

# EDEN HALL UPPER ELEMENTARY

Greetings, EHUE Students and Families,

As we continue to stay committed to our building theme, "***Let's Grow Together: Growing Hearts and Growing Minds,***" we continue to embrace new learning and celebrate our accomplishments.

As we quickly approach the PSSAs (Pennsylvania State Standardized Assessments), our teachers have been working with our students to instill confidence and remove any potential stress. Our biome teams have been working with students to practice logging into the assessment, familiarize students with online tools, and differentiate instruction to target the needs of our learners. We have shared some reminders below that

were also included in our district communication. We look forward to celebrating our students' hard work on the PSSAs and academic growth this school year at our school picnic on May 10th! Our students will have the opportunity to bring beach towels and blankets to eat outside with their friends while also enjoying the DJ and games!

**English Language Arts:** April 22-24

**Math:** April 29-30

**Science:** May 6-7

- On designated testing dates, please assist us by ensuring that your **child's device is fully charged** and that they also **bring their charging cord each day** as well.
  - **Students are not permitted to have any electronic devices**, apart from their district-issued Chromebook, for testing and allowable calculators for specified portions of the exams in certain grade levels per the policy.
  - Students should arrive to school on time, as testing will begin promptly at 8:40 am.
  - Students will be tested online via a district-provided Chromebook on school premises, unless an accommodation is in place that would require paper/pencil assessments.
- Students will need a pair of wired headphones/earbuds, which can plug into the device (e.g.: not Bluetooth) to assist with the directions and prompting for the assessment.**  
Test these headphones in advance on your child's district-issued device if you have one.

# EDEN HALL UPPER ELEMENTARY

## Car Rider Reminders:

This is a friendly reminder to follow our car line procedures outlined at the beginning of the school year.

- All cars should follow the traffic pattern shown in the image below. ***Cars are not permitted to leave the drop off line (i.e. passing cars).***
- Students should exit the car on the passenger side for safety reasons.
- Students arriving ***after 8:35 am are considered tardy.*** If a car rider arrives after 8:35 am, the student should enter through the main entrance doors for a tardy pass. If there is a delay with the car rider line, we will continue to keep the car rider line open.

## **Upcoming Spring Events:**

April 25 - Take Your Child to Work Day

May 3 - No School for Students

May 6 - New Parent Orientation (Two sessions 9:30 am and 6:30 pm)
