## COLLEGIAL CIRCLE DESCRIPTION

### What was the anticipated goal(s) of this Collegial Circle?

For teachers to gain expertise and collaborate in using Seesaw to maximize student learning, effectively communicate with families, and share their best practices through activities in the Seesaw District Library. As well as to explore opportunities to create a powerful learning loop between students, teachers, and families.

### What grade level(s) and or subject area(s) will benefit from this Circle?

K-3 and all subject areas

### What level of Guskey's Professional Development Evaluation did you select for this Circle?

4

## FINAL REFLECTIONS

### Was the goal of your Collegial Circle met? Please explain.

Yes. Participants learned and applied a variety strategies for creating engaging SeeSaw activities with their students. Links for lessons were shared with group and district. Participants asked questions and a running list was continually updated with solutions and/or suggestions.

### How did the members of this Collegial Circle assess whether the outcome was met? What evidence was utilized to assess your progress?

Participants were able to create activities using the new techniques and received feedback from peers. Participants had access to running list of peer created questions/answers/suggestions and used as a reference/resource.

### How did your work impact teaching and learning? [Include student work samples, lesson plans, peer reviews, etc.]

Engaging activities were assigned to students. Attached is a list of shared activities.

### Did your work align with the Level of Evaluation you identified in your proposal? Please explain.

Yes. Participants gained a higher level of expertise in using SeeSaw more effectively in their classrooms.

### Please included any additional comments you would like to share with the Collegial Circle Committee. This may include unanticipated outcomes, next steps, new learning, etc.

SeeSaw is an immense resource with many capabilities to further explore.
