We don't talk about Bruno in Disney Music camp! Join St. John's Expressive Arts Teacher and Primary and Lower School Dean of Students Jake Minton as we let it go and get tangled up in a week of fun! A whole new world will open for you as we go under the sea for grand adventures of crafts, games, and of course, singing and dancing! How far will you go for fun?

GO ALL OUT SPORTS CAMP**PRICE: \$250**

Time: 1:00 - 4:00 p.m.
 Grade Level: PK - 2
 Instructor(s): Dallas Bike School

Bringing back the days before kids' sports were a full - time job, when you enjoyed a backyard game with your friends just for the fun of it - this is a camp kids love! With an ever - changing line up of sports and games, we'll stay cool in the gym and out of the summer heat, but still burn off our energy! Kickball, flag football, bean bag toss, tag, capture the flag, field hockey, soccer, ga - ga - ga, volleyball, nine square and more. Every day will be new and exciting, with a focus on keeping it friendly and fair. The camp will be divided by PK - K and 1 - 2 and brought together at times for fun games!

KARATE CAMP**PRICE: \$250**

Time: 1:00 - 4:00 p.m.
 Grade Level: PK - 4
 Instructor(s): Chamberlain Studios

The Chamberlain Studios of Self Defense Karate Ninja Camp is an action - packed martial arts class. Our expert instructors will lead students through a fun martial arts and character development program including striking and kicking drills, self - defense techniques utilizing "shadow partners," martial arts forms (Kata) and history, and crafts that focus on martial arts and Asian culture. If you do not already have a Chamberlain Studios issued uniform, you may purchase one for \$35 under options during registration. This is optional, and not required for camp.

SLIME 4 SALE CAMP**PRICE: \$275**

Time: 1:00 - 4:00 p.m.
 Grade Level: 1 - 6
 Instructor(s): Karen Hernandez and Belinda Hernandez

Dive into a delightfully goopy experience with St. John's PE Instructor Karen Hernandez and PK Associate Teacher Belinda Hernandez! Campers will unleash their creativity and scientific curiosity through a series of hands - on slime - making activities. From glittery concoctions to stretchy masterpieces, this camp offers a colorful journey into the world of slime. Not only will campers make slime to take home each day, but they will also be creating slime for other campers to purchase. 100% of the proceeds will be donated to the charity of their choice. Join us for a week of slimy fun, where laughter, exploration, unique creations, service come together in Slime 4 Sale camp!

A.I. ADVENTURES: INTRODUCTION TO MACHINE LEARNING**PRICE: \$250**

Time: 1:00 - 4:00 p.m.
 Grade Level: 3 - 6
 Instructor(s): Black Rocket

Explore the world of artificial intelligence to design fully interactive games and experiences using cutting - edge technology. This program combines artificial intelligence with coding to create an unforgettable learning adventure. Students will construct machine learning models that use image and text recognition within block - based coding software to build a portfolio of projects. Student - created projects will be available on a password - protected Black Rocket website to share with friends and family. Students will work in pairs or teams for most of the program.

MAFIA MADNESS**PRICE: \$250**

Grade Level: 3 - 6
 Instructor(s): Eric Telzrow and Laura May

Description: Join St. John's teachers, Eric Telzrow and Laura May, for Mafia Madness, the social deduction game where strategy and deception collide! Players are assigned secret roles as either Mafia members or innocent Townsfolk. The objective? Townsfolk must figure out who the Mafia is, while the Mafia tries to eliminate the Townsfolk one by one. Strategize, interrogate, and vote wisely during the day to uncover the Mafia. When night falls, the Mafia makes their moves. The suspense builds as the battle of wits unfolds. Will the Townsfolk prevail, or will the Mafia control the town? Get ready for a suspenseful and strategic week in Mafia Madness!

DUNGEONS AND DRAGONS CAMP**PRICE: \$300**

Time: 1:00 - 4:00 p.m.
 Grade Level: 3 - 8
 Instructor(s): Vineyard App Camp (VAC)

Have you ever wanted to play the nationally known game Dungeons and Dragons? Stretch your imagination telling stories with your friends, and build useful creative skills? What about play the game they do in Stranger Things? Well, this is your chance! In this class, we'll be exploring collaborative storytelling through Dungeons and Dragons. Along the way, we'll develop social and emotional skills that will serve us well outside of the RPG.

CUPCAKE WARS**PRICE: \$400**

Time: 1:00 - 4:00 p.m.
 Grade Level: 4 - 8
 Instructor(s): CookLearnGrow

Description: Have you ever wanted to create your own cupcake flavors and challenge yourself and others to develop the tastiest treat? Well, this is the camp for you! Each day, young bakers will be challenged to make different flavored cupcakes and personalize their creations with different ingredients provided. The competition is on! This camp accommodates nut allergies only (egg and gluten allergies are not accommodated).

CUBBY CAMP: RUMBLE IN THE JUNGLE **PRICE: \$400**

Time: 9:00 a.m. - 3:00 p.m.

Grade Level: Preschool (3-year-olds)

Instructor(s): Monica Breeding and Delaney Friel

Get ready for a wild adventure with St. John's Preschool Director Monica Breeding and Preschool Associate Teacher Delaney Friel. Little explorers will embark on a journey through the vibrant world of the jungle, filled with exciting activities and discoveries. From animal - themed crafts to interactive storytelling, preschoolers will engage in adventures that encourage creativity and imagination. This camp is designed to spark curiosity about the wonders of the jungle while promoting socialization and sensory exploration. Swing by and join us for a week of laughter, jungle - themed activities, and the joy of learning as we Rumble in the Jungle!

**Campers must be 3 years old by September 1 and fully potty - trained to attend Cubby Camp.*

This camp is tailor - made with our lion cubs in mind. Camp St. John's staff will lead a fun camp structured around a different theme and the art of play! Our mornings will be full of experiential learning through arts and crafts, story time, outdoor/ indoor play, music, cooking, games, art, movement, and more! After lunch and a rest time, children will have the opportunity for recess and structured centers activities. Our experienced primary instructors are looking forward to providing a safe environment for your child to explore and learn new things!

 Grade Level: K - 1
 Instructor(s): Perot Museum of Nature and Science

The hip bone's connected to the... what bone? Grab your lab coats and stethoscopes as you learn all about the body systems of humans and animals. Step into the role of a student resident while exploring healthy living, anatomy and physiology, and clinical skills. Get ready to experience what it takes to be a doctor!

MAGIC EXPLORERS: FROG!**PRICE: \$250**

Time: 1:00 - 4:00 p.m.
 Grade Level: K - 2
 Instructor(s): Dallas Magic Academy

The Dallas Magic Academy presents Magic Explorers. Developed for children ages 5 - 7 years old. Learn to balance objects, mix up a monster and put him back together and make a bird vanish from its cage, just to name a few projects. There are three different courses, each featuring different props and teaching different magic and communication skills. They do not build on each other. It is not necessary to take one course before the other. In the Frog Course we will create our own props, experience the importance of practice, and learn to perform with confidence and skill.

TAYLOR SWIFT ERAS ART CAMP**PRICE: \$300**

Time: 1:00 - 4:00 p.m.
 Grade Level: 1 - 4
 Instructor(s): Chancey Canon

Dive into the enchanting world of Taylor Swift's musical eras with St. John's Middle School Teacher Chancey Canon. Campers will embark on a creative journey inspired by Taylor's diverse discography, spanning from the country twang of "Fearless" to the vibrant pop beats of "1989" and beyond. Through artistic expression, crafts, and collaborative projects, participants will explore the visual representation of each era. Immerse yourself in the storytelling magic of Taylor Swift's music while creating unique masterpieces that capture the essence of each era. Join us for a week where art and music collide in a celebration of Taylor Swift's timeless creativity!

Grab your friends and join the fun!

CUBBY CAMP: JUNGLE SAFARI**PRICE: \$400**

Time: 9:00 a.m. - 3:00 p.m.

Grade Level: Preschool (3-year-olds)

Instructor(s): Camp St. John's Summer Staff

Embark on a thrilling Jungle Safari designed exclusively for preschoolers! Our little explorers will go on imaginative wildlife adventures, participate in jungle - themed arts and crafts, and enjoy interactive storytelling surrounded by the magic of the jungle. It's a fun - filled and educational experience that sparks creativity and introduces the wonders of the animal kingdom to our youngest adventurers.

**Campers must be 3 years old by September 1 and fully potty - trained to attend Cubby Camp.*

This camp is tailor - made with our lion cubs in mind. Camp St. John's staff will lead a fun camp structured around a different theme and the art of play! Our mornings will be full of experiential learning through arts and crafts, story time, outdoor/ indoor play, music, cooking, games, art, movement, and more! After lunch and a rest time, children will have the opportunity for recess and structured centers activities. Our experienced primary instructors are looking forward to providing a safe environment for your child to explore and learn new things!

LITTLE MAKER CAMP**PRICE: \$450**

Time: 9:00 a.m. - 4:00 p.m.

Grade Level: PK - K

Instructor(s): Club SciKidz

Does your 4 - or 5 - year - old enjoy making all sorts of creations with random items from your home? In camp Little Maker, we harness that innovation to help campers complete 4 exciting projects each day. Many of the build projects are supported with some of the finest inspirational children's literature available, such as "Rosie Revere Engineer," "Iggy Peck Architect," "Interstellar Cinderella" and even "The Three Little Pigs." All the elements of STEM are included in this camp.

BROADWAY CAMP**PRICE: \$500**

Time: 9:00 a.m. - 4:00 p.m.

Grade Level: K - 6

Instructor(s): DFW Institute of Musical Advancement (DIMA)

Step onto the stage and enter the world of Broadway at our Broadway Camp! This camp is a haven for young performers who dream of singing, dancing, and acting under the bright lights. Campers will join DIMA instructors and immerse themselves in the magic of musical theater, participating in rehearsals, vocal coaching, and choreography sessions. Campers will prepare for a grand finale performance on the last day of camp that captures the excitement and glamour of the stage.

AMERICAN GIRL ADVENTURES**PRICE: \$450**

Time: 9:00 a.m. - 4:00 p.m.

Grade Level: 1 - 3

Instructor(s): Club SciKidz

While we encourage all campers to bring their dolls and plenty of enthusiasm (any brand doll is fine!), the camp is so much more than just "playing with dolls." Girls will have a blast as they unleash their creativity by integrating the components of STEAM - Science, Technology, Engineering, Art, and Math. Our American Girl Campers will bake a yummy dessert, sew a quilt for their doll, create an art masterpiece, study historical characters, perform some stunning science experiments, and complete an engineering build to name a just a few of this action - packed week. The week will also be sprinkled with tea parties, games, storytelling, American Girl characters, and plenty of fun and laughter.

POKÉMON PROFESSORS**PRICE: \$450**

Time: 9:00 a.m. - 4:00 p.m.

Grade Level: 1 - 3

Instructor(s): Club SciKidz

Come join us for your next Pokémon adventure! Not only is your goal to "catch 'em all", but you'll also be applying scientific theories and conducting experiments along the way. Throughout this new adventure, you'll meet Pokémon of all types and conduct hands - on science experiments that grant insight into the wonderful world of Pokémon.

BONES, STONES, AND DINOS!**PRICE: \$500**

Time: 9:00 a.m. - 4:00 p.m.

Grade Level: 3 - 6

Instructor(s): Perot Museum of Nature and Science

Grab your rock hammers, field vests and hard hats! We are embarking on a week - long experience learning all about our Earth and its prehistoric life. We will be exploring how rocks, minerals and fossils are formed; shaking the Earth with tectonic plates and earthquakes; reading the rock record like a history book; and seeing why paleontology is much more than digging up dinosaur bones! When attending a full day camp, an exciting excursion to the Perot Museum of Nature and Science is included!

SPECIAL EFFECTS**PRICE: \$450**

Time: 9:00 a.m. - 4:00 p.m.

Grade Level: 4 - 7

Instructor(s): Club SciKidz

This is the first camp that was ever offered by Club SciKidz! Recently revised and more exciting than ever, campers learn the science behind Hollywood's special effects, and some activities even have a "Zombies" twist. Activities will demonstrate concepts related to light, sound, perception, illusion, and model building. One of the great features of this camp is that all campers will create (and take home!) a movie using techniques in Claymation and Stop - Motion Animation. Lessons include plot development, story boarding, set building, filming, and sound effects.

Campers will also learn various professional stage make - up techniques working with the same materials used by professional make - up artists. They will simulate cuts, bruises, artificial blood, and old age, and even a "zombie" look if desired. Is there a future movie director living in your house? This is a camp your child won't want to miss!

**A \$25 supply fee is added to the cost of this camp, due to the amount of supplies needed during the week.*

***Please have your camper bring an 8GB USB Drive and an old button - down shirt to camp.*

MIDDLE SCHOOL FUN!**PRICE: \$600**

Time: 9:00 a.m. - 4:00 p.m.

Grade Level: 5 - 8

Instructor(s): Rebecca Crouse and Max Patterson

Want to hang out and socialize with your friends, go to fun places and do things that YOU want to do? Discover various techniques, stitches, and decorative embellishments. Craft stylish garments, accessories, and home decor items. Combine learning with fun and become a sewing enthusiast. Enroll now and explore the exciting possibilities of this timeless craft. Get ready to stitch, create, and unlock endless creativity!

LITTLE INVENTORS**PRICE: \$280**

Time: 9:00 a.m. - 12:00 p.m.

Grade Level: 1 - 2

Instructor(s): Spark Business Academy

In this "inventive" program, students design and create solutions to problems, teaming up to identify the need for a new invention, and producing real structures and solutions. In one STEM challenge, students build bridges using a variety of materials and experiment with how much weight they can hold. Students will also learn about famous inventors and discuss how inventions improve our lives.

**INVENTOR'S LEAGUE: PROTOTYPING
FOR THE FUTURE!****PRICE: \$250**

Time: 9:00 a.m. - 12:00 p.m.

Grade Level: 3 - 6

Instructor(s): Black Rocket

Become an inventor of the future! Learn 'rapid prototyping' and problem - solving as you conceptualize and design a product to solve a critical global issue. Each day begins with inspirational profiles of young inventors, such as the eleven - year - old who coded a robot to find victims of natural disasters. Next, research a problem to tackle in medicine, architecture, the environment, or a topic of your choosing. Once your vision is complete, learn how to draft 2D designs, create 3D models, and develop a website to pitch your ideas to the class. Student projects will be available on a password - protected Black Rocket website to share with friends and family. Students will work in pairs or teams for most of the program.

ROLLERBLADING CAMP**PRICE: \$275**

Time: 9:00 a.m. - 12:00 p.m.

Grade Level: 3 - 8

Instructor(s): Kidokinetics

Rollerblade - sponsored skate is on the forefront of new incentives to create fun, healthy sports for young children. The camp boosts youth fitness and self - esteem while emphasizing the development of long - term physical activities. Benefits of skating include cardiovascular endurance, coding muscles, aerobic conditioning with minimal shock to joints and bones. All equipment, including skates, knee and elbow guards, and safety helmets are included. Perfect entry level for all campers!

LITTLE SPACE EXPLORER**PRICE: \$450**

Time: 9:00 a.m. - 4:00 p.m.

Grade Level: PK - K

Instructor(s): Club SciKidz

Is your Little Space Explorer ready to blast off and explore what lies beyond our planet?? Kids of all ages love space, so that's why we created Little Space Explorer for our PK and K campers! We all remember watching the launch of space rockets from NASA, the first steps by man on the moon, watching astronauts float in zero gravity and of course those bulky but futuristic space suits. Campers will become astronauts in training as they learn about and participate in hands on activities about the sun, moon, planets, and the life of an astronaut. Projects include Making Moon Sand, Fizzing Planets, creating a galaxy, participating in an astronaut obstacle course, and many more.

CRACK THE CASE!**PRICE: \$500**

Time: 9:00 a.m. - 4:00 p.m.

Grade Level: 1 - 2

Instructor(s): Perot Museum of Nature and Science

There is a mystery afoot! Campers will gather evidence, practice problem - solving skills, and learn about forensic science while unraveling a mystery through investigation and exploration. Can you crack the case? When attending a full day camp, an exciting excursion to the Perot Museum of Nature and Science is included!

LEGO WEDO™ ROBOTICS**PRICE: \$450**

Time: 9:00 a.m. - 4:00 p.m.

Grade Level: 1 - 3

Instructor(s): Club SciKidz

Campers get a head start on simple robotics using LEGO® WeDo™ components and easy to use software. Our young creators will build models, attach sensors, and motors that are plugged into a computer, and configure behaviors using a simple programming tool. Counselors guide campers through their first 12 robot models, which include a variety of animals, amazing mechanisms, and adventure stories.

When ready, campers then move to advanced building and programming projects that may include: a prosthetic hand, a moon rover, race car, a Ferris wheel, or a carousel. As the week draws to a close, campers complete extra challenges and fun games as a group. Campers will also complete a small LEGO® project that they will be able to take home.

SEA ADVENTURE**PRICE: \$450**

Time: 9:00 a.m. - 4:00 p.m.

Grade Level: 1 - 3

Instructor(s): Club SciKidz

Calling all future marine biologists and pirate enthusiasts! Join us as we sail away on our pirate adventure and explore the crystal blue oceans searching for sea life, gold, gems, and of course some buried treasure! Oceanography was never this much fun! Sample projects include: Map Making and Orienteering, Knot Tying, Mermaid Slime, Shark Tooth Necklace, Build a model ship, Treasure Hunt ... for a total of 20 make and take projects. Arrrrrrrg! Welcome Me Hearties!

CRACK THE CASE!**PRICE: \$500**

MINI MEDICAL SCHOOL **PRICE: \$450**

Time: 9:00 a.m. - 4:00 p.m.

Grade Level: PK - K

Instructor(s): Club SciKidz

We're excited to bring our youngest campers a brand new camp that will take them on a tour of the human body! Mini Medical School will introduce campers to the career of being a doctor and all that it entails. They'll practice bandaging the boos - boos of their stuffed animal and caring for the patient, and they'll even get their own medical and first aid kit to bring home at the end of the week! Campers will also be learning about some of the different body systems and organs that keep our bodies alive and functioning. They'll make their own stethoscope and inflatable lungs and models of the heart and the human eyeball! They will even learn about x - rays and learn how doctors use them to figure out if there is a "boo boo" that we can't see from the outside of the body. Each lesson consists of an engaging hands - on activity or experiment where campers will not only learn but have fun.

GROSSOLOGY **PRICE: \$450**

Time: 9:00 a.m. - 4:00 p.m.

Grade Level: 1 - 3

Instructor(s): Club SciKidz

Campers will discover loads of horribly fantastic experiments! Projects focus on blood, bones and body bits! This is science with the squishy bits left in it. There are tons of chemistry and biology for the aspiring doctor or scientist! Grossologists will indulge in many other sickening body experiments. This is our most disgustingly fun camp! Sample Projects include Bulging Bag of Brains, Simulated Snot, Baby Diaper Dissection, Eyeball Acrobatics, Bird Barf...and we are only getting started! This camp is a perennial favorite, so don't delay registering your child today.

DASH AND DOTS ROBOTICS **PRICE: \$450**

Time: 9:00 a.m. - 4:00 p.m.

Grade Level: 1 - 3

Instructor(s): Club SciKidz

This new camp uses Dash and Dot, cleverbots created by Wonder Workshop. They are real robots that can sing, dance, navigate courses, and respond to voice commands. Using a tablet and apps, campers practice coding the robots to participate in a variety of different challenges and to create new behaviors for Dash. Campers will use sensors and different software apps to program their Dash and Dot to complete various challenges. Some activities include designing and creating obstacle courses and paths for Dash and Dot to complete, all programmed by you! Campers will play the iconic game of H - O - R - S - E and launch balls using Dash into a container and create a robot artist utilizing Dash to draw pictures.

SOLAR POWERED SCIENCE **PRICE: \$500**

Time: 9:00 a.m. - 4:00 p.m.

Grade Level: 2 - 5

Instructor(s): Perot Museum

Explore our place in space, using the Sun as our guide. Our very own super star is a pretty big deal! Don your astronaut helmet and investigate all that our Sun does: from supporting life on our planet to being a high - powered energy source. Discover the wonders of space, ponder cosmic questions, and experiment the way real astronauts do. When attending a full day camp, an exciting excursion to the Perot Museum of Nature and Science is included!

ROBOTICS WITH LEGO SPIKE PRIME **PRICE: \$450**

Time: 9:00 a.m. - 4:00 p.m.

Grade Level: 4 - 7

Instructor(s): Club SciKidz

The LEGO® Education SPIKE™ Prime Set is the newest STEAM learning tool for campers going into grades 4–7. Combining colorful LEGO building elements, easy-to-use hardware, and an intuitive drag-and-drop coding language based on Scratch, SPIKE Prime continuously engages campers through playful learning activities to think critically and solve complex problems, regardless of their learning level. From easy-entry projects to limitless creative design possibilities, including the option to explore text-based coding with Python, SPIKE Prime helps campers learn the essential STEAM and 21st century skills needed to become the innovative minds of tomorrow...while having fun!

MIDDLE SCHOOL FUN!**PRICE: \$600**

Time: 9:00 a.m. - 4:00 p.m.

Grade Level: 5 - 8

Instructor(s): Rebecca Crouse and Max Patterson

Want to hang out and socialize with your friends, go to fun places and do things that YOU want to do? Then join St. John's Middle School Teachers Rebecca Crouse and Max Patterson, for the greatest week ever! Each day of the week is different, visiting Main Event, the movies, The Puttery, Hawaiian Waters, and Six Flags. Lunch is included in the price each day. The summer gets boring without your friends...grab them and come join the fun!
