

THANK YOU TO THE PTO AND VOLUNTEERS

I want to thank the PTO of Louisville Elementary Schools for all they do to enrich the school year for students, staff, and families. They have organized many activities this year, purchased classroom supplies, field trips, staff lunches, and worked extremely hard to complete a great yearbook for our students. Our students benefit because of the dedication of all the volunteers that assist and give their time to this organization. Also, a big THANK YOU to those that volunteered in any capacity this year. Thank you!

CLASSROOM ASSIGNMENTS

One of the most challenging aspects of the year's closure for our staff is the assignment of students for the upcoming year. It is an important task that no one takes lightly. There are many factors that are considered when class assignments are made:

- Boy/girl balance
- Ability/achievement mix
- Special service & tutoring needs
- Matching student learning to teaching style
- Gifted/talented clustering
- Behavioral challenges
- Parent input from conferences

Given the above factors, we do not advocate that parents make special requests for teachers. We have the confidence in our staff to look at each child individually and the classroom assignments that would be the best for each person. Thank you!
