#### **Cleaning & Sanitizing**

Our efforts include but are not limited to the following:

- Routine cleaning procedures and schedules for facilities and transportation.
- Altering and increasing cleaning schedules and procedures to keep our classrooms sanitized on a daily basis and as needed.
- Disinfecting the following classroom items between each class period: desks/tables, door knobs/handles, chairs, light switches, pencil sharpeners.
- Disinfecting the following office items throughout the school day: door knobs/handles, chairs, counter tops, and plastic dividers.
- Implementing protocols of leaving classroom doors open whenever possible to minimize the number of hands touching door handles.

Administration, teachers and staff will teach and reinforce proper hand washing and sanitizing during key times throughout the day.

- Arrival and dismissal
- Before, during, and after preparing or eating food
- After using the bathroom
- After blowing one's nose, coughing, or sneezing
- After touching objects with bare hands that have been handled by other people

Students who are in the following classrooms with multiple sinks are afforded time to wash hands thoroughly. (locker room, Vocational Tech room etc.)

## Health Services
