Comprehensive School Safety Plan Purpose

Effective January 1, 2019, Assembly Bill 1747 (Rodriguez), School Safety Plans, became law. This bill requires that during the writing and development of the comprehensive school safety plan (CSSP), the school site council or safety committee consult with a fire department and other first responder entities in addition to currently required entities. It requires the CSSP and any updates made to the plan to be shared with the law enforcement agency, the fire department, and the other first responder entities.

The California Education Code (sections 32280-32288) outlines the requirements of all schools operating any kindergarten and any grades 1 to 12, inclusive, to write and develop a school safety plan relevant to the needs and resources of that particular school.

In 2004, the Legislature and Governor recast and renumbered the Comprehensive School Safety Plan provisions in SB 719 and AB 115. It is the intent of the Legislature in enacting the provisions to support California public schools as they develop their mandated comprehensive safety plans that are the result of a systematic planning process, that include strategies aimed at the prevention of, and education about, potential incidents involving crime and violence on school campuses.

The historical requirement of the Comprehensive School Safety Plan was presented in Senate Bill 187, which was approved by the Governor and chaptered in 1997. This legislation contained a sunset clause that stated that this legislation would remain in effect only until January 1, 2000. Senate Bill 334 was approved and chaptered in 1999 and perpetuated this legislation under the requirement of the initial legislation.

Comprehensive School Safety Plans are required under SB 719 & AB 115 and contains the following elements:

Assessment of school crime committed on school campuses and at school-related functions

- Child abuse reporting procedures
- Disaster procedures
- Suspension and expulsion policies
- Procedures to notify teachers of dangerous pupils
- Discrimination and harassment policies
- School wide dress code policies
- Procedures for safe ingress and egress
- Policies enacted to maintain a safe and orderly environment
- Rules and procedures on school discipline
- Hate crime reporting procedures

The Comprehensive School Safety Plan will be reviewed and updated by March 1st every year. In July of every year, the school will report on the status of its school safety plan including a description of its key elements in the annual school accountability report card.

A copy of the Comprehensive School Safety Plan is available for review at Crestview Elementary School Office.

### **(A) Child Abuse Reporting Procedures (EC 35294.2 [a] [2]; PC 11166)**

OUR GOAL:

The District is dedicated to providing a child-safe environment. A safe, nurturing environment to promote all public school students' learning and growth, free from abuse and neglect, shall be a continual goal of the District.

The District expects all staff members, including teachers, coaches, counselors, administrators, classified staff members, and volunteers, to maintain high professional, moral, and ethical standards in their conduct with students. The interactions and relationships among staff members and students are based upon mutual respect and trust. An understanding of appropriate boundaries among adults and students in an educational setting is consistent with the mission of the District.

Communication and interaction are vital elements in learning and instruction. In order to promote the safety of students and to prevent misunderstandings and false accusations, procedures for child abuse prevention that include a definition of reasonable boundaries are necessary. A staff member or volunteer who observes or has reasonable evidence of child abuse shall immediately report such conduct in accordance with the procedures outlined in this chapter. The proper authorities shall promptly investigate all reported allegations.

The State Department of Education encourages District's to collaborate with outside consultants, including law enforcement, with expertise in sexual abuse and sex trafficking prevention education in order to create a school safety plan to address the threat of sexual abuse and sex trafficking.

In-service training may be conducted periodically to enable district personnel to learn about new developments in the understanding of sexual abuse and sex trafficking, and to receive instruction on current prevention efforts and methods. District's are encouraged to include training on early identification of sexual abuse and sex trafficking of pupils and minors.

Child abuse or neglect includes the following: (Penal Code 11165.5, 11165.6)

1. A physical injury or death inflicted by other than accidental means on a child by another person
2. Sexual abuse, including sexual assault or sexual exploitation, of a child as defined in Penal Code 11165.1
3. Neglect as defined in Penal Code 11165.2
4. Willful cruelty or injuring of a child or the endangering of the person or health of a child as defined in Penal Code 11165.3
5. Unlawful corporal punishment or injury as defined in Penal Code 11165.4 Child abuse or neglect does not include:
  1. A mutual affray between minors (Penal Code 11165.6)
  2. An injury caused by reasonable and necessary force used by a peace officer acting within the course and scope of his/her employment (Penal Code 11165.6)
  3. An injury resulting from the exercise by a teacher, vice principal, principal or other certificated employee of the same degree of physical control over a student that a parent/guardian would be privileged to exercise, not exceeding the amount of physical control reasonably necessary to maintain order, protect property, protect the health and safety of students, or maintain proper and appropriate conditions conducive to learning (Education Code 44807)
  4. An injury caused by a school employee's use of force that is reasonable and necessary to quell a disturbance threatening physical injury to persons or damage to property, to protect himself/herself, or to obtain weapons or other dangerous objects within the control of the student (Education Code 49001)
  5. Physical pain or discomfort caused by athletic competition or other such recreational activity voluntarily engaged in by the student (Education Code 49001)

Mandated reporters include but are not limited to teachers; instructional aides; teacher's aides or assistants; classified employees; certificated pupil personnel employees; administrative officers or supervisors of child attendance; administrators and employees of a licensed day care facility; Head Start teachers; district police or security officers; and administrators, presenters or counselors of a child abuse prevention program. (Penal Code 11165.7)

(cf. 5141.41 - Child Abuse Prevention)

Reasonable suspicion means that it is objectively reasonable for a person to entertain a suspicion, based upon facts that could cause a reasonable person in a like position, drawing when appropriate on his/her training and experience, to suspect child abuse or neglect. (Penal Code 11166)

#### Reportable Offenses

A mandated reporter shall make a report using the procedures provided below whenever, in his/her professional capacity or within the scope of his/her employment, he/she has knowledge of or observes a child whom the mandated reporter knows or reasonably suspects has been the victim of child abuse or neglect. (Penal Code 11166)

Any mandated reporter who has knowledge of or who reasonably suspects that a child is suffering serious emotional damage or is at a substantial risk of suffering serious emotional damage, based on evidence of severe anxiety, depression, withdrawal, or untoward aggressive behavior toward self or others, may make a report to the appropriate agency. (Penal Code 11166.05, 11167)

Any district employee who reasonably believes that he/she has observed the commission of a murder, rape, or lewd or lascivious act by use of force, violence, duress, menace, or fear of immediate and unlawful bodily injury against a victim who is a child under age 14 shall notify a peace officer. (Penal Code 152.3, 288)

When two or more mandated reporters jointly have knowledge of a known or suspected instance of child abuse or neglect, the report may be made by a member of the team selected by mutual agreement and a single report may be made and signed by the selected member of the reporting team. Any member who has knowledge that the member designated to report has failed to do so shall thereafter make the report. (Penal Code 11166)

No supervisor or administrator shall impede or inhibit a mandated reporter from making a report. (Penal Code 11166)

2. The selected person shall not participate in the interview.
3. The selected person shall not discuss the facts or circumstances of the case with the child.
4. The selected person is subject to the confidentiality requirements of the Child Abuse and Neglect Reporting Act, a violation of which is punishable as specified in Penal Code 11167.5.

If a staff member agrees to be present, the interview shall be held at a time during school hours when it does not involve an expense to the school. (Penal Code 11174.3)

## Release of Child to Peace Officer

When a child is released to a peace officer and taken into custody as a victim of suspected child abuse or neglect, the Superintendent or designee and/or principal shall not notify the parent/guardian as required in other instances of removal of a child from school, but rather shall provide the peace officer with the address and telephone number of the child's parent/guardian. It is the responsibility of the peace officer or agent to notify the parent/guardian of the situation. (Education Code 48906)

(cf. 5145.11 - Questioning and Apprehension) Parent/Guardian Complaints

(cf. 5145.6 - Parental Notifications)

To file a complaint against a district employee or other person suspected of child abuse or neglect at a school site, parents/guardians may file a report by telephone, in person or in writing with any appropriate agency identified above under "Reporting Procedures."

If a parent/guardian makes a complaint to any district employee, that employee shall notify the parent/guardian of procedures for filing a complaint with the appropriate agency and also is obligated pursuant to Penal Code 11166 to file a report himself/herself using the procedures described above for mandated reporters.

(cf. 1312.1 - Complaints Concerning District Employees)

The district shall also provide these new employees with a copy of Penal Code 11165.7, 11166, and 11167.

The Superintendent or designee shall also notify all employees that:

1. A mandated reporter who reports a known or suspected instance of child abuse or neglect shall not be held civilly or criminally liable for making a report and this immunity shall apply even if the mandated reporter acquired the knowledge or reasonable suspicion of child abuse or neglect outside of his/her professional capacity or outside the scope of his/her employment. Any other person making a report shall not incur civil or criminal liability unless it can be proven that he/she knowingly made a false report or made a report with reckless disregard of the truth or falsity of the report. (Penal Code 11172)
2. If a mandated reporter fails to report an incident of known or reasonably suspected child abuse or neglect, he/she is guilty of a misdemeanor punishable by a fine and/or imprisonment. (Penal Code 11166)
3. No employee shall be subject to any sanction by the district for making a report. (Penal Code 11166)

### **(C) School Suspension, Expulsion and Mandatory Expulsion Guidelines**

(Pursuant to Education Code 48900 and Lompoc Unified School District Board Policy 5144.1)

The Lompoc Unified School District desires to provide students access to educational opportunities in an orderly school environment that protects their safety and security, ensures their welfare and well-being, and promotes their learning and development. The Board has developed rules and regulations setting the standards of behavior expected of students and the disciplinary process and procedures for addressing violations of those standards, including suspension and/or expulsion.

#### **LUSD Board Policy 5144.1**

The Governing Board desires to provide district students access to educational opportunities in an orderly school environment that protects their safety and security, ensures their welfare and well-being, and promotes their learning and development. The Board shall develop rules and regulations setting the standards of behavior expected of district students and the disciplinary processes and procedures for addressing violations of those standards, including suspension and/or expulsion. (cf. 5131 - Conduct) (cf. 5131.1 - Bus Conduct) (cf. 5131.2 - Bullying)

The grounds for suspension and expulsion and the procedures for considering, recommending, and/or implementing suspension and expulsion shall be only those specified in law, in this policy, and in the accompanying administrative regulation.

Except when otherwise permitted by law, a student may be suspended or expelled only when his/her behavior is related to a school activity or school attendance occurring within any district school or another school district, regardless of when it occurs, including, but not limited to, the following: (Education Code 48900(s))

1. While on school grounds
2. While going to or coming from school
3. During the lunch period, whether on or off the school campus (cf. 5112.5 - Open/Closed Campus)

District staff shall enforce the rules concerning suspension and expulsion of students fairly, consistently, equally, and in accordance with the District's nondiscrimination policies. (cf. 0410 - Nondiscrimination in District Programs and Activities)

#### **Appropriate Use of Suspension Authority**

Except when a student's act violates Education Code 48900(a)-(e), as listed in items #1-5 under "Grounds for Suspension and Expulsion: Grades K-12" of the accompanying administrative regulation, or when his/her presence causes a danger to others, suspension shall be used only when other means of correction have failed to bring about proper conduct. (Education Code 48900.5, 48900.6) (cf. 1020 - Youth Services) (cf. 5138 - Conflict Resolution/Peer Mediation) (cf. 5144 - Discipline) (cf. 6142.4 - Service Learning/Community Service Classes) (cf. 6164.2 - Guidance/Counseling Services) (cf. 6164.5 - Student Success Teams)

A student's parents/guardians shall be notified as soon as possible when there is an escalating pattern of misbehavior that could lead to on-campus or off-campus suspension.

No student in grades K-3 may be suspended for disruption or willful defiance, except by a teacher pursuant to Education Code 48910. (Education Code 48900)

Students shall not be suspended or expelled for truancy, tardiness, or absenteeism from assigned school activities. (cf. 5113 - Absences and Excuses) (cf. 5113.1 - Chronic Absence and Truancy)

#### **On-Campus Suspension**

To ensure the proper supervision and ongoing learning of students who are suspended for any of the reasons enumerated in Education Code 48900 and 48900.2, but who pose no imminent danger or threat to anyone at school and for whom expulsion proceedings have not been initiated, the Superintendent or designee shall establish a supervised suspension classroom program which meets the requirements of law.

Except where a supervised suspension is permitted by law for a student's first offense, supervised suspension shall be imposed only when other means of correction have failed to bring about proper conduct. (Education Code 48900.5)

#### Authority to Expel

A student may be expelled only by the Board. (Education Code 48918(j))

As required by law, the Superintendent or principal shall recommend expulsion and the Board shall expel any student found to have committed any of the following "mandatory recommendation and mandatory expulsion" acts at school or at a school activity off school grounds: (Education Code 48915)

1. Possessing a firearm which is not an imitation firearm, as verified by a certificated employee, unless the student had obtained prior written permission to possess the item from a certificated school employee, with the principal or designee's concurrence (cf. 5131.7 - Weapons and Dangerous Instruments)

For all other violations listed in the accompanying administrative regulation under "Grounds for Suspension and Expulsion: Grades K-12" and "Additional Grounds for Suspension and Expulsion:

Grades 4-12," the Superintendent or principal shall have the discretion to recommend expulsion of a student. If expulsion is recommended, the Board shall order the student expelled only if it makes a finding of either or both of the following: (Education Code 48915(b) and (e))

1. That other means of correction are not feasible or have repeatedly failed to bring about proper conduct
2. That due to the nature of the violation, the presence of the student causes a continuing danger to the physical safety of the student or others

A vote to expel a student shall be taken in a public session.

The Board may vote to suspend the enforcement of the expulsion order pursuant to the requirements of law and the accompanying administrative regulation. (Education Code 48917)

No student shall be expelled for disruption or willful defiance. (Education Code 48900)

#### Due Process

The Board shall provide for the fair and equitable treatment of students facing suspension and/or expulsion by affording them their due process rights under the law. The Superintendent or designee shall comply with procedures for notices, hearings, and appeals as specified in law and administrative regulation. (Education Code 48911, 48915, 48915.5, 48918) (cf. 5119 - Students Expelled from Other Districts) (cf. 5144.2 - Suspension and Expulsion/Due Process (Students with Disabilities))

#### Suspension from Class by a Teacher

A teacher may suspend a student, including a grade K-3 student, from class for the remainder of the day and the following day for disruption, willful defiance, or any of the other acts specified in Education Code 48900 and listed as items #1-18 under "Grounds for Suspension and Expulsion: Grades K-12" above. (Education Code 48910)

When suspending a student from class, the teacher shall immediately report this action to the principal or designee and send the student to the principal or designee for appropriate action. If that action requires the continuing presence of the student at school, he/she shall be appropriately supervised during the class periods from which he/she has been suspended. (Education Code 48910)

As soon as possible after the teacher decides to suspend the student, he/she shall ask the student's parent/guardian to attend a parent-teacher conference regarding the suspension. A counselor or psychologist may attend the conference if it is practicable, and a school administrator shall attend if either the parent/guardian or teacher so requests. (Education Code 48910)

A student suspended from class shall not be returned to class during the period of the suspension without the approval of the teacher of the class and the principal or designee. (Education Code 48910)

A student suspended from class shall not be placed in another regular class during the period of suspension. However, a student assigned to more than one class per day may continue to attend other regular classes except those held at the same time as the class from which he/she was suspended. (Education Code 48910)

The teacher of any class from which a student is suspended may require the student to complete any assignments and tests missed during the removal. (Education Code 48913)

#### Suspension by Superintendent, Principal or Principal's Designee

To implement disciplinary procedures at a school site, the principal may, in writing, designate as the principal's designee another administrator or, if the principal is the only administrator at the school site, a certificated employee. As necessary, the principal may, in writing, also designate another administrator or certificated employee as the secondary designee to assist with disciplinary procedures when the principal and the principal's primary designee are absent from the school site.

The Superintendent, principal, or designee shall immediately suspend any student found at school or at a school activity to have committed any of the acts listed in the Board policy under "Authority to Expel" and for which he/she is required to recommend expulsion. (Education Code 48915(c))

The Superintendent, principal, or designee may impose a suspension for a first offense if he/she determines that the student violated any of items #1-5 listed under "Grounds for Suspension and Expulsion: Grades K-12" above or if the student's presence causes a danger to persons. (Education Code 48900.5)

For all other offenses, a student may be suspended only when the Superintendent or principal has determined that other means of correction have failed to bring about proper conduct in the student. (Education Code 48900.5)

When other means of correction are implemented prior to imposing a suspension or supervised suspension upon a student, the Superintendent, principal, or designee shall document the other means of correction used and retain them in the student's record. (Education Code 48900.5) (cf. 5125 - Student Records)

**Length of Suspension** The Superintendent, principal, or designee may suspend a student from school for not more than five consecutive school days. (Education Code 48911) A student may be suspended from school for not more than 20 school days in any school year. However, if a student enrolls in or is transferred to another regular school, an opportunity school, or continuation school or class for the purpose of adjustment, he/she may be suspended for not more than 30 school days in a school year. The District may count suspensions that occur while a student is enrolled in another school district toward the maximum number of days for which the student may be suspended in any school year. (Education Code 48903, 48911, 48912) (cf. 6184 - Continuation Education)

These restrictions on the number of days of suspension shall not apply when the suspension is extended pending an expulsion. (Education Code 48911)

## Due Process Procedures for Suspension

Suspensions shall be imposed in accordance with the following procedures:

1. **Informal Conference:** Suspension shall be preceded by an informal conference conducted by the Superintendent, principal, or designee with the student and, whenever practicable, the teacher, supervisor, or school employee who referred the student to the principal. At the conference, the student shall be informed of the reason for the disciplinary action, presented with the available evidence against him/her, and given the opportunity to present his/her version and evidence in support of his/her defense. (Education Code 48911)

This conference may be omitted if the Superintendent, principal, or designee determines that an emergency situation exists involving a clear and present danger to the lives, safety, or health of students or school personnel. If a student is suspended without this conference, both the parent/guardian and student shall be notified of the student's right to return to school for the purpose of the conference and the conference shall be held within two school days, unless the student waives his/her right to it or is physically unable to attend for any reason. In such a case, the conference shall be held as soon as the student is physically able to return to school. (Education Code 48911)

2. **Administrative Actions:** All requests for student suspension are to be processed by the principal or designee. A school employee shall report the suspension, including the name of the student and the cause for the suspension, to the Superintendent or designee via the student information system. (Education Code 48911)

3. **Notice to Parents/Guardians:** At the time of the suspension, a school employee shall make a reasonable effort to contact the parent/guardian by telephone or in AR 5144.1 Students Suspension and Expulsion/Due Process (continued) Page 9 of 25 person. Whenever a student is suspended, the parent/guardian shall also be notified in writing of the suspension. (Education Code 48911) This notice shall state the specific offense committed by the student. (Education Code 48900.8) In addition, the notice may state the date and time when the student may return to school.

4. **Parent/Guardian Conference:** Whenever a student is suspended, school officials may request a meeting with the parent/guardian to discuss the cause(s) and duration of the suspension, the school policy involved, and any other pertinent matter. (Education Code 48914)

If school officials request to meet with the parent/guardian, the notice may state that the law requires the parent/guardian to respond to such requests without delay. However, no penalties may be imposed on the student for the failure of the parent/guardian to attend such a conference. The student may not be denied reinstatement solely because the parent/guardian failed to attend the conference. (Education Code 48911)

5. **Extension of Suspension:** If the Board is considering the expulsion of a suspended student from any school or the suspension of a student for the balance of the semester from continuation school, the Superintendent or designee may, in writing, extend the suspension until such time as the Board has made a decision, provided the following requirements are followed: (Education Code 48911)

a. The extension of the original period of suspension is preceded by notice of such extension with an offer to hold a conference concerning the extension, giving the student an opportunity to be heard. This conference may be held in conjunction with a meeting requested by the student or parent/guardian to challenge the original suspension.

b. The Superintendent or designee determines, following a meeting in which the student and the student's parent/guardian were invited to participate, that the student's presence at the school or at an alternative school would endanger persons or property or threaten to disrupt the instructional process. (Education Code 48911)

c. If the student involved is a foster youth, the Superintendent or designee shall notify the District liaison for foster youth of the need to invite the student's attorney and a representative of the appropriate county child welfare agency to attend the meeting. (Education Code 48853.5, 48911, 48918.1) (cf. 6173.1 - Education for Foster Youth)

d. If the student involved is a homeless child or youth, the Superintendent or designee shall notify the District liaison for homeless students. (Education Code 48918.1) (cf. 6173 - Education for Homeless Children)

In lieu of or in addition to suspending a student, the Superintendent, principal, or designee may provide services or require the student to participate in an alternative disciplinary program designed to correct his/her behavior and keep him/her in school.

## Suspension by the Board

The Board may suspend a student for any of the acts listed under "Grounds for Suspension and Expulsion: Grades K-12" and "Additional Grounds for Suspension and Expulsion: Grades 4-12" above and within the limits specified under "Suspension by Superintendent, Principal, or Designee" above. (Education Code 48912)

The Board may suspend a student enrolled in a continuation school or class for a period not longer than the remainder of the semester. The suspension shall meet the requirements of Education Code 48915. (Education Code 48912.5)

When the Board is considering a suspension, disciplinary action, or any other action (except expulsion) against any student, it shall hold a closed session if a public hearing would lead to disclosure of information violating a student's right to privacy under Education Code 49073-49079. (Education Code 35146, 48912) (cf. 9321 - Closed Session Purposes and Agendas)

The Board shall provide the student and his/her parent/guardian with written notice of the closed session by registered or certified mail or personal service. Upon receiving this notice, the student or parent/guardian may request a public meeting, and this request shall be granted if made in writing within 48 hours after receipt of the Board's notice. However, any discussion that conflicts with any other student's right to privacy still shall be held in closed session. (Education Code 35146, 48912)

#### On-Campus Suspension

A student for whom an expulsion action has not been initiated and who poses no imminent danger or threat to the school, students, or staff may be assigned to on-campus suspension in a separate classroom, building, or site for the entire period of suspension. The following conditions shall apply: (Education Code 48911.1)

1. The on-campus suspension classroom shall be staffed in accordance with law.
2. The student shall have access to appropriate counseling services.
3. The on-campus suspension classroom shall promote completion of schoolwork and tests missed by the student during the suspension.
4. The student shall be responsible for contacting his/her teacher(s) to receive assignments to be completed in the supervised suspension classroom. The teacher(s) shall provide all assignments and tests that the student will miss while suspended. If no such work is assigned, the person supervising the suspension classroom shall assign schoolwork.

At the time a student is assigned to an on-campus suspension classroom, the principal or designee shall notify the student's parent/guardian in person or by telephone. When the assignment is for longer than one class period, this notification may be made in writing. (Education Code 48911.1)

#### Superintendent or Principal's Authority to Recommend Expulsion

Unless the Superintendent or principal determines that expulsion should not be recommended under the circumstances or that an alternative means of correction would address the conduct, he/she shall recommend a student's expulsion for any of the following acts: (Education Code 48915)

1. Causing serious physical injury to another person, except in self-defense
2. Possession of any knife or other dangerous object of no reasonable use to the student
3. Unlawful possession of any controlled substance as listed in Health and Safety Code 11053-11058, except for (a) the first offense for the possession of not more than one ounce of marijuana, other than concentrated cannabis, or (b) the student's possession of over-the-counter medication for his/her use or other medication prescribed for him/her by a physician
4. Robbery or extortion
5. Assault or battery, as defined in Penal Code 240 and 242, upon any school employee

In determining whether or not to recommend the expulsion of a student, the Superintendent, principal, or designee shall act as quickly as possible to ensure that the student does not lose instructional time. (Education Code 48915)

#### Student's Right to Expulsion Hearing

Any student recommended for expulsion shall be entitled to a hearing to determine whether he/she should be expelled. The hearing shall be held within 30 school days after the Superintendent, principal, or designee determines that the student has committed the act(s) that form the basis for the expulsion recommendation. (Education Code 48918(a))

The student is entitled to at least one postponement of an expulsion hearing for a period of not more than 30 calendar days. The request for postponement shall be in writing. Any subsequent postponement may be granted at the Board's discretion. (Education Code 48918(a))

If the Board finds it impractical during the regular school year to comply with these time requirements for conducting an expulsion hearing, the Superintendent or designee may, for good cause, extend the time period by an additional five school days. Reasons for the extension shall be included as a part of the record when the expulsion hearing is held. (Education Code 48918(a))

If the Board finds it impractical to comply with the time requirements of the expulsion hearing due to a summer recess of Board meetings of more than two weeks, the days during the recess shall not be counted as school days. The days not counted during the recess may not exceed 20 school days, as defined in Education Code 48925. Unless the AR 5144.1 Students Suspension and Expulsion/Due Process (continued) Page 13 of 25 student requests in writing that the expulsion hearing be postponed, the hearing shall be held not later than 20 calendar days prior to the first day of the next school year. (Education Code 48918(a))

Once the hearing starts, all matters shall be pursued with reasonable diligence and concluded without unnecessary delay. (Education Code 48918(a))

Stipulated Expulsion After a determination that a student has committed an expellable offense, the Superintendent, principal, or designee shall offer the student and his/her parent/guardian the option to waive a hearing and stipulate to the expulsion or to a suspension of the expulsion under certain conditions. The offer shall be made only after the student or his/her parent/guardian has been given written notice of the expulsion hearing pursuant to Education Code 48918. The stipulation agreement shall be in writing and shall be signed by the student and his/her parent/guardian.

The stipulation agreement shall include notice of all the rights that the student is waiving, including the waiving of his/her right to have a full hearing, to appeal the expulsion to the County Board of Education, and to consult legal counsel.

A stipulated expulsion agreed to by the student and his/her parent/guardian shall be effective upon approval by the Board.

#### Rights of Complaining Witness

An expulsion hearing involving allegations of sexual assault or sexual battery may be postponed for one school day in order to accommodate the special physical, mental, or emotional needs of a student who is the complaining witness. (Education Code 48918.5)

Whenever the Superintendent or designee recommends an expulsion hearing that addresses allegations of sexual assault or sexual battery, he/she shall give the complaining witness a copy of the

District's suspension and expulsion policy and regulation and shall advise the witness of his/her right to: (Education Code 48918.5)

1. Receive five days' notice of his/her scheduled testimony at the hearing
2. Have up to two adult support persons of his/her choosing present at the hearing at the time he/she testifies
3. Have a closed hearing during the time he/she testifies Whenever any allegation of sexual assault or sexual battery is made, the Superintendent or designee shall immediately advise complaining witnesses and accused students to refrain from personal or telephone contact with each other during the time when an expulsion process is pending. (Education Code 48918.5)

#### Written Notice of the Expulsion Hearing

Written notice of the expulsion hearing shall be forwarded to the student and the student's parent/guardian at least 10 calendar days before the date of the hearing. The notice shall include: (Education Code 48900.8, 48918(b))

1. The date and place of the hearing

4. Notification of the student's or parent/guardian's obligation, pursuant to Education Code 48915.1, to provide information about the student's status in the District to any other district in which the student seeks enrollment This obligation applies when a student is expelled for acts other than those described in Education Code 48915(a) or (c). (cf. 5119 - Students Expelled from Other Districts)
5. The opportunity for the student or the student's parent/guardian to appear in person or be represented by legal counsel or by a non-attorney adviser Legal counsel means an attorney or lawyer who is admitted to the practice of law in California and is an active member of the State Bar of California. Non-attorney adviser means an individual who is not an attorney or lawyer, but AR 5144.1 Students Suspension and Expulsion/Due Process (continued) Page 15 of 25 who is familiar with the facts of the case and has been selected by the student or student's parent/guardian to provide assistance at the hearing.
6. The right to inspect and obtain copies of all documents to be used at the hearing
7. The opportunity to confront and question all witnesses who testify at the hearing
8. The opportunity to question all evidence presented and to present oral and documentary evidence on the student's behalf, including witnesses

#### Additional Notice of Expulsion Hearing for Foster Youth and Homeless Students

If the student facing expulsion is a foster student, the Superintendent or designee shall also send notice of the hearing to the student's attorney and a representative of an appropriate child welfare agency at least 10 days prior to the hearing. (Education Code 48918.1)

If the student facing expulsion is a homeless student, the Superintendent or designee shall also send notice of the hearing to the District liaison for homeless students at least 10 days prior to the hearing. (Education Code 48918.1)

Any notice for these purposes may be provided by the most cost-effective method possible, including by email or a telephone call. (Education Code 48918.1)

#### Conduct of Expulsion Hearing

1. Closed Session: Notwithstanding Education Code 35145, the Board shall conduct a hearing to consider the expulsion of the student in a session closed to the public unless the student requests in writing at least five days prior to the hearing that the hearing be a public meeting. If such a request is made, the meeting shall be public to the extent that privacy rights of other students are not violated. (Education Code 48918)

Whether the expulsion hearing is held in closed or public session, the Board may meet in closed session to deliberate and determine whether or not the student should be expelled. If the Board admits any other person to this closed session, the parent/guardian, the student, and the counsel of the student also shall be allowed to attend the closed session. (Education Code 48918(c)) If a hearing that involves a charge of sexual assault or sexual battery is to be conducted in public, a complaining witness shall have the right to have his/her testimony heard in closed session when testifying in public would threaten serious psychological harm to the witness and when there are no alternative procedures to avoid the threatened harm, including, but not limited to, videotaped deposition or contemporaneous examination in another place communicated to the hearing room by closed-circuit television. (Education Code 48918(c))

2. Record of Hearing: A record of the hearing shall be made and may be maintained by any means, including electronic recording, as long as a reasonably accurate and complete written transcription of the proceedings can be made. (Education Code 48918(g))

3. Subpoenas: Before commencing a student expulsion hearing, the Board may issue subpoenas, at the request of either the student or the Superintendent or designee, for the personal appearance at the hearing of any person who actually witnessed the action that gave rise to the recommendation for expulsion. After the hearing has commenced, the Board or the hearing officer or administrative panel may issue such subpoenas at the request of the student or the County Superintendent of Schools or designee. All subpoenas shall be issued in accordance with Code of Civil Procedure 1985-1985.2 and enforced in accordance with Government Code 11455.20. (Education Code 48918(i))

Any objection raised by the student or the Superintendent or designee to the issuance of subpoenas may be considered by the Board in closed session, or in open session if so requested by the student, before the meeting. The Board's decision in response to such an objection shall be final and binding. (Education Code 48918(i)) If the Board determines, or if the hearing officer or administrative panel finds and submits to the Board, that a witness would be subject to unreasonable risk of harm by testifying at the hearing, a subpoena shall not be issued to compel the personal attendance of that witness at the hearing. However, that witness may be compelled to testify by means of a sworn declaration as described in item #4 below. (Education Code 48918(i))

4. Presentation of Evidence: Technical rules of evidence shall not apply to the expulsion hearing, but relevant evidence may be admitted and used as proof only if it is the kind of evidence on which reasonable persons can rely in the conduct of serious affairs. The decision of the Board to expel shall be supported by substantial evidence that the student committed any of the acts pursuant to Education Code 48900 and listed in "Grounds for Suspension and Expulsion: Grades K-12" and "Additional Grounds for Suspension and Expulsion: Grades 4-12" above. (Education Code 48918(h))

Findings of fact shall be based solely on the evidence at the hearing. Although no finding shall be based solely on hearsay, sworn declarations may be admitted as testimony from witnesses whose disclosure of their identity or testimony at the hearing may subject them to an unreasonable risk of physical or psychological harm. (Education Code 48918(f))

In cases where a search of a student's person or property has occurred, evidence describing the reasonableness of the search shall be included in the hearing record.

5. Testimony by Complaining Witnesses: The following procedures shall be observed when a hearing involves allegations of sexual assault or sexual battery by a student: (Education Code 48918, 48918.5)

- a. Any complaining witness shall be given five days' notice before being called to testify.
- b. Any complaining witness shall be entitled to have up to two adult support persons, including, but not limited to, a parent/guardian or legal counsel, present during his/her testimony.
- c. Before a complaining witness testifies, support persons shall be admonished that the hearing is confidential.
- d. The person presiding over the hearing may remove a support person whom he/she finds is disrupting the hearing.
- e. If one or both support persons are also witnesses, the hearing shall be conducted in accordance with Penal Code 868.5.

f. Evidence of specific instances of prior sexual conduct of a complaining witness shall be presumed inadmissible and shall not be heard unless the person conducting the hearing determines that extraordinary circumstances require the evidence to be heard. Before such a determination is made, the complaining witness shall be given notice and an opportunity to oppose the introduction of this evidence. In the hearing on the admissibility of this evidence, the complaining witness shall be entitled to be represented by a parent/guardian, legal counsel, or other support person. Reputation or opinion evidence regarding the sexual behavior of a complaining witness shall not be admissible for any purpose.

g. In order to facilitate a free and accurate statement of the experiences of the complaining witness and to prevent discouragement of complaints, the District shall provide a nonthreatening environment.

(1) The District shall provide a room separate from the hearing room for the use of the complaining witness before and during breaks in testimony.

(2) At the discretion of the person conducting the hearing, the complaining witness shall be allowed reasonable periods of relief from examination and cross-examination during which he/she may leave the hearing room.

(3) The person conducting the hearing may:

(a) Arrange the seating within the hearing room so as to facilitate a less intimidating environment for the complaining witness.

(b) Limit the time for taking the testimony of a complaining witness to the hours he/she is normally in school, if there is no good cause to take the testimony during other hours.

(c) Permit one of the support persons to accompany the complaining witness to the witness stand

6. Decision: The Board's decision as to whether to expel a student shall be made within 40 school days after the student is removed from his/her school of attendance, unless the student requests in writing that the decision be postponed. (Education Code 48918(a))

Alternative Expulsion Hearing: Hearing Officer or Administrative Panel

Instead of conducting an expulsion hearing itself, the Board may contract with the county hearing officer or with the Office of Administrative Hearings of the State of California for a hearing officer. The Board may also appoint an impartial administrative panel composed of three or more certificated personnel, none of whom shall be members of the Board or on the staff of the school in which the student is enrolled. (Education Code 48918)

A hearing conducted by the hearing officer or administrative panel shall conform to the same procedures applicable to a hearing conducted by the Board as specified above in "Conduct of Expulsion Hearing," including the requirement to issue a decision within 40 school days of the student's removal from school, unless the student requests that the decision be postponed. (Education Code 48918(a) and (d))

The hearing officer or administrative panel shall, within three school days after the hearing, determine whether to recommend expulsion of the student to the Board. If expulsion is not recommended, the expulsion proceeding shall be terminated and the student shall be immediately reinstated and permitted to return to the classroom instructional program from which the referral was made, unless another placement is requested in writing by the student's parent/guardian. Before the student's placement decision is made by his/her parent/guardian, the Superintendent or designee shall consult with the parent/guardian and district staff, including the student's teachers, regarding other placement options for the student in addition to the option to return to the classroom instructional program from which the student's expulsion referral was made. The decision to not recommend expulsion shall be final. (Education Code 48918(e))

If expulsion is recommended, findings of fact in support of the recommendation shall be prepared and submitted to the Board. All findings of fact and recommendations shall be based solely on the evidence presented at the hearing. The Board may accept the recommendation based either upon a review of the findings of fact and recommendations submitted or upon the results of any supplementary hearing the Board may order. (Education Code 48918(f))

In accordance with Board policy, the hearing officer or administrative panel may recommend that the Board suspend the enforcement of the expulsion. If the hearing officer or administrative panel recommends that the Board expel a student but suspend the enforcement of the expulsion, the student shall not be reinstated and permitted to return to the classroom instructional program from which the referral was made until the Board has ruled on the recommendation. (Education Code 48917, 48918)

#### Final Action by the Board

Whether the expulsion hearing is conducted in closed or public session by the Board, a hearing officer, or an administrative panel or is waived through the signing of a stipulated expulsion agreement, the final action to expel shall be taken by the Board in public. (Education Code 48918(j)) (cf. 9321.1 - Closed Session Actions and Reports)

The Board's decision is final. If the decision is to not expel, the student shall be reinstated immediately. If the decision is to suspend the enforcement of the expulsion, the student shall be reinstated under the conditions of the suspended expulsion.

Upon ordering an expulsion, the Board shall set a date when the student shall be reviewed for readmission to a school within the District. For a student expelled for any act listed under "Mandatory Recommendation and Mandatory Expulsion" above, this date shall be one year from the date the expulsion occurred, except that the Board may set an earlier date on a case-by-case basis. For a student expelled for other acts, this date shall be no later than the last day of the semester following the semester in which the expulsion occurred. If an expulsion is ordered during summer session or the intersession period of a year-round program, the Board shall set a date when the student shall be reviewed for readmission not later than the last day of the semester following the summer session or intersession period in which the expulsion occurred. (Education Code 48916)

At the time of the expulsion order, the Board shall recommend a plan for the student's rehabilitation, which may include: (Education Code 48916)

1. Periodic review, as well as assessment at the time of review, for readmission
2. Recommendations for improved academic performance, tutoring, special education assessments, job training, counseling, employment, community service, or other rehabilitative programs.

With parent/guardian consent, students who have been expelled for reasons relating to controlled substances or alcohol may be required to enroll in a county-sponsored drug rehabilitation program before returning to school. (Education Code 48916.5)

#### Written Notice to Expel

The Superintendent or designee shall send written notice of the decision to expel to the student or parent/guardian. This notice shall include the following:

1. The specific offense committed by the student for any of the causes for suspension or expulsion listed above under "Grounds for Suspension and Expulsion: Grades K-12" or "Additional Grounds for Suspension and Expulsion: Grades 4-12" (Education Code 48900.8)
2. The fact that a description of readmission procedures will be made available to the student and his/her parent/guardian (Education Code 48916)
3. Notice of the right to appeal the expulsion to the County Board (Education Code 48918)
4. Notice of the alternative educational placement to be provided to the student during the time of expulsion (Education Code 48918)
5. Notice of the student's or parent/guardian's obligation to inform any new district in which the student seeks to enroll of the student's status with the expelling district, pursuant to Education Code 48915.1 (Education Code 48918)

#### Decision to Suspend Expulsion Order

In accordance with Board policy, when deciding whether to suspend the enforcement of an expulsion order, the Board shall take into account the following criteria:

1. The student's pattern of behavior
2. The seriousness of the misconduct
3. The student's attitude toward the misconduct and his/her willingness to follow a rehabilitation program

The suspension of the enforcement of an expulsion shall be governed by the following:

1. The Board may, as a condition of the suspension of enforcement, assign the student to a school, class, or program appropriate for the student's rehabilitation. This rehabilitation program may provide for the involvement of the student's parent/guardian in the student's education. However, a parent/guardian's refusal to participate in the rehabilitation program shall not be considered in the Board's determination as to whether the student has satisfactorily completed the rehabilitation program. (Education Code 48917)
2. During the period when enforcement of the expulsion order is suspended, the student shall be on probationary status. (Education Code 48917)
3. The suspension of the enforcement of an expulsion order may be revoked by the Board if the student commits any of the acts listed under "Grounds for Suspension and Expulsion: Grades K-12" or "Additional Grounds for Suspension and Expulsion: Grades 4-12" above or violates any of the District's rules and regulations governing student conduct. (Education Code 48917)
4. When the suspension of enforcement of an expulsion order is revoked, a student may be expelled under the terms of the original expulsion order. (Education Code 48917)
5. Upon satisfactory completion of the rehabilitation assignment, the Board shall reinstate the student in a district school. Upon reinstatement, the Board may order the expunging of any or all records of the expulsion proceedings. (Education Code 48917)

6. The Superintendent or designee shall send written notice of any decision to suspend the enforcement of an expulsion order during a period of probation to the student or parent/guardian. The notice shall inform the parent/guardian of the right to appeal the expulsion to the County Board, the alternative educational placement to be provided to the student during the period of expulsion, and the student's or parent/guardian's obligation to inform any new district in which the student seeks to enroll of his/her status with the expelling district, pursuant to Education Code 48915.1(b). (Education Code 48918(j))

7. Suspension of the enforcement of an expulsion order shall not affect the time period and requirements for the filing of an appeal of the expulsion order with the AR 5144.1 Students Suspension and Expulsion/Due Process (continued) Page 23 of 25 County Board. (Education Code 48917)

#### Appeal

The student or parent/guardian is entitled to file an appeal of the Board's decision with the County Board. The appeal must be filed within 30 days of the Board's decision to expel, even if the expulsion order is suspended and the student is placed on probation. (Education Code 48919)

If the student submits a written request for a copy of the written transcripts and supporting documents from the District simultaneously with the filing of the notice of appeal with the County Board, the District shall provide the student with these documents within 10 school days following the student's written request. (Education Code 48919)

#### Notification to Law Enforcement Authorities

The principal or designee also shall notify appropriate city or county law enforcement authorities of any student acts which may involve the possession or sale of narcotics or of a controlled substance. In addition, law enforcement authorities shall be notified regarding any acts by students regarding the possession, sale, or furnishing of firearms, explosives, or other dangerous weapons in violation of Education Code 48915(c)(1) or (5) or Penal Code 626.9 and 626.10. (Education Code 48902) Within one school day after a student's suspension or expulsion, the principal or designee shall notify appropriate city or county law enforcement authorities, by telephone or other appropriate means, of any student acts which may violate Education Code 48900(c) or (d), relating to the possession, use, offering, or sale of controlled substances, alcohol, or intoxicants of any kind. (Education Code 48902)

#### Placement During Expulsion

The Board shall refer expelled students to a program of study that is: (Education Code 48915, 48915.01)

1. Appropriately prepared to accommodate students who exhibit discipline problems
2. Not provided at a comprehensive middle, junior, or senior high school or at any AR 5144.1 Students Suspension and Expulsion/Due Process (continued) Page 24 of 25 elementary school, unless the program is offered at a community day school established at any of these
3. Not housed at the school site attended by the student at the time of suspension (cf. 6158 - Independent Study) (cf. 6185 - Community Day School)

When the placement described above is not available and when the County Superintendent so certifies, students expelled for only acts described in items #6-12 under "Grounds for Suspension and Expulsion: Grades K-12" and items #1-3 under "Additional Grounds for Suspension and Expulsion: Grades 4-12" above may be referred to a program of study that is provided at another comprehensive middle, junior, or senior high school or at an elementary school. (Education Code 48915)

The program for a student expelled from any of grades K-6 shall not be combined or merged with programs offered to students in any of grades 7-12. (Education Code 48916.1)

#### Readmission After Expulsion

Prior to the date set by the Board for the student's readmission:

1. The Superintendent or designee shall hold a conference with the parent/guardian and the student. At the conference, the student's rehabilitation plan shall be reviewed and the Superintendent or designee shall verify that the provisions of this plan have been met. School regulations shall be reviewed and the student and parent/guardian shall be asked to indicate in writing their willingness to comply with these regulations.
2. The Superintendent or designee shall transmit to the Board his/her recommendation regarding readmission. The Board shall consider this recommendation in closed session. If a written request for open session is received from the parent/guardian or adult student, it shall be honored to the extent that privacy rights of other students are not violated.
3. If the readmission is granted, the Superintendent or designee shall notify the student and parent/guardian, by registered mail, of the Board's decision regarding readmission.
4. The Board may deny readmission only if it finds that the student has not satisfied the conditions of the rehabilitation plan or that the student continues to pose a danger to campus safety or to other district students or employees. (Education Code 48916)

5. If the Board denies the readmission of a student, the Board shall determine either to continue the student's placement in the alternative educational program initially selected or to place the student in another program that serves expelled students, including placement in a county community school.

6. The Board shall provide written notice to the expelled student and parent/guardian describing the reasons for denying readmittance into the regular program. This notice shall indicate the Board's determination of the educational program which the Board has chosen. The student shall enroll in that program unless the parent/guardian chooses to enroll the student in another school district. (Education Code 48916)

No student shall be denied readmission into the District based solely on the student's arrest, adjudication by a juvenile court, formal or informal supervision by a probation officer, detention in a juvenile facility, enrollment in a juvenile court school, or other such contact with the juvenile justice system. (Education Code 48645.5)

#### Maintenance of Records

The District shall maintain a record of each suspension and expulsion, including its specific cause(s). (Education Code 48900.8)

Expulsion records of any student shall be maintained in the student's mandatory interim record and sent to any school in which the student subsequently enrolls upon written request by that school. (Education Code 48918(k))

The Superintendent or designee shall, within five working days, honor any other district's request for information about an expulsion from this district. (Education Code 48915.1) (cf. 5119 - Students Expelled from Other Districts)

#### LUSD Administrative Regulation 5144.2

##### Suspension And Expulsion/Due Process (Students With Disabilities)

A student identified as an individual with a disability pursuant to the Individuals with Disabilities Education Act (IDEA), 20 USC 1400-1482, is subject to the same grounds and procedures for suspension and expulsion which apply to students without disabilities, except as otherwise specified in this administrative regulation. (cf. 5144.1 - Suspension and Expulsion/Due Process)

#### Suspension

The Superintendent or designee may suspend a student with a disability for up to 10 consecutive school days for a single incident of misconduct, and for up to 20 school days in a school year, as long as the suspension(s) does not constitute a change in placement pursuant to 34 CFR 300.536. (Education Code 48903; 34 CFR 300.530)

The principal or designee shall monitor the number of days, including portions of days, in which a student with a valid individualized education program (IEP) has been suspended during the school year. (cf. 6159 - Individualized Education Program)

The Superintendent or designee shall determine, on a case-by-case basis, whether a pattern of removals of a student from his/her current educational placement for disciplinary reasons constitutes a change of placement. A change of placement shall be deemed to have occurred under either of the following circumstances: (34 CFR 300.536)

1. The removal is for more than 10 consecutive school days.
2. The student has been subjected to a series of removals that constitute a pattern because of all of the following:
  - a. The series of removals total more than 10 school days in a school year.
  - b. The student's behavior is substantially similar to his/her behavior in previous incidents that resulted in the series of removals.
  - c. Additional factors, such as the length of each removal, the total amount of time the student has been removed, and the proximity of the removals to one another, indicate a change of placement.

If a student's removal is determined to be a change of placement as specified in items #1-2 above, or the student is suspended for more than 10 school days in the same school year, the student's IEP team shall determine the appropriate educational services. Such services shall be designed to enable the student to continue to participate in the general education curriculum in another setting, to progress toward meeting the goals set out in his/her IEP, and to address the student's behavior violation so that it does not recur. (20 USC 1412(a)(1)(A); 34 CFR 300.530)

If the IEP of a student with a disability requires the district to provide the student with transportation, the district shall provide the student with an alternative form of transportation at no cost to him/her or to his/her parent/guardian when he/she is to be excluded from school bus transportation. (Education Code 48915.5) (cf. 3541.2 - Transportation for Students with Disabilities)

#### Interim Alternative Educational Placement Due to Dangerous Behavior

The district may unilaterally place a student with a disability in an appropriate interim alternative educational setting for up to 45 school days, without regard to whether the behavior is a manifestation of the student's disability, when the student commits one of the following acts while at school, going to or from school, or at a school-related function: (20 USC 1415(k)(1)(G); 34 CFR 300.530)

1. Carries or possesses a weapon, as defined in 18 USC 930
2. Knowingly possesses or uses illegal drugs
3. Sells or solicits the sale of a controlled substance as identified in 21 USC 812(c), Schedules I-V
4. Inflicts serious bodily injury upon another person as defined in 18 USC 1365

The student's interim alternative educational setting shall be determined by his/her IEP team. (20 USC 1415(k)(1)(G); 34 CFR 300.531)

On the date the decision to take disciplinary action is made, the student's parent/guardian shall be notified of the decision and provided the procedural safeguards notice pursuant to 34 CFR 300.504. (20 USC 1415(k)(1)(H); 34 CFR 300.530)

A student who has been removed from his/her current placement because of dangerous behavior shall receive services, although in another setting, to the extent necessary to allow him/her to participate in the general education curriculum and to progress toward meeting the goals set out in his/her IEP. As appropriate, the student shall also receive a functional behavioral assessment and behavioral intervention services and modifications that are designed to address the behavior violation so that it does not recur. (20 USC 1415(k)(1)(D); 34 CFR 300.530)

#### Manifestation Determination

The following procedural safeguards shall apply when a student with a disability is suspended for more than 10 consecutive school days, when a series of removals of a student constitutes a pattern, or when a change of placement of a student is contemplated due to a violation of the district's code of conduct:

1. Notice: On the date the decision to take disciplinary action is made, the student's parent/guardian shall be notified of the decision and provided the procedural safeguards notice pursuant to 34 CFR 300.504. (20 USC 1415(k)(1)(H); 34 CFR 300.530) (cf. 5145.6 - Parental Notifications) (cf. 6159.1 - Procedural Safeguards and Complaints for Special Education)

2. Manifestation Determination Review: Immediately if possible, but in no case later than 10 school days after the date the decision to take disciplinary action is made, a manifestation determination review shall be made of the relationship between the student's disability and the behavior subject to the disciplinary action. (20 USC 1415(k)(1)(E); 34 CFR 300.530) At the manifestation determination review, the district, the student's parent/guardian, and relevant members of the IEP team (as determined by the district and parent/guardian) shall review all relevant information in the student's file, including the student's IEP, any teacher observations, and any relevant information provided by the parents/guardians, to determine whether the conduct in question was either of the following: (20 USC 1415(k)(1)(E); 34 CFR 300.530)

- a. Caused by or had a direct and substantial relationship to the student's disability
- b. A direct result of the district's failure to implement the student's IEP, in which case the district shall take immediate steps to remedy those deficiencies

If the manifestation review team determines that either of the above conditions applies, the student's conduct shall then be determined to be a manifestation of his/her disability. (20 USC 1415(k)(1)(E); 34 CFR 300.530)

3. Determination that Behavior is a Manifestation of the Student's Disability: When the student's conduct has been determined to be a manifestation of his/her disability, the IEP team shall conduct a functional behavioral assessment, unless one had been conducted before the occurrence of the behavior that resulted in the change of placement, and shall implement a behavioral intervention plan for the student. If a behavioral intervention plan has already been developed, the IEP team shall review the behavioral intervention plan and modify it as necessary to address the behavior. (20 USC 1415(k)(1)(F); 34 CFR 300.530)

The student shall be returned to the placement from which he/she was removed, unless the parent/guardian and Superintendent or designee agree to a change of placement as part of the modification of the behavioral intervention plan. (20 USC 1415(k)(1)(F); 34 CFR 300.530) (cf. 6159.4 - Behavioral Interventions for Special Education Students)

4. Determination that Behavior is Not a Manifestation of the Student's Disability: When it has been determined that the student's conduct was not a manifestation of his/her disability, the student may be disciplined in accordance with the procedures for students without disabilities. However, the student's IEP team shall determine services necessary to enable him/her to participate in the general education curriculum in another setting and to allow him/her to progress toward meeting the goals set out in his/her IEP. (20 USC 1415(k)(1)(D); 34 CFR 300.530)

As appropriate, the student also shall receive a functional behavioral assessment and behavioral intervention services and modifications that are designed to address the behavior violation so that it does not recur. (20 USC 1415(k)(1)(D); 34 CFR 300.530) (cf. 6158 - Independent Study) (cf. 6185 - Community Day School)

#### Due Process Appeals

If the parent/guardian disagrees with any district decision regarding placement under 34 CFR 300.530 (suspension and removal for dangerous circumstances) or 34 CFR 300.531 (interim alternative placement), or the manifestation determination under 34 CFR 300.530(e), he/she may appeal the decision by requesting a hearing. The district may request a hearing if the district believes that maintaining the student's current placement is substantially likely to result in injury to the student or others. In order to request a due process hearing, the requesting party shall file a complaint pursuant to 34 CFR 300.507 and 300.508(a) and (b). (20 USC 1415(k)(3); 34 CFR 300.532)

Whenever a hearing is requested as specified above, the parent/guardian or the district shall have an opportunity for an expedited due process hearing consistent with requirements specified in 34 CFR 300.507, 300.508 (a)-(c), and 300.510-300.514.

If the student's parent/guardian or the district has initiated a due process hearing under 34 CFR 300.532 as detailed above, the student shall remain in the interim alternative educational setting pending the decision of the hearing officer or until the expiration of the 45-day time period, whichever occurs first, unless the parent/guardian and district agree otherwise. (20 USC 1415(k)(4); 34 CFR 300.533)

#### Readmission

Readmission procedures for students with disabilities shall be the same as those adopted for students without disabilities. Upon readmission of a student with disabilities, an IEP team meeting shall be convened to review and, as necessary, modify the student's IEP.

#### Decision Not to Enforce Expulsion Order

The Governing Board's criteria for suspending the enforcement of an expulsion order shall be applied to students with disabilities in the same manner as they are applied to all other students. (Education Code 48917)

#### Notification to Law Enforcement Authorities

Law enforcement notification requirements involving students with disabilities shall be the same as those specified for all students in AR 5144.1 - Suspension and Expulsion/Due Process. When giving any required notification concerning a student with disabilities to any law enforcement official, the principal or designee shall require the law enforcement official Page 5 of 8 AR 5144.2 Students Suspension And Expulsion/Due Process (Students With Disabilities) (Continued) to certify in writing that he/she will not disclose the student's information or records to any other person without the prior written consent of the student's parent/guardian. (Education Code 49076) (cf. 5131.7 - Weapons and Dangerous Instruments)

#### Report to County Superintendent of Schools

The Superintendent or designee shall report to the County Superintendent of Schools when any special education student has been expelled or suspended for more than 10 school days. The report shall include the student's name, last known address, and the reason for the action. (Education Code 48203)

#### Procedures for Students Not Yet Eligible for Special Education Services

A student who has not been determined to be eligible for special education and related services and who has violated the district's code of student conduct may nevertheless assert any of the protections under IDEA, if the district had knowledge of the student's disability. (20 USC 1415(k)(5); 34 CFR 300.534)

Knowledge means that, before the occurrence of the behavior that precipitated the disciplinary action, one of the following occurred: (20 USC 1415(k)(5); 34 CFR 300.534)

1. The parent/guardian, in writing, has expressed concern to district supervisory or administrative personnel, or to a teacher of the student, that the student is in need of special education or related services.
2. The parent/guardian has requested an evaluation of the student for special education pursuant to 20 USC 1414(a)(1)(B) or 34 CFR 300.300-300.311. (cf. 6164.4 - Identification and Evaluation of Individuals for Special Education)
3. The teacher of the student or other district personnel has expressed specific concerns directly to the district's director of special education or other supervisory district personnel about a pattern of behavior demonstrated by the student.

However, the district shall not be deemed to have knowledge of a student's disability if the student's parent/guardian has not allowed him/her to be evaluated for special education services or has refused services or, after evaluating the student pursuant to 34 CFR 300.300-300.311, the district determined that he/she was not an individual with a disability.

When the district is deemed to not have knowledge of a student's disability, the student shall be disciplined in accordance with procedures established for students without disabilities who engage in comparable behavior. (20 USC 1415(k)(5); 34 CFR 300.534)

If a request is made for an evaluation of a student during the time period in which the student is subject to disciplinary measures pursuant to 34 CFR 300.530, the evaluation shall be conducted in an expedited manner. Until the evaluation is completed, the student shall remain in the educational placement determined by school authorities. (20 USC 1415(k)(5); 34 CFR 300.534)

#### **(D) Procedures to Notify Teachers of Dangerous Pupils (EC 49079)**

The LUSD Student Management Information System (Q) alerts staff of their students that have violated the 48900 or 48915 policy code. The teacher has this information on the attendance screen for their class in Q. The attendance module displays an icon to the left of the student name that indicates suspension data exists for the student. The teacher is able to view the policy violation and notes from the incident. Teachers are informed that such information is to be kept in strictest confidence and is to disseminate no further.

Notifications are received from the Superior Court of California to the Superintendent of Schools pursuant to Welfare and Institutions Code Section 827(b)(2). The notification is forwarded to the registrar or office of the student's school site of enrollment.

From California Education Code Section 49079

a. A school district shall inform the teacher of each pupil who has engaged in, or is reasonably suspected to have engaged in, any of the acts described in any of the subdivisions, except subdivision (h), of Section 48900 or in Section 48900.2, 48900.3, 48900.4, or 48900.7 that the pupil engaged in, or is reasonably suspected to have engaged in, those acts. The district shall provide the information to the teacher based upon any records that the district maintains in its ordinary course of business, or receives from a law enforcement agency, regarding a pupil described in this section.

b. A school district, or school district officer or employee, is not civilly or criminally liable for providing information under this section unless it is proven that the information was false and that the district or district officer or employee knew or should have known that the information was false, or the information was provided with a reckless disregard for its truth or falsity.

c. An officer or employee of a school district who knowingly fails to provide information about a pupil who has engaged in, or who is reasonably suspected to have engaged in, the acts referred to in subdivision (a) is guilty of a misdemeanor, which is punishable by confinement in the county jail for a period not to exceed six months, or by a fine not to exceed one thousand dollars (\$1,000), or both.

d. For the 1994-95 school year, the information provided shall be from the previous two school years. For the 1996-97 school year and each school year thereafter, the information provided shall be from the previous three school years.

e. Any information received by a teacher pursuant to this section shall be received in confidence for the limited purpose for which it was provided and shall not be further disseminated by the teacher.

#### **(E) Sexual Harassment Policies (EC 212.6 [b])**

The administration, teachers and staff of the Lompoc Unified School District actively strive to eliminate acts of sexual harassment at all District school sites. All personnel are aware of the mandates from the State of California, the California Department of Education, and the Board of Education of the Lompoc Unified School District and support them fully. All personnel receive instruction annually regarding the recognition, prevention and reporting of acts of sexual harassment. It is important that parents understand the provisions regarding sexual harassment and, in particular, student-to-student harassment.

From Lompoc Unified School District Board Policy 5145.7 – Sexual Harassment

The Governing Board is committed to maintaining a safe school environment that is free from harassment and discrimination. The Board prohibits sexual harassment of students at school or at school-sponsored or school-related activities. The Board also prohibits retaliatory behavior or action against any person who reports, files a complaint or testifies about, or otherwise supports a complainant in alleging sexual harassment. The District strongly encourages any student who feels that he/she is being or has been sexually harassed on school grounds or at a school-sponsored or school-related activity by another student or an adult to immediately contact his/her teacher, the principal, or any other available school employee. Any employee who receives a report or observes an incident of sexual harassment shall notify the principal or a district compliance officer. #### **(G) Procedure for Safe Ingress and Egress of Pupils, Parents, and Staff to and from School (EC 35294.2)**

Once the day begins, six gates are closed and locked during the school day, and two gates are closed, but remain unlocked. At the days end, five gates are opened and students walk to the front of the school with their classroom teachers and wait in a designated spot for parent pick-up, or walk/ride their bikes home. Parents enter the parking lot in one lane. Traffic Routes and parking circle map are shared with parents at the beginning of the school year during orientation and Back to School Night, and it is on our website. Students who walk or ride bikes home, do so on the sidewalks towards home. Parents and students who arrive during the school hours, enter through the office, sign-in, and go through one unlocked gate. If parents are volunteering in the classroom, they sign in and wear a visitor badge, and sign-out in the office when leaving the school. School visitors may be required to present identification. School visitors may not disrupt the educational process at the school. This policy is for the entire school day, and for all areas of the campus. Classroom visitation procedures are included in the Parent Handbook.

Four Campus supervisors assist to supervise students during the lunch times in the cafeteria and playground. Teachers are assigned supervision duty during recess.

LUSD employees wear district badges throughout the day.

Monthly Drills are held to familiarize staff/students with emergency exit routes and procedures.

In the event of a major emergency, we will notify parents through the Parent Square call out system, of where they can pick up their students. In the case of a campus evacuation, parents will pick-up students at the Youth Center on Base. Students maybe bussed there as needed. Students are signed out upon confirmation of parent/guardian photo ID.

Accommodations are provided for students with disabilities in accordance with the federal American with Disabilities Act of 1990 (42 U.S.C. SEC 12101 et seq.) for disaster procedures, routine, and emergency.

As necessary, the District shall provide counseling, guidance, and support to students who are victims of hate-motivated behavior and to students who exhibit such behavior.

The Superintendent or designee shall ensure that the rules prohibiting hate-motivated behavior and procedures for reporting a hate-motivated incident are provided to students and parents/guardians.

Crestview Elementary School Incident Command System

## **Incident Command Team Responsibilities**

### **Standardized Emergency Response Management System Overview**

The California Standardized Emergency Management System (SEMS) is designed to centralize and coordinate emergency response through the use of standardized terminology and processes. This greatly facilitates the flow of information and resources among the agencies participating in response to an emergency. SEMS consists of five functions:

#### **Management**

During an emergency, the Incident Commander directs response actions from a designated Command Post. To effectively do this, the Incident Commander must constantly assess the situation, and develop and implement appropriate strategies. The Incident Commander must be familiar with the available resources, accurately document all response actions, and effectively communicate response strategies to others participating in the response. This function is typically filled by the school principal. The principal is assisted in carrying out this function by a Public Information & Liaison Officer and Safety Officer.

#### **Planning & Intelligence**

Planning and Intelligence involves the use of various methods to efficiently gather information, weigh and document the information for significance, and actively assess the status of the emergency. This understanding and knowledge about the situation at hand is vital to the effective management of a response. These activities are performed by a single person who reports directly to the Incident Commander.

#### **Operations**

All response actions are implemented under by Operations. This includes staff performing first aid, crisis intervention, search and rescue, site security, damage assessment, evacuations, and the release of students.

#### **Logistics**

Logistics supports the response by coordinating personnel; assembling and deploying volunteers; providing supplies, equipment, and services; and facilitating communications among emergency responders.

#### **Finance & Administration**

Finance & Administration involves the purchasing of all necessary materials, tracking financial records, timekeeping for emergency responders, and recovering school records following an emergency. These activities are performed by a single person who reports directly to the Incident Commander.

## **Emergency Response Guidelines**

### **Step One: Identify the Type of Emergency**

### **Step Two: Identify the Level of Emergency**

### **Step Three: Determine the Immediate Response Action**

### **Step Four: Communicate the Appropriate Response Action**

## **Types of Emergencies & Specific Procedures**

### **Aircraft Crash**

Evacuation procedures will be put in place, if necessary, VSFB Fire and Emergency will be called. LUSD district office will be called.

### **Animal Disturbance**

Lockdown procedures, if necessary, will be put in place. VSFB Security Forces will be notified.

### **Armed Assault on Campus**

#### **Active Shooter Event**

When an active shooter is in your vicinity, you must be prepared both mentally and physically to deal with the situation. An active shooter is an individual actively engaged in killing or attempting to kill people in a confined and populated area, typically with the use of firearms. No single response fits all active shooter situations; however, making sure each individual knows his or her options for response and can react decisively will save valuable time. Depicting scenarios, considering response options and conducting active shooter drills in advance will assist individuals and groups in quickly selecting their best course of action.

August 2019 LUSD hosted and participated in a multiple day training event by the ALICE Training Institute. ALICE refers to ALERT, LOCKDOWN, INFORM, COUNTER and EVACUATE. These concepts are incorporated in the procedures below.

#### **Discovering Party**

1. Call 911. Notify an Administrator or Office. Provide the following information if known:
  - a. Location of the active shooter;
  - b. Number of shooters;
  - c. Physical description of shooters;
  - d. Number and type of weapons shooter has;
  - e. Number of potential victims at location.
2. Local Law Enforcement may contact the school and request the school to implement Active Shooter Event.

#### **Administrators**

1. Call 911 if the incident is not originating from law enforcement. Do not assume others have called 911;
2. Notify teachers and staff of an Active Shooter Event;
3. Notify the District Office;
4. Keep telephone lines open for emergency-related use;
5. School site will send out a message on the parent communication system. In the event the school site is unable to send out the message, personnel at the District Office will send out the message.

#### **Teachers and students**

1. Classrooms on the playground or outdoors implement Run, Hide, Fight (Counter)
2. Teachers instruct student to hide behind barriers or implement Run, Hide, Fight (Counter)
3. RUN - Run away from the threat if it is a safe option.
  - a. Have an escape route and plan in mind.
  - b. Leave your belongings behind
  - c. Evacuate regardless of whether others agree to follow
  - d. Help others escape, if possible
  - e. Do not attempt to move the wounded
  - f. Prevent others from entering an area where the active shooter may be
  - g. Keep your hands visible at all times especially in the presence of Law Enforcement
  - h. Use non-traditional exits if necessary.
  - i. Call 911 when you are safe
4. HIDE - If Run is not an option, hide in an area out of the shooter's view
  - a. Lock door or block entry to your hiding place
  - b. Barricade the doors with heavy furniture
  - c. Close and lock windows and close blinds or cover windows
  - d. Attempt to find a location that provides protection from bullets or hide along the wall closest to the exit but out of view from the entrance (allowing for an ambush of the shooter and for possible escape if the shooter enters the room)
  - e. Silence your cell phone (including vibrate mode) and remain quiet
  - f. Do not open the door to anyone until a known staff member or police officer comes into your classroom by a key and gives the "all clear."
5. COUNTER – As a last resort or when your life is in imminent danger.

- a. Attempt to incapacitate the shooter.
- b. Throw objects or items at the active shooter such as chairs, fire extinguisher, etc.
- c. Make noise attempt to distract the shooter

When law enforcement arrives:

1. Remain calm and follow instructions.
2. Drop items in your hands
3. Raise hands and spread fingers
4. Keep hands visible at all times
5. Avoid quick movements toward officers, such as holding onto them for safety
6. Avoid pointing, screaming or yelling
7. Do not ask questions when evacuating

### **Biological or Chemical Release**

**Disorderly Conduct**

Intruder Alert/Anti-Violence Response

An intruder alert/anti-violence response is a lockdown procedure used when an unauthorized or aggravated person is on campus. This procedure secures staff and students by limiting access to the school classroom, offices and other building. As part of the procedure, everyone must remain inside until the situation has been declared safe and given the "All Clear" by an authorized person. If the intruder has a firearm or weapon refer to the "Active Shooter Event."

Discovering Party

1. Notify an Administrator or Office. If there is an immediate threat of danger and unable to reach the Office or Administrator, call 911.

2. Local Law Enforcement may contact the school and request the school to go into a lockdown.

Administrators

1. Assess the situation to determine status level of threat.

2. Call 911 if there is an indication of danger to students or staff and the incident is not originating from law enforcement.

3. Notify teachers and staff for a need for Lockdown.

4. Notify the District Office.

5. Keep telephone lines open for emergency-related use.

6. School site will send out a message on the parent communication system indicating if there will be a delay in dismissing student of if there is a need to pick up their children at a different time or location. In the event the school site is unable to send out the message, personnel at the District Office will send out the message.

Teachers

When informed of a lockdown, initiate the following lockdown procedures and await further instructions"

1. Open classroom doors and do a quick peek outside to gather outside students into your classroom.

2. Classrooms on the playground or students outside of the classroom need to proceed immediately to their classroom.

3. Remain calm, lock all doors, close window blinds, turn off lights and remain out of sight.

4. Silence all cell phones and if necessary turn off all computer monitors.

5. During lockdown, communicate any suspicious activities or noises to the office if safe to do so.

6. Take roll immediately and report attendance to the designated individual at your school site.

7. UNDER ANY CIRCUMSTANCES, no person is to leave your room until you receive the "All-Clear" announcement.

8. If students are in another classroom they are to stay there.

9. Remain in lockdown until further instructions or an announcement is made.

10. A lockdown could escalate to Active Shooter Event. Refer to that section for instructions.

**Earthquake**

Earthquake

Indoors

Announce and implement DUCK, COVER and HOLD.

1. Get under nearest desk or table away from windows and objects that could fall. Crouch down facing the center of the room, clasp hand behind neck, close eyes and hold table leg while in the duck and cover position. Remain in this position until signal to evacuate is given.
2. Try to avoid glass and falling objects, areas where there are large panels of glass and/or heavy suspended light fixtures.
3. Implement Evacuation when shaking has stopped or tremors have subsided.
4. Announce that no student is to return to the room unless directed to do so.
5. Take roll of students

3. Implement Evacuation when shaking has stopped or tremors have subsided. Staff will take students to pre-arranged places on campus, adjust as necessary.
4. Take roll of students

#### General

Be prepared for immediate aftershocks and ground motion.

When leaving the classroom if safety permits, teachers should make every effort to take with them the roll book and emergency supplies.

Whenever possible disaster supplies should be kept in a locked shed away from the school buildings and accessible once all personnel and students are safely accounted and secured in the evacuation area.

If possible, notify incident commander of any breaks or suspected breaks in service.

Do not light any fires after the earthquake of possible gas leaks.

The principal or designee will determine the advisability or necessity of releasing students.

Lompoc Unified School District participates in the Great ShakeOut Earthquake Drills annually.

#### Explosion or Risk Of Explosion

VSB Fire/Emergency, VSB Security Services, and LUSD district office will be notified.

#### Fire in Surrounding Area

VSB Fire/Emergency Services and LUSD office will be notified. Evacuation of students and staff will take place.

#### Fire on School Grounds

##### Fire Procedures

Intermittent Alarm Bell (an interrupted signal) – When the fire alarm sounds, assess the situation.

1. If you do NOT see, hear, or smell an imminent fire threat, shelter in place in the classroom and await further instructions from the school office. Continue to monitor your surroundings and evacuate the classroom at the first sign of an imminent fire threat.
2. If you see, hear, or smell an imminent fire threat, evacuate the classroom immediately and notify the school office. Ext: 2050

4. In an actual emergency: students are not to leave campus unless checked out by parent/guardian or a responsible adult.

## **Flooding**

### **Flooding**

This procedure applies whenever storm water or other sources of water inundate or threaten to inundate school grounds or buildings. Flooding on a school site may be caused by heavy rain, failure of a dam, water main break, or tsunami.

The extent of the flood or type of water incident will dictate the course of action to be taken. The administrator may initiate the following emergency actions:

1. Implement Evacuation or
2. Shelter-in-Place, or
3. Off-Site-Evacuation.

### **General**

In event of an evacuation, teachers will bring student rosters and emergency supplies.

If necessary, instructions will be given to move students to higher ground or an alternate evacuation site warranted by changes in condition.

Remain at the specified location until further instructions.

## **Loss or Failure Of Utilities**

We will notify Lompoc Unified School District of power outage.

## **Motor Vehicle Crash**

We will notify VSFB security.

## **Psychological Trauma**

We will notify LUSD Pupil Support Services, Parents of student, and CWS if necessary.

## **Suspected Contamination of Food or Water**

We will notify Lompoc Unified School District.

## **Tactical Responses to Criminal Incidents**

### **Lockdown**

Lockdown procedures are an emergency protocol that prevents staff and students from leaving an area. Lockdowns can be initiated due to activity occurring on campus or away from the campus. Lockdowns can be used to protect staff and students by sheltering them in place or for public safety agencies to attend to an incident occurring in the area without endangering or interference from the public. Lockdowns can be a safer approach than evacuating students into a potentially contaminated outdoor environment. Sometimes a lockdown is referred to as shelter-in-place.

Examples of when lockdown would be appropriate:

- ? Law enforcement activity in the area
- ? Medical emergency in the area or on campus
- ? Dangerous animal on campus or in the vicinity
- ? Fire in the vicinity
- ? Toxic Situation nearby
- ? Intruder on campus or an active shooter event

For an active shooter refer to Active Shooter Event and for an anti-violence/intruder alert refer to Intruder Alert/Anti-Violence Response for more incident specific procedures.

### **General**

1. An announcement will be made for the need to "lockdown."
2. All students need to proceed to their classroom immediately. Students that are outside of the classroom or on the playground should be taken to the nearest room until the end of the lockdown.
3. Teachers quickly scan for students walking in the hallway.
4. Remain calm, lock all doors and close window blinds.
5. If it is announced that the lockdown is due to a toxic situation, turn off air conditioners and/or heat.
6. Take roll and prepare a list of missing students.
7. Call the office with attendance information.

8. If there are problems, place the “NEED HELP” of the Emergency Management Guide in the window.
9. Emergency bathroom visits must be first cleared with the office.
10. Specific directions pertaining to the Lockdown will be given as Administration receives up-to-date information.
11. If the situation escalates to an intruder alert/anti-violence or active shooter event refer to Intruder Alert/Anti-Violence Response or Active Shooter Event for those specific procedures.
12. If evacuation is directed follow Evacuation procedures.

#### Intruder Alert/Anti-Violence Response

An intruder alert/anti-violence response is a lockdown procedure used when an unauthorized or aggravated person is on campus. This procedure secures staff and students by limiting access to the school classroom, offices and other building. As part of the procedure, everyone must remain inside until the situation has been declared safe and given the “All Clear” by an authorized person. For violent situations follow law enforcement directions. If the intruder has a firearm or weapon refer to the “Active Shooter Event.”

#### Administrators

1. Assess the situation to determine status level of threat.
2. Call 911 if there is an indication of danger to students or staff and the incident is not originating from law enforcement.
3. Notify teachers and staff for a need for Lockdown.
4. Notify the District Office.
5. Keep telephone lines open for emergency-related use.
6. School site will send out a message on the parent communication system indicating if there will be a delay in dismissing student of if there is a need to pick up their children at a different time or location. In the event the school site is unable to send out the message, personnel at the District Office will send out the message.

#### Teachers

When informed of a lockdown, initiate the following lockdown procedures and await further instructions”

1. Open classroom doors and do a quick peek outside to gather outside students into your classroom.
2. Classrooms on the playground or students outside of the classroom need to proceed immediately to their classroom.

8. If students are in another classroom they are to stay there.
9. Remain in lockdown until further instructions or an announcement is made.
10. A lockdown could escalate to Active Shooter Event. Refer to that section for instructions.

### **Unlawful Demonstration or Walkout**

#### Campus Disturbances

All school staff shall respond to campus disturbances in accordance with the school’s safety plan. School safety plans shall describe:

1. The level of emergency and determine the immediate response action, the means which will be used to signal the emergency and maintain communication among staff and with the Superintendent or Superintendent’s designee. (Site administration will identify)
2. Specific duties during a disturbance for each staff member.
3. Procedures for ensuring the safety of students and staff.
4. Conditions, as prearranged with law enforcement authorities, under which the principal or designee shall:
  - a. Inform the police.
  - b. Secure police assistance
  - c. Give the police responsibility for a specific crisis situation.

5. Procedures for the orderly dismissal of school when authorized by the principal or designee. During any disturbance in which additional students might become involved while changing classes, the principal or designee may notify all staff that any class currently in session will be extended until further notice. Upon receiving this notification, staff shall ensure that all students in their charge remain in one location under the supervision and shall ask all students who are in the halls to return to their classes immediately.

All media inquiries during crisis situations shall be routed to the Coordinator of Pupil Support Service or designee.

#### Prohibited Activities:

1. Disturbing the peace, including, but not limited to, causing or attempting to cause a riot, burning or destroying property, fighting, challenging another to fight, or using offensive words likely to provoke a fight (cf. 3515 - Campus Security)
2. Disrupting school operations, including, but not limited to, exercising free expression which is obscene, libelous or slanderous or so incites students as to create a clear and present danger of the commission of unlawful acts on school premises or the violation of lawful school regulations or substantially disrupting the orderly operation of the school (Education Code 48907) (cf. 5145.2 – Freedom of Speech/Expression)

Other examples of activities that may be considered disrupting school operations include, but are not limited to:

- a. Organizing or participating in unauthorized assemblies on school premises
  - b. Participating in sit-ins which deny students or employees normal access to school premises
  - c. Interfering with or unauthorized use of the district's computer system (cf. 6163.4 – Student Use of Technology)
3. Refusing to disperse, including, but not limited to, assembling for the purpose of causing a disruption and refusing to disperse upon the direction of school personnel
  4. Boycotting school, including, but not limited to, participating in any protest that involves nonattendance where attendance is required at school, class, or at a school activity

Any student who participates in a boycott shall be given an unexcused absence and may be classified as truant, regardless of any parent/guardian approval of the absence. (cf. 5113 - Absences and Excuses) (cf. 5113.1 - Truancy) (cf. 5144 - Discipline) (cf. 5144.1 - Suspension and Expulsion/Due Process)

#### Student Demonstrations

Federal and state law allow school districts to establish reasonable rules and regulations for students who wish to exercise their free speech rights on campus during the school day. The District may impose restrictions on the time, place and manner of the speech or activity in order to maintain a safe and orderly educational environment for all students and district employees. Students, who fail to follow the directive of school administrators or teachers, or district policies concerning demonstrations, assemblies, protests or lockouts, may be subject to disciplinary action. If the usual disciplinary action for being truant from school or missing a class is detention, for example, then students who walk out of class to protest may be subject to the same disciplinary sanctions. Stricter punishments or stricter disciplinary action based on the student's free speech rights would be prohibited and would violate student's First Amendment rights.

Students who walk out of class during instructional time may be directed by school administrators and teachers that they should return to class, and be advised that they risk disciplinary action if they fail to return to class or if they leave the campus during instructional time. No physical effort should be made to prevent students from leaving the campus.

Students who fail to follow the direction of school administrators or teachers would be in violation of Education Code § 48900(k) (disrupting school activities or otherwise willfully defying the valid authority of supervisors, teachers, administrators, school officials, or other school personnel engaged in the performance of their duties). Under Education Code § 48900.5, suspension for disrupting school activities or willful defiance shall be imposed only when other means of correction fail to bring about proper conduct. Other means of correction may include a conference between school personnel, the pupil's parents or guardian and the pupil, participation in a restorative justice program, school detention or community service.

In anticipation of student protests, administrators may wish to open lines of communication with faculty, students, parents, the media and the community so that the administrator may:

1. Communicate an awareness and understanding of the issues and concerns prevalent in the school community.
2. Stress a willingness to listen to the concerns of the school community.
3. Work with the District Office for assistance in working with representatives of the news media in preparing outgoing messages to parents.
4. Provide appropriate time, place and manner alternatives to ensure that there will be no disruption to the instructional process.
5. Provide a safe area that can be used for appropriate protests or demonstrations.

The administrator may wish to enlist the support of district administration to develop and implement solutions to problems, address concerns, and explore viable alternatives that will not disrupt the instructional process. The principal may wish to provide opportunities for students to dialog and engage in activities such as classroom discussions, small group discussions with clubs or campus organizations, informational assemblies with adequate supervision, letter-writing campaigns, and structured research projects.

#### Board Policy 5131.4

The Governing Board desires to provide orderly campuses that create a positive school environment and are conducive to learning. When students initiate or are involved in a campus disturbance that has the potential to threaten the safety of students or staff, the Superintendent or designee may request law enforcement assistance.

The Superintendent or designee and the principal of each school shall establish a school disturbance response plan that is intended to curb disruptions which may lead to riots, violence, or vandalism at school or at school-sponsored events. In developing each school's plan, the Superintendent or designee shall consult with local law enforcement authorities to create guidelines for law enforcement support and intervention. (cf. 0450 - Comprehensive Safety Plan) (cf. 3516 - Emergencies and Disaster Preparedness Plan) (cf. 5131.5 - Vandalism, Theft and Graffiti)

Staff are encouraged to be alert to conditions at school that may lead to a disturbance, such as racial or cultural conflict, student protests, or gang intimidation and confrontations. Staff who believe that a disturbance is imminent, or who see a disturbance occurring, shall immediately contact the principal and invoke the school disturbance response plan. (cf. 4131 - Staff Development) (cf. 5136 - Gangs) (cf. 5145.2 - Freedom of Speech/Expression) (cf. 5145.9 - Hate-Motivated Behavior)

Students who participate in a campus disturbance shall be subject to disciplinary action in accordance with Board policy and administrative regulations. (cf. 3515 - Campus Security) (cf. 5144 - Discipline) (cf. 5144.1 - Suspension and Expulsion/Due Process) (cf. 5144.2 - Suspension and Expulsion: Due Process (Students with Disabilities))

LUSD Board Policy BP 5131.4 Student Disturbances

#### Civil Unrest

If a school receives a warning of civil unrest, the principal will immediately notify the District Superintendent or Superintendent Designee by following the communication protocols.

Procedure:

1. When a civil unrest warning is received at the District Office, the District's EOC should be activated.
2. If the civil unrest occurs at a nearby location, students and staff should remain inside. The administrator will identify the level of emergency and determine the immediate response action.
3. Students who are outside should be taken inside as soon as possible.
4. The School Administrator will initiate appropriate immediate response actions, which may include SHELTER-IN-PLACE or LOCKDOWN.
5. The School Administrator will notify the District Office and request assistance and provide the exact location and nature of emergency
6. School security will immediately proceed to the front gate to control student ingress and egress. Depending on the immediate response action, each person entering or leaving the campus shall be required to sign his/her name and record address, telephone number and time entered or departed. Students will not be allowed to leave campus unless they are released to a parent/guardian or adult listed on the student's emergency card or unless Administrator receives notification of all-clear.
7. The principal will follow the pre-established District communication procedures and will then monitor the emergency situation and make decisions about moving groups of students away from areas that might be dangerous.
8. Staff members should keep accurate record of events, conversations and actions.
9. All media inquiries will be referred to the designated school's Public Information Officer.
