The State Board of Education has constitutional authority to adopt textbooks for grades one through eight (Article IX, section 7.5 of the California Constitution), Instructional materials are broadly defined to include textbooks, technology-based materials, other educational materials, and tests. With the curriculum frameworks and the content standards on which they are based, adoptions in the core subject areas are a powerful leverage point for educational reform and improvement in student achievement.

After review, discussions, and deliberation, the German Adoption Committee reached consensus to recommend Carnegie Publishing's *En Voz Alta* as the core program for Spanish for Spanish Speakers for the Victor Valley Union High School District.

Any persons wishing to review the materials may do so at the district office complex at the address listed above and may fill out the available form. Questions regarding the materials can be addressed to Dr. Laureen Beyer, Humanities Coordinator, at [lbeyer@vvhhsd.org](mailto:lbeyer@vvhhsd.org).
