MULTI-YEAR PROJECTION

The Multi-Year Projection (MYP) demonstrates the District will be able to meet its financial obligations for 2023-2024 and the two subsequent years. However, it is important to note the MYP is built using a complex set of financial assumptions that are constantly changing. The MYP is an important tool to utilize in multi-year planning and decision making. The following table provides a summary of the District's Multi-Year Projection for 2024-2025 and 2025-2026.

OTHER FUNDS

The District maintains other funds in which it accounts for the revenues and expenditures pertaining to specialized operations. These funds are established under the authority of various provisions of the Education Code.

The following funds are included in this section:

Fund 08 – Student Activity Fund

Fund 11 – Adult Education Fund

Fund 13 – Cafeteria Fund

Fund 14 – Deferred Maintenance Fund

Fund 17 – Special Reserve Fund for Other than Capital Outlay Projects

Fund 19 – Foundation Special Revenue Fund

Fund 21 – Building Fund

Fund 25 – Capital Facilities Fund

Fund 40 – Special Reserve Fund for Capital Projects

Fund 57 – Foundation Permanent Fund

Fund 08 – Student Activity Fund:

California Department of Education (CDE) established Fund 08, Student Activity Special Revenue Fund, for reporting Associated Student Body (ASB) activities that are determined to be governmental rather than fiduciary.

This fund is financially stable.

Fund 11 - Adult Education Fund:

The Adult Education Fund is used to account separately for federal, state and local revenues for adult education programs. This fund shall be expended for adult education purposes only. The State's appropriation can only be utilized to support specific programs. The Adult Education program may need to utilize a portion of its fund balance to deliver programs.

This fund is financially stable.

Fund 13 – Cafeteria Fund:

The student nutrition program provides healthy meals for District students. A substantial number of pupils participate in the "Free and Reduced" program. The district is providing a free breakfast and lunch meal to all students on a daily basis.

This fund is financially stable.

Fund 14 - Deferred Maintenance Fund:

The Deferred Maintenance Fund is used to account for revenues and expenditures related to major maintenance projects. Based on a recommendation of the Citizen Oversight Committee, the Board of Trustees approved the implementation of a deferred maintenance policy to set aside

funding to repair major school building components. This includes plumbing, heating, air conditioning, electrical systems, roofing, interior and exterior painting, floor systems and the like. The District no longer receives funding from the State for deferred maintenance. Any augmentation to the Fund is derived from General Fund resources.

This fund is financially stable.

Fund 17 - Special Reserve Fund for Other than Capital Outlay Projects:

This fund is used primarily to provide for the accumulation of general fund monies for general operating purposes other than for capital outlay (Education Code Section 42840). Amounts from this special reserve fund must first be transferred into the general fund or other appropriate fund before expenditures may be made (Education Code Section 42842).

Although this fund is authorized by statute, it does not meet the GAAP definition of a special revenue fund; it functions effectively as an extension of the general fund. For presentation in the audited financial statements, this fund may either be combined with the general fund or be reported separately and the departure from GAAP explained.

This fund is financially stable.

Fund 19 – Foundation Fund:

The Foundation Fund accounts separately for monies received from gifts or bequests. Amounts in the Foundation Fund shall be expended only for the specific purpose of the gift or bequest.

This fund is financially stable.

Fund 21 – Building Fund:

The Building Fund accounts for the proceeds from the District sale of General Obligation bonds, redevelopment fees for capital projects and facilities use fees for joint use agreements. The District implemented a Deferred Maintenance policy and 1.5% is transferred from the General Fund.

On March 3, 2020, an election was held for Measure L of the registered voters of the District, at which more than fifty-five percent of the voters voting on the proposition approved the issuance and sale of \$385 million principal amount of General Obligation Bonds. The bonds are being issued to finance the costs of renovating, acquiring, constructing, repairing and equipping of District buildings and other facilities and to pay certain costs of issuance associated with the bonds.

This fund is financially stable.

Fund 25 - Capital Facilities Fund:

The Capital Facilities Fund exists to account for monies received as mitigation fees levied on developers, property owners and other agencies as a condition of approving new development or additions to existing real property. The authority for these levies may be local government

ordinances or private agreements between a school district and the developer. Expenditures from this fund are restricted to student housing related projects.

Consistent with the existing state law, the Board of Trustees has authorized the collection of School Facility Fees on new construction in the school district. The fee rates are \$1.92 per square foot of qualifying residential construction and \$.31 per square foot for qualifying commercial and or industrial, warehouse and senior housing construction.

This fund is financially stable.

Fund 40 - Special Reserve Fund for Capital Projects:

Special Reserve Fund has been used for several capital projects renovations such as the AHS Locker Room and Gym, BHS Football Field and SMHS Art Center and Stadium Lights.

The fund is financially stable.

Fund 57 – Foundation Permanent Fund:

The Foundation Fund accounts the proceeds from private purpose trust agreements. Interest earned from the principal of the trusts is often earmarked for student scholarships.

This fund is financially stable.

4. CRITERION: LCFF Revenue

STANDARD: Projected local control funding formula (LCFF) revenue for any of the budget year or two subsequent fiscal years has not changed from the prior fiscal year by more than the change in population, plus the district's gap funding or cost-of-living adjustment (COLA)¹ and its economic recovery target payment, plus or minus one percent.

For basic aid districts, projected LCFF revenue has not changed from the prior fiscal year by more than the percent change in property tax revenues plus or minus one percent.

For districts funded by necessary small school formulas, projected LCFF revenue has not changed from the prior fiscal year amount by more than the district's gap funding or COLA¹ and its economic recovery target payment, plus or minus one percent.

¹ Districts that are already at or above their LCFF target funding as described in Education Code Section 42238.03(d) receive no gap funding. These districts have a COLA applied to their LCFF target, but their year-over-year revenue increase might be less than the statutory COLA due to certain local factors and components of the funding formula.
