What the Dance is...

A fun night for students to enjoy together -- no date is required. Come as a group, by yourself, or as a couple.

A fun night to wear something nice that you might wear to the holiday dinner table

A fun night to dance to some great music and strike a pose with your friends in the photo booth.

\$10 per student to attend -- pay at the door

What the Dance is not...

It is not a dance in which you need a date to attend.

It is not a prom, homecoming, or formal dance that requires an expensive dress or suit, limo ride, or corsage.

It is not to be missed!

5. Skate Night - in the works for an upcoming Friday in November or December
6. Stacey Silipo, PROF representative, will present at the next PRMS Staff meeting. A grant has been submitted by the MS which the PSA will look to sponsor a portion of as an enduring gift.
