

*May Day 2024*

PEMBROKE HILL  
SCHOOL

# May Day

In sixteenth century England the villagers went out early on a May morning to gather flowers and Hawthorne branches. Afterwards, they ate on the village green, crowned a Queen of the celebration, and danced around a maypole commemorating the victory of spring over winter.

GRAND OPENING  
1:30 p.m.

|                                     |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |
