Blended Program **File: DIA-E1**

North Conejos School District 0550
North Conejos Alternative Program
School Code 6339
Blended Program: Student State Code of 80

Blended instructional courses offered at North Conejos Alternative Program is a course or subject in which students have required face-to face learning two days a week with their teacher of record and then are able to complete their remaining coursework remotely using an online platform. The online course content is an extension of what the students are completing during in person class time and is guided by the teacher.

Course Credit Equivalency:

NCAP offers both blended learning and 100% in-person courses. Blended Learning Courses: Equivalent Instructional Statement – 1 hour of instruction per day (for a total of 4 hours per week)

All core courses (Math, English, Science, History) are offered as blended learning courses in which the student is expected to engage 1 hour per day (2 days in person and 2 days asynchronously).

Elective courses (such as Spanish and Technology) are also offered as blended learning courses in which the student is expected to engage 1 hour per day (1 day in person and 3 days asynchronously).

100% In-Person Courses (no equivalency provided): based on actual in-person instruction only

Meeting times for these courses will vary (usually 1-2 days per week for 50-70 minutes per day)

Art/Healthy Choices/ Life Skills/ Vocational Prep

For blended learning (semester long- 0.5 credits) courses, the equivalent amount of instruction is 1 hour per day (4 days per week)

Sample of Permissible Documentation
