DECLARATION OF PRINCIPLES

1. Effective employee-management cooperation requires a clear statement of the respective rights and obligations of the parties.
2. It is the intent and purpose of the parties to promote and improve the efficient administration of the District and the well-being of employees within the spirit of the Public Employees Collective Bargaining Act, to establish a basic understanding relative to personnel policies, practices and procedures, and to provide means for amicable discussion and adjustment of matters of mutual interest.

P R E A M B L E

This Agreement is made and entered into pursuant to RCW 41.56 between Tahoma School District Number 409 (hereinafter "District") and the Public School Employees of Tahoma (hereinafter "Association"), an affiliate of Public School Employees of Washington. Nothing in this definition shall be construed to deny Public School Employees of Washington the right to represent members of the bargaining unit.

Titles included for the sections in this Agreement are not intended to restrict or expand the meaning of the actual contract language in each section.

In accordance with the provisions of the Public Employees Collective Bargaining Act and regulations promulgated pursuant thereto, and in consideration of the mutual covenants contained therein, the parties agree as follows:

A R T I C L E I

RECOGNITION AND COVERAGE OF AGREEMENT

Section 1.1.

The District hereby recognizes the Association as the exclusive representative of all employees in the bargaining unit described in Section 1.4, and the Association recognizes the responsibility of representing the interests of all such employees.

Section 1.2.

Nothing contained herein shall be construed to include in the bargaining unit any person whose duties as Deputy, Administrative Assistant, or Secretary necessarily imply a confidential relationship to the Board of Directors or Superintendent of the District pursuant to RCW 41.56.030 (12).

Section 1.3.

Modification of existing positions or the creation of new positions shall require reopening of this Agreement for salaries only. Job descriptions will be available to any employee upon request.

Section 1.4.

The bargaining unit to which this Agreement is applicable is as follows: All instructional support employees performing duties in the Secretarial/Clerical, Technology, Support Services, Health & Safety,

Educational Support, Food Service, Transportation, Custodial/Maintenance, Extended Enrichment and general job classifications; provided, however, that the Executive Assistants to the Superintendent/School Board, Assistant Superintendents, Directors and Executive Directors (up to 3), Accountants (up to 2), Purchase/Risk Management Agent (1), Payroll Coordinators (2), Public Relations Officer (1), Human Resources Assistants (up to 3), Supervisors of Transportation, Maintenance, Custodial, Food Service, Technology, and Extended Enrichment Program (EEP) shall be excluded pursuant to Section 1.2 above. The numbers of exempt employees above may be revisited by the Conference Committee dependent upon growth in student and/or staff FTE.

Section 1.5. Definitions.

Section 1.5.1.

Full-time equivalent (FTE): For purposes other than insurance benefits as provided herein, the percentage of the total annual hours, including paid holidays worked by an employee, shall be based on two thousand eighty (2,080) annual hours.

Section 1.5.2.

Full-time employee: An employee who is employed two thousand eighty (2,080) hours per year (forty (40) hours per week, twelve (12) months per year, two hundred sixty (260) working days per work year).

Section 1.5.3.

Regular part-time employee: An hourly employee who works a regular monthly schedule and is not a full-time employee.

Section 1.5.4.

Temporary employee: An employee who is assigned to a temporary position which exists or, in good faith, is projected to exist for a period not to exceed the end of the current fiscal year.

Section 1.5.4.1. First 90 Days.

Temporary employees who work more than thirty (30) cumulative days during the current or immediately preceding school year are included in the bargaining unit and have the rights described in this Section (1.5.4.1.). The provisions of Articles XII (Insurance), XIV (Association Membership) and XV (Grievance Procedure) shall apply to temporary employees. Such temporary employees shall be paid the Schedule A entry rate for the position in which they work. No other provision of this Collective Bargaining Agreement shall apply to bargaining unit temporary employees, unless specifically stated.

Section 1.5.4.2. After 90 Days.

After working more than ninety (90) consecutive days, in addition to the contractual rights identified in Section 1.5.4.1. above, a temporary employee shall have (a) seniority as defined in Section 10.1 only for the purpose of establishing preferential rights to assignment to new or open jobs or positions (and not layoffs or reductions in hours) pursuant to the terms of Section 10.7; (b) the right to a personal interview pursuant to Section 10.7.1.; and (c) the retention of seniority rights under this Section for a period of one (1) year after the conclusion of the temporary position. No other provision of this collective bargaining agreement shall apply to bargaining unit temporary employees, unless specifically stated.

Section 1.5.4.3.

Section 1.5.5. Substitute Employee.

An employee who is employed by the District as a replacement for another employee who is on leave or absent or is in a position while that position is posted and being filled pursuant to Section 10.9. Substitute employees who work more than thirty (30) cumulative days during the current or immediately preceding school year are included in the bargaining unit. No other provision of this collective bargaining agreement shall apply to bargaining unit substitute employees, unless specifically stated. Substitute employees may be scheduled for any amount of time, except for substitute bus drivers who shall work a minimum of two (2) hours. Bus drivers working as a substitute bus assistant shall be paid their regular wage. See Section 16.20 for wage rates of substitute employees.

Section 1.5.6. Leave Replacement Employee.

Except when circumstances are detrimental to the education of students or creates a hardship to the department, employees may take a leave from their current position to fill temporary positions within the same department or building coming open because of a leave anticipated to exceed forty five (45) working days if the position has greater hours or a higher rate of pay. A leave replacement employee hired from within the bargaining unit shall have all contractual rights and shall return to their former position at the time the initial employee on leave returns, subject to Article X. A leave replacement employee hired from outside the bargaining unit shall have all contractual rights subject to Article X for the duration of that position.

Section 1.5.7.

The District reserves the right to employ student helpers provided that the following guidelines will be observed:

- A. Student helper positions must be a part of an educational, student corrective action, work training program or a summer crew limited to no more than one hundred twenty (120) hours per day or such greater number approved by the Association through the Conference Committee. Such summer crew positions shall be posted before school is out for the summer.
- B. Employees who have students placed with them shall have input into that decision.
- C. For paid positions students shall be paid no more than the minimum wage, if at all.
- D. Student helpers will be excluded from the bargaining unit.
- E. With the consent of the food service manager at a particular building, student helpers may also be used in the food service program.

Section 1.5.8.

Employees who are selected for interim supervisory District positions outside of the bargaining unit may retain their seniority within the bargaining unit and a right to their former assignment

for up to one (1) year. The employee will retain accrued sick leave and vested vacation rights and will continue to accrue seniority during such leave.

Section 1.5.9. Light-Duty Positions.

The District may create temporary light-duty positions for employees with open Labor & Industries claims receiving time-loss benefits. The positions will be paid minimum wage. The District will submit proposed job descriptions to the Association for approval. The filling of such positions shall be exempt from the posting and seniority provisions of Sections 10.7 and 10.9. Employees filling such positions shall not earn additional seniority in any classification or replace current bargaining unit employees.

Separate from light-duty positions, employees may request reasonable accommodations for temporary or permanent disabilities and engage in the interactive process with District and building/department administrators and staff, sharing disability information only when appropriate, to determine if the essential functions of the job can be accomplished with reasonable accommodations. An employee may invite an Association representative to be involved in this discussion at any time.

Section 1.5.10. On Call Positions.

The parties agree that under limited and unique conditions, “on-call” positions performing bargaining unit duties and without a definite and regular shift (as per Sections 7.1, 7.2 of this Agreement) may be appropriate. These positions may exist when the demand for specific services is on a cyclical or on-demand basis, which would not support a regular continuing position on a regular schedule. The need, as well as the compensation for such positions, will be the subject of bargaining and shall require mutual agreement between the District and the Association. No other provisions of this bargaining agreement shall apply.

Section 1.5.11. Vine Maple Homeless Transition Program.

The District will be providing “job shadow” opportunities for mothers who are a part of the Vine Maple Homeless Transition Program. These opportunities are intended to provide insight and training for participants to transition into the workplace but will not supplant either existing or potential PSE bargaining unit positions. Participants will not be subject to bargaining unit rights nor in any way considered employees by either the District or the Association. The Association agrees to support and accommodate program participants. The District agrees to review the program’s impact on bargaining unit positions if requested by the Association.

ARTICLE II

RIGHTS OF THE EMPLOYER

Section 2.1.

It is agreed that the customary and usual rights, powers, functions, and authority of management are vested in management officials of the District. Included in these rights in accordance with and subject to applicable laws, regulations, and the provisions of this Agreement, is the right to direct the work force, the right to hire, promote, retain, transfer, and assign employees in positions; the right to suspend, discharge, demote, or take other disciplinary action against employees; and the right to release employees from duties because of lack of work or for other legitimate reasons. The District shall retain

the right to maintain efficiency of the District operation by determining the methods, the means, and the personnel by which operations undertaken by the employees in the unit are to be conducted.

Section 2.2.

The right to make reasonable rules and regulations shall be considered acknowledged functions of the District.

Section 2.3.

It is the intention of the parties hereto that all rights, powers, prerogatives, duties and authority which the said District now has or had, whether exercised or not, prior to the signing of this Agreement are retained by the District except for those which are specifically abridged or modified by this Agreement. Such abridgement or modification shall be to the extents specifically set forth in this Agreement, and such abridgements or modifications are to be strictly construed.

Section 2.4.

The District may, in accordance with law, employ classified personnel to supervise school children in non-instructional activities, and in instructional activities while under the supervision of a certificated employee. Classified employees whose regular job duties do not include the supervision of students will not be assigned to do so except in emergency circumstances.

ARTICLE III

RIGHTS OF EMPLOYEES

Section 3.1.

It is agreed that all employees subject to this Agreement shall have and shall be protected in the exercise of the right, freely and without fear of penalty or reprisal, to join and assist the Association. The freedom of such employees to assist the Association shall be recognized as extending to participation in the management of the Association, including presentation of the views of the Association to the Board of Directors of the District or any other governmental body, group, or individual. Neither the District, nor the Association, shall in any way interfere with or discriminate against the employees in the exercise of their rights as defined in Chapter 41.56 - the Public Employees' Collective Bargaining Act.

Section 3.2.

Each employee shall have the right to bring matters of personal concern to the attention of appropriate Association representatives and/or appropriate officials of the District.

Section 3.3.

An employee shall be entitled to and be informed of their right to have present a representative(s) of the Association during any disciplinary action excluding informal warnings, criticism or suggestions for improvement which independently do not form a basis for formal action. (See Weingarten Rights described in Appendix A.) When a request for such representation is made, no action shall be taken with respect to the employee until such representative(s) of the Association is/are present or until two (2) days have passed after such request. When the Association chooses to provide multiple representatives in a meeting, the Association will provide advance notice to the supervisor calling the meeting. In emergency conditions, in cases where health, safety and well-being of students, other employees, or

District patrons necessitate immediate disciplinary action, the District will notify the Association as soon as reasonably possible that action has been taken.

Section 3.4.

In keeping with Federal and State laws neither the District nor the Association shall unlawfully discriminate against any employee subject to this Agreement on the basis of race, creed, color, sex, religion, age, honorably discharged veteran or military status, sexual orientation including gender expression or identity, marital status or because of the presence of any sensory, mental or physical disability, or the use of a trained dog guide or service animal by a person with a disability.

Section 3.5.

In keeping with Federal and State laws it shall be the responsibility of the District to provide each employee with a safe area in which to perform assigned duties.

Section 3.6.

There shall be one official personnel file maintained in the Human Resources Office for each employee. This shall not prevent a supervisor from maintaining a working file. Such a file shall only contain information which has occurred during the current school year. Both "working" files and "personnel" files are available for inspection by the employee. Anyone at the employee's request may be present at this inspection. A District representative shall also be present during such inspection. Upon request, the employee and/or the Superintendent or their official designee shall sign an inventory sheet.

Section 3.6.1.

No derogatory material may be entered into an employee's personnel file unless they have had an opportunity to read and respond to it. The employee shall be asked to sign the item indicating that they have read the material. Such a signature does not indicate agreement. Any employee written comments shall be permanently attached to the derogatory material.

Section 3.6.2.

Official letters of commendation, certificates of workshops attended, and official class transcripts shall be entered in the employee's file upon their request. Items may be removed from the file two (2) years after insertion provided that the employee has the opportunity to be present to take possession of the materials.

Section 3.6.3.

Provided that no similar re-occurrences have been documented during the previous two (2) years, the Association can request removal of materials from an individual's file.

Section 3.7.

Employees whose positions are eliminated or downgraded due to changes in District facilities or procedures shall be frozen at their current hourly rate until the rate for the downgraded position matches it. Such employees shall retain their seniority in the former classification for two (2) years. The Association may waive Article X to accommodate such employees in their attempts to transfer to higher paying jobs. This downgrade grandfather shall not apply where the transfer to a lower position occurs as part of a reduction in force.

Section 3.8. Cameras on Buses.

Video cameras are a tool to assist in monitoring students on the bus and to provide security for students, staff and District property at school buildings. Video may be used like any other evidence in cases

1 involving safety concerns or allegations of employee misconduct but shall only be used to monitor
2 employee performance with prior approval of the employee and Association. Drivers may view video of
3 their run upon request and may invite another person to view the same. A driver will be notified when
4 video from their bus is pulled for viewing, except when the video is pulled to investigate employee
5 misconduct, in which case any evidence of misconduct will be shared with the employee prior to any
6 disciplinary action. Video will not be reviewed by non-supervisory employees who do not have a job
7 duty that requires the viewing of the video. Video will not be stored on drives or in folders accessible to
8 those who do not have a need to view it.

9 10 **Section 3.9. Cameras at Buildings.**

11 The presence of security cameras at school buildings will be disclosed to the Association upon request.
12 Video may be used like any other evidence in cases involving safety concerns or allegations of employee
13 misconduct but shall only be used to monitor employee performance with prior approval of the
14 employee and Association. The video will not be reviewed by non-supervisory employees who do not
15 have a job duty that requires the viewing of the video. Video will not be stored on drives or in folders
16 accessible to those who do not have a need to view it.

17 18 **Section 3.10. Workplace Harassment and Bullying.**

19 Employees are protected from workplace harassment and bullying under Board Policy 3207.
20
21
22

23 **ARTICLE IV**

24 **RIGHTS OF THE ASSOCIATION**

25 **Section 4.1.**

26 The Association has the right and responsibility to represent the interests of all employees in the unit; to
27 consult or to be consulted with respect to the formulation, development, and implementation of
28 industrial relations matters and practices which are within the authority of the District; and to enter
29 collective negotiations with the object of reaching an agreement applicable to all employees within the
30 bargaining unit.
31

32 **Section 4.2.**

33 The Association is entitled to have representative(s) at hearings conducted by any District official or
34 body arising out of grievance and to make known the Association's views concerning the case.
35
36

37 **Section 4.3.**

38 The District, as part of the general orientation of each new employee within the unit subject to this
39 Agreement, shall provide such employee with a copy of this Agreement to be furnished the District by
40 the Association.
41

42 **Section 4.4. Association Leave.**

43 The President of the Association and designated representatives will be provided time off with pay to a
44 cumulative total of ten (10) days per year to attend regional or State meetings of the Association or to
45 conduct Association business. The Association is required to give the District not less than forty-eight
46 (48) hours' notice and will reimburse the District for the actual cost of the substitute employee(s) hired
47 to replace the President and/or designees.
48

1 **Section 4.5. Bargaining Unit Information.**

2 Upon request, the District shall provide Public School Employees of Washington (the State Membership
3 Department of the Association) with the following information regarding each employee in the
4 bargaining unit (as current in District records): Name, address, personal telephone number, position, hire
5 date, birth date, hours, hourly rate and work location. This information shall be supplemented and
6 revised monthly as changes occur.

7
8 When the District is provided with a report template by WSIPC to automatically report the following
9 information to the Association in an electronic format, the District will provide the Association a
10 monthly bargaining unit list transmitted electronically in Excel format to membership@pseofwa.org and
11 Chapter Membership Officer (or whomever is responsible for membership). Included will be those who
12 are hired, rehired, reinstated, transferred into or out of the bargaining unit, reclassified, promoted,
13 downgraded, placed on leaves of absence of any type (including retirement), and those added or deleted
14 from the bargaining unit. All lists should contain each bargaining unit employee's: name; employee
15 number; classification; job title; work location; personal phone number; address; work and personal
16 e-mail address; hourly rate of pay; hours worked; FTE; SEBB eligibility; gross pay; union dues paid;
17 and language preference.

18
19 **Section 4.6. Bulletin Boards.**

20 The District shall provide a bulletin board space in each school for the use of the Association. The
21 bulletins posted by the Association are the responsibility of the officials of the Association. Each bulletin
22 shall be signed by the Association official responsible for its posting. Unsigned notices or bulletins may
23 not be posted. There shall be no other distribution or posting by employees or the Association of
24 pamphlets, advertising, political matters, notices of any kind, or literature on District property, other than
25 herein provided.

26
27 **Section 4.6.1.**

28 The responsibility for the prompt removal of notices from the bulletin boards after they have
29 served their purpose shall rest with the individual who posted such notices. Bulletin boards shall
30 be maintained in a neat, orderly fashion. It will be the responsibility of the Association to ensure
31 that bulletin boards are maintained in this fashion by the removal of out-of-date notices and other
32 materials which detract from their orderly appearance.

33
34 **Section 4.7. Association Meetings for Night Shift Employees.**

35 Night shift employees will be allowed time off to attend Association meetings provided time and work
36 can be made up and provided further, the supervisor agrees that the workstation can be left.

37
38 **Section 4.8. Conference Committee.**

39 The Association will designate a Conference Committee who will meet with the Superintendent and/or
40 the Superintendent's representatives at mutually-agreeable regular intervals. Items for the meeting
41 agenda shall be shared by the parties in advance of the meeting. Either party may request the presence of
42 a particular representative from the other party, but the parties shall be independently responsible for
43 determining who is appropriate to address items on the agenda.

44
45 **Section 4.8.1.**

46 Either the District or Association may add to the Conference Committee agenda any proposals
47 for changes in job descriptions and evaluation forms. The Conference Committee will appoint
48 subcommittees when necessary to develop such descriptions and/or forms by the people most

1 knowledgeable about the positions. The proposed changes will be reviewed by the Conference
2 Committee so that either party may demand to bargain wages, hours or working conditions
3 resulting from the change in job description.
4
5
6

7 ARTICLE V

8 9 APPROPRIATE MATTERS FOR 10 CONSULTATION AND NEGOTIATION 11

12 **Section 5.1.**

13 It is agreed and understood that matters appropriate for consultation and negotiation shall be wages,
14 hours, working conditions and grievance procedures.
15

16 **Section 5.2.**

17 It is further agreed and understood that the District will negotiate with the Association the effects of
18 subcontracting any bargaining unit work.
19

20 **Section 5.3. Opening or Reconfiguring Schools.**

21 Prior to the opening of a new facility or transferring students to other buildings because of
22 overcrowding, representatives of the Association and District leadership will meet, upon request of
23 either party, to discuss the process for implementing the necessary change. The District will use
24 information from the discussions to develop a process which will be communicated to staff in writing
25 prior to any staff change, provided that the District shall have the right to transfer employees to staff
26 these changes by the following process:
27

- 28 A. The District will give employees who are subject to transfer due to overstaffing the first
29 opportunity to apply for openings made available by the opening of the new building and/or
30 student transfers. The District reserves the right to assign such employees to any opening for
31 which the employee is qualified as long as the employee is not assigned to a position with
32 less hours or less hourly rate than the position from which they transferred.
33
- 34 B. For those positions which are not filled by the transfer process above for any reason, the
35 District reserves the discretion to involuntary transfer employees from overstaffed buildings
36 according to Section 10.7 seniority provisions.
37
- 38 C. For positions that remain open after the above first two steps, the District will post and fill
39 such positions per Article X provisions.
40

41 **Section 5.4. School Year Calendar.**

42 Prior to adopting a student school year calendar, the District will solicit input and calendar preferences
43 from the bargaining unit members through the Association leadership. Should changes to the student
44 calendar be made, the Association shall have the right to bargain the impact of said change prior to
45 implementation.
46

47 **Section 5.5. Reclassification Committee.**

48 When an employee's job requirements have significantly changed to such a degree that their current
49 responsibilities no longer align with their job classification, a review is available through the

1 Reclassification Committee. Experience and additional education not required by the District, an
2 increase in the volume of work assigned, and additional duties assumed by the employee without the
3 knowledge or approval of the employee's supervisor, and personal ability shall not serve as reasons for
4 position reclassification.

5
6 Employee-requested reclassifications during the term of this Agreement shall be submitted by
7 employees to the Association's unit representative prior to March 1. The Association shall screen the
8 applications and present such requests as it deems appropriate to Human Resources once per year prior
9 to April 1.

10
11 The District and Association will provide a mutually agreed upon application form to bargaining unit
12 members wishing to apply for reclassification.

13
14 **Section 5.5.1.**

15 A committee composed of three (3) members designated by the Association and three (3)
16 members designated by the District shall be formed to consider and act upon requests for
17 reclassification to a different position within the bargaining unit.

18
19 **Section 5.5.2.**

20 At the request of the Committee, the employee may meet with the Committee to clarify the
21 request and to respond to any questions by Committee members.

22
23 **Section 5.5.3.**

24 Reclassification requests shall be considered approved when at least five of the six
25 Committee members have reached consensus on approval.

26
27 **Section 5.5.4.**

28 Requests approved by the Committee are subject to ratification by the District's Board of
29 Directors. Approved requests submitted in February shall be considered effective March 1.

30
31 **Section 5.5.5.**

32 Decisions by this Committee regarding the reclassification requests are not subject to appeal,
33 nor are they subject to grievance procedures specified in the negotiated agreement.

34
35
36
37 **ARTICLE VI**
38
39 **EVALUATIONS**
40

41 **Section 6.1. Time and Frequency.**

42 Administrative supervisors shall meet at least annually with employees to discuss professional
43 expectations for their positions and departments and how they fit within the direction of the school
44 system. Employees shall be evaluated at least once every two (2) school years with evaluations due by
45 the employee's last working day of the school year.

1 **Section 6.2. Responsibility.**

2 Paraeducators shall be evaluated by the Principal, Assistant Principal, Dean or other certificated District
3 Administrator or Coordinator/Specialist. Other employees shall be evaluated by their administrative
4 supervisor although data may be provided by other employees under Section 6.3 below.

5
6 **Section 6.3. Data.**

7 The evaluator will gather data to use in completing the evaluation, including direct observations and
8 input from certificated and classified staff who work directly with the employee. Data will include direct
9 observations of employee performance taken at least two weeks in advance of the sharing of the
10 evaluation conclusions. Input from certificated and classified staff does not alleviate the responsibility of
11 the evaluator to confirm opinions and data shared. We believe evaluations should be timely, fair,
12 accurate and based on data. Upon request, the employee shall have the right to review records of any
13 data gathered in this process.

14
15 **Section 6.4. Feedback and Response.**

16 The evaluation shall be discussed with the employee, and signed by the supervisor and the employee, the
17 signatures indicating only that the discussion has taken place. An employee may respond, in writing,
18 concerning any comments or ratings contained within the performance evaluation, and such response
19 shall be attached to the evaluation and be placed in the employee's personnel file. Supervisors will share
20 feedback on areas of performance that need to be improved throughout the year, and such feedback may
21 be shared in documents or discussions that are separate from the evaluation form.

22
23 **Section 6.5. Professional Growth Plan.**

24 Professional growth plans (PGPs) are job-embedded, self-directed professional development. To
25 complete a PGP, employees set their own goals, align them to certificate standards, design an action
26 plan, and collect evidence documenting their growth towards achieving their goals. Employees then
27 reflect on the process. Any employee may request a professional growth plan (PGP) instead of the
28 evaluation process described in Section 6.1. Such request must be made, and the PGP must be
29 developed, by November 15 of any school year and is subject to the approval of the supervisor. Either
30 the employee or the District may require that the regular evaluation of Section 6.1 be used in lieu of the
31 PGP in any year provided that the notice to use the regular form is given prior to February 1 of the
32 respective year. The PGP employee and the supervisor, peer coach or other participants in the PGP goals
33 will meet informally throughout the year to discuss goal progress. All one hundred eighty (180) day
34 employees shall meet with their supervisor prior to the end of the school year to analyze data, review
35 success of goals and to sign a verification form for the personnel file. An employee is eligible for the
36 PGP listed in this section provided that the employee "meets standard" on all criteria listed on any
37 evaluation given over the course of the immediate four school years.

38
39 **Section 6.6. Evaluation Forms.**

40 Current evaluation forms shall be posted on the District's website. See Section 4.8.1 for the process for
41 updating or changing such forms.

42
43 **Section 6.7. Plans of Improvement.**

44 If any employee receives an overall evaluation rating that may lead to discharge, the District may place
45 the employee on a Plan of Improvement (POI). The decision to implement a POI is part of the evaluation
46 process and is not disciplinary or subject to appeal through a grievance. Prior to beginning the POI, the
47 District will meet with the employee and an Association representative, unless the employee declines
48 representation, to discuss the elements, timeline and possible consequences of the POI. The POI will
49 identify the areas of unsatisfactory performance, the timeframe of the POI, the expectation(s) to be met,

resources the District will provide to the employee to assist the employee in meeting expectations, and consequences for failure to meet expectations (which may include a recommendation for termination of employment).

The evaluator will meet with the employee and provide periodic feedback indicating whether or not the expectations set forth in the POI are or are not being met. At the end of the POI, a new evaluation will be completed. Prior to a final decision that an employee has failed to make sufficient improvement during the POI timeframe, the District will meet with the employee and an Association representative, unless the employee declines representation, to discuss the POI and receive the employee's input before making a final determination (the Loudermill opportunity). A recommendation to terminate the employee for inadequate performance following a POI must be considered and approved by the Board. The Board's decision may be grieved under Article XV under the standards and procedures in that Article. For more information relating to employee personnel files see Section 3.6 and its subsections.

ARTICLE VII

HOURS OF WORK

Section 7.1. Assigned Hours of Work.

Section 7.1.1.

The District reserves the right to employ employees for the number of hours, days and weeks which it determines to be appropriate. Before scheduling furlough days for financial savings, the District shall seek input from and provide the Association an opportunity to influence the decision through the Conference Committee regarding the number and scheduling of furlough days for each classification.

Section 7.1.2. Waiver/Early Release Days.

On waiver days and/or early release days scheduled for professional development or similar activities, less than two hundred sixty (260) day employees shall be provided mandatory opportunities on that day or at other days or times scheduled by the supervisor to work hours equal to their regular shifts. The Transportation and Food Service Departments may decide by June 1 each year for the following year, using their consensus decision making process, to forego the mandatory work opportunities in this paragraph except for eight (8) hours of mandatory training for Transportation and four (4) hours of mandatory training for Food Service.

Section 7.1.3.

The workweek shall consist of five (5) consecutive days, Monday through Friday, followed by two (2) consecutive days of rest, Saturday and Sunday; provided, however, the District may assign an employee to a workweek of any five (5) consecutive days which are followed by two (2) consecutive days of rest. Exceptions to this shall be mutually agreed upon by the Association and the District. (See also 7.3).

Section 7.1.3.1.

With prior supervisor approval, during the periods when school is not in session, the workweek and shift of employees may consist of four (4) consecutive days of ten and

one-half (10½) hours a day, including a forty (40) minute uninterrupted lunch period and also including a fifteen (15) minute first half and a fifteen (15) minute second half rest period.

During the school year, and with prior supervisor approval, employees who do not work directly with students may work a similar four (4) day workweek, as long as working said schedule does not impede the operations in their department.

Denial of these requests may be appealed to the Superintendent or designee.

Section 7.1.4.

Any employee who has worked additional days within their assignment on a timecard basis for two (2) or more years shall have their regularly scheduled annual work year increased.

Section 7.1.5.

Each employee shall be assigned in advance to a permanent shift. Each shift shall have designated times of beginning and ending which will not be involuntarily changed without one (1) weeks' notice, except in case of an emergency.

Section 7.1.6.

All employees reporting to work shall receive a minimum of two (2) hours pay at base rate, even though the employee is dismissed from regular shift because of school closures; provided, however, that an employee shall not receive such compensation when the employee has reasonable notice from the District not to report. The District, at its option, may require two (2) hours work at the time of call.

Section 7.1.7.

Employees called for "Special Services" shall be compensated for a minimum of two (2) hours per call. "Special Services" is any work noncontiguous with the regular daily work shift or on an employee's day of rest (except transportation extra trips). Employees absent from work shall not be eligible for special services or other work opportunities on the day of absence.

Section 7.1.8.

On a case by case basis, employees may be allowed to work at home instead of their regular job site with the prior approval of their supervisor. Whether a substitute is called in to work in place of the employee at the normal job site is at the discretion of the supervisor and may be a basis for denial of the request to work at home.

Section 7.1.9. Mandatory Meetings and Training.

Employees shall be compensated at their regular rate of pay for mandatory attendance at meetings and training outside their regular scheduled working day. If such meetings or trainings are held during the employee's regular scheduled working day, employees shall be compensated at their regular rate of pay. If an employee is entitled to an overtime rate of pay as a result of mandatory attendance, the overtime provisions of this Agreement shall apply.

Section 7.1.10. Emergency Closures.

When all schools or individual school buildings are closed, employees assigned to those locations are not expected to report to work except for employees who are designated as critical

personnel. If notice of school closure is provided after an employee has already reported to work, such an employee will be paid for two (2) hours or the actual amount of time worked, whichever is greater. When a school is open, but an employee assigned to that school is unable to report to work at the scheduled start of the employee's shift because of inclement weather or other unforeseen emergency, employees may use emergency leave, vacation leave, personal leave, or 261st / 262nd day (if applicable), or be given an unpaid day if no eligible paid leave remains in the employee's leave balance. The District and Association will collaborate for solutions that may be different for exceptional emergency situations.

Section 7.2. Meal Periods and Breaks.

Section 7.2.1.

Each shift of five (5) hours or more shall include an uninterrupted, unpaid meal period of thirty (30) minutes, to be scheduled at least two (2) hours, but less than five (5) hours, from the beginning of the shift. Each shift shall also include a paid ten (10) minute rest period for each four (4) hours of work, to be scheduled as near the midpoint of the work period as possible unless otherwise agreed upon by the employee and supervisor. Full-time employees (Eight (8) hours per day, two hundred sixty (260) days per year) shall receive an additional ten (10) minute paid break to be attached to their thirty (30) minute unpaid lunch. If equivalent intermittent rest periods are available due to the nature of the work, pre-scheduled rest periods are not required.

Section 7.2.2.

Employees required to work through their regular lunch periods will be given time to eat at a time agreed upon by the employee and supervisor. In the event the employee's supervisor or emergency work requires an employee to forego a lunch period and the employee works the entire shift, including the lunch period, the employee shall be compensated for the foregone lunch period at appropriate rates.

Section 7.3. Overtime and Compensatory Time.

Section 7.3.1.

Except as provided below, all employees subject to this Agreement, except Bus Drivers, shall be compensated at the rate of one and one-half (1½) times their base hourly rate for all hours worked in excess of eight (8) hours per day and/or forty (40) hours per week, and on the sixth (6th) or seventh (7th) consecutive workday. Official holidays, vacation days and sick leave, but not compensatory time, are to be included as hours worked for the purpose of counting weekly hours. Holidays worked will be paid at the employee's hourly rate plus time and a half.

Section 7.3.1.1

All bus drivers shall be compensated at the rate of one and one-half (1½) times their base hourly rate for all hours worked in excess of forty (40) hours per week. Vacation days and sick leave, but not holidays or compensatory time, are to be included as hours worked for the purpose of counting weekly hours.

Section 7.3.2. Sunday Pay.

All time worked by custodians on Sundays shall be paid at twice the employee's regular hourly rate (with night shift differential only added for work within the second shift hours). Other employees specifically required by their supervisor to work on Sunday, excluding employees

who are regularly scheduled to work on Sundays, shall also be paid at twice the employee's regular hourly rate.

Section 7.3.3.

When working an alternative four (4) day workweek pursuant to Section 7.1.3.1, all hours worked in excess of ten (10) hours per day instead of eight (8) hours per day, as well as work on the fifth consecutive workday shall be compensated at a rate of one and one-half (1½) times the employee's base pay.

Section 7.3.4.

Employees transitioning from a night to a day shift or volunteering to work back-to-back shifts shall not be entitled to overtime pay for working more than eight (8) hours per day.

Section 7.3.5.

Except under emergency conditions, employees must have express authorization from their supervisors prior to working overtime.

Section 7.3.6. Compensatory Time.

Upon the prior mutual agreement of the employee and supervisor, an employee may accrue compensatory time at the rates described in this Section in lieu of wages. Employees may accumulate a maximum of forty (40) hours of compensatory time and compensatory time may be used only as scheduled by mutual agreement between the employee and the District.

Compensatory time must be scheduled no later than seven (7) working days after its accrual. Compensatory time must be used within one hundred eighty (180) working days of accrual; unused compensatory time will be paid for in the next available payroll, and therefore exhausted. However, if the next available payroll happens in the following fiscal year (September 1-August 31), the compensatory time must be taken as time off and will not be paid.

Section 7.3.7.

Each building/department shall decide in its decision making matrix, the system for assigning extra work and overtime. The process shall recognize emergency assignments that must be made outside the normal process.

Section 7.4. Substituting for Absent Employees.

Section 7.4.1.

Employees interested in substituting in food service, technology, transportation, custodial/maintenance, and extended enrichment for absent co-workers, in addition to their regular assignment, may sign up annually by seniority in their respective classification. Employees must provide their available times and current phone numbers. Such employees shall be given the opportunity to substitute by seniority first at the work site. In the event no one substitutes at the work site, the opportunity shall be offered in the classification.

Section 7.4.2.

Employees in food service, extended enrichment, custodial-maintenance, and secretarial/ clerical classifications may change shifts/positions at their work site for substitution purposes at the supervisor's request or approval, when necessary.

Section 7.5. Working in a Different Position.

A full-time or regular part-time employee requested to work the full shift for another employee in a different job title shall receive compensation at the wage rate of the other job title on the first day of assignment. Employees shall receive entry level pay for the position being filled or their regular rate if already higher.

Section 7.6. Camp Casey Work.

Section 7.6.1. Nurses.

Employees participating at Camp Casey as nurses shall receive a six hundred dollar (\$600) stipend per two and one half (½) day-session at camp in addition to a wage equal to their regular hourly rate for eight (8) hours per day (in lieu of their regular daily salary).

Section 7.6.2. Paraeducators.

Employees participating at Camp Casey as Paraeducators for disabled students, at the direction of the Special Services Director, shall receive a two hundred dollar (\$200) stipend per day at camp in addition to a wage equal to their regular hourly rate for eight (8) hours per day (in lieu of their regular daily salary). (See Section 7.12 for other language applicable to Educational Support Employees.)

Section 7.6.3.

If more employees apply for Camp Casey work opportunities than there are positions, Section 10.7 shall apply in choosing who is awarded this work, provided that bypass rights may apply if Section 10.7 would create a staffing hardship for a particular worksite. The District shall discuss with and seek agreement from the Association before declaring a hardship.

Section 7.7. Transportation.

Section 7.7.0. Definitions.

Run: A run shall be defined as a pre-determined start and stop location.

Route: A route shall be defined as a set of runs put together.

Supplementary Work: Supplementary work shall be defined as work which occurs at times other than the traditional AM or PM runs. These may include, but are not limited to midday, shuttles, and Puget Sound Skills Center (PSSC).

Extra Work: Extra work shall be defined as work which occurs on a variable basis; e.g., music, sports, extracurricular, performing arts, vocational, learning centers, and field trips. Extra work is all non-contracted time.

Bidding: Bidding shall be defined as the act of indicating interest in driving regular or special education routes/runs supplementary work, and extra work.

Section 7.7.1. Initial Assignment of Routes.

Bus driver and bus monitor routes shall be based on the District-established routes and driving time and shall be initially assigned by the Transportation Supervisor each school year considering available equipment, employee seniority, employee skills, and known employee preferences.

Section 7.7.1.1. Base Pay.

Driver and Monitor pay is based on four (4) hours per day. This is pro-rated over twelve (12) months. Bus Drivers/Monitors monthly pay (bid route time) is based on four (4) hours per day and then additional time worked through the time clock. Holiday pay is based on bid route time.

Driver/Monitor leave allocations and vacation hours will continue to be calculated on their bid route time. Adjustments of sick leave and vacation hours would occur only if a significant change in bid route time of fifteen (15) minutes or more per day, for the remainder of the year. Retirement hours are reported to DRS for all hours worked.

Section 7.7.2. Assignment by Seniority.

On or before September 15 each school year, all regular and supplemental routes shall be posted within the department and offered to drivers in accordance with Section 10.7 as their regular route assignment. Midday routes and out-of-District shuttle runs shall be considered supplemental routes.

If regular routes are consolidated after September 30 and the consolidation results in the loss of a driving position, the displaced driver will be offered any regular routes of equivalent or less time held by a junior employee in accordance with Section 10.7. If a route (exclusive of shuttle time and excluding special education runs) is reduced after September 30 by more than an average of one half (½) hour per day, the driver/monitor of that route shall be offered any run of equivalent or less time held by a junior employee in accordance with Section 10.7. If a route (exclusive of shuttle time and excluding special education runs) is increased after September 30 by more than an average of one half (½) hour per day, the route shall be posted and offered to senior employees with less time in accordance with Section 10.7.

If a special education route is reduced by more than an average of thirty (30) minutes per day from the initial August bid time, the driver of that route will be offered additional transportation departmental work to keep the employee at losing compensation for no more than an average of thirty (30) minutes per day.

If no drivers bid a supplemental run, the run will then be assigned by the Transportation Supervisor to the least senior driver who has not driven a supplemental route to date (except for drivers excluded from midday runs due to other employment). After all drivers have driven a supplemental route, the process will be repeated.

Section 7.7.3. Adjustments to Daily Assigned Routes.

If actual route time exceeds the assigned route time for ten (10) consecutive workdays the driver may request that the assigned route time be reevaluated. If the actual route time is less than the assigned route time, the District may reduce the assigned route provided there is actual cause.

Section 7.7.4. Bus Clean-up and Pre- and Post-Trips.

All bus driver personnel shall receive, in addition to actual hours of driving time, fifty (50) minutes per day for the purpose of bus cleanup pre-trip and post-trip.

5 signing up. Driver must meet the following criteria: (1) Driver must be able to leave/return at the
6 scheduled time of the trip; or (2) an adequate amount of actively working substitutes must be
7 available. The transportation supervisor will determine the adequate amount of actively working
8 substitutes to cover scheduled trips; otherwise, it goes to the next senior driver signing up who
9 meets the above criteria for the trip. No driver shall be eligible for such extra trips when it does
10 not increase the driver's time at least thirty (30) minutes over their regular assignment or their
11 weekly accrued hours would exceed forty (40) hours. Drivers shall be compensated at their
12 regular hourly rate for the duration of the trip. If a trip is cancelled after clock-in on a Saturday or
13 Sunday, the driver shall be paid for one half (½) the posted trip time or two (2) hours, whichever
14 is greater. If a trip is cancelled on a weekday after clocking in, the driver shall be paid two (2)
15 hours. An alternative route may be used at the driver's discretion on extra trips when the need
16 arises due to traffic concerns, road closures, etc.

17
18 **Section 7.7.6. Outside Charter.**

19 Extra transportation trips shall be provided by the District. On occasions when either (a) the
20 District does not have buses and/or drivers available to cover scheduled trips, or (b) a District

23 compliance with safety procedures and District policy.

24
25 **Section 7.7.7. Overnight Trips.**

30 Actual driving time is defined as all periods during which the driver is either driving or required
31 to remain with the bus.

32
33 **Section 7.7.9. Substitutes.**

34 If regular drivers do not bid on a route or available posted time, a substitute driver will be
35 assigned to the route. Substitute drivers shall work a minimum of two (2) hours per shift when
36 called.

37
38 **Section 7.7.10. Mandatory Meetings.**

39 The District transportation supervisor will schedule mandatory meetings at times that will
40 minimize the amount of layover for drivers. Drivers will be paid for up to thirty (30) minutes
41 layover time for such mandatory meetings and may be assigned job-related work during this
42 period of time.

43
44 **Section 7.7.11. Additional Work.**

45 For all additional work, if all options are equally efficient, the District will give preference to the
46 most senior employee whose route will accommodate the extra time without exceeding forty (40)
47 hours per week, inclusive of extra trips, department committee work and other special
48 assignments.

1 **Section 7.7.12. Leave Replacement.**

2 Regular drivers may bid on leave replacement routes or positions which are anticipated to exceed
3 forty-five (45) working days. A substitute will be used to fill the regular driver's route or
4 position. The regular driver shall return to their former position at the time the initial employee
5 on leave returns.
6

7 **Section 7.7.13. Driver Mentor.**

9 (\$25) stipend for a PM route for mentoring newly licensed driver(s) new to the District. Monitors
10 shall be paid a twenty five dollar (\$25) stipend for an AM route and twenty five dollar (\$25)
11 stipend for a PM route for mentoring Bus Monitor duties. Transportation mentors shall be
12 selected by the transportation supervisor and the selection is not subject to the grievance process.
13

14 **Section 7.7.14.**

15 Drivers will remain on paid status for any layover time of fifteen (15) minutes or less between
16 assignments.
17

23 minutes earlier on the first day of the assignment to acclimate themselves to the different bus.
24

25 **Section 7.7.17. Changes to Clock In/Outs.**

26 Transportation employees will be notified by email when a change is made to their clock in or
27 clock out times when the changes are not made at the employee's request. Questions about the
28 changes should be directed to the transportation supervisor. Transportation employees will have
29 access to view altered clock in/out times.
30

31 **Section 7.7.18. Conference Days for Transportation.**

32 If a driver loses bid time due to conferences, management will work with a driver to try to fill in
33 lost time in the manner described below. However, if a driver chooses not to accept fill-in work
34 the driver will clock out and sign office paperwork acknowledging loss of bid time for that day.
35 Acceptable fill-in work will include: (1) cleaning buses as requested; (2) paperwork related to the
36 operation of transportation; and (3) driving whatever routes are needed.
37

38 **Section 7.7.16. Bus Assistants and Bus Monitors.**

39 **Section 7.7.16.1. Bus Assistant.**

41 Assistants shall be selected among applicants who (a) are also employed in another
42 position with the Educational Support classification, (b) who are regularly assigned to a
43 school site, and (c) whose daily schedule in their other instructional support position will
44 not need to be modified in order for them to serve as a Bus Assistant. Preference in filling
45 Bus Assistant positions shall be given to employees at the worksite of the student(s) to be
46 served with the higher seniority in the Educational Support classification. Bus Assistants
47 shall serve under the direction and be evaluated by the Director of Special Services or
48 their designee.
49

1
2 **Section 7.7.16.2. Bus Monitor.**

17 be counted in time worked hours.
18

19 **Section 7.8.2.**

20 Food Service employees will be required to wear uniform tops. A minimum of two uniform tops
21 are to be provided to all Food Service employees every year by October 1. Aprons will be
22 provided upon request by the site manager.
23

24 **Section 7.8.3.**

25 Food service employees required to maintain a food worker card (see Chapter 246-217 WAC)
26 will be reimbursed by the District for the cost of receiving or renewing their food worker card.
27

28 **Section 7.8.4.**

29 At the supervisor's discretion, at times when building kitchens are open for activities outside the
30 normal working day, a food service employee may be on duty and shall be compensated at the
31 appropriate rate. Prior to using a District kitchen, outside groups using District kitchens will be
32 required to meet with a representative from the Food Services Department.
33

34 **Section 7.8.5. Food Service Catering.**

35
36 **Section 7.8.5.1.**

38 School Breakfast and National School Lunch programs.
39

40 **Section 7.8.5.2.**

41 When an employee has two rates of pay within the Food Service classification, the
42 employee will be paid at the higher rate when working in catering jobs.
43

44 **Section 7.8.5.3.**

45 Food Service catering for special events and groups outside regular assigned work shall
46 be done through the regular day whenever possible.
47
48

1 **Section 7.8.5.4.**

2 In the event a catering assignment requires preparation outside normal work times as
3 determined by the supervisor, work shall be assigned to employees with preferential
4 rights first on the basis of site seniority and second on the basis of classification seniority.
5 Only twenty-four (24) hours' notice is required. During the summer, the supervisor shall
6 call employees in classification seniority order until the job is filled. If the supervisor is
7 unable to reach employees on the first call, they shall continue to call down the seniority
8 list. For this Section, each kitchen (including Central Kitchen) is considered a separate
9 site.

10
11 **Section 7.8.5.5.**

12 In the event a catering job requires special skills and knowledge such as volume cooking
13 or baking, and the work cannot be done within the regular day, only employees with
14 specific skills and knowledge may complete the job, regardless of seniority. In the event
15 the qualified employee declines, other employees with training shall be offered the job by
16 seniority.

17
18 **Section 7.8.5.6.**

19 Food Service employees may volunteer to work as the cook for a non-profit organization

27 EEP site managers will be paid their regular wage during District breaks when working as
28 directed by the EEP supervisor. EEP employees with other District positions may be released, at
29 the supervisor's discretion, to attend District-sponsored training if coverage is secured. Each site
30 manager shall have at least thirty (30) minutes uninterrupted time per day for planning built into
31 their schedules. If an employee is required to stay late due to parents arriving late to pick up their

34 rate.

35
36 **Section 7.9.2.**

37 EEP employees required to maintain a food worker card (see Chapter 246-217 WAC) will be

39
40 **Section 7.9.3.**

41 Any current Extended Enrichment employee who is promoted to an Extended Enrichment Site
42 Manager position will have the duration of their seventy-five (75) day probationary period to
43 complete STARS training if they have not already done so. If the training is not successfully
44 completed in that time period, the employee will return to their previous position per Section
45 10.2.3. A new employee hired as an Extended Enrichment Site Manager must have already

14 Assistants.

15
16 **Section 7.10. Custodial and Maintenance Employees.**

17
18 **Section 7.10.1.**

19 All custodial and maintenance employees will be budgeted, supervised, evaluated and addressed
20 as part of the same department. Building principals will give input to the department supervisor
21 on evaluations and will be included in the selection process. Custodial and maintenance
22 employees will be involved in the management of their department through a shared decision-
23 making model, and such process will include input from employees in re-assignments and
24 additions of custodial hours as identified in the department decision making matrix.

25
26 **Section 7.10.2.**

27 Daily work schedules for employees will be set by the District-wide department and shared with
28 principals annually. The department supervisor will have the authority to temporarily reassign
29 staff to address emergencies or special projects at particular buildings. Principals will still have

32
33 **Section 7.10.3.**

34 The District-wide department will support and assist classroom moves with at least eighty (80)
35 hours of custodial substitute time. All hours in excess of the eighty (80) allotted hours will be

37
38 **Section 7.10.4.**

39 All Head Custodians shall pass a joint District/Association approved test on the operation and
40 troubleshooting of the HVAC and Energy Management Systems for their assigned building
41 within six (6) months of their first day in the position with a minimum of eighty percent (80%)
42 mastery. Employees will be given two (2) opportunities at a time mutually agreed by the
43 employee and supervisor to pass this specific test. A core sequence of professionally certified
44 training on these systems (based on a structured course outline) will be provided to the employee
45 in block periods of time, related to complexity of the building system to which they are assigned.
46 Current employees who are considering applying for open Head Custodian positions are
47 encouraged to participate in the District-sponsored training, and to pre-qualify by taking the
48 required assessment prior to applying for the position. The District will provide follow-up
49 training by the Maintenance Supervisor and/or other designated District mentor(s) of at least five

(5) documented hours per month for the first three (3) months. Additional training may be requested in writing by the employee. Failure to pass this assessment, given the two(2) opportunities, will result in separation from employment (under the same terms as would apply to a probationary employee under Section 10.2.) or return to the previous position (under the same terms as would apply to a trial period under Section 10.2.3.).

Section 7.10.5.

Section 7.10.6.

When an eight (8) hour night custodial shift needs to be covered, the part time custodian with the highest seniority will be given first opportunity to fill this open position and all openings will be filled with this process until a vacant position exists. A substitute will then be called for the vacant position. This is specific to the job site and does not include covering shifts at other buildings, only the building for which the part-time person is assigned.

The position will be posted within each building during the fall following the expiration of a term of service, and selection shall be completed prior to the end of September of that school year. In the event a Head Paraeducator transfers to another site prior to the end of the term the position will be re-posted within the building for the remainder of the term. Each Head Paraeducator shall have an average of ten (10) hours per month in addition to their regular assignment, not to exceed a total of one hundred (100) hours during any single school year, to be mutually scheduled with the building administrator. The Head Paraeducator shall be compensated at the rate of one dollar (\$1.00) per hour above the employee’s regular hourly rate for all hours worked (see Schedule A Note 13).

The District may request an employee to submit a signed statement from a licensed health care provider indicating why an employee has been absent from work after at least five (5) consecutive days of absence. In addition, nothing in this Agreement shall prevent the District from requiring a signed statement from a licensed health care provider indicating why an employee has been absent from work for a pattern of repeated absences.

Each employee shall be credited twelve (12) days sick leave at the beginning of the school year. Any accumulated sick leave up to a maximum of forty-five (45) days shall be creditable as service rendered for the purpose of determining eligibility to retire if allowed through the State Employees Retirement System, provided there will be no cost to the District.

Application for such leave(s) shall be made as soon as possible and shall be accompanied by a physician's statement as to the expected time needed for such leave. Updates shall be provided if changes occur. An employee who has been on disability leave for more than six (6) months shall give thirty (30) calendar days' notice of intent to return to work. Except as provided by law or specifically stated to the contrary herein, all leaves of absence shall be without pay, without benefits, and without salary experience credit.

Section 9.5.1.1.

The returning employee will not necessarily be assigned to the identical position occupied before the leave of absence. However, provided a vacancy exists for which the employee is qualified, the employee shall be reinstated to a position equivalent in duties and salary to that held at the time the request for leave of absence was approved.

Section 9.5.1.2.

The employee will retain accrued sick leave, vested vacation rights, and seniority rights while on leave of absence. However, vacation credits and sick leave shall not accrue while the employee is on leave of absence. The employee will retain and continue to accrue seniority during such leave, provided, however, that the employee shall not accrue any greater seniority, nor shall the employee's relative seniority position be different than it would have been had the employee not been granted such leave.

Section 9.5.1.3.

An employee hired to replace an employee on leave shall be known as Leave Replacement Employee and be treated according to Article I, Section 1.5.6.

The employee shall notify the District by written evidence immediately after receiving such a call for duty. The time spent on such a leave of absence shall be considered in all respects as time spent in the normal employment of the District. Compensation from the judicial or administrative tribunal for actual expenses shall be retained by the employee.

Section 9.7. Workers Compensation.

In the event an employee is absent and receiving benefits covered by industrial insurance (workers' compensation), the employee may choose to use or not use sick leave to make up the difference between the amount paid the employee by the Department of Labor and Industries and the amount the employee would normally earn, up to the extent of the employee's accumulated sick leave. ARTICLE X

PROBATION, SENIORITY AND LAYOFF PROCEDURES

Section 10.1.

The seniority of an employee within the bargaining unit shall be established as of the date on which the employee began continuous daily employment (hereinafter "hire date") unless such seniority shall be lost as hereinafter provided. Seniority ties will be broken by the District by lot, in the presence of the affected employees or a representative of the Association. When multiple positions are being filled for

new bus drivers on the same date, the order of seniority shall be determined by a composite score which includes prior driving experience and input from driver trainer, transportation supervisor, and interview team scores.

Section 10.2. Probationary Period.

Each new hire shall remain on probationary status for a period of not more than ninety (90) of the employee's scheduled workdays following the hiring date. During this probationary period, the District may discharge such an employee at its discretion.

Section 10.2.1. Conclusion of Probation.

Prior to the conclusion of the employee's probationary period, the immediate supervisor shall meet with the employee to inform the employee of whether employment continues beyond the probationary period. A written evaluation of the employee's progress shall be made after sixty (60) of the employee's scheduled workdays, and prior to seventy (70) of the employee's scheduled workdays. The employee's probation period may be extended by the District for another ninety (90) workdays upon written notification to the employee and union. At the end of the probationary period, the employee will be subject to all rights and duties contained in this Agreement retroactive to the hire date.

Section 10.2.2. Job Description.

Probationary employees shall receive copies of their job descriptions upon employment with the District.

Section 10.2.3. Trial Period.

An employee who is promoted, or upon application, transfers to a different position or accepts an additional separate assignment, shall be in a trial status for a period of seventy-five (75) workdays. A return back to the employee's previous or equivalent position at the employer's discretion during the trial period is subject to review under the grievance procedure, with said review to be limited to whether the return was arbitrary or capricious. During the trial period, an employee shall be provided with at least one (1) written progress evaluation after fifty (50) of the employee's workdays and prior to sixty (60) of the employee's workdays. The employee's trial period may be extended by the District for another seventy-five (75) workdays upon written notification to the employee and the Association.

Section 10.2.4.

If a new employee hired to a temporary position successfully bids to a regular position, or bids successfully to the same position in another location or increases hours in a similar or the same position during the probationary period, such employee shall serve a new probationary period of seventy-five (75) workdays.

Section 10.2.5.

There is an expectation of good faith from all parties. The right to return to the previous or equivalent position does not supersede the District's right to discipline and discharge under Article XI for acts of dishonesty and gross misconduct.

Section 10.2.6.

See also Section 7.9.3 for specific provisions related to probation for Extended Enrichment employees.

Section 10.2.7.

Employees are not eligible to transfer to a different position prior to a written evaluation of their progress, provided that exceptions may be made for (a) employees with unique skill sets; (b) a position with a scarcity of candidates; or (c) transfers with a minimal impact on student and employee work environments. Exceptions must be approved by Human Resources and notification will be provided to the union with an explanation of the rationale. Such exceptions are not subject to the grievance process in Article XV.

Section 10.3.

Job sharing requests will be considered on a case-by-case basis by the District.

Section 10.4. Loss of Seniority Rights.

The seniority rights of an employee shall be lost for the following reasons:

- A. Resignation from District employment;
- B. Discharge for justifiable cause;
- C. Retirement; or
- D. Change in job classification within the bargaining unit, as hereinafter provided.
- E. Voluntary transfer from a permanent position to a temporary position within the same classification unless supervisor requests the transfer for a temporary, leave replacement within the same department or building consistent with Section 1.5.6.

Section 10.5.

Seniority rights shall not be lost for the following reasons, without limitation:

- A. Time lost by reason of industrial accident, industrial illness or judicial leave;
- B. Time on leave of absence granted for the purpose of serving in the Armed Forces of the United States; or
- C. Time spent on other authorized leaves.

Section 10.6.

Seniority rights shall be effective within the general job classification. As used in this Agreement, general job classifications are those set forth in Article I, Section 1.4.

Section 10.7. Seniority Rights.

The employee with the earlier hire date shall have preferential rights regarding shift selection, vacation periods, transfers, assignment to new or open jobs or positions, promotions, fewer or additional FTE hours for a position (except as provided below) and layoffs when ability and performance are substantially equal with those employees junior to the employee. The factors used to determine ability and performance may include, but not necessarily be limited to, one or more of the following: skill demonstrations, interviews, job-related testing, past performance evaluations, references, relevant education or training, and related experience including seniority. If the District determines that seniority rights should not govern because a junior employee possesses ability and performance substantially greater than a senior employee or senior employees, the District, upon request, shall set forth in writing to the employee or employees its reasons why the senior employee or employees have been bypassed.

Section 10.7.1.

All employees covered by this Agreement shall have the right to apply for any job opening within the District. Employees are responsible for providing information regarding qualifications with each application, including up to date resumes, recommendations, and cover letters. The updated information may be provided to Human Resources or the hiring administrator directly,

1 ahead of the interview, if not accepted by the online hiring portal. The District shall provide
2 training and assistance to employees on any electronic application required by the District.
3 Employees who properly apply for such open positions within the District (including up to date
4 resumes, recommendations and cover letters) and meet the minimum qualifications for the
5 position shall be granted personal interviews for the purpose of further determining their
6 qualifications for such open positions. These interviews may not be granted if the District decides
7 to hire the most senior applicant without interviewing other applicants. If a non-employee is
8 hired over an employee, the District shall set forth in writing to the employee(s) its reason why
9 the employee(s) has not been hired, if requested.

SHARED DECISION MAKING

Section 13.1. Overview.

The Public School Employees of Tahoma, Tahoma School District Administration, and Tahoma School District Board of Directors (hereafter "we") believe in a collaborative approach for creating an environment where all students experience success.

1
2 **Section 13.2. Consensus Model.**

3 The parties are committed to a collaborative process for decision making based on a consensus model. In
4 consensus, consideration is given to all persons who are impacted by the decision. In this process
5 everyone in the group supports, agrees to, or can live with a particular decision. Each site is required to
6 develop a decision-making matrix based on consensus including identifying:

- 7 • how decisions are made
- 8 • by whom
- 9 • when decisions are made
- 10 • a most, the percentage used in reaching a final decision when complete agreement cannot be
- 11 reached.

12
13 **Section 13.3. Decision-Making Beliefs, Components, Assistance and Building Level Decisions.**

14
15 **Section 13.3.1. Beliefs About Consensus.**

16 Consensus works best when:

- 17 A. The parameters within which a decision will be made are identified.
- 18 B. Staff members identified as providing input and making decisions are actively engaged.
- 19 C. Diversity is honored, encouraged, practiced, and modeled.
- 20 D. All required participants prioritize the time necessary to reach consensus.
- 21 E. All required participants accept responsibility for the process including supporting,
- 22 agreeing to, or living with, the group's decision.
- 23 F. Clearly articulated norms for group processing and structures for communicating
- 24 decisions are established and implemented.

25
26 **Section 13.3.2.**

27 Components of a building and District decision-making model shall include:

- 28 A. A matrix identifying the process for final decisions and role of staff in building level
- 29 decisions. Buildings shall use the format and required topics identified in Appendix C
- 30 ("Building Decision Making Matrix Template") and have the autonomy, within the scope
- 31 of the building's contractual and legal authority, to add topics through a consensus
- 32 process.
- 33 B. An annual review of the decision making process and matrix by the whole staff including
- 34 identification of potential changes to any decisions that do and do not require consensus
- 35 by the staff.
- 36 C. An annual submission of the building matrices to the Association and Human Resources
- 37 no later than October 1.
- 38 D. Identification of most, the percentage used in reaching a final decision when complete
- 39 agreement cannot be reached.
- 40 E. A written description of the responsibility representatives have for seeking input and
- 41 communicating concerns and alternatives prior to a consensus decision.
- 42 F. A process for involving and informing staff of decisions reached on matrix topics.

43
44 **Section 13.3.3. Consensus and Supervisor Training.**

45 Staff, with their principal, shall annually determine the training, coaching or other support
46 necessary to successfully use a consensus based decision-making model. Requests for support
47 will be submitted to the Director of Human Resources who will be responsible for the
48 development of a plan to meet the identified needs.

Section 13.4.

Each year, the District shall allocate leadership and staff development funds to support classified staff with decision-making opportunities. The appropriate uses of leadership and staff development funds are defined below, and the funds allocated in this Section may be used flexibly each year for activities or costs that fall within either definition. If the funds distributed under this Section are used to compensate employees for additional paid time, the funds must also cover any employer taxes or benefits associated with such compensation.

The money will be dispersed to each school site as well as the Food Service, Transportation, Maintenance/Custodial, Central Services, Special Services, Technology and the Extended Enrichment Program departments. The formula for calculation shall be two hundred dollars (\$200) per employee provided that no less than one hundred ten thousand dollars (\$110,000) shall be provided for each year of the Agreement. At each site/department, these sums of money shall be distributed in accordance with a consensus process in alignment with the decision-making matrix at each site/department. It is not the intent to equally distribute the monies among the members. The District's Finance Department will provide to each site/department team a monthly status report regarding this budget. Any funds which are not committed to a particular activity or cost by April 1 of each school year shall be pooled Districtwide and distributed by the Association/District conference committee to sites/departments who have excess needs and who will expend the funds during the current fiscal year. Any funds not used during the fiscal year do not carry over to the following year.

Section 13.4.1. Leadership Money.

This money is intended to provide staff with the opportunity to be represented on building/department/staff committees where the representative has the responsibility to provide the input of Association members, share the needs of the Association staff, and report back to the Association members as well as gather input for future meetings. See Section 16.5 for service on District Committees.

Some examples may include, but are not limited to, input regarding budget, communication among departments, input into staff handbooks, representation on site councils, curriculum councils, department vision building, ad hoc committees, and other building wide committees where staff input is requested.

Association staff, through the consensus process has the authority to determine the compensation (paid, release), change the rate of compensation (not to exceed the regular hourly rate of the highest paid Association employee in the department/site), and decide the duration for the position.

Section 13.4.2. Staff Development Money.

This money is intended to provide staff the opportunity to receive voluntary training above and beyond that which is required by the District. District required trainings would be provided and funded by the District and not through the use of these funds.

Some examples include, but are not limited to, attending an off-site conference or attending a training on a workday, a non-workday or over the summer. Alternatively, trainers may be brought to the District as another means of accessing this opportunity. These opportunities may be done individually or as a group and may include multiple sites/departments. See Section 16.12 for the "training rate".

Association Staff, through the consensus process, has the authority to determine the compensation (paid, release), change the rate of compensation, and decide the duration for the position.

Section 13.5. Handbooks.

Some departments have developed, or may develop, department procedures through a consensus decision making process. The provisions of this Handbook which impact wages, hours and working conditions are incorporated by reference into this collective bargaining agreement (CBA). If any particular provision of the Handbook conflicts with a provision of the CBA, the CBA shall control. The Handbook may be modified by the approval of the supervisor, the Association unit representative, and the consensus decision making team. The Association unit representative has a responsibility to keep the Association Executive Board informed of changes being discussed and making sure the Executive Board agrees with any changes in the handbook that impact wages, hours or working conditions. If the supervisor, unit rep, and the consensus decision making team cannot agree upon a change in the Handbook, the matter shall be referred to the District/ Association Conference Committee for a decision.

WHAT ARE THE “WEINGARTEN RIGHTS”?

The “Weingarten Rights” (mentioned in Article III, Section 3.3) requires that an employee be given the opportunity to have Association representation at an employer’s investigatory interview pertaining to the discipline, discharge or suspension of that employee. This rule recognizes that the presence of an able Association representative at an investigatory interview may assist the employer in obtaining facts and may help both sides save valuable time in getting to the bottom of the issue. This opportunity includes the following principles:

1. The employee must request an Association representation.
2. Rescheduling a meeting to permit an Association representative to be present may be appropriate, but the unavailability of a union representative may not unreasonably delay the investigation.
3. The right applies to situations where the employee reasonably believes the investigation will result in disciplinary action. This right does not pertain to “run-of-the-mill-shop-floor conversations” including but not limited to giving instructions, training or needed correction of work techniques.
4. The Association representative’s role is to assist the employee, not to disrupt or obstruct the interview. The representative’s role may include clarifying facts or suggesting other employees with relevant knowledge.
5. If an employee requests Association representation, the employer may decide to continue the investigation without interviewing the employee. The employer is not required to justify this decision.

These duties and responsibilities are printed here for the education of employees and supervisors, and not as a limitation on the rights of the parties in any particular case.

WHAT DOES “JUST CAUSE” MEAN?

The concept of “just cause” (mentioned in Article XI, Section 11.1) requires that there be fundamental fairness in decisions related to the discipline and discharge of employees. Arbitrators have articulated many definitions and explanations of “just cause” over the years, including, but not limited to the following tests:

1. Did the employer give the employee forewarning or foreknowledge of the possible or probable disciplinary consequences of the employee’s conduct?
2. Was the employer’s rule or managerial order reasonably related to the orderly, efficient, and safe operation of the business?
3. Did the employer, before administering discipline to an employee, make an effort to discover whether the employee did in fact violate or disobey a rule or order of management?
4. Was the employer’s investigation conducted fairly and objectively?
5. At the investigation, did the ‘judge’ obtain substantial evidence or proof that the employee was guilty as charged?
6. Has the employer applied its rules, orders, and penalties evenhandedly and without discrimination to all employees?
7. Was the degree to discipline administered by the employer in a particular case reasonably related to (a) the seriousness of the employee’s proven offense and (b) the record of the employee in their service with the employer?
