

Homework Help Tips

√ Each student is expected to keep a daily planner that is filled out each day in class. Please remember to sign your child's planner when his/her homework is complete.

√ Students will have daily homework assignments, which should take at least 40 minutes (most likely including reading time). I will contact you if your child is having difficulty completing work on time.

√ Please help your child to establish a homework time/routine. I suggest right after school (if possible). We are working on teaching them how to be responsible learners!

√ You may wish to monitor your child's homework for quality and time spent. Let me know if you feel your child is spending too much time on homework. You may find days when your child has more homework because of being out of the classroom during a lesson.

√ I hope you will review the weekly papers sent home in the Take Home Folder.

√ Please contact me if you have any questions or concerns about your child's progress. You may call the school at 652-3OOO ext. 2205 or write me a note in their planner.

√ Be positive about your child's work. Praise all improvements and efforts.
