

EDEN HALL UPPER ELEMENTARY

Greetings, EHUE Students and Families,

As we continue to stay committed to our building theme, "***Let's Grow Together: Growing Hearts and Growing Minds,***" our students continue to focus on learning, embrace new opportunities, and nurture a culture of kindness within our community!

Last week, we commemorated Black History Month with a captivating performance by Bright Star Theater titled, "Black History Groundbreaking Geniuses." Our students had the opportunity to delve into the lives of some groundbreaking geniuses such as Dorothy Vaughan, George Washington Carver, and Dr. Daniel Williams.

This week marks the celebration of Read Across America week! Our school community has engaged in various reading-themed spirit days, enjoyed school-wide D.E.A.R. (Drop Everything and Read) time, welcomed guest readers, embarked on captivating story strolls throughout EHUE's halls, and much more! Witnessing our students nurture their passion for reading brings us immense joy. Furthermore, EHUE's Battle of the Books has recently concluded after three weeks of excitement! We extend our heartfelt congratulations to all participating BOB teams for their unwavering dedication to reading. Special appreciation goes to Ms. Shenefiel and Ms. Strine, all teacher volunteers and BOB team captains for making this event successful!

Next week, we invite all families into the building for our Open House events including our EHUE Art Show and Book Fair. Please see the schedule below. We hope to see all families there!

Grade 4 Open House: Monday, March 11th 6:30 - 7:30 pm

Grade 5 Open House: Tuesday, March 12th 6:30 - 7:30 pm

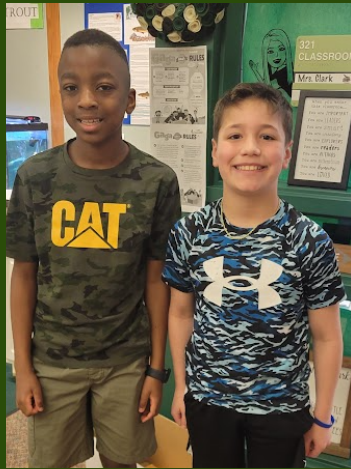

Grade 6 Open House: Wednesday, March 13th 6:30 - 7:30 pm
