Teacher Appreciation Week is 5/6-5/10.  
Be sure to let your teachers know you appreciate them!

As we come into the last 6 weeks of school, the PTO wants to express how grateful we are for everything the staff and students have done this year. We hope to show the staff just how appreciated they are during Teacher Appreciation Week!

We will have our PTO Elections later this month and look forward to working with new families for 2024-2025 school year! Let us know if you have any questions. Voting is from 5/12-5/18.

We will finish the year working hard on testing and finishing strong, doing our best.

Don't forget to stop by the school store every Wednesday morning before school. Last day for sales is 5/15/2024.
