NCAA Requirements

GRADE-POINT AVERAGE

The Eligibility Center calculates your **core-course GPA** based on the grades you earn in NCAA-approved core courses.

- » Division I requires a minimum 2.3 core-course GPA.
- » Division II requires a minimum 2.2 core-course GPA.

TEST SCORES

In January 2023, NCAA **Divisions I** and **II** adopted legislation to remove standardized test scores from initial-eligibility requirements. Check with the NCAA school you plan to attend regarding whether standardized test scores are necessary for admission or scholarship requirements.

**More information regarding the impact of COVID-19 can be found at on.ncaa.com/COVID19_Spring2023.*

Cal-Grant Awards

The Cal Grant is a **California-specific** financial aid allocation that does not need to be paid back. Cal Grant applicants must apply using the [FAFSA](#) or [CA Dream Act Application](#) by the deadline and meet all eligibility, financial, and minimum GPA requirements of either program. Grants are for students attending Universities of California, California State Universities or California Community Colleges, or qualifying independent and career colleges or technical schools in California.

There are three kinds of Cal Grants — A, B and C — but you don't have to figure out which one to apply for. Your eligibility will be based on your FAFSA or CA Dream Act Application responses, your verified Cal Grant GPA, the type of California colleges you list on your application and whether you're a recent high school graduate.

**CalKIDS
can help
make dreams
come true.**

**With free
money for
college!**

CalKIDS is a program by
the State of California.

The complex block features a photograph of a young woman with long dark hair and gold hoop earrings, wearing a black turtleneck, looking directly at the camera against a cloudy sky background. Overlaid on the image are two circular callouts: a large light blue one containing the text "CalKIDS can help make dreams come true." and a smaller yellow one containing "With free money for college!". At the bottom left of the block is the CalKIDS logo, and to its right is the Great Seal of the State of California. At the bottom right, the text "CalKIDS is a program by the State of California." is displayed.

How CalKIDS Works

Kids in grades 1-12 may receive up to \$1,500 in college savings

The State of California will offer eligible low -income public school students the following awards in a CalKIDS account to save for higher education, as applicable:*

- \$500 automatic deposit for eligible low-income public school students enrolled in 1st-12th grade
- \$500 additional deposit for eligible students identified as foster youth
- \$500 additional deposit for eligible students experiencing homelessness

Overtime, funds in a CalKIDS account can grow tax-free and be used for higher education expenses, such as tuition, books, computers, and room and board. When the student is ready to use their savings to pay for any qualified higher education expense, they can easily redeem their funds, including any earnings, from their CalKIDS account.

To learn more and to find out if your child qualifies, visit CalKIDS.org today!
