ARLINDA WILLKIE (GRADE 10); MAULIOLA ZUTTERMEISTER, STORY TASAKA, MAYA NAKAMURA, SAKURA LOO, HARPER STEELE, & EVA HALEY (GRADE 9)

**DAMON HALL**

"Welcome to the Visual Arts Expo! This year, we completed a large mural entitled "STEAM" for the Maker Space in the Young Building. We also collaborated on various creative projects, including drawing, painting, and ceramics. We will share our work in an informative, gallery-style exhibition."

## HOW TO THINK LIKE A CHILD (INFORMATIVE, DEMONSTRATION, INTERACTIVE)

FLAME NAUN (GRADE 11)

**HS 11 - MS. YOUNG'S ROOM**

"Welcome to How to Think Like a Child, a demonstration and role-play presentation on interacting with children. I will ask a volunteer from the audience to demonstrate how they would react to a role-played situation with me. This role-play will be used to demonstrate how to interact with children appropriately."

## H POWER COMPUTING EXPERIENCE (DEMONSTRATION, INFORMATIVE)

MATTHEW ESPIRITU (GRADE 12)

**HS 15 - MS. EMI'S ROOM**

"Join me, and I will show you what to expect if anyone dares to enter the electronic repair business. I will show you the software and hardware work I've done during my time there, as well as a video I put together on downloading Windows 10 onto a computer."

## FROM KAILUA TO KA'ENA POINT, WELCOME TO THE DIVISION OF FORESTRY AND WILDLIFE (INFORMATIVE)

MAX MORELLI-VINE (GRADE 12) & DANE ASATO (GRADE 11)  
**HS 2 - DR. HUDSON'S ROOM**

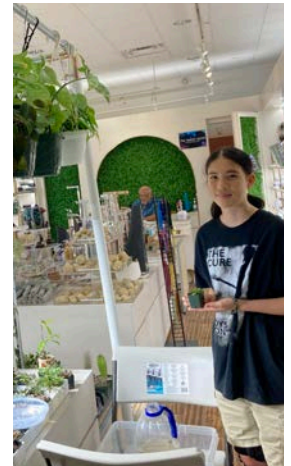

"Hiker and hunter check-in stations, raising pheasants, pig trapping, landscaping- we've done it all. In collaboration with DOFAW, we are here to present what the two of us had the opportunity to learn and how the work DOFAW does benefit Hawaii."

## HOW THE TURNTABLES HAVE TURNED (INFORMATIVE)

ERIN VAN RAFELGHEM (GRADE 10)

**HS 6 - MS. FULLMER'S ROOM**

"A big thanks to both of my mentors for having me. This year, I held two mentorship positions: Positive Space in Windward Mall and Hungry Ear Records at Salt in Kakaako. They taught me a lot, like how to open the store and even train other employees. I will share my knowledge about crystals and music."

## A DAY IN THE LIFE OF A SECURITY AND SOUND INSTALLER (INFORMATIVE)

NOAH KAM (GRADE 11)

**HS 7 - MR. GIDDINGS'S ROOM**

"I will show what I did and observed at Security and Sound Systems. Some examples are how I learned to make speaker boxes and install security and sound products in cars."

## LEARNING AND LIVING IN THE LILIHU LIBRARY (INFORMATIVE, INTERACTIVE)

LOGAN CHAN (GRADE 12) **HS 22 - MR. YUEN'S ROOM**

"Libraries are a safe haven for many, but keeping the coziness requires maintenance and new ideas. Join me as I show these various tasks and introduce you to the book that led me to choose this route. In addition, you will also get the chance to challenge yourself and your library knowledge."

# SESSION 2

8:35 - 8:50

## A BOUNTIFUL TIME (INFORMATIVE, INTERACTIVE)

SHARESE KURIZAKI (GRADE 12) & EMILY KURASHIMA (GRADE 11)

**DAMON HALL**

"Ho'oulu Aina is a 100-acre nature reserve we have worked on for the past months. As a new mentee (Emily) and returning mentee (Sharese) to Ho'oulu Aina, we will share what Ho'oulu Aina is known for, how they came to be, and how they are carrying out their mission now. From transplanting to plant identification, our presentation will lead you toward serenity and knowledge."

## THE EYES OF HAWAII (INFORMATIVE, DEMONSTRATION)

MATTHEW STEPANIC (GRADE 10)

**HS 2 - DR. HUDSON'S ROOM**

"Manoa Heritage Center is a living-learning center promoting Hawaiian culture and natural heritage. Much of my mentorship time was spent helping propagate and maintain native Hawaiian plants. This informative presentation will teach you about the ins and outs of Manoa Heritage Center and the greenhouse I called home. So come on by and see through the eyes of the aina."

## YMCA, ART CREATION, AND SUPERVISING (INFORMATIVE)

AIDEN FUNAI (GRADE 10)

**HS 11 - MS. YOUNG'S ROOM**

"Want to learn how to make origami, care for plants, and supervise others? These are some things I did with the kupuna at the YMCA and the children of Lincoln Elementary. Let me give you an insight into what I've been doing at these two mentorship sites."

## PACIFIC FLIGHT ACADEMY - NAVIGATING THE SKY (INFORMATIVE, INTERACTIVE)

STEPHANY KANNO (GRADE 12)

**HS 7 - MR. GIDDINGS'S ROOM**

"Step into the world of aviation! Connect with experienced mentees, explore aviation, and discover how mentorship cultivates skills and confidence in aspiring aviators. Join us in celebrating the journey of mentorship and knowledge, where every prospective pilot can learn about our experience at Pacific Flight Academy!"

## FLYING FIRST-CLASS (INFORMATIVE, DEMONSTRATION)

**ANDREW ISHIDA (GRADE 12) DAMON HALL**

"Robotics has been a large part of my life for eight years, and of those, FIRST (For Inspiration and Recognition of Science and Technology) competitions have occupied two of those years. I have worked as a programmer for three teams, two of which have been for Assets. I will show you some of what I have done during my journey as a programmer and hopefully encourage others to join the Assets Robotics program."

## KEEPING MY EYES IN THE SKY

**(INFORMATIVE) HS 2 - DR. HUDSON'S ROOM**

**JORDAN MCKENZIE (GRADE 12)**

"I will be talking about my journey and experience flying with Barbers Point Flight School. During my time there, I flew in the sky and also studied on the ground. I learned several new skills and took full advantage of all the nice and helpful CFIs (Certified Flight Instructor), CFIs (Certified Flight Instructors), and MEIs (Muti-Engine Instructors). You will learn about everything the best flight school on the island has to offer."

## WORKING THE MUSCLES (INFORMATIVE, INTERACTIVE)

**HS 11 - MS. YOUNG'S ROOM**

**TAYLOR DOLBECK (GRADE 11)**

"My presentation will have pictures and videos of me instructing the 9th graders to do the workouts at Assets High School PE. I will talk about some of the strengths and challenges that I faced during this mentorship, as well as some of the highlights. I will also bring up the idea of doing this further and making it into my career after high school."

## A DAY IN THE LIFE OF A VOLUNTEER AT CASTLE HOSPITAL (INFORMATIVE)

**NATALIE WALLACE (GRADE 11) HS 6 - MS. FULLMER'S ROOM**

"Department projects, special event, patient interaction, and various other tasks are just some of the things that you get to experience when you're a Castle Hospital volunteer. This presentation will take you through some background information about the hospital, along with what an average day looks like for a volunteer."

## THE HONOLULU FIRE DEPARTMENT - IMPACT ON THE COMMUNITY (INFORMATIVE)

**HS 7 - MR. GIDDINGS'S ROOM**

**RAFAEL FERNANDEZ (GRADE 10)**

"Under the teachings of now-retired Captain Chris Bartolome and the rest of the team, I will explain what the Community Relations firefighters do and how they teach how to prevent fires to make the community safer. As the fireman's motto says, 'Safety first, always.'"

## ARE YOU HUNGRY?! GET READY FOR FOODLAND FARMS! (INFORMATIVE)

**REYN KIDO (GRADE 11) HS 22 - MR. YUEN'S ROOM**

"What is Foodland Farms? Please join me as I show you the skills I learned on Wednesdays at Foodland Farms Pearl City. I will present many of the delicacies that I was taught to prepare throughout the year at Foodland Farms and give insight into the irresistible creations that this incredible company makes daily. And....there could be samples!!"

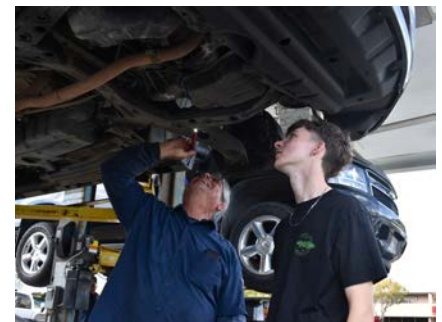

## THE WINNER ISN'T THE ONE WITH THE FASTEST CAR, IT'S THE ONE WHO REFUSES TO LOSE....

## (INFORMATIVE, DEMONSTRATION)

**TRAJAN THOMSON (GRADE 11)**

**HS 15 - MS. EMI'S ROOM**

"My mentorship occurs at the amazing Tenn's Auto Center in Enchanted Lake. I spend my Wednesdays learning about all aspects of car repair and routine maintenance. My mentors are fantastic and always make time to teach me what they are working on. In my video, I will show how to change your oil and some other cool tips that will help make your vehicle last for many years. I hope this presentation will demystify basic car repair and maintenance."

# SESSION 10

1:10 – 1:25

## HAWAII THROUGH A LENS (INFORMATIVE, DEMONSTRATION) **DAMON HALL**

JACE LUCAS & EVAN ING (GRADE 10)

"Travel with us back in time and across the island to experience our year-long journey where our luggage was our cameras and discover how we "took our best shot" at trying out digital camera techniques. Your destinations will include Chinatown, Manoa Falls, the Honolulu Zoo, and Foster Botanical Gardens, to name a few. After learning about symmetry, patterns, apertures, depth of field, and movement, we took on challenges to capture nature, colors, moving water, and even hidden letters of the alphabet. You will meet our mentors and see our epic failures as you watch us progress through trial and error."

## FROM SKY TO DESK: LAUNCHING CAREERS, NAVIGATING FUTURES (INFORMATIVE, DEMONSTRATION) **HS 2 - DR. HUDSON'S ROOM**

THEO STRINGER (GRADE 11)
