What is Title VI?

The U.S. Office of Indian Education (OIE) administers the Indian Education Program of ESEA, as amended by ESSA (Title VI, Part A), which establishes policies and provides financial and technical assistance for supporting LEAs, Indian Tribes and organizations, post- secondary institutions and other entities in meeting the special educational and cultural related academic needs of American Indians and Alaska Natives, 20 U.S.C. 3423c and 7401 et. seq.

The OIE has three primary responsibilities:

- 1. To meet the unique educational and culturally related academic needs of Indian students, so that such students can meet the challenging State academic standards;**
- 2. To ensure that Indian students gain knowledge and understanding of Native communities, languages, Tribal histories, traditions, and cultures; and**
- 3. To ensure that teachers, principals, other school leaders, and other staff who serve Indian students have the ability to provide culturally appropriate and effective instruction which supports students.**

Title VI in Manteca Unified

Manteca Unified School District Indian Education Program addresses the needs of American Indian and Alaskan Native students in grades TK-12. The program assists eligible students to make growth towards the same challenging state performance standards expected of all students.

The purpose of the Title VI program in Every Student Succeeds Act (ESSA) is to support the efforts of local educational agencies, Indian tribes and organizations, post-secondary institutions, and other entities to meet the special academic, cultural, and linguistic needs of American Indian students to meet state academic content standards.

Mission and Vision

**The Title VI American Indian Education
and Alaska Native Education Program in
MUSD serves the needs of Native American
students and their families.**

Program Information
