

# BROADCAST JOURNALISM INTENSIVE

Capture the story and command the screen at our Video Journalism Camp Intensive, designed for future reporters and media enthusiasts in **grades 4-7**. Join us from **July 8th t-12th every day between 9:45- 11:45 AM at Next Level Day Camp at Saddle River Day School**.

Dive into the complete video production cycle, from pre-production planning to post-production editing. Campers will develop foundational videography skills, composition, interview skills and news writing. More than just technical skills, this camp emphasizes collaboration, research, and writing abilities that are essential for effective storytelling.

## HIGHLIGHTS
