

Grayhawk
Prosthodontics
Dr. Farzam Maleki

POSITION:

Dental Sterilization Technician

HOURS:

Monday – Thursday. FT preferred or PT depending on school schedule.

Compensation Range:

\$15-17 per hour

The sterilization technician sterilizes instruments for procedures, ensuring safety and cleanliness of our dental instruments as well as disinfecting and turning over the operatories. As a sterilization technician you will also be responsible to maintain inventory of back office supplies and ensuring that our dental office is well stocked and prepared for each patient's visit.
