Final Reflections:

1. Was the outcome/goal of this Collegial Circle met? Explain.

Yes, we used a variety of sources to develop a word study program that includes assessments to track students' progress.

2. How did the Collegial Circle assess whether the outcome was met?

We met regularly to review student progress based on our assessments (see Meeting Logs and samples).

3. How did your work impact teaching/learning? Include student work samples, lesson plans, peer reviews, etc.

Students notice spelling patterns while reading and writing. They use strategies to help reflect and become better spellers (see work samples).
