The San Mateo Union High School District wishes to extend its gratitude to the voters and taxpayers of our District for their support of Measure L - a \$385 million general obligation bond to make improvements to our facilities.

Construction of a new sports complex is underway at Capuchino High School.

The project involves the construction of new lighted tennis courts, as well as new synthetic turf baseball, softball and multi-sport fields and sports lighting at all venues.

Construction began in June 2021 and is slated to be completed by fall of 2022. The project is budgeted at \$21.6 million.
