CHAPIN HIGH SCHOOL

ABOUT THE SCSIC

The SC School Improvement Council was first established in South Carolina law over four decades ago to provide the member training, technical assistance, statutory accountability, and other resources vital to the continued success of community-based School Improvement Councils in each of the state's 1,100-plus K-12 public schools.

The vision of the SC School Improvement Council is:

To promote and support civic engagement for quality public education in South Carolina.

The mission of the SC School Improvement Council is:

To facilitate meaningful parent and community involvement in our state's public schools by providing resources, tools and strategies to local School Improvement Councils and other stakeholder groups.

PURPOSE OF THE REPORT

The report is issued by the School Improvement Council in accordance with South Carolina law to share information on the school's progress in meeting various goals, objectives, the work of the SIC, and other accomplishments during the school year.

SCHOOL'S MISSION STATEMENT

The mission of Chapin High School of Lexington Richland School District Five, in partnership with the community, is to provide challenging curricula with high expectations for learning that develop productive citizens who can solve problems and contribute to a global society.

OUR SCHOOL'S GOAL:

We will maintain a safe, supportive, nurturing, environment that is conducive to working and learning.

We will provide challenging curricula with high expectations for learning. We will develop productive citizens who can solve problems and contribute to a global society.

We will recruit, hire, and retain a highly effective and diverse staff dedicated to helping students succeed in a competitive, global work place.

We will maximize the school's resources of time, expertise, and finances.

FOCUS FOR 22-23

Chapin High School is a community school with an established history that began in 1924. As the oldest high school in Lexington Richland School District Five, we are proud of our tradition of excellence.

Our continued goal is to prepare each student to be college career ready. We recognize that continuous improvement of our professional practice is the only way to meet that goal. As a result, we work closely with community stakeholders, parents, and businesses to provide an enriched learning environment that will maximize the potential of each student. To this aim, our teachers are committed to professional learning communities called Data Teams, which provide our teachers with a structured conversation about teaching and learning.

Chapin High School Improvement Council (SIC meets monthly to plan, monitor, and evaluate improvements at the school level. This includes school planning, as well as communication among students, parents, teachers, and the administration of Chapin High.

THIS YEAR THE SIC'S GOALS WERE:

1

Identify student's mental health needs and promote positive solutions to ensure overall emotional well-being among all students.

2

Goal 2: Serve as a strong advocate to identify and communicate with District Leadership regarding facility needs at Chapin High School in order to promote equity and fairness in furtherance of overall student success.

3

Goal 3: Work in collaboration with school and outside resources to assist with the creation and implementation of pathways and milestones which assist students and families in preparation towards career, college and citizenship readiness.

SCHOOL CULTURE

"Scholarship and Leadership" are words on the seal of Chapin High School. Scholarship represents what students will take from our school. Leadership represents what students will give to the world. We expect all students to adhere to these ideals. Each school has its own culture.

Here at CHS, we have a rally cry, which originated from the Positive Behavior Intervention and Support (PBIS) program. The rally cry is "We aRe Chapin." Why is the "R" capitalized? The emphasis on the "R" is to help students understand the importance of being Ready to learn, Respectful to others and Responsible to ourselves.

We have since added to the rally cry the phrase, "We are a thousand passions and one heartbeat." The heart is an unofficial logo that signifies the power of knowing and following our passion. Each student is taught these principles on the first day of school and reminded of them each day.

22/23 SIC Members

ELECTED PARENTS:
Edie Gore
Molly Lowder
Laruen McKinney
Fran Ricks
Christy Todd (Chair)
Jennifer Zingmark

ELECTED STUDENTS:
Addison Brizek
Patrick Dunn

AWARDS & ACCOMPLISHMENTS

On March 24, 2015, Chapin High School was named Palmetto's Finest for high school. This award is given to schools that excel in student achievement, professional learning, effective education programming, and innovation.

Four students have been named Teaching Fellows, all of whom are part of the Teacher Cadet Program.Katelyn Haack, Clemson. Andrew Lindler, Winthrop. Kate Moseley, College of Charleston. Hollings Lesesne, College of Charleston.

Only 200 Teaching Fellowships are awarded statewide after an extensive application and interviewing process. The scholarship is worth $24,000 for four years of college, and is based on high academic achievement as well as service to school and community.

- Palmetto Gold Award Recipient: 2002, 2003, 2004, 2005, 2006, 2007, 2008, 2009, 2011, 2012, 2013, 2014, 2015, 2016
- SC School Report Card Overall Ratings Scale: 2018: Excellent, 2019: Excellent, 2020: No data available due to school closures and COVID-19. Excellent: 2021, Excellent: 2022
- National Blue Ribbon School: 2004, 2010
- Varsity Brands Recognition- 2016 Best Student Section, 2019 Best Student Government
- U.S. News and World Report ranked Chapin #14 in SC of best high schools
- National Merit Scholarship Program: Letter of Commendation: McKinley Goodwin, Matthew Gummere, Drayton Privette, Audrey Reichart
- National Merit Finalist: Ansley Othersen
- 89% of 2021 graduates earned a South Carolina Lottery Scholarship
- Total scholarship money for 2022= $96 million
- Amy Carter named 2021-2022 State Teacher of the Year for South Carolina

THE VERY BEST OF THE VERY BEST

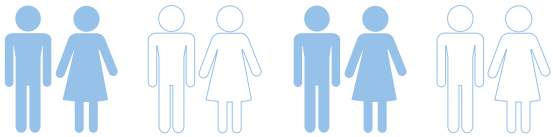

GRACE ABBOTT
2022-23
TEACHER OF THE YEAR

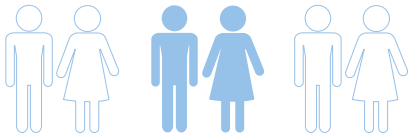

Grace Abbott was selected as our 2022-2023 Teacher of the Year by the faculty and staff of Chapin High School. Ms. Abbott is a member of our English Department, Eagle Enrichment and CHS summer school. She has also been nominated for the Lexington District 5 Teacher of the Year.

ANITA BEHREANDT
2022-23
SUPPORT EMPLOYEE OF THE YEAR

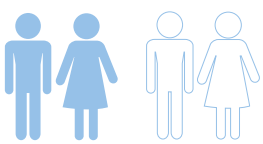

Anita Behreandt was selected as the 2022-2023 Support Employee of the Year by the faculty and staff of Chapin High School. Mrs. Behreandt is a Special Education Assistant.

1604 STUDENTS ENROLLED AS OF 04/25/23

159 TEACHERS AND STAFF

31 NATIONAL BOARD CERTIFIED TEACHERS

ACADEMIC PROGRAMS

ALA

The mission of the Academic Leadership Academy at Chapin High School is to utilize faculty dedicated to educating academically gifted students who are invested in their own learning in order to prepare them for a lifetime of situational leadership. There are currently eleven faculty involved in the education of these students including the current SC Academy of Science teacher of the year, the current SC Junior Science and Humanities Symposium teacher of the year, and next year's Chapin High School teacher of the year. 149 students are currently a part of the Academic Leadership Academy, including 35 graduating seniors who have an average SAT score of 1320 and an average GPA of 4.8, making them among the top students in terms of academic achievement nationwide.

Our motto is "Choose your passion; Chase your dream; Change the world," and the students of the ALA are given this opportunity through the AP Capstone program where they create their own original research to present at various science competitions. Indeed, many of the ALA students won awards this year at these competitions, including one student who won first place in the Central South Carolina Region II Science and Engineering Fair and will move on to compete in the International Fair in Dallas, TX as well as the National Junior Science and Humanities Symposium competition. The impact of students in the Academic Leadership Academy can be felt throughout the community as they complete their minimum 90 hours of community service per student.

ACADEMIC PROGRAMS

CAPSTONE

Chapin High serves to ignite student's passions and provide real world training. Courses offered at Chapin include topics in Business Administration, Finance, Health Science, Information Technology, Marketing Science, Technology, Engineering and Mathematics. All CTE (Career and Technology Education) students have the opportunity to earn their OSHA General Safety certification. Our Career and Technical Education is expanded with the Center for Advanced Technical Studies which allows our students to continue to pursue interests in a variety of fields in collaboration with or in addition to those courses offered here at CHS.

CATE

Chapin High serves to ignite student's passions and provide real world training. Courses offered at Chapin include topics in Business Administration, Finance, Health Science, Information Technology, Marketing, Science, Technology, Engineering and Mathematics. All CTE (Career and Technology Education) students have the opportunity to earn their OSHA General Safety certification. Our Career and Technical Education is expanded with the Center for Advanced Technical Studies which allows our students to continue to pursue interests in a variety of fields in collaboration with or in addition to those courses offered here at CHS.

ACADEMIC PROGRAMS

EAGLE ENRICHMENT

Eagle Enrichment is an after-school tutoring program available to all students who find themselves in need of additional support when studying for assessments or completing homework in their core classes. This is a peer tutoring service, in which our student tutors help their peers overcome academic difficulties to achieve success. Our peer tutors are kind and thoughtful while they earn their service hours and help strengthen our Eagle Community. Through the generous donations of Chapin Woman's Club and their volunteers who set up and clear away snacks each day, our students are able to fuel up prior to beginning their work. Because of federal funding this year, we were able to hire five members of CHS staff to assist students with their assignments to supplement our student tutors. We are exploring a way to expand our program to include peer-to-peer tutoring during the school day so that our students who are unable to meet after school because of the demands on their schedules are also able to benefit from their peers' expertise.

NJROTC

In April 2021, Chapin NJROTC placed 1st in the nation out of 1540 teams, and 2nd world wide in the National NJROTC Academic Exam. In June of 2018, CHS NJROTC Unit was named Best Unit for Area 6 and placed 2nd in the Nation as the 2018 Navy League Most Outstanding Unit. CHS has an exceptional NJROTC which has been in the top 3 units nationwide 7 times. Our NJROTC unit was designated as an NJROTC Distinguished Unit with Academic Honors for the 2019-2020 school year. This was the 22nd straight year Chapin had received this distinction. This designation allows us to nominate three eligible NJROTC cadets for admission to the U.S. Naval Academy, three to the U.S. Military Academy, and three to the U.S. Air Force Academy. Our NJROTC unit has been the National Champion three times, runner-up four times, national 3rd place once, and South Carolina State Champion fourteen times.

CURRICULUM FRAMEWORK

Curriculum Frameworks organize both core courses and elective courses into schools of study in order to help students select clusters of study and majors as required by the Education and Economic Development Act of 2005 (EEDA). Rigorous academic courses required for high school graduation as well as relevant career-related courses and extended learning opportunities will prepare students to be college and career ready.

School District Five Curriculum Frameworks include Schools of Study, Clusters of Study, and Majors.

The purpose of choosing a Career Cluster in the 8th grade and a Career Major in the 9th or 10th grade for the Individual Graduation Plan (IGP) is to promote students' awareness and exploration of career opportunities related to the various career clusters and majors and to focus elective credits. The process of selecting a cluster and major is required for 8th and 9th grade students in South Carolina, as outlined in the EEDA. Students who complete the credit requirements for their major will be recognized at graduation.

Each of the high schools in District Five attempts to offer elective courses which will meet a variety of student interests and needs. However; course requests, the availability of properly certified teachers, and budget constraints determine which electives will be taught. Completion of the IGP and course request do not guarantee course availability.

DISTRICT FIVE OFFERS FOUR SCHOOLS OF STUDY:

1. School of Fine Arts and Humanities
2. School of Business Management and Information Systems
3. School of Engineering, Manufacturing and Industrial Technology
4. School of Health Science and Human and Public Services

EXCELLENCE IN ACADEMICS

- We boast a 96.1% graduation rate for the class of 2022.
- We have 31 National Board Certified Teachers.
- Ansley Othersen and Carlynn Rychener placed in the top six in the state in the JSHS competition.
- 8 students placed In the South Carolina junior academy of science competition in Charleston.
- Lisa Maylath was honored as JSHS teacher of the year.
- Laurie Taylor was named SCJAS teacher of the year.
- Luke Becker was a 2nd place finisher in the 57th Annual NCDA Poetry & Art Contest in the state of South Carolina.
- Allie Wetmore won 1st place in the SCEA art contest.
- Bella Dill won 3rd place in the SCEA art contest.

CHS Senior Carlynn Rychener won first place in the 7-county **Region 2 Science Fair** for her project looking into the reason and degree to which plastics such as recreational water mats degrade when exposed to friction, heat and iv light. This is the second time in 4 years that a CHS student has won this trophy. She will compete at the international science fair. 8 other students won regional awards.

The **Science Team** competed in the State Science Olympiad at the Citadel and won 3rd place by beating out 14 schools. 1st place: Write It, Do It: Lindsay Hood, Kate Stover, 1st place: Trajectory: Ethan Harder, Andrew Farmer, 2nd place: Astronomy : Ellie Vess, Abby Evans, 2nd place: Experimental Design: Ella Carson, Theresa Ziehl, and Allie Wetmore, 2nd place: Flight: Tyler Strenk, Dominic Coletti, 2nd place: Forensics: Carlynn Rychener, Allie Wetmore, 2nd place: Rocks and Minerals: Bailey Zipp, Ellie Vess, 2nd place: Wifi lab: Leeton Brown, Bailey Zipp, 3rd place: Detector Building: Dominic Coletti, Tyler Strenk, 3rd place: Fermi Questions: Leeton Brown, Abby Evans, 3rd place: Its about time Abby Evans, Bailey Zipp, 3rd place: Remote Sensing: Allie Withers, Leeton Brown, We also picked up ribbons for 4th through 7th place in all other events.

CHS **Senior Beta Club** has qualified and placed in Senior Beta Club State and National Competitions for the past 18 years. At the SC State Senior Beta Club Convention in Feb of 2023, five CHS students competed and one student placed into the national competition: Visual Arts (Division 1, 10th) 3rd place. This candidate is eligible to compete in the Senior Beta Club National Convention in Louisville, KY in June 2023.

EXCELLENCE IN THE aRts

BAND

The Chapin Bands have had an incredible year! The Pride of the Midlands Marching Band put on their show "Tower," to rave reviews from judges and audiences. The Pride of the Midlands are the SCBDA 4A Lower State Champions! 17 of our students made the SCBDA Region 2 Honor Band, and 6 of our students made the SCBDA All-State Honor Band. Junior Band member Will Cuneo was the 1st Chair All-State Trumpet in the senior level classification. Shaina Dashiell, a Chapin Band Sophomore, was the 1st Chair All-State Tenor Saxophone player in the clinic level classification. Three of our students Will Cuneo, Aaron Parr, and Stevie Eason made the All-State Jazz Band. The Chapin High School Symphonic Band performed at the SCBDA Concert Performance Assessment event and the Charleston Music Festival receiving a superior with distinction at both events playing the hardest classification of music. Our Winter Guards had an amazing season with "Chapin Flight," our varsity team, finishing in 3rd place at the CWEA Championships. We have two more concerts to finish out the year. The Chapin High School Symphonic Band will be performing our concert entitled "The American Spirit" on May 5th at 7:00pm in the Irmo High School Center for Fine Arts with former Chapin Band Director Jim Mills as the Master of Ceremonies. The Chapin High School Concert Band, Percussion Ensemble, Jazz Band, and CIS 6th Grade Band will be performing their final concert of the year on May 10th at 7:00pm in the Chapin High School Arena. We are proud of our students for such a great year!"

CHORUS

The Voice of Chapin consists of six choirs at Chapin High School: Chamber Singers, HiLights Show Choir, Men's Singers, Women's Concert Choir, and Women's Chorus, and a Choral Department Choir that is made up of the all five Choirs. For the 2022-2023 school year the Choral Department held two major performances, Winter Concert in December 2022, and Spring Concert in May 2023.

SC All State Choir Auditions were held in November 2022. Chapin High School had six students selected for SC All State Choir Weekend at Winthrop University on March 2-4, 2023. Those students were: Ana Aun, Samuel Cleveland, Aidan Duncan, Veronica Merchelski, Miya Palmer, and Sidney Shepard. For SC American Choral Directors Association Honor Choir Weekend we had nine students selected after a rigorous audition process: Rebecca Anderson, Anna Kate Burrows, Mckynzie Foxworth, Mackenzie Gable, Chloe Kirkland, Hollingsworth Lesesne, Veronica Merchelski, Sidney Shepard, and Maya Walsh-Wagner. Samuel Cleveland, Junior, made the American Choral Directors Association National Honor Choir held in Cincinnati, Ohio, February 21-25, 2023. CHS had 32 students participating in the SC Region Choir at Newberry College. Students participated in Carowinds Music Festival in April where they were adjudicated on two pieces for the Choral Festival. Chapin High School had twenty-seven students selected for the first ever District Honor Choir that was held on April 28-29, 2023 at Chapin High School. These students underwent a rigorous audition process to be chosen for this high honor.

ORCHESTRA

CHS Orchestra Program consists of three different orchestra classes: the Ninth Grade Orchestra, Advanced Orchestra and the Masterclass

Orchestra. During this school year we had a Fall concert, a Winter Festival concert, and a Spring Concert is scheduled in May. This year we had three students accepted into the Regional Orchestra. And one in all state orchestra.

Our orchestra program participated in S.C.M.E.A. Concert Performance Assessment on March 24th.

The Masterclass Orchestra received an excellent rating and the Combined Orchestra received a superior rating.

DANCE EDUCATION

Chapin Dance Education is one united dance department with students from both Chapin Middle and Chapin High School. Chapin's dance educator is Akhira B. Jeter, whose instructional focus is to broadly educate students in all facets of dance including knowledge of dance styles and techniques, creation and composition, performance, as well as responding to a variety of different dances styles and cultures. Previously, dance students at Chapin have had the opportunity to attend field trips such as performing at the South Carolina State Fair and attending class at the Elite Ballroom Dance Academy. Chapin Dance is excited to offer Gifted and Talented Dance Programs including Dance 3, Dance 4 Honors, and Dance 5 Honors. To see more information regarding performances or how to audition for our programs please follow us at @ChapinDanceEDU.

DANCE TEAM

The CHS dance team, the Chapin Girls, is a competitive dance team that performs on the sidelines of CHS football games, pep rallies, supports CHS & the community, and participates in a variety of charitable organizations. Most recently, achievements for both the JV and Varsity dance teams includes 1st place State Titles at the South Carolina Dance Association State Championship and 2nd place achievements at Contest of Champions Nationals. Additionally, JV placed 1st in both of their divisions at the Eastern Dance Association Nationals, with Varsity placing 1st in three divisions, and winning both of the highest honors of "All-Around Champion" and "EDA Champion".

VISUAL ARTS

Art teachers Jane Rangel, Carly Templeton, and Bethany Brown work year round to ensure that Chapin High School student artwork is proudly displayed in both local and regional exhibits, as well as online.

- Three Students Juried into the State Fair Competition
- Three Museum of Student Art Displays
- One Student Juried into the Midlands Region Youth Art Month Competition
