1. Welcome Michelle Plowey
2. 9<sup>th</sup> Grade High School Information Asst Principal Team
  - Special Guests: All Asst Principals welcome from High School. Working on schedules now. Planning orientation early august for rising Freshmen. Well-orchestrated with student tour guides. Clubs and Activities on the website with short videos and contacts for each.
  - Parent Night also planned specifically for gifted students.
3. Principal's Report Dr. David Kristofic
  - Merit scholars' celebration recently took place – great event.
  - Eden Hall typical tours exchanged for Welcome Program at Eden Hall, Dr. Kristofic and Mr. Minsinger with 4 students at the auditorium visited EH and outlined MS experience with Q&A
  - Schools to Watch, PRMS was selected as a "School to Watch". One of 2 schools elected every 3 years, now redesignated 5x (appx. 18 years). Currently waiting for recognition and banner to arrive. This accomplishment requires ongoing innovation. Planning celebration and would love to include the PSA at that event. Highlight TV, Leaders, and RAMS Way/Student Government. Planned at Library to show off that space this spring.
  - June 9<sup>th</sup> Rams Way Celebration: auditorium event like Price is Right with gifts and games. All teachers get 2 tickets a week to distribute. Given for hallway and classroom positive RAMS way behaviors. Tickets need to be taken to guidance office to submit, administration then enters into spreadsheet for upcoming event.
  - Thanks to the PSA for support through the year. Happy to welcome incoming PSA members.
