Principal's Den

Dear LES families,

Can you believe it? The end of the school year is here! It is going to be a fast couple of weeks with all kinds of events and happenings planned as you head into summer vacation!

Each grade level will host an awards ceremony to celebrate the accomplishments of our students. Your child's teacher will communicate the date and time of their specific awards day celebration with you.

The LES musical is coming up! We are excited to see our students shine as they take the stage! Performance dates are May 14th and 16th. Tickets must be purchased prior to the performance.

The annual Senior/4th grade graduation walk will take place on May 22nd at 2:30. Our 4th graders will walk with CHS and FHS Class of 2024 Seniors. Parents will line the hallways and cheer for these incredible students as they walk the halls of LES one last time.

My staff and I would like to thank you for all of your support this year. We hope you have a safe and fun summer break!

Sincerely,

Mrs. Patton
