WHY JOIN AIR FORCE ROTC?

US Air Force's Premier Leadership Program

- Elective “Try Before You Buy” Course
- Balanced College Lifestyle
- Scholarship Opportunities
- Camaraderie and Mentorship
- Learn Essential Life Skills
- Physical Fitness Training
- Immersive Travel & Internships
- Opportunity to Join US Space Force
- Graduate & Commission
- Serve Your Country

*“Life’s most persistent and urgent question is:
What are you doing for others?”*

- Martin Luther King, Jr.

DET 536 HIGHLIGHTS

Location, Location

4 Schools to Choose From

Northernmost Det in Continental US

Just Minutes Away from Adirondack SP!

1:10 Instructor/Student Ratio:

Individualized Mentorship for Each Cadet

Best Morale Patch in AFROTC

Consistent Producer of Pilots & Engineers

Unique Successes

First Fully Functional AFROTC Flight Simulator

Robust Virtual Training Amid Social Distancing

100% Success Rate at Pilot Boards Since 2017

First Space Force Officer Commissioned!

Best Field Training Performance in Region

E-Sports Participation

CADET LIFESTYLE

Normal College Experience

Academic Studies are Prioritized
Wear Civilian Clothing Most Days
Team Athletics & Extracurricular Clubs Encouraged
Semesters Abroad & Internships Encouraged

ROTC Academics

5 to 7 Hr. Weekly Time Commitment
1x Classroom Lecture (1 Hr.)
1x Leadership Lab Class (2 Hrs.)

FREQUENTLY ASKED QUESTIONS

CAN I ENROLL WITHOUT A SCHOLARSHIP?

You do not need an AFROTC scholarship to enroll in and complete the program.

WHAT ARE THE AGE REQUIREMENTS?

Age requirements vary depending on the path you choose to take:

Non-Rated Officers Must Commission by Age 39

Rated Officers Must Commission by Age 29

RPA Pilots May get a Waiver to Commission by Age 42

IS DRUG USE DISQUALIFYING?

Drug use and a career as a military professional do not mix. If you aspire to become an Airman, make choices that include sobriety, limit legal drug use and avoid substance abuse. In most cases, substance abuse is disqualifying. However, pre-service marijuana use without exposure to legal proceedings is in itself not disqualifying. Your specific circumstances may be discussed with your recruiter for an accurate determination to be made about your eligibility.

FREQUENTLY ASKED QUESTIONS

WHAT IS THE AIR FORCE POLICY ON SEXUAL ORIENTATION?

Air Force applicants are neither asked nor required to reveal their sexual orientation. Furthermore, statements about sexual orientation will not bar anyone access into military service, admission to service academies, ROTC or any other accession program. Openly gay, lesbian or bisexual applicants will be evaluated according to the same criteria and requirements applicable to all others seeking entry into the military.

WHAT IS THE AIR FORCE POLICY ON TATTOOS AND PIERCINGS?

Airmen are subject to strict requirements and restrictions pertaining to body modifications. If you plan to get a tattoo or other body modifications, carefully consider placement, size and content before you proceed. Tattoos, brands or piercings anywhere on the body that are prejudicial to good order and discipline, or of a nature that may bring discredit upon the Air Force, are prohibited both in and out of uniform. This includes modifications that are obscene or advocate sexual, racial, ethnic or religious discrimination. Even if rectified, excessive scarring resulting from tattoo removal may also be disqualifying. Tattoos are not completely disqualifying, however. There are no size or area limitations for authorized tattoos on the chest (below an open collar), back, arms, and legs. Tattoos, brands, and body markings are prohibited on the head, neck, face, tongue, lips, and scalp. Hand tattoos are limited to one single-band ring tattoo, on one finger, on one hand.

FREQUENTLY ASKED QUESTIONS

CAN I BE A STUDENT-ATHLETE WHILE IN AFROTC?

We accept student-athletes as cadets and even try to accommodate sports schedules as much as we can without negatively affecting your military training. We want you to enjoy a rich and full college experience. Get involved around campus! Participating in sports, clubs, and activities will make you well-rounded and a better leader. Be careful not to stretch yourself too thin...you still need to meet academic and fitness requirements.

DO I NEED TO HAVE MY OWN TRANSPORTATION?

You are not required to possess a vehicle while in Air Force ROTC. Cadets work out a transportation plan to ensure everyone gets where they need to be for classes and training sessions. Coordinating the movement of people and materials for training events tests leadership, communication, teamwork and creative problem-solving! It is also an early lesson on being good Wingmen for your fellow cadets.

PHYSICAL FITNESS ASSESSMENT REQUIREMENTS

Min Score = 75* Max Score = 100	1.5 Mile Run 60 Points		1 Minute Push-Ups 10 Points		1 Minute Sit-Ups 10 Points		Waist Measurement 20 Points
