The ELP provides a disciplined, stimulating learning climate. Consistent with the instructional day, the ELP promotes Caruthers High School's five expectations (Believing, Encouraging, Accepting, Respecting, and Supporting) for positive school wide behavior.

## SAFETY

Formal/informal safety drills are conducted in coordination with the instructional day.

Bullying incidents and school safety threats can be reported to administration or ELP staff.

## PROGRAM ACCESS

The ELP operates at Caruthers High School immediately following each instructional day. Students can enter and exit the campus from several crosswalk locations on Raider and Tahoe Avenues.

ELP students report to the cafeteria for a meal immediately following the instructional day. Afterwards, they sign in for an activity. At the close of each activity, students sign out and choose another activity or exit the program.

Occasional field trips and community service activities take place off-site. For occasions such as these, round-trip transportation for field trips is provided. Students are escorted by ELP staff for community service and mentoring activities during program hours. Parent permission is required for all off-site activities.

## PROGRAM EVALUATION

Each year the ELP is evaluated for effectiveness. Evaluation results are available in the main office and online at: [www.caruthers.k12.ca.us/CHS/1199-After-School-Program.html](http://www.caruthers.k12.ca.us/CHS/1199-After-School-Program.html)
