Addendum No. 2

The following response addresses question(s) submitted by vendor(s) on April 30, 2024; responses to the questions are indicated in **bold**. If you feel that a question has not been addressed, please contact Reed Beebe at purchasing@smsd.org as soon as possible.

1. Is it a requirement to use Hobart for an install or can vendors provide a separate turnkey/white glove install?

The District desires that Hobart brand dishwashers be installed by Hobart, as listed in the ITB. If an equivalent alternative (non-Hobart) brand dishwasher is proposed, vendors should provide information regarding the proposed installation process (which firm would do the installation, etc.) for the District's consideration.
