#### TICKET UPDATE!

We anticipate an outdoor graduation in the stadium. Currently, tickets will only be needed if the ceremony needs to be moved indoors, however we wanted you to be aware and begin planning for any possibilities.

Graduates will have a limited number of guests allowed at the ceremony. Each senior will be provided 6 tickets to share with family or friends for admission to the event. Please begin thinking about who you will include. We will share details later on how we will deliver tickets to the graduating seniors.

Your cap and gown will be handed out at graduation practice on the Seniors last day which is May 17.
