

Before School Starts

Please Work With Your Child On

- Write their first name.
- Read often to your child.
- Cut with scissors and use a gluestick.
- Follow two step directions.
- Identify letters in the alphabet.
- Tie their shoes independently.
- Count to 10.
- Listen without interrupting.
- Tell an adult if something is wrong.
- Tell an adult when they need help.
- Take care of clothing needs:
zippers, snaps and buttons.
- Take turns and share.
- Manage bathroom needs independently.
- Separate from parents with ease.

Young children change so fast- if they can't do something this week, they may be able to do it a few weeks later.
