# Work-Based Learning (Internships)

Emily Gabel  
Kadlec Hospital Intern

Career Interests	Intern	Hobbies
I am interested in becoming a birth center nurse. Without this internship I never would have had the experiences that have lead me on the path I am pursuing.	I shadow across the hospital in search of finding what I enjoy in the medical field.	I enjoy playing both acoustic and electric guitar, ukulele and listening to music. I also am in a band with my friends called "The Bois".

The background is a photograph of a modern building at night. The building has large glass windows and blue structural elements. There are several streetlights and a yellow dot on the right side. Two large, thin, light blue circles are overlaid on the image. The text "THANK YOU" is written in large, white, bold, sans-serif capital letters across the upper middle of the image.

# THANK YOU

Have a great night!
