Interim Executive Director:

Quetrina Sims-Shelton, M.Ed.

About Us:

The Neighborhood Center of the United Methodist Church (established in 1910) is a nonprofit.

corporation registered with the Pennsylvania Department of State and Bureau of Charitable

Organizations. It operates a licensed childcare center, community center, and provides two innovative educational programs to students in kindergarten through 6th grade: the After-School Program and the Summer Adventure Program.

Our Mission

The Neighborhood Center builds a vital community by serving and empowering children, youth, and families.

Our Vision

Building Lives. Better Community. Better Harrisburg.

Guiding Principles

- **Foundation:** We are committed to being a Center of Christian life, love, health, and inspiration.
- **Community:** We are committed to the concept of living and learning in a Christian community.
- **Response and Service:** We are committed to responding to expressed needs of individuals and the community.
- **Human Potential:** We are committed to maximizing both individual potential and community empowerment.

PHILOSOPHY

Studio Kids Early Learning Center provides its childcare programs according to the philosophy of the development of mind, body, and spirit. Our program fits the needs of children according to their age and individual progress. The programs have been designed to promote the physical, educational, emotional, and social growth of the children enrolled.

GOALS AND OBJECTIVES

Children are natural learners. When provided with an atmosphere conducive for growth (a good self-image, direct experiences with objects and people, the opportunity to make changes and loving, caring individuals as facilitators) children thrive. Children enrolled in Studio Kids Early Learning Center will receive help with:

- Building a positive self-image
- Increasing his/her degree of independence

- Developing a sense of responsibility for self and others
- Learning to respect the rights and privileges of others
- Learning to share
- Learning basic cognitive skills
- Improving physical skills

Jennifer Cooper: CFO

Jovi Griffin: Director of Operations

Kody Mills: Director

Tiny Fingers Tiny toes Early childcare promotes an environment that is conducive in helping your child grow into a well-rounded young person. Our philosophy and primary goal is to help your little ones learn, grow and have fun while their parents are hard at work. We help develop social skills, self-confidence, and most of all we allow children to be children through play. We accomplish this by providing a loving, nurturing, and safe environment for each and every child.

Tiny Fingers Tiny Toes is regulated by DHS, Keystone Stars and CACFP as well as CCIS accepted.
