

Virtual Learning Academy of St. Clair County

April 25, 2024

Dear Students and Families,

As Spring approaches, I find myself reflecting on this past academic year. Your unwavering commitment to your education, learning, and personal growth is truly inspiring, and it has been a privilege to witness your remarkable achievements.

As we look ahead to the coming year, I am excited to share that we will embark on a new chapter in our school's journey. Our school will be transitioning to a new location starting this summer. This transition offers exciting opportunities for growth and innovation and will enable us to continue to provide a safe and nurturing environment conducive to learning.

Here are some key details about our new location:

- **New Location:** 3403 Lapeer Road, Port Huron (the former Baker College)
- **Relocation Timeline:** Starting July 2024
- **Contact Information:** Our phone number, 810-364-1362, and website, www.sccvla.org, will remain the same so that you can reach out to us with any questions or concerns.

For the 2024-2025 school year, our program will temporarily pivot to a primarily online model. This adjustment is necessary as we undergo renovations at our new location. Despite the shift to online learning, we are committed to maintaining the same high-quality instruction and support that you have come to expect. Our staff will be available during scheduled drop-in and office hours to provide assistance, answer questions, and offer guidance. Your success remains our top priority, and we are dedicated to ensuring you have the resources and support you need.

Additionally, we are excited to announce that we will host some outside activities in the summer and early fall to kick off the 2024-2025 school year. These activities will offer students and families an opportunity to meet staff and socialize with other students.

We will share updates regularly throughout the relocation process. We understand the importance of clear communication during times of change and will keep you informed every step of the way.

If you have any questions or concerns, please do not hesitate to contact us. We are grateful for your support and trust during this transition.

Sincerely,

A handwritten signature in blue ink, appearing to read 'J. Everitt'.

Josh Everitt, Principal
