

Message from Superintendent of Schools Douglas Scofield

As school ended in June, I believed it would resume in September in a very traditional method. However, I sit here August 17th waiting for the final guidance from different state and local agencies. The District remains committed to having 5-day a week in-person instruction while providing a safe environment for the instruction of students. Several mitigation strategies, including daily disinfecting, will continue for the 2021-22 school year. I will continue to update families on any change or development, including mask guidance, that will impact the learning environment and safety at school. The greatest action we can all take is to be mindful of our actions while not in school to prevent exposure to COVID-19 in the classroom. Together we can make a difference for everyone in the Iroquois family. This difference can be seen as Iroquois continues to move forward with its initiatives.

The development of the Strategic Plan, initiated by the Board of Education, continues to make progress with collaborative meetings all summer. Three major areas of focus were established through voter exit surveys and group discussions with all stake holders: Student Experience, Communications and Facilities. These groups will establish goals for the next five years. The Strategic Core Task Force

is also diligently developing a new vision statement to recommend to the Board of Education for the Iroquois Central School District. The statement will be accompanied by belief statements that support the ideals that are key to the development of young adults.

The capital project is also progressing slightly ahead of its established timeline. Currently, the project is out to the public for contractor's bids. The District expects the project to break ground in the fall. The District website will have updates as the different aspects of the project make progress to all District facilities.

We are also proud that this year will be the first year for Iroquois to house a Universal Pre-Kindergarten program. Iroquois will be using dedicated preschool state funds to support the new program. We wish the students great success as they start their educational career at Iroquois.

As a personal note, I would like to thank the entire Iroquois community for their continued support. The start to the 2021-22 school is fast approaching and I look forward to everyone's return to school. Enjoy your last weeks of summer as we look forward to another exciting year at Iroquois.

Dear Parent/Guardian:

Children need healthy meals to learn. **Iroquois Central School District** offers healthy meals every school day. **Breakfast costs \$1.80; lunch costs: Grades K-4, \$2.75, and Grades 5-12, \$3.00**

Your children may qualify for free meals or for reduced price meals. Beginning July 1, 2019, students in New York State that are approved for reduced price meals will receive breakfast and lunch meals at no charge.

1. DO I NEED TO FILL OUT AN APPLICATION FOR EACH CHILD? No. Complete the application to apply for free or reduced-price meals. *Use one Free and Reduced-Price School Meals Application for all students in your household.* We cannot approve an application that is not complete, so be sure to fill out all required information. Return the completed application to your child's school, 652-3000.
2. WHO CAN GET FREE MEALS? All children in households receiving benefits from **SNAP, the Food Distribution Program on Indian Reservations** or **TANF**, can get free meals regardless of your income. Categorical eligibility for free meal benefits is extended to all children in a household when the application lists an Assistance Program's case number for any household member. Also, your children can get free meals if your household's gross income is within the free limits on the Federal Income Eligibility Guidelines. Households with children who are categorically eligible through an Other Source Categorically Eligible designation, as defined by law, may be eligible for free benefits and should contact the School Food Authority (SFA) for assistance in receiving benefits.
3. CAN FOSTER CHILDREN GET FREE MEALS? Yes, foster children that are under the legal responsibility of a foster care agency or court, are eligible for free meals. Any foster child in the household is eligible for free meals regardless of income. Foster children may also be included as a member of the foster family if the foster family chooses to also apply for benefits for other children. Including children in foster care as household members may help other children in the household qualify for benefits. If non-foster children in a foster family are not eligible for free or reduced-price meal benefits, an eligible foster child will still receive free benefits.
4. CAN HOMELESS, RUNAWAY, AND MIGRANT CHILDREN GET FREE MEALS? Yes, children who meet the definition of homeless, runaway, or migrant qualify for free meals. If you have not been told your children will get free meals, please call or e-mail Kristin Kendall-Jakus, to see if they qualify.
5. WHO CAN GET REDUCED PRICE MEALS? Your children may be approved as reduced price eligible if your household income is within the reduced-price limits on the Federal Eligibility Income Chart, shown on this letter. Beginning July 1, 2019, students in New York State that are approved for reduced price meals will receive breakfast and lunch meals at no charge.
6. SHOULD I FILL OUT AN APPLICATION IF I RECEIVED A LETTER THIS SCHOOL YEAR SAYING MY CHILDREN ARE APPROVED FOR FREE MEALS? Please read the letter you got carefully and follow the instructions. Call the school at 652-3000 ext. 1202 if you have questions.
7. MY CHILD'S APPLICATION WAS APPROVED LAST YEAR. DO I NEED TO FILL OUT ANOTHER ONE? Yes. Your child's application is only good for that school year and for up to the first 30 operating days of this school year. You must send in a new application unless the school told you that your child is eligible for the new school year.
8. I GET WIC. CAN MY CHILD(REN) GET FREE MEALS? Children in households participating in WIC may be eligible for free or reduced-price meals. Please fill out a FREE/REDUCED PRICE MEAL application.
9. WILL THE INFORMATION I GIVE BE CHECKED? Yes, and we may also ask you to send written proof.
10. IF I DON'T QUALIFY NOW, MAY I APPLY LATER? Yes, you may apply at any time during the school year. For example, children with a parent or guardian who becomes unemployed may become eligible for free and reduced-price meals if the household income drops below the income limit.

1. **WHAT IF I DISAGREE WITH THE SCHOOL'S DECISION ABOUT MY APPLICATION?** You should talk to school officials. You also may ask for a hearing by calling or writing to: Douglas Scofield, Superintendent; Iroquois Central School District; P.O. Box 32; Elma, NY 14059; (716) 652-3000 ext. 1001.
 2. **MAY I APPLY IF SOMEONE IN MY HOUSEHOLD IS NOT A U.S. CITIZEN?** Yes. You or your child(ren) do not have to be U.S. citizens to qualify for free or reduced-price meals.
 3. **WHO SHOULD I INCLUDE AS MEMBERS OF MY HOUSEHOLD?** You must include all people living in your household, related or not (such as grandparents, other relatives, or friends) who share income and expenses. You must include yourself and all children living with you. If you live with other people who are economically independent (for example, people who you do not support, who do not share income with you or your children, and who pay a pro-rated share of expenses), do not include them.
 4. **WHAT IF MY INCOME IS NOT ALWAYS THE SAME?** List the amount that you normally receive. For example, if you normally make \$1000 each month, but you missed some work last month and only made \$900, put down that you made \$1000 per month. If you normally get overtime, include it, but do not include it if you only work overtime sometimes. If you have lost a job or had your hours or wages reduced, use your current income.
 5. **WE ARE IN THE MILITARY. DO WE INCLUDE OUR HOUSING ALLOWANCE AS INCOME?** If you get an off-base housing allowance, it must be included as income. However, if your housing is part of the Military Housing Privatization Initiative, do not include your housing allowance as income.
 6. **MY SPOUSE IS DEPLOYED TO A COMBAT ZONE. IS HER COMBAT PAY COUNTED AS INCOME?** No, if the combat pay is received in addition to her basic pay because of her deployment and it was not received before she was deployed, combat pay is not counted as income. Contact your school for more information.
- MY FAMILY NEEDS MORE HELP. ARE THERE OTHER PROGRAMS WE MIGHT APPLY FOR?** To find out how to apply for **SNAP** or other assistance benefits, contact your local assistance office or call **1-800-342-3009**.

How to Apply: To get free or reduced-price meals for your children carefully complete one application following the instructions for your household and return it to the designated office listed on the application. If you now receive SNAP, Temporary Assistance to Needy Families (TANF) for any children or participate in the Food Distribution Program on Indian Reservations (FDPIR), the application must include the children's names, the household SNAP, TANF or FDPIR case number and the signature of an adult household member. All children should be listed on the same application. If you do not list a SNAP, TANF or FDPIR case number for any household member, the application must include the names of everyone in the household, the amount of income each household member, and how often it is received and where it comes from. It must include the signature of an adult household member and the last four digits of that adult's social security number or check the box if the adult does not have a social security number. **An application for free and reduced-price benefits cannot be approved unless complete eligibility information is submitted, as indicated on the application and in the instructions.** Contact your local Department of Social Services for your SNAP or TANF case number or complete the income portion of the application. No application is necessary if the household was notified by the School Food Authority (SFA) their children have been directly certified. If the household is not sure if their children have been directly certified, the household should contact the school.

Reporting Changes: **The benefits that you are approved for at the time of application are effective for the entire school year and up to 30 operating days into the new school year (or until a new eligibility determination is made, whichever comes first).** You no longer need to report changes for an increase in income or decrease in household size, or if you no longer receive SNAP.

Income Exclusions: The value of any childcare provided or arranged, or any amount received as payment for such childcare or reimbursement for costs incurred for such care under the Child Care Development (Block Grant) Fund should not be considered as income for this program.

Reduced Price Eligible Students: **Beginning July 1, 2019, students in New York State that are approved for reduced price meals will receive breakfast and lunch meals at no charge.**

In the operation of child feeding programs, no child will be discriminated against because of race, sex, color, national origin, age, or disability.

Meal Service to Children with Disabilities: Federal regulations require schools and institutions to serve meals at no extra charge to children with a disability which may restrict their diet. A student with a disability is defined in 7CFR Part 15b.3 of Federal regulations, as one who has a physical or mental impairment which substantially limits one or more major life activities of such individual, a record of such an impairment or being regarded as having such an impairment. Major life activities include but are not limited to functions such as caring for oneself, performing manual tasks, seeing, hearing, eating, sleeping, walking, standing, lifting, bending, speaking, breathing, learning, reading, concentrating, thinking, communicating, and working. You must request meal modifications from the school and provide the school with medical statement from a State licensed healthcare professional. If you believe your child needs substitutions because of a disability, please get in touch with us for further information, as there is specific information that the medical statement must contain.

Confidentiality: The United States Department of Agriculture has approved the release of students names and eligibility status, without parent/guardian consent, to persons directly connected with the administration or enforcement of federal education programs such as Title I and the National Assessment of Educational Progress (NAEP), which are United States Department of Education programs used to determine areas such as the allocation of funds to schools, to evaluate socioeconomic status of the school's attendance area, and to assess educational progress. Information may also be released to State health or State education programs administered by the State agency or local education agency, provided the State or local education agency administers the program, and federal State or local nutrition programs similar to the National School Lunch Program. Additionally, all information contained in the free and reduced price application may be released to persons directly connected with the administration or enforcement of programs authorized under the National School Lunch Act (NSLA) or Child Nutrition Act (CNA); including the National School Lunch and School Breakfast Programs, the Special Milk Program, the Child and Adult Care Food Program, Summer Food Service Program and the Special Supplemental Nutrition Program for Women Infants and Children (WIC); the Comptroller General of the United States for audit purposes, and federal, State or local law enforcement officials investigating alleged violation of the programs under the NSLA or CNA.

Reapplication: You may apply for benefits any time during the school year. Also, if you are not eligible now, but during the school year become unemployed, have a decrease in household income, or an increase in family size you may request and complete an application at that time.

The disclosure of eligibility information not specifically authorized by the NSLA requires a written consent statement from the parent/guardian. We will let you know when your application is approved or denied.

Sincerely,

Douglas R. Scofield, Superintendent

Examples of deductions are federal tax, State tax, and Social Security deductions. If you have more than one job, you must list the income from all jobs. Learning never stops at Iroquois!

While some may refer to July and August as the "Dog Days of Summer", at Iroquois this couldn't be further from the truth! This year, we welcomed students in grades 1-5 to our very first academic camp. Together with their teachers, students participated in literacy, math, and social/emotional lessons. It was great to see the teachers and students so happy to learn together.

This summer continued our long tradition of professional development and curriculum work. Our primary goal focused on how to provide the best experience for students as we continue to regain our momentum from the pandemic. We concentrated on two areas, social/emotional well being and potential learning loss.

Everyone, both child and adult has been affected differently by COVID-19. To address the multitude of experiences, teachers attended sessions on how to support students who suffer from anxiety. They learned key characteristics, possible causes and most importantly, strategies that can be used in the classroom to help students feel safe.

Another area where teachers concentrated on is addressing learning loss. Together they reviewed the progress of last year and refined their curriculum to address areas that students may need more assistance. Our work on curriculum will continue as we move our instruction to the new standards.

Although it was a very busy summer, the hard work of the students, teachers and administrators will reap rewards next year.

I wonder where the bus is?

Versatrans "My Stop" by Tyler Technologies is now available to all Iroquois students and parents. With this application, you will be able to access your child's bus information relating to present position and estimated time of arrival. This will be available only for the student's morning and afternoon transportation. This service will not provide information on exam buses, early dismissals, field or athletic trips. Circumstances out of the district's control (weather, breakdowns, spare buses, absent children, etc.) may lead to inaccurate or no information on the My Stop App, so please remember this should only be used as a tool to assist you in addition to your current practices.

The application can be downloaded for free on either **Google Play** or **App Store**. The user ID number is your child's student number and the password is your child's date of birth in this format: "MMDDYYYY" (always an 8-digit number).

Important Points to remember:

- The application is only available for morning and afternoon regularly scheduled bus runs.
- The estimated time of arrival is an estimate and is consistently updated.
- Please have your child ready for pickup 5 minutes before the estimated arrival time.
- Do not hesitate to contact the Transportation Dept. at 716-652-5130 if you have any additional questions.

Powerful words by the smallest of voices supports ITAC's mission!

This is me. I am drug Free. This is how I'll always be. Proud to be drug Free. Take it from me. It's the way to be. Find a way. Don't stray. Be smart. And stay away. You don't need drugs to have fun. You don't need drugs to feel good. It's no fun taking drugs. Don't take Drugs.

By Sabrina- 4th grade student at Elma Primary

Students at Elma Primary used their voices this past year to bring an awareness and share ITAC's – It Takes a Community Drug and Alcohol Prevention Coalition, mission of substance use prevention and education.

Though this past year was a year of challenges, changes, and new directions; together with the support of the community sectors, a variety of healthy activities promoting healthy lifestyles and reducing risk factors in our community were offered. We found our grit, relied on our strengths, we reset, and persevered.

ITAC partnered with the local fire districts to host a very successful "Truck or Treat" event providing a safe environment to celebrate the season. Connecting virtually with youth and adults during focus groups was an opportunity to hear their thoughts regarding substance use in the community. An Ice-Skating event provided an opportunity for youth to connect with friends. ITAC celebrated the Class of 2021 during the Senior Slow Roll and provided each senior with a *Proud Home of an Iroquois Senior Class of 2021* lawn sign. We are collaborating with our neighboring community coalitions with an underage drinking messaging campaign, and a TIKTOK- win \$1000 contest for youth. A Town Hall meeting at the Village Green Park brought our community together for kid friendly activities, free school supplies and ice cream. Data from the Focus Groups was shared as well. Thank you to all who supported our June Gladness gift card fundraiser;

ITAC can continue to host healthy alternative activities with monies raised. Thank you for partnering with us, as we CELEBRATE YOU and your part in keeping our youth and communities healthy and safe!
