System as designed is built for coverage of away bleachers, home bleachers and concession stands. All Speakers to be located on roof of press box or on sides depending on what gives best coverage. Announcers are supplied with 2 single-ear broadcast headsets. Control of system inputs and volumes will be via a touchscreen that will be located on counter by announcers. Two wireless handheld mics are also available for use anywhere on grounds. Mic jacks will be located on front stairs of bleachers. System is built to allow for future updates or additions

**SUPPLY CHAIN AND INFLATIONARY PRICING DISCLOSURE STATEMENT:**

B&B Integrations is committed to fair and transparent pricing during this time of rapidly changing market conditions. In the event of any supply chain disruptions, B&B Integrations reserves the right to pass along to our customers the direct costs of any unexpected fees, expenses, or inflationary surcharges levied on products shipped by manufacturers.

**If not accepted within 10 days**, B&B Integrations may review and adjust this proposal, quote, or bid to reflect any changes in manufacturer pricing.

**NOTE:** Quote assumes work to be performed during normal business hours. Quote assumes existing wiring and equipment to be re-used is in working condition. B&B does not imply any warranty on any equipment not provided and installed by B&B. Any faulty existing equipment discovered will be reported to owner for a decision on repair or replacement, to be charged separately on a Time & Materials basis. We will advise you of any equipment backorders as they occur and possible suitable replacements for quicker installation times, if desired. B&B Integrations reserves the right to levy a fee to defray costs in the event that a scheduled work day must be cancelled due to agreed upon project milestones not being complete upon our arrival. B&B Integrations retains all rights to our original system designs. Parts lists, design drawings, and materials generated by B&B Integrations shall not be shared with competitors without payment of design fee of \$350.
