

Kids Country by BrightPath School-Age Program

Experience the best of both worlds with our comprehensive school-age program, seamlessly integrating relaxed before-school care and an engaging after-school program. We prioritize your child's well-being, growth, and enjoyment throughout the day, while also offering transportation to local schools.

We are also offering a Summer Camp program for school-age children, running from June 3rd - August 9th. Packed with adventure, learning, and fun, it's the perfect way to create lasting memories and friendships.

Before School:

- Relaxed and supportive atmosphere to start the day positively.
- Breakfast buffet offering children their favorite foods to kickstart their mornings.
- A chance for children to ease into their day at their own pace.

After School

- A safe and engaging environment for children to reset and relax after school.
- Healthy snacks, creative outlets and enjoyable games to unwind and recharge.
- Access to a dedicated Homework Room with staff assistance for academic support.
