

MEET AND GREET

Wednesday, August 7th from 8:30-11:00am

Please join us for our Meet & Greet to start the 2024-2025 School Year! We'd like to invite students and their parents to come meet your child's teacher, bring school supplies, and have basic questions answered about the first weeks of school. This will be an "open house" with the focus being on our students and their need to get settled in before school starts...to ease the "first day jitters". No appointments are needed. This is designed to be a quick meet and greet session.

If you have a need for an individual conference with your child's teacher, please call the teacher or the office to set up an appointment. This will allow you and he/she to have uninterrupted time. Please call 303-622-9215 and follow the prompts. See you August 7th!

SCHOOL BEGINS ON THURSDAY, AUGUST 8TH, 2024 FOR 1ST-5TH GRADE

SCHOOL BEGINS ON THURSDAY, AUGUST 15TH, 2024 FOR PRE-K AND KINDERGARTEN
