## COLLEGIAL CIRCLE DESCRIPTION

(Type your answer in the grey box below the question. The size of the box will adjust to the length of your answer.)

**What were the anticipated objectives of this Circle?**

To assess best practices and develop and utilize skills assessments for students in grade 2.

**What grade level(s) and or subject area(s) would benefit from this Circle?**

Elementary level – grades K – 5.

## FINAL REFLECTIONS

(Type your answer in the grey box below the question.)

**Was the outcome/goal of this Collegial Circle met? Explain.**

Yes, absolutely! We were able to develop and put into practice numerous assessments for students in grade 2.

**How did the Collegial Circle assess whether the outcome was met?**

We used assessments in our classes with our students and discussed our findings at our meetings.

**How did your work impact teaching/learning? Include student work samples, lesson plans, peer reviews, etc.**

We were able to directly impact our student learners by identifying those that needed further teacher assistance to help them to reach benchmarks, as well as those that exceeded expectations.

**Comments/additional information to share.**

This collegial circle provided us with valuable information that will really help to drive our curriculum for the future.
