**Carroll ISD Announces the Great Plains Bank April
“Inspire Excellence Teachers of the Month Awards”**

Two (2) teachers each month will be recognized for exemplifying excellence and inspiring the next generation through teaching and each awarded \$150 from Great Plains Bank.

Carroll ISD launched its “Inspire Excellence Teachers of the Month Awards,” recognizing teachers who go above and beyond to inspire the next generation of students in their classrooms. Nominations for the monthly awards come from students, staff, and fellow teachers. Teachers are selected across all 11 campuses, from elementary school to high school.

Congratulations to the April recipients:

- **Nicole Anderson, Fourth Grade Teacher**, Johnson Elementary School.

“Mrs. Anderson, on multiple occasions, has proactively reached out to me to communicate positive feedback about my child. It is refreshing to receive positive words and to know she has taken time to communicate good things happening in the classroom. She is someone I am happy to send my son to be with for eight hours each day because I know she is partnering with me in his education and well being.”

Mrs. Anderson was nominated by staff and parents and this is her third year teaching in Carroll ISD.

- **Corey Aldridge, Tennis Coach**, Carroll Senior High School.

“Mr. Aldridge always encourages his students to compete at the highest level with the highest moral values. He leads by example and teaches them to be good humans and strong competitors. As parents of one of his students we love that he shows how these values can all align.”

Mr. Aldridge was nominated by a parent and has 19 years in Carroll ISD.
