FINAL REFLECTIONS

Was the goal of your Collegial Circle met? Please explain.

Yes, we were able to learn about and explore the concept of the Growth Mindset and develop some strategies and applications that will be useful in our classrooms.

How did the members of this Collegial Circle assess whether the outcome was met? What evidence was utilized to assess your progress?

We were able to learn about the benefits of a growth mindset for our students, as well as benefits for us as teachers.
