TERMS OF APPEAL: At the end of the semester, you must meet SAP requirements or be successfully following the academic plan devised by NWCC. You must pass all work attempted with a 2.00 GPA or higher each semester. Repeating courses previously passed does not count unless a higher grade is needed to graduate or transfer. Out of Degree Plan (ODP), classes do not count. If you fail to meet the conditions of your appeal, you will be returned to Financial Aid Suspension. In which case, NO further appeals will be granted. Once your appeal has been denied for not meeting the terms of a prior appeal, you will only regain your financial aid eligibility if you pay out-of-pocket, enroll in classes and complete and pass those classes raising your completion rate and/or GPA to the required minimums.
