have a lot of work ahead of us, but we are on a positive trajectory when analyzing STAR 360 Scores in Math which has been a focus during the 2022-2023 Academic Year.

Conclusions based on this data:

During the 2022-2023 academic year, 30 students were re-classified. Elm increased their number of re-classified students by 10 students as compared to the 2021-2022 academic year. Teachers continue to have a designated ELD block, which focuses on the four domains. It is crucial to teach students the skills needed in each of the four domains, so that they become English proficient. Each year English Learners take the ELPAC state exam to measure their level of English proficiency from year to year. It is the goal to reach a level of well developed overall in the four domains as well as meet all the criteria to be considered for Reclassification.

School and Student Performance Data

Student Population

For the past two years, many state and federal accountability requirements were waived or adjusted due to the impact of the COVID-19 pandemic on LEAs, schools, and students. Beginning with the 2021-22 school year, the requirements to hold schools and districts accountable for student outcomes has returned with the release of the 2022 California School Dashboard (Dashboard). The Every Student Succeeds Act is requiring all states to determine schools eligible for support. Similarly, under state law, Assembly Bill (AB) 130, which was signed into law in 2021, mandates the return of the Dashboard using only current year performance data to determine LEAs for support. Therefore, to meet this state requirement, only the 2021-22 school year data will be reported on the 2022 Dashboard for state indicators. (Data for Change [or the difference from prior year] and performance colors will not be reported.)

This section provides information about the school's student population.

2021-22 Student Population			
Total Enrollment	Socioeconomically Disadvantaged	English Learners	Foster Youth
503	96.4	79.7	0.2
Total Number of Students enrolled in Elm Street School.	Students who are eligible for free or reduced priced meals; or have parents/guardians who did not receive a high school diploma.	Students who are learning to communicate effectively in English, typically requiring instruction in both the English Language and in their academic courses.	Students whose well being is the responsibility of a court.

2021-22 Enrollment for All Students/Student Group		
Student Group	Total	Percentage
English Learners	401	79.7
Foster Youth	1	0.2
Homeless	42	8.3
Socioeconomically Disadvantaged	485	96.4
Students with Disabilities	63	12.5

Enrollment by Race/Ethnicity		
Student Group	Total	Percentage
African American	1	0.2
American Indian		
Asian		
Filipino	2	0.4
Hispanic	492	97.8
Two or More Races		
Pacific Islander	1	0.2
White	7	1.4

Conclusions based on this data:

The majority of our students at Elm St. School are both Socioeconomically Disadvantaged and English Language Learners. With this knowledge, we have to be very mindful of the ELPAC scores and use this information to drive instruction during the designated English Language Development time. Teachers continue to have a designated ELD block, which focuses on the four domains. It is crucial to teach students the skills needed in each of the four domains, so that they become English proficient. Each year English Learners take the ELPAC state exam to measure their level of English proficiency from year to year. It is the goal to reach a level of well developed overall in the four domains as well as meet all the criteria to be considered for Reclassification.

School and Student Performance Data

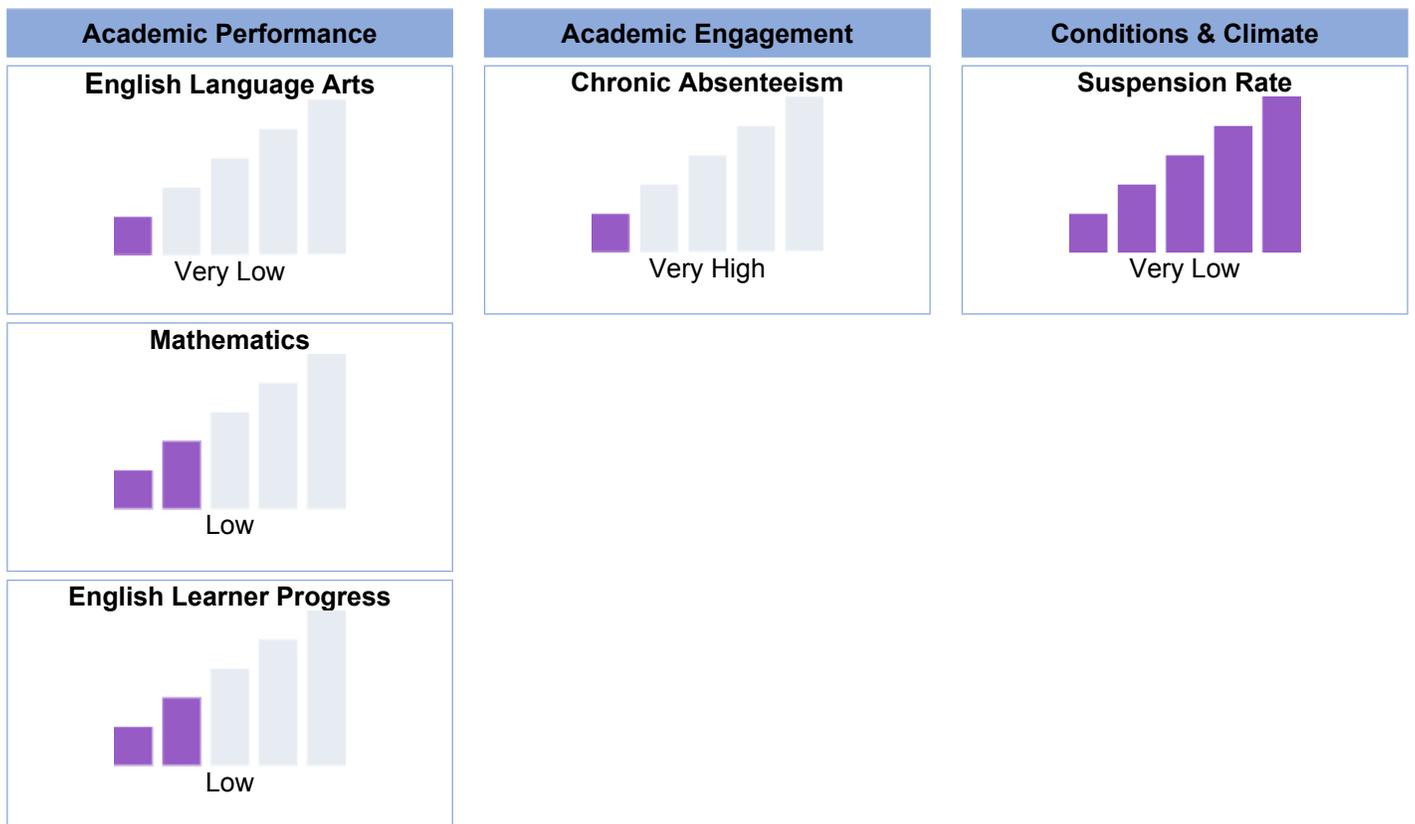

Overall Performance

Due to the COVID-19 pandemic, state law allows the 2022 Dashboard to only display the most current year of data (also known as Status). For this year only, performance levels will be reported using one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low) for state measures. Please note that the Status levels associated with the Chronic Absenteeism and Suspension Rate Indicators are reversed (ranging from Very Low, Low, Medium, High, and Very High). Information regarding this year's Dashboard data is available within the [Dashboard Communications Toolkit](#).

Because performance on state measures is based on current year (i.e., 2021-22) results only for the 2022 Dashboard, the color dials have been replaced with one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low).

2022 Fall Dashboard Overall Performance for All Students

Conclusions based on this data:

Elm Street School became eligible for ATSI due to three different categories. One category is being very low in the area of ELA for for student groups of English Learners, Socioeconomically Disadvantaged, Students with Disabilities and Hispanic. The second category is being low and very low in the area of Mathematics for student groups of English Learners, Socioeconomically Disadvantaged, Students with Disabilities and Hispanic. The third category is being very high in the area of Chronic Absenteeism for student groups of English Learners, Socioeconomically Disadvantaged,

Students with Disabilities and Hispanic. We will be addressing the academic needs in ELA and Mathematics via First Instruction, Progress Monitoring and Intervention. Professional Learning Communities coupled with effective lesson planning with colleagues is also key to address the low and very low status in ELA and Mathematics. We will address the area of Absenteeism by providing more parent outreach and incentive programs. We feel the need of more consistent home visits to follow up with families and students to address chronic absenteeism will also be effective to address the very high status.

School and Student Performance Data

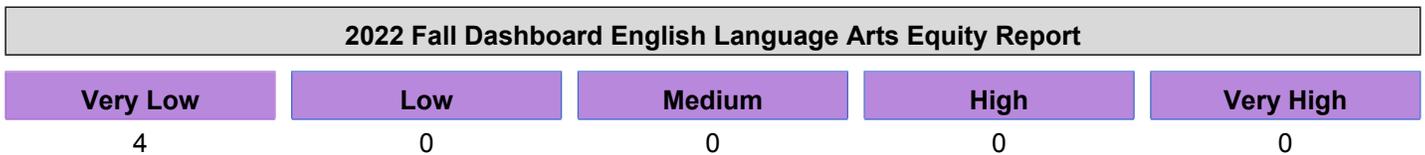

Academic Performance English Language Arts

Due to the COVID-19 pandemic, state law allows the 2022 Dashboard to only display the most current year of data (also known as Status). For this year only, performance levels will be reported using one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low) for state measures. Please note that the Status levels associated with the Chronic Absenteeism and Suspension Rate Indicators are reversed (ranging from Very Low, Low, Medium, High, and Very High). Information regarding this year's Dashboard data is available within the [Dashboard Communications Toolkit](#).

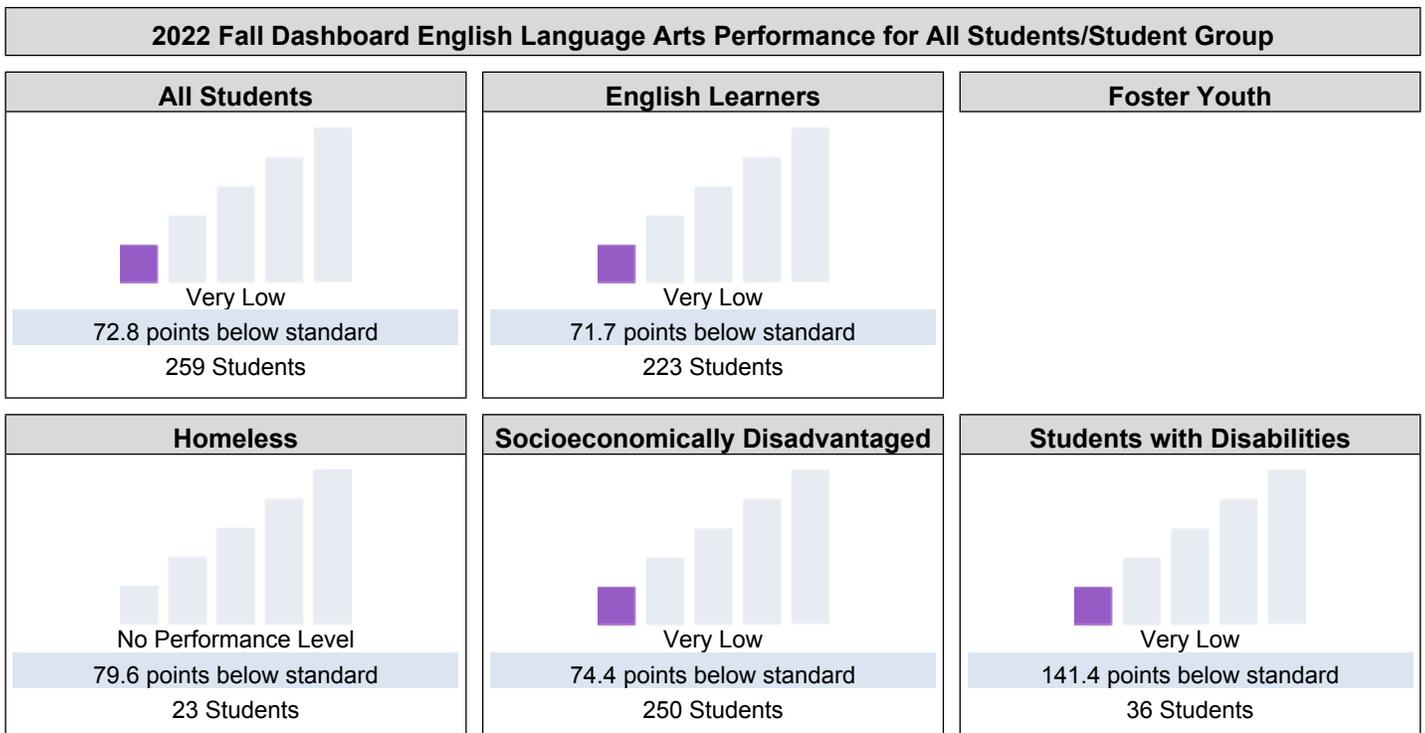

Because performance on state measures is based on current year (i.e., 2021-22) results only for the 2022 Dashboard, the color dials have been replaced with one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low).

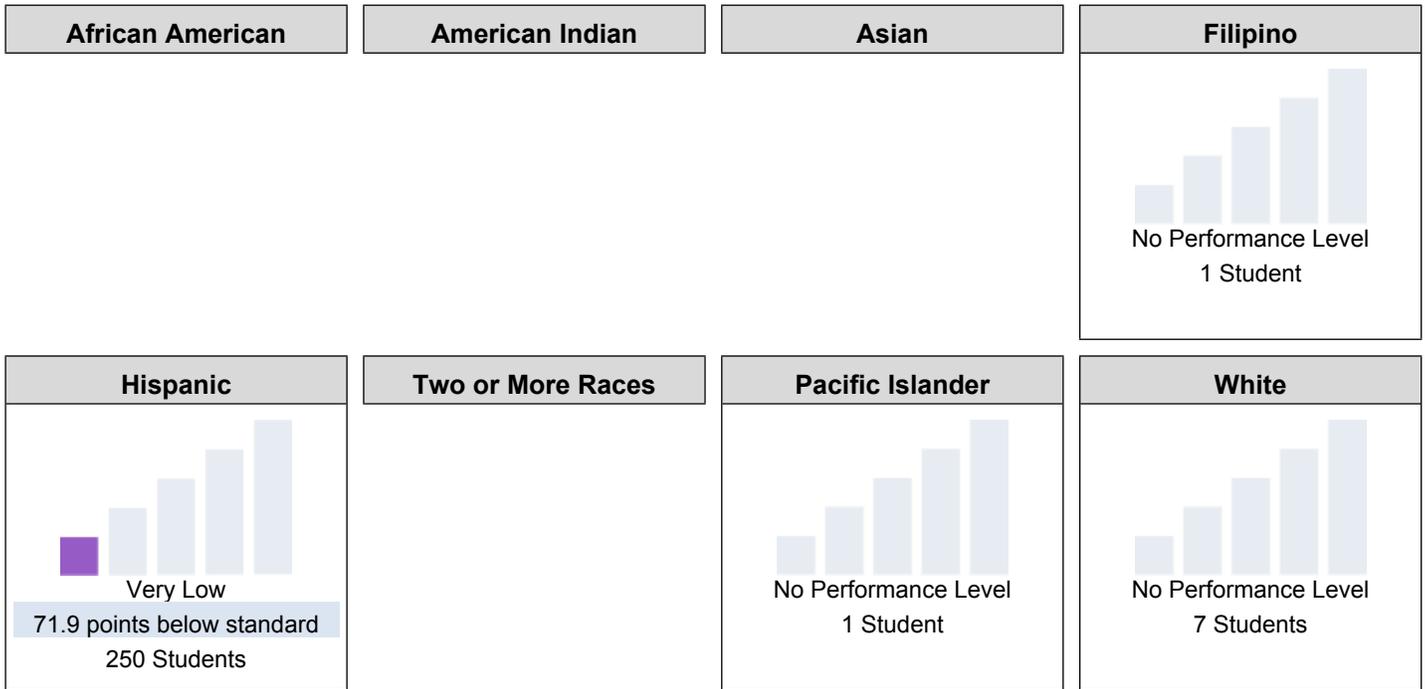

This section provides number of student groups in each level.

This section provides a view of how well students are meeting grade-level standards on the English Language Arts assessment. This measure is based on student performance on either the Smarter Balanced Summative Assessment or the California Alternate Assessment, which is taken annually by students in grades 3–8 and grade 11.

2022 Fall Dashboard English Language Arts Performance by Race/Ethnicity

This section provides additional information on distance from standard for current English learners, prior or Reclassified English learners, and English Only students in English Language Arts.

2022 Fall Dashboard English Language Arts Data Comparisons for English Learners

Current English Learner	Reclassified English Learners	English Only
88.2 points below standard 191 Students	26.8 points above standard 32 Students	96.1 points below standard 28 Students

Conclusions based on this data:

Elm Street School became eligible for ATSI due to three different categories. One category is being very low in the area of ELA for for student groups of English Learners, Socioeconomically Disadvantaged, Students with Disabilities and Hispanic. We will be addressing the academic needs in ELA an via First Instruction, Progress Monitoring and Intervention. Professional Learning Communities coupled effective lesson planning with colleagues is also key to address the very low status in ELA .

School and Student Performance Data

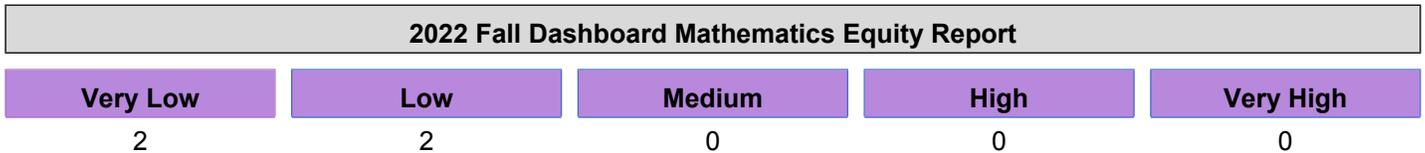

Academic Performance Mathematics

Due to the COVID-19 pandemic, state law allows the 2022 Dashboard to only display the most current year of data (also known as Status). For this year only, performance levels will be reported using one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low) for state measures. Please note that the Status levels associated with the Chronic Absenteeism and Suspension Rate Indicators are reversed (ranging from Very Low, Low, Medium, High, and Very High). 2022 Fall Dashboard Mathematics Performance by Race/Ethnicity

This section provides additional information on distance from standard for current English learners, prior or Reclassified English learners, and English Only students in mathematics

2022 Fall Dashboard Mathematics Data Comparisons for English Learners

Current English Learner	Reclassified English Learners	English Only
106.5 points below standard 191 Students	23.5 points below standard 32 Students	100.7 points below standard 28 Students

Conclusions based on this data:

Elm Street School became eligible for ATSI due to three different categories. One category is being very low in the area of Mathematics for for student groups of English Learners, Socioeconomically Disadvantaged, Students with Disabilities and Hispanic. We will be addressing the academic needs in Mathematics via First Instruction, Progress Monitoring and Intervention. Professional Learning Communities coupled effective lesson planning with colleagues is also key to address the low and very low status in Mathematics.

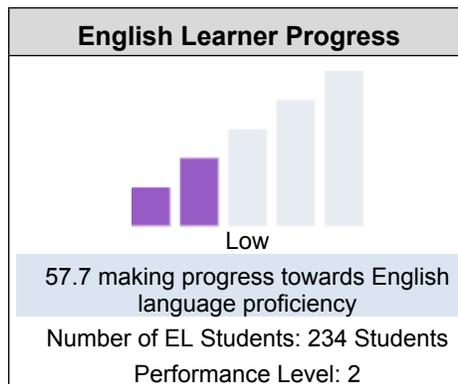

School and Student Performance Data

Academic Performance English Learner Progress

Due to the COVID-19 pandemic, state law allows the 2022 Dashboard to only display the most current year of data (also known as Status). For this year only, performance levels will be reported using one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low) for state measures. Please note that the Status levels associated with the Chronic Absenteeism and Suspension Rate Indicators are reversed (ranging from Very Low, Low, Medium, High, and Very High). Information regarding this year's Dashboard data is available within the [Dashboard Communications Toolkit](#).

This section provides information on the percentage of current EL students making progress towards English language proficiency or maintaining the highest level.

2022 Fall Dashboard English Learner Progress Indicator

This section provides a view of the percentage of current EL students who progressed at least one ELPI level, maintained ELPI level 4, maintained lower ELPI levels (i.e, levels 1, 2L, 2H, 3L, or 3H), or decreased at least one ELPI Level.

2022 Fall Dashboard Student English Language Acquisition Results

Decreased One ELPI Level	Maintained ELPI Level 1, 2L, 2H, 3L, or 3H	Maintained ELPI Level 4	Progressed At Least One ELPI Level
9.8%	32.5%	0.4%	57.3%

Conclusions based on this data:

During the 2022-23 Academic year, 30 students were re-classified, and this is 10 more students that were re-classified as compared to the 2021-2022 Academic Year. Teachers continue to have a designated ELD block, which focuses on the four domains. Elm St. School student's are progressing from Level 1:Beginning Stage to Level 4:Well Developed at a moderate level. Teachers continue to have a designated ELD block, which focuses on the four domains. It is crucial to teach students the skills needed in each of the four domains, so that they become English proficient. Each year English Learners take the ELPAC state exam to measure their level of English proficiency from year to year. It is the goal to reach a level of well developed overall in the four domains as well as meet all the criteria to be considered for Reclassification.

Information regarding this year's Dashboard data is available within the [Dashboard Communications Toolkit](#).

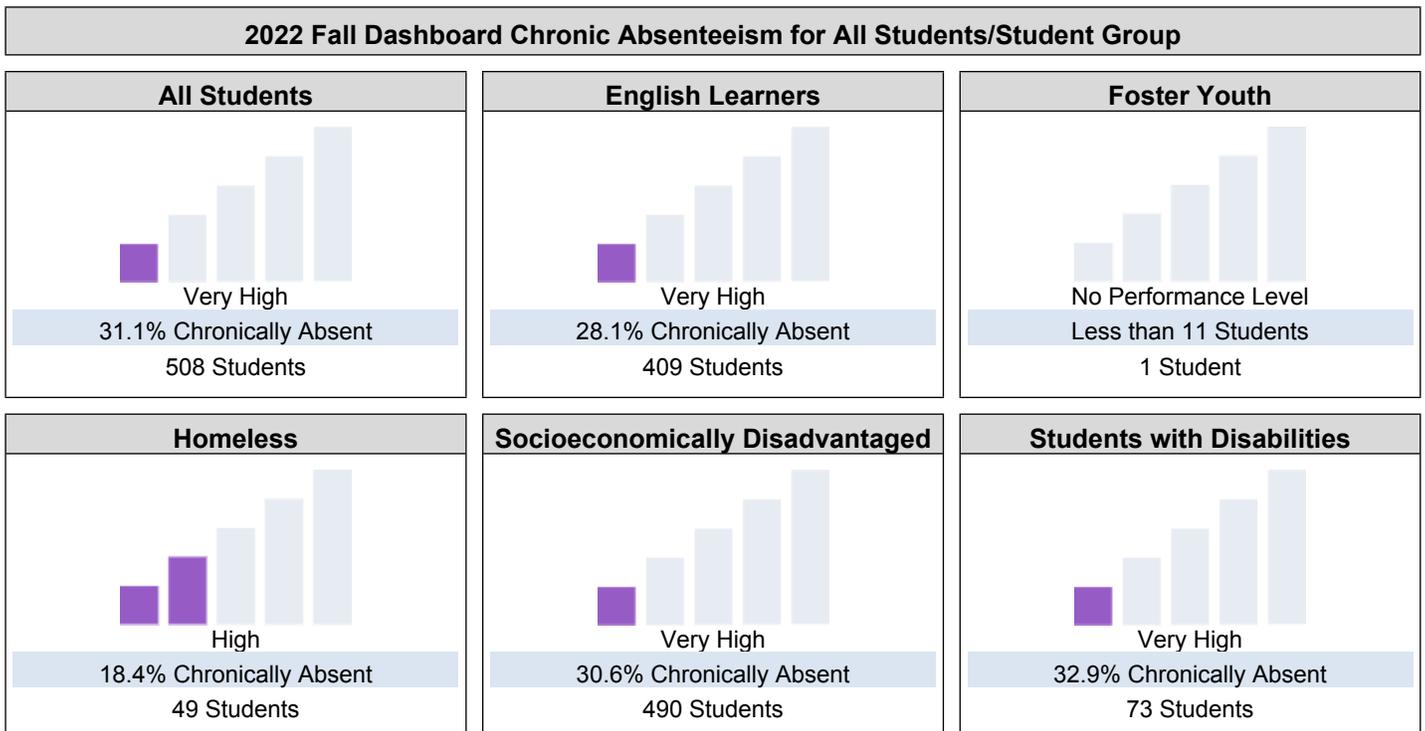

Because performance on state measures is based on current year (i.e., 2021-22) results only for the 2022 Dashboard, the color dials have been replaced with one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low).

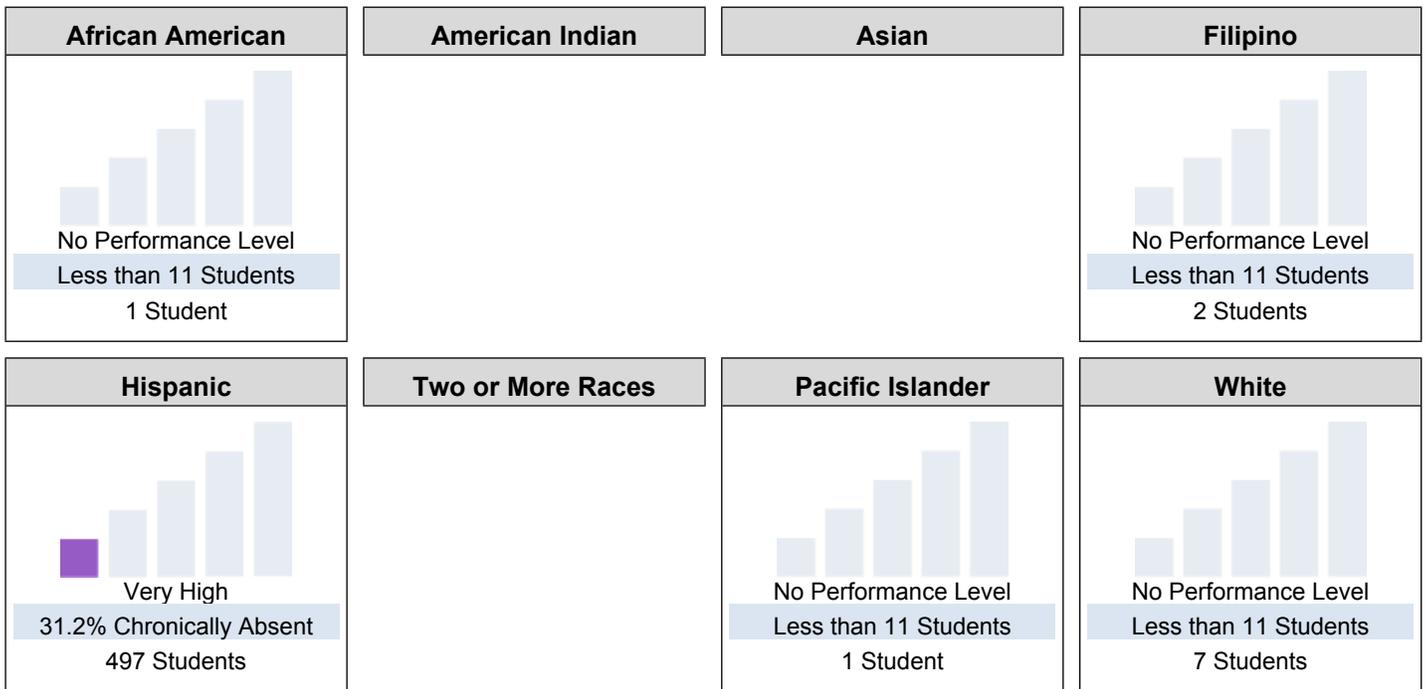

This section provides number of student groups in each level.

This section provides information about the percentage of students in kindergarten through grade 8 who are absent 10 percent or more of the instructional days they were enrolled.

2022 Fall Dashboard Chronic Absenteeism by Race/Ethnicity

Conclusions based on this data:

Elm Street School became eligible for ATSI due to three different categories. One category is being very high in the area of Chronic Absenteeism for student groups of English Learners, Socioeconomically Disadvantaged, Students with Disabilities and Hispanic. We will address the area of Absenteeism by providing more parent outreach and incentive programs. We feel the need of more consistent home visits to follow up with families and students to address chronic absenteeism will also be effective to address the very high status.

School and Student Performance Data

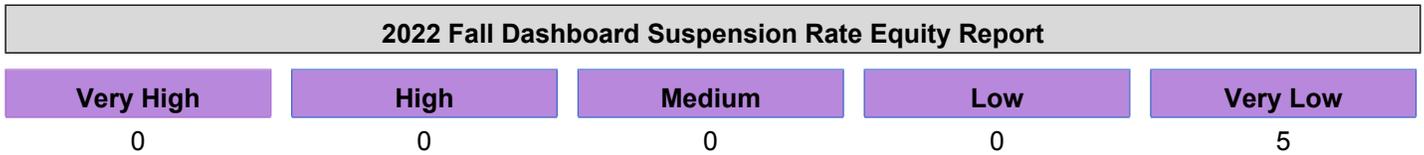

Conditions & Climate Suspension Rate

Due to the COVID-19 pandemic, state law allows the 2022 Dashboard to only display the most current year of data (also known as Status). For this year only, performance levels will be reported using one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low) for state measures. Please note that the Status levels associated with the Chronic Absenteeism and Suspension Rate Indicators are reversed (ranging from Very Low, Low, Medium, High, and Very High). Information regarding this year's Dashboard data is available within the [Dashboard Communications Toolkit](#).

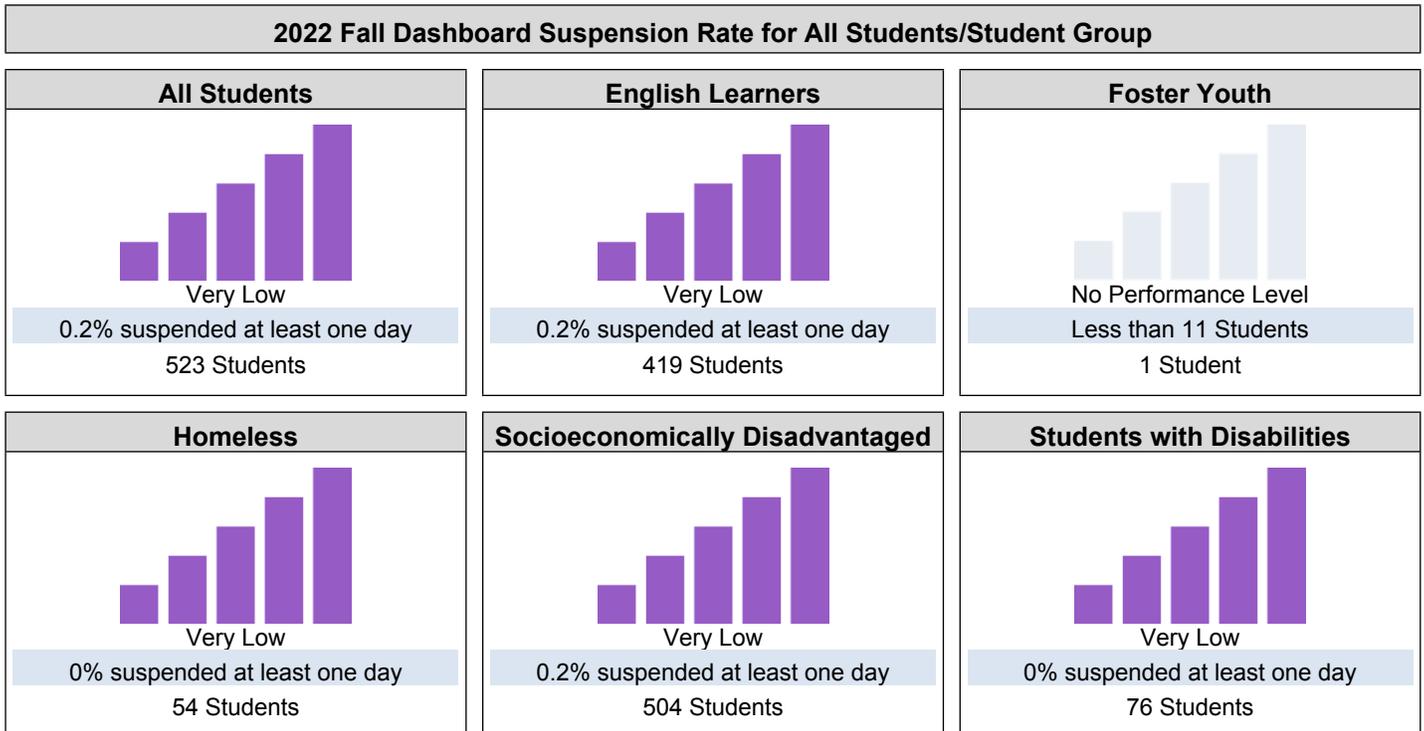

Because performance on state measures is based on current year (i.e., 2021-22) results only for the 2022 Dashboard, the color dials have been replaced with one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low).

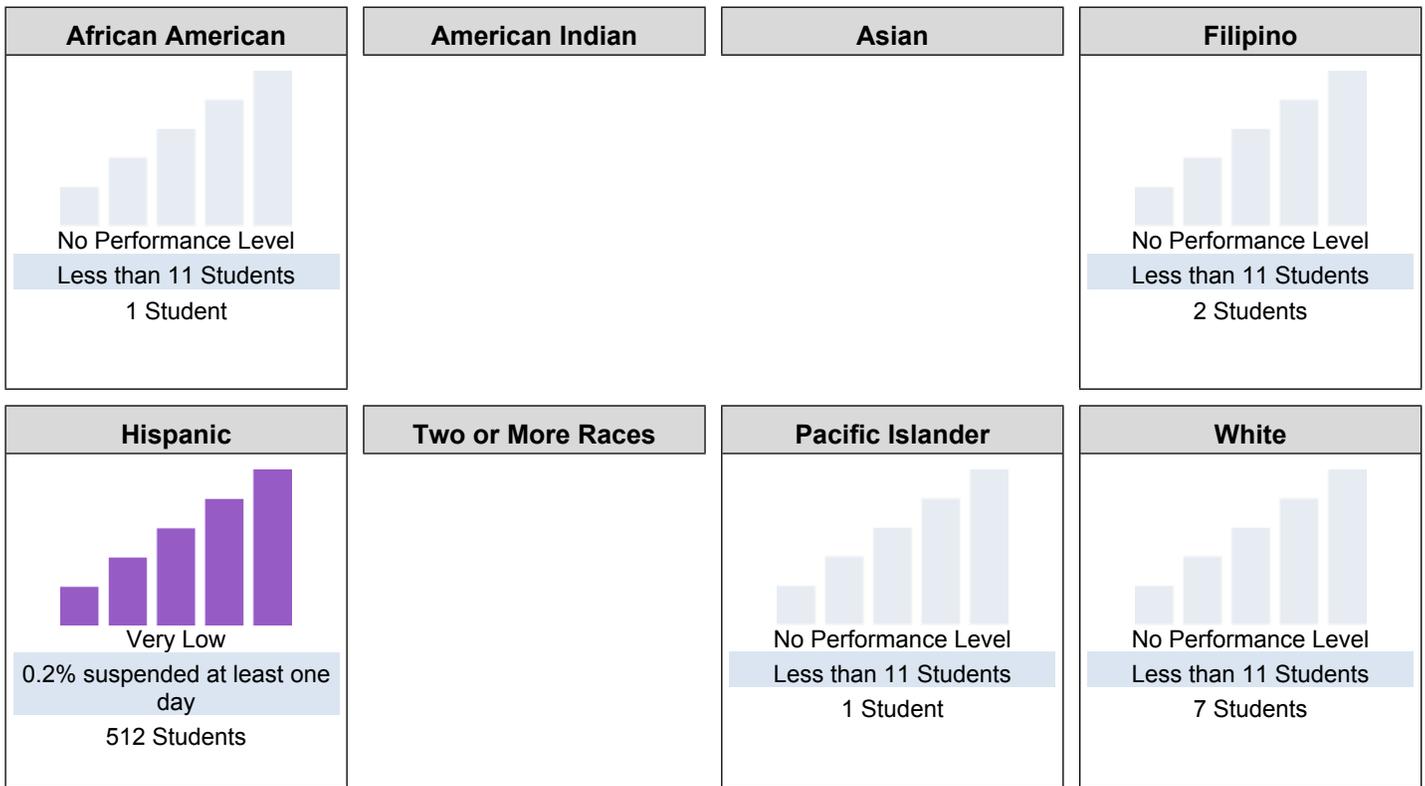

This section provides number of student groups in each level.

This section provides information about the percentage of students in kindergarten through grade 12 who have been suspended at least once in a given school year. Students who are suspended multiple times are only counted once.

2022 Fall Dashboard Suspension Rate by Race/Ethnicity

Conclusions based on this data:

Elm St. School's overall suspension rate is very low. Principal and School Counselor is continuing to implement the strategies of Restorative Justice in order to decrease the rate of suspension in all student groups especially the of students with disabilities. Principal has also been working with the Counselor and Classroom teachers to look at other alternatives to Suspension. The implementation of CHAMPS in every classroom has also supported a low suspension rate and we will continue to use CHAMPS strategies to continue to lower our overall suspension rate.

Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

Goal Subject

Language Arts and Math

LEA/LCAP Goal

All students will reach high academic standards in reading and mathematics.

Goal 1

All Students will reach high standards, at a minimum, attaining proficiency or better in reading and mathematics.

Identified Need

To increase the capacity of teachers to deliver effective data-driven instruction
 To provide equipment, materials and technology resources that support high quality instruction
 To provide opportunities for teachers to collaborate to improve teaching and learning

Annual Measurable Outcomes

Metric/Indicator	Baseline/Actual Outcome	Expected Outcome
CAASPP English Language Arts (ELA)	<p>2021-2022 CAASPP Results by Grade Level:</p> <p>Grade 3 - 20% of students scored in the met/exceeded CAASPP score range Grade 4 - 15 % of students scored in the met/exceeded CAASPP score ranges Grade 5 - 29% of students scored in the met/exceeded CAASPP score ranges</p> <p>Overall in grades 3rd-5th, 21.3% of students scored in the met/exceeded range on the CAASPP.</p> <p>2022-2023 CAASPP Results by Grade Level:</p> <p>Grade 3 - 14 % of students scored in the met/exceeded CAASPP score range</p>	<p>Grade 3: Students will demonstrate growth by moving one or two levels across the different bands in the ELA CAASPP/SBAC and 3-5% of students will move from approaching to meeting and/or exceeding the CAASPP/SBAC standards.</p> <p>Grade 4: Students will demonstrate growth by moving one or two levels across the different bands in the ELA CAASPP/SBAC and 3-5% of students will move from approaching to meeting and/or exceeding the CAASPP/SBAC standards.</p> <p>Grade 5: Students will demonstrate growth by moving one or two levels across the different bands in the ELA CAASPP/SBAC and 3-5% of</p>

Metric/Indicator	Baseline/Actual Outcome	Expected Outcome

Complete a copy of the Strategy/Activity table for each of the school's strategies/activities. Duplicate the table, including Proposed Expenditures, as needed.

Strategy/Activity 1
Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All students

Strategy/Activity

Provide time through grade level collaboration via weekly meetings to meet in Professional Learning Communities (PLC) for at least one hour in order to increase the capacity of teachers to deliver effective data-driven instruction and to provide opportunities for teachers to collaborate to improve teaching and learning. PLC time gives grade level teams the opportunity to review formative assessments and summative assessments in order to drive first instruction. Grade level collaboration is also a critical component of the Student Study Team process in order to share concerns regarding students and provide intervention supports. Teachers develop intervention opportunities for struggling students and once intervention data has been analyzed the next step would be to follow up with Student Study Team process via the MTSS model to document concerns and follow through with next steps to support students.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

Source(s)

No additional cost

Strategy/Activity 2

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All students

Strategy/Activity

Ensure the appropriate time for language arts, mathematics, and ELD instruction at each grade level by monitoring daily classroom schedules and classroom visits. Principal is also monitoring rigorous first instruction during classroom visits. The Teachers in collaboration with the Principal have also implemented progress monitoring, and are using the Progress Monitoring Form to review post assessments and next steps. As a result of implementing Progress Monitoring, the fourth and fifth grade teachers are administering the STAR 360 at the end of their 6-8 week cycle of intervention to gather more information about student progress. The data gives teachers information for their next steps of intervention.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

Source(s)

No additional I cost

Strategy/Activity 3

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Transitional Kindergarten & Kindergarten Students

Strategy/Activity

Provide Transitional Kindergarten instructional support through the hiring of one Paraeducator to augment and support teaching and learning. Oxnard School District also has hired a Transitional Kindergarten (TK) Teacher on Special Assignment (TOSA) to support the TK Teacher at Elm St. School. The district will also provide Kindergarten instructional support through the hiring of two Paraeducators to augment and support the teaching and learning.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

Strategy/Activity 5

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All students

Strategy/Activity

Staff will continue implementation and monitoring of Accelerated Reader (AR), MyOn and Lexia programs for use by all students in grades K-5 to access non-fiction and fiction reading material. Lexia is an application focused on reading which provides lessons to support student learning that is funded by the district, so that students can focus on skills they need to target based on the auto placement test. A greater emphasis will be on providing academic incentives to students, so that students stay motivated to meet their AR and Lexia goals.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 6

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All students

Strategy/Activity

Staff will ensure the full implementation of the district adopted Wonders/Maraviillas ELA/SLA/ELD curriculum, My Math mathematics curriculum in order support the CCSS for ELA/SLA/ ELD and mathematics. In grades Kindergarten through fifth grade the implementation of the Dual Language Immersion (DLI) Biliteracy Unit Frameworks (BUF) will be implemented with fidelity. The Special Education team also communicates with the regular education classroom teacher to ensure that our Special Education students are receiving support with CCSS. During IEP meetings we ensure the accommodations and modifications are closely reviewed and adjusted, so that our students receive what they need to be successful.

Proposed Expenditures for this Strategy/Activity

Strategy/Activity 19

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All students

Strategy/Activity

Teachers will attend Conferences in order to promote deeper understanding, uncover new learnings and reinforce existing best practices. Teachers that attended Conferences will present information gained to entire teaching staff at a designated Staff Meeting.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)	Source(s)
3,000.00	LCFF 5800: Professional/Consulting Services And Operating Expenditures Transportation, Hotel & Food
7,000.00	LCFF 5000-5999: Services And Other Operating Expenditures Dues & Membership Fees for Conference

Strategy/Activity 20

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All students: DLI Program

Strategy/Activity

Provide specific DLI training and support for the DLI programs and biliteracy instructional materials implementation via Center for Teaching for Biliteracy. During the 2023-2024, the Oxnard School District has funded a DLI TOSA specifically for Elm St. School. The DLI TOSA will support the implementation of the BUFs and support fidelity to the biliteracy program.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)	Source(s)
	District Funded No additional cost
	District Funded 1000-1999: Certificated Personnel Salaries DLI TOSA

Strategy/Activity 21

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All students

Strategy/Activity

Professional Development opportunities for all teachers in Language Arts, Mathematics, Technology and Science to fully implement curriculum. The Math Manager, Science Instructional Specialist, History/Social Science Specialist, DLI TOSA and Technology TOSA will support teachers in the classroom for full program implementation. Elm St. School is the Academy of Environmental and Life Science & Mathematics, and extra focus and attention will be put in our strand focus to achieve our academic goals via Professional Development in Environmental and Life Science & Mathematics.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)	Source(s)
	District Funded 5000-5999: Services And Other Operating Expenditures Professional development
	District Funded 1000-1999: Certificated Personnel Salaries Technology TOSA
	District Funded 1000-1999: Certificated Personnel Salaries Math Manager
	District Funded 1000-1999: Certificated Personnel Salaries Science Instructional Specialist
	District Funded 1000-1999: Certificated Personnel Salaries History/Social Science Specialist
	District Funded 1000-1999: Certificated Personnel Salaries District DLI TOSA

Strategy/Activity 22

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

English Learners

Strategy/Activity

Provide at minimum, 45 minutes of daily designated ELD for students within all ELPAC levels of Reading, Writing, Listening and Speaking which include high leverage practices to develop language development during first instruction.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

Source(s)

No additional cost

Strategy/Activity 23

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All students: DLI Program

Strategy/Activity

Teaching for Biliteracy Institute will provide support for teachers on the implementation of Biliteracy Unit Frameworks (BUFS) and the implementation of biliteracy strategies via Professional Development though out the academic year.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Annual Review

SPSA Year Reviewed: 2022-23

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required and this section may be deleted.

ANALYSIS

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

Meeting as grade level teams and focusing on the Professional Learning Community cycle of inquiry guides teachers, and the data at Elm St. School confirmed the importance of meeting in Professional Learning communities with fidelity. Teacher collaboration by grade level was provided at least twice a month after-school to be able to collaborate on best teaching practices and monitor student growth with fidelity. Our current STAR 360 data in Early Literacy, Reading and Math reflects the challenges the Elm St. School community has encountered. The Principal will hold a Leadership Team meeting the first Monday of the month followed by a PLC meeting. There will only be two Staff meetings a month and the rest of the Staff Meetings will be dedicated to PLC/grade level meetings. The PLC meetings will focus on reviewing formative and summative assessments in order to make decisions on first instruction and next steps in the Progress Monitoring Process. The PLC meetings will be lead by the Principal and Teachers so that is a collaborative process in order to impact student achievement. During the 2023-24 academic year, two Instructional Support Providers will be hired to continue with Tier 2 intervention. We will also keep the new Oxnard EMPOWERS Strategic Plan which includes the Student Profile at the forefront to ensure we are meeting the needs of the whole child for future success.

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

Our current STAR 360 data in Early Literacy, Reading and Math as well as the CAASPP 2022 data reflects the challenges Elm St. School has ahead, but the Teachers are committed to the challenge ahead. The data reflects that Elm St. School has made minimal academic growth from one year to the next and that we have to take a closer look at the instructional practices that are taking place from year to year. We need to ask ourselves, "Are the instructional practices I am currently

teaching impacting positive academic growth?" We need to take time to reflect on this question and analyze current instructional practices.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

The Instructional Leader has implemented a feedback cycle to visiting classrooms to focus on School-Wide Goals, and the Instructional "Look Fors" in order to give immediate positive feedback. The Instructional Leaders goal is visit each grade level and take anecdotal notes in order to observe daily routines and teaching practices, and provide support and guidance to ensure Common Core State Standards are being taught with fidelity at a rigorous level.

Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

Goal Subject

Social Emotional Support and School Climate

LEA/LCAP Goal

The social-emotional, health and well-being needs of students will be met in a learning environment that is safe, drug-free and conducive to learning.

Goal 2

The social-emotional, health and well-being needs of students will be met in a learning environment that is safe, drug-free and conducive to learning.

Identified Need

To decrease the suspension rate
 To increase positive behavior
 To provide wrap-around services to ensure students come to school ready to learn

Annual Measurable Outcomes

Metric/Indicator	Baseline/Actual Outcome	Expected Outcome
Suspension Rate	School Suspension Rate continues to be less than 1%.	Continue to maintain 1% or lower suspension rate.
Attendance	School Attendance rate was 93%	Work towards a minimum of 95% attendance rate.
Office Discipline Referrals	Office Discipline Referral rates continue to be less than 1%	Continue to maintain 1% or lower office referrals

Complete a copy of the Strategy/Activity table for each of the school's strategies/activities. Duplicate the table, including Proposed Expenditures, as needed.

Strategy/Activity 1

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All students with a Special Focus on the following groups: English Learners and Socio-economically disadvantaged students These two student groups account for over 70% of Elm's student population

Strategy/Activity

School Counselor, Attendance Technician, and Outreach Consultant (ORC) to provide support for students and families in the areas of attendance, community resources and resiliency. Attendance

will be a major focus due to ATSI status of Chronic Absenteeism. Attendance Technician and Outreach Consultant (ORC) will monitor student attendance. One action due to chronic absenteeism will be to implement a positive reinforcement by having the ORC meet with students weekly to do check ins. At the check ins, students will focus on their daily, weekly and monthly goals by tracking their attendance. Positive Reinforcement will be emphasized by providing daily, weekly and monthly incentives. A second action is to provide support to students and families that need extra support via our ORC and Counselor. A third action will be making home visits on a weekly basis to those families if a student is not making their daily, weekly and monthly attendance goals. Home visits have been instrumental in ensuring our students attend school regularly by talking to the families about consistent attendance. School Counselor is instrumental in providing mental health supports, especially after information is gathered during Home Visits.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)	Source(s)
	Centralized Services 2000-2999: Classified Personnel Salaries Classified salary: Outreach Consultant

Strategy/Activity 6

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All students

Strategy/Activity

Review and update Comprehensive Safe School Plan (CSSP) annually with Safety Committee, Elm St. School Staff, SSC & ELAC.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

Source(s)

No additional cost

Strategy/Activity 7

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All students. Extra focus and attention is given to at promise students (at promise students are those students that have the potential to do better, but are struggling), Special Education students, Foster and Homeless student population to ensure wrap around services.

Strategy/Activity

The School Counselor and Outreach Coordinator will provide support to students and families in the early evening hours. We want to ensure that we are able to provide services to students once families get home from work, and are not able to be reached during the normal school hours.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)	Source(s)
500.00	LCFF 1000-1999: Certificated Personnel Salaries Counselor

Strategy/Activity 9

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All students. Extra focus and attention is given to at promise students, Special Education students, Foster and Homeless student population to ensure wrap around services. The data from the Panorama Survey guides the School Counselor to create small groups based on the results.

Strategy/Activity

School Counselor will work with students and families regarding behavior and social-emotional issues, individually and in small groups. Counseling services will be referred to community agencies at the discretion of school counselor. Ventura County Behavioral Health Agency with the staff of Logrando Bienestar/Achieving Well-Being has been an instrumental component to provide services for our Elm St. School Community.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Annual Review

SPSA Year Reviewed: 2022-23

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required and this section may be deleted.

ANALYSIS

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

An extra emphasis has been put on the social emotional well being of our student population due to stressors inside and outside of the school. As a staff we recognize the importance of implementing Community Circles into the classroom, on a regular basis, to address the social emotional needs of all of our students. Community Circles are a positive outlet for students to share their feelings. The social-emotional, health and well-being needs of students has been consistently met though the overall implementation of the strategies/activities on a consistent basis. During the 2022-2023 Academic Year, a Wellness Center has been created in one of the classrooms at Elm St. School. The Wellness Center is a safe space for students to meet with the School Counselor. The School Counselor has implemented Drumming Circles to address the social emotional needs of the students that will continue during the 2023-2024 Academic year.

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

There are no differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal in comparison to the previous year. There is no additional cost.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

The incorporation of the Panorama Survey for Transitional Kindergarten through fifth grade students has provided valuable data. Elm St. School has had a very high percentage of third through fifth grade students participating in the survey because our School Counselor supports the teachers and students. The School Counselor blocks off time to support each classroom. The data collected has been shared with teachers, and our school counselor has created small groups to address the needs of our students based on the data collected from the Panorama Survey. During the 2022-2023 Academic Year, the Panorama Survey was modified to include Transitional Kindergarten. The Panorama Survey will be administered three times throughout the school year, with guidance and support by School Counselor.

Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

Goal Subject

Parent and Family Engagement

LEA/LCAP Goal

Families will be welcomed and afforded meaningful and productive opportunities to participate in their child's academic and social-emotional growth.

Goal 3

Families will be welcomed and afforded meaningful and productive opportunities to participate in their child's academic and social-emotional growth.

Identified Need

To increase communication through websites and blackboard connect messages and new Parent Square Communication System so parents and community are informed about district and school instructional programs and activities
 To facilitate parent involvement in the educational and social-emotional well-being of their children

Annual Measurable Outcomes

Metric/Indicator	Baseline/Actual Outcome	Expected Outcome
Parent Participation in School Sponsored Events	2022-2023 Data: Parent participation in school sponsored events as based on sign-in sheets: Back to School Night 85% ELAC Meetings average attendance was 12 SSC Meetings average attendance was 10 Fall Parent Conferences 90%	Parent participation to family events will increase by 5% as measured by parent sign-in sheets at each sponsored school event.

Complete a copy of the Strategy/Activity table for each of the school's strategies/activities. Duplicate the table, including Proposed Expenditures, as needed.

Strategy/Activity 1

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All students

Strategy/Activity

Update Home-School Compact and Parental Involvement Policy. Share documents with all parent committees and school community.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

Source(s)

[Empty box for Amount(s)]

No additional cost

Strategy/Activity 2

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All students

Strategy/Activity

School Site Council (SSC) and English Language Advisory Committee (ELAC) Parent Members will attend Conferences in order to build parent awareness and knowledge to become fully engaged in their child's school and education and develop deeper leadership skills as community leaders. Families that attended Conferences will present information gained to other families during designated SSC & ELAC meetings. Families of English Language Learners will be invited and encouraged to attend the Ventura County California Association of Bilingual Education (CABE) conference in the Fall and the Spring CABE Conference that will be held in Anaheim Spring 2023. We would also like to invite families to the GATE conference.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

Source(s)

16,000.00

Title III
5000-5999: Services And Other Operating Expenditures
Hotel, Transportation & Food Expenditures

3,000.00

LCFF
5000-5999: Services And Other Operating Expenditures
Hotel, Transportation & Food Expenditures

Strategy/Activity 3

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Fifth Grade Female students

Strategy/Activity

School Counselor will provide information and organize Parent/Guardian & Child classes for fifth grade students. The classes are given by Ventura County Community Health Nurses Organization.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

Source(s)

[Empty box for Amount(s)]

Counselor (see goal 2, action 1)

Strategy/Activity 4

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All students

Strategy/Activity

The school site will provide Ventura County Behavioral Health through Logrando Bienestar/Achieving Well-Being, and provide a series of mental health workshops to parents.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

Source(s)

[Empty box for Amount(s)]

No additional cost

Strategy/Activity 5

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

The main focus was for Fifth grade students and their families

Strategy/Activity

School Counselor and ORC presented A-G parent education information, along with leading hands on STEM activities for families and students.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)	Source(s)
	ORC (see goal 2, action 1)
	Counselor (see goal 2, action 1)

Strategy/Activity 6

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All Students

Strategy/Activity

Provide Snacks & Beverages for ELAC, SSC & Coffee with the Principal

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)	Source(s)
500.00	LCFF 4000-4999: Books And Supplies Snacks & Beverages

Strategy/Activity 7

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All students with an emphasis on English Language Learners via ELAC.

Strategy/Activity

Family involvement and opportunities to provide input will be provided through School Site Council (SSC) and English Language Advisory Committee (ELAC) meetings.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s) Source(s)

Strategy/Activity 8

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All students

Strategy/Activity

PTA parent involvement in planning and executing school activities and events will be provided and encouraged. PTA has committed to providing funding for fieldtrips that are tied to Biliteracy Unity Frameworks and Common Core State Standards.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s) Source(s)

No additional cost

Strategy/Activity 9

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All students

Strategy/Activity

Use of the Blackboard Connect phone calling system and new Parent Square Communication System, written home notices, school marquee, school website, and Class Dojo account regularly for school notifications to communicate with Elm St. School families.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s) Source(s)

No additional cost

Strategy/Activity 10

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All students

Strategy/Activity

Translators made available for Back to School Night, parent-teacher conferences or any parent meeting. Translation will include Spanish and Mixteco Interpretations.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Annual Review

SPSA Year Reviewed: 2022-23

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required and this section may be deleted.

ANALYSIS

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

Families will be welcomed and afforded meaningful and productive opportunities to participate in their child's academic and social-emotional growth which has been consistently met through the overall implementation of the strategies/activities on a consistent basis. The strategies/activities from the 2022-2023 academic year will continue during the 2023-2024 academic year to achieve the articulated goals with a few changes.

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

There are no differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal in comparison to the previous year. There is no additional cost.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

There are no changes that have been made to this goal other than now being able to connect with families virtually as an option to hold IEP, MTSS/SST Meetings and Parent Teacher Conference.

Budget Summary

Complete the table below. Schools may include additional information. Adjust the table as needed. The Budget Summary is required for schools funded through the ConApp, and/or that receive funds from the LEA for Comprehensive Support and Improvement (CSI).

Budget Summary

Description	Amount
Total Funds Provided to the School Through the Consolidated Application	\$82,672.00
Total Federal Funds Provided to the School from the LEA for CSI	\$0
Total Funds Budgeted for Strategies to Meet the Goals in the SPSA	\$191,124.00

Other Federal, State, and Local Funds

List the additional Federal programs that the school is including in the schoolwide program. Adjust the table as needed. If the school is not operating a Title I schoolwide program this section is not applicable and may be deleted.

Federal Programs	Amount (\$)
Title I	\$50,894.00
Title III	\$32,481.00

Subtotal of additional federal funds included for this school: \$83,375.00

List the State and local programs that the school is including in the schoolwide program. Duplicate the table as needed.

State or Local Programs	Amount (\$)
	\$353.00
LCFF	\$78,145.00
LCFF - Intervention	\$29,251.00

Subtotal of state or local funds included for this school: \$107,749.00

Total of federal, state, and/or local funds for this school: \$191,124.00

Budgeted Funds and Expenditures in this Plan

The tables below are provided to help the school track expenditures as they relate to funds budgeted to the school.

Funds Budgeted to the School by Funding Source

Funding Source	Amount	Balance
Title I	50,894.00	0.00
Title III	32,481.00	0.00
LCFF	78,145.00	0.00
LCFF - Intervention	29,251.00	0.00

Expenditures by Funding Source

Funding Source	Amount
	353.00
LCFF	78,145.00
LCFF - Intervention	29,251.00
Title I	50,894.00
Title III	32,481.00

Expenditures by Budget Reference and Funding Source

Budget Reference	Funding Source	Amount
		353.00
1000-1999: Certificated Personnel Salaries	LCFF	7,934.00
2000-2999: Classified Personnel Salaries	LCFF	12,648.00
3000-3999: Employee Benefits	LCFF	583.00
4000-4999: Books And Supplies	LCFF	29,880.00
5000-5999: Services And Other Operating Expenditures	LCFF	12,000.00
5700-5799: Transfers Of Direct Costs	LCFF	3,000.00
5800: Professional/Consulting Services And Operating Expenditures	LCFF	12,000.00

5900: Communications	LCFF	100.00
1000-1999: Certificated Personnel Salaries	LCFF - Intervention	23,814.00
3000-3999: Employee Benefits	LCFF - Intervention	5,437.00
1000-1999: Certificated Personnel Salaries	Title I	35,814.00
2000-2999: Classified Personnel Salaries	Title I	677.00
3000-3999: Employee Benefits	Title I	8,177.00
4000-4999: Books And Supplies	Title I	226.00
5700-5799: Transfers Of Direct Costs	Title I	3,000.00
5800: Professional/Consulting Services And Operating Expenditures	Title I	3,000.00
1000-1999: Certificated Personnel Salaries	Title III	7,370.00
2000-2999: Classified Personnel Salaries	Title III	2,000.00
3000-3999: Employee Benefits	Title III	706.00
4000-4999: Books And Supplies	Title III	6,405.00
5000-5999: Services And Other Operating Expenditures	Title III	16,000.00

Expenditures by Goal

Goal Number	Total Expenditures
Goal 1	145,883.00
Goal 2	16,116.00
Goal 3	29,125.00

School Site Council Membership

California Education Code describes the required composition of the School Site Council (SSC). The SSC shall be composed of the principal and representatives of: teachers selected by teachers at the school; other school personnel selected by other school personnel at the school; parents of pupils attending the school selected by such parents; and, in secondary schools, pupils selected by pupils attending the school. The current make-up of the SSC is as follows:

- 1 School Principal
- 3 Classroom Teachers
- 1 Other School Staff
- 5 Parent or Community Members
- 0 Secondary Students

Name of Members	Role
Rosario V. Almanza	Principal
Erica Cahue, Vice President	Classroom Teacher
Praxedes Manriquez, Parliamentarian	Classroom Teacher
Ivette Zendejas	Classroom Teacher
Perla Macias, Secretary	Other School Staff
Bertha Martinez	Parent or Community Member
Mirna Rojas, President	Parent or Community Member
Alberto Martinez	Parent or Community Member
Maria Alvarez	Parent or Community Member
Janeth Ramirez	Parent or Community Member

At elementary schools, the school site council must be constituted to ensure parity between (a) the principal, classroom teachers, and other school personnel, and (b) parents of students attending the school or other community members. Classroom teachers must comprise a majority of persons represented under section (a). At secondary schools there must be, in addition, equal numbers of parents or other community members selected by parents, and students. Members must be selected by their peer group.

Recommendations and Assurances

The School Site Council (SSC) recommends this school plan and proposed expenditures to the district governing board for approval and assures the board of the following:

The SSC is correctly constituted and was formed in accordance with district governing board policy and state law.

The SSC reviewed its responsibilities under state law and district governing board policies, including those board policies relating to material changes in the School Plan for Student Achievement (SPSA) requiring board approval.

The SSC sought and considered all recommendations from the following groups or committees before adopting this plan:

Signature

Committee or Advisory Group Name

School Site Council

English Learner Advisory Committee

The SSC reviewed the content requirements for school plans of programs included in this SPSA and believes all such content requirements have been met, including those found in district governing board policies and in the local educational agency plan.

This SPSA is based on a thorough analysis of student academic performance. The actions proposed herein form a sound, comprehensive, coordinated plan to reach stated school goals to improve student academic performance.

This SPSA was adopted by the SSC at a public meeting on May 22, 2023.

Instructions

The School Plan for Student Achievement (SPSA) is a strategic plan that maximizes the resources available to the school while minimizing duplication of effort with the ultimate goal of increasing student achievement. SPSA development should be aligned with and inform the Local Control and Accountability Plan process.

The SPSA consolidates all school-level planning efforts into one plan for programs funded through the consolidated application (ConApp), and for federal school improvement programs, including schoolwide programs, Comprehensive Support and Improvement (CSI), Targeted Support and Improvement (TSI), and Additional Targeted Support and Improvement (ATSI), pursuant to California Education Code (EC) Section 64001 and the Elementary and Secondary Education Act as amended by the Every Student Succeeds Act (ESSA). This template is designed to meet schoolwide program planning requirements. It also notes how to meet CSI, TSI, or ATSI requirements, as applicable.

California's ESSA State Plan supports the state's approach to improving student group performance through the utilization of federal resources. Schools use the SPSA to document their approach to maximizing the impact of federal investments in support of underserved students. The implementation of ESSA in California presents an opportunity for schools to innovate with their federally-funded programs and align them with the priority goals of the school and the LEA that are being realized under the state's Local Control Funding Formula (LCFF).

The LCFF provides schools and LEAs flexibility to design programs and provide services that meet the needs of students in order to achieve readiness for college, career, and lifelong learning. The SPSA planning process supports continuous cycles of action, reflection, and improvement. Consistent with EC 65001, the Schoolsite Council (SSC) is required to develop and annually review the SPSA, establish an annual budget, and make modifications to the plan that reflect changing needs and priorities, as applicable.

For questions related to specific sections of the template, please see instructions below:

Instructions: Linked Table of Contents

The SPSA template meets the requirements of schoolwide planning (SWP). Each section also contains a notation of how to meet CSI, TSI, or ATSI requirements.

For additional questions or technical assistance related to LEA and school planning, please contact the Local Agency Systems Support Office, at LCFF@cde.ca.gov.

For programmatic or policy questions regarding Title I schoolwide planning, please contact the local educational agency, or the CDE’s Title I Policy and Program Guidance Office at TITLEI@cde.ca.gov.

For questions or technical assistance related to meeting federal school improvement planning requirements (for CSI, TSI, and ATSI), please contact the CDE’s School Improvement and Support Office at SISO@cde.ca.gov.

Purpose and Description

Schools identified for Comprehensive Support and Improvement (CSI), Targeted Support and Improvement (TSI), or Additional Targeted Support and Improvement (ATSI) must respond to the following prompts. A school that has not been identified for CSI, TSI, or ATSI may delete the Purpose and Description prompts.

Purpose

Briefly describe the purpose of this plan by selecting from Schoolwide Program, Comprehensive Support and Improvement, Targeted Support and Improvement, or Additional Targeted Support and Improvement)

Description

Briefly describe the school’s plan for effectively meeting ESSA requirements in alignment with the Local Control and Accountability Plan and other federal, state, and local programs.

Educational Partner Involvement

Meaningful involvement of parents, students, and other stakeholders is critical to the development of the SPSA and the budget process. Schools must share the SPSA with school site-level advisory groups, as applicable (e.g., English Learner Advisory committee, student advisory groups, tribes and tribal organizations present in the community, as appropriate, etc.) and seek input from these advisory groups in the development of the SPSA.

The Stakeholder Engagement process is an ongoing, annual process. Describe the process used to involve advisory committees, parents, students, school faculty and staff, and the community in the development of the SPSA and the annual review and update.

[This section meets the requirements for TSI and ATSI.]

[When completing this section for CSI, the LEA shall partner with the school in the development and implementation of this plan.]

Resource Inequities

Schools eligible for CSI or ATSI must identify resource inequities, which may include a review of LEA- and school-level budgeting as a part of the required needs assessment. Identified resource inequities must be addressed through implementation of the CSI or ATSI plan. Briefly identify and describe any resource inequities identified as a result of the required needs assessment and summarize how the identified resource inequities are addressed in the SPSA.

[This section meets the requirements for CSI and ATSI. If the school is not identified for CSI or ATSI this section is not applicable and may be deleted.]

Goals, Strategies, Expenditures, & Annual Review

In this section a school provides a description of the annual goals to be achieved by the school. This section also includes descriptions of the specific planned strategies/activities a school will take to meet the identified goals, and a description of the expenditures required to implement the specific strategies and activities.

Goal

State the goal. A goal is a broad statement that describes the desired result to which all strategies/activities are directed. A goal answers the question: What is the school seeking to achieve?

It can be helpful to use a framework for writing goals such as the S.M.A.R.T. approach. A S.M.A.R.T. goal is one that is **S**pecific, **M**asurable, **A**chievable, **R**ealistic, and **T**ime-bound. A level of specificity is needed in order to measure performance relative to the goal as well as to assess whether it is reasonably achievable. Including time constraints, such as milestone dates, ensures a realistic approach that supports student success.

A school may number the goals using the “Goal #” for ease of reference.

[When completing this section for CSI, TSI, and ATSI, improvement goals shall align to the goals, actions, and services in the LEA LCAP.]

Identified Need

Describe the basis for establishing the goal. The goal should be based upon an analysis of verifiable state data, including local and state indicator data from the California School Dashboard (Dashboard) and data from the School Accountability Report Card, including local data voluntarily collected by districts to measure pupil achievement.

[Completing this section fully addresses all relevant federal planning requirements]

Annual Measurable Outcomes

Identify the metric(s) and/or state indicator(s) that the school will use as a means of evaluating progress toward accomplishing the goal. A school may identify metrics for specific student groups. Include in the baseline column the most recent data associated with the metric or indicator available at the time of adoption of the SPSA. The most recent data associated with a metric or indicator includes data reported in the annual update of the SPSA. In the subsequent Expected Outcome column, identify the progress the school intends to make in the coming year.

[When completing this section for CSI the school must include school-level metrics related to the metrics that led to the school’s identification.]

[When completing this section for TSI/ATSI the school must include metrics related to the specific student group(s) that led to the school’s identification.]

Strategies/Activities

Describe the strategies and activities being provided to meet the described goal. A school may number the strategy/activity using the “Strategy/Activity #” for ease of reference.

Planned strategies/activities address the findings of the needs assessment consistent with state priorities and resource inequities, which may have been identified through a review of the local educational agency’s budgeting, its local control and accountability plan, and school-level budgeting, if applicable.

[When completing this section for CSI, TSI, and ATSI, this plan shall include evidence-based interventions and align to the goals, actions, and services in the LEA LCAP.]

[When completing this section for CSI and ATSI, this plan shall address through implementation, identified resource inequities, which may have been identified through a review of LEA- and school-level budgeting.]

Students to be Served by this Strategy/Activity

Indicate in this box which students will benefit from the strategies/activities by indicating “All Students” or listing one or more specific student group(s) to be served.

[This section meets the requirements for CSI.]

[When completing this section for TSI and ATSI, at a minimum, the student groups to be served shall include the student groups that are consistently underperforming, for which the school received the TSI or ATSI designation. For TSI, a school may focus on all students or the student group(s) that led to identification based on the evidence-based interventions selected.]

Proposed Expenditures for this Strategy/Activity

For each strategy/activity, list the amount(s) and funding source(s) for the proposed expenditures for the school year to implement these strategies/activities. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal, identify the Title and Part, as applicable), Other State, and/or Local.

Proposed expenditures that are included more than once in a SPSA should be indicated as a duplicated expenditure and include a reference to the goal and strategy/activity where the expenditure first appears in the SPSA. Pursuant to Education Code, Section 64001(g)(3)(C), proposed expenditures, based on the projected resource allocation from the governing board or governing body of the LEA, to address the findings of the needs assessment consistent with the state priorities including identifying resource inequities which may include a review of the LEA’s budgeting, its LCAP, and school-level budgeting, if applicable.

[This section meets the requirements for CSI, TSI, and ATSI.]

[NOTE: Federal funds for CSI shall not be used in schools identified for TSI or ATSI. In addition, funds for CSI shall not be used to hire additional permanent staff.]

Annual Review

In the following Analysis prompts, identify any material differences between what was planned and what actually occurred as well as significant changes in strategies/activities and/ or expenditures from the prior year. This annual review and analysis should be the basis for decision-making and updates to the plan.

Analysis

Using actual outcome data, including state indicator data from the Dashboard, analyze whether the planned strategies/activities were effective in achieving the goal. Respond to the prompts as instructed. Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal the Annual Review section is not required and this section may be deleted.

- Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.
- Briefly describe any major differences between either/or the intended implementation or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.
- Describe any changes that will be made to the goal, expected annual measurable outcomes, metrics/indicators, or strategies/activities to achieve this goal as a result of this analysis and analysis of the data provided in the Dashboard, as applicable. Identify where those changes can be found in the SPSA.

[When completing this section for CSI, TSI, or ATSI, any changes made to the goals, annual measurable outcomes, metrics/indicators, or strategies/activities, shall meet the CSI, TSI, or ATSI planning requirements. CSI, TSI, and ATSI planning requirements are listed under each section of the Instructions. For example, as a result of the Annual Review and Update, if changes are made to a goal(s), see the Goal section for CSI, TSI, and ATSI planning requirements.]

Budget Summary

In this section a school provides a brief summary of the funding allocated to the school through the ConApp and/or other funding sources as well as the total amount of funds for proposed expenditures described in the SPSA. The Budget Summary is required for schools funded through the ConApp and that receive federal funds for CSI. If the school is not operating a Title I schoolwide program this section is not applicable and may be deleted.

From its total allocation for CSI, the LEA may distribute funds across its schools that meet the criteria for CSI to support implementation of this plan. In addition, the LEA may retain a portion of its total allocation to support LEA-level expenditures that are directly related to serving schools eligible for CSI.

Budget Summary

A school receiving funds allocated through the ConApp should complete the Budget Summary as follows:

- Total Funds Provided to the School Through the Consolidated Application: This amount is the total amount of funding provided to the school through the ConApp for the school year. The school year means the fiscal year for which a SPSA is adopted or updated.
- Total Funds Budgeted for Strategies to Meet the Goals in the SPSA: This amount is the total of the proposed expenditures from all sources of funds associated with the strategies/activities reflected in the SPSA. To the extent strategies/activities and/or proposed expenditures are listed in the SPSA under more than one goal, the expenditures should be counted only once.

A school receiving federal funds for CSI should complete the Budget Summary as follows:

- Total Federal Funds Provided to the School from the LEA for CSI: This amount is the total amount of funding provided to the school from the LEA.

[NOTE: Federal funds for CSI shall not be used in schools eligible for TSI or ATSI. In addition, funds for CSI shall not be used to hire additional permanent staff.]

Appendix A: Plan Requirements

Schoolwide Program Requirements

This School Plan for Student Achievement (SPSA) template meets the requirements of a schoolwide program plan. The requirements below are for planning reference.

A school that operates a schoolwide program and receives funds allocated through the ConApp is required to develop a SPSA. The SPSA, including proposed expenditures of funds allocated to the school through the ConApp, must be reviewed annually and updated by the SSC. The content of a SPSA must be aligned with school goals for improving student achievement.

Requirements for Development of the Plan

- I. The development of the SPSA shall include both of the following actions:
 - A. Administration of a comprehensive needs assessment that forms the basis of the school's goals contained in the SPSA.
 1. The comprehensive needs assessment of the entire school shall:
 - a. Include an analysis of verifiable state data, consistent with all state priorities as noted in Sections 52060 and 52066, and informed by all indicators described in Section 1111(c)(4)(B) of the federal Every Student Succeeds Act, including pupil performance against state-determined long-term goals. The school may include data voluntarily developed by districts to measure pupil outcomes (described in the Identified Need); and
 - b. Be based on academic achievement information about all students in the school, including all groups under §200.13(b)(7) and migratory children as defined in section 1309(2) of the ESEA, relative to the State's academic standards under §200.1 to—
 - i. Help the school understand the subjects and skills for which teaching and learning need to be improved; and
 - ii. Identify the specific academic needs of students and groups of students who are not yet achieving the State's academic standards; and
 - iii. Assess the needs of the school relative to each of the components of the schoolwide program under §200.28.
 - iv. Develop the comprehensive needs assessment with the participation of individuals who will carry out the schoolwide program plan.
 - v. Document how it conducted the needs assessment, the results it obtained, and the conclusions it drew from those results.
 - B. Identification of the process for evaluating and monitoring the implementation of the SPSA and progress towards accomplishing the goals set forth in the SPSA (described in the Expected Annual Measurable Outcomes and Annual Review and Update).

Requirements for the Plan

- II. The SPSA shall include the following:
 - A. Goals set to improve pupil outcomes, including addressing the needs of student groups as identified through the needs assessment.

- B. Evidence-based strategies, actions, or services (described in Strategies and Activities)
1. A description of the strategies that the school will be implementing to address school needs, including a description of how such strategies will--
 - a. provide opportunities for all children including each of the subgroups of students to meet the challenging state academic standards
 - b. use methods and instructional strategies that:
 - i. strengthen the academic program in the school,
 - ii. increase the amount and quality of learning time, and
 - iii. provide an enriched and accelerated curriculum, which may include programs, activities, and courses necessary to provide a well-rounded education.
 - c. Address the needs of all children in the school, but particularly the needs of those at risk of not meeting the challenging State academic standards, so that all students demonstrate at least proficiency on the State's academic standards through activities which may include:
 - i. strategies to improve students' skills outside the academic subject areas;
 - ii. preparation for and awareness of opportunities for postsecondary education and the workforce;
 - iii. implementation of a schoolwide tiered model to prevent and address problem behavior;
 - iv. professional development and other activities for teachers, paraprofessionals, and other school personnel to improve instruction and use of data; and
 - v. strategies for assisting preschool children in the transition from early childhood education programs to local elementary school programs.
- C. Proposed expenditures, based on the projected resource allocation from the governing board or body of the local educational agency (may include funds allocated via the ConApp, federal funds for CSI, any other state or local funds allocated to the school), to address the findings of the needs assessment consistent with the state priorities, including identifying resource inequities, which may include a review of the LEAs budgeting, it's LCAP, and school-level budgeting, if applicable (described in Proposed Expenditures and Budget Summary). Employees of the schoolwide program may be deemed funded by a single cost objective.
- D. A description of how the school will determine if school needs have been met (described in the Expected Annual Measurable Outcomes and the Annual Review and Update).
1. Annually evaluate the implementation of, and results achieved by, the schoolwide program, using data from the State's annual assessments and other indicators of academic achievement;
 2. Determine whether the schoolwide program has been effective in increasing the achievement of students in meeting the State's academic standards, particularly for those students who had been furthest from achieving the standards; and
 3. Revise the plan, as necessary, based on the results of the evaluation, to ensure continuous improvement of students in the schoolwide program.

- E. A description of how the school will ensure parental involvement in the planning, review, and improvement of the schoolwide program plan (described in Educational Partner Involvement and/or Strategies/Activities).
- F. A description of the activities the school will include to ensure that students who experience difficulty attaining proficient or advanced levels of academic achievement standards will be provided with effective, timely additional support, including measures to
 - 1. Ensure that those students' difficulties are identified on a timely basis; and
 - 2. Provide sufficient information on which to base effective assistance to those students.
- G. For an elementary school, a description of how the school will assist preschool students in the successful transition from early childhood programs to the school.
- H. A description of how the school will use resources to carry out these components (described in the Proposed Expenditures for Strategies/Activities).
- I. A description of any other activities and objectives as established by the SSC (described in the Strategies/Activities).

Authority Cited: S Title 34 of the Code of Federal Regulations (34 CFR), sections 200.25-26, and 200.29, and sections-1114(b)(7)(A)(i)-(iii) and 1118(b) of the ESEA. EC sections 6400 et. seq.

Appendix B:

Plan Requirements for School to Meet Federal School Improvement Planning Requirements

For questions or technical assistance related to meeting Federal School Improvement Planning Requirements, please contact the CDE's School Improvement and Support Office at SISO@cde.ca.gov.

Comprehensive Support and Improvement

The LEA shall partner with stakeholders (including principals and other school leaders, teachers, and parents) to locally develop and implement the CSI plan for the school to improve student outcomes, and specifically address the metrics that led to eligibility for CSI (Educational Partner Involvement).

The CSI plan shall:

1. Be informed by all state indicators, including student performance against state-determined long-term goals (Goal, Identified Need, Expected Annual Measurable Outcomes, Annual Review and Update, as applicable);
2. Include evidence-based interventions (Strategies/Activities, Annual Review and Update, as applicable) (For resources related to evidence-based interventions, see the U.S. Department of Education's "Using Evidence to Strengthen Education Investments" at <https://www2.ed.gov/policy/elsec/leg/essa/guidanceuseseseinvestment.pdf>);
3. Be based on a school-level needs assessment (Goal, Identified Need, Expected Annual Measurable Outcomes, Annual Review and Update, as applicable); and
4. Identify resource inequities, which may include a review of LEA- and school-level budgeting, to be addressed through implementation of the CSI plan (Goal, Identified Need, Expected Annual Measurable Outcomes, Planned Strategies/Activities; and Annual Review and Update, as applicable).

Authority Cited: Sections 1003(e)(1)(A), 1003(i), 1111(c)(4)(B), and 1111(d)(1) of the ESSA.

Targeted Support and Improvement

In partnership with stakeholders (including principals and other school leaders, teachers, and parents) the school shall develop and implement a school-level TSI plan to improve student outcomes for each subgroup of students that was the subject of identification (Educational Partner Involvement).

The TSI plan shall:

1. Be informed by all state indicators, including student performance against state-determined long-term goals (Goal, Identified Need, Expected Annual Measurable Outcomes, Annual Review and Update, as applicable); and
2. Include evidence-based interventions (Planned Strategies/Activities, Annual Review and Update, as applicable). (For resources related to evidence-based interventions, see the U.S. Department of Education's "Using Evidence to Strengthen Education Investments" <https://www2.ed.gov/policy/elsec/leg/essa/guidanceuseseseinvestment.pdf>.)

Authority Cited: Sections 1003(e)(1)(B), 1003(i), 1111(c)(4)(B) and 1111(d)(2) of the ESSA.

Additional Targeted Support and Improvement

A school identified for ATSI shall:

1. Identify resource inequities, which may include a review of LEA- and school-level budgeting, which will be addressed through implementation of its TSI plan (Goal, Identified Need, Expected Annual Measurable Outcomes, Planned Strategies/Activities, and Annual Review and Update, as applicable).

Authority Cited: Sections 1003(e)(1)(B), 1003(i), 1111(c)(4)(B), and 1111(d)(2)(c) of the ESSA.

Single School Districts and Charter Schools Identified for School Improvement

Single school districts (SSDs) or charter schools that are identified for CSI, TSI, or ATSI, shall develop a SPSA that addresses the applicable requirements above as a condition of receiving funds (EC Section 64001[a] as amended by Assembly Bill [AB] 716, effective January 1, 2019).

However, a SSD or a charter school may streamline the process by combining state and federal requirements into one document which may include the local control and accountability plan (LCAP) and all federal planning requirements, provided that the combined plan is able to demonstrate that the legal requirements for each of the plans is met (EC Section 52062[a] as amended by AB 716, effective January 1, 2019).

Planning requirements for single school districts and charter schools choosing to exercise this option are available in the LCAP Instructions.

Authority Cited: EC sections 52062(a) and 64001(a), both as amended by AB 716, effective January 1, 2019.

Appendix C: Select State and Federal Programs

For a list of active programs, please see the following links:

Programs included on the Consolidated Application: <https://www.cde.ca.gov/fg/aa/co/>

ESSA Title I, Part A: School Improvement: <https://www.cde.ca.gov/sp/sw/t1/schoolsupport.asp>

Available Funding: <https://www.cde.ca.gov/fg/fo/af/>

Developed by the California Department of Education, January 2019

School Plan for Student Achievement (SPSA) Template

Instructions and requirements for completing the SPSA template may be found in the SPSA Template Instructions.

School Name	County-District-School (CDS) Code	Schoolsite Council (SSC) Approval Date	Local Board Approval Date
Robert J. Frank Academy of Marine Science and Engineering	56725386111850	June 5, 2023	August 23, 2023

Purpose and Description

Briefly describe the purpose of this plan (Select from Schoolwide Program, Comprehensive Support and Improvement, Targeted Support and Improvement, or Additional Targeted Support and Improvement)

Additional Targeted Support and Improvement

R.J. Frank Academy is in ATSI status as we have one or more student groups that, for two consecutive years, met the criteria applied to determine at least the lowest performing 5 percent of Title I funded schools. For Frank, the low indicators include ELA, Math, and Suspension Rate for various student groups: homeless and students with disabilities.

Briefly describe the school's plan for effectively meeting the ESSA requirements in alignment with the Local Control and Accountability Plan and other federal, state, and local programs.

As described within our Vision and Mission Statement, Frank Academy is committed to providing the best educational program possible for our students. Our vision of developing tomorrow's leaders through education, empowerment, and inspiration is what we strive to do on a daily basis. At Frank, our mission is to prepare students to be academically competitive and socially competent. This includes promoting life skills such as global thinking, persistence and grit, innovation, and problem solving. When students matriculate from Frank Academy, and the Oxnard School District, we expect them to be self-confident, empowered multilingual global citizens that are focused on their future and can identify their potential as an individual and community member. For our students, we want to celebrate their courage, their willingness to undertake new challenges and the skills they acquire during the educational process.

Our goal is to ignite students' passions for learning and empower them to achieve brilliance. Our focus for this is to transform our classroom and school expectations, relationships, and practices to more fully align with our values and our student profile. We will look to embrace high-leverage services and instructional practices through: Common Core Standards; best first-instruction; use of technology; differentiated instruction; social, emotional and behavior support; and community engagement to develop a deep understanding of meaning and application to learning. The overall structure of this plan, from an academic perspective, revolves around creating systems that allow for increased collective self-efficacy for teachers, collaboration, content knowledge, pedagogy, equity, and culturally-responsive teaching and focuses on the key characteristics or traits of a successful student as identified in our student profile to improve outcomes for our students. For the 2023-2024 school year, RJ Frank has been identified for Additional Targeted Support and Improvement (ATSI) for specific student groups: homeless and students with disabilities. Our focus combined with the aforementioned above is to embrace those pedagogical practices and evidence-based strategies to support these identified groups in the areas of English Language Arts and Mathematics.

While academic excellence is our focus, we also encourage and teach character education and leadership in a safe and affirming environment. We recognize that this is essential to our diverse students full affective, academic/cognitive, linguistic, social-emotional, and creative development. Emphasis is placed on students' social-emotional learning and needs that can impact and affect their education. We offer Social-Emotional Learning (SEL) support via our school counselors, outreach specialist, and mainly our Wellness Center that we opened up and embraced this past school year. In order for students to achieve their fullest potential, we know that parental involvement is a critical factor to ensure students' educational success. Our English Learner Advisory Committee (ELAC), Parent Teacher Organization (PTO), and School Site Council (SSC), in coordination with our Outreach Coordinator, offer and encourage parents to become active participants in their children's education by participating in the meaningful and productive opportunities offered. The school's Parent Involvement Policy provides clear guidelines for parents to serve as volunteers in classroom

and school activities. Our Back to School Night, Open House in the Spring, ELAC, and SSC meetings, further support and foster meaningful and productive parental opportunities to participate in their child's academic and social-emotional growth. By achieving high academic standards across all content areas, supporting the social-emotional growth of our students in a safe, positive learning environment, and strengthening our home-school partnerships to increase parental involvement, R.J. Frank Academy will meet the goals identified within this School Plan for Student Achievement.

Comprehensive Needs Assessment Components

Data Analysis

Please refer to the School and Student Performance Data section where an analysis is provided.

Classroom Observations

This section provides a description of types and frequency of classroom observations conducted during the school-year and a summary of findings.

Classroom observations were conducted throughout the year both formally and informally. Administrators would work in two-week cycles to visit a specific set of classrooms and/or content areas/grade levels. Based on classroom observations, the needs of EL Learners and Math instruction should continue to be a focus for this school year. In Math, observations highlighted the need for higher levels of depth of knowledge, critical thinking, and activities/practice that resembles both CAASPP tests and the state standards. More collaboration and intentional planning are required so the instruction matches the standards. One finding includes the need to have more informal checks for understanding and evaluation of student learning. Classroom observations revealed the need for teachers to have more meaningful opportunities to collaborate and constantly participate in the cycle of inquiry related to the Common Core State Standards and other relevant data points such as Star assessment data to refine best first instruction and find new efficiencies in the curriculum that are critical to drive instruction. For English Learners, differentiation was identified as an area that needs focus. As a school, we have begun to explore ways to utilize technology, class size, and collaboration to differentiate lessons and focus on smaller groups for short amounts of time in class and provide scaffolded support to students.

Analysis of Current Instructional Program

The following statements are derived from the Elementary and Secondary Education Act (ESEA) of 1965 and Essential Program Components (EPCs). In conjunction with the needs assessments, these categories may be used to discuss and develop critical findings that characterize current instructional practice for numerically significant subgroups as well as individual students who are:

- Not meeting performance goals
- Meeting performance goals
- Exceeding performance goals

Discussion of each of these statements should result in succinct and focused findings based on verifiable facts. Avoid vague or general descriptions. Each successive school plan should examine the status of these findings and note progress made. Special consideration should be given to any practices, policies, or procedures found to be noncompliant through ongoing monitoring of categorical programs.

Standards, Assessment, and Accountability

Use of state and local assessments to modify instruction and improve student achievement (ESEA)

Local and school assessments indicate the need is still there to improve instruction in the areas of ELA and Math, specifically with English Learners and Special Education. English Learners and Students with Special Needs are our lowest performers on local and state tests. Along with CAASPP, other state and local assessments utilized to modify and improve instruction include Star for both Reading and Math as well as IABs, Writing Prompts, and, at a site-level, Common Formative Assessments (CFAs) within departments. Star data is used to determine reading levels and math proficiency, and monitor student progress, strategic grouping, and differentiation by the teacher. Data from Star and site-level CFAs show a greater need to unpack standards and ensure assessments and lessons align with state standards. Data from both Star and CAASPP is consistently utilized within departments to understanding student mastery of given standards and what concepts require re-teaching in class.

Use of data to monitor student progress on curriculum-embedded assessments and modify instruction (EPC)

The school and district use an assessment calendar with expectations for assessment. Frequent administration of specific assessments such as Star Reading and Math allow the school to adequately monitor student progress. Curriculum-embedded assessments from Study Sync and CMP3 Math can be used for diagnostic purposes and to identify needed interventions. The school also will utilize Desmos and OpenSource for math this year. School wide, we utilize common formative assessments and cycles of inquiry in Professional Learning Communities (PLCs) to gather data and monitor progress. These forms of assessment provide meaningful sources of information for teachers. They, in turn, use this information to identify what the student's comprehension level is and areas of need. This year, administrators are meeting frequently with teachers to hold academic progress monitoring meetings to discuss assessments and the impact on student learning. Data from assessments provides valuable information on the desired learning goals. Learning goals and instruction are then modified to meet and accommodate the differences in students' learning styles and intelligences.

Staffing and Professional Development

Status of meeting requirements for highly qualified staff (ESEA)

The district ensures that that all site staff meets requirements to be considered "highly qualified." This is monitored by the district's Human Resources Department.

Sufficiency of credentialed teachers and teacher professional development (e.g., access to instructional materials training on SBE-adopted instructional materials) (EPC)

Incoming teachers are appropriately credentialed and provided with various forms of support. New Teacher Orientation is offered which includes District expectations and procedures, training on current curricular materials and programs and tips on classroom management. The district works with the Ventura County Office of Education to provide Induction for new teachers. Professional development is always offered when new materials are adopted. Follow up training is available to continue to support the use of the materials.

Alignment of staff development to content standards, assessed student performance, and professional needs (ESEA)

Professional development is provided at the site and district level to ensure that instruction is aligned to current Common Core State Standards. There is a district assessment calendar to ensure that student progress is sufficiently monitored throughout the year. Professional development and support is provided on the assessment system and the specific types of assessments. Structures are in place at school sites to allow teachers to analyze data in collaborative groups in order to identify student needs and adjust instruction accordingly.

Ongoing instructional assistance and support for teachers (e.g., use of content experts and instructional coaches) (EPC)

The Educational Services Department includes Directors, Managers and TOSAs (Teachers on Special Assignment) who provide support for Curriculum, Instruction, Assessment, Accountability, Biliteracy Programs, Special Education, Special Programs, Pupil Services, Educational Technology and Equity and Family and Community Engagement. Site administration also functions as instructional leaders. Our regular school year calendar was revised to include three additional professional development days for all teachers (2 in the summer before school starts and 1 in the fall). Professional development was provided in the following areas: instructional content, planning for DLI instruction, culturally responsive grading and equity, special education assessment and TK instruction.

Teacher collaboration by grade level (kindergarten through grade eight [K–8]) and department (grades nine through twelve) (EPC)

Teacher collaboration is set for the school year at the beginning of each year. There is specific time set aside each week for either department PLCs or all staff collaboration. Teachers meet in PLC Departments to review data and work on a focus question based on the cycle of inquiry to help drive instruction. Teachers also look at present levels of performance of students in their class and map out time in collaboration (on Wednesdays) to adjust units/lessons as needed to ensure the standards are being taught in a clear, intentional method that is student focused. Teachers share data and identify areas for intervention. Teachers are also afforded meaningful opportunities to participate in site-based Professional Development workshops on Tuesdays or other days indicated by the calendar. Topics for mini workshops include AVID strategies, SMART Goals, Classroom Management, Star assessments, Depth of Knowledge, SEL, and scaffolds and supports in classroom instruction.

Teaching and Learning

Alignment of curriculum, instruction, and materials to content and performance standards (ESEA)

Using the PLC (Professional Learning Communities) model, we work collaboratively to support the use of instructional strategies aligned to current CA Common Core State Standards. The state adopted and approved curricular materials support instruction.

Adherence to recommended instructional minutes for reading/language arts and mathematics (K–8) (EPC)

Instructional minutes are monitored by the Business Services office. All school schedules adhere to the guidelines governing recommended instructional minutes.

Lesson pacing schedule (K–8) and master schedule flexibility for sufficient numbers of intervention courses (EPC)

The district assessment calendar and adopted curricula provide guidance on lesson pacing. Student needs are determined by data analysis. Courses are scheduled based on these student needs.

Availability of standards-based instructional materials appropriate to all student groups (ESEA)

Instructional materials provided for all students are managed by our district Textbook Coordinator. Participation in Williams Inspections confirms that all students have access to required materials.

Use of SBE-adopted and standards-aligned instructional materials, including intervention materials, and for high school students, access to standards-aligned core courses (EPC)

Adopted and standards-aligned materials are provided for use in all classrooms. Intervention materials must be research-based. Funds are allocated to sites to purchase any additional materials they determine are necessary to meet student needs.

Opportunity and Equal Educational Access

Services provided by the regular program that enable underperforming students to meet standards (ESEA)

Teachers and classes provide students with multiple services and supports, which enable them to meet the standards. Within the classroom, small group intervention is used to help underperforming students. Various types of strategies (activities) and scaffolds (supports) are utilized such as interactive, graphic, and sensory to meet the needs of diverse learners. Sentence frames, word walls, graphic organizers, guided reading, and Math Mindset are tools utilized to accommodate differences in students' learning styles and intelligences. Tier 1 interventions in the classroom include: flexible grouping, use of manipulatives, modified classroom assignments and timelines, as well as visual and written supports. Scaffolds or differentiated instruction is utilized to provide access to all at their current levels of need. After school tutoring will be offered for underperforming students. Frank has two school mentors contracted through City Impact to support and guide students starting in 7th grade and following them through 8th grade as a proactive approach to supporting their needs. This school year two Intervention Specialists will support teachers in the classroom and allow for small group instruction and specific skill development in Math and Language Arts.

Evidence-based educational practices to raise student achievement

Frank Academy uses a variety of evidence-based educational practices to raise student achievement. Teachers provide explicit learning objectives that are tied to demonstrations of learning. Differentiation is a Tier 1 support utilized for all learners. Students are engaged in rigorous, relevant learning. Small group instruction, clear and effective learning feedback, assessment results, and progress monitoring of goals with Lexia, ST Math, Accelerated Reader (AR), and Star are some of the evidence-based practices utilized to improve student achievement. Discovery based teaching is implemented using McGraw Hill Inspire Science Curriculum in alignment with the NGSS standards. Tutoring and reteaching are used to help raise student achievement. Common Formative Assessment and common rubrics across content areas allow for strategic planning and intentional focus with students in regard to grade-level standards. Frequent checks for understanding, formative and summative data, and grade level CCSS are utilized to raise student achievement. Lessons are student-centered and involve problem-solving, questioning, projects, and higher order thinking questions and activities (Depth of Knowledge Level 3 or 4).

Parental Engagement

Resources available from family, school, district, and community to assist under-achieving students (ESEA)

Parents are involved in school activities via School Site Council (SSC), English Language Advisory Council (ELAC), Parent Teacher Organization (PTO), parent conferences, IEPs, and Student Success Teams (SST). Classroom and school volunteers, coaching sports, and advising student clubs are other non-academic ways that parents are able to support their children and school community. There are site and district led workshops such as Project 2 Inspire and Canvas trainings for parents as well.

Involvement of parents, community representatives, classroom teachers, other school personnel, and students in secondary schools, in the planning, implementation, and evaluation of ConApp programs (5 California Code of Regulations 3932)

Educational Partners are involved in the process and implementation of ConApp programs on campus. Parent/Community led groups such as our English Learners Advisory Committee play an important role on campus from volunteer opportunities to ensuring that our English Learner students' needs are met and resources are available for them. For example, the parents requested more workshops for parents and opportunities for English Learners to receive extra academic support, especially with the ELPAC test. They participate in and attend the local California Association of Bilingual Education (CABE) Conference. Teachers organized tutoring that is specific for socioeconomically disadvantaged students and English Learners. SSC meets regularly to discuss the implementation of our school plan and monitor federal funds and expenditures to ensure they are centered on helping us meet our goals as defined in our school plan.

Funding

Services provided by categorical funds that enable underperforming students to meet standards (ESEA)

Title I funds are used to support underperforming students in the area of first instruction. RJ Frank has identified a need to improve first instruction and focus on implementing Common Core State Standards. Funds were utilized to address underperforming students, recognize and celebrate academic achievement and help to build a positive school culture. These funds are utilized to supplemental the regular instructional program that we have on site and provide more resources and opportunities to our students. Categorical funds are also utilized to provide tutors to our AVID classes (Title I) and our AVID Excel class for English Learners (Title III). Funds were also allocated for teachers to monitor progress, analyze data, and share best practices to ensure that our students receive academic interventions during class and after-school based on needs.

Fiscal support (EPC)

The district receives Title I funding as we are considered a Title I district. All of our sites are considered "schoolwide." Title I funds are allocated to each school based on the number of qualifying students. Sites then determine how to use the funds based on specific student needs. The district also distributes Title III funding to sites in order for them to provide any necessary additional services or resources to support English Learners. The district receives Supplemental and Concentration LCFF funding. Sites are allocated a portion of these funds in order to provide additional resources toward student achievement.

Educational Partner Involvement

How, when, and with whom did the school consult as part of the planning process for this SPSA/Annual Review and Update?

Involvement Process for the SPSA and Annual Review and Update

Throughout the school year, both site leadership and School Site Council (SSC), in conjunction with our English Learner Advisory Committee (ELAC) reviewed and monitored our SPSA . Data was broken down and disaggregated by EL status, race, SES and SPED. Academically, we utilized Star, ELPAC, and CAASPP IAB data to look for trends and areas of growth with academics. Our SSC committee met and discussed key components of the SPSA during the school year and presented a plan in June for the following school year (2023-2024). Our ELAC committee gave input and ideas regarding our English Learners. As a result of meetings and input from stakeholders, changes were made to address areas of need, such as Social-Emotional trends and learning, behavioral concerns, and the need for a more thorough and comprehensive opportunity for administrators to be in the classroom to observe and support first instruction. Teachers also need more time to collaborate and discuss data points with our students and monitor their progress. Educational partners felt that incentives and awards to connect students to the school and learning were a vital step.

Resource Inequities

Briefly identify and describe any resource inequities identified as a result of the required needs assessment, as applicable.

There was a disparity in staffing and how the time was able to be allocated. With an additional administrator, the desire was to focus more in the classroom on first instruction, but due to meetings, discipline, and office needs, this did not happen as often as needed. A shortage of substitutes improved from the previous year, but still did not allow for dedicated days set aside for teacher collaboration and teachers and administrators were relied on to cover classrooms throughout the year. Many times, collaboration dates and trainings were cancelled as a result of lack of coverage. As a Tier 2 intervention, we were not able to procure support staff (both Intervention Specialist positions) and so we could not fully implement our plan for academic intervention for our students. The CA dashboard indicator shows a need to improve with chronic absenteeism and suspension rate for students that are Homeless, English Learners, and Students with Disabilities. This year, we have a dedicated administrator to oversee attendance, hold frequent meetings with our attendance team, and the Special Education department discussed group social lessons and ways to connect in the classroom to improve a sense of belonging and reduce the number of absences in the classroom. For suspension rates, we are going to continue with our SEL lessons to begin the school year with everyone and start social groups specifically focused on peer contact and fighting as physical violence is the number one reason students are suspended from school.

School and Student Performance Data

Student Enrollment Enrollment By Student Group

Student Enrollment by Subgroup						
Student Group	Percent of Enrollment			Number of Students		
	20-21	21-22	22-23	20-21	21-22	22-23
American Indian	%	%	0%			0
African American	0.4%	0.27%	0.29%	5	3	3
Asian	2.3%	1.91%	1.25%	27	21	13
Filipino	1.2%	1.18%	1.82%	14	13	19
Hispanic/Latino	94.2%	94.56%	93.1%	1,112	1042	972
Pacific Islander	%	%	0.1%			1
White	1.4%	1.63%	3.07%	16	18	32
Multiple/No Response	0.6%	0.45%	0.38%	7	5	4
	Total Enrollment			1,181	1102	1044

Student Enrollment Enrollment By Grade Level

Student Enrollment by Grade Level			
Grade	Number of Students		
	20-21	21-22	22-23
Kindergarten		Engineering	Engineering
Grade 6	374		
Grade 7	401	343	334
Grade 8	406	362	355
Total Enrollment	1,181		

Conclusions based on this data:

Frank's enrollment and demographics remain largely unchanged from previous years. Our school's population is about 94% Hispanic/Latino. Though our enrollment has steadily declined since 2018-2019, our overall student population from 22-23 to now, has remained steady. Due to the high percentage of students that are Hispanic/Latino, it is important that we utilized practices described in our purpose, which is to focus on culturally-responsive teaching practices and look to provide equity and close opportunity gaps for our student population.

School and Student Performance Data

Student Enrollment English Learner (EL) Enrollment

English Learner (EL) Enrollment						
Student Group	Number of Students			Percent of Students		
	20-21	21-22	22-23	20-21	21-22	22-23
English Learners	372	331	328	31.50%	#DIV/0!	31.4%
Fluent English Proficient (FEP)	540	513	459	45.70%	#DIV/0!	44.0%
Reclassified Fluent English Proficient (RFEP)	44			11.8%		

Conclusions based on this data:

The number of English Learners continues to be around 25% of our student population. About 62% of our students are either current English Learners or Reclassified (RFEP), meaning that we need to be mindful of supports and scaffolds in class to help over 60% of our student population access curriculum and engage in high level learning. Our Newcomer Academy makes up about 26% of our EL population and works closely with their teachers to acquire language skills necessary to access the curriculum. In 2022-2023, 70 students met the criteria to reclassify based on previous scores from those that were able to be tested in the 2020-2021 school year. The largest area of concern that needs to be addressed is the fact that the majority of our non-Newcomer Academy EL students, are Long-Term English Learners (LTELs). For LTELs, we need to continue to identify specific skills and domains within the ELPAC that they struggle with and work on them in multiple subject areas so they are reinforced, since they are the majority of our English Learners. Complex text comprehension, engaging in conversations with peers, and justifying an opinion through writing are areas that LTELs need support and focus in, in all classrooms. Classroom data shows a need to provide explicit instruction in vocabulary. Multiple exposures to a word are needed in order for that word to become part of the lexicon and allow for the students to transfer to written language.

School and Student Performance Data

Star Reading

Robert J. Frank Academy of Marine Science and Engineering											
		Less than Proficient				Proficient				Star Reading Average	
		Level 1		Level 2		Level 3		Level 4			
Grade	Total # Tested	Total	%	Total	%	Total	%	Total	%	Level	Scale Score
Grade 6	296	141	48%	76	26%	65	22%	14	5%	1	996
Grade 7	88	75	85%	6	7%	6	7%	1	1%	1	900
Grade 8	154	109	71%	24	16%	16	10%	5	3%	1	968

Conclusions based on this data:

Reviewing the Star Spring data shows various inequities and areas to highlight. Overall, our percentages for meeting the standards in ELA are 29% for 6th grade, 31% for 7th grade, and 29% for 8th Grade. Most of the grades remained fairly similar with percentages from the Fall to the Spring windows in the 2022-2023 school year, which means there were not high areas of growth overall and we are behind in the goals and outcomes we want for our students according to our school goals from last year. The larger concern is regarding our English Learner, Homeless, and Students with Disabilities student populations, similar to CAASPP data, are all significantly in the below average category for STAR and make up a large majority of our Level 1 and Level 2 students (below benchmark), This shows that there are significant gaps in what our students are able to comprehend. For the 2023-2024 school year, a concerted effort needs to be made to have data chats with students, consistent formative evaluations of their learning, and a larger emphasis placed on writing and higher order thinking questions with reading comprehension. Comparison of Star data throughout the school year and utilizing the instructional planning student report and state standards mastery report will help to identify areas of growth for our students.

School and Student Performance Data

Star Math

Robert J. Frank Academy of Marine Science and Engineering											
		Less than Proficient				Proficient					
		Level 1		Level 2		Level 3		Level 4		Star Math Average	
Grade	Total # Tested	Total	%	Total	%	Total	%	Total	%	Level	Scale Score
Grade 6	106	81	76%	18	17%	6	6%	1	1%	1	969
Grade 7	43	41	95%	2	5%	0	0%	0	0%	1	909
Grade 8	233	152	65%	34	15%	25	11%	22	9%	1	1042

Conclusions based on this data:

Reviewing the Star Spring data shows various inequities and areas to highlight, similar to ELA, but with greater urgency in the area of Math. Overall, our percentages for meeting the standards in Math, according to Star, are 16% for 6th grade, 12% for 7th grade, and 15% for 8th Grade. 7th and 8th grade saw small increments of growth from Fall to the Spring windows in the 2022-2023 school year, while 6th grade saw a slight dip in the overall percentage that is at or above benchmark. Frank was still behind in our goals and outcomes we set from last year. Our student groups identified in ATSI, including Students with Disabilities and Homeless, are a concern as they are both significantly in the below average category for Star and make up a large majority of our Level 1 and Level 2 students (below benchmark). This shows that there are significant gaps in what our students are able to comprehend. For the 2023-2024 school year, our Math team, led by 6th grade, plan to follow the pacing guide in Desmos to help teach grade-level standards. The school will utilize IAB's for Common Formative Assessments (CFAs) because they will have the sufficient rigor and match the content found on the Star test. Comparison of Star data throughout the school year and utilizing the instructional planning student report and state standards mastery report will help to identify areas of growth for our students.

Grade 8		13.09			69.11			17.80	
All Grades		13.13			62.70			24.17	

Conclusions based on this data:

CAASPP scores from 2022-2023 were utilized and compared to the scores from 2021-2022 school year. For the 2022-2023 school year, our test scores for our 6th grade students showed that 37% of the students met or exceeded the standards. That was a 7% increase from the 21-22 school year, but fell short of our goal of 43% that met or exceeded. 36% of our 7th grade students met or exceeded the standards. This was a 7% increase from the 21-22 school year and fell short of our goal of 41% in the met or exceeded category. 28% of our 8th grade students met or exceeded on the standards on the CAASPP test. This was a 4% decrease from the 21-22 school year and fell short of our intended goal of 42% of our students in the met or exceeded standard. This data indicates that there is still significant work to be done in the category of Language Arts proficiency and standards. We have been utilizing departmental grade level professional learning communities for teachers to discuss data and run cycles of inquiry to alter instruction and improve student performance. This shows that we need to ensure that our departments meet regularly about student performance, set smart goals, administer common formative assessments and to discuss the data in order to differentiate our instruction and intervention to meet the needs of our students. A key takeaway is to ensure that all instruction is standards-based, utilizes the achievement level descriptors, and helps the students to understand what they need to know and how to show it. Common formative assessment should mirror questions that appear on CAASPP and be provided more regularly so teachers can assess student learning and intervene quickly to ensure mastery. It will also extract best practices that can be utilized in multiple classrooms and create a collaborative culture.

Grade 8		3.94			52.76			43.31	
All Grades		4.07			55.16			40.78	

Conclusions based on this data:

CAASPP scores from the 2022-2023 were utilized and compared to the last year the CAASPP test in 2021-2022. For the 2022-2023 school year, our test scores for our 6th grade students showed that 18% of the students met or exceeded the standards. That was a 3% increase from the 21-22 school year. It fell short of our goal of 30% that met or exceeded the standards. 13% of our 7th grade students met or exceeded the standards. This was a 3% increase from the 21-22 school year, but fell short of our goal of 22% in the met or exceeded category. 9% of our 8th grade students met or exceeded on the standards on the CAASPP test. This was a 5% decrease from the 21-22 school year and short of our intended goal of 21% of our students in the met or exceeded standard category. This was our largest decrease in test scores. Math is the greatest area of concern according to the data. Student performance did not increase at the rate needed to support our students and this trend has occurred for multiple years now. Roughly only 1.5 in 10 students are on grade level. This indicates the needs to review and analyze the Common Core State Standards and the importance of first instruction. Our 6th grade Math team has been utilizing Priority standards to identify what students need to know and have created common formative assessments to match the standards being addressed and utilized mathematical practices in the classroom. Based on the results of CAASPP though, there is still a greater need to provide increase the level of the depth of knowledge that is required for each task and to ensure that the Common Formative Assessments (CFA) match the CAASPP test, such as utilizing IABs for CFAs. Teachers need more time to work on student-centered lessons that focus on applying mathematical concepts and procedures to real-life situations. Students also need to be able to support and explain their mathematical conclusions. Data analysis should be based on summative and interim assessments that allow teachers to see student growth, areas of concerns, and if class instructions matches what the key details and structure of the standard are. Small group instruction is needed to address the key subgroups that have continually underperformed on CAASPP including English Learners, Students with Disabilities, and Homeless students.

Conclusions based on this data:

For English Learners, we increased our student reclassification percentage by almost 100% from the previous year (36 students vs 71 students this year). Our school's emphasis on English Learners and language development allowed for more intentional focus and growth with our students. Our ELPAC Bootcamp and focus on English Learner strategies in and outside the classroom made a big difference. The number of English Learners is around 25% of our student population, this includes our Newcomer Academy, who are all identified as English Learners. Being that our Newcomer Academy is a unique program that focuses on learning basic English skills and helps students transition to our school system, the way in which they receive all services may not look exactly the same

as other students as there is a large component to support foundational language acquisition skills. If the Newcomer Academy is not included in identified English Learners found with the General Education setting, about 23% of our students are English Learners. This is a decrease by about 5% for this school year versus the 2021-2022 school year, which is a big improvement. About 62% of our students are either current English Learners or Reclassified (RFEP), meaning that we need to be mindful of supports and scaffolds in class to help over 60% of our student population access curriculum and engage in high level learning. Our Newcomer Academy makes up about 26% of our EL population and work closely with their teachers to acquire language skills necessary to access the curriculum. The largest area of concern that needs to be addressed is the fact that the majority of our non-Newcomer Academy EL students are Long-Term English Learners (LTELs). For LTELs, we need to continue to identify specific skills and domains within the ELPAC that they struggle with and work on them in multiple subject areas so they are reinforced since they are the majority of our English Learners. This year we will continue with student data chats about their ELPAC scores, specific domains, and identify their areas of needs based on that. Complex text comprehension, engaging in conversations with peers, and justifying an opinion through writing are areas that LTELs need support and focus in, in all classrooms. Classroom data shows a need to provide explicit instruction in vocabulary. Multiple exposures to a word are needed in order for that word to become part of the lexicon and allow for the students to transfer to written language. The data also helped us identify a need to provide opportunities to read narrative and expository texts, as those are examples of well-developed language skills and needed to interpret information. Based on ELPAC data, we identified the need to level our ELD classes by ELPAC levels and then address the domains needed within that level for reclassification. For the 2022-2023 school year we were able to do this and the results were very promising. Students received specific and intentional support according to their level and over 56 students scored a 4 on the ELPAC. By leveling the students and utilizing ELPAC data we will continue to target our instruction to better meet the students' needs. In addition, teachers and administrators have EL data talks with students so they may identify their areas of strength and need. Our AVID Excel students continue to show significant growth moving up levels and meeting proficiency standards on the ELPAC.

School and Student Performance Data

Student Population

For the past two years, many state and federal accountability requirements were waived or adjusted due to the impact of the COVID-19 pandemic on LEAs, schools, and students. Beginning with the 2021-22 school year, the requirements to hold schools and districts accountable for student outcomes has returned with the release of the 2022 California School Dashboard (Dashboard). The Every Student Succeeds Act is requiring all states to determine schools eligible for support. Similarly, under state law, Assembly Bill (AB) 130, which was signed into law in 2021, mandates the return of the Dashboard using only current year performance data to determine LEAs for support. Therefore, to meet this state requirement, only the 2021-22 school year data will be reported on the 2022 Dashboard for state indicators. (Data for Change [or the difference from prior year] and performance colors will not be reported.)

This section provides information about the school's student population.

2021-22 Student Population			
Total Enrollment	Socioeconomically Disadvantaged	English Learners	Foster Youth
1,102	82.9	30.0	0.1
Total Number of Students enrolled in Robert J. Frank Academy of Marine Science and Engineering.	Students who are eligible for free or reduced priced meals; or have parents/guardians who did not receive a high school diploma.	Students who are learning to communicate effectively in English, typically requiring instruction in both the English Language and in their academic courses.	Students whose well being is the responsibility of a court.

2021-22 Enrollment for All Students/Student Group		
Student Group	Total	Percentage
English Learners	331	30.0
Foster Youth	1	0.1
Homeless	113	10.3
Socioeconomically Disadvantaged	914	82.9
Students with Disabilities	190	17.2

Enrollment by Race/Ethnicity		
Student Group	Total	Percentage
African American	3	0.3
American Indian		
Asian	21	1.9
Filipino	13	1.2
Hispanic	1,042	94.6
Two or More Races	5	0.5
Pacific Islander		
White	18	1.6

Conclusions based on this data:

Overall our enrollment has stayed consistent in the amount of students, minority percentage, EL percentage and SES percentage, though our EL percentage has decreased this school year due to the focus and work put in with the ELPAC and ELD classes in 2021-2022. We are the largest middle school in our district. Our minority percentage, SES, SPED and EL learner percentage are all above the state average. Homeless Students and Students with Disabilities are groups we will focus on for next year as they are student groups that need more care and attention to meet their needs and help them achieve both academic and school success.

School and Student Performance Data

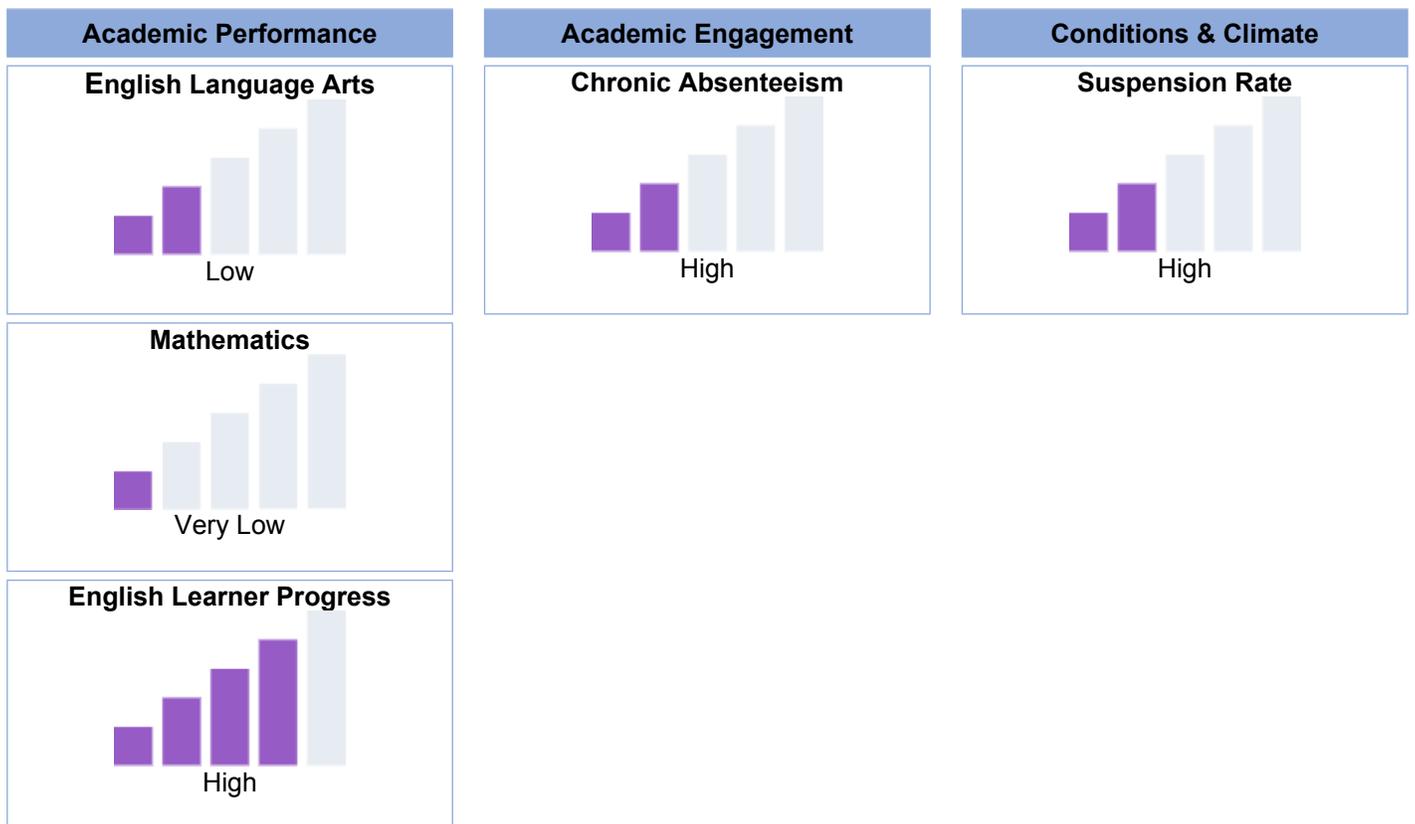

Overall Performance

Due to the COVID-19 pandemic, state law allows the 2022 Dashboard to only display the most current year of data (also known as Status). For this year only, performance levels will be reported using one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low) for state measures. Please note that the Status levels associated with the Chronic Absenteeism and Suspension Rate Indicators are reversed (ranging from Very Low, Low, Medium, High, and Very High). Information regarding this year's Dashboard data is available within the [Dashboard Communications Toolkit](#).

Because performance on state measures is based on current year (i.e., 2021-22) results only for the 2022 Dashboard, the color dials have been replaced with one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low).

2022 Fall Dashboard Overall Performance for All Students

Conclusions based on this data:

Math, ELA and Suspension rates are areas of concern. For English Learners, the biggest area of concern is with suspension rate as we were at 12.3% and in the very high category. A positive is we did have significant growth for English Learner Progress though in 2020-2021 and we already know we will for significant growth appear on the Dashboard for 2021-2022 as it has been an area of focus. So academically with their EL progress, they made growth. We still need to support them more academically and with behavior. For Homeless and Students with Disabilities, the

data is concerning as the students are in the very low category for ELA and Math and the Distance from Met is significant. For example, in Math, our Homeless students are -161 points below the distance from met. In order to show growth in the Dashboard, as these are areas identified as part of our ATSI program, we need the students to improve by at least 65 points next year (-95 below the average). For Students with Disabilities in Math, we need to improve by at least 87 points. A greater emphasis is needed to focus on specific standards and learning gaps the students struggle with so they can begin to see success in Math. In ELA, we recognize that we need more writing in the classroom and the specific domains showed that as an area of need along with listening skills as our Homeless student group was 43 points below the average and our students with disabilities was 64 points below the average.

School and Student Performance Data

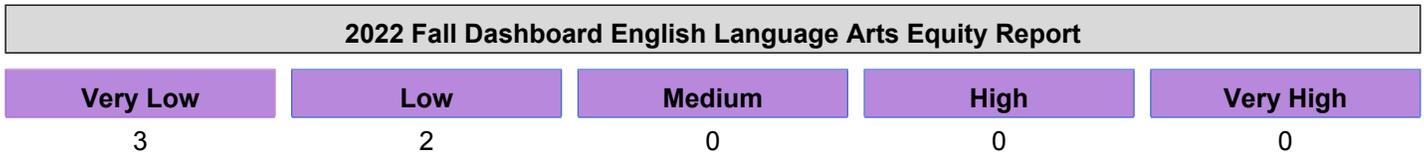

Academic Performance English Language Arts

Due to the COVID-19 pandemic, state law allows the 2022 Dashboard to only display the most current year of data (also known as Status). For this year only, performance levels will be reported using one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low) for state measures. Please note that the Status levels associated with the Chronic Absenteeism and Suspension Rate Indicators are reversed (ranging from Very Low, Low, Medium, High, and Very High). Information regarding this year's Dashboard data is available within the [Dashboard Communications Toolkit](#).

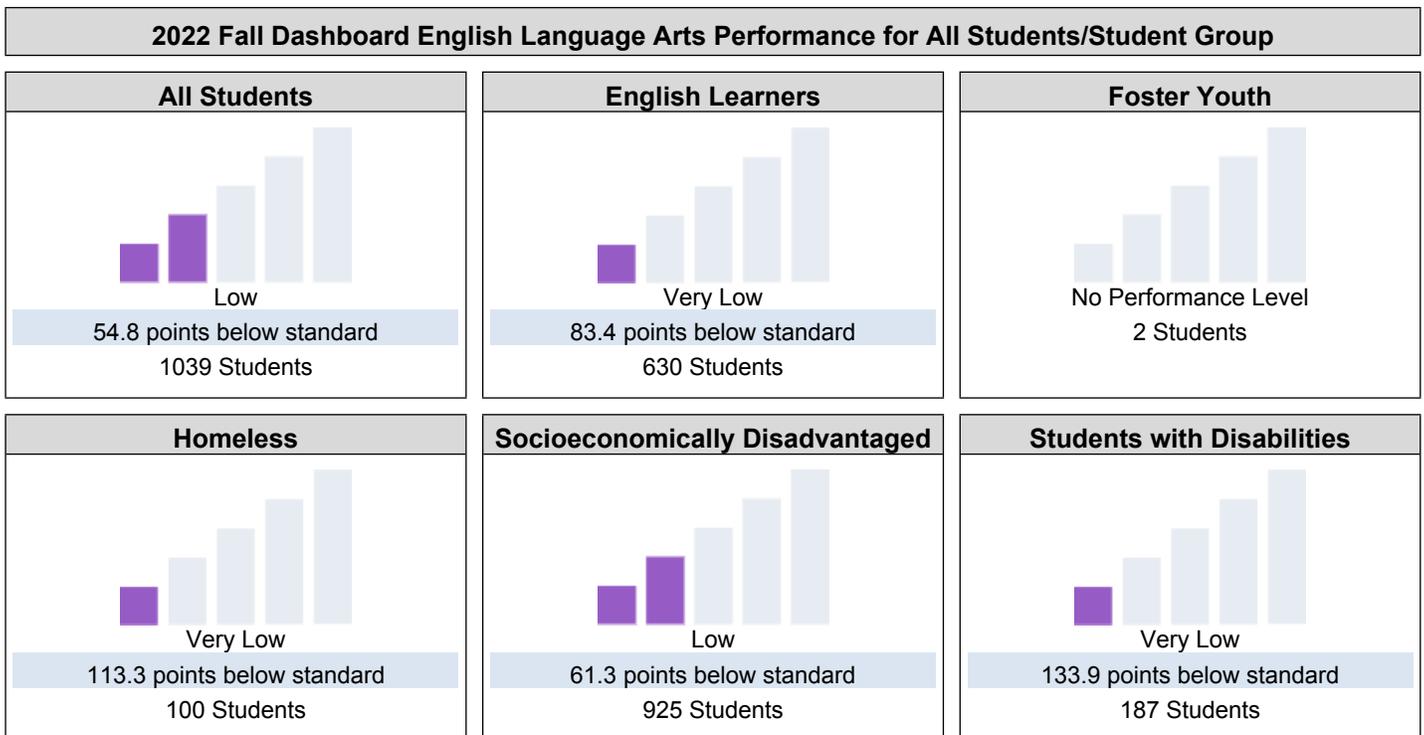

Because performance on state measures is based on current year (i.e., 2021-22) results only for the 2022 Dashboard, the color dials have been replaced with one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low).

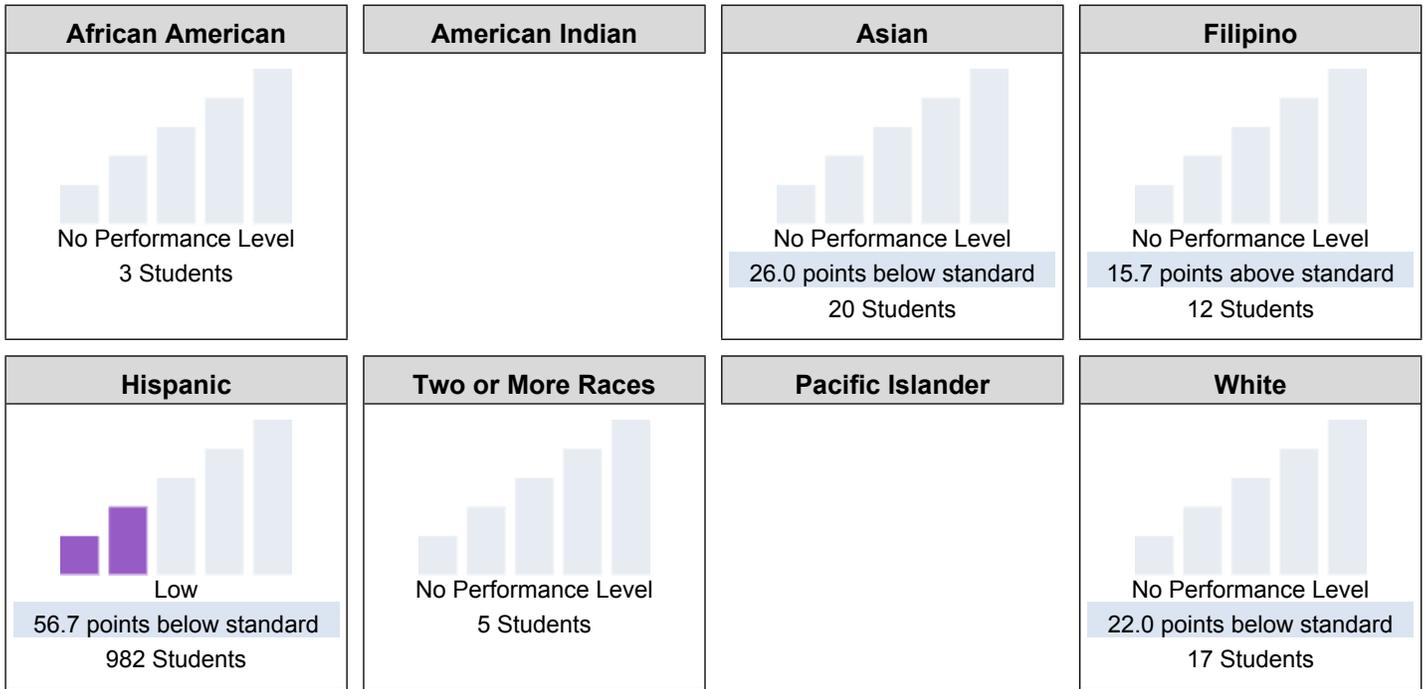

This section provides number of student groups in each level.

This section provides a view of how well students are meeting grade-level standards on the English Language Arts assessment. This measure is based on student performance on either the Smarter Balanced Summative Assessment or the California Alternate Assessment, which is taken annually by students in grades 3–8 and grade 11.

2022 Fall Dashboard English Language Arts Performance by Race/Ethnicity

This section provides additional information on distance from standard for current English learners, prior or Reclassified English learners, and English Only students in English Language Arts.

2022 Fall Dashboard English Language Arts Data Comparisons for English Learners

Current English Learner	Reclassified English Learners	English Only
122.5 points below standard	52.0 points below standard	26.1 points below standard
281 Students	349 Students	248 Students

Conclusions based on this data:

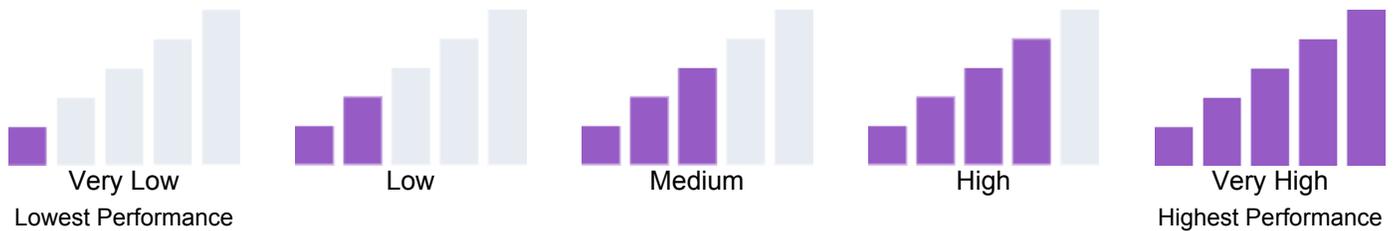

Reviewing the data shows various inequities and areas to highlight. Overall, our percentages for meeting the standards in ELA are 37% for 6th grade, 36% for 7th grade, and 28% for 8th Grade. Most of the grades were an improvement from the 2021-2022 school year, but still are behind in what our goals and outcomes we want for our students. The larger concern is regarding our English Learner, Homeless, and Students with Disabilities student populations as they were all in the very low category and the Distance from Standard is significant. Our English Learners were -83.4 points away, but our Homeless and Students with Disabilities student groups were both over -110+ away from the standard. This shows that there is significant gaps in the standards and what our students are able to comprehend. For the 2022-2023 school year, a concerted effort needs to be made to have data chats with students, consistent formative evaluations of their learning, and a larger emphasis placed on writing and higher order thinking questions with reading comprehension. Many of the evidence-based strategies that we need to implement need to produce results and increase impact will be centered and monitored via the PDSA cycle which involves planning, doing, studying, and acting which will help identify which evidenced-based instructional practices are working with our students.

School and Student Performance Data

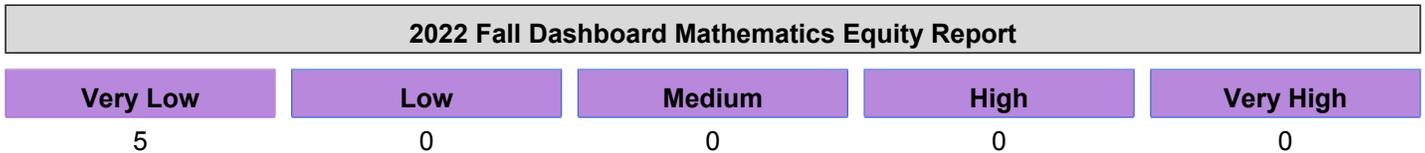

Academic Performance Mathematics

Due to the COVID-19 pandemic, state law allows the 2022 Dashboard to only display the most current year of data (also known as Status). For this year only, performance levels will be reported using one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low) for state measures. Please note that the Status levels associated with the Chronic Absenteeism and Suspension Rate Indicators are reversed (ranging from Very Low, Low, Medium, High, and Very High). Information regarding this year's Dashboard data is available within the [Dashboard Communications Toolkit](#).

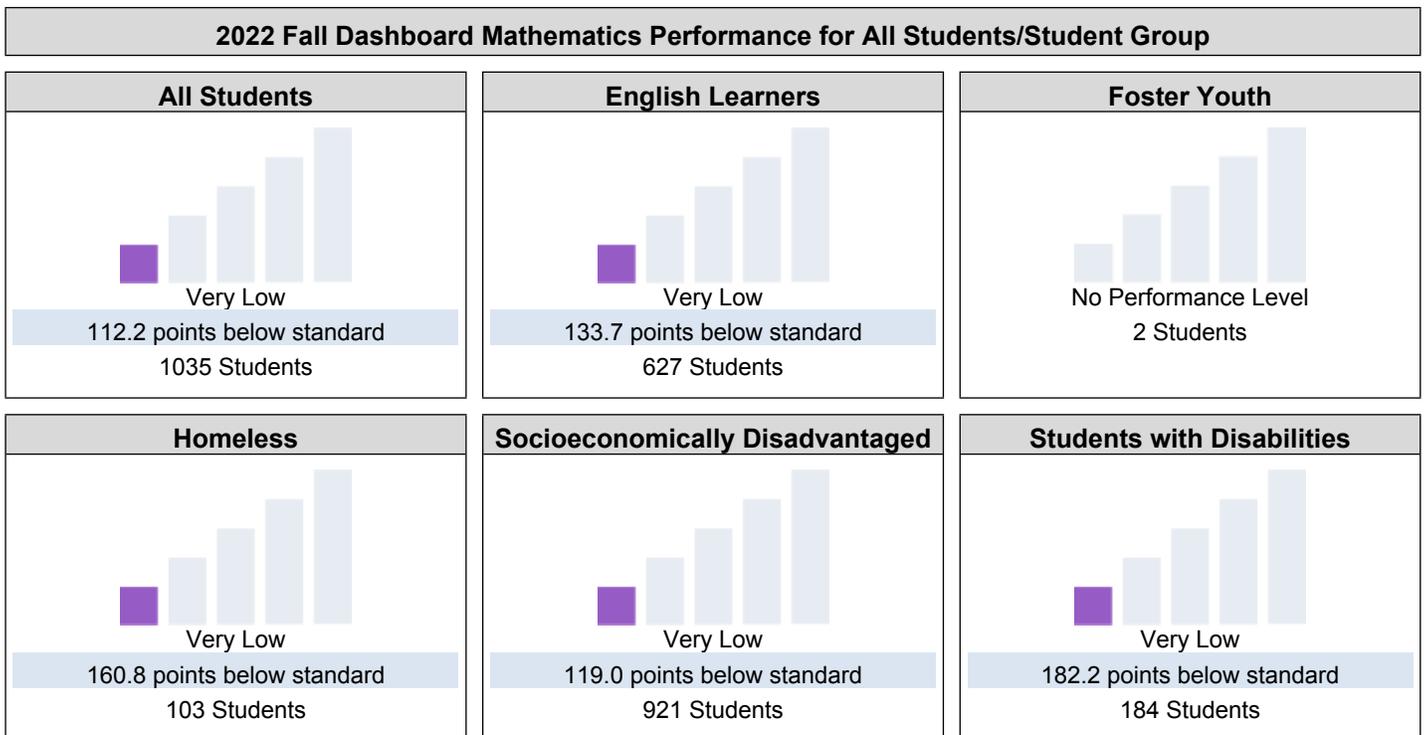

Because performance on state measures is based on current year (i.e., 2021-22) results only for the 2022 Dashboard, the color dials have been replaced with one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low).

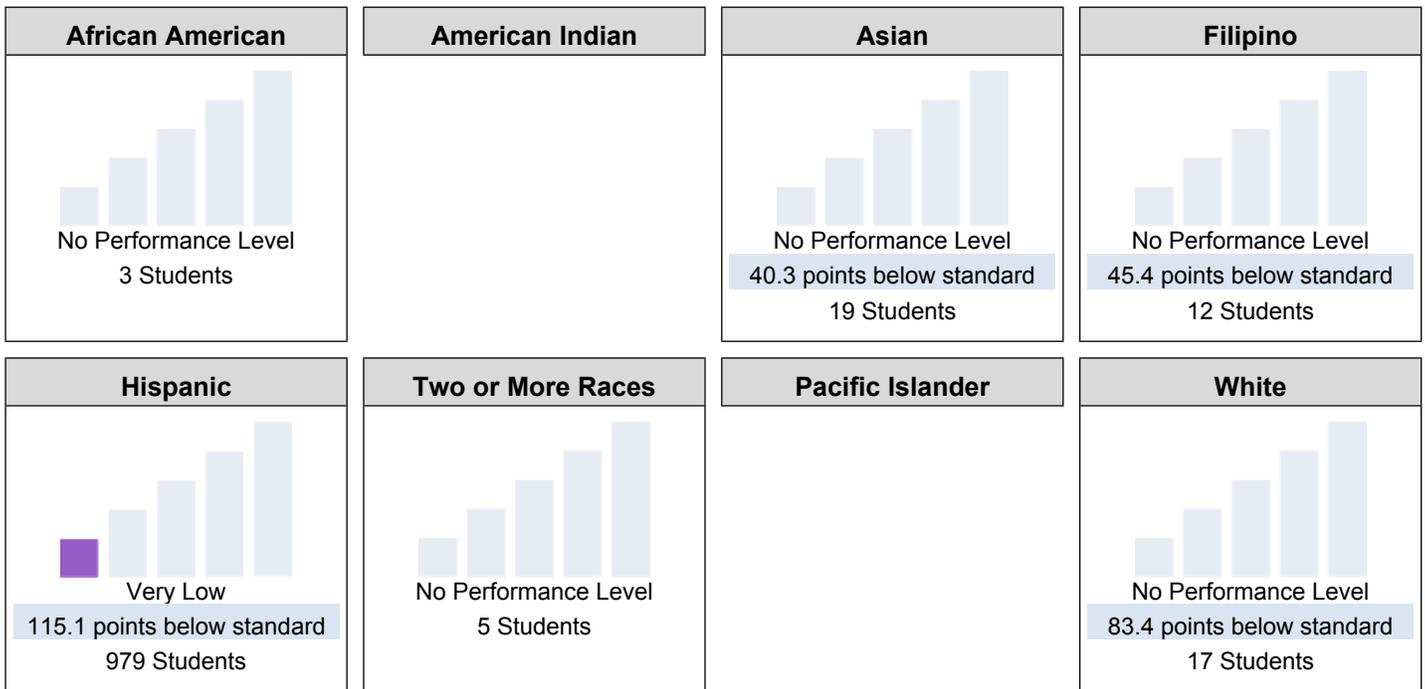

This section provides number of student groups in each level.

This section provides a view of how well students are meeting grade-level standards on the Mathematics assessment. This measure is based on student performance either on the Smarter Balanced Summative Assessment or the California Alternate Assessment, which is taken annually by students in grades 3–8 and grade 11.

2022 Fall Dashboard Mathematics Performance by Race/Ethnicity

This section provides additional information on distance from standard for current English learners, prior or Reclassified English learners, and English Only students in mathematics

2022 Fall Dashboard Mathematics Data Comparisons for English Learners

Current English Learner	Reclassified English Learners	English Only
<p style="background-color: #e6f2ff;">165.3 points below standard</p> <p>285 Students</p>	<p style="background-color: #e6f2ff;">109.4 points below standard</p> <p>347 Students</p>	<p style="background-color: #e6f2ff;">91.2 points below standard</p> <p>247 Students</p>

Conclusions based on this data:

Similar to English Language Art, our Math results need to improve. Overall, our percentages for meeting the standards in Math are 18% for 6th grade, 13% for 7th grade, and 9% for 8th Grade. There were small improvements from the 2021-2022 school year in 6th and 7th grade, but 8th grade, similar to ELA, fell this past year. All of our student groups, English Learners, Hispanic, Homeless, Socioeconomically Disadvantaged, and Student with Disabilities were in the very low category for the CA Dashboard and all over -110 away from the standard. This indicates there needs to be a robust effort and focus on math. Our students are not where they should be. Being that there is significant work to be done, Frank wants to focus on evidence-based interventions that produce results. These include examining middle school math pathways and instructional practices, coming up with a way to produce intervention in the classroom via small groups or intervention groups after school. Use of the Interim Assessment Block (IABs) throughout the school year and as forms of common formative assessment to provide data on student learning and outcomes will be pursued. Finally, our pacing guide will be updated to allow for specific days of intervention, re-teaching, and ensure all standards are being taught in sequence to help the students perform better on state standards exams.

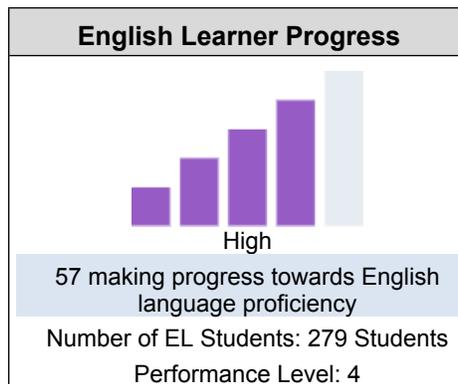

School and Student Performance Data

Academic Performance English Learner Progress

Due to the COVID-19 pandemic, state law allows the 2022 Dashboard to only display the most current year of data (also known as Status). For this year only, performance levels will be reported using one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low) for state measures. Please note that the Status levels associated with the Chronic Absenteeism and Suspension Rate Indicators are reversed (ranging from Very Low, Low, Medium, High, and Very High). Information regarding this year's Dashboard data is available within the [Dashboard Communications Toolkit](#).

This section provides information on the percentage of current EL students making progress towards English language proficiency or maintaining the highest level.

2022 Fall Dashboard English Learner Progress Indicator

This section provides a view of the percentage of current EL students who progressed at least one ELPI level, maintained ELPI level 4, maintained lower ELPI levels (i.e, levels 1, 2L, 2H, 3L, or 3H), or decreased at least one ELPI Level.

2022 Fall Dashboard Student English Language Acquisition Results

Decreased One ELPI Level	Maintained ELPI Level 1, 2L, 2H, 3L, or 3H	Maintained ELPI Level 4	Progressed At Least One ELPI Level
11.1%	31.9%	0.7%	56.3%

Conclusions based on this data:

Our Newcomers, which is a specialized program we have at Frank that houses students that have recently arrived to the United States or have been in the country for less than two years, make up approximately 24% of our EL population and generally test into Level 1 of ELPAC. Since most have recently arrived in the United States and their English is limited, the needs of their program differ from the rest of our English Learner population. Overall our English Learner progress is high. Excluding the incoming 6th graders for the 2023-2024 school year, we have about 53 students that scored a 4 on the ELPAC and most met the standards for reclassification in the 2022-2023 school year. Not including the Newcomer Academy, only 9% of our ELs are still at a level 1. 80 students or 62% of our students made significant progress last year and scored at the level 3 level for the ELPAC. This was accomplished through intentional planning with class structure, small groups, intentional focus and planning with the specific domains that they struggled with the past year. Multiple data chats throughout the year with the students to check progress, identify areas of need, and highlighting the importance of both the test and student outcomes occurred in English Language Development classes.

School and Student Performance Data

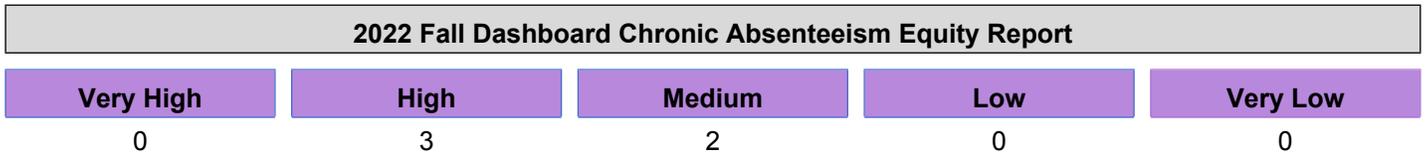

Academic Engagement Chronic Absenteeism

Due to the COVID-19 pandemic, state law allows the 2022 Dashboard to only display the most current year of data (also known as Status). For this year only, performance levels will be reported using one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low) for state measures. Please note that the Status levels associated with the Chronic Absenteeism and Suspension Rate Indicators are reversed (ranging from Very Low, Low, Medium, High, and Very High). Information regarding this year's Dashboard data is available within the [Dashboard Communications Toolkit](#).

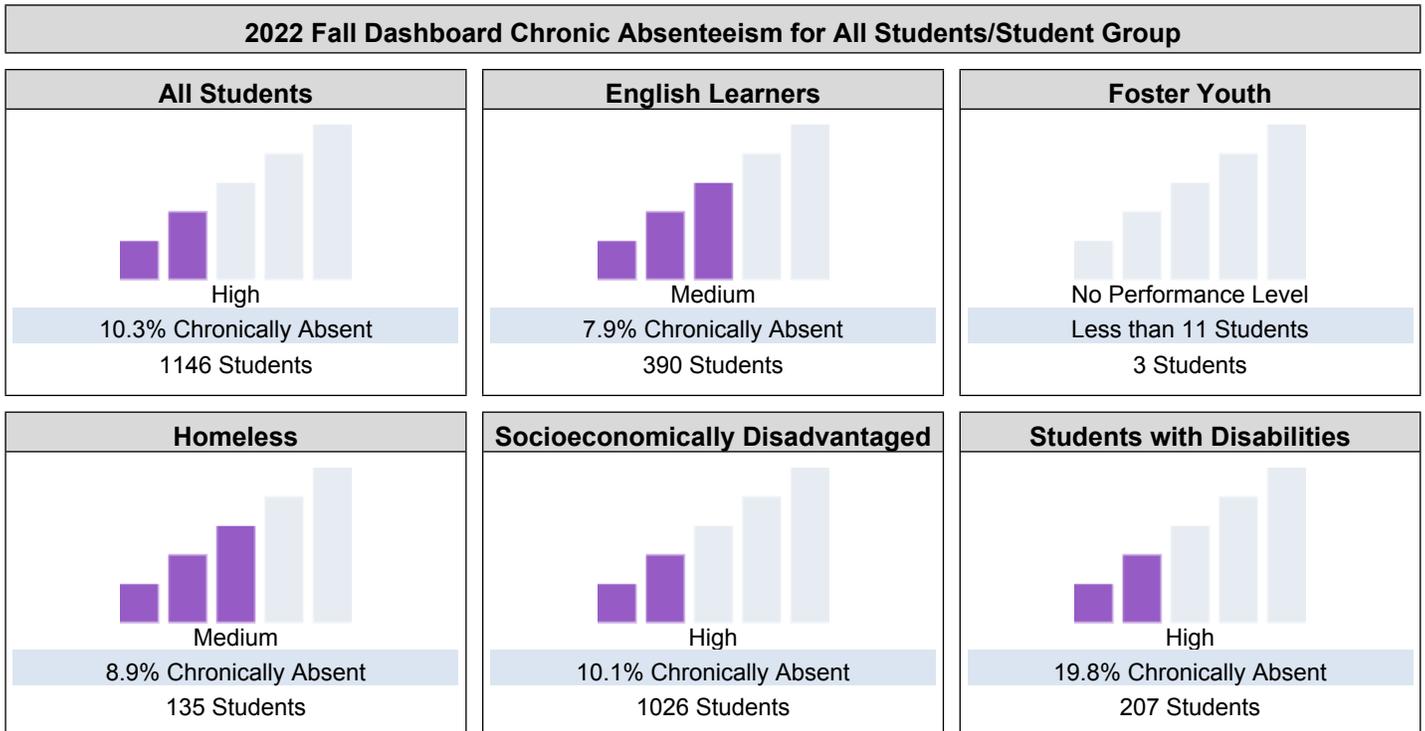

Because performance on state measures is based on current year (i.e., 2021-22) results only for the 2022 Dashboard, the color dials have been replaced with one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low).

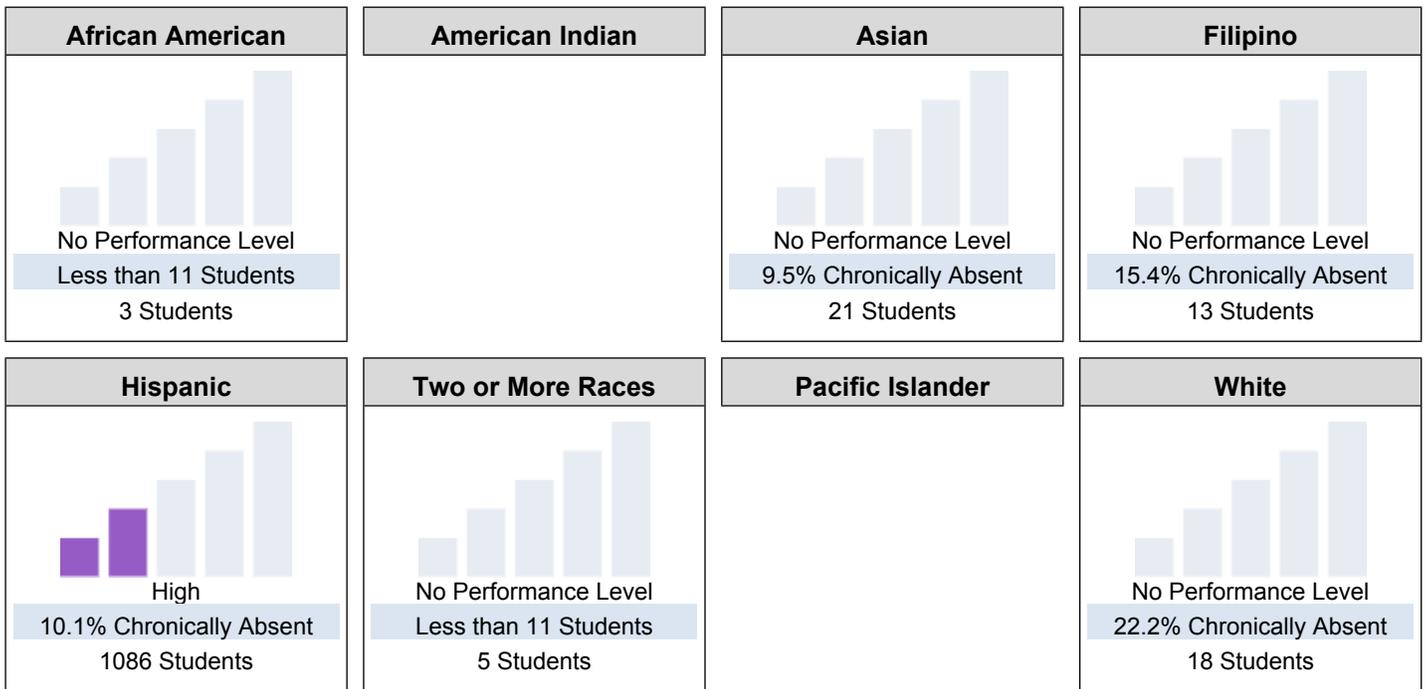

This section provides number of student groups in each level.

This section provides information about the percentage of students in kindergarten through grade 8 who are absent 10 percent or more of the instructional days they were enrolled.

2022 Fall Dashboard Chronic Absenteeism by Race/Ethnicity

Conclusions based on this data:

Attendance was a major concern from last year and still continues to be as chronic absenteeism, especially with specific student groups such as Students with Disabilities, is an area of concern. Our Wellness Center made a positive difference this past year as we were able to create a strong sense of belonging and give the students a safe space to connect with peers. Groups run by our counselors were a success and we were able to identify areas of need such as attendance, social skills, anxiety and stress, and find ways to support students on how to adjust and cope. The data from 2021-2022 reflected the need to provide social-emotional support for students to feel safe at school. We did well in accomplishing this part of our plan, but chronic absenteeism was still an issue. Specifically, we noted we need to get parents more involved in the process earlier and be informed about what is considered excessive absences and do more home visits and 1:1 phone calls with parents to find out about any potential health concerns or barriers that are keeping the students from attending school. Foster Youth, Homeless and Students with Disabilities are our biggest areas of focus for this school year.

School and Student Performance Data

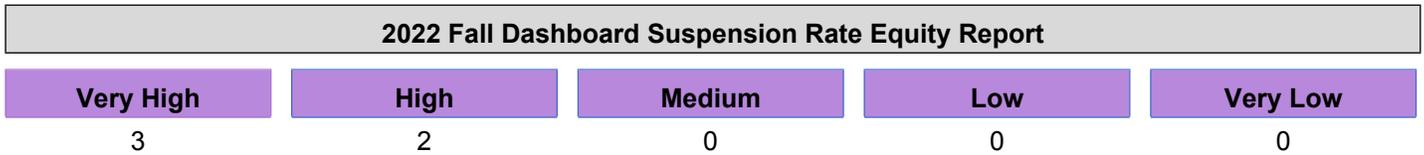

Conditions & Climate Suspension Rate

Due to the COVID-19 pandemic, state law allows the 2022 Dashboard to only display the most current year of data (also known as Status). For this year only, performance levels will be reported using one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low) for state measures. Please note that the Status levels associated with the Chronic Absenteeism and Suspension Rate Indicators are reversed (ranging from Very Low, Low, Medium, High, and Very High). Information regarding this year's Dashboard data is available within the [Dashboard Communications Toolkit](#).

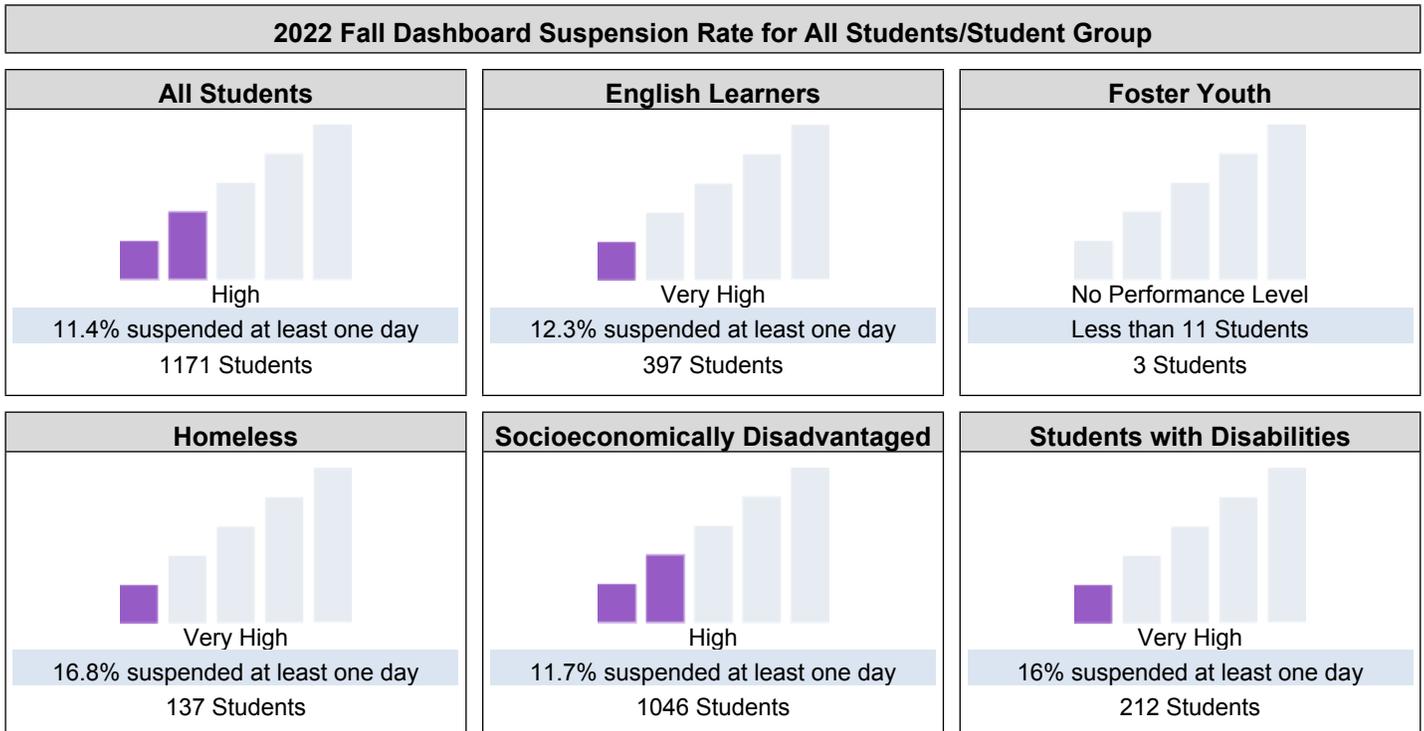

Because performance on state measures is based on current year (i.e., 2021-22) results only for the 2022 Dashboard, the color dials have been replaced with one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low).

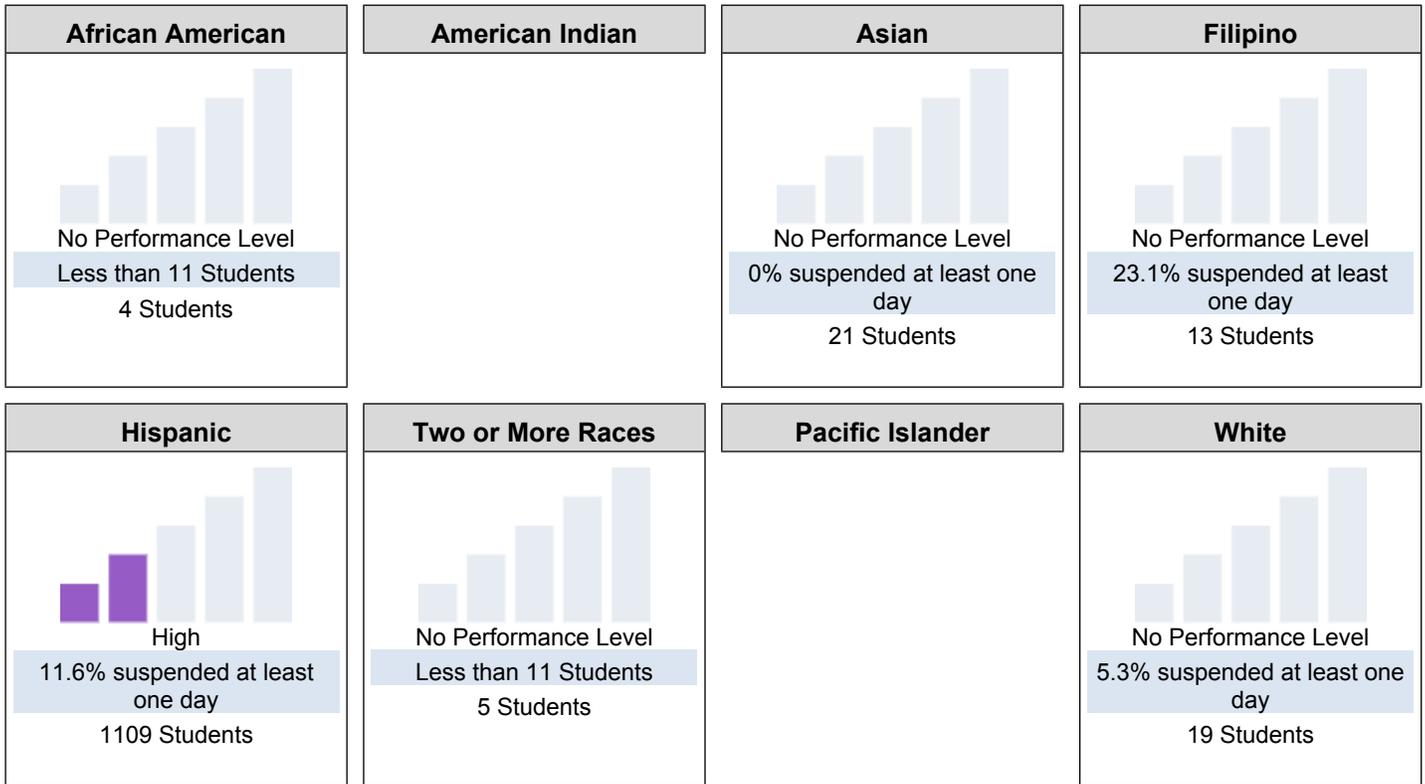

This section provides number of student groups in each level.

This section provides information about the percentage of students in kindergarten through grade 12 who have been suspended at least once in a given school year. Students who are suspended multiple times are only counted once.

2022 Fall Dashboard Suspension Rate by Race/Ethnicity

Conclusions based on this data:

Discipline issues, specifically suspension, were a major concern from last year and stayed roughly consistent with the 2021-2022 school data. The number of students suspended overall remains roughly unchanged at 11-12%. Specific student groups were in the very high category and require additional, targeted support for this school year. English Learners, Homeless, and Students with Disabilities were suspended at a higher rate than Hispanic, lower socioeconomic, and non-Hispanic student groups. One of our highest percentages was Students with Disabilities. This year we plan to push into classrooms more to do targeted social skills lessons and implement more positive behavior reward systems in the classroom so students can properly react to various social situations on campus. The large majority of our suspensions were caused by physical harm, in the form of fighting. This year we want to start social groups with students that were suspended in the 2022-2023 school year so we can identify and address any lingering concerns and help them find more positive ways to react to peers and improve peer relationships.

Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

Goal Subject

Language Arts and Math

LEA/LCAP Goal

All students will reach high academic standards in reading and mathematics.

Goal 1

All Students will reach high standards, at a minimum, attaining proficiency or better in reading and mathematics.

Identified Need

To increase the capacity of teachers to deliver effective data-driven instruction
 To provide equipment, materials and technology resources that support high quality instruction
 To provide opportunities for teachers to collaborate to improve teaching and learning

Annual Measurable Outcomes

Metric/Indicator	Baseline/Actual Outcome	Expected Outcome
CAASPP ELA	<p>The percentage of students who Met or Exceeded the standard for CAASPP ELA from 2022-2023</p> <p>6th grade students: 37% 7th grade students: 36% 8th grade students: 28%</p>	<p>CAASPP ELA</p> <p>The number of 6th grade students scoring "Met Standard" or "Exceeded Standard" based on 2023-2024 CAASPP assessment data will increase by 10%.</p> <p>The number of 7th grade students scoring "Met Standard" or "Exceeded Standard" based on 2023-2024 CAASPP assessment data will increase by 11%.</p> <p>The number of 8th grade students scoring "Met Standard" or "Exceeded Standard" based on 2023-2024 CAASPP assessment data will increase by 14%.</p>

Star Math	<p>The percentage of students who scored At or Above on the Spring 2023 Benchmark:</p> <p>6th grade students: 16% 7th grade students: 13% 8th grade students: 15%</p>	<p>Students will demonstrate growth by moving at least one or two levels across the different bands on STAR 360 ELA. The percentage of students who will score At or Above Benchmark in Spring 2024 will increase by:</p> <p>6th grade students: 17% 7th grade students: 15% 8th grade students: 10%</p>
ELPAC/Reclassification	<p>71 students reclassified for the 2022-2023 school year based on scores from 2021-2022 data.</p>	<p>The reclassification rate will increase by at least 25% for students to reclassify based on 2022-2023 ELPAC data.</p>

Complete a copy of the Strategy/Activity table for each of the school's strategies/activities. Duplicate the table, including Proposed Expenditures, as needed.

Strategy/Activity 1

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All students

Strategy/Activity

Professional Learning Communities (PLC) will review ELA and Math performance to plan for data driven instruction at weekly meetings. Departments will use data to plan for common formative assessments.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

3500

Source(s)

Title I
1000-1999: Certificated Personnel Salaries
Teacher Extra Help

Strategy/Activity 2

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All students

Strategy/Activity

Extra time for counselors to support students for Academics and SEL.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

8000

Source(s)

District Funded
1000-1999: Certificated Personnel Salaries
Counselor Salaries

Title I
1000-1999: Certificated Personnel Salaries
Counselor Extra Help

Strategy/Activity 3

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All students, but targets the following special population groups: English Learners, Migrant, SED, Foster, Homeless, and African- American.

Strategy/Activity

School tutoring, including support for Long Term English Learner (LTEL) students, Homeless, African American and Foster Youth. Students not meeting standards will have high priority for the After School Program and during extended breaks to support academic improvement. The school will increase academic success through evidence-based reading intervention program - Levelled Literacy Intervention (LLI).

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)	Source(s)
	ASES
	District Funded 1000-1999: Certificated Personnel Salaries Intervention Service Provider (ISP) - LLI Program Implementation
14482	LCFF 1000-1999: Certificated Personnel Salaries Teacher Extra Help - Academic Intervention
7602	Title I 1000-1999: Certificated Personnel Salaries Teacher Extra Help - Academic Intervention

Strategy/Activity 4

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All Students

Strategy/Activity

Use data analysis of assessment results through District Programs (such as Ellevation) to inform instruction and to monitor progress. Data will be used from Star, CAASPP, ELPAC, and from curriculum embedded assessments. Teachers will also use data from common formative assessments to drive instruction.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

Source(s)

District Funded
5800: Professional/Consulting Services And Operating Expenditures
Program contracts (Renaissance, Ellevation)

Strategy/Activity 5

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All Students

Strategy/Activity

Progress monitoring in ELA and Math using LLI, ST Math, Lexia, MyOn, Star, AR, and curriculum-based assessments.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

Source(s)

District Funded
4000-4999: Books And Supplies
Curriculum

District Funded
5800: Professional/Consulting Services And Operating Expenditures
Supplemental programs (Lexia, STMath, LLI, myON, AR)

Strategy/Activity 6

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All Students

Strategy/Activity

During PLC time teachers will calibrate writing, develop common rubrics, share instructional techniques, and review pacing guides. Teachers will also develop common formative assessments (CFAs) and discuss data in relation to it and other assessments such as IAB's and Star Data.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

Source(s)

[Empty box for Amount(s)]

No additional cost

Strategy/Activity 7

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

English Learners and Migrant

Strategy/Activity

Provide daily designated English Language Development for English Learner students

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

Source(s)

[Empty box for Amount(s)]

No additional cost

Strategy/Activity 8

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All Students

Strategy/Activity

Teachers will receive professional development for curriculum and implementation. Content area teachers will receive professional development in Math, Science and Social Studies and English Language Development

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Annual Review

SPSA Year Reviewed: 2022-23

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required and this section may be deleted.

ANALYSIS

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

Frank Academy will continue to dedicate the majority of time, effort, and focus on the CCSS Curriculum and best first instruction. Based on the this past year’s data, our focus will continue to be on priority standards in ELA and Math to ensure equitable, grade level instruction is happening to help our students progress and meet them where they are academically. Data from the 2022-2023 CAASPP shows that about 34% of our students are on grade level for ELA. This is a 4% increase from this past and a 2% increase from 2018-2019. This trend, unfortunately, shows stagnant growth for the overall percentage of students that meet grade level standards, especially

with student groups identified as needing additional targeted support such as homeless and students with disabilities. Therefore, more focus is needed on using data to drive instruction and specific interventions to address the learning gaps. This includes scaffolded and differentiated lessons throughout the year and data chats/progress monitoring conferences with teachers. Gaps need to be identified and addressed in the moment, so that grade level instruction can continue, while supporting the areas of concern along the way.

Frank will build on past momentum with Professional Learning Communities (PLCs) to align practice, collaborate, and share data while incorporating more use of IABs in assessments. Our cycle of inquiry and common formative assessments will allow us to compare instructional practices and activities to create best, first instruction. Common formative assessments (CFAs) need to be based on deconstructed grade level standards and achievement level descriptors.

Math is an area of focus. Currently our percentages are considerably lower than ELA across all three grade levels. On average, about 13% of our students are at or above grade level for Mathematics, but the number decreases with each grade level starting at 18% in 6th grade and dropping to 9% in 8th grade. Being that mathematics is typically centered on fixed ability messages, Frank School will need to continue to develop a growth mindset with regard to math and communicate with students that their ability in math is malleable and they can continue to learn and grow. The drop in overall percentages as the year progresses indicates that we need to examine our mathematical practices to ask more higher order thinking questions that engage the students with real-world application. This thought process will allow necessary processing speed for some of our students achieving low marks right now and the ability for students to see that high achievement is possible. Open-ended questions with multiple steps will allow students to use formulas, while sharing opinions and negotiating their own path to finding the answer. This will raise the level of mathematical awareness and improve instruction in the classroom. We need to ensure that all priority instructional standards in Math are taught to build on past knowledge and are presented to the students in a format that matches what they are asked to do on achievement tests such as CAASPP. Identified gaps need to be addressed in the classroom so students do not fall even further behind. The need for growth mindset is particularly evident in the data and observations with homeless and students with disabilities student groups from this past year. One focus this next year, is to utilize more higher order thinking tasks with them and require more persistence and grit (with guided scaffolds) to help them persevere when faced with challenging material.

For English Learners, we increased our student reclassification percentage by 75% from the previous year (20 students vs 35 students). Our school's emphasis on English Learners and language development allowed for more intentional focus and growth with our students. For example, the bootcamp combined with student data chats and intentional lesson design, 78 students achieved a score of a 4 on ELPAC which is one part of the criteria to allow them to reclassify and no longer be designated an English Learner.

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

The major differences between the intended implementation from 2022-2023 school year and the actual implementation had to do with the budgeted expenditures not producing the desired outcomes our strategies were intended to produce. The expected outcomes and metrics were affected by some budgetary constraints and appropriate avenues to fund all the strategies necessary to the degree needed to change. One example of high achievement and budgetary success was with our English Learners. The intentional lesson planning and collaboration,

combined with data chats and academic bootcamp, allowed Frank to meet their articulated goal for the school year.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

Many of the changes to the goals and strategies for this goal relate to the need to address the current learning gaps of our student body and the significant number of students that are At or Below Grade level in Reading and Math. Student proficiency levels in Star in both ELA and Math will be reviewed more frequently during the year which will allow for a more scaffolded and in-depth analysis of scores at the beginning of the year and end of the year. The overall metric of English Learners remained the same and focused on reclassification versus just the ELPAC scores. It reflects the high number of LTELs at our site and the need to emphasize the importance of passing both the ELPAC and the reading metric, which is to score in the 25% percentile of STAR Reading. Strategy 3 addresses the need for more academic intervention with Long Term English Learners and strategy 17 allows for data review and monitoring with the end being a large Reclassification Recognition night for students and families to celebrate the importance of their achievement. The school increased the number of English Language Development classes for next year to ensure that the numbers remained low to support small group instruction and differentiated instruction. Tier 1 and Tier 2 interventions were placed in the strategies to address the need for more intervention for our students to address gaps in reading and math, especially with LTELs. This next year, teachers will have additional time to plan for collaboration and the sharing of data and best practices after school (early release Wednesdays).

Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

Goal Subject

Social Emotional Support and School Climate

LEA/LCAP Goal

The social-emotional, health and well-being needs of students will be met in a learning environment that is safe, drug-free and conducive to learning.

Goal 2

The social-emotional, health and well-being needs of students will be met in a learning environment that is safe, drug-free and conducive to learning.

Identified Need

To decrease the suspension rate
 To increase positive behavior
 To provide wrap-around services to ensure students come to school ready to learn

Annual Measurable Outcomes

Metric/Indicator	Baseline/Actual Outcome	Expected Outcome
Suspension Rate	The Suspension rate for 2022-2023 was 12%	The Suspension rate will decrease to 3%
Discipline Referral Totals	<p>The overall number of discipline incidents was 956 for 2022-2023. The number includes all classroom referrals.</p> <p>Per grade level, the overall discipline incidents were as follows: 6th - 196 7th - 322 8th - 438</p>	<p>The overall number of discipline incidents will drop by 10% or more. The number includes all classroom referrals.</p> <p>Per grade level, discipline incidents will drop by the following percentages: 6th - 5% 7th - 10% 8th - 20%</p>
Panorama SEL Survey	The Panorama SEL Survey from Spring 2023 is used to calculate school climate and student well-being. The following percentages were reported for the indicator of "feel a sense of belonging at school.":	<p>The percentage of students who feel a sense of belonging will increase by the following percentages by the Spring 2024 Panorama SEL Survey:</p> <p>6-8th grade - 20%</p>

Metric/Indicator	Baseline/Actual Outcome	Expected Outcome
	6-8th grade - 40%	

Complete a copy of the Strategy/Activity table for each of the school's strategies/activities. Duplicate the table, including Proposed Expenditures, as needed.

Strategy/Activity 1

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All Students

Strategy/Activity

Utilization of CHAMPS/PBIS will be campus wide. Common behavioral expectations will be developed and utilized campus wide.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

Source(s)

No additional cost

Strategy/Activity 2

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All Students

Strategy/Activity

School Counselors, ORC, and Admin will monitor students. Counselors will meet with identified students and develop goals in order to increase success. ORC will assist in monitoring SST goals and progress.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

Source(s)

1000

LCFF
2000-2999: Classified Personnel Salaries

	Extra Help
	District Funded 2000-2999: Classified Personnel Salaries ORC Position
1000	LCFF 1000-1999: Certificated Personnel Salaries Extra Help

Strategy/Activity 3

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All Students

Strategy/Activity

Student discipline data will be monitored by the PBIS Team and administration to ensure school practices align with restorative practices and the Safe & Civil School model.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

Source(s)

2000

LCFF
1000-1999: Certificated Personnel Salaries
Teacher Extra Help

Strategy/Activity 4

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All Students

Strategy/Activity

The safety committee will review and update the Safety Plan. Safety drills will be conducted to prepare for emergency situations (Fire and Lockdown).

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

Source(s)

--	--

No additional cost

Strategy/Activity 5

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All Students

Strategy/Activity

Site counselor will assist parents and students in crisis and trauma. The counselor will also support student behavior with conflict resolution strategies.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

Source(s)

District Funded
1000-1999: Certificated Personnel Salaries
School Counselors (2)

Strategy/Activity 6

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All Students - emphasis on Homeless, SED, and English Learners

Strategy/Activity

Utilize research-and evidence-based intervention strategies for early intervention to address chronic absenteeism and tardiness, which include: mentor/check-in, family contact, reward system, workshops for families, regular communication with families, and after-school clubs and activities.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

Source(s)

See Goal 1 Action 25

Strategy/Activity 7

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All Students

Strategy/Activity

Employ Campus Supervisors to monitor campus, including all buildings, and reduce student tardiness throughout entire school day.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

Source(s)

	District Funded 2000-2999: Classified Personnel Salaries Campus Assistant (7.5 employees)
36000	LCFF 2000-2999: Classified Personnel Salaries Campus Assistants (additional 1.5 employees)

Strategy/Activity 8

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All Students
