April 26, 2024 | President Update

As we near the conclusion of another enriching semester, I am delighted to share with you the latest edition of our newsletter. Within these pages, you will find a reflection on the remarkable achievements and growth of our students, along with important updates and reminders as we prepare for the semester's end. As partners in your daughter's education, your continued support and involvement are invaluable to our community. Together, let us celebrate the accomplishments of our students and look forward to the opportunities that lie ahead. Thank you for entrusting us with the education and development of your daughter!

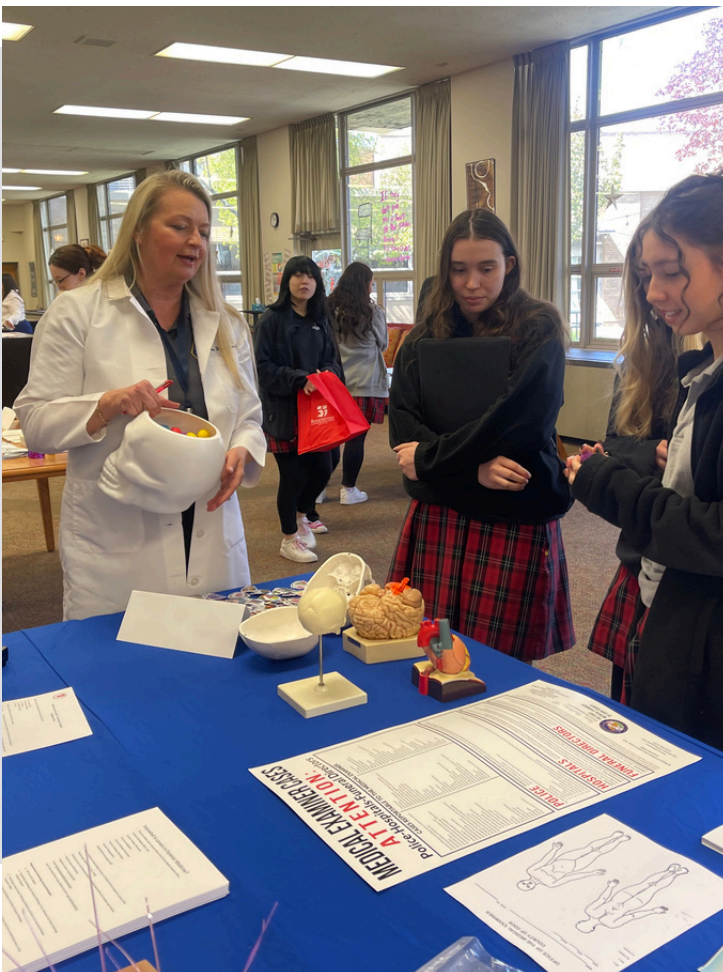

TEACHING AND LEARNING

Student Services Announcement:

We are delighted to share exciting news from our Student Services department! As part of our ongoing commitment to student well-being and success, we are pleased to announce the addition of a new counselor for the upcoming 2024-2025 school year. This appointment brings our counseling team to two full-time members, enhancing our ability to provide personalized support to all students. Furthermore, we are actively searching for a college counselor/advisor to further strengthen our college readiness initiatives.

Career Fair:

This week, Student Services hosted a dynamic and redesigned career fair, welcoming nearly 40 professionals over the course of two days including alumnae and local community supporters. This two-day event provided our students with invaluable insights into various career paths and possibilities. The success of this event underscores our commitment to enhancing college and career readiness through engaging opportunities. As we move forward, we will integrate these experiences into our revised college and career readiness framework, set to be introduced this summer. *See photos below.*

3rd annual STREAM Symposium:

Our third annual STREAM Symposium was a resounding success, showcasing the remarkable talents and dedication of our students. From innovative projects exploring the influence of celebrities on financial systems to groundbreaking research studies conducted by our seniors, the Symposium exemplified the spirit of inquiry and discovery that defines our STREAM program. We are immensely proud of our student's achievements and eagerly anticipate the continued growth and impact of STREAM activities in the years to come. *See photo highlights below.*

Business Office:

Tuition assistance awards will begin to appear on FACTS accounts in the coming two weeks. Tuition agreements went live this week. If you have any questions, please do not hesitate to contact our Business Office Manager, Ms. Romero at vromero@reshs.org, or our Finance Director, Ms. Negron enegron@reshs.org.

Next week, we will have more updates on the variety of initiatives underway! Until then, feel free to contact me with any questions or concerns.

Dr. Piwowarski
