

Family Engagement Committee Update

Mrs. Kelly shared that one of our parent members has moved so we will be looking for a replacement. The committee has gone through the assessment rubric and has come to a consensus of gold level so we will be applying for that by May 1. At the next meeting, we will develop the action plan for continued family engagement improvement with at least one of our focus areas being on communication. Mid-year surveys inform us that parents enjoy Remind/Dojo apps but also want more phone calls and in person meetings.
