The Iroquois Board of Education is pleased to announce the appointments of Peter Dobmeier (pictured right) as Elma Primary Principal, Christian Hershey (pictured below) as Director of Student Services and Assessment, and David Sellan (pictured below right) as Director of Human Resources.

Mr. Hershey has been working in the field of special education for 24 years, first as a high school special education teacher and now as a school district leader. Twenty-three of those years were spent in the Sweet Home Central School District with his leadership journey beginning in 2007. Mr. Hershey

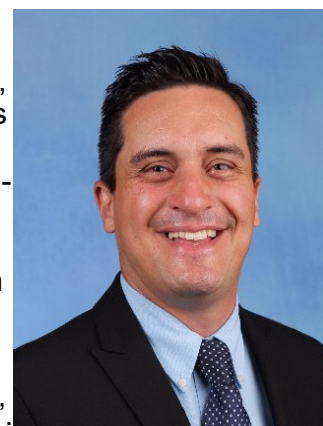

stated "Finally at home here at Iroquois, I am very much looking forward to being a part of this very strong and supportive community while serving our students and families to the very best of my abilities. Most importantly my wife Shannon and I share 5 amazing kids and two dogs. In my free time I enjoy doing most anything outdoors. Rain or shine, we will be out of the house on some adventure in our beautiful city."

Mr. Dobmeier has worked in education for 20 years as a teacher and building leader. For the past 5 years, he served as Principal of Casey Middle School in the Williamsville Central School District. Prior to this, he served as Assistant Principal at Casey, and worked as an English teacher and program coordinator in the Sweet

Home Central School District. Mr. Dobmeier earned his bachelor's degree in English from SUNY Geneseo, a master's degree in English Education from Canisius College, completed additional graduate work in Curriculum and Instruction at the University of Denver, and completed his educational leadership program at Canisius College. He grew up in Elma, and currently resides in Elma with his wife and two children. Mr. Dobmeier stated, "Over the years, I have admired the work being done at Iroquois from the perspective of an educator, but also as a parent with two children currently attending Iroquois schools. I am grateful for this opportunity to bring together my passion for education and my love for this community. Simply put, joining the Iroquois team is a dream come true, and I look forward to serving the students and families of Elma Primary."

Most recently, Mr. Sellan served as the Middle School Principal for the Tonawanda City School District. Within that role he was the President of the Administrators Union, a member of the Strategic Planning Committee, and the Diversity, Equity and Inclusion Team. In addition to leading the Middle School, he served as the District Title IX Coordinator and District Harassment Officer. Prior to his most recent position, Mr. Sellan was the Assistant Principal at the Tonawanda City Middle/High school for two years. Before entering administration, Mr. Sellan taught social studies for six years in the Cheektowaga Central School District. Mr. Sellan earned his teaching certification and a master's degree in Special Education from Buffalo State College with a second master's degree in Educational Administration from Canisius College. Mr. Sellan and his wife are the proud parents of three children. He added "I am excited to be joining the Iroquois Central School District and am honored to be a part of all the wonderful things happening in our schools".

Dear Parent/Guardian:

Children need healthy meals to learn. **Iroquois Central School District** offers healthy meals every school day. **Breakfast costs \$1.80; lunch costs: Grades K-4, \$2.75, and Grades 5-12, \$3.00**

Your children may qualify for free meals or for reduced price meals. Beginning July 1, 2019, students in New York State that are approved for reduced price meals will receive breakfast and lunch meals at no charge.

1. DO I NEED TO FILL OUT AN APPLICATION FOR EACH CHILD? No. Complete the application to apply for free or reduced-price meals. *Use one Free and Reduced-Price School Meals Application for all students in your household.* We cannot approve an application that is not complete, so be sure to fill out all required information. Return the completed application to your child's school, 652-3000.
2. WHO CAN GET FREE MEALS? All children in households receiving benefits from **SNAP, the Food Distribution Program on Indian Reservations** or **TANF**, can get free meals regardless of your income. Categorical eligibility for free meal benefits is extended to all children in a household when the application lists an Assistance Program's case number for any household member. Also, your children can get free meals if your household's gross income is within the free limits on the Federal Income Eligibility Guidelines. Households with children who are categorically eligible through an Other Source Categorically Eligible designation, as defined by law, may be eligible for free benefits and should contact the School Food Authority (SFA) for assistance in receiving benefits.
3. CAN FOSTER CHILDREN GET FREE MEALS? Yes, foster children that are under the legal responsibility of a foster care agency or court, are eligible for free meals. Any foster child in the household is eligible for free meals regardless of income. Foster children may also be included as a member of the foster family if the foster family chooses to also apply for benefits for other children. Including children in foster care as household members may help other children in the household qualify for benefits. If non-foster children in a foster family are not eligible for free or reduced-price meal benefits, an eligible foster child will still receive free benefits.
4. CAN HOMELESS, RUNAWAY, AND MIGRANT CHILDREN GET FREE MEALS? Yes, children who meet the definition of homeless, runaway, or migrant qualify for free meals. If you have not been told your children will get free meals, please call or e-mail Christian Hershey, to see if they qualify.
5. WHO CAN GET REDUCED PRICE MEALS? Your children may be approved as reduced price eligible if your household income is within the reduced-price limits on the Federal Eligibility Income Chart, shown on this letter. Beginning July 1, 2019, students in New York State that are approved for reduced price meals will receive breakfast and lunch meals at no charge.
6. SHOULD I FILL OUT AN APPLICATION IF I RECEIVED A LETTER THIS SCHOOL YEAR SAYING MY CHILDREN ARE APPROVED FOR FREE MEALS? Please read the letter you got carefully and follow the instructions. Call the school at 652-3000 ext. 1202 if you have questions.
7. MY CHILD'S APPLICATION WAS APPROVED LAST YEAR. DO I NEED TO FILL OUT ANOTHER ONE? Yes. Your child's application is only good for that school year and for up to the first 30 operating days of this school year. You must send in a new application unless the school told you that your child is eligible for the new school year.
8. I GET WIC. CAN MY CHILD(REN) GET FREE MEALS? Children in households participating in WIC may be eligible for free or reduced-price meals. Please fill out a FREE/REDUCED PRICE MEAL application.
9. WILL THE INFORMATION I GIVE BE CHECKED? Yes, and we may also ask you to send written proof.
10. IF I DON'T QUALIFY NOW, MAY I APPLY LATER? Yes, you may apply at any time during the school year. For example, children with a parent or guardian who becomes unemployed may become eligible for free and reduced-price meals if the household income drops below the income limit.

11. WHAT IF I DISAGREE WITH THE SCHOOL'S DECISION ABOUT MY APPLICATION? You should talk to school officials. You also may ask for a hearing by calling or writing to: Douglas Scofield, Superintendent; Iroquois Central School District; P.O. Box 32; Elma, NY 14059; (716) 652-3000 ext. 1001.
12. MAY I APPLY IF SOMEONE IN MY HOUSEHOLD IS NOT A U.S. CITIZEN? Yes. You or your child(ren) do not have to be U.S. citizens to qualify for free or reduced-price meals.
13. WHO SHOULD I INCLUDE AS MEMBERS OF MY HOUSEHOLD? You must include all people living in your household, related or not (such as grandparents, other relatives, or friends) who share income and expenses. You must include yourself and all children living with you. If you live with other people who are economically independent (for example, people who you do not support, who do not share income with you or your children, and who pay a pro-rated share of expenses), do not include them.
14. WHAT IF MY INCOME IS NOT ALWAYS THE SAME? List the amount that you normally receive. For example, if you normally make \$1000 each month, but you missed some work last month and only made \$900, put down that you made \$1000 per month. If you normally get overtime, include it, but do not include it if you only work overtime sometimes. If you have lost a job or had your hours or wages reduced, use your current income.
15. WE ARE IN THE MILITARY. DO WE INCLUDE OUR HOUSING ALLOWANCE AS INCOME? If you get an off-base housing allowance, it must be included as income. However, if your housing is part of the Military Housing Privatization Initiative, do not include your housing allowance as income.
16. MY SPOUSE IS DEPLOYED TO A COMBAT ZONE. IS HER COMBAT PAY COUNTED AS INCOME? No, if the combat pay is received in addition to her basic pay because of her deployment and it was not received before she was deployed, combat pay is not counted as income. Contact your school for more information.
17. MY FAMILY NEEDS MORE HELP. ARE THERE OTHER PROGRAMS WE MIGHT APPLY FOR? To find out how to apply for **SNAP** or other assistance benefits, contact your local assistance office or call **1-800-342-3009**.

**How to Apply:** To get free or reduced-price meals for your children carefully complete one application following the instructions for your household and return it to the designated office listed on the application. If you now receive SNAP, Temporary Assistance to Needy Families (TANF) for any children or participate in the Food Distribution Program on Indian Reservations (FDPIR), the application must include the children's names, the household SNAP, TANF or FDPIR case number and the signature of an adult household member. All children should be listed on the same application. If you do not list a SNAP, TANF or FDPIR case number for any household member, the application must include the names of everyone in the household, the amount of income each household member, and how often it is received and where it comes from. It must include the signature of an adult household member and the last four digits of that adult's social security number or check the box if the adult does not have a social security number. **An application for free and reduced-price benefits cannot be approved unless complete eligibility information is submitted, as indicated on the application and in the instructions.** Contact your local Department of Social Services for your SNAP or TANF case number or complete the income portion of the application. No application is necessary if the household was notified by the School Food Authority (SFA) their children have been directly certified. If the household is not sure if their children have been directly certified, the household should contact the school.

**Reporting Changes:** **The benefits that you are approved for at the time of application are effective for the entire school year and up to 30 operating days into the new school year (or until a new eligibility determination is made, whichever comes first).** You no longer need to report changes for an increase in income or decrease in household size, or if you no longer receive SNAP.

**Income Exclusions:** The value of any childcare provided or arranged, or any amount received as payment for such childcare or reimbursement for costs incurred for such care under the Child Care Development (Block Grant) Fund should not be considered as income for this program.

**Reduced Price Eligible Students:** **Beginning July 1, 2019, students in New York State that are approved for reduced price meals will receive breakfast and lunch meals at no charge.**

In the operation of child feeding programs, no child will be discriminated against because of race, sex, color, national origin, age, or disability.

**Meal Service to Children with Disabilities:** Federal regulations require schools and institutions to serve meals at no extra charge to children with a disability which may restrict their diet. A student with a disability is defined in 7CFR Part 15b.3 of Federal regulations, as one who has a physical or mental impairment which substantially limits one or more major life activities of such individual, a record of such an impairment or being regarded as having such an impairment. Major life activities include but are not limited to functions such as caring for oneself, performing manual tasks, seeing, hearing, eating, sleeping, walking, standing, lifting, bending, speaking, breathing, learning, reading, concentrating, thinking, communicating, and working. You must request meal modifications from the school and provide the school with medical statement from a State licensed healthcare professional. If you believe your child needs substitutions because of a disability, please get in touch with us for further information, as there is specific information that the medical statement must contain.

**Confidentiality:** The United States Department of Agriculture has approved the release of students names and eligibility status, without parent/guardian consent, to persons directly connected with the administration or enforcement of federal education programs such as Title I and the National Assessment of Educational Progress (NAEP), which are United States Department of Education programs used to determine areas such as the allocation of funds to schools, to evaluate socioeconomic status of the school's attendance area, and to assess educational progress. Information may also be released to State health or State education programs administered by the State agency or local education agency, provided the State or local education agency administers the program, and federal State or local nutrition programs similar to the National School Lunch Program. Additionally, all information contained in the free and reduced price application may be released to persons directly connected with the administration or enforcement of programs authorized under the National School Lunch Act (NSLA) or Child Nutrition Act (CNA); including the National School Lunch and School Breakfast Programs, the Special Milk Program, the Child and Adult Care Food Program, Summer Food Service Program and the Special Supplemental Nutrition Program for Women Infants and Children (WIC); the Comptroller General of the United States for audit purposes, and federal, State or local law enforcement officials investigating alleged violation of the programs under the NSLA or CNA.

**Reapplication:** You may apply for benefits any time during the school year. Also, if you are not eligible now, but during the school year become unemployed, have a decrease in household income, or an increase in family size you may request and complete an application at that time.

The disclosure of eligibility information not specifically authorized by the NSLA requires a written consent statement from the parent/guardian. We will let you know when your application is approved or denied.

Sincerely,

Douglas R. Scofield, Superintendent

Examples of deductions are federal tax, State tax, and Social Security deductions. If you have more than one job, you must list the income from all jobs. *"Education is not the filling of a bucket, but the lighting of a fire." W.B. Yeats*

by MaryJo Dudek, Ed.D.  
Assistant Superintendent

This year, the Board of Education approved a five-year strategic plan for our district. This document was created by members of the EMW community in partnership with representative students, staff, faculty, and administration of Iroquois. Among the contents of the plan, includes a new vision, mission as well as our strategic intents or goals for the next five years. It is the mission:

*"The Iroquois Central School District will provide academically challenging, relevant, and purposeful learning experiences in partnership with parents and the community. We are committed to an engaged and inclusive approach that encourages innovation and creativity, preparing students for success in an ever-changing world."* that guided the professional learning for the summer of 2022.

This summer was one of the most well attended for professional learning. Our three main categories of summer work included instruction/curriculum, technology and SEL work. Additionally, we incorporated several courses on the Science of Reading.

Teachers, using materials from Safe and Civil Schools, learned proactive classroom management techniques they can use with their students. Centering on creating welcoming and supportive environments, the materials provide suggestions for positive practices to increase student engagement.

The Science of Reading relates to the most recent research informing educators about how students learn to read. Teachers received information about what component skills are essential and various methods of reading instruction based on evidence. Classes in Phonics, Phonemic Awareness, Vocabulary and Comprehension, all integral components of a strong literacy program, were also well attended.

To better support our student's social, emotional, and behavioral learning experiences, several teachers attended classes on how best to build the executive functioning skills of our students. These are often most linked to life-long skills that will prepare our students for college or career.

Technology courses were also held. This year, the focus of the classes was on the true integration of both hardware and software tools. Different from past trainings where the focus was to simply learn how to use the program, teachers were able to work in small groups to strengthen their lesson and unit plans.

Curriculum work rounds out our summer learning plan. Teachers updated their scope and sequence course outlines, spent time modifying their lessons and adopting new methods for assessing student learning.

The past two months have been extremely busy for the administration and faculty of Iroquois. Continuous learning of all is vital to meet our district mission. Every facet is aligned to our strategic plan to *"...prepare students for success in an ever-changing world."*

## I wonder where the bus is?

Versatrans "My Stop" by Tyler Technologies is available to all Iroquois students and parents. With this application, you will be able to access your child's bus information relating to present position and estimated time of arrival. This will be available only for the student's morning and afternoon transportation. This service will not provide information on exam buses, early dismissals, field or athletic trips. Circumstances out of the district's control (weather, breakdowns, spare buses, absent children, etc.) may lead to inaccurate or no information on the My Stop App, so please remember this should only be used as a tool to assist you in addition to your current practices.

The application can be downloaded for free on either **Google Play** or **App Store**. The user ID number is your child's student number and the password is your child's date of birth in this format: "MMDDYYYY" (always an 8-digit number). **Important Points to remember:**

- The application is only available for morning and afternoon regularly scheduled bus runs.
- The estimated time of arrival is an estimate and is consistently updated.
- Please have your child ready for pickup 5 minutes before the estimated arrival time.
- Do not hesitate to contact the Transportation Dept. at 716-652-5130 if you have any additional questions.

## ITAC – It Takes A Community: Youth will Lead the Way!

*“ITAC should represent as a whole – a community who can support you, and who can help you out. [Young people] just need to turn to them, ask for them... just raise your voice.” – Veljko Rakic, ITAC Youth Ambassador of the Year, 2022*

**ITAC’s mission is to increase awareness of substance use within the community and enhance communication between parents, youth, educators, and residents, while utilizing data to drive prevention efforts, promote education, and provide access to resources.**

Within Iroquois School District, our goal is to inspire passionate youth between the ages of 12 -18, who are eager to impact their communities in a positive way. We aim to accomplish this by giving young people the tools they need to create and lead social change movements. This school year, we are seeking to establish an ITAC sponsored club at both the high school and middle school level – a youth coalition. This club will be youth-led and directed, with mentorship from the ITAC general coalition and the community. The Youth Coalition will be a group for youth to advocate for a healthy and drug-free community. It is anticipated our Youth Ambassadors will participate in community outreach, meet local legislators to voice their concerns, design drug prevention and awareness campaigns, plan drug-free events, and, ultimately have a constructive outlet to speak for their generation and for their peers. ITAC is working with the district to have this set up in the fall – so be sure to look out for more information!

Last year, ITAC was involved in many school activities – from supporting the homecoming dance and the Middle School Spring Fling, the Staff vs. Faculty basketball game, to bringing in speakers from Kids Escaping Drugs and working with middle school health classes. ITAC looks forward to ongoing collaboration at all levels of school activities for the new school year.

For more information about how to become involved and what we are doing – visit [www.itacmw.com](http://www.itacmw.com) or email [itacmw@gmail.com](mailto:itacmw@gmail.com). Our meetings are open to everyone! Look for our meeting calendar magnet on your child’s school calendar, or visit our website.
