

CREATIVE WRITING ENGLISH 2021

Students with no creative writing experience are welcome!

What Will You Learn?

We focus on three types of writing: short fiction, poetry, and memoir.

Students will work on daily creativity exercises, choice projects, and literary critiques.

This class is a lot of fun, and students feel proud of themselves for their accomplishments.

Get Started

This class was designed for everyone, so students with no experience with creative writing are welcome.

Take advantage of this opportunity to complete these classes in a fun, flexible environment.

Why Take Creative Writing?

GET DUAL CREDIT

Creative Writing counts for both high school and college credit. This is a guaranteed transfer course, and is **free**.

WORK ANY TIME OF DAY

Creative Writing is offered in an asynchronous online format. Students have weekly deadlines and work any time of day.

RECEIVE PERSONAL SUPPORT

Ms. Martin, the course instructor, is available via email and Google Meet to support students individually.
