Our schools are dedicated to providing the highest quality education to all students. We want to see you excel!

Thank you again for choosing our school to help you with your educational journey. We pledge to give you our best every day, and in return, we expect you to give us your best, too.

Have a wonderful school year!

A handwritten signature in black ink, appearing to read "KDS".

Kevin D. Teasley, Founder and President  
GEO Foundation and 21<sup>st</sup> Century Charter School @ Gary

Dear 21<sup>st</sup> Century Family,

It is our great pleasure and honor to lead the GEO family at 21st Century Charter School in Gary as principals of the K – 12 grades. We will continue to support the exemplary work that has been taking place and to seek higher achievement. 21<sup>st</sup> Century Charter practices a continuous improvement model that embraces rigorous, ongoing growth for students and staff. We will all be working together with children from kindergarten through 12th grade to give them the best education possible. Our goal for every student is to be prepared for college. Not only do we work hard to ensure that our students graduate prepared for college, but also have earned enough college credits to enter as a sophomore. Many of our students are graduating from high school with credits equaling two years of college, which enables them to continue to a four year college, the military, or a technical career.

The outstanding faculty and staff members are dedicated to working with you and your children. We hope that as you bring your children to school and school events you will be making connections with your child's teacher. Your involvement in your child's education is a clear sign to them of the value you place upon their education. Parents are the first and best teachers of their children.

There are many exciting learning experiences/activities planned for you and your children this year and we hope you will be involved in these activities as much as you can. Many of these experiences/activities will be shared with you via our new communication platform, ParentSquare, as well as on the school's website, Facebook, Twitter, and DOJO. The more you follow us on our social media platforms, the more informed you will be. If you ever have any questions about our activities, please call us so we can help you.

Educationally yours,

Mr. Othiniel Mahone  
Mrs. Ashley Cotton

College and Career Center Principal (9-12)  
Principal (K-8)

## **PARENT INVOLVEMENT POLICY**

21st Century recognizes that parents are their children's first teachers and that parents' function as educators throughout their children's lives. More than thirty years of research shows that student academic success and high self-esteem is closely related to parent involvement in education from kindergarten through high school. Children whose families are involved in their education have higher grades and test scores, better attendance, and are more likely to graduate from high school and attend college. In fact, the best predictor of a student's success in school is not income or social status but how much a student's family participates in his or her education.

## **PARENT/GUARDIAN VISITATION & PARTICIPATION**

We welcome parents/guardians in our school. In order to prevent the disruption of classroom learning please schedule visits to your child's classroom by calling the office and scheduling the visit well ahead of time. Please check in at the front office to be issued a visitor badge and to sign in. Visitors/Parents will be issued a visitors badge upon presentation of a valid picture ID. Visitors/Parents must sign out upon leaving the building. Parents who would like to conference with their child's teacher should make a scheduled appointment. Families, community organizations, businesses, and other groups are encouraged to apply to volunteer at 21st Century Charter School @ Gary. Background checks must be completed for any volunteer to work with students in our school at any time. The Indiana Code requires that a limited criminal history check be on file in the school office for each volunteer, each year.

## **PARENT/TEACHER CONFERENCES**

Achieving maximum progress for your child necessitates a close line of communication and understanding between teacher and parent. Parent-teacher conferences are the best means of accomplishing this goal. The teacher or the parent can initiate such a conference by calling for an appointment, in addition to the dates for regularly scheduled conferences. Our goal is 100% participation between parents and teachers for all conferences.

If, as a parent, you have a concern about something that has happened at school, or if you feel there is some kind of situation that is causing your child to perform below par, please contact

the proper person at school. Please contact the child's teacher first. If the problem is not resolved, then contact the Principal. We welcome the opportunity to talk with you about any of your concerns.

### **PARENT ORGANIZATION**

All parents, foster parents, guardians, and teachers are encouraged to take an active part in school activities. One way to do so is to contact the school and speak with administration and/or our parent liaison. Meetings will be scheduled regularly throughout the year, and programs are planned to offer entertainment, enlightenment, fundraising experiences and a chance for parents to get to know the school personnel and other parents and to provide volunteer service to the school.

### **CHANGE OF PERSONAL INFORMATION**

Please inform the school immediately in the event that any changes are made to your contact information. The law requires any changes in student or parent names, telephone number, or address be updated immediately. The parent must report the new information promptly. Please contact your child's school to update personal information. We ask that you never block the school's number as we may have an emergency and need to contact you.

### **ATTENDANCE POLICY**

A student's attendance is essential to learning. Every student and parent has the responsibility to ensure that the student is attending class regularly in order to take full advantage of the educational opportunities offered by 21st Century.

To support academic growth, the school has put in place the following attendance policies and procedures:

#### Types of Absences

- a. Excused - Any absence, lateness, or early release that occurs as a result of the follow and is documented by parent note, doctor note or other documentation
  - Death in the immediate family
  - Medical, dental, court, and/or other required appointments. Statement from the doctor, dentist, etc. required upon return to school
  - Personal illness or injury
  - Major religious holiday
- b. Unexcused - Any absence, lateness, or early release that does not meet the above conditions shall be considered unexcused.

Students may be excused by the principal or designee for the whole or a part of a day absence for two or fewer consecutive school days for the following reasons:

- a. Personal illness;
- b. Serious illness in the student's immediate family;
- c. Death in the student's immediate family not to exceed one week;
- d. Natural catastrophe and/or disasters; or e. Extenuating circumstances.

All written verifications must be turned into the 21C Main Office within 5 school days of the student's return.

Students granted excused absences for the above reasons shall be allowed to make up any schoolwork which was missed. Students shall request makeup work for days missed due to excused absences. The student will have the same number of days to make up the work equal to the number of days missed. Example: if a student misses 2 instructional days, they will have 2 instructional days to return the completed work before any deductions/ zeros are assigned.

**STUDENTS WILL NOT BE EXCUSED FOR VACATIONS OR OTHER FAMILY TRIPS. IN THE EVENT THAT SUCH AN ABSENCE IS UNAVOIDABLE, THE PARENT MUST SUBMIT WRITTEN REQUEST TO BE APPROVED BY PRINCIPAL.**

Parent notes will only be accepted for absences of 1-2 consecutive school days due to personal illness or serious illness in the family. If a student is absent for 3 or more consecutive days, he/she must present documentation from a physician, nurse practitioner, or dentist.

When a student has exceeded the allowable days of absence and no extenuating circumstances are present, the principal or his designee and two teachers (when possible) should review the student's absences before credit is denied. If the committee confirms no extenuating circumstances, the student and parents receive written notification of the decision to deny credit and are informed of the appeal process.

A student who is absent from school on a given day may not participate in any extracurricular activity on that day.

Early Dismissals: Require a parent/authorized pickup person to come to the front office and sign the student out on the day of the release. A valid, state issued ID is required for all parents/authorized individuals picking up a student.

#### Consequences

- a. After three (2) days of cumulative absence due to an illness, a doctor's statement or other verification will be required upon the student's return to school.
- b. After five (5) days of unexcused, cumulative absences, a conference between the student, the parent, and the principal/ assistant principal will be required to assess the reasons for absences and the impact the absences are having on the student's academic work.

c. After seven (7) days of unexcused, cumulative absences, a certified letter will be sent to the parent/guardian indicating that additional absences could jeopardize the student's enrollment at 21st Century.

Excessive absenteeism may result in the scholars grade reclassification/ removal from dual credit courses, if applicable. The school reserves the right to report chronic absenteeism to an outside agency.

## **TARDY POLICY**

Tardy to School: All students are expected to arrive at school on time.

- a. Students are tardy once the morning bell rings. A tardy log will be kept in the front office. If a student is tardy to school, his/her parent/guardian must accompany them to the main office and sign him/her in.
- b. If the child is dropped off without being signed in, the parent will be called back to school to sign the student in before the student is allowed to go to class.
- c. Frequent tardiness will result in disciplinary action. After ten (10) late arrivals/early releases, the parent/guardian may be required to attend a mandatory meeting at school with the principal/assistant principal/dean. Additional Tardies (10+) may result in the student being retained and/or a truancy referral. This negatively impacts the student's opportunity to earn their associate/bachelor's degree in our college immersion program or career certification.

The following guidelines will be used to handle tardiness to school:

- 1-3 tardies – Record and verbal warning from front office
- 4th tardy – Written warning with Administrator/Dean, parent signature required
- 5th tardy – Student assigned 1-hour after school detention
- 6th tardy – Student assigned 2-hour after school detention
- 7th tardy – Student assigned Saturday School
- 8th tardy – In School Suspension/Possible Parent Conference
- Continued tardiness after the 8th tardy will be disciplined using progressive discipline with additional suspension/Mandatory Parent Conference

Tardy to Class: A student is tardy if he is not in class when the tardy bell begins to ring.

- i. Students must make every effort to be on time to class.
- ii. If tardy to class, the teacher should log the tardy if less than 10 minutes late.
- iii. A class cut will be recorded, and further disciplinary action will take place if the scholar is more than ten minutes late.
- iv. Consequences for tardies to class will be handled by the classroom teacher.

## ID CARDS

All students enrolled in the College and Career Center will be issued an official 21st Century Student ID that must whenever a student is on campus or at school-sponsored events off campus.

- Must be worn on the upper body (on lanyard or clip).
- Must be faced forward.
- Students must wear their own ID from the current school year.
- Students are responsible for appropriate repairs or replacement of damaged ID's (\$5)
- If a student forgets his/her ID at home, a temporary ID will be issued for \$1.

## SCHOOL UNIFORM and GROOMING

**\*IMPORTANT: THIS DRESS CODE WILL BE STRICTLY ENFORCED BEGINNING THE FIRST DAY OF SCHOOL.**

The purpose of a dress code is to help maintain a positive school environment where scholars can reach their potential and remove unnecessary distractions. The uniform is a reflection of the unified culture of high expectations that sets the professional tone/climate. A uniformed environment also allows for our scholars to be constantly recognizable both on and off campus.

**Each family that accepts enrollment in the school also accepts the dress code as mandatory.** Scholars are expected to come to school dressed in full uniform. Scholars are required to wear the school uniform at all times unless otherwise approved by administration. A "cold" or "warm" building is not an excuse to be out of uniform. All 21st Century buildings have appropriate heating and cooling. Scholars should use the flexibility of the dress code to be in compliance. If there is a change in the dress code for field trips or other special events, parents will be notified of the change prior to the day of the event. Otherwise, the dress code must be followed at all times. We rely on our parents to help reinforce our uniform policy.

## HOMEWORK POLICY

21<sup>st</sup> Century Charter School @ Gary has created a schedule that will allow students to complete the majority of assignments and projects in school. It is our goal to assist our scholars to find balance between their academic development and personal growth by having ample time for enjoyable activities with family.

## EARLY COLLEGE PROGRAM (HIGH SCHOOL)

Our Early College program begins as early as 7<sup>th</sup> grade, with students able to take the college entrance exam, Knowledge Assessment. Students who pass may begin taking college credit courses at no cost to them as soon as their freshman year – or sooner! Students who remain in good academic and behavioral standing may earn as many as 60 college credits – and a full, accredited college Associates Degree, with the potential of a Bachelor's degree, before they even graduate from high school... **At no cost to the family or student!** These courses will fulfill both high school and college credit requirements.

***In addition, 21st Century Charter School @ Gary will pay for Driver's Education courses for all scholars that pass the college entrance exam, currently known as the Knowledge Assessment.***

At a very minimum, the 21<sup>st</sup> Century Charter School @ Gary is committed to excellence in education. As part of that commitment, and in order to meet the State of Indiana's requirement that students demonstrate College and Career Readiness during their high school years, effective for the graduating class of 2023, and encouraged for all classes graduating sooner, as part of the Core 40 (or higher) diploma requirements, all students must earn twenty-four (24) college credits from an accredited Indiana college or university, in accordance with established 21<sup>st</sup> Century Charter School @ Gary policy for earning college credits.

This requirement may be waived only under the following reasons:

- Approved in a student's Individual Education Plan (IEP)
- Student joined 21st Century after their freshman year
- Recommended in writing by School Principal and approved by School Superintendent.

Students who participate in our Early College Program and are jointly enrolled in the dual credit program, will have their post-secondary courses and grades posted on their 21<sup>st</sup> Century Charter School @ Gary transcript based on the postsecondary institution's grading scale. These are dual credit (high school and college) classes; therefore they are part of both the permanent high school transcript and the student's college transcript. If a student fails a dual credit course, they will be responsible for the full cost of the course/textbook. Additionally, prior to being allowed to enroll in additional dual credit courses, any outstanding costs of the course/textbook must be paid in full. Outstanding balances may cause a student's diploma to be withheld. However, the staff and administration at the school remain fully committed to every student's success and, together with the student's hard work and commitment, will provide every resource possible to support each student's success in the program.

While on Ivy Tech or any of our other university partner's campuses, you are considered college students. Therefore, your behavior should display those of a university scholar. The expectations that are set forth before you at 21st Century should be upheld and honored when attending your college level courses.

## SUMMER SCHOOL

Students who fail one or both parts of ILEARN (grades 3-8), IREAD-3, any core content, as well as students who are formally retained, will be **required to attend summer school**, per our approved School Board Policy. Students should anticipate no less than 4 weeks of summer school. Students should expect to attend in their full uniform for the entire day. Attendance in summer school does not guarantee promotion to the next grade. As a response to late receipt of state testing results, students who fail one or both parts of ILEARN ***will be required to attend mandatory tutoring throughout Semester 1 (fall)***. Failure to attend assigned summer school or tutoring will result in loss of seat at 21st Century Charter School @ Gary.

### SCHOLAR PLEDGE:

As I embark upon this next phase of my academic journey, I recognize that I am responsible for upholding the integrity of my family, school and community. I understand and appreciate the opportunity that has been placed in front of me and I embrace the challenges that lie ahead.

Our motto for each 21st Century scholar is to... “Come for Kindergarten, Stay for College”.

## REPEATING A HIGH SCHOOL COURSE

A student must repeat a failed course that is required for graduation. Students may repeat courses they have passed to earn a better grade. The following rules will apply: A student may repeat a course in which he or she previously earned a grade of C+ or below. When repeating a course already passed, the better of the two grades will appear on the transcript and count toward the cumulative GPA and class rank. When repeating a failed course, the grade earned will appear on the transcript and count towards the cumulative GPA and the class rank. The previous failing grade will be changed to an “R” (for Retaken at a later date) and will not be included in the cumulative GPA or class rank.

## DISCIPLINE PHILOSOPHY

Discipline is the demonstration of responsible behavior – academically, socially, physically, and ethically. Our goal is to establish a climate that is safe, secure, and conducive to learning. We believe the establishment of disciplinary parameters at school is central to a strong educational structure, and a safe and secure learning environment. 21st Century Charter at Gary has created a discipline plan that was developed to ensure the academic integrity of our buildings. The plan is meant to promote a school atmosphere which is conducive to student learning. Student conduct is one important indicator of school climate and a critical factor in determining a quality school. Students subjected to disciplinary actions by either the school administration or from their respective teachers will be addressed according to this plan. The staff at 21st Century Charter @ Gary reserves the right to deal with each student's case according to

individual situations before considering appropriate consequences. This plan is not intended to be the “last word” or “all-inclusive” concerning misbehaviors or penalties, but it is a conscientious attempt to deal fairly and consistently with students.

21st Century Charter @ Gary will employ progressive discipline, using incremental interventions to address inappropriate behavior with the ultimate goal of teaching prosocial behavior. The goal of **progressive discipline** is prevention of a recurrence of negative behavior by helping **students** learn from their mistakes. Progressive discipline **may** include, but is not limited to, any of the following consequences: Verbal warning, conferencing, parent meeting, in-school suspension, out-of school suspension, alternative placement, lunch detention, after school detention, denial of privileges (loss of passing period, no internet, etc.), contract and/or drivers license revocation, and possible expulsion.

## **DISCIPLINARY ACTION**

"Disciplinary action" can occur as a result of a student violating disciplinary offenses outlined in this handbook.

- Scholar warning
- Contact parents/guardian
- After-school behavior clinic
- Saturday School
- Loss of Privileges, including but not limited to participation in extracurricular activities,
- In-school suspension
- Out-of-school suspension
- Expulsion recommendation
- Any combination of these disciplinary actions.

## **DISCIPLINARY PROCEDURES**

### **1. Suspension Procedures**

- The school principal, or his/her designee, has the right to enforce this disciplinary policy and to apply disciplinary action, including suspension, for the commission of any disciplinary offense. The principal shall investigate all allegations of misconduct.
- Prior to any suspension, the school principal or his/her designee shall advise the student of the particular misconduct of which the student is accused and the specific reasons/facts for such accusation. The student shall be given an opportunity at that time to explain the student's version of the incident or facts to the school principal or his/her designee.
- If the principal suspends the student, the principal, or designee, shall make a reasonable effort to contact the student's parent or guardian by telephone to

notify them of the suspension, that the student will be or has been removed from class, and that the student will be kept under supervision until the close of the school day or the arrival of the parent or guardian. This responsibility shall not be delegated to a student. If the parent or principal or designee so requests, the student will be granted an early dismissal from school to return home.

- The principal shall provide a written notice of suspension to the parents or guardian providing notice of the offense and the term of the suspension
- In the event a student disrupts the orderly operation of the school, the student may be immediately removed from the school premises and placed in the custody of parents, next of kin, or law enforcement, provided that the matter is resolved in a timely manner.
- If the parent or guardian of the suspended student wishes to contest the suspension, the parent or guardian shall, within three (3) school days after receipt of written notification of the suspension, submit a written request to review/appeal the matter.
- Upon such request, the Superintendent or designee shall schedule a review hearing at the earliest convenience. The decision of the Superintendent or designee on an appeal of a short-term suspension shall be final, and there shall be no right to appeal such decision to the Board.

## 2. Expulsion

- The principal shall recommend expulsion in certain cases identified elsewhere in this handbook. NOTE: There are some instances in which the principal has no discretion, where expulsion is mandated by Indiana statute relative to drugs or weapons and other provisions of Indiana law, which are not optional. In such cases, expulsion shall be recommended by the principal.
- Additionally, if a principal, or designee, after reasonable investigation of an offense, has cause to believe that a student has committed a disciplinary offense that warrants severe disciplinary action, then the Principal may recommend that the student be expelled.
- After a principal or designee has made a reasonable effort to investigate all aspects of the alleged discipline offense and is satisfied that the nature and seriousness of the offense might warrant expulsion, the principal shall decide whether to recommend expulsion.
- The principal or designee shall make a reasonable effort to contact the student's parents or guardian by telephone to notify them of the proposed expulsion, that the student has been removed from class and that the student will either be kept at school under supervision until the close of the school day or the arrival of the parent, guardian or police. This responsibility shall not be delegated to a student.
- The principal or designee shall mail (by certified mail) or hand deliver a copy of the recommendation of expulsion form to the parent or guardian, which form shall include: the specific offense for the expulsion, the factual basis of the charge(s), the time, the date and the place of the expulsion hearing.
- The expulsion hearing shall be held within 10 days of the recommendation.
- Pending the expulsion hearing, the student shall be denied normal attendance privileges. Until the expulsion proceedings are complete, the student shall be

denied and excluded from any and all access to all 21st Century campuses and shall be denied and excluded from any 21st Century activities including but not limited to: athletics, sports, or extracurricular groups and programs. The student shall not attend any GEO Academies school sponsored event as a participant, spectator, visitor or otherwise.

- Unless all of the evidence has been previously provided with the form notifying of the expulsion, prior to the expulsion hearing, the parents have the right to view and copy any evidence to be presented by the school at the hearing. Notice of this right shall be included on the expulsion form.
- At the expulsion hearing, the specific reason(s) concerning the cause(s) for the proposed expulsion will be presented by the principal or a designee in support of the recommendation. If the basis of the recommendation for expulsion is the accumulation 42 of 4 suspensions, the student shall only be permitted to contest the facts of the 4th suspension. At that point, the 3 prior suspensions are final and the time for appealing the basis of those suspensions has expired. The student's prior performance and attendance may be reviewed and discussed.
- If the parent or student fails to appear at either the expulsion hearing [or at the appeal hearing hereinafter provided], without providing a written advance notice including a valid excuse at least 24 hours prior to the meeting, the right to a hearing shall be considered to have been waived and forfeited, and the student shall be expelled. The superintendent or designee shall provide written notification to the parent of the findings and action taken as soon as is feasible. A student who has waived his right to an expulsion hearing by failing to appear shall have no right to appeal the merits of the expulsion.
- The student or student representative may produce witness(es) or offer evidence on the student's behalf. Due process shall be afforded.
- After the hearing, the superintendent or designee shall determine whether the student is guilty of the charge(s) and whether the student shall be expelled from school or if other corrective or disciplinary action is imposed.
- The superintendent or a designee shall deliver the decision and findings by mail (certified, registered, or regular), email (if requested by the parent), or by hand delivery to the parents (at the address on file with the school that the student attends) and to the school principal.

### 3. Additional Rules of Expulsion

- During the expulsion, the student shall be denied and excluded from any and all access to any school campus and shall be denied and excluded from any school activities including but not limited to, athletics, sports, or extracurricular groups and programs. The student shall not be on any school campus for any reason. The student shall not attend any school sponsored event as a participant, spectator, visitor or otherwise.

- 21st Century, upon the request of a student or his/her parent or guardian, will provide alternative education services to a student who has been expelled in a manner that is in accordance with state law.

## BULLYING

We insist on a professional, safe, and respectful environment at 21<sup>st</sup> Century Charter School @ Gary. Bullying of any kind, towards students, teachers, staff, or any other person, is not tolerated.

### *What is Bullying?*

"Bullying" (per IC 20-33-8-.2) means overt, unwanted, repeated acts or gestures, including verbal or written communications or images transmitted in any manner (including digitally or electronically), physical acts committed, aggression, or any other behaviors, that are committed by a student or group of students against another student with the intent to harass, ridicule, humiliate, intimidate, or harm the other targeted student and create for the targeted student an objectively hostile school environment that:

- (1) places the targeted student in reasonable fear of harm to the targeted student's person or property;
- (2) has a substantially detrimental effect on the targeted student's physical or mental health;
- (3) has the effect of substantially interfering with the targeted student's academic performance; or
- (4) has the effect of substantially interfering with the targeted student's ability to participate in, or benefit from the services, activities, and privileges provided by the school.

Bullying fosters a climate of fear and disrespect that can seriously impair the physical and psychological health of its victims and creates conditions that negatively affect learning. Bullying includes unwanted, aggressive behavior that involves a real or perceived power imbalance. The behavior is repeated, or has the potential to be repeated, over time. The imbalance of power involves the use of physical strength, or popularity, to access embarrassing information to control or harm others. Bullying can occur anywhere (in-school or outside of school) and at any time – both during and after school hours. Bullying can include physical bullying, verbal bullying, social/relational bullying, and electronic/written communication.

Physical bullying involves hurting a person's body or possessions. It includes hitting/kicking/punching, spitting, tripping or pushing, taking or breaking someone's things, and making mean or rude hand gestures.

Verbal bullying involves saying mean things. It can include teasing, name-calling, inappropriate sexual comments, taunting, or threatening to cause harm.

Social/relational bullying involves hurting someone's reputation or relationships. Social bullying involves telling other children not to be friends with someone, leaving someone out on purpose, spreading rumors about someone, or embarrassing someone in public.

Electronic/written communication involves cyber-bullying, collective or group note writing, any bullying undertaken through the use of electronic devices (computer, cell phones).

Considerations in determining if the behavior meets the definition of bullying:

- The history between the individuals. Have there been past conflicts? Have these individuals had a dating relationship? (This may not be considered bullying)
- Power differential. Is there an imbalance of power? (Power imbalance is not limited to physical strength.)
- Repetition. Has this or a similar incident happened before? Is the individual worried that it may happen again?
- Are any of the individuals involved with a gang? (This may result in interventions different from bullying.)

Bullying can take many forms, including: slurs, rumors, jokes, innuendos, demeaning comments, drawing cartoons, pranks, gestures, physical attacks, threats, or any other oral, written, or physical actions that make our school feel like an unsafe place. Bullying is prohibited within our building, on our buses, and to and from school events or field trips. **Bullying is also prohibited on all student social media sites, including, *but not limited to* Facebook, Twitter, Tumblr, Instagram, Snapchat, Tik Tok, or any other social media site. Students who engage in bullying on social media sites outside of school are still subject to all disciplinary policies, up to and including suspension and expulsion.**

## CAFETERIA

21<sup>st</sup> Century Charter School @ Gary will provide quality breakfast and lunch for our students. The menus will be distributed on a monthly basis and posted in the lunch area. Students may bring their lunch to school if they choose to do so. Students may not order food from outside vendors during school time AND parents may not bring lunch to their students before or during their child's lunch time.

## CELL PHONES/ELECTRONIC DEVICES

21st Century acknowledges that cell phones and electronic devices have become an integral part of the culture of the world. We embrace the cellphone and electronic devices, however, we ask that no student may use a cell phone/electronic device, *unless issued by the school*, on school property during the school day unless allowed by the teacher for an educational purpose.

During school hours, cell phones/electronic devices must be turned off (not on vibrate mode) and stored out of sight. Using a cell phone/electronic device may include, but not be limited to, text messaging, taking pictures, or watching videos, recording videos, playing games, social media, and listening to music. Students using or having cell phones/electronic devices visible during the school day shall have their cell phone/electronic device confiscated. **No cell phones/electronic devices may be used by students at any time, including lunch, recess, in the restrooms, or free periods.** School personnel and/or administration are not responsible for the loss or damage of any cell phone/electronic device brought onto school property. In cases where a cell phone/electronic device is lost or stolen, school personnel will not investigate. Confiscated devices will be returned only to a parent or guardian.

*NOTE: Classroom telephones are to be used only with teacher permission and under direct teacher supervision.*

## BUS SAFETY

Students have the right to ride the school bus to and from school and should recognize that it is a privilege.

### Responsibilities

- Students shall follow school bus rules and regulations or lose the privilege of riding the bus.
- Students shall ride their assigned school bus. If a student desires to ride an alternate school bus for a special situation, a written request from the parent must be submitted to the Principal or his/her designee. Final approval of such a request is at the discretion of the Principal or his/her designee.
- Students shall get on and off the bus at their assigned bus stop. If a student desires to get on or off the bus at an alternate stop for a temporary circumstance, the parent of the student must submit a written request to the Principal or his/her designee. Final approval of such a request is at the discretion of the Principal or his/her designee.
- Students shall sit in the seat assigned to them by the bus driver. Students shall remain seated in their seat until the bus has come to a complete stop at the locations where they are assigned to exit.
- Students shall not throw or discard items out of the windows. Students shall not extend parts of their body out of the windows.
- Students shall not damage, write on, or in any way vandalize the school bus. Students will be responsible for repayment of damages that they cause to the school bus.
- Students shall not litter on the bus. Trash cans located on the school bus shall be used to discard trash upon exit of the bus.

### Bus Discipline

- The bus drivers, together with the principal, have full responsibility for discipline of students riding the buses. The driver shall report any disciplinary problems to the principal of the school. It is the duty of the driver, in case of any infraction of rules by

any student, to notify the principal. Notification should be made in writing on the appropriate School Bus Behavior Report form. The principal shall determine punishment.

- Any misbehavior on the bus, at the bus stop, or walking to or from the bus stop may result in temporary or permanent loss of bus riding privileges. In this case, transportation to and from school becomes the responsibility of the parent/guardian. Certain offenses may result in more severe punishment such as suspension/expulsion from school.
- Video Cameras: The actions of students on the bus may be recorded by video cameras located on the school bus. This video may be used to confirm student behavior or incidents that occur on the bus.

### DRIVING RULES AND REGULATIONS (HIGH SCHOOL)

Driving and parking at 21st Century Charter School @ Gary is a privilege, not a right. All vehicles driven to 21CC by students and parked in the school parking lot must be registered in the main high school office. When driving and parking on 21CCC property, students agree to avail access to vehicles upon request of the administration or security. 21CCC is not responsible for damage to vehicles or theft of the contents of vehicles.

1. Eligibility – Students classified as seniors will have first priority for available parking permits. Because of the limited parking facilities, parking permits will be issued to seniors on a first-come-first-served basis. Students classified as juniors will be eligible to receive a parking permit strictly on a lottery basis, with first priority given to those wishing to form a carpool. Students must be in good academic standing in order to purchase and keep a parking permit. Permits may be revoked if a student is no longer in good academic standing.
2. Vehicle Registration – All vehicles that are driven to school by “permitted” students and parked in the school parking lot must be registered in the school office. *Parking lot vehicle permits must be purchased at a cost of \$10. Replacement permits may be purchased at a cost of \$5.* Replacements may be purchased if the permit was lost, stolen, or revoked due to poor academic standing. To obtain a permit for any vehicle, students must present their current student ID, a valid driver’s license, vehicle registration, and proof of insurance. Students must also present a signed Parent Agreement form prior to receiving a permit. Students must park in the area designated by their permits.

Vehicles that are not properly registered or that do not display a current permit are subject to being towed at the owner’s expense.

#### Consequences for driving without a valid parking permit:

- **1st offense:** Parent notification
- **2nd and Subsequent Offenses:** The vehicle may be towed at the owner’s expense.

3. Driving/Parking Violations – Students who drive to school are expected to exhibit safe driving habits at all times. Speeding or reckless driving on school property will not be tolerated. All posted signs and traffic patterns must be obeyed. Students driving inappropriately, recklessly, or unsafely are subject to suspension, and loss of driving privileges. Students are responsible for the contents of their vehicle at all times.
4. Penalties for Driving Violations – Violation of the driving or parking regulations may result in a range of consequences that spans from a student’s loss of driving privileges, to suspension. If a student uses a vehicle when violating a 21CCC rule, his/her parking permit may be revoked. (Example: a student is truant and leaves school grounds in their vehicle.)
5. Arrival at School – Students who drive to school are to park in the designated area in the school parking lot, and exit their vehicles immediately upon arrival. All car doors must be locked. Absolutely no cruising or loitering is permitted in the parking lot at any time. No student is permitted in the parking lot at any time during the school day (7:30 AM – 2:30 PM) without permission from administration and/or designee . Students observed in the school parking lot during school hours without permission may be considered truant.
6. Departure from School – Upon dismissal from school, student drivers are to enter their vehicles and are not permitted to loiter in the parking lot.
7. Accidents – Any student who has been involved in an accident, or has sustained damage to his/her vehicle, must report the incident as soon as possible to 21CCC security and/or administration.

## **TECHNOLOGY USE POLICY**

Use of technology is essential to the curriculum and learning at GEO Academy Schools. What follows are expectations for staff regarding staff and Scholar technology use.

- Staff members shall instruct their Scholars regarding the appropriate use of technology and online safety and security.
- Staff members will monitor the online activities of Scholars. Monitoring may include, but is not necessarily limited to, visual observations of online activities during class sessions; or use of specific monitoring tools to review browser history and network, server, and computer logs.
- Scholars are expected to follow the “Acceptable Use Policy” signed by all scholars and parents upon enrollment. Appropriate scholarly use of technology is outlined below.

## ACCEPTABLE USE POLICY

Each student is expected to be responsible and honest, use common sense, and practice proper etiquette. GEO Academy Schools have invested significantly in hardware and software to prepare Scholars for today and tomorrow's world. Because its Technology Resources are not unlimited, the School also has instituted restrictions to preserve these resources, such as placing limits on use of bandwidth, storage space, and printers. Scholars must protect this investment. In order to comply, the following rules are in effect:

- Scholars are prohibited from engaging in actions that are **illegal** (such as libel, slander, vandalism, harassment, theft, plagiarism, inappropriate access, and the like) or **unkind** (such as personal attacks, invasion of privacy, injurious comment, and the like) when using School issued Technology Resources.
- It is a **federal crime** to unlawfully copy software; any Scholar attempting to copy the School's software and/or multi-media materials will be referred to the School's administration and law enforcement for disciplinary consequences.
- Scholars shall not use any technology (including social media) to **bully, demean, or injure** others.
- Scholars have no right or expectation of privacy when using School issued Technology Resources (including but not limited to privacy in the content of their personal files, e-mails and records of their online activity when using the School's hardware, software, computer network and/or Internet connection).
- **Tampering** with or **vandalizing** any part of the hardware or software will result in disciplinary consequences. Families will be **financially responsible** for any damages caused to the equipment.
- Using any commands on any computer or other device that could alter the operations of any part of the computer system, including the default settings, will result in disciplinary consequences.
- The downloading of programs from any source is strictly prohibited.
- GEO Academy Schools may issue a 1:1 device to a student to allow learning beyond the traditional school day. As such, some students may be given a school owned device to use. When given the device there will be detailed guidance on the safe and appropriate use of the device as well as possible financial penalties if the device is damaged.

Only students enrolled at the CCC will be issued a school-owned device to use while in school and for college classes.

### Consequences for Misuse

- a. First Offense: Changing computer configuration, deliberately accessing another student's account, deliberately harming any of the equipment, or surfing the web without an educational assignment will result in the parent being called and the student losing all computer privileges for a specified period of time outside of the usage necessary for the basic curriculum.

- b. Repeat offenders and/or students who deliberately access pornographic materials from the Internet will lose all computer privileges and progressive discipline will follow which may include, but not limited to, being suspended out of school.
- c. Any scholar who causes damage to a device may be charged to repair the device

### **WORK PERMITS (HIGH SCHOOL)**

The Indiana Department of Labor's new Youth Employment System, or YES, is now live, opening the door for Hoosier employers to begin using the system to comply with a new youth-employment law that goes into effect July 1. The new law requires Indiana employers who hire five or more minor employees (under age 18), per location, to list those employees in the new YES registry. The change is part of amendments to Indiana Code 22-2-18.1-26 made during the 2020 state legislative session, which also mandated implementation of the YES registry and effective date of employer registration by July 1, 2021.

The new requirement will eliminate the need for work permits in Indiana for minor employees, and shift the responsibility of tracking and reporting youth employment from schools to employers. The new YES requirement will not impact the state's work-hour requirement for minors, and all employers must still comply with the Teen Work Hour Restrictions and Prohibited and Hazardous Occupation restrictions for minors. As of July 1, employers who fail to comply with the new registration requirements may face penalties of up to \$400 per infraction.
