Welcome to your hometown school!
We are located in central Hendricks County, just west of Indianapolis.

Danville Community School Corporation is comprised of four schools, with a preschool and an alternative learning program also available. With no district lines to worry about, students attend the same school with their classmates regardless of where they live. This means the chance for lifelong friendships.

Experience the Danville Difference at www.danville.k12.in.us/thedanvilledifference or schedule your tour today!
